3.1 MS. MARY MUTHONI MURIUKI

Ms. Mary Muthoni Muriuki appeared before the Committee and was orally interviewed by the Committee and responded to questions during vetting as follows:

Transitioning from teaching, to business and finally public sector:

46. The nominee noted that she is a dynamic person and noted that running a school is like running a government that requires structures and systems and the same way in a prison you have to follow systems and have a structure.

47. The nominee further added that she has negotiation skills to handle clients and she is innovative and has developed institutions from scratch.

Pending Bills

48. The nominee noted that an audit ought to be done and that she would consider previous reports on the issue of pending bills. The nominee further noted that there would be need to verify the pending bills in order to deal with the matter comprehensively.

Low morale among prison staff

49. The nominee noted that promotions were not done on merit. Factors such as nepotism and favoritism were rampant in promotion of prison officers while noting that some officers have stayed on the same grade for many years.

50. She further noted there was need to recognize and commend prison officers as this would go a long way in improving staff morale

Congestion in correctional facilities

51. The nominee noted that congestion is one of the biggest challenges facing the prisons department. She further noted that those remanded without proper procedure are an expense to the government and further increase the bill.

52. The nominee stated that both state and non-state actors should come together and look at this issue.

Her understanding of Correctional Services Department

53. The nominee took the panel through the different types of prisons in the country (9) Maximum prisons, 77 medium prisons and 47 Mini-prisons. She noted the country has 57,000 prisoners today against a capacity of 30,000 prisoners.

54. She further noted, it would be important to strengthen the probation department as this would be one of the avenues of decongesting the prisons. Encourage Committee on the Power of Mercy to release more inmates who have reformed, work with Chaplains and religious leaders in the prisons.

Potential of conflict between her and Commissioner of Prisons

55. The nominee noted that everyone has their mandate and everyone should stick to their lane. She also noted that there must be consultations between all actors to avoid duplications and conflicts

REPUBLIC OF KENYA
THIRTEENTH PARLIAMENT – (FIRST SESSION)
THE NATIONAL ASSEMBLY

COMMUNICATION FROM THE CHAIR

_____ (No. 024 of 2022) _____

**RESUMPTION OF VETTING OF NOMINEES FOR APPOINTMENT AS
PRINCIPAL SECRETARIES**

Honourable Members,

1. You will recall that on 15th November 2022, the Employment and Labour Relations Court in *Constitution Petition No. E186 of 2022, Dr. Magare Gikenyi versus The President of the Republic of Kenya and 55 Others and in Constitution Petition No. E192 of 2022, Law Society of Kenya versus The National Assembly and 4 Others*, granted **EX-PARTE CONSERVATORY ORDERS** temporarily staying the vetting process in respect of nominees for appointment to the position of Principal Secretaries pending hearing and determination of the Petitioners' application for conservatory orders.
2. Consequently, on 16th November 2022 vide *Notification No. 02 of 2022*, I directed that the vetting process be suspended pending the outcome of the judicial process. This was informed by the appreciation of the provisions of Article 3(1) of the Constitution which places an obligation on myself and indeed the House, to respect and uphold the Constitution and in particular by abiding and upholding the rule of law.

3. Further, I directed our litigation Counsel to move the concerned courts to set aside the ex-parte orders based on various legal grounds and more particularly on lack of jurisdiction on the part of Courts to interfere with active parliamentary processes.
4. Accordingly, the National Assembly challenged the court's power to hear and determine the case on the ground that the **Petitions were in contravention of the constitutional principle of separation of powers, as they were inviting the court to determine a matter under the exclusive jurisdiction of the National Assembly under Article 155(3)(b) of the Constitution and the Public Appointments (Parliamentary Approval) Act, 2011.**

Honourable Members

5. In its Ruling delivered today, Tuesday, 29th November 2022, the court agreed with the National Assembly's submission that the doctrine of separation of powers as provided for in the Constitution ought to be respected and upheld at all times. Further, the court observed that the National Assembly has exclusive original jurisdiction to first carry out the approval process before the court can intervene. The court therefore, paved the way for the resumption of the vetting process noting that the petitions were baseless, frivolous, vexatious and premature. The court also noted that the legislature must be allowed to carry out its constitutional mandate without undue interference by any person or other arm of government.

6. From the onset, I wish to note the very progressive view taken by the court in this matter. Whereas it is the constitutional right of every person to approach the courts of law, state organs must be allowed sufficient leeway to carry out their mandate without undue interference by any person. Indeed, to a keen observer, the petitioners were moved more by a lack of proper information and legal guidance, and a push to stall a process for reasons other than national interest.

Honourable Members,

7. As observed by the court, comity among the organs of the State dictates that one organ shall not interfere in a matter under the active consideration of another organ. Indeed, our own Standing Order 89 on *Matters sub-judice* prohibit referral or consideration of any matter before a court of law. In the same vein, the courts are expected to exercise restraint and refrain from interfering with matters that are active before Parliament, a constitutional concept that the court has today once again upheld in its Ruling. As the National Assembly, we will endeavour to protect and uphold these constitutional principles in furtherance of the mandate bestowed on us.

Honourable Members,

8. Following this ruling by the court, I wish to guide the House, the concerned Committees and indeed the general public as follows –

(1) THAT, the suspension of the vetting of persons nominated to serve as Principal Secretaries is hereby lifted. The Committees are therefore expected to resume the vetting process immediately; and

(2) **THAT**, all Departmental Committees are to conclude the vetting proceedings and approval hearings as soon as possible to allow for the conclusion of process. In any case, noting that the House will be commencing the long recess on 2nd December 2022 in accordance with its calendar, it is expected that the Committees will hasten the process and report to the House by end of the morning sitting of Thursday, 1st December 2022, to pave way for consideration of the various approval motions by the House.
