I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) formerly Constituencies Development Fund (CDF), is established under the NG-CDF Act 2015 as amended in 2016. The Act is a successor to the Constituencies Development Fund (CDF) Act of 2003 which initiated the Fund and its subsequent amendments/reviews of 2007 and 2013. At cabinet level, NG-CDF is represented by the Cabinet Secretary for the Treasury, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

Mission

To provide leadership and policy direction for effective and efficient management of the Fund

***Kisumu East Constituency
National Government Constituencies Development Fund (NGCDF)

Core Values

1. **Patriotism** – we uphold the national pride of all Kenyans through our work
2. **Participation of the people**- We involve citizens in making decisions about programmes we fund
3. **Timeliness** – we adhere to prompt delivery of service
4. **Good governance** – we uphold high standards of transparency, accountability, equity, inclusiveness and integrity in the service of the people
5. **Sustainable development** – we promote development activities that meet the needs of the present without compromising the ability of future generations to meet their own needs.

Functions of NG-CDF Committee

The Functions of the NG-CDF Committee is as outlined in section 11 of The National Government Constituencies Development Fund Regulations, 2016.

(b) Key Management

The Kisumu East Constituency NGCDF day-to-day management is under the following key organs:

- i. National Government Constituencies Development Fund Board (NGCDFB)
- ii. National Government Constituency Development Fund Committee (NGCDFC)

(c) Fiduciary Management

The key management personnel who held office during the financial year ended 30th June 2021 and who had direct fiduciary responsibility were:

No	Designation	Name
1.	A.I.E holder	Rotich Kiptoon
2.	Sub-County Accountant	Kenneth Menge
3.	Chairman NGCDFC	Jackton Acholla
4.	Member NGCDFC	Donna Otieno

(d) Fiduciary Oversight Arrangements

The Audit and Risk Management Committee (ARMC) of NGCDF Board provide overall fiduciary oversight on the activities of Kisumu East Constituency NGCDF. The reports and recommendation of ARMC when adopted by the NGCDF Board are forwarded to the Constituency Committee for action. Any matters that require policy guidance are forwarded by the Board to the Cabinet Secretary and National Assembly Select Committee.

II. NG-CDFC CHAIRMAN'S REPORT

Jacktone Achola

It is my pleasure to present to you the annual report and financial statement for the year ended June 30, 2021. During the year under review, the entity was allocated Kshs 137,088,879 which represents a 14% increase in allocation from the previous year. Our performance is generally impressive and we have been able to offer more services to our constituents.

However, the NG-CDF Board did not release all the funds within the financial year hence delayed the implementation of some projects and COVID 19 were but a few of some challenges experienced. With these funds, we have been able to initiate and complete a number of projects. Our focus in the year was improvement of educational infrastructure where close to 60% of the funds were allocated to these initiatives.

Overall utilization of funds stood at 56.5% as compared to 63.7% in the year 2019/20. This was a decrease compared to 2019/20 year.

With my team our aim is to leverage the utilization of funds to ensure that the constituency is able to develop as quickly as possible while ensuring transparency and accountability in all our activities.

III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key development objectives of *Kisumu East Constituency 2018-2022* plan are to:

- a) Improving access to quality education through rehabilitation/renovation/ construction of infrastructure in various primary and secondary school within the constituency.
- b) Harnessing youth talent by funding youth sporting initiatives, creating awareness of youth development and promotion of youth talent
- c) Enhancing security in the constituency by construction of infrastructure in security and administration establishments within the constituency.
- d) Improving the tracking of implementation of NGCDF programs through robust Monitoring and Evaluation of projects
- e) Promoting performance management and smooth running of NGCDF office
- f) Catering for any unforeseen occurrences in the constituency through emergency support.

Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

Constituency Program	Objective	Outcome	Indicator	Performance
Education Accessibility	To Improve access, affordability and availability of quality education to all school going children.	<ul style="list-style-type: none"> • Adequate and conducive environment in terms of classrooms, 	- number of usable physical infrastructure build in primary,	<ul style="list-style-type: none"> - In FY 20/21 - Number of classrooms rehabilitated to standard 21 - Number of new

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

Kisumu East NG-CDF exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely, Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. Sustainability strategy and profile -

To ensure sustainability of Kisumu East NG CDF, the committee funds the following key sectors with the following sustainable priorities.

- a. **Education and Training:** Kisumu East NG-CDF focus on human capital for constituency development is entrenched in its strategy to support needy and bright students from each ward of the constituency. The intention is to empower the constituents such that in years to come, the beneficiaries at secondary school levels would have transitioned to Tertiary institutions while those at tertiary level would have transitioned to the job market as employees or employers thereby contributing positively to the economic growth of the constituency. This strategy takes care of both marginalised groups including girls and people living with disabilities.
- b. **Security Sector Support:** Among its key pillars; NGCDF has security as a priority area with intention to provide better working environment for the security providers within the constituency as well a secure constituency. The strategy is to have a long-term collaborative working approach that enhances community engagement in security activities. This is aimed at eliminating crime and vices in the long run by providing a better working environment for the law enforcement agencies while collaborating with community in trust on matters of security.
- c. **Environment:** The Constituency acknowledges that all its operation has an impact on environment. Cognizant of the Sustainable development goals, the NG-CDF has allocated part of its budget on environment conservation through activities such as tree planting, water conservation, sensitization forums for agro-forestry as well as best practices to reduce soil erosion.
- d. **Sports:** The NG-CDF has taken sports as a key pillar of cohesion and integration. To sustain this pillar, the strategy taken is that of developing skills through sports with intention of identifying, nurturing talent and encouraging physical fitness among the constituents.

To attain this level of sustainability, we acknowledge challenges currently arising from the effects of Covid- 19 that have adversely affected the sporting activities and thereby limiting the potential benefits envisaged in using sports as development strategy within the constituency. On macro levels FY 20/21 has been a challenging year with limited funding towards these activities which may hamper the success of priority strategies undertaken.

2. Environmental performance

Kisumu East NGCDF works to generate benefits for its stakeholders and those participating or collaborating in its activities. Its conduct is governed by sustainability criteria and the desire to serve society, as Kisumu East NGCDF recognizes its role in society's development and progress.

All Kisumu East NGCDF employees involved in management at any level contribute to sustainability through their firm commitment to pollution prevention, environmental conservation and the

preservation of biodiversity, the promotion of energy efficiency and climate change management, which is formalized through this Environmental Policy.

Kisumu East NGCDF's leadership aspirations and its global commitment influence, as in other Group activities, environmental actions, an area in which Kisumu East NGCDF also aims to be a benchmark.

Kisumu East NGCDF's environmental commitment is based on two fundamental pillars: integrating the environment into the business, developing environmental management initiatives and promoting environmental responsibility in the organization.

Integrating the environment into the projects

- Integration of environmental criteria: in the risk analysis and decision-making processes projects and in other processes that may have impacts related to the environment, energy and/or climate change.
- Development of products and services that contribute to the improvement of environmental risk management, sustainable energy consumption and the reduction of greenhouse gas emissions.

Environmental management

- Compliance with the applicable legislation in force, as well as other voluntary commitments, and adoption of measures for continuous improvement through the development of an Integrated Environmental, Energy and Climate Change Management System. This system will set periodic objectives whose fulfillment can be verified by performing audits, and will include the necessary information and resources to achieve its annual objectives and goals.
- Rational use of resources in order to reduce its carbon footprint, by controlling its resources so as to minimize the consumption of water, paper and energy, reduce waste generation and encourage recycling, through the implementation of best environmental, energy and eco-efficient practices, as well as promoting the use of renewable energy and offsetting greenhouse gases emissions.

Promoting environmental responsibility in the company

- Promotion of an environmental culture and awareness among its personnel, to which the necessary training will be provided as appropriate. This culture and awareness are deemed the responsibility of all employees and, consequently, each and every one of

***Kisumu East Constituency
National Government Constituencies Development Fund (NGCDF)
Reports and Financial Statements for The Year Ended June 30, 2021***

them must perform their activities in accordance with existing environmental regulations and procedures.

- Availability of resources for employees to participate in the achievement of the goals set by Kisumu East NGCDF regarding environmental management, energy efficiency and climate change mitigation and adaptation processes, thus contributing to sustainable development.
- Development of initiatives that aim to achieve greater company awareness of environmental, energy and climate change issues through awareness-raising and outreach activities aimed at various groups, as well as the inclusion of these issues in our value chain.

This Policy is mandatory throughout the Kisumu East NGCDF staff. It will be provided to all individuals working for or representing Kisumu East NGCDF, and is also publicly available.

The NGCDFC is the body responsible for promoting the development and implementation of this Policy, as well as ensuring compliance, dissemination and periodic revision

Our practices include but not limited to:

- **Partnering with stakeholders:** Invest the time in training employees and constituents on the importance of sustaining the environment and share what the organization is doing to help conserve resources: this is done in coordination with the Min of environment by mounting posters on environment conservation with the office premises.
- **Water and electricity conservation:** Conserving our water is something we can all participate in by reducing the opportunities for wasting this valuable resource. We ensure that all our projects have water harvesting component, encourage use green energy in schools through provision of funds to fund biogas or solar energy, use of energy saving bulbs within our projects and ensure project have photosensitive switches to reduce use of electricity
- **Purchase Only Energy Efficient Products:** Look for energy-efficient electronic products and use environmentally friendly settings on office equipment. Choose computer, electronic, and IT acquisition products that are EPEAT registered to ensure the highest levels of efficiency.
- **Environment Protection and Conservation:** ensure all project have environment protection components, planting of trees during project handovers, installation of silt traps during road construction or field rehabilitations, installation of gabions and culverts, landscaping of projects.

Adherence to the prevailing Laws: ensure that all our projects are NEMA certified before commencement of any project, staff and workers protection in all our sites.

3. Employee welfare

We invest in providing the best working environment for our employees. Kisumu East constituency recruitment is guided by Employment Act, NGCDF Act and other regulations as issued from time to time. In line with the law and regulations, the Constituency offers equal opportunity to all while adhering to the one third gender rule and special groups. We also Recognize and appreciate of our employees for exemplary performance. The reward and sanctions system is based on performance appraisal.

The constituency promotes a healthy lifestyle and provides all employees with health insurance cover through a reliable insurance Scheme. Employees are encouraged and supported to continually build on their skills and knowledge. Kisumu East constituency invests in capacity building programs for employees. These include courses on technical competencies relevant to each employee and continuous sensitization on cross cutting issues.

The committee has a policy on safety in compliance with Occupational Safety and Health Act of 2007, (OSHA) and has ensured the work environment is conducive for everybody in terms of movement and accessibility within the office. The Constituency has also put in place disaster mitigating measures including fire extinguishers and accessible escape routes in case of emergency.

4. Market place practices-

Kisumu East NGCDF Constituency is committed to fair and ethical market practises.

The Procurement of goods and services is done through a transparent and competitive bidding process that allows equal opportunities to all participants. We support local vendors drawn from the constituency for purposes of uplifting them economically. Our ethical market practises ensure the fund get value for money on all goods and services procured.

We are also committed to healthy relations with our suppliers which is enhanced through organized sensitization forums that relate to the procurement legal framework and ethical subject matters. We are dedicated to honouring all contracts and settling payments promptly.

NGCDF has put in efforts to ensure:

- a) Responsible competition practice by encouraging fair competition and zero tolerance to corruption
- b) Good business practice including cordial Supply chain and supplier relations by honouring contracts and respecting payment practices.
- c) Responsible marketing and advertisement
- d) Product stewardship by safeguarding consumer rights and interests

5. Community Engagements-

Kisumu East NGCDF has endeavoured to sustain community engagement through CSR as well as appreciating our existence through engaging local contractors and suppliers when necessary. We have also engaged the community through sports and community projects.

Public Participation in Project Identification and Implementation and Monitoring

The NG-CDFC deliberated on project proposals from all the wards in the constituency and considered the most beneficial to the constituency, considering the national development plans and policies and the constituency strategic development plan. The identified list of priority projects, both immediate and long term, was submitted to the NG CDF Board in accordance with the Act.

***Kisumu East Constituency
National Government Constituencies Development Fund (NGCDF)
Reports and Financial Statements for The Year Ended June 30, 2021***

Public participation is the process that directly engages the concerned stakeholders in decision-making and gives full consideration to public input in making that decision. The NG CDFC during bursary programme, engaged the community through the community leaders to identify the needy students to be awarded with the bursary.

Public Awareness

This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community-based needs assessments and public awareness campaigns and holding community meetings. Kisumu East NG-CDF have continually practiced public participation and public awareness during project identification and proposal collections in all the wards in the constituency.

V. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-Kisumu East Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-Kisumu East Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *constituency's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2021, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF- Kisumu East Constituency further confirms the completeness of the accounting records maintained for the *constituency*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF Kisumu East Constituency confirms that the *constituency* has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the *constituency's* financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF- Kisumu East Constituency financial statements were approved and signed by the Accounting Officer on 18/10/2021.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - KISUMU EAST CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Kisumu East Constituency set out on pages 20 to

59, which comprise of the statement of assets and liabilities as at 30 June, 2021 and the statement of receipts and payments, statement of cash flows and the statement of summary of appropriations for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund - Kisumu East Constituency as at 30 June, 2021 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015.

Basis for Qualified Opinion

1. Unsupported Cash and Cash Equivalents Balances

The statement of assets and liabilities and Note 10A to the financial statements reflects a bank balance of Kshs.49,640,350. Review of the bank reconciliation statement for the month of June, 2021 indicated unrepresented cheques amounting to Kshs.4,440,561. However, Management did not provide bank statements to confirm when unrepresented cheques were cleared. Further, Annex 5 to the financial statements reflects Project Management Committee (PMC) bank balances amounting to Kshs.19,062,254. Out of this balance, an amount of Kshs.14,448,757 in respect of five (5) PMC accounts were not supported with certificates of bank balances and bank reconciliation statements.

In the circumstances, the accuracy and completeness of cash and cash equivalents of Kshs.49,640,350 and the PMC bank balances of Kshs.19,062,254 could not be confirmed.

2. Failure to Maintain an Updated Fixed Assets Register

Annex 4 to the financial statements reflects a summary of fixed assets register with assets amounting to Kshs.73,854,870. Review of the assets register provided for audit revealed that the register did not reflect land and buildings and two television sets bought during the year under review. Further, the cost values for some assets were not indicated in the register. In addition, as reported in the previous year audit report, three (3) motorcycles had private registration numbers, yet they were owned the Fund.

In the circumstances, the accuracy and completeness of fixed assets balance of Kshs.73,854,870 could not be confirmed.

3. Unsupported Retention Money

The statement of assets and liabilities and Note 12A to the financial statements reflects retention money of Kshs.226,867 whose supporting documents were not provided for audit.

In the circumstances, the accuracy and completeness of retention money amounting to Kshs.226,867 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Kisumu East constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budgetary Control and Performance

The statement of comparative budget and actual amounts reflects final receipts budget and actual on a comparable basis of Kshs.217,628,973 and Kshs.163,440,094 respectively resulting to an under-funding of Kshs.54,188,879 or 25% of the budget. Similarly, the Fund expended Kshs.113,799,744 against an approved budget of Kshs.217,628,973 resulting to an under-expenditure of Kshs.103,829,229 or 48% of the budget.

In the circumstances, the underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the public.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Anomalies in Projects Implementation

The statement of receipts and payments and Note 6 to the financial statements reflects transfers to other Government entities of Kshs.47,500,000. The transfers includes an amount of Kshs.4,000,000 allocated to St. Mark Nyabera Primary School comprising of Kshs.2,500,000 for renovation of 6 classrooms and Kshs.1,000,000 for construction of dykes around the school. Review of records indicated that an agreement was signed on 9 November, 2021 with a construction company for renovation of six (6) classrooms and chain link fencing at a contract sum of Kshs.2,993,206. The projects were to be completed within eight (8) weeks running from 9 November, 2021 to 9 January, 2022. However, physical verification of the project in March, 2022, revealed that the renovation of

classrooms had not been completed three months after the expected completion date. Further, the gutters had not been fixed and the painting on the outside pillars had already started peeling off and the contractor was not on site yet the fencing work had not started.

Further, review of projects records indicates that an agreement was signed on 22 September, 2021 between Kasagam primary school & St. Mark Nyabera primary School and a construction company for construction of dykes at a contract sum of Kshs.2,675,000 and the contract was to be completed within a period eight (8) weeks from the date of site handing over. However, physical verification of the project in March, 2022 confirmed that the works were not complete and the contractor was not on site. Similarly, the contract sum of Kshs.2,675,000 exceeded the budget allocation of Kshs.1,000,000 contrary to Section 44(2)(a) of the Public Procurement and Asset Disposal Act, 2015.

In the circumstances, Management was in breach of the law and no value for money was obtained on expenditure on the projects.

2. Irregular Payments for Construction Works

The statement of receipts and payments and Note 6 to the financial statements reflects transfers to other government entities of Kshs.47,500,000 which includes an amount of Kshs.18,000,000 in respect to transfers to secondary schools. This amount in turn includes Kshs.15,000,000 which was transferred to Kibos Secondary PMC account. The Project Management Committee (PMC) of Kibos Secondary School entered into an agreement on 6 August, 2020 with a construction company for the proposed construction of dormitory block, two-bedroom twin staff house and dining hall at Kibos Secondary School at contract sum of Kshs.15,000,000. Further, a second agreement dated 27 January, 2021 with the same contractor for the same works a contract price of Kshs.11,557,925 and the contract was expected to take 16 weeks from the date of site handing over. Examination of records provided for audit verification revealed that the project was 98% complete as indicated in the inspection report dated 5 January, 2022. However, the contractor was paid a total of Kshs.33,573,073 which was beyond the total contract sum of Kshs.26,557,925.

In the circumstances, the regularity of expenditure of Kshs.33,573,073 could not be confirmed.

3. Over-payment for Construction Works

The statement of receipts and payments and as disclosed in Note 6 to the financial statements reflects transfers to other government entities of Kshs.47,500,000 which includes an amount of Kshs.18,000,000 in respect to transfers to Secondary Schools. The amount includes Kshs.2,000,000 which was transferred to St. Dominic Bukna Secondary School PMC account. The Project Management Committee entered into an agreement with a construction company dated 24 June,2020 for the proposed construction of four (4) classroom (Storey Block) at a contract sum of Kshs.7,993,096. The contract period was expected to take 8 weeks from the date of site handing over. Examination of records provided for audit review revealed that the project was completed and an inspection & acceptance report and a certificate of practical completion were issued on 3 and 4 February, 2021 respectively. Physical verification carried out in April, 2022 revealed that the four (4) classroom storey block was complete and in use.

However, it was noted that the contractor had been paid a total of Kshs.9,388,915 instead of Kshs.7,993,096 resulting to an overpayment of Kshs.1,395,819 which was not explained.

In the circumstances, the regularity of the overpaid amount of Kshs.1,395,819 could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are

in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal controls that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal controls components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

(a) All revenues relate to allocation from the NGCDF Board. The utilization of receipts stands at 75.1% because the NGCDFB has only released kshs 92,900,000 which represents 67.8% of the allocation for the year 2020/2021 and 59,367,724 in respect of 2019/2020 financial year.

- i. Compensation of employees has a utilization rate of 98.6% because the NGCDF Board has only disbursed 67.8% of the total funds relating to the financial year including 31% gratuity paid at the end of the contract period.
- ii. Use of goods and services comprise a utilization rate of 98.6% including 1,793,593 for financial year 2019/2020.
- iii. Transfers to other government units is at 50.8% because NGCDF Board has only disbursed 68% for the financial year 2020/2021 and an amount of 6,806,545 for the financial year 2019/2020.
- iv. Other grants of 44.5%. includes only 44.5% for the financial year 2020/2021 and 42,173,354 for 2019/2020 financial year.
- v. Acquisition of Assets of 98.9% relates to 98.9% allocation for 2020/2021 financial year and represents percentage completion of NGCDF building.
- vi. Other payments of 60% relates to unspent amounts of audit fees and last payment of strategic plan.

XI. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits (gratuity and retentions).

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-Kisumu East Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the entity for all the years presented.

a) Recognition of Receipts

The entity recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the Entity.

Transfers from the National Government Constituency Development Fund (NG-CDF)

Transfers from the NG-CDF to the constituency are recognized when cash is received in the Constituency account.

Proceeds from Sale of Assets

Proceeds from disposal of assets are recognized as and when cash is received in the constituency account.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from sale of tender documents, rent receipts, interest earned on bank balances, hire of Plant/Equipment/Facilities, Unutilized funds from PMCs among others.

Unutilized Funds from PMCs.

All unutilized funds of the Project Management Committee (PMC) are returned to the constituency account. Unutilized funds from PMCs are recognised as other receipts upon return to the constituency account.

External Assistance

External assistance refers to grants and loans received from local, multilateral and bilateral development partners. In the year under review there was no external assistance received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each constituency and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

5. In-kind contributions

In-kind contributions are donations that are made to the constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the constituency includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalent.

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, Deposits (gratuity and retentions) held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Gratuity earned on monthly is held on behalf of the employee and later paid at the end of the contract period. This is an enhancement to the cash accounting policy adopted by National Government Constituencies Development Fund as prescribed by PSASB. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the entity at the end of the financial year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest which is accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on 30 June 2020 for the period 1st July 2020 to 30th June 2021 as required by law. Included in the adjustments are Cash book opening balance, AIA generated during the year and constituency allocations not yet disbursed at the beginning of the financial year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2021.

14. Errors

Material prior period errors are corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa.
