Fiduciary Management- Members of management who are directly entrusted with the responsibility of managing the organization's financial resources.

The Secretary-General is the accounting officer of the Political Party

Comparative Year- Means the prior period.

2. Key Political Party Information and Management

(a) Background information

National Rainbow Coalition (NARC) was fully registered under the Political Parties Act, CAP. 7D. The Party is domiciled in Kenya and has xx branches. The National Rainbow Coalition (NARC) was a coalition of Kenyan political parties in power from 2002 and 2005.

In preparation of the 2002 elections, the National Rainbow Coalition (NARC) was formed. On December 27, 2002, NARC won a landslide victory over KANU. NARC presidential candidate Mwai Kibaki got 62% of the votes in the presidential elections, against only 31% for the KANU candidate, Uhuru Kenyatta. On December 30, 2002, Mwai Kibaki was sworn in as the third President of Kenya.

The party performed well in the August 9 2022 General Elections and qualified for the share of the Political Parties Fund. The law requires a party to win at least a single electoral seat.

Principal Activities

The principal activity/mission/ mandate of the Party is to ...

- (a) Recruit and enlist members.
- (b) Nominate candidates for elections.
- (c) promote representation in Parliament and county assemblies of women, persons with disabilities, youth, ethnic and other minorities, and marginalized communities.
- (d) Sensitize the public on the functioning of the political and electoral system.
- (e) promote and enhance national unity.
- (f) mobilize citizens to participate in political decisions.
- (g) solicit and articulate public policy priorities as identified by its members; and
- (h) shape and influence public policy.

Vision

To attain a free, just and democratic society with equitable distribution of resources and opportunities for all.

National Rainbow Coalition (NARC)
Annual Report and Financial Statements for the year ended June 30, 2025.

Key Political Party Information and Management (continued)

Mission

A NARC Government shall strive to achieve and responsibility exercise accountable political Power in Kenya through participatory democracy (at all levels of governance) and promote social justice and equity.

(b) Key Management

Alfelt Mumbo Abio	Deputy Director of Elections	Assists in duties of the Director of Elections

5. Chairman's Statement

- ***Successes made by the party during the year***

The party managed to conduct various activities like tree planting by the women and youth of the party at Kitui, Makueni and Taita-Taveta counties throughout the financial year. The party also held meetings with the persons living with Disabilities in Kisii County.

- ***Challenges faced by the party during the year***

The party noted that there were so many activities to conduct but due to budgetary limitation, we couldn't carry all of the desired activities until resources were adequate to do so.

- ***Changes in the NEC***

There were no changes in the party's NEC

- ***Status on the implementation of the Party's strategic plan.***

The party's five-year strategic plan is well on course, but the party needs a revamp of its resources to actualize the plan. In this regard, the party will conduct a serious resource mobilization geared towards amassing enough funds to run the strategic plan to its successful realisation.

- ***Stakeholders' engagements within the year***

The party participated in stakeholder's meetings including the office of the registrar of political parties as a regulator, non-governmental organisations like CMD Kenya who play a crucial role in funding youth and women related engagements.

- ***Political direction of the Party***

The party is keen in participating fully in the upcoming 2027 elections with a view of forming government.

.....
Abdulahi Mohamed Bulale
Chairman

6. Report of the Secretary-General

Operational Performance of the Party

The party received **Ksh 4,288,357** from the Political Parties Fund (PPF) to run its approved work plan for the year 2024-2025 financial year.

The party further netted **Ksh 20,500** from membership recruitment drives. It should be noted that since some of the members openly admitted that they did not have the requisite subscription fee, the party offered to waive the fee for some of the new members.

The party had donations totalling to **Kshs. 1,500,000** received from its life members this financial year. This amount has greatly supported the affairs of the Party which the political Party Fund couldn't have fully supported. We as a Party sincerely thank everybody who donated.

The party also reports that its elected members have also refused to pay their monthly deductions since the day they were elected, this has hampered greatly the affairs of the party.

Grassroots elections

There was a grassroots election conducted in Nairobi County's Dagoretti South Constituency, Riruta Ward where Eliud Gisore was elected Sub-Branch Chair.

I would like to thank all party members for their time and resources given to make this party, which was in power from 2002, have its shine back again. I promise to steer this party by making sure all organs are well guided and financed to perform their duties which amalgamates to a common goal- making the party great again.

FIDELLIS NGULLI

Secretary General

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke extending to the right.

7. Statement of Performance against Predetermined Objectives for FY 2024/2025-1

The Political Party has a strategic plan running from Year 2023 to Year 2028. The Strategic Plan is implemented in annual work plans.

The performance of the Party during the year is presented in the table below:

No	Program/Activity	Key Performance Indicator	Target	Achievement	Remarks
1.	Special Interest groups	Active Youths, Women and PWDs	1200	600	Half Target achieved
2.	Administration	Robust and Operational Headquarters	Smooth running of activities		
3	Advocacy and Electoral	Regional Presence in Counties	40 Counties	15 Counties	Almost Half target achieved

8. Governance Statement

Governance by the NARC NEC

The National Rainbow Coalition is led by a powerful committee known as the National Executive Committee (NEC). Meetings are held quarterly but can be called in special circumstances to execute important and very urgent party matters as need may be. This financial year we have had three (3) NEC meetings and the attendance averaged 92%.

Gender Equality and Succession

The National Executive Committee is committed to achieving its gender diversity target and is also actively prioritising the appointment of qualified female politicians in its ongoing renewal to complement the NEC's mix of skills and experience as part of its current ongoing Party growth and succession process.

Under the NEC Charter, there's no maximum tenure for a NEC member to stand for an additional term but we take into consideration factors such as new and fresh young minds joining the leadership in the Committee to facilitate smooth succession planning.

Roles and functions of NEC

The NARC NEC's principal role is to govern and oversee the Party by ensuring that there is a proper governance framework in place to promote, champion and protect the Party's interests for the benefit of the entire membership of the Party and the country at large. NEC collectively oversees and appraises the strategies, performance, culture and policies of NARC, having due regard to its purpose, its responsibilities to its ordinary party members and life members alike, the interests of its stakeholders and its role in the promotion of good governance and democracy.

Induction, training and career development

To ensure NEC officials receive ongoing professional development, NEC officials are provided a comprehensive program of ongoing education and training. The NEC Education Program (Program) is structured to align with the Party's strategic pillars. The Program comprises formal Political education sessions, electorate and party member's connection sessions, ground visits in the grassroots and other Party and supporter's engagement opportunities. As part of this Program, we also periodically assess the need for NEC members to undertake professional development to maintain the skills and knowledge required to perform their roles effectively.

Governance Statement (Continued)

NEC performance

The way we measure and reward performance is designed to promote our purpose-led culture. Formal performance appraisals are conducted at the end of every year.

Performance assessments were undertaken for the Secretary General and NEC Leadership Team during FY 2024-2025.

Areas of Conflict of interest

The National Executive Committee considers a NEC member to be independent if they are free from any interest, position or relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the exercise of their independent judgement.

Conflicts of interest, including related party transactions, are a standing agenda item and are considered by the NEC and other NEC sub-committees at each Meeting and in each paper presented to the NEC or Sub-Committee. If a potential conflict is identified, the relevant official or the NEC may determine that they should not receive documents related to or take part in discussions or decisions in respect of that matter.

NEC remuneration, ethics and conduct

It suffices to say that NEC members or in that case any member holding a party position, except the Executive Director who heads the secretariat, is not entitled to a remuneration package but may be subject to receive an allowance in the service of the party from time to time.

Our Code of Ethics & Conduct (Code) sets out the behaviours expected of everyone at National Rainbow Coalition. The Code provides our people with principles and a framework to make informed party decisions. It also provides specific guidance on how to make the right decision and do the right thing. When our party supporters and other stakeholders interact with us, we want them to feel assured that we will act in a responsible and ethical way.

Governance Audit

The NARC NEC continuously reviews its performance and the performance of its Committees and individual NEC officials, and recognises the importance of this to NEC effectiveness.

9. Management Discussion and Analysis

The accompanying unaudited interim financial statements of National Rainbow Coalition were presented by management in accordance with the International Financial Reporting Standards and generally accepted accounting principles.

Only changes in accounting policies have been disclosed in these unaudited interim financial statements.

Management acknowledges responsibility for the preparation and presentation of the unaudited interim financial statements; including responsibility for the significant accounting judgements and estimates and the choice of accounting principles and methods that are appropriate to the company's circumstances.

Management has established processes which are in place to provide then sufficient knowledge to support management representations that they have exercised reasonable diligence that (i) the unaudited interim financial statements do not contain any untrue statement of material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it is made, as of the date of and for the periods presented by the unaudited interim financial statements and (ii) the unaudited interim financial statements, which is as of 30th June 2025.

The National Executive Committee (NEC) is responsible for reviewing and approving the unaudited interim financial statements together with other financial information of the company and for ensuring that management fulfils its financial reporting responsibilities. The Party shall institute an audit committee which will assist NEC in fulfilling this responsibility. The Audit committee shall meet with the management to review the financial statements together with other financial information of the company.

Management recognizes its responsibility for conducting the company's affairs in compliance with established financial standards, and applicable laws and regulations and for maintaining proper standards of conduct for its activities.

10. Environmental and Sustainability Reporting

i) *Sustainability strategy and profile*

NARC Party used biodegradable in production of flyers and party awareness materials. Three of our branches are reliable on solar panels to generate power. The Party also steered a campaign to plant over 30,000 trees as part of the plans to combat climate change.

ii) *Environmental performance*

The Party embarked on the plan of planting trees in collaboration with local NGOs. Indigenous trees were given priority in Kitui, Makueni and Taita Taveta Counties to start with.

iii) *Employee welfare*

NARC party is an equal opportunity employer that is keen to ensure merit is rewarded and both genders are involved. The Party created green jobs in the three counties during the tree planting programmes spearheaded by the women and youth of the Party.

a) *Responsible Supply chain and supplier relations*

NARC maintains a practice of prompt supply and payment plans, ensuring that the suppliers are always paid on time.

b) *Responsible marketing and advertising*

The party has put mechanisms for a responsible and robust marketing and advertising strategy that will be keen on maintaining the green agenda .

c) *Product stewardship*

In carrying out the party's mandate to the public and the entire membership, the Party will ensure that all party materials are well taken of and disposed without delay. Posters mounted are not to go beyond their intended timelines.

iv) *Corporate Social Responsibility / Community Engagements*

The Party builds trust with members and the public. It enhances social impact and reputation. The party also ensures ethical leadership which reflects in the community needs being addressed effectively.

The party has strengthened its legal compliance and advanced its sustainable Development Goals (SDG's)

11. Report of the National Executive Council/Committee

The Council/Committee submits their report together with the audited financial statements for the year ended June 30, 2025, which show the state of the Party's affairs.

i) Principal activities

The principal activities of the Party are reported on page (iii) of these financial statements.

ii) Results

The results of the National Rainbow Coalition (NARC) for the year ended June 30, 2025, are set out on page 1 to 6.

iii) Council Members

The members of the Governing body/NEC who served during the year are shown on page vii. During the year no members retired/ resigned.

iv) Auditors

The Auditor-General is responsible for the statutory audit of the National Rainbow Coalition (NARC) in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015

By Order of the Council/Committee

.....

Fidellis Ngulli

Secretary General

12. Statement of the National Executive Council Responsibilities

Section 31 of the Political Parties Act Cap 7D requires the NEC to prepare financial statements in respect of that Party, which give a true and fair view of the state of affairs of the Party at the end of the financial year and the operating results of the Party for that year. The NEC is also required to ensure that the Party keeps proper accounting records which disclose with reasonable accuracy the Party's financial position. NEC is also responsible for safeguarding the assets of the Party.

The NEC is responsible for the preparation and presentation of the Party's financial statements, which give a true and fair view of the state of affairs of the Party for and as at the end of the financial year (period) ended on June 30, 2025. This responsibility includes: (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Party; (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) Safeguarding the assets of the Party; (v) Selecting and applying appropriate accounting policies; and (vi) Making accounting estimates that are reasonable in the circumstances.

The NEC accepts responsibility for the Party's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and the Political Parties Act. The NEC is of the opinion that the Party's financial statements give a true and fair view of the state of the Party's transactions during the financial year ended June 30, 2025, and of the Party's financial position as at that date. The NEC further confirms the completeness of the accounting records maintained for the Party, which have been relied upon in the preparation of the Party's financial statements, as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the NEC assessed the Party's ability to continue as a going concern. Nothing has come to the attention of the Directors to indicate that the National Rainbow Coalition (NARC) will not remain a going concern for at least the next twelve months from the date of this statement.

National Rainbow Coalition (NARC)
Annual Report and Financial Statements for the year ended June 30, 2025.

Approval of the financial statements

The Party's financial statements were approved by the Board on August 25th, 2025 and signed on its behalf by:

.....
Abdulahi Mohamed Bulale
NEC Chairperson

.....

REPORT OF THE AUDITOR-GENERAL ON NATIONAL RAINBOW COALITION (NARC) FOR THE YEAR ENDED 30 JUNE, 2025

PREAMBLE

I draw your attention to the contents of my report, which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance, which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An Unmodified Opinion is issued when the Auditor-General concludes that the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources, and the Report on Effectiveness of Internal Controls, Risk Management, and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, and the Public Audit Act, 2015. The three parts of the report, when read together, constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of National Rainbow Coalition (NARC) set out on pages 1 to 36, which comprise of the statement of financial position as at 30 June, 2025, and the statement of financial performance, statement of changes in net assets, statement of cash flows and the statement of comparison of budget and

actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of National Rainbow Coalition (NARC) as at 30 June, 2025, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Political Parties Act, 2011, (Revised 2022), and the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Rainbow Coalition (NARC) Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Unresolved Prior Year Matters

In the prior year's audit report, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. Review of the status during the audit of the Party in the 2024/2025 financial year revealed that the following six (6) issues remained unresolved:

No.	Financial Year	Audit Issue
1	2022/2023	Inaccuracies in the Financial Statements
2	2022/2023	Irregular Procurement of Election Materials
3	2022/2023	Failure to Adhere to Statutory Expenditure Limit
4	2022/2023 and 2023/2024	Failure to Open Party Offices
5	2022/2023	Lack of Procurement Plan
6	2022/2023	Lack of an Internal Audit Function

Other Information

Management is responsible for the Other Information set out on pages iii to xx which comprise of Key Political Party Information and Management, The National Executive Council, Key Management Team, Chairman's Statement, Report of the Secretary General, Statement of Performance against Predetermined Objectives, Governance Statement, Management Discussion and Analysis, Environmental and Sustainability Reporting, Report of the National Executive Council and Statement of National Executive Council's Responsibilities. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the Party's financial statements, my responsibility is to read the Other Information and, in doing so, consider whether the Other Information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Non-Compliance with the Law on Establishment of Party Offices

As previously reported, the Party had established offices in only two Counties. Management did not provide records to confirm that the Party had established additional offices in at least twenty-four (24) Counties. This was contrary to Section 7(2)(f)(iii) of the Political Parties Act, 2011, which states that a provisionally registered political party shall be qualified to be fully registered if it has submitted to the Registrar the locations and addresses of the branch offices of the political party, which shall be in more than half of the Counties.

In the circumstances, Management was in breach of the law.

2. Non-Compliance with Climate Change Financing Requirements

Review of records revealed that the Party did not allocate resources in its annual budget towards Climate Change activities. This was contrary to Regulations 6(1)(d) and 15(2)(a) of the Climate Change Regulations, 2021, which require each public entity at both the National and County Governments to allocate an amount in its annual budget towards Climate Change activities. The regulations also require each entity to designate a unit with adequate staff and financial resources and appoint a senior officer as head of the unit to coordinate the integration of the Climate Change action plan and other statutory Climate Change functions into sectoral strategies.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the effects of the matter described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

Lack of Internal Audit Function and Internal Audit Committee

During the period under review, the Party had not established an Internal Audit Unit contrary to Section 73(1)(a) of the Public Finance Management Act, 2012, which requires every National Government entity to maintain an internal auditing arrangement that adheres to the guidelines issued by the Public Sector Accounting Standards Board. Further, Section 73(5) of the Public Finance Management Act, 2012, requires every National Government entity to establish an Audit Committee.

In the circumstances, the effectiveness of the Party's internal controls and risk management could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance

were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Party's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Party's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards of Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected

to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

FCPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

19. Notes to the Financial Statements

1. General Information

National Rainbow Coalition(NARC) party is established by and derives its authority and accountability from Political Parties Act.

2. Statement of Compliance and Basis of Preparation

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the National Rainbow Coalition (NARC)'s accounting policies. The areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Note 5 of these financial statements.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the National Rainbow Coalition (NARC). The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

Notes to the Financial Statements (Continued)

3. Adoption of New and Revised Standards

- i. New and amended standards and interpretations in issue effective in the year ended 30 June 2025.*

There were no new and amended standards issued in the financial year.

- ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2025*

Standard	Effective date and impact:
IPSAS 43: Leases	<i>Applicable 1st January 2025</i> The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cashflows of an National Rainbow Coalition (NARC). The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities.
IPSAS 44: Non- Current Assets Held for Sale and Discontinued Operations	<i>Applicable 1st January 2025</i> The Standard requires, Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and: Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance. There is no impact on the National Rainbow Coalition
IPSAS 45: Property Plant and Equipment	<i>Applicable 1st January 2025</i> The standard supersedes IPSAS 17 on Property, Plant and Equipment. IPSAS 45 has additional guidance/ new guidance for heritage assets, infrastructure assets and measurement. Heritage assets were previously

National Rainbow Coalition (NARC)
Annual Report and Financial Statements for the year ended June 30, 2025.

Standard	Effective date and impact:
	<p>excluded from the scope of IPSAS 17 in IPSAS 45, heritage assets that satisfy the definition of PPE shall be recognised as assets if they meet the criteria in the standard. IPSAS 45 has an additional application guidance for infrastructure assets, implementation guidance and illustrative examples. The standard has clarified existing principles e.g. valuation of land over or under the infrastructure assets, under- maintenance of assets and distinguishing significant parts of infrastructure assets.</p> <p>The standard has no impact on the National Rainbow Coalition as the Land and other heritage assets does not exist in the party.</p>
<p>IPSAS 46: Measurement</p>	<p><i>Applicable 1st January 2025</i></p> <p>The objective of this standard was to improve measurement guidance across IPSAS by:</p> <ul style="list-style-type: none"> i. Providing further detailed guidance on the implementation of commonly used measurement bases and the circumstances under which they should be used. ii. Clarifying transaction costs guidance to enhance consistency across IPSAS. iii. Amending where appropriate guidance across IPSAS related to measurement at recognition, subsequent measurement and measurement related disclosures. <p>The standard also introduces a public sector specific measurement bases called the current operational value.</p> <p>NARC is not impacted by the standard.</p>
<p>IPSAS 47: Revenue</p>	<p><i>Applicable 1st January 2026</i></p> <p>This standard supersedes IPSAS 9- Revenue from exchange transactions, IPSAS 11 Construction contracts and IPSAS 23 Revenue from non-exchange transactions. This standard brings all the guidance of accounting for revenue under one standard. The objective of the standard is to establish the principles that National Rainbow Coalition (NARC) shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flow arising from revenue transactions.</p>

National Rainbow Coalition (NARC)
Annual Report and Financial Statements for the year ended June 30, 2025.

Standard	Effective date and impact:
	NARC will follow the standard as provided.
IPSAS 48: Transfer Expenses	<p><i>Applicable 1st January 2026</i></p> <p>The objective of the standard is to establish the principles that a transfer provider shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of expenses and cash flow arising from transfer expense transactions. This is a new standard for public sector entities geared to provide guidance to entities that provide transfers on accounting for such transfers.</p> <p>NARC is not impacted by the standard.</p>
IPSAS 49: Retirement Benefit Plans	<p><i>Applicable 1st January 2026</i></p> <p>The objective is to prescribe the accounting and reporting requirements for the public sector retirement benefit plans which provide retirement to public sector employees and other eligible participants. The standard sets the financial statements that should be presented by a retirement benefit plan.</p> <p>NARC is not impacted by the standard.</p>
IPSAS 50: Exploration For & Evaluation of Mineral Resources	<p><i>Applicable 1st January 2027</i></p> <p>The objective of this Standard is to specify the financial reporting for the exploration for and evaluation of mineral resources. The Standard requires:</p> <ul style="list-style-type: none"> i. Limited improvements to existing accounting practices for exploration and evaluation expenditures. ii. Entities that recognize exploration and evaluation assets to assess such assets for impairment in accordance with this Standard and measure any impairment in accordance with IPSAS 26. iii. Disclosures that identify and explain the amounts in the National Rainbow Coalition (NARC)'s financial statements arising from the exploration for and evaluation of mineral resources and help users of those financial statements understand the amount, timing and certainty of future cash flows from any exploration and evaluation assets recognized. <p>NARC is not impacted by the standard.</p>

iii. Early adoption of standards

The National Rainbow Coalition (NARC) did not early – adopt any new or amended standards in the financial year.

Notes to the financial statements (continued)

4. Summary of Significant Accounting Policies

a) Revenue recognition

i) Revenue from non-exchange transactions

Transfers from The Political Parties Fund

Revenues transfers from the Political Parties Fund are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Party and can be measured reliably. To the extent that there is a related condition attached that would give rise to a liability to repay the amount, the amount is recorded in the statement of financial position and realised in the statement of financial performance upon meeting the set conditions.

ii) Revenue from exchange transactions

Rendering of services

The National Rainbow Coalition (NARC) recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably. The stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours. Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

**National Rainbow Coalition (NARC)
Annual Report and Financial Statements for the year ended June 30, 2025.**

Notes to the financial statements (continued)

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably, and it is probable that the economic benefits or service potential associated with the transaction will flow to the party.

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

Dividends

Dividends or similar distributions must be recognized when the shareholder's or the National Rainbow Coalition (NARC)'s right to receive payments is established.

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b) Budget information

The original budget for the Current FY was approved by the National Assembly. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the *National Rainbow Coalition (NARC)* upon receiving the respective approvals in order to conclude the final budget.

Budget information (continued)

The *National Rainbow Coalition (NARC)*'s budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts. In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget. A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actual cash and cash equivalents from the statement of cash flows.

c) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property. Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition. Transfers are made to or from investment property only when there is a change in use.

Notes to the financial statements (continued)

d) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the National Rainbow Coalition (NARC) recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration, the asset is initially measured at its fair value.

e) Leases

Finance leases are leases that transfer substantially all of the risks and benefits incidental to ownership of the leased item to the National Rainbow Coalition (NARC). Assets held under a finance lease are capitalized at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the future minimum lease payments. The National Rainbow Coalition (NARC) also recognizes the associated lease liability at the inception of the lease. The liability recognized is measured as the present value of the future minimum lease payments at initial recognition. Subsequent to initial recognition, lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in surplus or deficit. An asset held under a finance lease is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the National Rainbow Coalition (NARC) will obtain ownership of the asset by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating leases are leases that do not transfer substantially all the risks and benefits incidental to ownership of the leased item to the National Rainbow Coalition (NARC). Operating lease payments are recognized as an operating expense in surplus or deficit on a straight-line basis over the lease term.

Notes to the financial statements (continued)

f) Intangible assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite. Intangible assets with an indefinite useful life are assessed for impairment at each reporting date.

g) Research and development costs

The National Rainbow Coalition (NARC) expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the National Rainbow Coalition (NARC) can demonstrate:

- i) The technical feasibility of completing the asset so that the asset will be available for use or sale.
- ii) Its intention to complete and its ability to use or sell the asset.
- iii) How the asset will generate future economic benefits or service potential
- iv) The availability of resources to complete the asset.
- v) The ability to measure reliably the expenditure during development.

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete, and the asset is available for use. It is amortized over the period of expected future benefit. During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

Notes to the financial statements (continued)

h) Financial instruments

IPSAS 41 addresses the classification, measurement and de-recognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets. The National Rainbow Coalition (NARC) does not have any hedge relationships and therefore the new hedge accounting rules have no impact on the Company's financial statements. (amend as appropriate). A financial instrument is any contract that gives rise to a financial asset of one National Rainbow Coalition (NARC) and a financial liability or equity instrument of another National Rainbow Coalition (NARC). At initial recognition, the National Rainbow Coalition (NARC) measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through surplus or deficit, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

a) Financial assets

Classification of financial assets

The National Rainbow Coalition (NARC) classifies its financial assets as subsequently measured at amortised cost, fair value through net assets/ equity or fair value through surplus and deficit on the basis of both the National Rainbow Coalition (NARC)'s management model for financial assets and the contractual cash flow characteristics of the financial asset. A financial asset is measured at amortized cost when the financial asset is held within a management model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. A financial asset is measured at fair value through net assets/ equity if it is held within the management model whose objective is achieved by both collecting contractual cashflows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. A financial asset shall be measured at fair value through surplus or deficit unless it is measured at amortized cost or fair value through net assets/ equity unless an National Rainbow Coalition (NARC) has made irrevocable election at initial recognition for particular investments in equity instruments.

Notes to the financial statements (continued)

Subsequent measurement

Based on the business model and the cash flow characteristics, the National Rainbow Coalition (NARC) classifies its financial assets into amortized cost or fair value categories for financial instruments. Movements in fair value are presented in either surplus or deficit or through net assets/ equity subject to certain criteria being met.

Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest, and that are not designated at fair value through surplus or deficit, are measured at amortized cost. A gain or loss on an instrument that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through net assets/ equity

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through net assets/ equity. Movements in the carrying amount are taken through net assets, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in surplus/deficit. Interest income from these financial assets is included in finance income using the effective interest rate method.

Trade and other receivables

Trade and other receivables are recognized at fair values less allowances for any uncollectible amounts. Trade and other receivables are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year end.

Notes to the financial statements (continued)

Fair value through surplus or deficit

Financial assets that do not meet the criteria for amortized cost or fair value through net assets/equity are measured at fair value through surplus or deficit. A business model where the National Rainbow Coalition (NARC) manages financial assets with the objective of realizing cash flows through solely the sale of the assets would result in a fair value through surplus or deficit model.

Impairment

The National Rainbow Coalition (NARC) assesses, on a forward-looking basis, the expected credit loss ('ECL') associated with its financial assets carried at amortized cost and fair value through net assets/equity. The National Rainbow Coalition (NARC) recognizes a loss allowance for such losses at each reporting date.

b) Financial liabilities

Classification

The National Rainbow Coalition (NARC) classifies its liabilities as subsequently measured at amortized cost except for financial liabilities measured through profit or loss.

i) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition. After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost. Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution. Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the National Rainbow Coalition (NARC).

Notes to the financial statements (continued)

j) Provisions

Provisions are recognized when the National Rainbow Coalition (NARC) has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the National Rainbow Coalition (NARC) expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

k) Contingent liabilities

The National Rainbow Coalition (NARC) does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

l) Contingent assets

The National Rainbow Coalition (NARC) does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the National Rainbow Coalition (NARC) in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

Notes to the financial statements (continued)

m) Nature and purpose of reserves

The National Rainbow Coalition (NARC) creates and maintains reserves in terms of specific requirements.

n) Changes in accounting policies and estimates

The National Rainbow Coalition (NARC) recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

o) Employee benefits

Retirement benefit plans

The National Rainbow Coalition (NARC) provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which National Rainbow Coalition (NARC) pays fixed contributions into a separate National Rainbow Coalition (NARC) (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable. Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

p) Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

Notes to the Financial Statements (Continued)

Summary of Significant Accounting Policies (Continued)

q) Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment.

Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

r) Related parties

The National Rainbow Coalition (NARC) regards a related party as a person or an National Rainbow Coalition (NARC) with the ability to exert control individually or jointly, or to exercise significant influence over the National Rainbow Coalition (NARC), or vice versa. Members of key management are regarded as related parties and comprise NEC Members and other officials as per the Party's constitution and the Political Parties Act.

s) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

t) Comparative figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

u) Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2025.

Summary of Significant Accounting Policies (Continued)

5. Significant Judgments and Sources of Estimation Uncertainty

The preparation of the National Rainbow Coalition (NARC)'s financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods. State all judgements, estimates and assumptions made:

Estimates and assumptions.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The National Rainbow Coalition (NARC) based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the National Rainbow Coalition (NARC). Such changes are reflected in the assumptions when they occur. IPSAS 1.140

Useful lives and residual value

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- a) The condition of the asset based on the assessment of experts employed by the National Rainbow Coalition (NARC).
- b) The nature of the asset, its susceptibility and adaptability to changes in technology and processes.
- c) The nature of the processes in which the asset is deployed.
- d) Availability of funding to replace the asset.
- e) Changes in the market in relation to the asset

Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note 40. Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

20. Appendices

Appendix I: Implementation Status of Auditor-General’s Recommendations

The following is the summary of issues raised by the external auditor and management comments that were provided to the auditor.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
	Failure to open branch offices	We are on course to open more than 24 county offices	not resolved fully	By end mid next year

Guidance Notes:

- (i) Use the same reference numbers as contained in the external audit report.
- (ii) Obtain the “Issue/Observation” and “management comments”, required above, from final external audit report that Management signs;
- (iii) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your National Rainbow Coalition (NARC) responsible for the implementation of each issue.
- (iv) Indicate the status of “Resolved” or “Not Resolved” by the date of submitting this report to the National Treasury.

Secretary General

Date: 8/12/2025
