The directors submit their report together with the audited financial statements for the year ended 31 December 2024.

1. Business review

The company ceased financing any new development projects. It is currently pursuing recovery of existing project loans and advances. During the year, profit before tax decreased to KES 1.956 million compared to the previous year's profit of KES 2.868 million.

The principal risks and uncertainties facing the company as well as the risk management framework are outlined in note 4.

2. Dividends

The directors do not recommend the payment of a dividend (2023: Nil).

3. Results

The net profit for the year was KES 1,368,669 (2023: KES 2,007,790) has been added to retained earnings.

4. Directors

The directors who served during the year and up to the date of this report are shown on page 1.

5. Statement of Disclosure to the Independent Auditor

The directors confirm that with respect to each director at the time of approval of this report:

- (a) There was, as far as each director is aware, no relevant audit information of which the company's auditor is unaware; and
- (b) Each director had taken all steps that ought to have been taken as a director so as to be aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Terms of appointment of the independent auditor

The Auditor-General is responsible for the statutory audit of the company's financial statements in accordance with Article 229 of the Constitution of Kenya. Section 23(1) of the Public Audit Act 2015 empowers the Auditor-General to nominate other auditors to carry out an audit on their behalf. BDO East Africa who were appointed by the Auditor-General have carried out the audit for the year ended 31 December 2024.

6. Approval of financial statements

The financial statements were approved and authorised for issue at a meeting of directors held on **12th March 2025**

By order of the board

Secretary

Date: 12th March 2025.

Statement of directors' responsibilities

The directors are responsible for the preparation and presentation of the financial statements of Small Enterprises Finance Company Limited (the "Company") set out on pages 7 to 26 which comprise the statement of financial position as at 31 December 2024, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of significant accounting policies and other explanatory information, in conformity with International Financial Reporting Standards and in the manner required by the Kenyan Companies Act, 2015. The Directors are of the opinion that the financial statements give a true and fair view of the financial position and the profit or loss of the company.

The directors' responsibilities include: determining that the basis of accounting described in Note 2 is an acceptable basis for preparing and presenting the financial statements in the circumstances, preparation and presentation of financial statements in accordance with International Financial Reporting Standards and in the manner required by the Kenyan Companies Act, 2015 and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

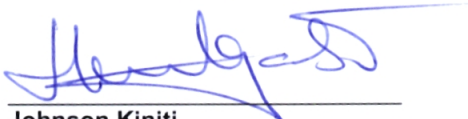

Under the Kenyan Companies Act, 2015, the Directors are required to prepare financial statements for each financial year which give a true and fair view of the financial position of the company as at the end of the financial year and of the profit or loss of the for that year. It also requires the directors to ensure the company keeps proper accounting records which disclose with reasonable accuracy the financial position and the profit or loss of the company.

The directors accept responsibility for the maintenance of accounting records which may be relied upon in the preparation of financial statements, as well as adequate systems of internal financial control.

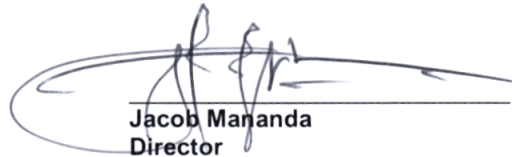

The directors have made an assessment of the company and its subsidiary's ability to continue as a going concern and have no reason to believe the company will not be a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The financial statements, as indicated above, were approved and authorised for issue by the Board of Directors on 12th March 2025.

REPORT OF THE AUDITOR-GENERAL ON SMALL ENTERPRISES FINANCE COMPANY LIMITED FOR THE YEAR ENDED 31 DECEMBER, 2024

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure that the Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An Unmodified Opinion is issued when the Auditor-General concludes that the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on the Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources, and the Report on Effectiveness of Internal Controls, Risk Management, and Governance.

The three parts of the report aim to address the Auditor-General's statutory roles and responsibilities as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Opinion

The accompanying financial statements of Small Enterprises Finance Company Limited set out on pages 7 to 26, which comprise of statement of financial position as

Report of the Auditor-General on Small Enterprises Finance Company Limited for the year ended 31 December, 2024

at 31 December, 2024 and the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information, have been audited on my behalf by BDO East Africa – Kenya, auditors appointed under Section 23 of the Public Audit Act, 2015. The auditors have duly reported to me the results of their audit and on the basis of their report, I am satisfied that all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit were obtained.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Small Enterprises Finance Company Limited as at 31 December, 2024, and of its financial performance and its cash flows for the year then ended, in accordance with International Financial Reporting Standards (IFRS) and comply with the Public Finance Management Act, 2012 and the Companies Act, 2015.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Small Enterprises Finance Company Limited Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter

Dormancy of the Company

I draw attention to Note 5 to the financial statements on Going Concern. The Company has not been financing new development projects and is currently pursuing recovery of existing project loans and advances. As a fully owned subsidiary of the Development Bank of Kenya Limited, the Company is served by the Board of Directors and staff of the Development Bank of Kenya Limited. The Company is functionally dormant and facing financial challenges with minimal interest margins which adversely affect its profitability.

My opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Information

The Directors are responsible for the other information set out on page 2 to 6 which comprise of Directors Report and Statement of Directors' Responsibilities. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit of Small Enterprises Finance Company Limited financial statements, my responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Kenyan Companies Act, 2015, I report based on my audit, that:

- i. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit;
- ii. In my opinion, adequate accounting records have been kept by the Company, so far as appears from the examination of those records; and
- iii. The Company's financial statements are in agreement with the accounting records and returns.

Responsibilities of Management and the Board of Directors

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards (IFRSs), and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk control and overall governance.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective manner.

The Board of Directors is responsible for overseeing the Company's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards for Supreme Audit Institutions (ISSAIs). The standards require

Report of the Auditor-General on Small Enterprises Finance Company Limited for the year ended 31 December, 2024

that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

Other Information

The Directors are responsible for the other information set out on page 2 to 6 which comprise of Directors Report and Statement of Directors' Responsibilities. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit of Small Enterprises Finance Company Limited financial statements, my responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Kenyan Companies Act, 2015, I report based on my audit, that:

- i. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit;
- ii. In my opinion, adequate accounting records have been kept by the Company, so far as appears from the examination of those records; and
- iii. The Company's financial statements are in agreement with the accounting records and returns.

Responsibilities of Management and the Board of Directors

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards (IFRSs), and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk control and overall governance.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective manner.

The Board of Directors is responsible for overseeing the Company's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards for Supreme Audit Institutions (ISSAIs). The standards require

Report of the Auditor-General on Small Enterprises Finance Company Limited for the year ended 31 December, 2024

that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Notes to the financial statements

1. Reporting entity

The company is incorporated as a limited liability company in Kenya under the Kenyan Companies Act, 2015 and is domiciled in Kenya. The core business of the company was to offer loans to small and medium enterprises. Currently the company is dormant with plans for revival in place. The address of its registered office is:

Small Enterprises Finance Company Limited
Finance House
Loita Street
PO Box 34045, 00100
Nairobi

The financial statements are prepared in compliance with International Financial Reporting Standards (IFRSs) and the requirements of the Kenyan Companies Act, 2015. The measurement basis applied is the historical cost basis, except where otherwise stated in the accounting policies below.

For the Kenyan Companies Act, 2015 reporting purposes, the balance sheet is represented by the statement of financial position and profit and loss by the statement of comprehensive income in these financial statements.

The preparation of financial statements in conformity with IFRSs which requires the use of estimates and assumptions. It also requires management to exercise its judgement in the process of applying the company's accounting policies. The areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Note 3.

2. Summary of material accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated.

I. Basis of Preparation

The annual financial statements have been prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board (IASB) and the requirements of the Kenyan Companies Act, 2015.

For the Kenyan Companies Act, 2015 reporting purposes, the balance sheet is represented by the statement of financial position and profit or loss account by the statement of comprehensive income in these financial statements.

Functional and presentation currency

The company financial statements are prepared in millions of Kenya Shillings (KES 'million). All amounts have been rounded to the nearest thousand (KES' 000) except when otherwise indicated.

2. Summary of material accounting policies

The significant accounting policies applied in the preparation of these consolidated financial statements are set out below. These policies have been consistently

Notes to the financial statements

applied to all the years presented, unless otherwise stated.

(a) Changes in accounting policies and disclosures

(i) New Standards and Interpretations

Standards and interpretations effective and adopted in the current year

In the current year, the Company has adopted the following standards and interpretations that are effective for the current financial year and that are relevant to its operations:

Supplier finance arrangements - amendments to IAS 7 and IFRS 7

The amendment applies to circumstances where supplier finance arrangements exist. These are arrangements whereby finance providers pay the suppliers of the entity, thus providing the entity with extended payment terms or the suppliers with early payment terms. The entity then pays the finance providers based on their specific terms and conditions.

The amendment requires the disclosure of information about supplier finance arrangements that enable users of financial statements to assess the effects of those arrangements on the entity's liabilities and cash flows as well as on the entity's exposure to liquidity risk.

The effective date of the amendment is for years beginning on or after 1st January 2024. The company has adopted the amendment for the first time in the 2024 financial statements.

The impact of the amendment is not material.

Non-current liabilities with covenants - amendments to IAS 1

The amendment applies to the classification of liabilities with loan covenants as current or non-current. If an entity has the right to defer settlement of a liability for at least twelve months after the reporting period, but subject to conditions, then the timing of the required conditions impacts whether the entity has a right to defer settlement.

If the conditions must be complied with at or before the reporting date, then they affect whether the rights to defer settlement exists at reporting date.

However, if the entity is only required to comply with the conditions after the reporting period, then the conditions do not affect whether the right to defer settlement exists at reporting date. If an entity classifies a liability as non-current when the conditions are only required to be met after the reporting period, then additional disclosures are required to enable the users of financial statements to understand the risk that the liabilities could become repayable within twelve months after the reporting period.

The effective date of the amendment is for years beginning on or after 1st January 2024.

The Company has adopted the amendment for the first time in the 2024 financial statements.

The impact of the amendment is not material.

Notes to the financial statements

Lease liability in a sale and leaseback - Amendments to IFRS 1

The amendment requires that a seller-lessee in a sale and leaseback transaction, shall determine 'lease payments' or 'revised lease payments' in a way that the seller-lessee would not recognise any amount of the gain or loss that relates to the right of use retained by the seller-lessee.

The effective date of the amendment is for years beginning on or after 1st January 2024.

The company has adopted the amendment for the first time in the 2024 financial statements.

The impact of the amendment is not material.

(ii) Standards and interpretations not yet effective

New accounting standards in issue but not yet effective

The standards and interpretations that are issued, but not yet effective, up to the date of issuance of the Company's financial statements which are relevant to the Company are discussed below.

The Company intends to adopt these standards, if applicable, when they become effective.

These standards are not expected to have a material impact on the Company's financial statements.

Lack of Exchangeability (Amendment to IAS 21)

The Amendments arose as a result of difficulty in determination of the exchange rate when there is a long-term lack of exchangeability. IAS 21, prior to the Amendments, did not include explicit requirements for the determination of the exchange rate when a currency is not exchangeable into another currency, which led to diversity in practice.

The Amendments introduce requirements to assess when a currency is exchangeable into another currency and when it is not. The Amendments require an entity to estimate the spot exchange rate when it concludes that a currency is not exchangeable into another currency.

The effective date of the amendment is for years beginning on or after January 1, 2025.

Amendments to the Classification and Measurement of Financial Instruments (Amendments to IFRS 9 and IFRS 7)

The amendment clarifies that financial assets and financial liabilities are recognized and derecognized at settlement date except for regular way purchases or sales of financial assets and financial liabilities meeting conditions for new exception.

The new exception permits companies to elect to derecognize certain financial liabilities settled via electronic payment systems earlier than the settlement date.

They also provide guidelines to assess contractual cash flow characteristics of financial assets, which apply to all contingent cash flows, including those arising from

Notes to the financial statements

environmental, social, and governance (ESG)-linked features.

The effective date of the amendment is for years beginning on or after January 1, 2026.

Annual Improvements to IFRS Accounting Standards – Volume 11

Annual improvements are limited to changes that either clarify the wording in an IFRS Accounting Standard, or correct relatively minor unintended consequences, oversights or conflicts between requirements of the Accounting Standards. The proposed improvements are packaged together in one document.

This cycle of annual improvements addresses the following: Hedge Accounting by a First-time Adopter (Amendments to IFRS 1 First-time Adoption of International Financial Reporting Standards), Disclosure of Deferred Difference between Fair Value and Transaction Price (Amendments to Guidance on implementing IFRS 7), Gain or Loss on derecognition (Amendments to IFRS 7), Introduction and Credit Risk Disclosures (Amendments to Guidance on implementing IFRS 7), Derecognition of Lease Liabilities Amendments to IFRS 9), Transaction Price (Amendments to IFRS 9), Determination of 'De Facto Agent' (Amendments to IFRS 10) and Cost Method (Amendments to IAS 7).

The effective date of the amendment is for years beginning on or after January 1, 2026.

Contracts Referencing Nature Dependent Electricity (previously Power Purchase Agreements) (Amendments to IFRS 9 and IFRS 7)

The amendment addresses the application of 'own use' and hedge accounting requirements for agreements which meet specified criteria. If a PPA qualifies for the 'own use' exemption, it is accounted for as an executory contract rather than as a derivative. In contrast, if a PPA does not qualify for the 'own use' exemption, it is accounted for as a derivative to which hedge accounting considerations may apply. The amendments apply to contracts that reference electricity generated from nature dependent sources and for which cash flows vary based on the amount of electricity generated by a reference production facility. New disclosures have also been introduced.

The effective date of the amendment is for years beginning on or after January 1, 2026.

IFRS 18 Presentation and Disclosure in Financial Statements

IFRS 18 replaces IAS 1, which sets out presentation and base disclosure requirements for financial statements. The changes, which mostly affect the income statement, include the requirement to classify income and expenses into three new categories – operating, investing and financing – and present subtotals for operating profit or loss and profit or loss before financing and income taxes.

Further, operating expenses are presented directly on the face of the income statement– classified either by nature (e.g. employee compensation), by function (e.g. cost of sales) or using a mixed presentation. Expenses presented by function require more detailed disclosures about their nature.

IFRS 18 also provides enhanced guidance for aggregation and disaggregation of information in the financial statements, introduces new disclosure requirements for

Notes to the financial statements

management-defined performance measures (MPMs)* and eliminates classification options for interest and dividends in the statement of cash flows.

The effective date of the amendment is for years beginning on or after January 1, 2027.

IFRS 19 Subsidiaries without Public Accountability: Disclosures

IFRS 19 is a voluntary standard that applies to entities without public accountability, but whose parents prepare consolidated financial statements under IFRS Accounting Standards.

For in-scope companies, IFRS 19 simplifies disclosures on various topics, including leases, exchange rates, income taxes, statement of cash flows, etc.

If elected, IFRS 19 is expected to reduce the cost of preparing in-scope financial statements while maintaining the usefulness of those financial statements for stakeholders

The effective date of the amendment is for years beginning on or after January 1, 2027.

Notes to the financial statements (Continued)

(b) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which entity operates ('the Functional Currency'). The financial statements presented in Kenya shillings (KES), which is the Company's presentation currency. All financial information presented in these financial statements has been rounded off to the nearest thousand Kenya shillings ('000).

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are re-measured. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement, except when deferred in other comprehensive income as qualifying cash flow hedges and qualifying net investment hedges. Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in the income statement within "finance income or costs". All other foreign exchange gains and losses are presented in the statement of comprehensive income for the year within "other gains/losses-net".

Changes in the fair value of monetary securities denominated in foreign currency classified as available for sale are analysed between translation differences resulting from changes in the amortised cost of the security and other changes in the carrying amount of the security. Translation differences related to changes in amortised cost are recognised in comprehensive income, and other changes in carrying amount are recognised in other comprehensive income.

(c) Income recognition

Interest income is recognized on a time proportion basis using the effective interest method.

(d) Financial assets

(i) Measurement methods

Amortised cost and effective interest rate

The amortised cost is the amount at which the financial asset is measured at initial recognition minus the principal repayments, plus or minus the cumulative amortisation using the effective interest method of any difference between that initial amount and the maturity amount and, for financial assets, adjusted for any loss allowance.

When the company revises the estimates of future cash flows, the carrying amount of the respective financial assets is adjusted to reflect the new estimate discounted using the original effective interest rate. Any changes are recognised in profit or loss.

Notes to the financial statements (Continued)

2. Summary of significant accounting policies (Continued)

(d) Financial assets (continued)

(i) Measurement methods - continued

Initial recognition and measurement

Financial assets are recognised when the entity becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the company commits to purchase or sell the asset.

At initial recognition, the Company measures a financial asset at its fair value plus or minus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are incremental and directly attributable to the acquisition or issue of the financial asset, such as fees and commissions. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss. Immediately after initial recognition, an expected credit loss allowance (ECL) is recognised for financial assets measured at amortised cost, which results in an accounting loss being recognised in profit or loss when an asset is newly originated.

When the fair value of financial assets differs from the transaction price on initial recognition, the Company recognises the difference as follows:

When the fair value is evidenced by a quoted price in an active market for an identical asset (i.e. a Level 1 input) or based on a valuation technique that uses only data from observable markets, the difference is recognised as a gain or loss.

In all other cases, the difference is deferred, and the timing of recognition of deferred day one profit or loss is determined individually. It is either amortised over the life of the instrument, deferred until the instrument's fair value can be determined using market observable inputs, or realised through settlement.

IFRS 9 sets out requirements for recognising and measuring financial assets, financial liabilities and some contracts to buy or sell non-financial items.

(ii) Classification and measurement

The company applies IFRS 9 and classifies its financial assets in the following measurement categories:

- (a) Fair value through profit or loss (FVPL);
- (b) Fair value through other comprehensive income (FVOCI); or
- (c) Amortised cost.

The company holds debts instruments and does not hold any equity instruments.

Debt instruments

Debt instruments are those instruments that meet the definition of a financial liability from the issuer's perspective, such as loans, government and corporate bonds.

Classification and subsequent measurement of debt instruments depend on:

Notes to the financial statements (Continued)

- (a) The company's business model for managing the asset; and
- (b) the cash flow characteristics of the asset as shown in the table below:

Based on these factors, the company classifies its debt instruments into one of the following three measurement categories:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest ('SPPI'), and that are not designated at FVPL, are measured at amortised cost. The carrying amount of these assets is adjusted by any expected credit loss allowance recognised and measured as described under the expected credit loss measurement section. Interest income from these financial assets is included in 'Interest income' using the effective interest rate method. Financial assets classified in this category include treasury bills and treasury bonds purchased from the secondary market; loans and advances to companies and customers with fixed or determinate payment that are not quoted in active market.

Fair value through other comprehensive income (FVOCI): Financial assets that are held for collection of contractual cash flows and for selling the assets, where the assets' cash flows represent solely payments of principal and interest, and that are not designated at FVPL, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses on the instrument's amortised cost which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in 'Net Investment income'. Interest income from these financial assets is included in 'Interest income' using the effective interest rate method.

Fair value through profit or loss: Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented in the profit or loss statement within 'small trading income' in the period in which it arises, unless it arises from debt instruments that were designated at fair value or which are not held for trading, in which case they are presented separately in 'Net investment income'. Interest income from these financial assets is included in 'Interest income' using the effective interest rate method. Financial instruments reclassified in this category are those that the company holds principally for the purpose of short-term profit taking.

Business model: the business model reflects how the company manages the assets in order to generate cash flows. That is, whether the company's objective is solely to collect the contractual cash flows from the assets or is to collect both the contractual cash flows and cash flows arising from the sale of assets. If neither of these is applicable (e.g. financial assets are held for trading purposes), then the financial assets are classified as part of 'other' business model and measured at FVPL.

Factors considered by the company in determining the business model for a company of assets include past experience on how the cash flows for these assets were collected, how the asset's performance is evaluated and reported to key management personnel, how risks are assessed and managed and how managers are compensated.

Notes to the financial statements (Continued)

SPPI: Where the business model is to hold assets to collect contractual cash flows or to collect contractual cash flows and sell, the company assesses whether the financial instruments' cash flows represent solely payments of principal and interest (the 'SPPI test'). In making this assessment, the company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement.

The company reclassifies debt investments when and only when its business model for managing those assets changes. The reclassification takes place from the start of the first reporting period following the change. Such changes are expected to be very infrequent, and none occurred during the period.

(iii) Impairment

The company assesses on a forward-looking basis the expected credit losses ('ECL') associated with its debt instrument assets carried at amortised cost and with the exposure arising from loan commitments and non-financial guarantee contracts. The company recognises a loss allowance for such losses at each reporting date.

The measurement of ECL reflects an unbiased and probability-weighted amount that is determined by evaluating a range of possible outcomes, the time value of money and reasonable and supportable information that is available without undue cost or effort at the reporting date about past events, current conditions and forecasts of future economic conditions.

(iv) Investment in government securities

Financial assets at amortised cost

Held-to-maturity investments are non-derivative assets with fixed or determinable payments and fixed maturity that the company has the positive intent and ability to hold to maturity, and which are not designated as at fair value through profit or loss or as available for sale.

Held-to-maturity investments are carried at amortised cost using the effective interest method.

(v) Derecognition other than on a modification

Financial assets, or a portion thereof, are derecognised when the contractual rights to receive the cashflows from the assets have expired, or when they have been transferred and either (i) the company transfers substantially all the risks and rewards of ownership, or (ii) the company neither transfers nor retains substantially all the risks and rewards of ownership and the company has not retained control.

(e) Income tax

(i) Current income tax

The tax expense for the period comprises current and deferred income tax. Tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of the tax enacted or

Notes to the financial statements (Continued)

substantively enacted at the reporting date. The directors periodically evaluate positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

(ii) Deferred income tax

Deferred income tax is recognised, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit nor loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted at the reporting date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised only to the extent that it is probable that future taxable profits will be available against which the temporary differences can be utilised.

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income taxes assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

(f) Cash and cash equivalents

For the purpose of presentation of cash flows in the financial statements, the cash and cash equivalents include term deposits and company balances.

(g) Provisions

A provision is recognized if, as a result of a past event, the company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognized as finance cost.

(h) Offsetting of financial assets and liabilities

Financial assets and liabilities are offset and the net amount reported on the statement of financial position when there is a legally enforceable right to set-off the recognised amount and there is an intention to settle on a net basis, or to realise the asset and settle the liability simultaneously.

3. Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including experience of future events that are believed to be reasonable under the circumstances.

Notes to the financial statements (Continued)

Critical accounting estimates and assumptions

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

Impairment losses

At the end of each reporting period, the Company reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss. Where it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating unit to which the asset belongs.

Taxes

The Company is subjected to income taxes and levies by various government and quasi-government regulatory bodies. As a rule of thumb, the Company recognises liabilities for the anticipated tax/levies payable with utmost care and diligence. However, significant judgment is usually required in the interpretation and applicability of those taxes/levies. Should it come to the attention of management, in one way or the other, that the initially recorded liability was erroneous, such differences will impact on the income and liabilities in the period in which such differences are determined.

Financial risk management objectives and policies

The company's activities expose it to a variety of financial risks, including credit risk and the effects of changes in foreign currency exchange rates and interest rates. The company's overall risk management programme focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on its financial performance, but the company does not hedge any risks.

Risk management is carried out by the finance department under policies approved by the Parent Company, Development Company of Kenya Limited.

(a) Market risk

(i) Foreign exchange risk

The company did not have any foreign currency transactions and balances in the year and is therefore not exposed to foreign currency risk.

(ii) Price risk

The company does not hold any financial instruments subject to price risk.

Notes to the financial statements (Continued)

(b) Credit risk

Credit risk arises from cash and cash equivalents and deposits with companies and financial institutions as well as credit exposures to customers, including outstanding receivables and committed transactions. Credit risk is the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company.

Credit risk is managed by the Company finance department. The Company does not have any significant concentrations of credit risk.

The amount that best represents the company's maximum exposure to credit risk at 31 December 2024 and 2023 is made up as follows:

	2024	2023
	KES'000	KES'000
Company balances	26,891	25,389
Term deposits	8,003	8,003
Financial assets held at amortized cost	20,983	20,998
	<u>55,877</u>	<u>54,390</u>

No collateral is held for any of the above assets. The company does not grade the credit quality of receivables. No receivables have had their terms renegotiated.

None of the above assets are past due or impaired except for the loans and advances to customers as disclosed in Note 13.

(c) Liquidity risk

Prudent liquidity risk management includes maintaining sufficient cash balances, and the availability of funding from an adequate amount of committed credit facilities. Due to the dynamic nature of the underlying businesses, the Company finance department maintains flexibility in funding by maintaining availability under committed credit lines.

The company's financial liabilities that will be settled on a net basis comprise the other liabilities as presented in the statement of financial position, which are expected to mature within one year. The amounts disclosed are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

5. Going concern

The company ceased financing any new development projects and is currently pursuing recovery of existing project loans and advances.

The directors believe that the assets will realise the recorded amounts and all liabilities will be fully discharged. Consequently, no adjustments to the carrying amount of assets and liabilities or reclassification has been effected, and the financial statements have been prepared on a going concern basis.

Notes to the financial statements (Continued)

6. Interest income

	2024 KES'000	2023 KES'000
Government securities	2,235	2,235
Term deposits	560	558
	<u>2,795</u>	<u>2,793</u>

7. Administrative expenses

	2024 KES'000	2023 KES'000
Directors fees	100	100
Audit remuneration	250	250
General expenses	554	875
	<u>904</u>	<u>1,225</u>

Audit fees for the company has been borne by the parent company as the fees has been determined at the parent company level.

8. Income tax expense

	2024 KES'000	2023 KES'000
Current tax	617	890
Deferred tax charge credit (Note 9)	(30)	(30)
	<u>587</u>	<u>860</u>

The tax on the results differs from the theoretical amount using the basic tax rate as follows:

	2024 KES'000	2023 KES'000
Accounting profit before tax	1,956	2,868
Tax calculated at the statutory income tax rate of 30% (2023: 30%)	617	890
Deferred tax @ 30%	(30)	(30)
	<u>587</u>	<u>860</u>

Notes to the financial statements (Continued)

9. Deferred tax asset

Deferred income tax is calculated using the enacted income tax rate of 30% (2023: 30%).

	2024 KES'000	2023 KES'000
At 1 January	271	241
Credit to the income statement	30	30
At 31 December	<u>301</u>	<u>271</u>

The net deferred tax asset at 31 December 2024 and 31 December 2023 is attributable to the following:

Year ended 31 December 2024	At 1 January KES'000	Credit to profit or loss KES'000	At 31 December KES'000
Deferred tax assets:			
Provisions	<u>271</u>	<u>30</u>	<u>301</u>
Year ended 31 December 2023			
Deferred tax assets:			
Provisions	<u>241</u>	<u>30</u>	<u>271</u>

10. Other payables

Cash and cash equivalent	<u>34,894</u>	<u>33,392</u>
<p>Both the company balances and the term deposits are held with Development Company of Kenya Limited, the parent company. The interest earned on these deposits during the year was KES 560,000 (2023 – KES 558,000). The effective interest rate on the deposit was 7.00% (2023 7.00 %).</p>		
15. Share capital		
Authorized		
1 January and 31 December 2024		
1,500,000 ordinary shares of KES 20 each	30,000	30,000
500,000 6% preference shares of KES 20 each	<u>10,000</u>	<u>10,000</u>

Notes to the financial statements (Continued)

	<u>40,000</u>	<u>40,000</u>
Issued and fully paid.		
At 1 January and 31 December 2024		
1,318,749 ordinary shares of KES 20 each	26,375	26,375
457,435 6% preference shares of KES 20 each	<u>9,149</u>	<u>9,149</u>
	<u>35,524</u>	<u>35,524</u>

The ordinary shareholders are entitled to receive dividends from time to time and are entitled to one vote per share at general meetings of the company.

The preference shares are non-cumulative and receive discretionary dividends on the par value of their shareholding. The preference shares do not carry the right to vote. All ordinary shares rank equally with regard to the company residual assets. Preference shareholders participate only to the extent of the face value of the shares.

16. Related party transactions

The company is a wholly owned subsidiary of Development Company of Kenya Limited (DBK), which is incorporated in Kenya. DBK is a subsidiary of Industrial & Commercial Development Corporation which is 100% owned by the Government of Kenya.

The following transactions were carried out with related parties:

	2024 KES'000	2023 KES'000
(i) Balances and deposits		
Fixed deposit with DBK	8,003	8,003
Company balances with DBK	<u>26,891</u>	<u>25,389</u>
	<u>34,894</u>	<u>33,392</u>
Interest earned on fixed deposit	<u>560</u>	<u>558</u>
(ii) Directors' remuneration		
Fees for services as a director	<u>100</u>	<u>100</u>

17. Contingencies

Litigations

There are litigations against the company arising from normal cause of business that have been lodged by some customers. The likely outcome of these cases cannot be objectively determined as at the date of signing of these financial statements. However, the Directors do not anticipate that any liability will arise from these suits.

18. Subsequent Events

The Company is dormant, there were no subsequent events post the reporting date.
