CHAIRPERSON'S FORWARD

At a sitting of the Senate held on Thursday 22nd June, 2023, the Honourable Speaker of the Senate, reported to the Senate that a Petition had been submitted through the Clerk, by Nyandarua Integrated Internally Displaced Persons living in Nyandarua County concerning the delayed compensation and occupation of parcels of land allocated for their settlement between 2010 and 2013.

The Petitioners prayed that:

1. The Committee puts in place an elaborate and proper mechanism to give the mandate to the National Consultative Coordination Committee (NCCC) Board to enable it to accomplish its primary mandate as stipulated in the Prevention Protection and Assistance to Internally Displaced Persons and Affected Communities Act No. 56 of 2012.
2. The Committee recommends the release of the money awarded for compensation of the vetted Internally Displaced Persons (IDPs) since it is overdue as of 2017

Pursuant to standing order 238(1) and the Fourth Schedule to the Standing Orders of the Senate, the Petition was committed to the Standing Committee on Land, Environment and Natural Resources.

Pursuant to Articles 37 and 119(1) of the Constitution, section 5(2) of the Petition to Parliament (Procedure) Act and standing order 238(2) of the Senate Standing Orders, the Committee is mandated to consider the Petition and respond to the Petitioners within the prescribed period.

To facilitate a judicious disposal of the Petition, the Committee resolved to conduct an inquiry on the issues raised in the Petition. In this regard the Committee requested the Petitioners to submit written documents to elaborate further on the issues raised in the Petition and to supply supporting evidence on the same.

The Committee proceeded to seek responses from the Cabinet Secretary, Ministry of Lands, Public Works, Housing and Urban Development (MoLPWHUD), the Ministry of Interior and National Administration and from the Chairperson of the National Land

Commission (NLC), to address the issues raised in the Petition.

The Committee further proceeded to carry out a visit to the IDP Camps that have been mentioned in the Petition, met the Petitioners and the IDPs in the presence of the Local Administration.

Committee Observations

Prayer One:

The Committee puts in place elaborate and proper mechanism to give the mandate to the National Consultative Coordination Committee (NCCC) Board to enable it accomplish its primary mandate as stipulated in the Prevention Protection and Assistance to Internally Displaced Persons and Affected Communities Act No. 56 of 2012

The Committee observed that it is not necessary for the Ministry of Interior and National Administration to reconstitute the NCCC Board since the pending matters can be adequately addressed by the MoLPWHUD through regularizing the IDPS settlement in the demarcated pending farms and issue title deeds to the beneficiaries.

Prayer Two:

The Committee recommends the release of the money awarded for compensation of the vetted IDPs which is overdue since 2017.

The Committee observed that the Ministry of Interior and National Administration in its response indicated that all payments to integrated IDP's were done through the bank transactions and money disbursed through the Deputy County Commissioner's office was accounted for and returns made.

The Committee further observed that the Ministry didn't provide a list of the integrated IDPs who were paid from the money disbursed through the Deputy County Commissioner's office, to support their submission.

Prayer Three:

The Land, Environment and Natural Resources Committee effects the identification, recovery and settlement of the IDPs on the parcels of land bought through social trust fund for settling IDPs.

The Committee observed that the adjudication process of the purchased 36 and 45 farms in Nyandarua and Laikipia Counties respectively, for settlement of IDPs be finalized.

The Committee observed that in the MoLPWHUD's response, there is need to plan, survey, and demarcate the pending farms and issue title deeds to the beneficiaries.

Committee Recommendations

The Committee having investigated the matter in accordance with its mandate under the standing order 228(4) of the Senate Standing Orders recommends as follows -

1. That the MoLPWHUD finalizes the allocation of farms to the identified IDPs from the earlier purchased 36 and 45 farms in Nyandarua and Laikipia Counties respectively by 31st December, 2025;
2. That the Ministry of Interior and National Administration to provide a report with evidence on the bank transactions and money disbursed to all the IDPs within 30 days of this report being tabled in the Senate. The Ministry should therefore account for the integrated IDPs who were paid during the compensation process; and
3. That pending the resettlement of the IDPs, the County Government of Laikipia should ensure that the IDPs have access to clean Water and Sanitation facilities to help mitigate the spread of diseases.

ACKNOWLEDGEMENT

The Committee thanks the Offices of the Speaker of the Senate and the Clerk of the Senate for the support extended to the Committee in the execution of its mandate. The Committee further extends its appreciation to the Petitioners and the Ministry of Lands, Public Works, Housing and Urban Development, the Ministry of Interior and National Administration and the National Land Commission for their submissions and contribution to the resolution of this matter.

Mr. Speaker Sir,

It is now my pleasant duty and privilege, on behalf of the Committee, to present this Report of the Standing Committee on Land, Environment and Natural Resources on the Petition by the Nyandarua Integrated IDPs concerning delays in both compensation and occupation of parcels of land allocated for their settlement between 2010 and 2013.

Signed:

Date: 30 / 09 / 2025.

CHAIRPERSON,**

CHAPTER 1

INTRODUCTION

1. At the sitting of the Senate held on 22nd June, 2023, The Rt. Hon Speaker, reported to the Senate a Petition by the Nyandarua Integrated IDPs concerning delays in both compensation and occupation of parcels of land allocated for their settlement between 2010 and 2013.

Underlying Constitutional and Statutory Provisions

2. **Article 1(1) and (2)** of the Constitution, vests all sovereign power in the people of Kenya and shall be exercised only in accordance with the Constitution.
3. **Article 1(3) (a)** of the Constitution delegates sovereign power of the Constitution to, *inter alia*, Parliament and the legislative assemblies in the county governments.
4. **Article 37** of the Constitution provides that *every person has the right, peaceably and unarmed, to assemble, to demonstrate, to picket, and to present petitions to public authorities* while **Article 119(1)** of the Constitution provides that *“every person has a right to petition Parliament to consider any matter within its authority, including to enact, amend or repeal any legislation.”*
5. **Section 5(2)** of the Petition to Parliament (Procedure) Act, provides that *a petition that is tabled in Parliament under this Act shall be considered in accordance with the Standing Orders of the relevant House.*
6. **Article 39 & 40** of the Constitution of Kenya 2010 stipulates the right of every citizen to enter, remain in and reside anywhere in the country, and also the right to acquire and own property in any part of Kenya.
7. **Sessional Paper no.3 of 2009 on National Land Policy (Cap3)** provides that the government shall undertake an inventory of all genuine internally displaced persons. The policy includes specific provisions to ensure the resettlement and reintegration of IDPs. It emphasizes the need for restoring land and property rights to those who have been displaced and facilitating access to justice and compensation where

applicable.

8. **The Great Lakes Protocol on the Protection and assistance to Internally Displaced Persons** provides that the government shall address property-related issues, including restitution and compensation for lost or damaged property, which aims to facilitate the reintegration of IDPs by ensuring they can reclaim their land and homes or receive appropriate compensation if restitution is not possible.

The Petition

10. The petitioners are among victims of the 2007/2008 post-election violence, who were internally displaced after the 2007/2008 PEV. After the formation of the Grand Coalition Government, the Ministry of Special Programmes was tasked with the mandate of responding to the plight of the 663,921 IDPs.
11. The IDPs that were in designated camps such as Laikipia, Rumuruti, at Kianjogu, Muruku, Jericho, and Muhu farm were to be compensated monetarily in addition to allocation of land for settlement.
12. The Kenyan Government through the Ministry of Special Programs acquired parcels of land to settle the Internally Displaced Persons (IDPs) especially in Laikipia County which has been alienated and grabbed.
13. The IDPs were vetted and profiled to be genuine and were to benefit from the money that the Parliament of Kenya appropriated and budgeted for compensation which they have not received to date.

14. The Petitioners have made efforts to have the matters addressed by the Nyandarua County Assembly, the Laikipia County Assembly, the National Land Commission, the Ministry of Interior and National Administration, the State Department for Internal Security and National Administration, the National Consultative Coordination Committee (NCCC) of which all have failed to give satisfactory responses.

1.13 Background Facts of the Complaint

15. Many of the Nyandarua IDPs have struggled with inadequate resettlement efforts, often facing delays in receiving promised land and resources. This has left many families in temporary camps for extended periods, living in poor conditions without proper infrastructure.

16. The Nyandarua IDPs often lack access to essential services such as clean water, healthcare, education, and sanitation facilities. This deprivation exacerbates their vulnerability and hinders their ability to rebuild their lives.

17. Land allocation for resettlement is a contentious issue, with frequent disputes arising over land ownership and boundaries. This complicates the resettlement process and can lead to conflicts with local communities.

18. The displacement has disrupted their livelihoods, leading to significant economic hardship for the affected petitioners. Many of the IDPs struggle to find stable employment and lack the means to support their families adequately.

19. The trauma of displacement, coupled with ongoing economic uncertainty, has significant psychosocial impacts on the IDPs, including stress, anxiety, and depression. This affects both adults and children, with long-term consequences for their mental health and well-being.

20. Efforts to address these issues require coordinated action from government agencies, ministry state departments and stakeholders so as to find sustainable solutions and improve living conditions for the IDPs in Nyandarua County.
21. The petitioners have made efforts to have all the above matters addressed by relevant authorities all of which have failed to yield an amicable solution.
22. Currently there is no matter before courts, constitutional or legal body touching on the issue of resettlement and compensation of the Nyandarua IDPs.

The Petitioners prayed that:

23. The Committee puts in place an elaborate and proper mechanism to give the mandate to the NCCC Board to enable it to accomplish its primary mandate as stipulated in the Prevention Protection and Assistance to Internally Displaced Persons and Affected Communities Act No. 56 of 2012.
24. The Committee recommends the release of the money awarded for compensation of the vetted IDPs since it is overdue as of 2017.
25. The Land, Environment and Natural Resources Committee effects the identification, recovery and settlement of the IDPs on the parcels of land bought through a social trust fund for settling IDPs.

LEGAL BASIS FOR PETITIONS

26. Petitions to the Senate are governed by the Constitution, the Petition to Parliament (Procedure) Act, No. 22 of 2012 and the Senate Standing Orders.
27. **Article 37** of the Constitution provides that *every person has the right, peaceably and unarmed, to assemble, to demonstrate, to picket, and to present petitions to public authorities* while **Article 119(1)** of the Constitution provides that *“every person has a right to petition Parliament to consider any matter within its authority, including to enact, amend or repeal any legislation.”*
28. **Section 5(2)** of the Petition to Parliament (Procedure) Act, provides that *a petition that is tabled in Parliament under this Act shall be considered in accordance with the Standing Orders of the relevant House*. In this regard, standing order 238 of the Senate Standing Orders provides as follows-

30. Standing order 239 requires the Clerk to, within fifteen days of tabling of the report on a petition under Standing Order 238 (Committal of Petitions), submit a copy of the report to the petitioner or petitioners.

CHAPTER 2

CONSIDERATION OF THE PETITION

Approach taken by the Committee

31. In considering the Petition, the Committee observed that it would be important to verify the facts alleged in the Petition. The Committee therefore resolved to conduct an inquiry on the issues raised in the Petition.
32. In this regard the Committee received the Petition from the Petitioner through the House and further requested for written submissions and evidence from the Petitioners. The Committee further met the Petitioners during a site visit at the IDP camps in Laikipia County.
33. The Committee invited the Cabinet Secretary, Ministry of Lands Housing Public Works and Urban Development (MoLHPUD) and the Cabinet Secretary, Ministry of Interior and National Administration and the Chairperson, National Land Commission (NLC) who provided responses to the matters raised in the Petition.

Petitioners Submissions

34. Vide a letter REF: SEN/DSEC/LENR/3/2023(104) dated 2nd August, 2023, the Committee invited the Petitioners to physically appear before the Committee on Wednesday, 9th August, 2023. Further, the petitioners also submitted written submissions and evidence.
35. Evidence submitted includes;
 - a. A copy of various correspondences between the petitioners and the County government and the National Government Administration offices regarding the land issue.
 - b. A copy of the vetting of IDPs document showing the already vetted individuals who qualify for compensation; and

- c. During the County visit held on Friday, 30th May, 2025 the Petitioners were requested by the Committee to submit the names of the IDPs in the camp. *(the list is annexed as Annex I on the Petitioners submissions)*
- d. The office of the Clerk of the Senate received on 12th June, 2025, a document titled “ Kianjogu Jericho Muruku, in Slama IDPs, Jericho Camp, Laikipia County” pleadings on the current Petition. It contains details as to reasons why preference should be given to the Jericho Kianjogu Camp, Laikipia County.

Site visit to the IDP camps situated in Laikipia County

36. The Committee conducted the site visit to Nayndarua County and thereafter to where the IDP Camp is situated which is on the border of Nayndarua and Laikipia County. The specific location where they are located is in Muruku village, Kianjogu Ward, Laikipia County. The visit was conducted on Friday, 30th May 2025.
37. The Petitioners began by stating that despite persistently presenting their grievances to various government bodies, including Parliament, the Senate, county assemblies, regional commissioners, and ministries through written submissions, phone calls, personal visits, and communication through recognized proxies, their concerns remain unresolved.
38. Further, petitioners raised concerns that compensation funds approved by Parliament for vetted IDPs have not been disbursed. Despite being listed as legitimate beneficiaries in government databases, many IDPs have yet to receive these funds, which have been inexplicably withheld in banks since 2011. They went on to call for immediate re-establishment of the National Consultative Coordination Committee (NCCC), whose mandate lapsed in 2018. The NCCC, established under the 2012 Act of Parliament, was crucial in coordinating IDP affairs and needs to be operationalized again.
39. The Petitioners went on to state the following issues of concern-

1. Land Allocation Problems

Despite official claims by the Ministry of Interior that all IDP cases have been resolved, many internally displaced persons in Nyandarua and neighboring counties remain without land. Although the government allocated 36 parcels in Nyahururu (Nyandarua County) and 45 in Laikipia County, a lack of funding has stalled the distribution process. The petitioners stress that these land parcels, acquired by the government years ago, must be urgently allocated to deserving IDPs.

2. Dire Living Conditions

IDPs in the affected camps are living under deplorable conditions. Sanitation is severely inadequate, with poor waste disposal and lack of facilities. Clean water is scarce, exacerbating health risks. Food insecurity is rampant, leading to widespread hunger and malnutrition. Shelter remains substandard, with many families surviving in makeshift or dilapidated housing structures.

3. Educational Barriers

While there is a primary school within the camp, it lacks the necessary infrastructure and learning materials to function effectively. The secondary school also suffers from resource constraints. Children are struggling academically due to hunger, poor health, and the stress of unstable living conditions—factors that severely hinder their ability to focus and learn.

4. Security Threats

The camp is located in an area frequented by wild elephants, posing a constant threat to residents' safety. Additionally, local police posts are ill-equipped, lacking proper communication tools to respond to emergencies. The remoteness of the area further complicates timely intervention, especially at night, leaving residents vulnerable to both wildlife and potential criminal threats.

5. Economic Struggles

Livelihood opportunities for IDPs are extremely limited. Most earn an average of only 200 shillings per day through casual labor, if available at all. With markets and shops located several kilometers away, accessing basic goods is a major challenge. The community remains heavily dependent on sporadic government support and aid from NGOs, with no sustainable income-generating options in place.

Below is a pictorial representation of the Committee's observation during the visit.

Figure I: The arrival of the Committee led by the Committee Chairperson, Sen. Mohamed Faki, CBS, MP, and received by the Local Administration.

Figure II: The deplorable living conditions that the IDPs currently reside in at the

Salama camp. There were no visible sanitary services i.e. Toilets and a source of water.

Figure III: School going children who are forced to walk long distances to get school and Residents following as the deliberations ensued.

From the site visit the Committee observed as follows –

1. That indeed there were IDP camps that were still in existence;
2. That there were no sanitation services;
3. There was no access to water and special amenities within close proximity of the camps;
4. The road leading to the camp was in a poor state.

Responses by the Cabinet Secretary, Ministry of Lands Housing Public Works and Urban Development

40. Vide Letter REF: SEN/DSEC/DPEAC/LENR/2024(2)(14), dated 12th March, 2024, the Committee invited the Cabinet Secretary to respond to Statements and Petitions and proceeded to admit written responses with a rider to seek for further clarification should the submissions be insufficient.

The Ministry of Lands responded as follows:

Background

The resettlement programme for the Internally Displaced Persons (IDPs) in Nyandarua and Laikipia Counties commenced on 20th October, 2009 following a Presidential Directive of 25th September, 2009. The exercise aimed at resettling six thousand, nine hundred and seventy-eight (6,978) IDP families living in the 20 tented IDP camps situated in the former Rift Valley and Central Provinces and profiled by the former Ministry of State for Special Programmes, bringing the total number of IDPs to be resettled to 9,571.

Institutional arrangement

The resettlement programme was coordinated by a Committee of Permanent Secretaries chaired by the Secretary to the Cabinet and Head of Public Service. The Committee comprised the following former Ministries; Provincial Administration and Internal Security, Lands, Special Programmes, Finance, Agriculture, Water & Irrigation, Roads, Education, Public Health & Sanitation and Forestry & Wildlife.

The role of the Committee was to provide policy guidance on the resettlement programme. Initially, the exercise was carried out under an Inter-Ministerial Technical Committee on Resettlement of IDPs. It was later converted into a Task force by the Secretary to the Cabinet and Head of Public Service on December 19, 2012 to fast track the resettlement programme of IDPs and Forest Evictees. The Members of the Taskforce were mandated to inspect and assess suitability of land offered for sale to Government and make recommendations for purchase.

The role of the Ministry of Lands in the resettlement programme was to value, purchase, plan and survey land for the Internally Displaced Persons (IDPS) and Forest Evictees already profiled.

The profiling and placement of IDPs on these farms was the Mandate of the Ministry of Devolution and Planning (Former Ministry of State for Special Programmes). They also set up and managed the IDP Camps from there they would organize and transport them to the purchased farms for resettlement. The then Ministry of State for Special Programmes would identify and determine which IDPs would be placed on which farm.

Allocation of Land to the IDP and Forest Evictee Households

Balloting was undertaken as a means of assigning farm and residential plots to IDP and Forest Evictee Households. The approach of balloting was adopted as a way of ensuring transparency and fairness in assigning farm and residential plots to IDPs and Forest Evictees. During balloting most of the information of the beneficiary is captured such as Name of beneficiary; ID No, Gender; Age; Household size; Plot No. In addition, a passport size photo of the individual is taken. This information is used when preparing the Title Deed for the beneficiary.

Shift of Government Policy on Land Purchase

In August, 2013, the Government issued an executive Order that land purchase for the resettlement exercise be stopped forthwith and a cash payment program be adopted. The number of IDPs and Forest Evictees who had been resettled by the time the directive was issued was 6,656 and 1,124 respectively leaving a balance of 969 IDPs and 5,983 Forest Evictees to be given cash in lieu of allocation of Government Land.

According to the Prevention, Protection and Assistance of Internally Displaced Persons (IDPs) and Affected Communities Act 2012, the responsibility over IDP matters was given to the National Consultative Coordinating Committee (NCCC).

Forthwith, the Mandate to profile the integrated IDPs and determination of how their issues are addressed is executed by the NCCC board. The Ministry of Lands, Public Works, Housing and Urban Development is a member of the Committee.

The program for compensating IDPs and Forest Evictees who were living in camps through cash payments by the National Consultative Coordinating Committee was completed in 2016. The NCCC remained with the task of profiling and compensating the integrated IDPs and Forest Evictees throughout the Country.

This and several other groups of integrated IDPs have made many petitions to various Government Ministries and Agencies requesting for resettlement.

Notwithstanding the enactment of the Prevention, Protection, and Assistance of Internally Displaced Persons and Affected Communities Act 2012, this Category of IDPs have not been compensated. According to this Act the Mandate of the profiling and compensation of the IDPs was transferred to the National Consultative and Coordination Committee on internally displaced Persons (NCCC). In the year 2016, the NCCC profiled 83,550 PEV integrated IDPs and started a compensation program. The petitioning group may be among those who had been profiled.

However, upon the expiry of the NCCC board term, it was not renewed and its records were handed over to the Ministry of Interior and National Administration. The compensation figures paid at different times was for different purposes, but not discriminatory as alleged by the petitioners. The amounts of Kshs. 10,000, 25,000 and 50,000 were paid immediately after the 2007/2008 post-election violence to assist the IDPs in the camps who wanted to return back to their homes commonly known Operation Rudi Nyumbani.

The Kshs. 400,000/= was given to the IDPs who forfeited allocation of land in lieu of cash payment. Later because of lack of funds the cash payment was reduced to Kshs. 200,000/=

Information on the compensation money in bank accounts that the vetted IDPs were awarded can only be provided by Special Programs under the State Department for Devolution.

The Government purchased 36 and 45 farms in Nyandarua and Laikipia Counties respectively, for settlement of IDPs. All that land was allocated through balloting. Due to lack of funds, the land is yet to be planned, surveyed and demarcated in order to regularize ownership. The Ministry has prepared a budget and once funds are availed the exercise will commence. Annexure 13 is a copy of the 36 farms purchased in Laikipia County.

The Ministry has not received any complaints on the alleged grabbing of land allocated to IDPs.

41. Vide Letter REF: SEN/DSEC/DPEAC/LENR/2025(3)(166), dated 8th May, 2025, the Committee invited the Cabinet Secretary to respond to Petitions on Thursday, 15th May, 2025 and appeared before the Committee on Thursday, 22nd July, 2025 to provide supplementary information on the following areas:

- a) The land survey for the settlement of the IDPs;
- b) Status of sub-division of the land allocated for settlement of IDPs;
- c) The budget required to settle the IDPs being referred to in this Petition; and
- d) Total amount of money used to settle IDPs to date.

The Ministry further responded as follows;

That the presence of IDPS in Kenya was as a result of post-election violence following the disputed General Elections in 2007. The resettlement program for the (IDPs) commenced in 2009 following a Presidential Directive. The government purchased farms for resettlement of IDPS. Before settling the IDPs the purchased farms were

planned, demarcated and surveyed by the Ministry. However, some IDPs were allocated and settled on farms which were unplanned and un-surveyed with an intention of implementing the exercise later, which has not been done to date. **Annexure 13 of the Ministry's response** is a copy of the parcels of lands in Laikipia and Nyandarua counties that are settled and require planning, demarcation, survey and issuance of title deeds.

In August, 2013 the Government Shifted the Policy of purchase of land and adopted the cash payment. The number of IDPs who had been resettled by the time the new directive was issued was 6,656 households. The program for compensating IDPs who were living in camps through cash payments by the National Consultative Coordinating Committee was completed in 2016.

Additionally, to regularize the IDPS settled in their farms, there is need to plan, survey, and demarcate the pending farms and issue title deeds to the beneficiaries requires Ksh. 25,946,900/=. **Annexure 14** is a copy of the budget. To date, the government has spent KShs. 7,600,815,359.00 on resettlement of the Internally Displaced Persons countrywide.

Responses by the Cabinet Secretary, Ministry of Interior and National Administration

The Ministry responded as follows:

1. The National Consultative Coordination Committee on internally displaced persons is created under section 12(1) of the Prevention Protection and Assistance to Internally Displaced Persons and Affected Communities Act (no.56 of 2012). The committee is domiciled in the Ministry of interior and national administration, and among its functions is to protect and assist internally displaced persons. The ministry is in process of constituting the committee. Under section 12(30)(a) of the Act, the Chairperson of the committee is to be appointed by His Excellency the President.

2. All Genuine IDP's as profiled in the government register were allocated land and the matter settled.
3. The office is not aware of any grabbed parcels as alleged by the petitioners. The petitioners are therefore urged to report to the authorities on any land that was grabbed for appropriate action to be taken.
4. Payments to integrated IDP's was done through the bank while money disbursed through the Deputy County Commissioner's office was accounted for and returns made. The Ministry therefore is not aware of any money that is lying idle in the banks.

ISSUES FOR CONSIDERATION

- I). *Whether it is necessary to reconstitute the National Consultative Coordination Committee (NCCC) Board to look into such claims to enable resettlement and compensation of the IDPs as in the aforementioned Petition*

The petitioners submitted evidence as follows:

The Petitioners submitted that the NCCC Board has not been able to offer a solution on their resettlement and compensation since the committee lacks the mandate as stipulated in the Prevention Protection and Assistance to Internally Displaced Persons and Affected Communities Act No. 56 of 2012.

The MoLPWHUD responded as follows:

According to the Prevention, Protection and Assistance of Internally Displaced Persons (IDPs) and Affected Communities Act 2012, the responsibility over IDP matters was given to the National Consultative Coordinating Committee (NCCC).

Forthwith, the Mandate to profile the integrated IDPs and determination of how their issues are addressed is executed by the NCCC board. The Ministry of Lands, Public Works, Housing and Urban Development is a member of the Committee (MoLPWHUD).

The program for compensating IDPs and Forest Evictees who were living in camps through cash payments by the National Consultative Coordinating Committee was completed in 2016. The NCCC remained with the task of profiling and compensating the integrated IDPs and Forest Evictees throughout the Country.

This and several other groups of integrated IDPs have made many petitions to various Government Ministries and Agencies requesting for resettlement.

Notwithstanding the enactment of the Prevention, Protection, and Assistance of Internally Displaced Persons and Affected Communities Act 2012, this Category of

IDPs have not been compensated. According to this Act the Mandate of the profiling and compensation of the IDPs was transferred to the National Consultative and Coordination Committee on internally displaced Persons (NCCC). In the year 2016, the NCCC profiled 83,550 PEV integrated IDPs and started a compensation program. The petitioning group may be among those who had been profiled.

However, upon the expiry of the NCCC board term, it was not renewed and its records were handed over to the Ministry of Interior and National Administration.

Ministry of Interior and National Administration responded as follows:

The National Consultative Coordination Committee (NCCC) Board on internally displaced persons is created under section 12(1) of the Prevention Protection and Assistance to Internally Displaced Persons and Affected Communities Act (no.56 of 2012). The committee is domiciled in the Ministry of interior and national administration, and among its functions is to protect and assist internally displaced persons. The ministry is in process of constituting the committee. Under section 12(30)(a) of the Act, the Chairperson of the committee is to be appointed by His Excellency the President.

Committee Observation

The Committee observed that there is no need to reconstitute the NCCC Board since the remainder of the matters to be addressed can be cleared jointly by the Ministry of Interior and National Administration together with the MoLPWHUD.

II) Whether justice was given to the IDPs in terms of the alleged disbursement of compensation of Kshs. 400,000, Kshs. 200,000, Kshs. 150,000, Kshs. 100,000, Kshs. 50,000, Kshs. 25,000 and others Kshs. 10,000 per household:

The petitioners submitted evidence as follows:

There was bias in the distribution of the disbursement of compensation of Kshs. 400,000, Kshs. 200,000, Kshs. 150,000, Kshs. 100,000, Kshs. 50,000, Kshs. 25,000 and

others Kshs. 10,000 per household. The Petitioner alleged that the government allocated money for compensation of the already vetted IDPs, which was never released since 2017.

The MoLPWHUD responded as follows:

The compensation figures paid at different times was for different purposes, but not discriminatory as alleged by the petitioners. The amounts of Kshs. 10,000, 25,000 and 50,000 were paid immediately after the 2007/2008 post-election violence to assist the IDPs in the camps who wanted to return back to their homes commonly known Operation Rudi Nyumbani.

The Kshs. 400,000/= was given to the IDPs who forfeited allocation of land in lieu of cash payment. Later because of lack of funds the cash payment was reduced to Kshs. 200,000/=

Information on the compensation money in bank accounts that the vetted IDPs were awarded can only be provided by Special Programs under the State Department for Devolution.

Ministry of Interior and National Administration responded as follows:

Payments to integrated IDP's was done through the bank while money disbursed through the Deputy County Commissioner's office was accounted for and returns made. The Ministry therefore is not aware of any money that is lying idle in the banks.

Committee Observation

The committee observed that lack of funds cannot justify the reduction of an earlier approved allocation of Kshs. 400,000 to Kshs. 200,000 for the IDPs and that proper valuation should have been done and the justified amounts paid to the IDPS.

III) Whether there were any parcels of land bought through social trust fund for settling IDPs

The petitioner submitted evidence as follows:

 Senate Standing Committee on Land, Environment & Natural Resources

The Petitioner claimed that the government had bought land for resettlement of IDPs through the social trust fund, of which the identification, recovery and resettlement was not implemented.

That the multiple hundreds and hundreds parcels of land especially in Laikipia County as well as other counties and especially those bought during the reign of the former Minister for Special Programs, Hon. Esther Murugi and that the land having been alienated and grabbed be recovered after identification since they were solely bought as Social Trust Fund (STF Land) according to the lands Registry Records. After completion of the recovery these land parcels be given to the IDPs beneficiaries.

The MoLPWHUD responded as follows

The Government purchased 36 and 45 farms in Nyandarua and Laikipia Counties respectively, for settlement of IDPs. All that land was allocated through balloting. Due to lack of funds, the land is yet to be planned, surveyed and demarcated in order to regularize ownership. The Ministry has prepared a budget and once funds are availed the exercise will commence. Annexure 13 is a copy of the 36 farms purchased in Laikipia County.

Ministry of Interior and National Administration responded as follows:

All Genuine IDP's as profiled in the government register were allocated land and the matter settled and that the Ministry is not aware of any grabbed parcels as alleged by the petitioners. The petitioners are therefore urged to report to the authorities on any land that was grabbed for appropriate action to be taken.

Committee Observation

The Committee observes that there were parcels of land that were purchased and what is pending is the planning, surveying and demarcating of the already purchased land.

CHAPTER 3

COMMITTEE OBSERVATIONS

Prayer One:

That the Committee puts in place elaborate and proper mechanism to give the mandate to the NCCC Board to enable it accomplish its primary mandate as stipulated in the Prevention Protection and Assistance to Internally Displaced Persons and Affected Communities Act No. 56 of 2012

The Committee observed that it is not necessary for the Ministry of Interior and National Administration to reconstitute the NCCC Board since the pending matters can be adequately addressed by the MoLPWHUD through regularizing the IDPS settlement in the demarcated pending farms and issue title deeds to the beneficiaries.

Prayer Two:

That the Committee recommends the release of the money awarded for compensation of the vetted IDPs which is overdue since 2017.

The Committee observed that the Ministry of Interior and National Administration in its response indicated that all payments to integrated IDP's were done through the bank transactions and money disbursed through the Deputy County Commissioner's office was accounted for and returns made.

The Committee further observed that the Ministry didn't provide a list of the integrated IDPs who were paid from the money disbursed through the Deputy County Commissioner's office, to support their submission.

Prayer Three:

The Land, Environment and Natural Resources Committee effects the identification, recovery and settlement of the IDPs on the parcels of land bought through social trust fund for settling IDPs.

The Committee observed that this is the position and that MoLPWHUD needs to plan, survey, and demarcate the pending farms and issue title deeds to the beneficiaries.

CHAPTER 6

COMMITTEE RECOMMENDATIONS

The Committee having investigated the matter in accordance with its mandate under the standing order 228(4) of the Senate Standing Orders recommends as follows –

1. That the MoLPWHUD finalizes the allocation of farms to the identified IDPs from the earlier purchased 36 and 45 farms in Nyandarua and Laikipia Counties respectively by 31st December, 2025;
2. That the Ministry of Interior and National Administration to provide a report with evidence on the bank transactions and money disbursed to all the IDPs within 30 days of this report being tabled in the Senate. The Ministry should therefore account for the integrated IDPs who were paid during the compensation process; and
3. That pending the resettlement of the IDPs, the County Government of Laikipia should ensure that the IDPs have access to clean Water and Sanitation facilities to help mitigate the spread of diseases.

MATTERS ARISING

There were no matters arising.

MINUTE SEN/LENR/384/2025:

**MEETING WITH CABINET SECRETARY,
MINISTRY OF LANDS, PUBLIC WORKS,
HOUSING AND URBAN DEVELOPMENT**

1. Petition on Historical Injustices – L.R. No. 12825, Kiambu County

Petition Summary: The Mbari ya Mbogo family claims that their ancestral land was illegally alienated, citing violations of land laws and irregularities in past survey and registration processes. They allege that the National Land Commission (NLC) conducted a biased and improperly concluded hearing and demand that the land be returned, development halted, and compensation awarded.

Ministry Response: The Ministry acknowledged the concerns raised but clarified that matters relating to historical land injustices fall under the constitutional mandate of the NLC pursuant to Article 67(2) (e) of the Constitution and the National Land Commission Act. As such, the Ministry referred the petitioners to the NLC for further action and determination.

2. Petition by Marungu Residents – Mwanda/Mgange Ward, Taita Taveta

Petition Summary: Petitioners alleged irregular allocation of 1,000 acres of trust land to the Holy Rosary Catholic Church, beyond an initially agreed 75 acres. They claim the demarcation lacked proper community consultation and suspect manipulation during a water project exercise.

Ministry Response: The Ministry presented documentary evidence showing legal allocation through the then County Council of Taita Taveta, including minutes, consent by the Land Control Board, and gazette notices. The allocation was formalized with a lease issued to the Catholic Archdiocese of Mombasa. The land was categorized as private in 2020, rendering it unavailable for adjudication. The Ministry maintained the allocation followed due process under the Trust Land Act (Cap. 288).

3. Petition on Landlessness in Muthanthara, Embu County

Petition Summary: Residents of Muthanthara village reported they have lived on the land since independence but lack title deeds and face threats of eviction. They seek recognition, protection from harassment, and declaration of the area as an adjudication section.

Ministry Response: The Ministry stated that Muthanthara is part of the Kamarandi Registration Section, which was declared in 1972, demarcated, and adjudicated by 1982. The adjudication register was finalized and registered in 1987. All disputes were addressed within the legal timelines. As the law does not allow re-declaration of adjudication sections, the Ministry cannot restart the process. However, it committed to conducting ground verification to identify affected individuals and reconcile occupancy with titles issued.

4. Petition on Alienated Land for Kisii Agricultural Institute and FTC

Petition Summary: Residents allege that land originally allocated to KALRO and the Kisii FTC in 1963 exceeded the lease terms and was never returned. They also claimed non-use of much of the land and lack of compensation to the original owners.

Ministry Response: The Ministry emphasized that compensation and historical land injustice matters fall within the purview of the NLC. It advised the petitioners to pursue their claims through the Commission, which has the constitutional authority to investigate and recommend compensation or redress for historical grievances.

5. Petition on Land Ownership Disputes in Mombasa County

Petition Summary: Long-term tenants residing on various parcels in Mombasa County alleged exploitation by absentee landlords, lack of legal leases, and denial of tenancy rights. They requested lease agreements, policy clarity, and a pathway to land ownership.

Ministry Response: The Ministry pointed to the NLC as the appropriate forum for these matters. They acknowledged the complex historical land issues in the coastal region and encouraged the petitioners to engage with the Commission for redress, policy reform, and investigation.

6. Petition on Mwananchi Settlement Scheme – Mwatate, Taita Taveta

Petition Summary: Residents raised alarm over a recent court ruling that awarded the land (L.R. No. 12924) to a third party, threatening the tenure of over 1,300 beneficiaries who were settled on the land by the government and issued titles.

Ministry Response: The Ministry informed the Committee that it has lodged a civil appeal against the judgment delivered by the Voi Environment and Land Court on 18th October 2024. It assured the Committee that the appeal is active and that the Ministry will pursue all legal avenues to safeguard the rights of the beneficiaries pending the outcome.

7. Petition on Land Disputes – Olderkesi, Narok West

Petition Summary: Community members complained of irregular land allocation during subdivision of Olderkesi Adjudication Section, including exclusion of original members and unaccounted leases to a conservancy investor, Mr. Calvince Cottars.

Ministry Response: The Ministry outlined that Olderkesi was lawfully declared an adjudication section in 2010. A notice of register completion was issued and inspection was open for 60 days as required. No objections were formally lodged. Over 6,600 titles have already been issued out of the expected 7,818. On the conservancy matter, the Ministry stated it was not party to the private lease agreement, which should be handled by the conservancy committee. Legal remedies are available under the Land Adjudication Act.

8. Petition on Korogocho Evictions – Nairobi River Corridor

Petition Summary: The Korogocho Community Forum raised issues over evictions following the Nairobi River Corridor's designation as a Special Planning Area, citing lack of public participation, intimidation, and inadequate compensation.

Ministry Response: The Ministry clarified that planning, designation, and eviction decisions within Nairobi fall under the Nairobi City County Government. As such, the county is best placed to respond to the concerns raised, though the Ministry encouraged due process and adherence to the Constitution in all actions.

9. Petition on Public Land Grabbing – Kithima, Meru County

Petition Summary: Petitioners allege that three parcels of public land earmarked for a dispensary, primary, and secondary school have been illegally occupied by private entities.

Ministry Response: The Ministry confirmed that all three parcels—Kiirua/Nkando 704, 702, and 690—are registered in the name of the County Council of Meru for public use and have no encumbrances. The records show clear ownership, and any illegal occupation can be addressed through legal eviction mechanisms.

10. Petition by Nyandarua IDPs – Delayed Compensation and Survey

Petition Summary: Internally Displaced Persons (IDPs) in Nyandarua County petitioned the Senate over delays in compensation, issuance of title deeds, and lack of survey on farms settled between 2010–2013. They also cited frozen funds in banks.

Ministry Response: The Ministry reported that while some farms were planned and surveyed, others were not, and regularization is pending. A budget of Ksh. 25.9 million is required to finalize planning and issuance of title deeds for these farms. It noted that over Ksh. 7.6 billion has already been spent nationwide on IDP resettlement, and that the government ceased land purchase for IDPs in 2013 in favor of cash payouts. The Ministry committed to completing the pending exercises subject to budget availability.

On concluding the Committee took note of the Ministry's responses and acknowledged areas requiring further follow-up, particularly with the National Land Commission, county governments, and courts. The Ministry was commended for its cooperation and commitment to stakeholder engagement and resolution of land grievances.

Further, the Committee resolved to-

- i. Share records in Committee possession regarding *the Petition regarding the plight of the landless in Muthanthara, Embu County* to assist the Ministry of Lands to

- review the issues raised by the Petitioners before embarking on a site visit for further data collection;
- ii. Have land records regarding *the Petition on delayed allocation of alternative land by way of re-settlement or compensation for the ancestral land that was alienated by the Government of Kenya for creation of Kisii Agricultural Institute and Kisii Farmers Training Center* sent to the Committee within seven (7) days;
 - iii. Have Ministry of Lands to share the list of beneficiaries who recently received titled deeds in the *Petition concerning land injustices against community members living in Olderkesi, Narok West Constituency of Narok County* within seven (7) days;
 - iv. Give the Ministry of Lands a grace period of 6 months to effect the commitment they made on resettling of the Nyandarua/Laikipia IDPS on land already procured within this FY 2025/2026 and report back to the Committee; and
 - v. Send out a summon to the Chairperson, National Land Commission after having not honored a number of invitations by the Committee.

CONSIDERATION OF THE DRAFT REPORT ON PETITION BY MARUNGU RESIDENTS WITHIN MGHANGE MWANDA WARD, TAITA TAVETA COUNTY ON THE ALLEGED THREATENED EVICTION FROM THEIR ANCESTRAL LAND BY MGHANGE CATHOLIC PARISH

The committee reviewed the draft report on the petition that came from residents of Marungu within Mghange Mwanda Ward in Taita Taveta County, who alleged that the Holy Rosary Catholic Church had wrongfully claimed 1,000 acres of their ancestral land. The Committee found that the Church had initially been allocated 75 acres, but later received a title deed for 1,000 acres. The Committee was concerned with the process and whether community consent was obtained.

The key recommendation upon completion of consideration of the above Petition was that the National Land Commission commences the process of identifying whether there were any cases of historical injustices meted on Marungu Residents from Mghange, Mwanda Ward, in Taita-Taveta County and should there be any investigations be done and a report tabled in the Senate within six (6) months of the tabling of this report in the Senate

The Committee resolved to-

1. Invite the Petitioner on the above Petition regarding the issue of land allocation from 75 acres to 100 acres to appear before the Committee on Tuesday 29th July, 2025; and
2. Send a letter to the National Land Commission requesting clarification on the conditions of the land transfer from Trust Land to private land when they appear before the Committee on Tuesday, 22nd July, 2025.

MINUTE SEN/LENR/343/2025

MEETING WITH PETITIONERS ON
PETITION BY NYANDARUA IDPS ON
DELAYED COMPENSATION AND
OCCUPATION OF PARCELS OF LAND
BOUGHT FOR THEIR SETTLEMENT
BETWEEN 2010 AND 2013

The Petitioners began by stating that despite persistently presenting their grievances to various government bodies, including Parliament, the Senate, county assemblies, regional commissioners, and ministries through written submissions, phone calls, personal visits, and communication through recognized proxies, their concerns remain unresolved.

Further, petitioners raised concerns that compensation funds approved by Parliament for vetted IDPs have not been disbursed. Despite being listed as legitimate beneficiaries in government databases, many IDPs have yet to receive these funds, which have been inexplicably withheld in banks since 2011. They went on to call for immediate re-establishment of the National Consultative Coordination Committee (NCCC), whose mandate lapsed in 2018. The NCCC, established under the 2012 Act of Parliament, was crucial in coordinating IDP affairs and needs to be operationalized again.

The Petitioners went on to state the following issues of concern-

1. Land Allocation Problems

Despite official claims by the Ministry of Interior that all IDP cases have been resolved, many internally displaced persons in Nyandarua and neighboring counties remain without land. Although the government allocated 36 parcels in Nyahururu (Nyandarua County) and 45 in Laikipia County, a lack of funding has stalled the distribution process. The petitioners stress that these land parcels, acquired by the government years ago, must be urgently allocated to deserving IDPs.

2. Dire Living Conditions

IDPs in the affected camps are living under deplorable conditions. Sanitation is severely inadequate, with poor waste disposal and lack of facilities. Clean water is scarce, exacerbating health risks. Food insecurity is rampant, leading to widespread hunger and malnutrition. Shelter remains substandard, with many families surviving in makeshift or dilapidated housing structures.

3. Educational Barriers

While there is a primary school within the camp, it lacks the necessary infrastructure and learning materials to function effectively. The secondary school also suffers from resource constraints. Children are struggling academically due to hunger, poor health, and the stress of unstable living conditions—factors that severely hinder their ability to focus and learn.

4. Security Threats

The camp is located in an area frequented by wild elephants, posing a constant threat to residents' safety. Additionally, local police posts are ill-equipped, lacking proper communication tools to respond to emergencies. The remoteness of the area further complicates timely intervention, especially at night, leaving residents vulnerable to both wildlife and potential criminal threats.

5. Economic Struggles

Livelihood opportunities for IDPs are extremely limited. Most earn an average of only 200 shillings per day through casual labor, if available at all. With markets and shops located several kilometers away, accessing basic goods is a major challenge. The community remains heavily dependent on sporadic government support and aid from NGOs, with no sustainable income-generating options in place.

Members acknowledge the deplorable living conditions the IDPs have been living under and thus resolved the following to-

- i. Press government for immediate allocation of the 36 and 45 available land parcels;
- ii. Work with the area Senator and County Government in order to look at ways of providing water infrastructure;
- iii. Engage the Senate Standing Committee on Education regarding the school infrastructure; and
- iv. Follow up on the IDP Act 2012 which was identified as the key legal framework that needs full implementation.

MINUTE SEN/LENR/237/2025

MEETING WITH THE CABINET SECRETARY, MINISTRY OF INTERIOR AND NATIONAL ADMINISTRATION AND THE CHAIRPERSON, NATIONAL LAND COMMISSION TO DELIBERATE ON VARIOUS STATEMENTS AND PETITIONS (*Committee paper 21*)

The Committee was in receipt of a letter Ref: NLC/7/13/14 dated 28th March, 2025 from the Chairperson, National Land Commission requesting for postponement of the scheduled meeting to Thursday, 24th April, 2025 to allow the Commission ample time to gather information and prepare comprehensive responses to the matters raised by the Committee.

The Committee deliberated on the matter and noted with concern that this was not the first time the Commission had asked for postponement and further they had sent the request on the day of the scheduled meeting thus affecting the agenda of the meeting as earlier communicated.

The Chairperson then invited the Cabinet Secretary, Ministry to respond to the following three (3) Statements and a Petition-

- i. Statement sought by Sen. (Dr.) Lelegwe Ltumbesi, CBS, MP, regarding acquisition of part of L.R. No. Samburu/EastWaso/1 in Samburu County by the National Government;
- ii. Statement sought by Sen. Shakilla Abdalla, MP, regarding the state of affairs at Witu Nyangoro ranch in Lamu County;
- iii. Statement sought by Sen. Johnes Mwaruma, MP, regarding disregard of the conditions of allotment of Msambweni community land to Bata Shoe Company; and
- iv. The Petition by Nyandarua IDPs on delayed compensation and occupation of parcels of land bought for their settlement between 2010 and 2013.

A. Statement regarding acquisition of part of L.R. No. Samburu/EastWaso/1 in Samburu County by the National Government

The Cabinet Secretary began by stating that through gazette notice no. 4055 dated 25th March, 2024 the National Land Commission expressed its intention to acquire part of the aforementioned land on behalf of the Ministry for the development of security infrastructure and training facilities. Due to the level of huge investments in infrastructure by the Government for nearly 10 years it proved unsustainable to continue leasing. KDF has the ownership of 36Ha that they currently occupy that is not under lease.

On the issues regarding the criteria and guidelines used by the National Land Commission, the mapping out and valuation of the proposed land for acquisition by NLC, public participation and the criteria proposed to be used by the NLC in assessing the value of the Community land, the Cabinet Secretary stated that the Commission was better placed to provide comprehensive responses.

The Senator who sought the Statement stated that the responses given were unsatisfactory as they did not address the socio-economic needs of the Community leasing the land and a lack of public participation where a large number are illiterate thus could not be aware of the long term impacts of their land being taken away. He further reiterated of the need of the presence of NLC to the meeting to respond to matters arising. He implored the Committee to invite the Chairperson, National Land Commission and the Cabinet Secretary for a joint meeting at a later date.

The Losesia Community Land Members present in the meeting questioned the unilateral decision of the National Land Commission in increasing the acreage to be compulsorily from the Initial 2,183 in Gazette Notice No. 4055 of 2024 acres to 4, 675.84 HA vide Gazette No. 16985.

Further they raised concerns that they had already allocated 36HA of their community land to the KDF as a Military training area and a further 60Ha to conservation (Sera Wildlife Conservancy).

Thus the opposition to the acquisition, however, they stated that they were open to re-negotiating the already subsisting lease with the government.

B. Statement regarding the state of affairs at Witu Nyangoro ranch in Lamu County

The Cabinet Secretary, informed the meeting that the management at Witu Nyangoro Ranch Co Ltd indicate that they were given allotment letter in 1971 by the Government for conservation efforts (wildlife) and as grazing/holding grounds for their livestock. However, Squatters invaded the land from the year 2015 and apportioned themselves parcels of land without the consent of the rightful owners and temporary structures.

Following the invasion by squatters, both management committee of the ranch and the squatters sought legal redress and various court cases ensued determining that the ranch rightfully belong to Nyangoro Ranch Limited and issued an eviction order. However, following assessments by the Sub-County Security Committee on the likely impact of eviction, it was observed that the execution would have socio-economic impact.

The Senator who sought the Statement found the response unsatisfactory as it didn't provide a solution on how the true owners of the land could occupy it as was ruled by the courts. Further, she stated that the socio-economic effects should not counter the place of order and thus the Ministry should ensure enforcement of the eviction notice.

On further deliberations the Committee resolved that-

- i. The Cabinet Secretary, Ministry of Interior and National Administration ensures there is a representative from the Ministry to the meeting scheduled to engage the National Land Commission on the Statement sought by Sen. (Dr). Lelegwe Ltumbesi, CBS, MP on the acquisition of Part of L.R. No. Samburu/ East Waso/1 in Samburu Country by the National Government;
- ii. Further, the Cabinet Secretary to engage with the settlers at the Witu Nyangoro Ranch in Lamu County on a Statement sought by Sen. Shakilla Abdalla, MP on his next visit to Lamu County and share a report with the Committee in a month's time; and
- iii. The Chairperson, National Land Commission be informed of the Committee's displeasure on their last minute cancellations of invitations to Committee meetings thus causing delays on the completion of critical legislative business before the Committee.

MINUTE SEN/LENR/LENR/238/2025

ANY OTHER BUSINESS

The meeting was informed of letters from the Cabinet Secretaries, Ministry of Lands, Public Works, Housing and Urban Development and Ministry of Environment, Climate Change and Forestry extending their apologies as they won't be able to attend due to conflicting official engagements. The Committee resolved that the induction retreat should proceed as earlier scheduled for 3rd to 7th April, 2025 as they would be conducting other legislative business.

MINUTE SEN/LENR/105/2024:

PRELIMINARIES

The Chair called the meeting to order at 2.05 pm. This was followed by a word of prayer.

MINUTE SEN/LENR/106/2024: CONSIDERATION OF THE DRAFT REPORT ON THE PETITION BY NYANDARUA IDPS ON DELAYED COMPENSATION AND OCCUPATION OF PARCELS OF LAND BOUGHT FOR THEIR SETTLEMENT BETWEEN 2010 AND 2013.

The Secretariat took the Members through the draft report on the aforementioned Petition highlighting various legal submissions underpinning the Petition, submissions from the Petitioners as well as responses submitted by the Cabinet Secretary, Ministry of Lands, Public Works and Housing and the Chairperson, National Land Commission. Further, the Committee was taken through the key issues for consideration as follows-

- a) *Whether it is necessary to reconstitute the NCCC Board to look into such claims to enable resettlement and compensation of the IDPs as in the aforementioned Petition;*
- b) *Whether justice was given to the IDPs in terms of the alleged disbursement of compensation of Kshs. 400,000, Kshs. 200,000, Kshs. 150,000, Kshs. 100,000, Kshs. 50,000, Kshs. 25,000 and others Kshs. 10,000 per household; and*
- c) *Whether there were any parcels of land bought through social trust fund for settling IDPs especially in Laikipia County.*

The members deliberated on the above matters having examined the Petitioners submissions and evidences as well as the responses submitted by the Ministry of Lands, Public Works and Housing and the National Land Commission and made the following observations-

- a) It would be prudent for the Ministry of Lands Housing Public Works and Urban Development and the Ministry of Interior and National Administration to spearhead the establishment of the NCCC Board to put to an end once and for all the matter of IDPs in the Country;
- b) That the should there be any money that is yet to be given to the aggrieved IDPs that the process of allocating and making the payments be done the soonest time possible; and
- c) That the purchased 36 and 45 farms in Nyandarua and Laikipia Counties respectively, for settlement of IDPs be fastened. Since the matter was agreed to a while back, the Committee expects the MoLPP to have budgeted for the funds required in the budget for the FY 2024/25 to facilitate the planning, surveying and demarcation to regularize ownership by the IDPs of the purchased 36 and 45 farms in Nyandarua and Laikipia Counties respectively.

On further deliberation the Committee deemed it important to have concrete figures for compensation as part of the recommendations as well as the need for the reconstitution of the NCC Board to address concerns raised by all IDPs. The Committee further resolved to

invite the Cabinet Secretary, Ministry of Interior and National Administration for a meeting on the aforementioned petition in order to provide further insight that would be important for a comprehensive report.

MINUTE SEN/LENR/179/2023

MEETING WITH THE PETITIONERS ON THE PETITION BY NYANDARUA IDPS ON OCCUPATION OF PARCELS OF LAND BOUGHT IN 2010-2013 AND COMPENSATION MONEY FROZEN IN BANKS (COMMITTEE 38)

The Secretariat took members through Committee Paper 38 which highlights the standing order provisions and specific prayers to the Committee from the Petitioners.

The Petitioners were then welcomed to present their Petition before the Committee.

They expressed the challenges they had previously encountered in raising the matters in the Petition before all other relevant Government offices without any success owing to many disjointed efforts in handling the matter thus requiring a round table with all the stakeholders to address the matters jointly.

Further, they informed the Committee that it would be prudent for them to visit the IDPS to get a better understanding of the issues raised from the people affected.

The Committee noted with concern that there were still a number of IDPS that were yet to be compensated and settled in the Country years after the post-election violence occurred despite the '*The Prevention, Protection and Assistance to Internally Displaced Persons and Affected Communities Act, 2012*' that established a Committee known as the National Consultative Coordination Committee on Internally Displaced Persons that is responsible for matters relating to internal displacement.

The Committee then resolved to;

- i. Invite the Cabinet Secretary, Ministry of Lands, Housing and Urban Development, the Chairperson, National Land Commission and a representative from the National Consultative Co-ordination Committee (N.C.C.C) Board to deliberate further on matters brought up in the Petition; and
- ii. Conduct a visit to Nyandarua County and have engagements with the IDPS to get a better understanding of the matters raised on the Petition.

MINUTE SEN/LENR/180/2023

ANY OTHER BUSINESS

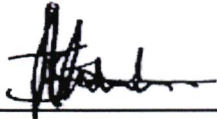

There was no other business discussed.

MINUTE SEN/LENR/181/2023

**INVITATION TO A MEETING OF THE SENATE STANDING COMMITTEE ON LAND,
ENVIRONMENT AND NATURAL RESOURCES**

Honourable Chair,

Pursuant to a letter REF: SEN/DSEC/DPEAC/LENR/2025(3) (205) dated 25th June, 2025, the Committee invited the Cabinet Secretary Ministry of Lands, Public Works, Housing and Urban Development to a meeting on Tuesday, 22nd July, 2025 to discuss the following Petitions;

- 1) The Petition on historical injustices and illegal alienation of L.R. No. 7153/1,7153/2,7153/R, also known as L.R. 12825 in Kiambu County;
- 2) The Petition by Marungu Residents within Mchange Mwanda Ward, Taita Taveta County;
- 3) The Petition regarding the plight of the landless in Muthanthara, Embu County;
- 4) The Petition on delayed allocation of alternative land by way of re-settlement or compensation for the ancestral land that was alienated by the Government of Kenya for creation of Kisii Agricultural Institute and Kisii Farmers Training Centre;
- 5) The Petition concerning recognition of land ownership rights and redress of historical injustices in Mombasa County;
- 6) The Petition regarding land ownership dispute of the Mwananchi Settlement Scheme in Mwatate Constituency in Taita Taveta County;
- 7) Petition concerning land injustices against community members living in Olderkesi, Narok West Constituency of Narok County;
- 8) The Petition regarding eviction of Korogocho community living in the Nairobi River corridor after its declaration as a special planning area; and
- 9) The Petition regarding public land grabbing in Kithima Location in Meru County.

Honourable Chair, in addition, pursuant to a letter Ref: SEN/DSEC/DPEAC/LENR/2025(3) (213) dated 14th July, 2025 the Committee invited the Cabinet Secretary to a meeting on 22nd July, 2025 to provide information on the following;

10. The Petition by Nyandarua IDPs on occupation of parcels of land bought in 2010-2013 and compensation money frozen in banks.

RESPONSES

1. The Petition on historical injustices and illegal alienation of L.R. No. 7153/1,7153/2,7153/R, also known as L.R. 12825 in Kiambu County.

The Petitioners' claim

The Petition is based on Historic Injustices meted to Mbari ya Mbogo's Family, based on, violation of the Survey Act, the Land Act and the Land Registration Act. The petitioners allege that the foundation of LR. No. 12825 is based on illegalities and irregularities. They claim the matter was previously raised and heard before The National Land Commission's Historical Land Injustice Committee under Article 67(2)(e) of the Constitution of Kenya and Section 15 of National Land Commission Act in the Matter of Historical land Injustices Claim Ref. No. NLC/HLI/053/ 2017 between Mbogo's Family of Mbari Ya Mbogo as Plaintiff/Applicant and Margret Nyokabi Mbugua and families of 9 others as Respondents.

The petitioners further claim that the National Land Commission proceeded to conduct a sham "Hearing" of the "Dispute" and rendered a determination thereon on 7th February 2019 in favour of the Respondents. The family was served with a belated determination letter 12 days after the Commissioners had exited office.

The petitioners are seeking the following;

- i) Investigate the matter with a view to returning the ancestral land back to Mbogo's Family of Mbari ya Mbogo,
- ii) Stop any further day to day development, sale and leasing off, by defendants till the matter is settled,
- iii) Resolve that all beneficiaries, investors and stakeholders operating thereon to compensate on properties and all illegally occupied land, and
- iv) Resolve on the compensation for historical injustices, damages and other loses as a result of forceful eviction meted to Mbogo's family.

Response

Honourable Chair, the petition on historical injustices and illegal alienation of L.R. No. 7153/1,7153/2,7153/R, also known as L.R. 12825 in Kiambu County, with a view of compensating the petitioners can well be addressed by the National Land Commission which has the constitutional mandate of addressing historical land injustices and compensation.

2. The Petition by Marungu Residents within Mchange Mwanda Ward, Taita Taveta County;

The Petitioners' Claim

The petitioners who are residents of Marungu within Mwanda/Mgange ward in Taita Taveta County claim that they have lived in the area for more than four decades. They allege that they have buried their loved ones within the area and have been doing subsistence farming. The petitioners further claim that sometime in the year 2007, the Holy Rosary Catholic Church approached the elders of Marungu area and requested to be allocated land for purposes of putting up an orphanage and a church.

They claim that the elders donated a maximum of 75 Acres but on the site identification day, the area chief directed that 1000 acres be identified for the mission and not the initial 75 Acres. This they assert, did not auger well with the elders and the site identification exercise was not concluded.

The petitioners further contend that since the year 2007, there has not been a meeting of the elders and the authorities to identify the 1000 Acres for the mission nor the initial 75 Acres which was to be identified. However, they allege that in the year 2009, the area Chief together with church officials brought a surveyor to demarcate and excise the 1000 Acres but the surveyor declined to do the demarcation since the land was already settled on by Marungu residents.

The petitioners claim that sometimes afterwards, there was a water pan project within the area and the residents as well as non-residents were asked to come with copies of their Identity cards for them to be hired as casual workers and they suspect they could have been used to sanitize the demarcation.

The petitioners claim that in the year 2019, the mission constructed a church in the area falling within the 1000 Acres and in 2021, the Ministry of Lands set up an adjudication scheme covering Marungu area named Ngoloki Adjudication Scheme in May 2023.

The petitioners assert that the ongoing adjudication omitted approximately 1000 Acres in the area with the reason that the land is adjudicated and titled in favor of the Catholic mission. They claim that this is a very big omission and injustice if indeed the land was adjudicated without the knowledge of the residents.

The petitioners aver that the people of Marungu are now facing eviction from their ancestral land courtesy of unscrupulous dealings between the church, some lands officials and the current and former provincial administration officers.

The petitioners claim that in 2021, they tried to have the matter resolved by the National Land Commission but they have not received a response thus far and that the matter and issues are not before any Court of Law nor any Constitutional body.

The petitioners have therefore requested this Committee to;

- i. Use its constitutional powers to demand for explanations from relevant officers and authorities
- ii. Demands a correction of the injustice that is already underway and likely to culminate in a security and humanitarian crisis
- iii. Demands that the 1000 Acres be adjudicated in favour of residents already residing in the said parcel of land as they are the rightful land owners

Response

Honourable Chair,

According to our records, the subject parcel of land falls on former Trust land. The Holy Rosary Catholic Church applied for allocation of 1000 Acres of land at Marungu/Mkamwasi to the then County Council of Taita Taveta and the same was approved. A consent for setting apart the land was also issued by Wundanyi Land Control Board. Annexure 1 are copies of the minutes and the Land Control Board Consent.

On December 4, 2008, the then County Council of Taita Taveta justified the setting a part of the 1000 Acres as shown in the table below. Annexure 2 is a copy of the letter.

S. NO.	PURPOSE	ACREAGE (ACRES)

	TOTAL ACREAGE	1004 acres

In accordance with provisions of the then Trust Land Act (Cap. 288), the parcel of land was set apart by the then Commissioner of lands vide Gazette Notice No. 761 of December 24, 2010. The area gazetted was approximately 404.71 hectares and the boundaries were clearly defined. Annexure 3 is a copy of the gazette notice.

On February 14, 2011, the entire gazetted land measuring approximately 404.71 Hectares was allocated to Catholic Archdiocese of Mombasa vide a letter of allotment Ref; 116402 T. C. Annexure 4 is a copy of the letter of allotment. They accepted the allocation and paid the required legal fees. Annexure 5 is a copy of the acceptance letter and the receipt. A lease document was processed for Catholic Archdiocese of Mombasa and registered on December 11, 2020 as CR 76335.

Honourable Chair, the land now falls in the category of private land and is therefore not available for adjudication.

3. The Petition regarding the plight of the landless in Muthanthara, Embu County

The Petitioners' Claim

The petitioners claim that they and the larger community of Muthanthara village in Mbeere North, Embu County have no title deeds to the land they have occupied since independence.

They further claim that they are faced with the threat of eviction and have visited several government offices without a solution to their problem.

- i. They have therefore lodged a petition for registration and issuance of title deeds;
- ii. The Senate to give direction regarding their ownership status and to be shielded from harassment by third parties;
- iii. The Senate to initiate proceedings for a declaration of Muthanthara as an adjudication area;
- iv. The Senate to make any other order it deems fit in respect of the petition

RESPONSE

Honourable Chair, Muthanthara village is part of the larger Kamarandi Registration section in Embu County. It resulted in 992 land parcels covering an area of 7454.00 Hectares at the time of registration.

This registration section was declared on 11th January 1972 in accordance with the provisions of Land Adjudication Act, Cap 284 of the Laws of Kenya. This act provides for ascertainment of rights and interests over community land (formally Trust land) in line with customary law. It gives guidance on the procedure and establishes mechanisms of dispute resolution through land adjudication committee, arbitration board, objection to adjudication register and finally appeals to the Minister (Cabinet Secretary).

The Ministry satisfactorily executed its mandate as per the Land Adjudication Act, Cap 284, laws of Kenya.

Honourable Chair, after completion of demarcation and survey work, the Adjudication Register for this registration section was published complete on 26th June, 1975 in accordance with section 25(c) of the same Act and whereby in the proceeding Section 26 which states that; *"Any person named in or affected by the adjudication register or who considers it to be incorrect or incomplete in any respect may, within sixty (60) days of the date upon which the notice of completion of the adjudication register is published, object to the adjudication officer in writing, saying in what respect he considers the adjudication register to be incorrect or incomplete."*

All objections to the adjudication register received were heard, determined and implemented and those aggrieved by the Adjudication Officers' decisions were allowed to file appeal to the minister (Cabinet Secretary) cases within sixty (60) days as provided for in Section 29 of Cap. 284.

All claims were heard, determined and implemented and the section was finalized on 15th April 1982 and registered on 13th February 1987.

Since the act had provided mechanisms for the petitioners to lay their claims during the land adjudication tribunals, it is assumed that they were contented with the way the adjudication of the section was done.

The issues being raised appear to challenge this process and there is no provision in the provided law for re-declaration of adjudication in the same section.

Honourable Chair, the Ministry will try to engage all stakeholders and conduct a ground verification to identify the people on the ground and title holders with an aim of addressing the issues raised in the petition.

4. The Petition on delayed allocation of alternative land by way of re-settlement or compensation for the ancestral land that was alienated by the Government of Kenya for creation of Kisii Agricultural Institute and Kisii Farmers Training Centre

The Petitioners' Claim

The petitioners state that complaint before the Senate is about the studious silence by the National Land Commission in addressing the land question in which the residents of Mwabundusi are languishing in abject poverty while their land that was alienated by the Kenya Government in 1963 is being utilized by Kenya Agricultural and Livestock Organization (KALRO) and Kisii Farmers Training Centre (FTC), who were allocated the said land.

The petitioners argue that the land originally belonged to the families of Mogaka Nyabaro, Naphtali Openda Christopher Mbaka and Atogo Mogaka and others. That in the year 1963/4 or thereabouts, the Ministry of Agriculture alienated a large parcel of land for the purpose of setting up a veterinary centre and later farmers training centre for the Nyanza Region. The lease was for 37 years and consequently it was to expire in the year 1992. They aver that the Government of Kenya in a decision was taken without involving the community as the original owners.

They further argue that KALRO was originally allocated 83 acres of land but is currently occupying more than 300 Acres of land which land remains fallow, underutilized and the original community owners do not derive any benefit from it. The petitioners add that in the year 2015, they presented a petition to the National Land Commission (NLC). However, the Commission did not act on their petition.

The petitioners lament that KALRO continues to hold large parcels of land, more than they need. That the petitioners were pushed by the Government to the river bank where they continue to suffer while they are prohibited from fully utilizing the land along the river banks due to the Environmental Management and Coordination Act 2015 since it is riparian land.

They further state that the Government has an obligation to ensure that every person whose land was alienated is compensated and the petitioners' case is a classic example of historical injustice. That despite the clear road map and constitutional mandate given to the NLC, the Commission has continued to be a bystander despite having raised their grievances to the Commission.

The petitioners state that efforts to have the NLC address this issue have proved futile and hence this petition to the Senate. The petitioners feel their issue is not being addressed contrary to the dictates of Articles 35 and 47 of the constitution.

On account of the above the petitioners are seeking the Senate to;

- a) Compel the NLC to determine the actual size of land that was allocated to KALRO and Kisii Farmers Training Center and set aside whichever land that is over and above 83 Acres allocated to the two institutions as per the lease.
- b) Order prompt and expeditious compensation or resettlement of the petitioners into any available public land.
- c) Any other recommendation that the Senate may deem fit and just over this matter.

RESPONSE

Honourable Chair, the issues contained in the petition fall under the mandate of the National Land Commission who are best placed to address them.

5. The Petition concerning recognition of land ownership rights and redress of historical injustices in Mombasa County;

The Petitioners' Claim

The petitioners aver that they are residents of Mombasa County residing on parcels of land registered as original plot numbers MN/II/803, 804, 805, 806, 807, 80, 49 and 79, Mainland North of Mombasa, VI/MN/211/12/R Kashani, 360/II/MN, Kisauni. 219/XVII, 232/XVII, Mwembe Kuku plot 1068/XVII, XLV/54 Bondeni Mombasa Island.

They claim that they have been paying rent to absentee landlords who conduct unfair rent practices by charging monthly rent without providing formal receipts and neither do they have formal/ registered leases despite paying rent for many years.

They allege that the landlords have gone ahead and subdivided the original plots into smaller parcels without their consent and without following the proper procedure for change of user from agricultural to residential and assigned exorbitant valuations to the subplots. The tenants claim pre-emptive right to purchase the subplots.

They posit that their efforts to have their grievances addressed by the relevant authorities have failed to receive a satisfactory response.

The petitioners pray that the Senate;

- i. Initiates investigation into allegations of human rights violations and land injustices within the affected plots of land in Mombasa County with a view to ensure that the petitioners are awarded land lease agreements;
- ii. Utilize the findings of this investigation to formulate lasting solutions to the ongoing land ownership issues faced by residents of Mombasa County;
- iii. Recommend Mechanisms that allow for the Petitioners to directly pay taxes and/ or to the government
- iv. Make a recommendation for the legal recognition of Petitioners' tenancy rights
- v. Undertakes a comprehensive analysis to define the specific challenges faced by coastal communities regarding land ownership
- vi. Make a recommendation on provision of clear definitions of terms such as 'squatters', 'absentee landlords' and 'houses without land' within the context of ongoing coastal land reforms.

RESPONSE

Honourable Chair, the matters raised in this petition can best be addressed by the National Land Commission pursuant to their mandate.

6. The Petition regarding land ownership dispute of the Mwananchi Settlement Scheme in Mwatate Constituency in Taita Taveta County; and

The Petitioners' Claim

The Petitioners state that Mwananchi settlement scheme was registered in May 2010 by the Government of Kenya in which Land Registration Number 12924 comprising of 9,070 Hectares was subdivided to settle 1322 people. The Government of Kenya through the Settlement Trust Fund bought the land at a cost of Kshs.40 million from Wananchi Estates Limited who was the owner of the land. Wananchi Ranching (Directed Agricultural) Company Limited filed a case at the Environment and Land court at Voi as ELC NO 7 of 2024 and sought the following reliefs:

- a) A permanent injunction restraining the defendants from dealing with LR NO 12924-CR 20403 in whatever way.
- b) A declaration that the transfer of the land to Settlement Trust Fund Trustees and all consequential transfers was null and void.
- c) A declaration that LR 12924 belongs to Wananchi Ranching (Directed Agricultural) Company Limited

They state that the case filed by Wananchi Ranching (Directed Agricultural) Company was against Wananchi Estates Limited, Settlement Trust Fund Trustees,

the Commissioner of Lands and the Attorney General of Kenya. The 1322 owners of land in the settlement scheme were not listed as defendants and thus had no opportunity to defend their interests in the suit. Wananchi Ranching (Directed Agricultural) Company alleged that Wananchi Estates Limited fraudulently sold land it didn't own to Settlement Trust Fund. They aver that on 18th October 2024, Judge E. K. Wabwoto at Voi Law Courts gave his judgment on the case in which among other things, declared that Wananchi Ranching (Directed Agricultural) Company is the bonafide and legitimate owner of LR No 12924 and that the land registration records should be rectified to reflect so. The judgement has caused a lot of anxiety amongst the owners of the land in the settlement scheme for fear of losing their land which they legally own as evidenced by the possession of valid title deeds some of which are shown below:

NO	NAME OF OWNER	TITLE DEED NO
1.	Ronald M.Mwakio	Taita-Taveta/Mwatate Wananchi/664
2.	Joseph Mwanguwe Mwamburi	Taita-Taveta/Mwatate Wananchi/1319
3.	Irene Wakesho Mjomba	Taita-Taveta/Mwatate Wananchi/613
4.	Bakari Kalema	Taita-Taveta/Mwatate Wananchi/1025
5	Ronald M.Shake	Taita-Taveta/Mwatate Wananchi/342
6.	Donald Bongosa Mcharo	Taita-Taveta/Mwatate Wananchi/880

The petitioners state that they have made best efforts to have the matters raised addressed by relevant authorities but the same remain unresolved. They claim that none of the issues raised in the Petition is pending in any Court of law, Constitutional or any other legal body.

They therefore pray that the Senate:

- i) Intervenes and investigates the matter with a view to ensure that the area residents are adequately compensated;
- ii) Inquires into the matter and makes appropriate recommendations on the irregular transactions on L.R No. 12924 situated in Mwatate Constituency;
- iii) Inquires into the matter and makes legislative interventions relating to land transfer and acquisition processes to ensure that innocent Kenyans are protected; and

- iv) Takes any other appropriate action it deems fit to resolve the matters raised here in Trustees.

RESPONSE

Honourable Chair, there is an ongoing Civil Appeal Case the Ministry has filed against the Judgement of the Honourable Judge E. K. Wabwato delivered on 18th October 2024 in Voi ELC CASE NO 7 of 2024 (Formerly MOMBASA ELC CASE NO. 40 OF 2017, Formerly NAIROBI CIVIL CASE NO 1663 OF 2000). The Ministry is awaiting the determination of the court. Annexure 6 is a copy of the appeal application.

7. Petition concerning land injustices against community members living in Olderkesi, Narok West Constituency of Narok County.

The Petitioners' Claim

The petitioners state that Olderkesi group ranch is situated in Narok west constituency, Esoit location, Naikarra ward in Narok County. It is a communal land that measures approximately about 101,313 Acres. About 7,818 Acres of this land was converted into a conservancy area by the name Olderkesi conservancy. On 5th January 2013, the conservancy became active. It borders Maasai Mara game reserve. There are currently 24 conservancies in Maasai Mara, Olderkesi being one of them.

They further state that there has been an investor by the name Calvince Cottars who leased the parcel of land since 1920's but the community has not received any returns/compensation for this leasehold. Olderkesi group ranch is in the process of being subdivided. Land adjudication and subdivision has already been done and community members have been shown their land and the title deeds were due for issuance in March 2025. Olderkesi group ranch has 25 clusters. Representatives from these clusters were nominated to be members of the land adjudication committee. These committee has been in existence for over 22 years now.

The petitioners aver that sub-dividing the Olderkesi land, each community member was to be allocated 3 Acres of land. Unfortunately, this was not the case as the committee members allocated huge chunks of land to themselves, their relatives and friends from other regions. The local leadership has colluded with the committee to intimidate and deny community members their rightful share. Some of the committee members have sold some parcels of land already. The list of original members has not been made public. There has been no transparency in the entire process. As a matter of fact, the adjudication officer with his team during the formulation of the adjudication register, which contains the record of rights

and interests to the land in the adjudication section left out bonafide members of the adjudication section and instead inserted the names of non-members and was not made public as required by law in the Land Adjudication Act Chapter 284, Laws of Kenya.

They state that the investor (Cottars) who has invested in this land since 1920's whose leasehold must have expired by now still runs his business in this land. The community is not aware if there was a renewal of his leasehold and haven't received any returns for this. The community members have visited several Government offices to seek intervention with no success. They reached out to the Governor of Narok County, The Ministry of Lands and the National Land Commission and have made the best efforts to have these matters addressed by the relevant authorities all of which have failed to give a satisfactory response with none of the issues raised in this Petition is pending in any court of Law, Constitutional or any other legal body

The petitioners therefore pray that the Senate-

- i) Intervenes and investigates the matter with a view to ensure that the original members of the Olderkesi Group Ranch are identified and are fairly allocated land, the total number of registered members is established and a list of the number of parcels of land sold and the beneficiaries is furnished;
- ii) Inquires into the matter and establishes when the Olderkesi Conservancy was founded, the lease amount paid by Mr. Calvince Cottars, detailed information of the lessor(s) and ensure that the community members are adequately compensated from the leasehold venture; and
- iii) inquires into the matter and makes legislative interventions relating to sale of land, transfer and acquisition processes to ensure that indigenous communities are protected.

RESPONSE

Honourable Chair, in response to questions (i), (ii) and (iii) I wish to respond as follows;

The Ministry vide notice of establishment declared Olderkesi location to be an Adjudication Section under Section 5 of the Land Adjudication Act Cap 284 Laws of Kenya on 30th September 2010. Annexure 7 is a copy of Notice of Establishment of Olderkesi Adjudication Section. The land is neither a group ranch nor community land since it was declared, demarcated and surveyed as an adjudication section.

The Ministry issued a notice of completion of the adjudication register and opened it up for inspection for 60 days as required by Section 25(C) and 26(I) of the Land

Adjudication Act, Cap 284. Annexure 8 is a copy of notice of completion. Any bona-fide member left out or non-member included ought to have filed an objection within this period as provided for in the law. This had been explained to the landowners in a baraza. Annexure 9 is a copy of letter through the Area Chief to all landowners to attend the baraza. Upon expiry of no objection notice, the adjudication register has been finalized and registered for titling. Out of the expected 7,818 titles, already about 6,676 titles have been issued.

The community set aside Parcel No.6147 of approximately 7000 Acres as a conservancy named Olderkesi Wildlife Conservancy and it has been operated as such even prior to demarcation and survey of the Oderkesi Adjudication Section. The Ministry is not privy to the details of the agreement between the community and the lessor. This would be addressed best by the officials/committee of the conservancy.

Honourable Chair, in the Constitutional Petition No.7 of 2019, the Court declared that a party must exhaust the provisions of Land Adjudication Act to settle any dispute arising prior to invoking the powers of the courts. The petitioners did not exhaust the provisions of the Land Adjudication Act.

8. The Petition regarding eviction of Korogocho community living in the Nairobi River corridor after its declaration as a special planning area

The Petitioners' Claim

Korogocho Community Forum is a community-based organization operating within Korogocho Location, Ruaraka Constituency, Nairobi City County. The petitioners claim that on 5th March, 2025, the Nairobi City County issued a notice in local dailies, declaring the Nairobi River Corridor as a Special Planning Area. This area spans the area along Nairobi River, from Naivasha Road to Ruai, including its tributaries. The notice declared that the corridor was to extend 60 meters beyond the high-water mark on each side of the river (30 meters riparian corridor and an additional 30 meters development area).

The petitioners have highlighted the following areas of concern:

- a) Lack of adequate notice and public participation;
- b) Unfair eviction criteria and intimidation;
- c) Lack of representation in decision making;
- d) Unresolved compensation issues arising from earlier evictions, and
- e) Lack of commitment to compensate affected persons by the Nairobi City County.

The petitioners, therefore, pray that the Senate should:

- a) Compel the Nairobi City County and the National Government to adequately compensate those already evicted and those who will be affected by future evictions;
- b) Ensure credible public participation is conducted as required by the Constitution; and
- c) Ensure that community representatives are included in all decision-making processes involving the Nairobi River Corridor.

RESPONSE

Honourable Chair, the matters raised in the petition fall within the mandate of the Nairobi City County. Therefore, they are best placed to provide a comprehensive response.

9. The Petition regarding public land grabbing in Kithima Location in Meru County

The Petitioners' Claim

Kithima Location is situated in Buuri East Sub County, Meru County. The petitioners claim that three parcels of land which had been earmarked for public utilities have been grabbed and occupied by a private entity. The lands in question are;

- i) Kiirua/Nkando 704 (earmarked for Kithima Dispensary)
- ii) Kiirua/Nkando 702 (earmarked for Kithima Primary School)
- iii) Kiirua/Nkando 690 (earmarked for C.C.M Secondary)

The petitioners, therefore, pray that the Senate intervenes and ensures that:

- i) The illegal occupants of the said parcels of public land are evicted;
- ii) The boundaries of the said parcels of land are mapped out and beacons erected to that effect; and
- iii) Any other action that the senate may consider necessary to protect public property and the constitutional rights of the residents of Kithima Location.

RESPONSE

Honourable Chair, according to our records Kiirua/Nkando 704 measuring 0.42 Hectares is reserved for Kithima Dispensary. It was registered on 28th January, 2014 in favour of County Council of Meru on freehold basis and has no encumbrances. Annexure 10 is a copy of the green card.

Honourable Chair, according to our records Kiirua/Nkando 702 measuring 6.40 Hectares is reserved for Kithima Primary School. It was registered on 28th January, 2014 in favour of County Council of Meru on freehold basis and has no encumbrances. Annexure 11 is a copy of the green card.

Honourable Chair, according to our records Kiirua/Nkando 690 measuring 7.86 Hectares is reserved for C.C.M Secondary School. It was registered on 28th January, 2014 in favour of County Council of Meru on freehold basis and has no encumbrances. Annexure 12 is a copy of the green card.

The three parcels are registered in favour of County Council of Meru (now County Government of Meru) and retain the reserved users with no encumbrances. Eviction of illegal occupants is a function of the Ministry of Interior and National Government. Once the evictions are done, this Ministry can then proceed to undertake re-establishment of boundaries and beaconing of the same.

10. Petition by Nyandarua IDPs on occupation of parcels of land bought in 2010-2013 and compensation money frozen in banks

At its sitting held on 10th July, 2025, the Committee considered the Petition by Nyandarua IDPs on delayed compensation and occupation of parcels of land and resolved to request the Cabinet Secretary to provide the following information:

- a) The land survey for the settlement of the IDPs;
- b) Status of sub-division of the land allocated for settlement of IDPs;
- c) The budget required to settle the IDPs being referred to in this Petition; and
- d) Total amount of money used to settle IDPs to date.

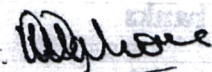

Honourable Chair, in response to (a) and (b) above, I wish to state as follows;

The presence of Internally Displaced Persons (IDPs) in Kenya was as a result of post-election violence following the disputed General Elections in 2007. The resettlement program for the IDPs commenced in 2009 following a Presidential Directive. The Government purchased farms for resettlement of IDPs. Before settling the IDPs the purchased farms were planned, demarcated and surveyed by the Ministry. However, some IDPs were allocated and settled on farms which were unplanned and un-surveyed with an intention of implementing the exercise later, which has not been done to date. Annexure 13 is a copy of the parcels of lands in Laikipia and Nyandarua counties that are settled and require planning, demarcation, survey and issuance of title deeds.

In August, 2013 the Government Shifted the Policy of purchase of land and adopted the cash payment. The number of IDPs who had been resettled by the time the new directive was issued was 6,656 households. The program for compensating IDPs who were living in camps through cash payments by the National Consultative Coordinating Committee was completed in 2016.

Honourable Chair, to regularize the IDPS settled in their farms, there is need to plan, survey, and demarcate the pending farms and issue title deeds to the beneficiaries, an exercise which requires Kshs. 25,946,900/=. Annexure 14 is a copy of the budget. To date, the Government has spent Kshs. 7,600,815,359.00 on resettlement of the Internally Displaced Persons countrywide.

Honourable Chair, I submit.

Hon. Alice Wahome, EGH

CABINET SECRETARY

21st July, 2025

The Ministry is in the process of constituting the committee. Under section 12(30 (a) of the Act,

the chairperson of the committee is to be appointed by His Excellence the President.

2. All genuine IDPs as profiled in the Government register were allocated land and matter settled.
3. The office is not aware of any grabbed parcels as alleged by the petitioners. The petitioners are therefore urged to report to the authorities on any land that that was grabbed for appropriate action to be taken.

Payments to integrated IDPs was done through the bank while money disbursed through the Deputy County Commissioner's office was accounted for and returns made. I am therefore not aware of any money that is lying idle in the banks.

Honourable Chair, I thank you

RE: PETITION BY NYANDARUA IDPS ON OCCUPATION OF PARCELS OF LAND BOUGHT IN 2010-2013 AND COMPENSATION MONEY FROZEN IN BANKS

④ Ms. Macharia: Kindly review and facilitate D. Chanira 26/05/2023.

② Mr. Amelo (CO IDPS) PS process noting that there have been numerous petitions by this group on the matter. 26/5/23

The undersigned, the 2007-2008 Post-Election Violence (PEV) victims steered through charismatic leadership of one Mr. James Mwaura Njoroge, the IDPs Co-coordinator Nyandarua County and also the IDPs National Whip since 2009 a volunteer in consultation with the stakeholders championing the agenda of IDPs wish to draw attention of the Senate to the following: -

2. THAT,

The IDPs Idle lands parcels, that the government of the Republic of Kenya bought way back 15 years ago to be immediately allocated to the IDPS including the Nyandarua Integrated IDPS and more urgently, in specific terms, the IDPs in camps such as those in Laikipia County, Rumuruti at Kianjogu Muruku "Jericho" CAMP, the MUHU CAMPS and others.

3. THAT,

The delayed compensation money that had been appropriated and budgeted through parliament in respect to the IDPs as compensation to the IDPs in official lists and government data bank, that those IDPs having been profiled and vetted as genuine IDPs and beneficiaries, such money be released and given to the IDPs

4. THAT,

The National Consultative Coordination Committee Board (NCCC) be put in place/ be re-launched immediately as in the spirit of an Enactment and creation of the law as in 2012 Act of Parliament and which terms were supposed to be renewed in 2018, an issue that aborted before the extension and revival of NCCC's Mandate.

5. THAT,

According to the IDPs act, that ALL IDPs are equal it begs a big question then that the government had a bias and a somewhat negative orientation on the disbursement of the compensation as demonstrated in the schedule below; - *Ksh 400,000 per household, Ksh 200,000 per household, Ksh 100,000 and others Ksh 150,000/household, Ksh 50,000 per household, Ksh 25,000 others Ksh 10,000 per household.*

And that NOT every vetted person got the six itemized disbursements or reparation or compensation and talking of compensation, there should be some level of uniformity. So what criteria or parameters and locus-stadi were applied and used to determine the said compensations which are seriously skewed?

Wherefore,

Your humble petitioners pray that the senate:

- i.) Put in place elaborate and proper mechanism to give new mandate to the National Consultative Co-ordination Committee - Board (N.C.C.C) so that it is enabled to accomplish its primary mission for the IDPs as is in the 2012 Act of Parliament

on IDPs.

- ii.) Pray that the compensation money in bank accounts that the vetted IDPs were awarded and which was retained by the banks be released and given to the beneficiaries since the money is overdue since 2017.
- iii.) The land parcels bought by the Kenyan Government during the reigns of the late Mzee Mwai Kibaki in diverse years in 2010, 2011 and 2012, be identified, located and allocated to the IDPs beneficiaries who deserve.
- iv.) That the multiple hundreds and hundreds parcels of land especially in Laikipia County as well as other counties and especially those bought during the reign of the former Minister for Special Programs, Honorable Esther Murugi and that the land having been alienated and grabbed be recovered after identification since they were solely bought as Social Trust Fund (STF Land) according to the lands Registry Records. After completion of the recovery these land parcels be given to the IDPs beneficiaries.
- v.) Pray and remind the government of the republic of Kenya, that the agreement in 2017 with the IDPs top leaders at a workshop in Nakuru at Nuru Paris Hotel where it was resolved that leaders would be given a token of appraisal and recognition.
- vi.) We, in culmination, welcome any Government and Non-Government actors' interventions to help the IDPs reintegrate with the rest of Kenyan Society members for the singular agenda in contribution to the National Development.

JERICHO KIANJOGU IDPS IN LAIKIPIA COUNTY

Receive our Warm felicitations and regards.

We are **2007/2008** cohort of **650,000 P.E.V (Victims)** who integrated as **IDPS** in **Nyandarua District** currently **Nyandarua County**

We,

Have sojourned in **wallowing worries** and **woes** as **IDPS** for the last **18 years** or so despite **the enactment in 2012, IDPS Act of Parliament** sponsored by the Senator for Turkana Ekwe Ethuro. The Parliament act of **2012 (No 56 of 2012)**Parliament of Kenya which states on guidelines on **"Prevention ,Protection and Assistance of Integrated and Internally Displaced Persons and Affected Communities act 2012 Kenya.**

We,

Are a conglomeration of IDPS- **a whopping 18,000** Integrated Households but official vetting as of **2017** is a total of **12,765 IDPS** who were entered in the government data in **Nyandarua County** for consideration and compensation.

We,

Settled in **Nyandarua County** in diverse dates after **2007/2008 P.E.V** skirmishes. As stated above we are in total **a whopping 12,765 IDPS** in **Nyandarua County** who came mainly from the **hotbeds** of the vortex of the violence from **Rift -Valley** but nevertheless also from **Nyeri, Nairobi, Uasin Gishu** and from the **33 counties** across the country which were affected by the clashes.

WHY GIVE THE JERICHO KIANJOGU CAMP FIRST PRIORITY?

In the face of government inaction,

And the **abject poverty** and **debilitating** conditions in our place of Integration mainly in **Nyandarua County**, We On **March 16th 2022**, **whopping 4,163 IDPS** purposed to drift to **Laikipia S.T.F** (Social Trust Fund) government bought land parcels in **Rumuruti/ Muruku /Salama Plot NO. 495.**

The ones that successfully made actual arrival are **a whopping 3,777 IDPS.**

With time the number of those in tents fluctuated and some drifted -out from the camp and out of **Laikipia County** lessened the number.

We,

Can factually establish the whereabouts of currently a solid **1,509** persons at **Kianjogu Jericho IDPS camp** who integrates and drift in and out of the camp and back which lessened the number. (To and Fro).

We,

Therefore, make a request to give the following persons in the list **here under** the first priority in tandem with the **Senate standing Committee on Lands, Environment and Natural Resolutions.**

We,

Candidly and courteously supplicate that the **35 STF parcels of land** in **Nyahururu** and the **46 STF IDPS parcels of Land in Laikipia County** be given to the IDPS bonafide names **here- under** and particularly or **ALL** those in **Jericho Camp** to date.

These IDPS were denied compensation in **2017** and thus converged in **Jericho Kianjogu Camp** in **Salama Laikipia County** occupying land that was purchased by the government for **IDPS resettlement** but was never **sub-divided** as chronicled in one of the renowned Kenyan media, quote from **The Standard Digital May 3rd 2011 Reportage** and we quote

"State acquires hundreds of acres of Land to resettle IDPS. The government has acquired hundreds of acres of land to resettle Internally Displaced Persons (IDPS) and in line with this the then Minister for Special Programmes Ms. Esther Murugi said;- " The parcels of land are in Rumuruti in Laikipia County and other parts of the Rift Valley."

We,

Have identified – Ms. Murugi said – *"Some 9000 more acres of Land in Rumuruti, Laikipia and other parts of Rift Valley."*

We,

Again take this **auspicious** opportunity to recognize and appraise your stake and contribution for us and to us in dismantling our **17/18 years Waathiriwa** victims' label , a squalid title out of being innocently **I.D.Ps** we favour the school of thought that ascribes to the **2012 IDPS Act of Parliament No 56** that seek durable solutions for **P.E.V victims**.

We,

Recognize the **big, bold benevolences** you have extended to us as bonafide leaders of **IDPS** fraternity in **Nyandarua and Laikipia Counties** as well as the favor to the **hundreds of vulnerable IDPS** mainly **men, women and children** who we **lead and Co-ordinate** in these **17/18 years** hankering, for **reparation for compensation, for land, and, for our dues and rights as Kenyan Citizens** as well as thawing the snag of our **monies caged in our Bank accounts**.

We,

Wish to express the **salient fact** that we have walked through **thick and thin-infact some have passed away** – actually, through the labyrinth of convoluted processes and **bureaucratic bottlenecks** say for **18years running**.

Our issues or resolutions would have been easily solved through a body called **National Consultative Co-ordination Committee (N.C.C.C)** the body tasked with implementation of the **IDP Act and Law** which as alluded above was enacted in **Dec 2012**.

The 2012 Act of Parliament No 56 addresses issue of **Prevention, Protection and Assistance to Internally Displaced Persons**. The **N.C.C.C** unfortunately is not operational as it requires a renewal of its **mandate** by the legislating **Houses of Parliaments**.

We,

Also fear for threats to repeal the **IDP Act** thus this senerior should not be envisaged. That is why we plead for your help and prompt intervention

We,

Also feel greatly encouraged that through your intervention the earlier myth and call that **there are no IDPS lands** becomes a **fallacy and a nullity**.

As genuine Integrated Landless IDPS the tenths of parcels of S.T.F lands you enumerated is what we **seek , beseech , persuade , beg, pray** and supplicate to be **awarded** and given by our government through its systems, bodies entities and mechanisms and most glaringly and vocally, the venerated **Senate Standing Committee On Land ,Environment And Natural Resources** whose history and past is evident in the letters to the Clerk of the Senate and the corresponding replies and rejoinders after reception and fowarding;-
