4. REPORT OF THE FUND ADMINISTRATOR

The Nakuru County Assembly Car Loan and Mortgage Fund is in its second year running and the Assembly had budgeted one hundred and twenty million Kenyan shillings as top -up to the seed money in the period ended 30th June, 2015. The additional funding was to take care of mortgage needs for Honourable Members of County Assembly.

The Assembly got 100% of the budgeted amount from the Treasury. At the close of the year in 30th June, 2015; the fund had disbursed KES 70,840,000 to Honourable Members while repayments stood at KES 57,832,248. Going by any standards, an absorption rate of 93 percentage is a commendable performance.

The Assembly will continue allocating adequate resources to the Fund in the subsequent years so as to benefit all the Members of County Assembly as well as Members of Staff. We expect the trend by the National Treasury of releasing all the budgeted funds to continue in the coming periods so as to enable the Fund achieve its intended purpose.

5. STATEMENT OF MANAGEMENT'S RESPONSIBILITIES

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a County Public Fund established by The Nakuru County Assembly Car Loan (Members) Scheme Fund Regulations, 2014 shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the County Assembly Car Loan and Mortgage Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2015. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Fund; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Fund; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Administrator of the County Assembly Car Loan and Mortgage Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and The Nakuru County Assembly Car Loan (Members) Scheme Fund Regulations of 2014. Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2015, and of the Fund's financial position as at that date. The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Administrator of the County Assembly Car Loan and Mortgage Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements. Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Fund's financial statements were approved by the Board on 12/02 2021 and signed on its behalf by:

Fund Administrator.

REPORT OF THE AUDITOR-GENERAL ON COUNTY ASSEMBLY OF NAKURU CAR LOAN AND MORTGAGE FUND FOR THE YEAR ENDED 30 JUNE, 2015

REPORT ON THE FINANCIAL STATEMENTS

Disclaimer of Opinion

I have audited the accompanying financial statements of County Assembly of Nakuru Car Loan and Mortgage Fund set out on pages 1 to 23 which comprise the statement of financial position as at 30 June, 2015, statement of financial performance, statement of changes in net assets, statement of cash flows and the statement of comparison of budget and actual amounts for the period then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015.

I do not express an opinion on the accompanying financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

1. Irregular Merging of Funds

The financial statements availed for audit is a consolidation of two (2) Funds without approval of the County Assembly. The County Assembly passed two separate Regulations, thereby creating Car Loan Fund and a Mortgage Fund both in the year 2014. However, Management prepared one financial statement combining the two funds without approval from the County Assembly. This fails to enhance completeness and disclosure as per the requirement of International Public Sector Accounting Standards No.1 on presentation of the financial statements.

As such, the financial statements do not comply with the requirements of International Public Sector Accounting Standards No.1 on presentation and its accuracy and completeness could not be confirmed.

2. Errors in the Annual Reports and Financial Statements

The annual reports and the financial statements prepared and presented for audit had the following errors:

- 2.1.** The annual report and financial statements have not incorporated the board of trustees, board/fund chairperson's report, corporate governance statement, management discussion and analysis, corporate social responsibility statement/sustainability reporting and report of the trustees as required by reporting template;
- 2.2.** The statement of cash flows refers to Note 1 to financial statements on transfers from County Government, however the Note has no figures.

Consequently, the financial statements as presented do not comply with International Public Sector Accounting Standard No.1 on presentation of financial statements and the Public Sector Accounting Standards Board Kenya guidelines and format.

3. Over-Stated Interest Income

The statement of financial performance reflects interest income of Kshs.1,063,597 (2014 – Kshs.333,567) as disclosed under Note 2 to the financial statements. The interest income computation was based on monthly cumulative payments at a rate of four percent (4%). This computation is not in line with Section 11(1) of the Public Finance Management (County Assembly of Nakuru Car Loan (Members) Scheme Fund) Regulations, 2014 which states that a loan granted to a member of the Scheme under these regulations shall carry an interest rate of three percent (3%) per annum. Also, it contravenes Section 15(1) of the Public Finance Management (County Assembly of Nakuru Mortgage (Members) Scheme Fund) regulations, 2014 which states that the interest chargeable on a loan shall be three percent (3%) per annum on a monthly reducing balance and the rate may be reduced from time as may be prescribed, an interest accruing shall be credited to the capital fund.

Under the circumstances, the accuracy and completeness of interest income of Kshs.1,063,597 for the year ended 30 June, 2015 could not be confirmed.

4. Cash and Cash Equivalent

The statement of financial position reflects cash and cash equivalents balance of Kshs.117,992,248;(2014-Kshs.11,000,000) as disclosed under Note 5 to the financial statements. The following unsatisfactory matters were noted;

4.1. Unreconciled Balances

The certificate of bank balance indicates Kshs.269,999,700 while the revolving fund balance is Kshs.270,000,000 implying that funds were not disbursed. In addition, the bank reconciliation statement indicates unrepresented cheques of Kshs.152,007,752 explained to be outstanding loan balances which is not a reconciling item and did not indicate the cheque numbers or clearance dates.

4.2. Unresolved Prior Year issues

Further, and as reported in the previous year, the certificate of bank balance indicates Kshs.150,000,000 which is equivalent to revolving fund balance implying that funds were not disbursed. In addition, the bank reconciliation statement indicates unrepresented cheques of Kshs.139,000,000 explained to be outstanding loan balances which is not a reconciling item and also did not indicate the cheque numbers or clearance dates.

Under the circumstances, the accuracy and completeness of cash and bank balance of Kshs.117,992,248 as at 30 June, 2015 could not be confirmed.

5. Unsupported Loan Repayments

The statement of cash flows for the year reported total loan repayments of Kshs.57,832,248. However, the loan repayments were not supported by bank statements as evidence of receipts of deductions made in the payrolls.

Under the circumstances, the accuracy and completeness of loan repayment balance of Kshs.57,832,248 for the year ended 30 June, 2015 could thus not be confirmed.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

I do not express a conclusion on the lawfulness and effectiveness in the use of public resources as required by Article 229(6) of the Constitution. Because of the significance of the matters described in the Basis for Disclaimer of Opinion and Conclusion on Lawfulness and Effectiveness in Use of Public Resources sections of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for my audit conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

I do not express a conclusion on the effectiveness of internal controls, risk management and overall governance as required by Section 7(1)(a) of the Public Audit Act, 2015. Because of the significance of the matters described in the Basis for Disclaimer of Opinion and Conclusion of Internal Controls, Risk Management and Governance sections of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for my audit conclusion.

Basis for Conclusion

1.0 Lack of Fire and Risk Management Policy

During the audit, it was noted that the fund does not have a fire and risk management strategy contrary to Section 158(1)(a) and (b) of the Public Finance Management (County Government) Regulations, 2015 which requires the accounting officer to develop risk management strategies, which include fraud prevention mechanism and internal controls that builds robust business operations.

Under the circumstances risk management, development of strategies and controls may not have been implemented in an orderly manner.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the going concern basis of accounting unless Management is aware of the intention to liquidate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the Fund monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the County Assembly of Nakuru Car Loan and Mortgage Fund financial statements in accordance with International Standards of Supreme Audit Institutions (ISSAIs) and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. However, because of the matters described in the Basis for Disclaimer of Opinion sections of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

In addition, my responsibility is to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them, and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution. I also consider internal control, risk management and governance processes and systems in order to give an assurance on the effectiveness of internal controls, risk management and governance in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. However, because of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources, and Internal Controls, Risk Management and Governance sections of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit conclusion.

I am independent of the County Assembly of Nakuru Car Loan and Mortgage Fund in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya.

6.6. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Statement of compliance and basis of preparation

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

2. Adoption of new and revised standards

a) New and amended standards and interpretations in issue but not yet effective in the year ended 30th June 2015

Standard	Effective date and impact:
IPSAS 40: Public Sector Combinations	Applicable: 1st January 2019 The standard covers public sector combinations arising from exchange transactions in which case they are treated similarly with IFRS 3 (applicable to acquisitions only). Business combinations and combinations arising from non-exchange transactions are covered purely under Public Sector combinations as amalgamations.
IPSAS 41: Financial Instruments	Applicable: 1st January 2022: The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an Nakuru County Assembly Car Loan and Mortgage Scheme Fund's future cash flows. IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by: <ul style="list-style-type: none"> • Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held; • Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and

3. Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the Nakuru County Assembly Car Loan and Mortgage Scheme Fund and can be measured reliably.

ii) Revenue from exchange transactions

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

4. Budget information

The original budget for FY 2014/2015 was approved by the County Assembly on 30th June, 2014.

The Nakuru County Assembly Car Loan and Mortgage Scheme Fund 's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section 6.5 of these financial statements.

5. Financial instruments

Financial assets

Initial recognition and measurement

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Nakuru County Assembly Car Loan and Mortgage Scheme Fund determines the classification of its financial assets at initial recognition.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Held-to-maturity

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Nakuru County Assembly Car Loan and Mortgage Scheme Fund has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

Impairment of financial assets

The Nakuru County Assembly Car Loan and Mortgage Scheme Fund assesses at each reporting date whether there is objective evidence that a financial asset or an Nakuru County Assembly Car Loan and Mortgage Scheme Fund of financial assets is impaired. A financial asset or an Nakuru County Assembly Car Loan and Mortgage Scheme Fund of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the Nakuru County Assembly Car Loan and Mortgage Scheme Fund of financial assets that can be reliably estimated. Evidence of impairment may include the following indicators:

- The debtors or an Nakuru County Assembly Car Loan and Mortgage Scheme Fund of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g., changes in arrears or economic conditions that correlate with defaults)

Financial liabilities

Initial recognition and measurement

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Nakuru County Assembly Car Loan and Mortgage Scheme Fund determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

Reports and Financial Statements
For the year ended June 30, 2015

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

6. Changes in accounting policies and estimates

The Nakuru County Assembly Car Loan and Mortgage Scheme Fund recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

7. Related parties

The Nakuru County Assembly Car Loan and Mortgage Scheme Fund regards a related party as a person or an Nakuru County Assembly Car Loan and Mortgage Scheme Fund with the ability to exert control individually or jointly, or to exercise significant influence over the Nakuru County Assembly Car Loan and Mortgage Scheme Fund, or vice versa. Members of key management are regarded as related parties and comprise the Directors and the Clerk to the Assembly.

8. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

9. Comparative figures

There are no comparative figures since this is the Fund's initial year.

10. Events after the reporting period

There were no material adjusting and non- adjusting events after the reporting period.

11. Ultimate and Holding Nakuru County Assembly Car Loan and Mortgage Scheme Fund

13. Significant judgments and sources of estimation uncertainty

The preparation of the Nakuru County Assembly Car Loan and Mortgage Scheme Fund's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and assumptions – The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Nakuru County Assembly Car Loan and Mortgage Scheme Fund based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Nakuru County Assembly Car Loan and Mortgage Scheme Fund. Such changes are reflected in the assumptions when they occur. IPSAS 1.140.

Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Nakuru County Assembly Car Loan and Mortgage Scheme Fund
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

14. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.
