I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

Mission

To provide leadership and policy direction for effective and efficient management of the Fund

II. FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

This report and financial statement represents the financial position of NG-CDF Soy constituency for the financial year 2018/2019. It lays down the receipts and expenditures of all the funds that Soy NG-CDFC received from the NG-CDF BOARD.

I wish to make the following remarks;

a). Year Performance

In the financial year 2018/2019 Soy NG-CDF was able to achieve the following comparative performance in various sectors

Receipt/Expense Item	Original Budget	Adjustments	Final Budget	Actual on Comparable Basis	Budget Utilisation Difference	% of Utilisation
RECEIPTS						
Transfers from CDF Board	109,040,876	56,854,543	165,895,419	110,854,543	55,040,876	66.8%
Other Receipts		12,000	12,000	12,000	-	0%
TOTAL RECEIPTS	109,040,876	56,866,543	165,907,419	110,866,543	55,040,876	66.8%
PAYMENTS						
Compensation of Employees	3,480,000	1,427,025	4,907,025	2,876,101	2,030,924	58.6%
Use of goods and services	6,333,679	2,621,889	8,955,568	7,494,631	1,460,937	83.7%
Transfers to Other Government Units	57,800,000	33,650,000	91,450,000	44,792,416	46,657,584	49.0%
Other grants and transfers	41,427,197	13,285,625	54,712,822	44,817,513	9,895,309	81.9%

SOY CONSTITUENCY**

Reports and Financial Statements for the year ended June 30, 2019

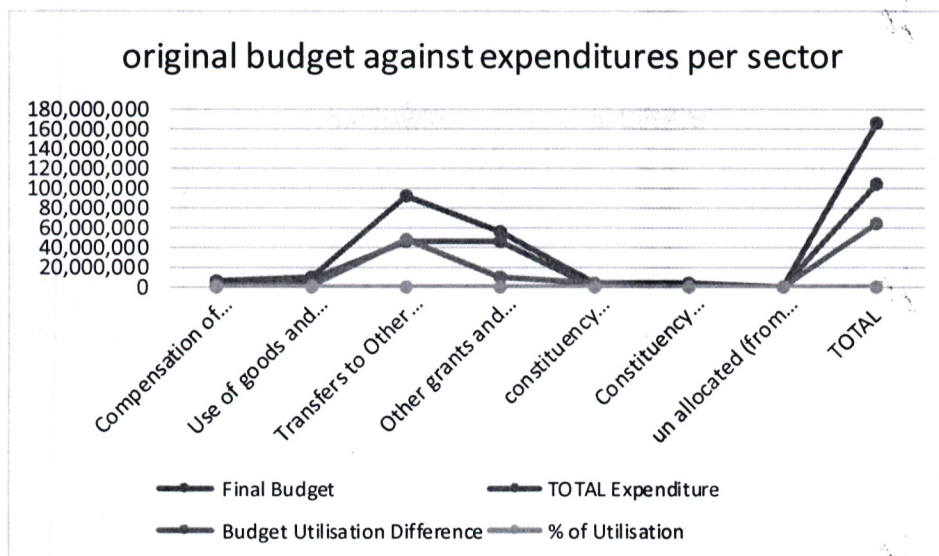

- i. On Receipts, the percentage of total Receipts from NG-CDF Board as a percentage of final budget is 67% due to disbursement of Kshs 55,040,876 in July 2019 dated 16/07/2019 AIE no. B041065 after the end of 2018/19 financial year. Had we received the funds before the close of the financial year, we could have improved on our utilization of receipts performance.
- ii. Compensation of Employees stands at 59% since gratuity of Kshs 652,782 has not been paid and at the same time an adjustment of Kshs 1,427,025 was realized in the financial year thus not achieving 100%
- iii. Use of Goods and services is 84%, this was occasioned by an adjustment of Kshs 2,621,889 from the previous year thus hindering us from achieving 100% utilization.
- iv. Transfer to other Government units is 49%, this was due the non-disbursement of Kshs 46,657,584 by the end of the financial year thereby hindering us from achieving 100%.
- v. Other grants and transfers 82%, this was occasioned by late disbursement of Kshs 9,895,309 from NG-CDF Board after end of financial year 2018/2019.
- vi. Constituency Innovation Hub stands at 0% since the NG-CDF Committee is waiting for direction on its implementation therefore utilization of the same could not be done in the current financial year.
- vii. un allocated from sale of tender stands at 0%. This funds have not been allocated therefore cannot be utilized.

d). Emerging issues related to NG-CDF in SOY Constituency are;

1. All learning institutions i.e. secondary and primary schools depend on NG-CDF 100% on development as directed by ministry of education
2. Security projects infrastructure depends on NG-CDF funding 100%
3. Due to the 100% transition to secondary school of pupils there is more need on schools' infrastructure i.e. classrooms, laboratories, administration blocks etc

e). NG-CDF Implementation challenges in SOY Constituency are;

1. Overdependence of the fund by the public on all development related issues. (Here public participation is involved in identification of projects for funding and bursary beneficiaries within the constituency).
2. Funds disbursement from the board is at times untimely leading to unnecessary adjustments. (NG-CDF committees are disbursing funds as soon as funds are received).
3. Many projects allocated funds- leading to projects receiving funds not able to complete projects. (NG-CDF is focusing on allocating enough funds to complete the project within 2 years).
4. Implementation of projects through labour based which makes it difficult to comply with all government regulations on procurement and line ministry supervision. (NG-CDFC is educating the Project Management Committees to contract contractors on full contract.)

III. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2013 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-SOY Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-SOY Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the NG-CDF Soy financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2019, and of the entity's financial position as at that date. The Accounting Officer charge of the NG-CDF SOY Constituency further confirms the completeness of the accounting records maintained for the NG-CDF Soy, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-SOY Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF-SOY Constituency financial statements were approved and signed by the Accounting Officer on 27/08/ 2019.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - SOY CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund-Soy Constituency set out on pages 17 to 60, which comprise the statement of assets and liabilities as at 30 June, 2019, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund-Soy Constituency as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1.0 Unavailable Bank Reconciliation Statements and Cashbooks

Note 15.4 to the financial statements reflects project management committee bank accounts balances of Kshs.10,791,603 held in one hundred and ninety-six (196) bank accounts in various commercial banks as at 30 June, 2019. However, Management did not provide bank reconciliation statements and cashbooks for audit.

Consequently, the accuracy, completeness and existence of the project management committee account balance of Kshs.10,791,603 as at 30 June, 2019 could not be confirmed.

2.0 Unexplained Adjustments

The summary statement of appropriation: recurrent and development combined for the year ended 30 June, 2019 reflects an adjustment figure of Kshs.56,854,543 relating to

transfers from CDF board whose supporting documents were not provided for audit review.

Consequently, the accuracy and completeness of the adjustment figure of Kshs.56,854,543 for the year ended 30 June, 2019 could not be confirmed.

3.0 Unsupported Bursaries Disbursement

The statement of receipts and payments reflect other grants and transfers balance of Kshs.44,817,513 as disclosed in Note 7 to the financial statements which includes total bursaries amount of Kshs.26,184,000 comprising of disbursements of Kshs.11,054,000 to secondary schools and Kshs.15,130,000 to tertiary institutions. However, the minutes of the bursary sub-committee indicating how the beneficiaries were identified were not provided for audit.

Consequently, validity and completeness of the bursaries disbursements of Kshs.26,184,000 for the year ended 30 June, 2019 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of National Government Constituencies Development Fund - Soy Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1.0 Budgetary Control and Performance

The summary statement of appropriation- recurrent and development reflects final receipts budget and actual on comparable basis of Kshs.165,907,419 and Kshs.110,866,543 respectively resulting to an under-funding of Kshs.55,040,876 or 33% of the budget. Similarly, the Fund spent Kshs.103,497,551 against an approved budget of Kshs.165,907,419 resulting to an under-expenditure of Kshs.62,409,868 or 38% of the budget. The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the residents of Soy Constituency.

2.0 Incomplete Projects

During the audit, twenty-nine (29) projects with total disbursements amounting to Kshs.44,000,000 were physically verified during the month of January, 2020. A number of projects were noted to be incomplete despite disbursements of funds to the Project Management Committees.

The people of Soy Constituency may have not benefited from the incomplete projects. Therefore, there is need for the Management to fast track the implementation process to

ensure that projects are completed as scheduled for efficiency and effective service delivery to the residents of Soy Constituency.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1.0 Purchase of Land

As previously reported, an amount of Kshs.1,000,000 was disbursed to Tegeiyat Gaa Primary School for purchase of 2 acres of school land. However, procurement records such as opening, evaluation and award minutes, and search results from lands office, valuation report and document of ownership such as title/lease were not provided for audit.

Further, an amount of Kshs.1,000,000 was disbursed to Kapchan Primary School on 16 March, 2017 vide PV No.291277 and cheque No.5012 for purchase of 2 acres of land. Although ownership documents were provided for audit, information available reflects that Kapchan Primary School paid an additional Kshs.100,000 in respect of survey, rates and administration fees contrary to the provisions of the sale agreement which stipulated that the vendor shall pay outstanding land rates, rents and/or any other liabilities relating to the land.

Under the circumstances, value for money on the additional costs incurred could not be confirmed.

2.0 Construction of two (2) Classrooms at Kapsabul Primary School

Included in the transfers to other government units balance of Kshs.44,792,416 as reflected in the statement of receipts and payments for the year ended 30 June, 2019 and as disclosed in Note 6 to the financial statement is Kshs.1,000,000 paid to Kapsabul Primary School for the construction of two (2) classrooms through cheque No.6744. Physical verification of the project on 30 January, 2020 revealed that, interior cabling, electrical wiring were not done and the plastering works were poorly done and hence affecting the painting works. It was also noted that the fascial board on the backside was not done while the front side was not painted and the building had not been labelled.

Further, the verandah and external wall finishing was paid with funds from the school's board and not from the funds allocated.

Consequently, the value for money on the expenditure of Kshs.1,000,000 on construction of two (2) classrooms could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation

to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

GIVE EXPLANATION ON ALL ITEMS BELOW 100% UTILIZATION

i. On Receipts, the percentage of total Receipts from NG-CDF Board as a percentage of final budget is 67% due to disbursement of Kshs 55,040,876 in July 2019 dated 16/07/2019 AIE no. B041065 after the end of 2018/19 financial year. Had we received the funds before the close of the financial year, we could have improved on our utilization of receipts performance.

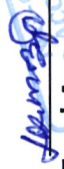

ii. Compensation of Employees stands at 59% since gratuity of Kshs 652,782 has not been paid and at the same time an adjustment of Kshs 1,427,025 was realized in the financial year thus not achieving 100%

iii. Use of Goods and services is 84%, this was occasioned by an adjustment of Kshs 2,621,889 from the previous year thus hindering us from achieving 100% utilization.

**NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) – SOY CONSTITUENCY
Reports and Financial Statements For the year ended June 30, 2019**

- iv. Transfer to other Government units is 49%, this was due the non-disbursement of Kshs 46,657,584 by the end of the financial year thereby hindering us from achieving 100%.
- v. Other grants and transfers 82%, this was occasioned by late disbursement of Kshs 9,895,309 from NG-CDF Board after end of financial year 2018/2019.
- vi. Constituency Innovation Hub stands at 0% since the NG-CDF Committee is waiting for direction on its implementation therefore utilization of the same could not be done in the current financial year.
- vii. un allocated from sale of tender stands at 0%. This funds have not been allocated therefore cannot be utilized.

IX. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-SOY Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2019, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

SIGNIFICANT ACCOUNTING POLICIES

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the NG-CDF Soy at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2018 for the period 1st July 2018 to 30th June 2019 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2019.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
1.0	Cash and cash Equivalents The statement of assets and liabilities as at 30 June 2018 reflects cash and cash equivalents balance of Kshs 2,070,060. However, the bank reconciliation statement availed for audit review reflects unpresented cheques totalling Kshs 2,873,502 out of which cheques amounting to Kshs 714,119 had become stale but had not been reversed in the cash book. Further, out of the stale cheques of Kshs. 714,119, a cheque of Kshs 25,403 was in respect of statutory deductions. The management did not explain whether the cheques were replaced to avoid imposition of penalties by Kenya Revenue Authority for failure to remit taxes as required by law. In the circumstances, the accuracy and completeness of the cash and cash equivalents balance of Kshs 2,070,060 as at 30 June 2018 could not be confirmed.	Cheques amounting to Kshs 714,119 were written on 25/5/2018 and become stale on 26/11/2018 after six months' period. Stale cheque of Kshs 25,403 was in respect of statutory deductions. The management has already initiated the process of writing stale cheques back to cash book and make new payments. However, in future the management will ensure that all stale cheques are written back to cash book and all cheques for statutory deductions are paid in time to avoid imposition of penalties. The sub-county Accountant has renewed the KRA stale cheque of Kshs. 25,403 and paid to KRA as per attached receipt.	The Fund Account Manager Luka kimosop	Resolved on management letter	30/06/2019
2.0	Transfers from Constituencies Development Fund (CDF) Board The statements from receipts and payments for the year ended 30 June 2018 reflects transfers from Constituencies Development Fund Board figure of KSh.76,353,447 which is at variance with the Constituencies	Kshs 76,353,447 was funds received in the financial year The total budget for the financial year 2017/2018 kshs 98,189,655 Balance fyr 2016/2017 Kshs. The total budget for the financial year 2017/2018 kshs 98,189,655 Balance fyr 2016/2017	The Fund Account Manager	Resolved on management letter	30/6/2019

2.0	Non implementation of Approved Projects A review of the approved projects as per the code list from NG-CDF Board secretariat and comparison of the same with expenditure returns reveal that projects costing a total of KShs. 14,400,000 that were approved and funds received, were not implemented by the NG-CDF Soy during the financial year 2017/2018. Failure to implement approved projects by the fund denies the public the benefit which could have accrued to them if the projects could have been implemented.	The board disbursed to the funds to the constituency on 13/08/2018 via AIE B005133 Kshs 52,484,483.15 and the same was disbursed to projects immediately. The proposal for year ended 30/6/2018 code list was approved but the Board disbursed the funds in phases. The respective projects for 14,400,000 are ongoing and in completion stages. 4.0	<p>Construction of 8 classrooms at Ziwa secondary school.</p> <p>A review of the financial records confirmed that construction of one storey building of 8 classrooms at ziwa secondary school commenced in the year 2013/2014 drawing a total of Kshs 9,000,000 by end of financial year 2017/2018. The construction was labour based and the project management committees were purchasing materials. A physical verification of the project in December 2018 confirmed that the building was complete even though no certificate of completion was availed for audit verification. Further, site instructions from the clerk of works were not availed for audit review. Consequently, it was not possible to confirm the propriety of the expenditure of Kshs. 9,000,000 on the project.</p>	<p>Ziwa secondary school project was supervised by the Public Works as per the attached provided by the school after the audit exercise. 6.0	<p>Projects Implementation</p> <p>During the year under review, Soy constituency had budgeted to disburse Kshs 80,400,000 towards the implementation of one hundred and fourteen projects. However, an amount of Kshs 78,600,000 was disbursed to one hundred and thirteen projects. It was further noted that one project with a budget of Kshs 800,000 for the construction of a classroom to completion at Moi's bridge secondary school was not implemented. Projects not implemented may impact negatively on service delivery to the people of Soy Constituency.</p>	<p>Out of 114 projects which were earmarked for implementations during the financial year 22 projects are at various stages of implementation and 92 projects are complete and in use. The NGCDF soy allocated funds to all ongoing projects in the financial year 2018/2019 as per the directive of the president that all ongoing projects need to be completed before new ones are started. Therefore all ongoing projects will be complete and in use in the current financial year.</p>	The Fund Account Manager	Resolved on management letter	30/6/19
