The college core values/ guiding principles

The college, in cognizant of the following values, will strive to achieve its goals as illustrated below:

Customer focus

KERICHO TEACHERS TRAINING COLLEGE

Annual Report and Financial Statements for the year ended 30th June 2024

It is a series of activities designed to deliver customer satisfaction based on the understanding of what the customer wants and needs. The management shall ensure that student requirements are met with an aim of enhancing their satisfaction, security and sustainability for instance teacher availability, improved infrastructure, access to information and effective complaint-handling process, transparency and accountability.

Integrity and ethics

It is adherence to moral and ethical values. It means being true to ourselves and being honest, upright and decent in our dealing with others. It is consistency of actions, values, methods, measures, principles, expectations, and outcomes. Factors such as corruption, immorality, theft, poor time management and gossip are likely to affect the achievement of the college objectives. Kericho Teachers' Training College shall aspire to adapt to the above moral values to totally discourage concepts that may hinder the development of good morals.

Resilience

It is the ability to withstand and cope with stress and challenges of all kinds. The college will ensure that human resource is able to utilize their skills and strengths to cope and recover from challenges encountered. The challenges such as corruption, procrastination, fear, misuse of college resources, negative attitude and rigidity are likely to hinder the achievements of institutional objectives.

Timeliness

It refers to the principle where information is presented to the users in time to fulfil their decision making needs. The concepts of timeliness include meeting deadlines, security of information, mode of information delivery and feedback of information. The college will put measures that ensure timeliness is observed.

Teamwork

It is a combined effort of a group of individuals towards achieving institutional objectives. It is a cooperative and coordinated effort on part of a group of persons acting together in the interest of a common cause. Feedback, responsibility, coordination, monitoring, communication, cooperation and shared objectives are components that the college aspires to achieve.

5. Board of Management Chairman's Statement

It gives me great pleasure to present to you a brief statement on the mandate, challenges and the way forward for Kericho Teachers Training College for the year 2023.

The cardinal mandate of Kericho Teachers Training College as enshrined in Basic Education Act 2013 is to prepare teacher trainees for Pre-Service Diploma in Primary Teacher Education (DPTE) and Diploma in Early Child Teacher Education (DECTE). The college also offers Upgrade Diploma in Primary Teacher Education (UDPTE) and Upgrade Diploma in Early Child Teacher Education (UDECTE) courses. We seek to expose teacher trainees to practical teaching exercises to equip them with the right knowledge, skills, attitudes for the much needed 21st century teacher. As a college we not only endeavour to enhance pedagogical approaches in various learning areas but also provide transformative leadership that is a requisite to sustainable socioeconomic development. It is our undertaking to ensure that Teachers Training College has a credible Strategic Plan and Performance Contract that delivers the desired goals. It is also our undertaking that we perform our responsibilities diligently and to the best of our abilities to support the Governments Big Four Initiatives of Food Security, Universal Health Care, Affordable Housing and Manufacturing for the realization of the Bottom Up Model Economy.

I feel humbled to thank each one of our students, employees, partners, shareholders, suppliers, lenders and community at large for their continued support in building and developing this college. God bless Kericho TTC

This report aims at streamlining the activities of Kericho T.T.C in the education sector to suit the 21st century education challenges. It underpins the pedagogies and sophisticated modern tools that learners and teachers can embrace during the teaching and learning sessions. The bottom-line is production of quality teachers who are able to deliver the Competence Based Curriculum (CBC) and the unique needs of our nation in the 21st century economy driven by relevant skills, knowledge and positive attitudes.

Thank you.

Mr. Sammy Kirui 
Board of Management Chairperson

6. Report of the Principal

Kericho Teachers' Training College is a public college established in 1964 to provide quality teacher education, training, research and innovation for the advancement of individual and society.

Currently, it has over 1000 students, 38 academic staff and 47 non-teaching staff.

All over the world, colleges have always been strategic national institutions whose developments have punctuated the advancement of nations with progressive economies. Such countries would not have developed as much as they have without allocating significant investment in teacher-preparedness. Education in Kenya is a costly investment and Kericho T.T.C is faced with scarcity of resources. The high cost of infrastructure development and equipment to adequately meet the requirements for quality education has made it difficult for any institution to be absolutely self-sufficient in meeting all its requirements.

Kericho Teacher's training College has actively participated in the implementation of the wider government of Kenya policies and the Vision 2030 Strategy among others. In this regard, the college embarked on reviewing its annual report and financial statement in tandem with new government policies and priorities in order to enhance efficiency and effectiveness in teacher training management program. This has been done in keeping with its vision statement "To be a leading developer of quality teachers for a dynamic society".

The college will endeavour to establish the basis for ensuring that efficient and effective services are delivered to Kenyans in line with the provisions of the Constitution of Kenya 2010 that enable innovativeness and adaptability of public services to the needs of the Constitution and by requiring Kericho T.T.C to adapt systems that it uses.

The Challenge for the college is therefore to develop and review its annual report and financial statements in line with its mandate, its Vision, National Government agenda, Vision 2030 Blue print and to develop appropriate implementation of current Competence Based Curriculum that will anticipate infrastructural, social-cultural, economic, political and technological changes and identify relevant opportunities outside the traditional work practices. The development of this report has therefore become a priority if the college is to realize its strategic goals in line with the Basic Education Act of 2013.

The college envisage to engage the use of digital technologies and the internet, which are, potentially powerful enabling tools for educational change especially in implementing the new curriculum and reforms that will help expand access to education, strengthen the relevance of education to increasingly digital work place and raise educational quality among others, helping make teaching and learning into an engaging, active process connected to real life.

I expect a paradigm shift in curriculum and pedagogy, institutional readiness, teacher competencies and effectiveness, cost, equity and sustainability, among others.

Kericho Teachers Training College Annual Report and Financial Statements for the year ended 30th June 2024

I urge all stakeholders to join me in taking our institution to greater heights of success through implementation of this report and other relevant policies. In conclusion the management fully embraces the new financial reporting guidelines and will strive to adhere and comply as required by the law. We remain open for guidance in this endeavour.

Thank you.

Dr. Emily C. Kibet
CHIEF PRINCIPAL/SECRETARY TO BOM

7. Statement of Performance against Predetermined Objectives

Section 81 Subsection 2 (f) of the Public Finance Management Act, 2012 requires the accounting officer to include in the financial statement, a statement of the national government entity’s performance against predetermined objectives.

A member of the Board can be removed from office if the member resigns and communicates the decision in writing, or fails to attend 3 consecutive Board meetings without apology. The Board secretary is then required to notify the nominating entity of the situation with a view of finding a suitable replacement.

In all full Board Meetings and meetings of committees of the Board, a conflict of interest register is kept and signed by members after the Agenda of the day has been adopted.

9. MANAGEMENT DISCUSSION AND ANALYSIS

In this financial year 2022/2023 Kericho Teachers' Training College was able to do some improvements and innovations. These include; lighting points extended in the college compound, installation of CCTV cameras in dining hall, along the highway road, internet installation of extra 11mbps, repairs of students beds. Fencing of the college fences with chain-link wires. All were possible through prudent management of finances.

10. ENVIRONMENTAL AND SUSTAINABILITY REPORTING STATEMENT

Kericho Teachers Training college exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on five pillars: putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a brief highlight of our achievements during the year under review.

1. Sustainability Strategy and profile.

The college has laid down a policy of planting trees within the water catchment areas and ensures 75% survival rate.

2. Market place practices-

Being a public Institution, there is the perception that there is a lot of resources to be utilised. The reality is far from that and the resources we have are carefully managed to have the most impact. To this end we carry out the following exercises to get the best partners for continued provision of goods and services.

a) Supplier prequalification

We are guided by the Public Procurement and asset Disposal act,2015 and Regulations of 2020 and the PPRA guidelines on how to identify suppliers. This is an open and public process and takes into consideration the reservations for youth, women and people with disabilities.

b) With our prequalified suppliers, we endeavour to meet our obligations on time so that we may be able to sustain relations for future partnerships.

- c) Being a national Government entity's the college makes a nationwide advert through newspaper and use of the local administration notice boards, social media to market opportunities in the College.
- d) List of registered tenderers
The college also maintains and updates the list of registered tenderers as per the requirements

e) Sustainability strategy and profile

Kericho Teachers Training College is a Government facility funded fully by the Government through Student fees and MOE grants. The College management strives to make prudent use of the available resources to maintain and improve the existing college facilities.

f) Employee Welfare

Kericho Teachers college's non-teaching staff Employees are hired and paid by the Board of Management and deployed to suitable workstations within the college. The remunerations of the employees are in strict adherence of the SCR recommendations on salaries and allowances. Where casuals are employed, the Board adheres to the existing labour laws and pays the recommended minimum wages.

All statutory deductions payable by an employee (i.e. PAYE, NSSF, NHIF and SACCO DUES) are duly deducted and remitted every month.

Progression from one job group to a higher one is effected upon recommendation of the BOM.

The Board aims at motivating all the college employees through supply of adequate working equipment, uniforms and tools where applicable.

g) Community Engagements

In the spirit of corporate social responsibility, the college has allowed unlimited access of the college field to the local community sportsmen and women

REPORT OF THE AUDITOR-GENERAL ON KERICHO TEACHERS TRAINING COLLEGE FOR THE YEAR ENDED 30 JUNE, 2024

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

1. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
2. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
3. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A qualified opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Kericho Teachers Training College set out on pages 1 to 31, which comprise the statement of financial position as

Report of the Auditor-General on Kericho Teachers Training College for the year ended 30 June, 2024

at 30 June, 2024 and the statement of financial performance, statement of changes in of net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Kericho Teachers Training College as at 30 June, 2024 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Basic Education Act, 2013 and the Public Finance Management Act, 2012.

In the circumstances, the accuracy and completeness of the financial statements for the year ended 30 June, 2024 could not be confirmed.

2. Inaccuracies in the Statement of cash flow

The statement of cash flow presented for the year under review was not accurately prepared and the amounts indicated in the net increase/(decrease) in cash balance of

Kshs.6,036,887 is computed incorrectly and could not be traced to financial statements adjustments. Cash and cash equivalents as at 1 July, 2023 of Kshs.7,137,829 was omitted in the computation of the statement of cash flows for the year ended 30 June, 2024.

In the circumstances, the accuracy and completeness of the statement of cash flow for the year ended 30 June, 2024 could not be confirmed.

3. Over Expenditure

The statement of financial performance reflects total expenses of Kshs.139,945,007. However, the approved budget was Kshs.113,593,110 resulting to unauthorized expenditure of Kshs.26,351,897. The expenditure of Kshs.26,351,897, therefore, exceeded the approved budget.

In the circumstances, the propriety of over expenditure of Kshs.26,351,897 could not be confirmed.

4. Receivables from Debtors

The statement of financial position reflects receivables from debtors of Kshs.12,124,743 which includes students' debtors and rent debtors balance for the current year of Kshs.3,397,993 and Kshs.46,930, respectively. The following observations were made:

- a) Debtors amounting to Kshs.15,710,870 being balance brought forward was not disclosed in comparative opening balances.
- b) A schedule in support of the debts and indicating for how long they had been outstanding was not provided for audit review.
- c) The College does not have a debt management policy which outlines the guidelines for managing debtors, ensuring timely collections and minimizing the risk of bad debts and, therefore, the College has not provided for bad and doubtful debts in the financial statements\.
- d) The debtors ageing analysis for the debtors' balance of Kshs.12,124,743 was not provided for audit review. In addition, the College has not provided any evidence on the efforts made to collect the outstanding debts.

In the circumstances, the accuracy and recoverability of Kshs.12,124,743 included under current receivables from debtors in the statement of financial position could not be confirmed.

5. Property, Plant and Equipment

The statement of financial position reflects property, plant and equipment balance of Kshs.834,635,138 as disclosed in Note 21 to the financial statements. The balance includes land and buildings of Kshs.800,000 whose ownership and valuation reports were not provided for audit review. Updated register of assets as disclosed in Note 21 was also not provided for audit review.

During field verification in November, 2024, it was noted that there was a construction of a computer laboratory. Management, however, did not provide records for audit review in addition to the status report of the project in construction. Management has not presented and disclosed this project as capital work in progress (WIP) in the financial statement.

In the circumstances, the completeness, accuracy and ownership of property, plant and equipment balance of Kshs.834,635,138 could not be confirmed.

6. Statement of Changes in Net Assets

The statement of changes in net assets was not prepared in compliance with the Public Sector Accounting Standards Board reporting requirements. No satisfactory explanation was provided by the management for the omission.

In the circumstances, the presentation and disclosure of the statement of changes in net assets do not comply with IPSAS-Standards on Presentation of Financial Statements.

7. Misclassification of Expenditure

The statement of financial performance for the year ended 30 June, 2024 reflects repairs and maintenance amount totaling to Kshs.16,454,505, which include repairs and maintenance and VRM/Replacement totalling to Kshs.7,052,474 and Kshs.9,402,031, respectively, as disclosed in Note 15 to the financial statements. However, examination of payment records revealed expenses relating to plant, property and equipment's which were incorrectly classified.

In the circumstances, the accuracy and completeness of expenses of repairs and maintenance totaling Kshs.16,454,505 could not be confirmed.

8. Failure to Conduct Board of Survey

The statement of financial position as at 30 June, 2024 reflects cash and cash equivalents balance of Kshs.12,787,142 which includes cash in hand balance of Kshs.70,732 as disclosed under Note 17 to the financial statements. However, the board of survey certificate in support of the cash in hand balance of Kshs.70,732 was not provided for audit review.

In the circumstances, the accuracy and completeness of the cash and cash equivalents balance of Kshs.12,787,142 could not be confirmed.

9. Unsupported Inventories

The statement of financial position as at 30 June, 2024 reflects inventories balance of Kshs.2,765,360. However, board of surveys in support of stock taking, stock ledgers and bin cards were not provided for audit review. Further, physical verification of stores in 5 December, 2024 revealed that the stores department did not maintain stores records.

In the circumstances, it was not possible to confirm the accuracy and completeness of the inventories balance amounting to Kshs.2,765,360.

The audit was conducted in accordance with International Standards for Supreme Audit Institutions (ISSAIs). I am independent of the Kericho Teachers Training College Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of Matter

Budgetary Control and Performance

i) Under Absorption of Funds

The statement of comparison of budget and actual amounts for the year ended 30 June, 2024 reflects final budget expenditure and actual on comparable basis of Kshs.113,593,112 and Kshs.139,945,007, respectively, resulting to under absorption of Kshs.26,351,897 or 19.4 % of the budget. The under absorption of funds affected the planned activities and may have impacted negatively on service delivery to the public.

The under-funding and under-expenditure could have affected the planned activities and may have impacted negatively on service delivery to the Public.

ii) Failure to Prepare a Balanced Budget

Review of the statement of comparison of budget and actual amounts in respect to original budget total income of Kshs.60,124,874 and total expenditure of Kshs.62,010,537 results to a deficit of Kshs.1,885,663 contrary to Regulation 33 (c) of the Public Finance Management (National Government) Regulations, 2015 that requires the budget to be balanced.

In the circumstances, Management was in breach of the law.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Unresolved Prior Year Matters

In the audit report of the previous year, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, the Management has not explained how the issues were resolved or disclosed them in the financial statements in the Progress on Follow-Up of the Auditor's Recommendation section as required by the reporting template.

Other Information

Management are responsible for the Other Information set out on item i to xx which comprise of the Key Kericho Teachers Information and Management, the Board of Management Team, Key Management Team, Board of Management Chairman's Statement, Report of the Principal, Statement of Performance Against Predetermined Objectives, Corporate Governance Statement, Management Discussion and Analysis, Environmental and Sustainability Reporting Statement and Report of the Board of Management Responsibilities.

In connection with my audit on the College financial statements, my responsibility is to read the Other Information and in doing so, consider whether the Other Information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matter described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

Failure to Comply with National Cohesion and Integration Commission Act on Ethnicity Balance

Review of the staff bio data revealed that the representation of one community is more than the one third of the stipulated threshold contrary to the provision of section 7 of the National Cohesion and Integration Commission act No 12 of 2008.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)a of the Public Audit Act, 2015 and based on the audit procedures performed, except for the matters described in the Basis for Conclusion on the Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

1. Lack of a Fraud Policy

Management of Kericho Teachers' Training College had not yet formulated a fraud policy contrary to the provisions of Regulation 165(1)(a) of the Public Finance Management Act (National Government) Regulations, 2015 which states that The Accounting Officer shall ensure that the national government entity develops risk management strategies, which include fraud prevention mechanism. The College therefore lacks a formal basis of evaluating fraud risks and associated impact, and the required mitigation measures in the event of occurrence of fraud.

In the circumstances, the College may be exposed to fraud and in the event of fraud may lack a strategy to mitigate on the risk. Further, Management was in breach of the law.

2. Lack of Risk Management Policy and Disaster Recovery Plan

During the year under review, the College did not have a risk management policy and a disaster recovery plan contrary to Regulation 165(1) (b) of the Public Finance Management (National Government) Regulations, 2015 which states that the Accounting Officer shall ensure that the national government entity develops a system of risk management and internal control that builds robust business operations.

In the circumstances, lack of risk management policy exposed the College to risk with no option of immediate recovery in the event of loss. Further, Management was in breach of the law.

3. Weak Human Resources Management Practices

Review of personnel records indicate that the College did not have an approved human resource policy, an approved scheme of service for its staff, defined job categories by profession, qualifications and experience, career progression and conditions of progression. In the absence of the scheme of service, it was not possible to ascertain how recruitment, promotion and rewards of staff were determined. This has the effect of creating unfair human resource practices affecting employee's morale negatively.

In addition, the payrolls were maintained in excel format which could be altered without a trail. The payrolls did not include date of employment, date of retirement and job grade of the employees.

In the circumstances, the controls over human resource management were not effective.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the International Public Sector Accounting Standards (Accrual) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the College's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the College's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards for Supreme Audit Institutions (ISSAIs). The Standards requires that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected

to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

Budget notes

30% of expected income from students was not received during the period. The arrears therefore will be collected before release of their Certificates

19. NOTES TO THE FINANCIAL STATEMENTS GENERAL INFORMATION

Kericho Teachers College- is established by and derives its authority and accountability from Basic Education Act, 2013. The College is wholly owned by the Government of Kenya and is domiciled in Kenya. The College principal activity is training teachers.

STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the College's accounting policies. The areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the college

The financial statements have been prepared in accordance with the Public Finance Management Act, the State Corporations Act, 2004, the Basic Education Act, 2013 and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented

NOTES TO THE FINANCIAL STATEMENTS (Continued)

New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2024.

Standard	Effective date and impact:
<p>IPSAS 41: Financial Instruments</p>	<p>Applicable: 1 January 2023:</p> <p>The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an entity's future cash flows. IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"> •Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held; •Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and •Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an entity's risk management strategies and the accounting treatment for instruments held as part of the risk management strategy.
<p>IPSAS 42: Social Benefits</p>	<p>Applicable: 1st January 2023</p> <p>The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general-purpose financial reports assess:</p> <ul style="list-style-type: none"> (a) The nature of such social benefits provided by the entity; (b) The key features of the operation of those social benefit schemes; and <p>I The impact of such social benefits provided on the entity's financial</p>

Amendments to Other IPSAS resulting from IPSAS 41, Financial Instruments	<p>Applicable: 1st January 2023:</p> <p>Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued.</p> <p>Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued.</p> <p>Amendments to IPSAS 30, to update the guidance for accounting for financial guarantee contracts which were inadvertently omitted when IPSAS 41 was issued.</p> <p>Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued.</p>

iii) Early adoption of standards

The entity did not early – adopt any new or amended standards in year 2021.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the College and can be measured reliably. Recurrent grants are recognized in the statement of comprehensive income. Development/capital grants are recognized in the statement of financial position and realised in the statement of comprehensive income over the useful life of the assets that has been acquired using such funds

NOTES TO THE FINANCIAL STATEMENTS (Continued)

ii) Revenue from exchange transactions

Rendering of services

KETECO recognizes revenue from rendering of services.

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, it includes sale of farm produce and ESD goods.

a) Revenue recognition (Continued)

Revenue from exchange transactions (continued)

Rental income

Rental income arising from staff living in college houses.

b) Budget information

The original budget for Financial Year 2023-2024 was approved by the Board on 30th June, 2023. Subsequent revisions of the budget were done 11th December 2023.

Taxes

Current income tax

KETECO is exempt from paying taxes as per Income Tax Act Cap.470

c) Taxes (continued)

Sales tax/ Value Added Tax

Expenses and assets are recognized net of the amount of sales tax.

d) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property.

e) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of

the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly.

f) Leases,

For annual depreciation, the college will formulate a policy on how to depreciate its fixed assets.

g) Intangible assets

h) Research and development costs

i) Financial instruments

The debtors or an entity of debtors are experiencing significant financial difficulty

Default or delinquency in interest or principal payments

The probability that debtors will enter bankruptcy or other financial reorganization

Observable data indicates a measurable decrease in estimated future cash flows (e.g., changes in arrears or economic conditions that correlate with defaults)

Financial liabilities

Initial recognition and measurement

Financial liabilities within the scope of International Public Sector Accounting Standard 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The College determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

Loans and borrowing

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

j) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

k) Provisions

Provisions are recognized when the College has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the College expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

i) Social Benefits

m) Nature and purpose of reserves

KETECO creates and maintains reserves in terms of specific requirements. The College has Retained Earnings as a reserve and the purpose of this is to clear any pending bills accrued in the prior financial year once income is realized.

Changes in accounting policies and estimates

KETECO recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

o) Employee benefits

Retirement benefit plans

KETECO provides retirement benefits in form of gratuity for its employees. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund), and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

p) Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date.

q) Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

r) Related parties

s) Service concession arrangement

Related parties

KETECO regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the College, or vice versa. Members of key management are regarded as related parties and comprise the Board of Management, the Chief Principal and Senior Managers.

Service concession arrangements

KETECO analyses all aspects of service concession arrangements that it enters into in determining the appropriate accounting treatment and disclosure requirements. Any assets so recognized are measured at their fair value. To the extent that an asset has been recognized, the College also recognizes a corresponding liability, adjusted by a cash consideration paid or received.

t) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

u) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in present.

5. SIGNIFICANT JUDGEMENTS AND SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the KETECO financial statements in conformity with International Public Sector Accounting Standard requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The College based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the College. Such changes are reflected in the assumptions when they occur. IPSAS 1.140

Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

The condition of the asset based on the assessment of experts employed by the College

The nature of the asset, its susceptibility and adaptability to changes in technology and processes

The nature of the processes in which the asset is deployed

Availability of funding to replace the asset

Changes in the market in relation to the asset

Provisions

Provisions were raised and management determined an estimate based on the information available.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material
