CHAIRPERSON'S FOREWORD

On 9th February 2022, the Hon. Speaker conveyed to the House Public Petition No 007 of 2022 regarding the land allocation and issuance of title deeds in respect of LR. 1150 in Embakasi Sub County Nairobi. The Petition was submitted by Ephantus Njeru Kabici, Bernard Otieno Owan, Joseph Onyango Lucas, and Stephen Musawa on behalf of Riverbank Residents Housing Welfare Group.

While considering the Petition, the Committee heard from the Petitioners on 3rd March 2022. The Committee also heard from the Cabinet Secretary, Ministry of Lands and Physical Planning, on Tuesday 22nd March 2022. The Committee also sought written submissions from the Nairobi City County Government but did not receive the same.

The Committee is thankful to the Speaker and the Clerk of the National Assembly for the logistical and technical support during its consideration of the Petition. The Committee is also grateful to the Petitioners and the Cabinet Secretary for Lands and Physical Planning for their valuable submissions to the Committee.

Under the provisions of Standing Order 227 and 199, it is my pleasant duty to table the Report of the Departmental Committee on Lands on its consideration of Public Petition No 07 of 2022 by Riverbank Residents Housing Welfare Group regarding the land allocation and issuance of title deeds in respect of LR. 1150 in Embakasi Sub County Nairobi.

Hon. Dr. Rachael Kaki Nyamai, CBS, MP
Chairperson, Departmental Committee on Lands

EXECUTIVE SUMMARY

This report responds to the prayers by Petitioners in Public Petition No. 007 of 2022 submitted by Riverbank Residents Housing Welfare Group regarding the land allocation and issuance of titles in respect of LR. 1150 in Embakasi Sub County Nairobi.

The Petitioners requested the National Assembly, through the Departmental Committee on Lands, to establish the status of ownership of parcels of land registered as LR. No 1150, No, 1811 and Block 10 in Embakasi East Constituency. They also asked the Committee to inquire into any irregular subdivision and allocation of land parcels and recommend revocation of such illegal land transactions.

The Petitioners also sought a recommendation that the Ministry of Lands & Physical Planning and the Nairobi City County Government immediately commence the validation process and facilitate the issuance of certificates of title and leases to the members of Riverbank Residents Housing Welfare Group living on LR. 11150 in Embakasi East Constituency.

Regarding the first prayer, the Committee observed that according to the submissions made by the Cabinet Secretary, Ministry of Lands and Physical Planning, LR. No 11150 is registered to the Nairobi Urban District Council (Nairobi City County), and LR No. 18111 was initially registered in the name of Sharjah Trading Co. Ltd, but it has since been subdivided and transferred to several other entities. In contrast, the Ministry holds no records regarding Riverbank Phase III (Block 10).

Regarding the second prayer, the Committee observed that it did not receive evidence indicating any irregular subdivision or allocation of the three parcels of land. The Committee further noted that the petitioners indicated that they reside on two parcels of land: LR 11150 and Block 10. The Committee found that LR. No. 1150 is still intact, and the Petitioners acknowledged that Block 10 is registered to the National Social Security Fund (NSSF).

On the third prayer, the Committee observed that although the then Nairobi City Commission intended to allocate portions of the land to the petitioners in 1985 the City Commission later cancelled the exercise. Therefore, the Committee concluded that the subject land was allocated to the Nairobi Urban District Council (now Nairobi City County) for sewerage disposal works. Therefore, it is currently not available for allocation.

However, the Committee observed that the Petitioners had occupied it for 24 years. Therefore, there is a need for the Nairobi City-County Government, and the Ministry of Lands and Physical Planning should consider settling the Petitioners on alternative land.

The Committee recommends that the Cabinet Secretary, Ministry of Lands and Physical Planning, in consultation with the Nairobi City County Government does, establish the claim of the Petitioners with a view to settling the Petitioners on alternative land in accordance with the Land Act, 2012 within six months of tabling of this Report.

2.0 INTRODUCTION

6. On 9th February 2022, the Hon. Speaker conveyed to the House Public Petition No 007 of 2022 regarding the land allocation and issuance of title documents in respect of LR. 1150 in Embakasi Sub County Nairobi. The Petition was presented to the House by Ephantus Njeru Kabici, Bernard Otieno Owan, Joseph Onyango Lucas, and Stephen Musawa on behalf of Riverbank Residents Housing Welfare Group.
7. The Petitioners stated that they represent five hundred families comprising eight hundred persons residing in a parcel of land LR No. 1150, measuring approximately seven acres, in Embakasi East Sub County in Nairobi. They settled on the land in 1997 and remained there for the past 24 years.
8. The land in question comprises three phases, namely: Riverbank phase I (LR. No. 11150), Riverbank phase II (LR. No. 18111) and Riverbank phase III (LR. No. Block 10) was classified as a settlement scheme and surveyed around 2014 to 2015. The entire parcel of land is public land under the custody of the Nairobi City County Government. The Riverbank Residents Housing Welfare Society has unsuccessfully tried to secure allotment letters for the entire parcel of land on behalf of the residents to have it subdivided and allocated to the members.
9. Following the creation of the settlement, the World Bank has supported the construction of a sewerage system, toilets, street lighting, and freshwater supply to support the Government's initiative to improve the residents' quality of life.
10. In 2018, the hopes of the residents to realize the security of tenure and full economic potential of their land were rekindled when the Ministry of Lands and Physical Planning, in conjunction with the Nairobi City County Government, published a notice for issuance of certificates of titles and leases for the land. However, the exercise did not proceed as planned, making the residents vulnerable to being disinherited of their land by unscrupulous land grabbers.
11. The residents have severally submitted to the Ministry of Lands and Physical Planning and the Nairobi City County Government all the requisite documents for authentication and facilitation of the issuance of certificates of the lease. Still, the efforts have not yielded any satisfactory outcome. Any further delay in issuing certificates of lease and titles to the residents is likely to jeopardize their security of tenure over their land, hinder the full realization of its economic potential and risk rendering them squatters on their land.

12. The Petitioners prayed that the National Assembly, through the Departmental Committee on Lands:

- a. Inquire into the matters raised in the petition to establish the status of ownership of parcels of land registered as LR. No 1150, No, 1811 and Block 10 in Embakasi East Constituency.
- b. Inquire into any irregular subdivision and or allocation of the parcels of land listed above with a view to recommending revocation of such illegal land transactions to revert the said land to the settlement schemes.
- c. Recommend that the Ministry of Lands and Physical Planning and the Nairobi City County Government immediately commence the validation process and facilitate the issuance of certificates of title and leases to the members of Riverbank Residents Housing Welfare Group living on LR. 11150 in Embakasi East Constituency.
- d. Makes any other recommendations to ensure that the members of Riverbank Residents Housing Welfare Group obtain security of tenure and realize the full economic potential of their land.

3.0 SUBMISSIONS

3.1 Submissions by the Petitioners

13. The Committee met the Petitioners' representatives on 3rd March 2022. During the meeting, the Petitioners informed the Committee as follows:
14. The Petitioners, comprising five hundred families, reside on two parcels of land: LR 11150 and Block 10 in Embakasi East Sub-County, measuring seven acres and Plot 10. The Petitioners also informed the Committee that the then area Member of Parliament, the late Hon David Mwenje, facilitated their settlement on the land in 1997. They have, since 1987 tried to secure allotment letters for the land to subdivide it among themselves in vain.
15. The Petitioners also claimed that the land in question is public land under the Nairobi City County Government. It was declared a settlement scheme in 2014. Subsequently, the Nairobi City County Government and the World Bank provided funding to establish a water project, street lighting and other sanitation facilities.
16. Following the publication of a notice regarding the issuance of title deeds within the County by the Ministry of Lands and Physical Planning in conjunction with the Nairobi City County Government in 2018. The Petitioners expected that they could be given title deeds for the land in question. However, the exercise did not occur. The Petitioners risked being disinherited from the land by unscrupulous individuals.
17. An agent for a company known as Martha representing Sterling Company Ltd approached them through the area chief and indicated that the said company held title deeds for LR. 18111. The agent claimed that the said titles overlap with part of LR. 11150. Efforts by the Petitioners to search LR. 18111 has been futile, with Ministry of Lands and Physical Planning officials claiming that the records for the said LR were not clear.
18. However, the Petitioners acknowledged that Block 10 is registered to the National Social Security Fund (NSSF). The Petitioners also reported that persons residing on the land negotiated with the Fund to settle the matter.
19. The Petitioners requested the Committee to inquire into the matter to establish the ownership status of LR. No. 11150, LR No. 18111 and Block 10 determine whether any irregular subdivision and or allocation affected the said three parcels had been undertaken to recommend that the land reverts to a public Settlement Scheme.

3.2 Submissions by the Cabinet Secretary Ministry of Lands and Physical Planning

20. The Committee met the Cabinet Secretary, Ministry of Lands and Physical Planning, on 22nd March 2022. The Cabinet Secretary informed the Committee as follows:
21. Land parcel LR No. 18111, measuring 15.32 Ha was initially registered as I.R No. 68298 in the name of Sharjah Trading Co. Ltd on 31st January 1996 for a term of 99 years with effect from 31st January 1993. The land was transferred to Altnay Investment Ltd on 13th January 1997 and Sterling Development Ltd on 19th September 1997. The parcel has since been subdivided and transferred to several other entities.
22. The Ministry holds no records regarding Riverbank Phase III (Block 10).
23. LR No. 11150 measures approximately 7.00 acres and is registered as I.R No. 19151 in favour of Nairobi Urban District Council (Nairobi City County) on October 17, 1962, for 99 years with effect from May 12, 1958. The grant indicates the user was for sewerage disposal works.
24. In 1985, the then Nairobi City Commission intended to allocate portions of the land to the petitioners but later cancelled the intention.
25. On January 20, 2017, the National Land Commission issued an intention to acquire 0.0315 Ha of the land on behalf of the Kenya Urban Roads Authority (KURA) to construct the Kayole Spine Eastern Bypass Link Road
26. The Cabinet Secretary concluded that the subject land was allocated to the Nairobi Urban District Council (now Nairobi City County) for sewerage disposal works and therefore is not available for allocation.

4.0 ISSUES FOR DETERMINATION AS PER THE PRAYERS IN THE PETITION

- a. That the National Assembly inquiries into the matters raised in the Petition with a view to establishing the status of ownership of parcels of land registered as LR. No 1150, No, 1811 and Block 10 in Embakasi East Constituency**

27. Regarding this prayer, the Committee observed that the ownership status according to the submissions made by the Cabinet Secretary, Ministry of Lands and Physical Planning of the land is as follows:

28. **LR. No 11150:** The parcel of land, measuring approximately 7.00 acres, is registered as I.R No. 19151 in favour of Nairobi Urban District Council (Nairobi City County). The County Government holds a 99-year lease for the parcel of land with effect from 12th, 1958, for sewerage disposal works.

29. **LR No, 18111:** The parcel measuring 15.32 Ha was initially registered as I.R No. 68298 in the name of Sharjah Trading Co. Ltd on 31st January 1996 for a term of 99 years with effect from 31st January 1993. The land was transferred to Altnay Investment Ltd on 13th January 1997 and Sterling Development Ltd on 19th September 1997. The parcel has since been subdivided and transferred to several other entities.

30. **Block 10:** The Ministry holds no records regarding Riverbank Phase III (Block 10)

- a. Inquire into any irregular subdivision and or allocation of the parcels of land listed above with a view to recommending revocation of such illegal land transactions to revert the said land to the settlement schemes.**

31. Regarding this prayer, the Committee observed that it did not receive evidence indicating any irregular subdivision or allocation of the three parcels of land. The Committee further noted that the petitioners, both in the Petition and in their oral submissions, indicated that they reside on two parcels of land: LR 11150 and Block 10 in Embakasi East Sub-County, measuring seven acres and Plot 10.

32. The Committee also noted that the Petitioners acknowledged that Block 10 is registered to the National Social Security Fund (NSSF). The Petitioners also reported that persons residing on the land negotiated with the Fund to settle the matter amicably.

33. The Petitioners further submitted they settled on the land in question in 1997. The Committee observed that the land in question, LR 11150, was registered to Nairobi Urban District Council (Nairobi City County) in 1962. respective entities before the petitioners occupied it.
34. Additionally, the parcel of land was still intact, save for the intention issued by the National Land Commission to acquire 0.0315 Ha of the land on behalf of Kenya Urban Roads Authority (KURA) to construct the Kayole Spine Eastern Bypass Link Road.
35. Further, the Cabinet Secretary submitted that LR No. 18111 was first registered to Sharjah Trading Co. Ltd on 31st January 1996, and it does not overlap with LR 11150, as claimed by the Petitioners. Therefore, the assertions made by the Petitioner regarding the illegal subdivision of LR. No. 18111 were not confirmed.
- a. Recommend that the Ministry of Lands and Physical Planning and the Nairobi City County Government immediately commence the validation process and facilitate the issuance of certificates of title and leases to the members of Riverbank Residents Housing Welfare Group living on LR. 11150 in Embakasi East Constituency.**
36. According to the submissions made by the Cabinet Secretary, Ministry of Lands and Physical Planning, the then Nairobi City Commission intended to allocate portions of the land to the petitioners in 1985, but the Commission later cancelled the intention. It is further noted that the National Land Commission issued an intention to acquire 0.0315 Ha of the land on behalf of the Kenya Urban Roads Authority (KURA) to construct the Kayole Spine Eastern Bypass Link Road.
37. On record, there is evidence from the Cabinet Secretary Ministry of Lands and Physical Planning that the subject land was allocated to the Nairobi Urban District Council (now Nairobi City County) for sewerage disposal works. Therefore, it is currently not available for allocation. However, the Committee observed that the Petitioners having occupied the land for 24 years, there is a need for the Nairobi City-County Government to consider allocating them the land in case the initial user is cancelled, considering that the sewerage works have not commenced since 1962. Alternatively, the Ministry of Lands and Physical Planning should consider settling the Petitioners on alternative land.

5.0 COMMITTEE RECOMMENDATION

Under the provisions of Standing Order 227, the Committee recommends that the Cabinet Secretary, Ministry of Lands and Physical Planning in consultation with the Nairobi City County Government does, verify the Petitioners' claim with a view to settling them on alternative land in accordance with the Land Act, 2012 within six months of tabling of this Report.

REPUBLIC OF KENYA
THE NATIONAL ASSEMBLY (SIXTH SESSION)

CONVEYANCE OF PUBLIC PETITION

(No. 07 of 2022)

**REGARDING THE LAND ALLOCATION AND ISSUANCE OF
TITLES IN RESPECT OF L.R. 11150 IN EMBAKASI SUB-
COUNTY, NAIROBI**

Honourable Members, Standing Order 225(2)(b) requires the Speaker to report to the House any petition, other than those presented by a Member. Further, Article 119 of the Constitution provides for the right of any person to petition Parliament to consider any matter within its authority, including petitioning the House to enact, amend or repeal any legislation.

Honourable Members, in this regard I wish to report to the House that my office has received a petition from various members of Riverbank Residents Housing Welfare Group of P.O. Box 72236 Nairobi calling for the *urgent issuance of certificates of titles and leases to members of the group living in land registered as L.R. No. 11150 in Embakasi Sub-County of Nairobi County.*

In their petition, **Honourable Members,** the petitioners aver that they were settled in the aforementioned land in Embakasi in 1997 following political skirmishes that had engulfed the area at the time. The said seven-acre parcel of land is now comprising of over 500 families. For over two decades, the petitioners have attempted, in vain, to secure allotment letters of the land as proof of ownership with a view to facilitating subdivisions among the residents.

Following a survey in 2014, the land occupied by the residents was classified as a Settlement Scheme comprising of three phases. The residents later received funding for a water supply project, street lighting and sanitation facilities supported by the Nairobi City County Government and the World Bank. This was followed by a publication of a Notice for issuance of titles and leases by the Ministry of Lands in conjunction with the Nairobi City County Government in 2018, but which was never implemented.

Honourable Members, the petitioners are thus vulnerable to risks of being displaced yet again from their land by unscrupulous land grabbers and being rendered squatters. The petitioners thus seek the intervention of this House in establishing the ownership status of the parcels of land registered as L.R. No. 11150, L.R. No.18111, and Block 10 in Embakasi Sub-County, in revoking any irregular sub-division and allocation of the land, and to secure urgent issuance of certificates of titles and leases to the residents.

Honourable Members, having determined that the matters raised by the petitioners are well within the authority of this House, I order that, pursuant to the provisions of Standing Order 227(1), this petition be committed to the Departmental Committee on Lands. The Committee is required to consider the petition and report its findings to the House and to the petitioners in accordance with Standing Order 227(2).

I thank you!

REPUBLIC OF KENYA
MINISTRY OF LANDS AND PHYSICAL PLANNING

RESPONSES TO THE NATIONAL ASSEMBLY DEPARTMENTAL COMMITTEE ON LANDS

Honourable Chair,

Pursuant to a letter Ref. Ref: NA/DC/LANDS/2022 / (021)) dated March 8, 2022, the Committee invited the Cabinet Secretary Ministry of Lands and Physical Planning to respond to the following:

1. Public Petition No. 080 of 2021 by residents of Haraka Settlement Scheme in Yatta and Masinga Constituency regarding alleged forceful eviction of squatters from Haraka Settlement Scheme
2. Public Petition No. 007 of 2022 by Riverbank Residents Housing Welfare Group regarding land allocation and issuance of title deeds in respect of L.R No. 11150 in Embakasi East Sub - County, Nairobi.

Response

Honourable Chair, I wish to respond as follows:

1. PUBLIC PETITION NO. 080 OF 2021 BY RESIDENTS OF HARAKA SETTLEMENT SCHEME

Honourable Chair, I wish to respond as follows:

Background and Context

Yatta Haraka Settlement Schemes as their name signify were hurriedly established to cater for displaced labourers and squatters. The settlement schemes commenced under the defunct Commissioner of Squatters in 1966 and continued under the Settlement Fund Trustees (SFT) programme in 1971. By this time, much of the land had been demarcated and majority of the plots allocated but not surveyed and registered.

The main challenges encountered during implementation of the settlement programme mainly included:

- i) Lack proper documentation
- ii) Double allocations
- iii) Infiltration of squatters causing conflict with legal allottees
- iv) Ownership disputes

Intervention measures

Honourable Chair,

Various methods were employed to solve the squatter problems in the Yatta Haraka settlement schemes in order to create a conducive environment for orderly settlement. Several committees have attempted to tackle the problems since 1971. However, none of them came up with adequate and comprehensive recommendations for solutions to the problems.

Notable is the report of the Provincial Commissioner, Eastern Province whose work began in 1989 and ended in 1992. The Provincial Commissioner provided a list of the plots and the proposed allottees per scheme. From the list of the proposed allottees, it was found that a total of 1848 original allottees retained their plots but 708 others were replaced by other ^{Squatters} squatters. In effect, this resulted in double allocation of 708 plots.

The Provincial Commissioner requested the Ministry to issue them with letters of allotment. He did not offer a solution for the 708 allottees who would be displaced. This proposal was therefore not implemented.

During the same period, a Ministerial Plots Committee (MPC) was set up by the then Ministry of Lands and Settlement and the Provincial Administration, Eastern Province to resolve the long-standing disputes between the allottees and squatters.

The Committee completed its work in 1994 and identified the following challenges in the documentation and titling process:

- i. Abandonment of land by allottees due to natural calamities
- ii. Invasion of abandoned plots by squatters
- iii. Double allocation
- iv. Deceased landowners and succession issues
- v. Boundary disputes
- vi. Conflict between allottees and squatters.

The Committee in its report (**annexure 1**) proposed the following approaches to resolve the settlement problems:

- i) To issue title deeds for the 1848 plots which are not disputed thereafter deal with the problems of the 708 double allocated plots
- ii) To have all the disputed plots shared among the disputants i.e allottees and squatters
- iii) Proceed with documentation (payments and transfers) to settlers as earlier allocated and deal with vacant plots separately
- iv) Proceed with documentation of legal allottees and old nominated squatters as recommended by the Provincial Commissioner
- v) Find alternative settlement for displaced allottees /nominees
- vi) Re-plan and reallocate resultant plots to accommodate all old settlers and new selectees by the Provincial Commissioner

In the end, the Committee recommended the re-planning option as the most suitable and viable option. The Committee however noted that the proposal would not be taken kindly by the allottees and squatters especially because it would reduce the size of the plots and interfere with their developments.

Ground verification

Honourable Chair,

To implement the report of the Ministerial Plots Committee (MPC), the Ministry embarked on a ground verification exercise in 2011/2012 FY to establish the ground occupancy covering a total 2565 parcels. 746 disputed plots were identified as shown in the table below-

Scheme No.	Scheme Name	Date Established	No. of Plots at Inception	Status	No. of Plots with recorded squatters problems
442	Mamba	1969	326	Registered	48
435	Ndalani I	"	512	"	169
439	Ndalani II	"	502	"	98
438	Nzukini I	"	155	"	34
454	Nzukini II	"	543	"	128

Scheme No.	Scheme Name	Date Established	No. of Plots at Inception	Status	No. of Plots with recorded squatters problems
455	Nzukini III	”	263	”	83
456	Nzukini IV543	”	264	”	186
TOTAL			2565		746

Implementation of the report was however resisted by the local leadership and the squatters who championed allocation of the entire parcels occupied by squatters. They were against the proposed re-planning as it would reduce the size of their land. In the circumstances, the report has not also implemented.

Honourable Chair,

In view of the foregoing, the Ministry undertakes to engage the Ministry of Interior and Coordination of National Government, County Government of Machakos, National Land Commission and the local leadership with a view to set up a multi-agency team within the next 30 days to build consensus for titling of the parcels to proceed.

Honourable Chair,

The Ministry has not sanctioned any eviction of squatters from Haraka Settlement Scheme. We recommend that the specific cases be directed to the Ministry of Interior and Coordination of National Government for investigation.

2. PUBLIC PETITION NO. 007 OF 2022 BY RIVERBANK RESIDENTS HOUSING WELFARE GROUP

Honourable Chair, I wish to respond as follows:

The petition states that the area occupied by the residents was classified as a settlement scheme and surveyed around the years 2014/2015 to comprise the following three phases:

- i) Riverbank Phase I (L.R No. 11150)
- ii) Riverbank Phase II (L.R No. 18111)
- iii) Riverbank Phase III (Block 10)

Honourable Chair,

Contrary to what is stated in the petition, according to our records, land parcel L.R No. 18111 measuring 15.32 Hectares was originally registered as I.R No. 68298 in the name of Sharjah Trading Company Limited on January 31, 1996 for a term of 99 years with effect from December 1, 1993. The parcel was transferred to Altay Investments Limited on January 13, 1997. It was further transferred to Sterling Developers Limited on September 19, 1997. The parcel has since been subdivided and transferred as shown in the copy of the title marked **annexure 2**.

Riverbank Phase III (Block 10) does not exist in our survey records.

L.R No. 11150 measures approximately 7.00 Acres and is registered as I.R No. 19151 in favour of Nairobi Urban District Council (Nairobi City County) on October 17, 1962 for a term of 99 years with effect from May 12, 1958. **Annexure 3** is a copy of the Memorandum of Registration of Transfer of Land (MRT), the Grant and Deed Plan No. 79213. The grant indicates that the user was for sewerage disposal works.

According to our records, in 1985, the then Nairobi City Commission allocated portions of the land to individuals but later withdrew the same. Copies of the letters withdrawing the allocations are marked **annexures 4**.

Our records indicate that the parcel L.R. No. 11150 is still intact and has not been subdivided as per Survey Plan F/R 98/30 (**annexure 5**).

On January 20, 2017, the National Land Commission issued an intention to acquire 0.0315 Hactares of the land on behalf of Kenya Urban Roads Authority for the construction of Kayole Spine Eastern Bypass Link Road. **Annexure 6** is a copy of the Gazette Notice.

From the foregoing the subject land was allocated to the Nairobi Urban District Council (now Nairobi City County) for sewerage disposal works and therefore is not available for allocation.

Honourable Chair, I submit.
