SC	State Corporations

B. Definition of Key Terms

Fiduciary Management- Members of Management directly entrusted with the responsibility of financial resources of the organization.

Comparative Year- Means the prior period.

2. Key Fund information and management

a) Background information

NBA Staff Car Loan/Mortgage Fund is established by and derives its authority and accountability from National Treasury circular No. ZZ/MOF/26/03/B (10) dated 13th December 2016 by the Cabinet Secretary National Treasury on 4th August 2022. The Fund is wholly owned by National Biosafety Authority with its principal office at NACOSTI building in Nairobi Kenya.

b) Principal Activities

The principal activity of the Fund is to provide loans to NBA staff to purchase motor vehicles for personal use and for the purpose of purchase or development of residential non-commercial property by staff of the Authority. The Fund is administered by the Fund Administrator. There is a committee charged with the responsibility of processing loans from applicants in accordance with laid down approved regulations, setting up a revolving Fund for the disbursement of loans, and supervising the day-to-day operations of the Fund.

The fund administrator is responsible for the day-to-day operations.

5. Chairman’s Report

On behalf of the Fund Administration Committee, I am pleased to present the Annual Report and Financial Statements for NBA Staff Car Loan/Mortgage Fund for the financial year ended 30 June 2025. This year has been one of resilience, strategic growth, and commitment to delivering value to NBA staff and partners in a dynamic economic environment.

Performance Overview

The Authority started the Staff Car Loan/Mortgage Fund in July 2023 in line with Salaries and Remuneration Commission (SRC) guidelines to enable staff acquire motor vehicles for personal use and purchase or develop residential non-commercial property at favourable interest rates as a way of attracting, retaining and motivating staff. NBA made an initial savings of Kshs.6,000,000 as seed capital for the Fund. In the financial year 2024/2025 NBA approved an additional Kshs. 45,200,000 towards funding the schemes.

During the financial year 2024/2025, the Fund continued to provide accessible and competitive financing solutions for car loans. The mortgage scheme is yet to commence operations as final arrangements are being put in place to make it operational

The Fund has continued to be operational in the past one year and despite challenges such as fluctuating interest rates and economic uncertainties, the Fund delivered a solid financial performance. The Authority appreciates the support of the Board of Directors and the Government for the set up and approval of the Fund through the National Treasury. The Fund is expected to continue to grow organically via savings accrued from the Authority’s budget and interest earned from the loanees as they repay monies advanced to them.

The governance and management of the scheme is as set out in the loan entailment and conditions stipulated in NBA Staff Car Loan/Mortgage Fund Policy as per the guidelines issued by the SRC. It is my sincere hope that the Fund continues to achieve its intended purpose to mitigate challenges associated with employee commuting, boost employee morale as well as attracting and retaining top talent within the Authority.

.....
DR. ANN N. KARIMI
CHAIRPERSON OF THE FUND

6. Report of the Fund Administrator

The NBA Staff Car Loan/Mortgage Scheme was established and is governed in line with existing government regulations. In this regard, the Authority hereby presents the Financial Statement of the NBA Staff Car Loan/Mortgage for the year ending 30th June, 2025. The Financial Statement presented comprises of the statement of financial performance, Statement of financial position, Statement of changes in net asset and statement of cash flow.

The Fund ensures prudent financial management and reporting in line with Public Finance Management Act (PFMA) 2012, Public Finance Management Regulations, 2015 and International Public Sector Accounting Standards (IPSAS). As result, the Administration of the Scheme has been efficient and effective in meeting the intended purpose.

The implementation and administration of the Fund is overseen by Funds Committee. The Committee meets regularly to consider and approve loans applications. So far, the scheme has approved four applications for Car Loans.

I wish to report that during the period under in the financial year 2024/2025 one Car Loan applications was approved. Accordingly, the total amount disbursed during the financial year to facilitate Car Loan was Kshs.2,620,000.

The Fund continues to meet its objective to provide robust loans scheme for the purpose of purchase of motor vehicles and purchase or develop residential non-commercial property for the staff of the Authority. This will enhance optimal productivity of Staff on account of improved employee morale and retention.

.....
NEHEMIAH K. NGETICH
FUND ADMINISTRATOR

7. Statement of Performance Against Predetermined Objectives

The National Biosafety Authority has eight Key Result Areas (KRA) within the current Strategic Plan for the period 2023-2027. The Fund is premised on the eighth Key Result Area (KRA) namely – Human Resource Management.

The Fund develops its annual work plans based on the Strategic Plan. Assessment of the performance against its annual work plan is done on a quarterly basis. The Fund achieved its performance targets set for the Financial Year 2024-2025 period as indicated in table 1 below:

Strategic Pillar/Theme/Issues	Objective	Key Performance Indicators	Activities	Achievements
Human Resource Management	To enhance workforce capacity	No of wellness programs implemented	Implement staff benefits programs including car loan, mortgage scheme	Car loan program implemented

8. Corporate Governance Statement

The NBA Staff Car Loan/Mortgage Fund

NBA Car Loan/Mortgage Fund is a revolving fund established pursuant to National Treasury Circular No. ZZ/MOF/26/03/B/ (10) dated 13th December 2016, the SRC Circular Number SRC/ADM/CIR/1/13 Vol. III (128) dated 17th December, 2014 section 24 (4)(5)(6)&(7) of Public Finance Management (PFM) Act, 2012 and Regulation 127 (1)&(2) of the PFM (National Government) Regulation, 2015.

The mandate of the Fund is to provide Loans to Staff of NBA to purchase motor vehicles for personal use and purchase or development of residential non-commercial property. The Fund is committed to ensuring compliance with regulatory and supervisory corporate governance requirements. Essential to the establishment of a corporate governance framework in the Fund is a formal governance structure with the committee at its apex. The operations of the Fund is governed by the NBA Staff Car Loan Fund Policy 2022, NBA Mortgage Loans Fund Policy 2022 and PFM Act 2012, PFM (National Government) Regulations 2015, SRC Circulars, National Treasury Circulars and any other government legislations.

a. Process of appointment Loan Committee members

The NBA Staff Car Loan/Mortgage committee is appointed in writing by the Chief Executive Officer of the National Biosafety Authority.

b. Roles and functions of Loan Committee

Regulations 9 & 10 of the NBA Staff Car Loan Fund Policy, 2022 and regulation 5 of the NBA Staff Mortgage Fund provide for appointment of committee and administrator of the Fund. The committee is made up of seven members including Chairperson and a Secretary. The Committee is responsible for short and long – term strategic direction of the Fund. The committee exercises leadership, integrity and judgement in directing the Fund.

The committee members are provided with full, appropriate and timely information by the secretariat that enables them to maintain full and effective control over strategic, financial, operational and compliance issues. The day-to-day running of the Fund is the secretariat, but the

committee is responsible for establishing and maintaining the Fund's system of internal controls for the realization of its mandate.

c. Committee meetings

The committee meets quarterly or as required in order to monitor the implementation of the Fund's strategic plan and achievement of the targets.

Car Loan & Mortgage Fund Committee Meetings during Financial Year 2024/2025

The Car Loan & Mortgage Fund Committee Held 7 Meetings as follows;

No.	Name	Position	Attendance
1	Nehemiah Ngetich	Fund Administrator	5
2	Dr. Ann Njeri Karimi	Chairperson	7
3	Moses Sande	Member	7
4	Josphat Muchiri	Member	7
5	Esther Thuku	Member	7
7	Lucy Kihamba	Secretary	7

The Car Loan & Mortgage Fund Secretariat held 6 meetings as follows:

No.	Name	Position	Attendance
1	Veronica Nabwire	Head of Secretariat	6
2	Doreen Muthiora	Secretary	6
3	Beatrice Adero	Member	6
4	Lesley Kasale	Member	6
5	Jacinta Muinde	Member	6

d. Succession Plan

The appointment of committee members is based on offices and not individual members and the Authority ensures that at any one point all offices represented on the committee have holders.

e. Conflict of interest

The Fund has established a conflict of interest register where all members are required to register any conflict of interest before the commencement of the meeting.

f. Fund Committee remuneration

The Staff Car Loan/Mortgage Fund committee and secretariat are paid sitting allowances as provided by the Fund policy.

g. Compliance with existing laws and regulations

The Fund complies with its statutory obligations in the implementation of its mandate. Further, the Fund has complied with all the necessary laws and regulations applicable in the management of the Fund.

9. Management Discussion and Analysis**The Fund's operational and financial performance**

The Fund commenced its operations in the financial year 2023-2024 with a seed capital of Ksh.6 million by the National Biosafety Authority for its car loan revolving Fund.

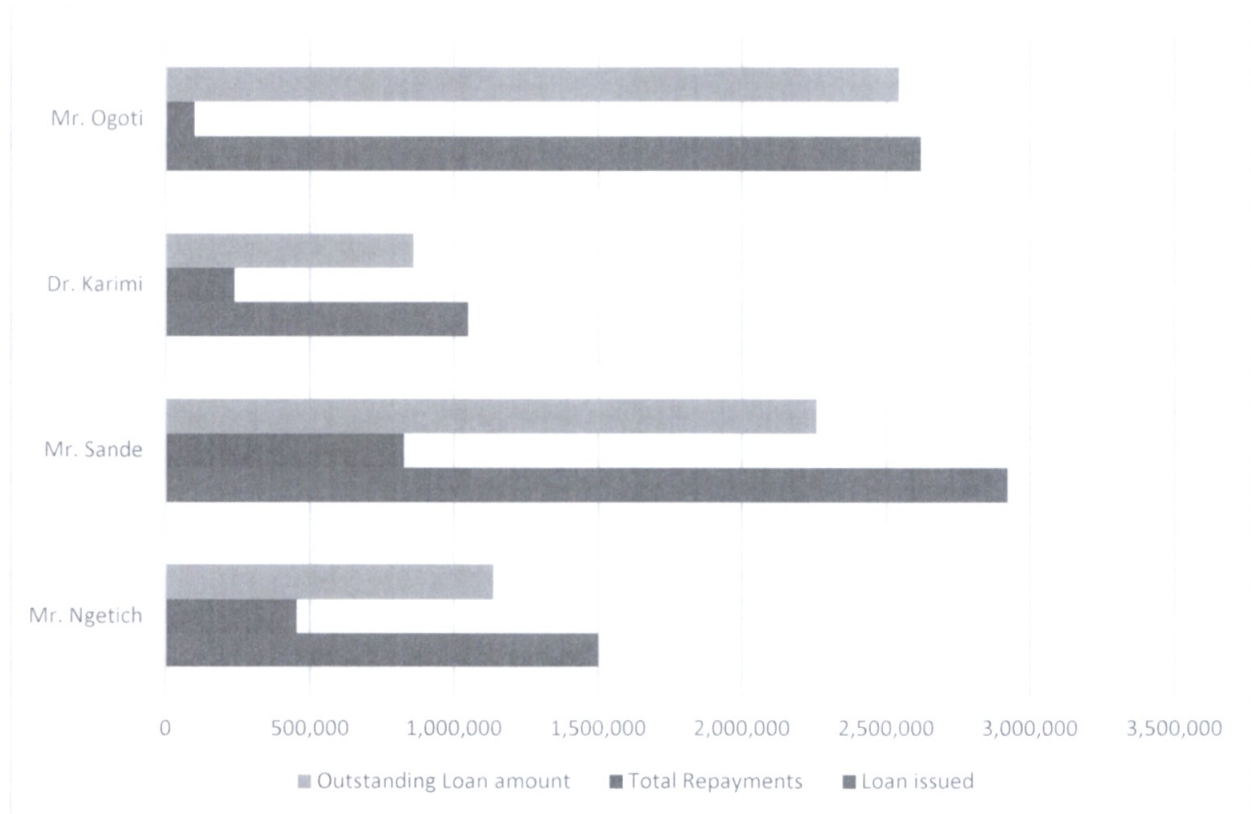

During the year ended 30th June 2025 the Fund received an additional disbursement of Kshs. 45,200,000 from the Authority. The funds were distributed as follows; Kshs.40,000,000 to the Mortgage Fund and Ksh.5,200,000 to the Car Loan Fund.

The Mortgage Fund is not yet fully operational. Therefore, during the Authority's budget revision the Mortgage Funds budget allocation was revised to Kshs.9,612,000. The Fund continues to deliver on its mandate which is to provide loans to NBA staff to purchase motor vehicles for personal use and purchase or development of residential non-commercial property.

Loans issued

Loans Issued	Name of the applicant	Loan issued	Total Repayments	Outstanding Loan amount
1.	Mr. Nehemiah Ngetich	1,500,000	452,909	1,135,844
2.	Mr. Moses Sande	2,922,058	827,142	2,258,402
3.	Dr. Ann Karimi	1,048,836	237,513	859,463
4.	Mr. Geoffrey Ogoti	2,620,000	98,885	2,542,787
Total		8,090,894	1,616,449	6,796,496

This is illustrated in the chart below:

Major risks facing the Fund

The major risk facing the Fund is limited funding from the National Biosafety Authority.

10. Report of the Fund Administration Committee

The Fund Administration Committee submit their report together with the audited financial statements for the year ended June 30, 2025, which show the state of the Fund's affairs.

Principal activities

The principal activities of the Fund are to provide loans to NBA staff to purchase motor vehicles for personal use and for the purpose of purchase or development of residential non-commercial property by staff of the Authority.

Performance

The performance of the Fund for the year ended June 30, 2025, is set out on page xviii

Trustees

The members of the Administration Committee who served during the year are shown on page iii

Auditors

The Auditor-General is responsible for the statutory audit of the Fund in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015.

By Order of the Board

.....
DR. ANN N. KARIMI
CHAIRPERSON OF THE FUND

11. Statement of Management's Responsibilities

Section 84 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a Fund established by a Fund policy approved by the National Treasury shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2025. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period, (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the fund, (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud, (iv) Safeguarding the assets of the fund; (v) Selecting and applying appropriate accounting policies, and (vi) Making accounting estimates that are reasonable in the circumstances.

The Administrator of the Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012. The Administrator of a Fund established by a Fund policy approved by the National Treasury shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2025, and of the Fund's financial position as at that date.

The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control. In preparing the financial statements, the Administrator of the Fund has assessed the Fund's ability to continue as a going concern. Nothing

NBA Car Loan/Mortgage Fund
Annual Report and Financial Statements For the year ended 30th June 2025

has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Fund's financial statements were approved by the Board on 21 August 2025 and signed on its behalf by:

.....

Enhancing Accountability

REPORT OF THE AUDITOR-GENERAL ON NATIONAL BIOSAFETY CAR LOAN AND MORTGAGE FUND FOR THE YEAR ENDED 30 JUNE, 2025

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An Unmodified Opinion is issued when the Auditor-General concludes that the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources, and the Report on Effectiveness of Internal Controls, Risk Management, and Governance.

The three parts of the report aim to address the Auditor-General's statutory roles and responsibilities as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of National Biosafety Car Loan and Mortgage Fund set out on pages 1 to 25, which comprise of the statement of financial

position as at 30 June, 2025 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of National Biosafety Car Loan and Mortgage Fund as at 30 June, 2025 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the National Treasury Circular ZZ/MOF/26/03/B/(10) dated 13 December, 2016 and the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Biosafety Car Loan and Mortgage Fund Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Information

The Management is responsible for the Other Information set out on page iii to xxi which comprise of Key Entity Information and Management, Fund Administration Committee, Management Team, Chairman's Report, Report of the Fund administrator, Statement of Performance Against Predetermined Objective, Corporate Governance Statement, Management Discussion and Analysis, Report of the Fund administration Committee, Statement of Management Responsibilities,). The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the Fund's financial statements, my responsibility is to read the Other Information and in doing so, consider whether the Other Information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effects of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

Failure to Amend the Mortgage Policy as Per the National Treasury Guidelines

Review of the National Biosafety Authority Policy guidelines for National Biosafety Mortgage Loans Fund May, 2022 and approved by the Chairman of the Board on 26 July, 2022 revealed that the Authority did not incorporate the amendments recommended by the National Treasury TNT/ZZ/26/04/A/(8) dated 12 July, 2022. The guidelines require several revisions, including capping expenses under paragraph 4.2 at 2 percent of appropriated funds, incorporating signing instructions in paragraph 5, requiring quarterly board reports under paragraph 5.2(t), limiting loans to 90 percent of property value as reflected in an amended paragraph 7.2, and aligning paragraph 7.5 with the governing legislation for loan takeovers.

Further, both the car and mortgage policy guidelines have not been reviewed as required by paragraph 26, which requires a review every two years or such shorter period as need arises.

In the circumstance, the Management was in breach of Circular.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Report of the Auditor-General on National Biosafety Car Loan and Mortgage Fund for the year ended 30 June, 2025

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and Fund Administration Committee

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

The Fund Administration Committee is responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards of Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is

not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7 (1) (a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

FCPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

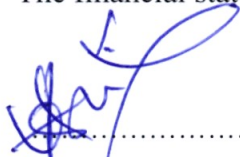

11 December, 2025

13. Statement of Financial Performance for the year ended 30th June 2025.

	Note	2024-2025	2023-2024
		Kshs.	Kshs.
Revenue from non-exchange transactions			
Transfers from NBA	6	-	6,000,000
		-	6,000,000
Revenue from exchange transactions			
Interest income	7	261,620	60,435
			-
Total revenue		261,620	6,060,435
Expenses

18. Notes to the Financial Statements

1. General Information

NBA Staff Car Loan Fund is established by and derives its authority and accountability from National Treasury in circular No. ZZ/MOF/26/03/B (10) dated 13th December 2016 by the Cabinet Secretary National Treasury. The Fund is wholly owned by the Government of Kenya and is domiciled in Kenya. The Fund's principal activity is to provide loans staff of NBA to purchase motor vehicles for personal use.

2. Statement of Compliance and Basis of Preparation

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant, and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the Fund's accounting policies. The areas involving a higher degree of judgment or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed as necessary. The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the Fund. The financial statements have been prepared in accordance with the PFM Act, and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

3. Adoption Of New and Revised Standards

i. New and amended standards and interpretations in issue effective in the year ended 30 June 2025.

There are no new standards effective in the Financial Year.

ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2025.

Standard	Effective date and impact:
IPSAS 43: Leases	Applicable 1st January 2025 The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cashflows of an Entity. The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities. The Fund does not operate any lease
IPSAS 44: Non- Current Assets Held for Sale and Discontinued Operations	Applicable 1st January 2025 The Standard requires, Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and: Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance. The Fund does not hold any non-current asset held for sale
IPSAS 45: Property Plant and Equipment	Applicable 1st January 2025 The standard supersedes IPSAS 17 on Property, Plant and Equipment. IPSAS 45 has additional guidance/ new guidance for heritage assets, infrastructure assets and measurement. Heritage assets were previously excluded from the scope of IPSAS 17 in IPSAS 45, heritage assets that satisfy the definition of PPE shall be recognised as assets if they meet the criteria in the standard. IPSAS 45 has an additional application guidance for infrastructure assets, implementation guidance and illustrative examples. The standard has clarified existing principles e.g. valuation of land over or under the infrastructure assets, under- maintenance of assets and distinguishing significant parts of infrastructure assets. The Fund does not hold any property plant and equipment
IPSAS 46: Measurement	Applicable 1st January 2025

	<p>The objective of this standard was to improve measurement guidance across IPSAS by:</p> <ul style="list-style-type: none"> i. Providing further detailed guidance on the implementation of commonly used measurement bases and the circumstances under which they should be used. ii. Clarifying transaction costs guidance to enhance consistency across IPSAS. iii. Amending where appropriate guidance across IPSAS related to measurement at recognition, subsequent measurement and measurement related disclosures. <p>The standard also introduces a public sector specific measurement bases called the current operational value.</p>
IPSAS 47: Revenue	<p><i>Applicable 1st January 2026</i></p> <p>This standard supersedes IPSAS 9- Revenue from exchange transactions, IPSAS 11 Construction contracts and IPSAS 23 Revenue from non- exchange transactions. This standard brings all the guidance of accounting for revenue under one standard. The objective of the standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flow arising from revenue transactions.</p>
IPSAS 48: Transfer Expenses	<p><i>Applicable 1st January 2026</i></p> <p>The objective of the standard is to establish the principles that a transfer provider shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of expenses and cash flow arising from transfer expense transactions. This is a new standard for public sector entities geared to provide guidance to entities that provide transfers or accounting for such transfers.</p>
IPSAS 49: Retirement Benefit Plans	<p><i>Applicable 1st January 2026</i></p> <p>The objective is to prescribe the accounting and reporting requirements for the public sector retirement benefit plans which provide retirement to public sector employees and other eligible participants. The standard sets the financial statements that should be presented by a retirement benefit plan.</p>

iii. Early adoption of standards

The Fund did not early – adopt any new or amended standards in the financial year.

4. Significant Accounting Policies

a. Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Fund and can be measured reliably. To the extent that there is a related condition attached that would give rise to a liability to repay the amount, the amount is recorded in the statement of financial position and realised in the statement of financial performance over the useful life of the assets that has been acquired using such funds.

ii) Revenue from exchange transactions

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income for each period.

Dividends

Dividends or similar distributions must be recognized when the shareholder's or the Fund's right to receive payments is established.

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b. Budget information

The original budget for the Financial Year 2024/2025 was approved by the Board of Directors. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the Authority upon receiving the respective approvals in order to conclude the final budget.

The Fund's budget is prepared on a different basis from the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts. In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

c. Property, plant, and equipment (PPE)

The Fund does not hold any property, plant and equipment.

d. Intangible assets

The Fund does not hold any intangible assets.

e. Investment property

The Fund does hold any investment property.

f. Financial instruments

IPSAS 41 addresses the classification, measurement and de-recognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets. The Fund does not have any hedge relationships and therefore the new hedge accounting rules have no impact on the Company's financial statements.

I. Financial assets

Classification of financial assets

The Fund classifies its financial assets as subsequently measured at amortised cost, fair value through net assets/ equity or fair value through surplus and deficit on the basis of both the Authority's management model for financial assets and the contractual cash flow characteristics of the financial asset. A financial asset is measured at amortized cost when the financial asset is held within a management model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. A financial asset is measured at fair value through net assets/ equity if it is held within the management model whose objective is achieved by both collecting contractual cashflows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. A financial asset shall be measured at fair value through surplus or deficit unless it is measured at amortized cost or fair value through net assets/ equity unless an entity has made irrevocable election at initial recognition for particular investments in equity instruments.

Subsequent measurement

Based on the business model and the cash flow characteristics, the Authority classifies its financial assets into amortized cost or fair value categories for financial instruments. Movements in fair value are presented in either surplus or deficit or through net assets/ equity subject to certain criteria being met.

Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest, and that are not designated at fair value through surplus or deficit, are measured at amortized cost. A gain or loss on an instrument that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through net assets/ equity

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through net assets/ equity. Movements in the carrying amount are taken through net assets, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in surplus/deficit. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through surplus or deficit

Financial assets that do not meet the criteria for amortized cost or fair value through net assets/ equity are measured at fair value through surplus or deficit. A business model where the Authority manages financial assets with the objective of realizing cash flows through solely the sale of the assets would result in a fair value through surplus or deficit model.

Trade and other receivables

Trade and other receivables are recognized at fair values less allowances for any uncollectible amounts. Trade and other receivables are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year end.

Impairment

The Fund assesses, on a forward-looking basis, the expected credit loss ('ECL') associated with its financial assets carried at amortized cost and fair value through net assets/equity. The Authority recognizes a loss allowance for such losses at each reporting date.

II. Financial liabilities

Classification

The Fund classifies its liabilities as subsequently measured at amortized cost except for financial liabilities measured through profit or loss.

g. Contingent liabilities

The Fund does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

h. Contingent assets

The Fund does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Fund in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

i. Nature and purpose of reserves

The Fund creates and maintains reserves in terms of specific requirements.

j. Changes in accounting policies and estimates

The Fund recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

k. Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

l. Related parties

The Fund regards a related party as a person or entity with the ability to exert control individually or jointly, or to exercise significant influence over the Fund, or vice versa. Members of key management are regarded as related parties and comprise the Directors/Trustee, the Fund Managers, and Fund Accountant.

m. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call, and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

n. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

o. Events after the reporting period

There were no material adjusting and non-adjusting events after the reporting period.

p. Ultimate and Holding Fund

The Fund is established under Section 24 (4) PFM Act under the National Biosafety Authority. Its ultimate parent is the Government of Kenya.

q. Currency

The financial statements are presented in Kenya Shillings (Kshs).

5. Significant judgments and sources of estimation uncertainty

The preparation of the Fund's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

a) Estimates and assumptions.

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Fund. Such changes are reflected in the assumptions when they occur. *(see IPSAS 1.140.)*

b) Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- i. The condition of the asset is based on the assessment of experts employed by the Fund
- ii. The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- iii. The nature of the processes in which the asset is deployed
- iv. Availability of funding to replace the asset
- v. Changes in the market in relation to the asset

Committee Expenses	0	206,000
Net cash flow from operating activities	(52,190)	5,971,350

12. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to Staff with the ability to repay.

The Fund's financial risk management objectives and policies are detailed below:

a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, considering its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the Fund's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the Fund's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

Description	Total amount Kshs.	Fully performing Kshs.	Past due Kshs.	Impaired Kshs.
At 30 June 2024				
Receivables from Non-Exchange Transactions	5,702,556	5,702,556	-	-
Bank Balances	711,392	711,392	-	-
Total	6,413,948	6,413,948	-	-
At 30 June 2025				
Receivables from Exchange Transactions- Car loans and mortgages	6,852,831	6,852,831	-	-
Bank Balances	44,342,494	44,342,494	-	-
Total	51,195,325	51,195,325	-	-

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the Fund has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts. The Fund has no significant concentration of credit risk.

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

b) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the Fund's short, medium, and long-term funding and liquidity management requirements. The Fund manages liquidity risk through continuous monitoring of forecasts and actual cash flows. The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

NBA Car Loan/Mortgage Fund

Trade Payables	0	0	0	0
Total	0	0	0	0
At 30 June 2025				
Trade Payables	0	0	0	0
Total	0	0	0	0

c) Market risk

The board has put in place an internal audit function to assist it in assessing the risk faced by the Fund on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the Fund's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee. The Fund's Finance Department is responsible for the development of detailed risk management policies and for the day-to-day implementation of those policies.

There has been no change to the Fund's exposure to market risks or the manner in which it manages and measures the risk.

d) Interest rate risk

Interest rate risk is the risk that the Fund's financial condition may be adversely affected as a result of changes in interest rate levels. The Fund's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

Sensitivity analysis

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

e) Capital risk management.

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The Fund capital structure comprises of the following funds:

Description	2024-2025	2023-2024
	Kshs.	Kshs.
