### **CHAIRPERSON'S FOREWORD**

The petition was presented before the House by the Hon. Kathuri Murungi,MP on behalf of the petitioners. This is in accordance with the provisions of Standing Order No. 225 (2)(a). The petitioners requested the Departmental Committee on Transport, Public Works and Housing to recommend that the Ministry of Transport, Infrastructure, Housing and Urban Development urgently fast track the rehabilitation of the Nkubu – Mikimbune Road and gives a commitment as to when the project will be completed.

The petition was referred to the Departmental Committee on Transport, Public Works and Housing for consideration and report within sixty days as per the requirements of S.O. 227.

In considering the petition, the Committee held meetings with the Hon. Kathuri Murungi,MP, who appeared on behalf of the petitioners, and the Director General for the Kenya Rural Roads Authority (KeRRA), Eng. J. O. Ogango, on behalf of the Cabinet Secretary, Ministry of Transport, Public Works, Housing and Urban Development. The meetings were aimed at inquiring into the issues raised in the petition.

The Committee appreciates the assistance provided by the Office of the Speaker and the Clerk of the National Assembly that enabled it to discharge its functions in considering the petition.

On behalf of the Committee, and pursuant to Standing Order, 227 it is my duty to table on the Floor of the House the Report of the Committee on the petition.

**Hon. Maina Kamanda, EGH, MP**

## **EXECUTIVE SUMMARY**

The report entails presentations by the Hon. Kathuri Murungi, M.P, on behalf of residents of South Imenti Constituency, and the Director General for the Kenya Rural Roads Authority (KeRRA), Eng. J. O. Ogango, on behalf of the Cabinet Secretary from the Ministry of Transport, Infrastructure, Housing and Urban Development.

In this report the Committee has considered and responded to the prayers sought by residents of South Imenti Constituency in a petition regarding the rehabilitation of the Nkubu – Mikimbune Road. The Committee found out that the prayers pursued by the petitioners were reasonable given that the Nkubu-Mikimbune road is a critical road to residents of South Imenti Constituency as it serves three (3) major wards in the area. The road is also a link to the Meru-Nairobi highway and Marimba-Chogoria road.

## **2.0 MANDATE OF THE COMMITTEE**

The Committee under Standing Order 227 is mandated to respond to the petitioner by way of a report addressed to the petitioner or petitioners and laid on the floor of the House.

The Committee is established in accordance with the provisions of Standing Order No. 216, with the following terms of reference: -

- i. To investigate, inquire into, and report on all matters relating to the mandate, management, activities, administration, operations and estimates of the assigned Ministries and departments;
- ii. To study the programme and policy objectives of Ministries and departments and the effectiveness of the implementation;
- iii. To study and review all legislation referred to it;
- iv. To study, access and analyze the relative success of the Ministries and departments as measured by the results obtained as compared with their stated objectives;
- v. To investigate and inquire into all matters relating to the assigned Ministries and departments as they may deem necessary, and as may be referred to them by the House or a Minister;
- vi. To vet and report on all appointments where the Constitution or any law requires the National Assembly to approve, except those under Standing Order 204 (Committee on Appointments); and
- vii. To make reports and recommendations to the House as often as possible, including recommendation of proposed legislation.

The Committee is mandated to consider the following subjects:-

- (i) Transport Services
- (ii) Roads Services
- (iii) Public Works
- (iv) Construction and Maintenance of roads, rails and buildings
- (v) Air
- (vi) Seaports and Housing

### **Oversight**

In executing its mandate, the Committee oversees the following Government Departments and agencies, namely:-

- The State Department of Transport
- The State Department of Infrastructure
- The State Department for Public Works
- The State Department of Housing

## 2.3 LIST OF RECOMMENDATION

**In response to the prayers by the petitioners, the Committee recommends that:-**

The Ministry of Transport, Infrastructure, Housing and Urban Development should get an emergency allocation from the Emergency Kitty which is under the Cabinet Secretary to ensure that the Nkubu-Mikimbune road is rehabilitated.

### 3.0 INTRODUCTION

- 3.1 The petition by residents of South Imenti Constituency regarding the delayed completion of Nkubu – Mikimbune road was tabled in the House pursuant to Standing Order 225 (2) (a) by the Hon. Kathuri Murungi, MP on Thursday 23<sup>rd</sup> June, 2016.
- 3.2 Pursuant to the House rules, the petition was referred to the Committee for consideration and preparation of a report within 60 days. The Committee considered the petition pursuant to the provisions of Standing Order 227.
- 3.3 The Petitioners wished to draw to the attention of the House on the following, that:-
1. Road transportation is the most popular mode of transport in Kenya and has immensely contributed to the economic development in both rural and urban centres;
  2. The Fourth Schedule of the Constitution classifies roads under the purview of the National and County Governments;
  3. Nkubu-Mikimbune road serves three (3) wards in South Imenti Constituency namely Nkuene, Abogeta West and Igoji West, also serves as a link to Meru-Nairobi highway and Marimba-Chogoria road;
  4. The said road was constructed through a low-volume seal method about ten years ago;
  5. During the Fiscal Year 2014/2015, the Government allocated Ksh. 10 million for rehabilitation of the said road by the Kenya Rural Roads Authority (KeRRA);

6. The said Authority awarded a contract worth Ksh. 10 million to a private company to commence construction. However, KeRRA failed to allocate more funds for completion of the same;
7. The matter in respect of which this petition is raised is not pending before a Court of law.

The petitioners' prayers were that the National Assembly, through the Departmental Committee on Transport, Public Works and Housing recommends that the Ministry of Transport, Infrastructure, Housing and Urban Development urgently fast tracks the rehabilitation of the Nkubu-Mikimbune road and gives a commitment as to when the project will be completed.

#### **4.0 EVIDENCE**

##### **4.1 Presentation by the Hon. Kathuri Murungi, M.P on behalf of the residents of South Imenti Constituency**

The Hon. Kathuri Murungi, M.P. representing the residents of South Imenti Constituency appeared before the Committee on Thursday 17<sup>th</sup> November, 2016 and made the following presentation, that;

1. Nkubu-Mikimbune road serves three (3) wards in South Imenti Constituency namely Nkuene, Abogeta West and Igoji West, also serves as a link to Meru-Nairobi highway and Marimba-Chogoria road;
2. The said road was constructed through a low-volume seal method about ten years ago;
3. During the Fiscal Year 2014/2015, the Government allocated Ksh. 10 million for rehabilitation of the said road by the Kenya Rural Roads Authority (KeRRA) ;

4. The said Authority awarded a contract worth Ksh. 10 million to a private company to commence construction. However, KeRRA failed to allocate more funds for completion of the same;
5. The Road was erroneously classified as a County Road as opposed to a National Trunk Road in accordance to the Special Issue of the Kenya Gazette Supplement No.4 of 22<sup>nd</sup> January, 2016.

#### **4.2 Presentation by the Director General in the Kenya Rural Roads Authority (KeRRA) on behalf of the Cabinet Secretary, Ministry of Transport, Public Works, Housing and Urban Development.**

On Thursday 17<sup>th</sup> November, 2016 the Director General of the Kenya Rural Roads Authority (KeRRA), Eng. J. O. Ogango, on behalf of the Cabinet Secretary, Ministry of Transport, Infrastructure, Housing and Urban Development informed the Committee that:

1. The Nkubu-Mikimbune Road, serves three Wards in Imenti South Constituency while also serving as a link to Meru-Nairobi Highway and Marimba-Chogoria road.
2. The 5Km Nkubu-Mikimbune road had been allocated Ksh.10 million in 2014/2015 Financial Year for routine maintenance under the Roads Maintenance Levy Fund (RMLF) allocations as prioritized by the Imenti South Constituency Roads Committee (CRC). The road was graveled through this allocation.
3. In the 2015/2016 Financial Year, the road received a further allocation of Ksh. 13 million from the Roads Maintenance Levy Fund (RMLF) and though this amount was disbursed late, it was used to rehabilitate the most affected sections. The entire road requires a total of approximately Ksh.10 million for full rehabilitation.

4. In accordance to the Special Issue of the Kenya Gazette Supplement No.4 of 22<sup>nd</sup> January, 2016; the road currently falls under the purview of the Meru County Government.
5. The road was currently not in the plan under KeRRA. However, there will be an emergency allocation from the Emergency kitty under the Cabinet Secretary to commence works on the remaining section of the road. This is scheduled to commence in February, 2017.

## **5.0 FINDINGS**

The Committee made the following observations from evidence adduced in the meetings, that;

1. The Nkubu-Mikimbune road had received some funding from KeRRA to the tune of Ksh. 10 million and therefore the Authority should endeavor to get additional finding for the completion of the road.
2. During the classification exercise done by the Ministry of Transport, Infrastructure, Housing and Urban Development, a number of errors were made on various roads across the country. This saw some roads, including the Nkubu-Mikimbune road, being erroneously classified as County Roads yet they fall under the National Government.

## 6.0 RECOMMENDATION

**In response to the prayers by the petitioners, the Committee recommends that:-**

The Ministry of Transport, Infrastructure, Housing and Urban Development should allocate adequate funds from the Emergency Kitty which is under the Cabinet Secretary to ensure completion of the Nkubu-Mikimbune road.

**MIN/DC-TPWH/2016/222 Preliminaries**

The Chairperson called the meeting to order at 9:10 am with a word of prayer. He then presented the agenda as follows:-

1. Prayer
2. **Consideration and adoption of the following reports**
  - a) **Report on a petition by residents of Nyeri Town Constituency on the use of Asbestos as a roofing material;**
  - b) **Report on the petition by residents of Busia County regarding decongestion of Busia and Malaba towns;**
  - c) **Petition by the residents of Kakamega County regarding delayed rehabilitation of Kakamega Airstrip;**
  - d) **Petition by the residents of South Imenti Constituency regarding the status of Nkubu-Mikimbune road, and ;**
  - e) **Petition by the residents of Kathiani Constituency regarding non-completion of the Mumbuni-Kathiani road.**
3. Any Other Business

**MIN/DC-TPWH/2016/223**

**(a) Consideration and adoption of the Report on a petition by residents of Nyeri Town Constituency on the use of Asbestos as a roofing material;**

The Committee considered and adopted the report on the petition by residents of Nyeri Town Constituency on the use of Asbestos as a roofing material. The adoption of the report was proposed and seconded by the Hon. Mathias Robi, M.P and the Hon. Omar Mwinyi, M.P respectively with the following observations and recommendations:-

**Observations**

The Committee made the following observations, that:-

1. The use of Asbestos as a roofing material was widespread in Nyeri Town Constituency and in other parts of the country;
2. Exposure to Asbestos is hazardous to human health and can cause Mesothelioma Cancer which affects the membrane lining of the lungs and abdomen and presents symptoms similar to those of respiratory illnesses;
3. The National Government no longer uses Asbestos as a roofing material and in cases where Asbestos was used as a roof finish; the houses have been systematically replaced with other roofing materials;
4. There has been a low budgetary allocation for the refurbishment of housing units across the country. As a result, the Ministry has not been able to sufficiently revamp Government houses countrywide;

## **RECOMMENDATIONS**

In response to the prayers by the petitioners, the Committee recommends that:-

1. The Ministry of Transport, Infrastructure, Housing and Urban Development should urgently conduct a site visit to Nyeri Town Constituency to survey and give a conclusive way forward on the Houses that are still roofed using Asbestos;
2. The Ministry, while preparing the budget for the Financial Year 2017/18 should include estimates for re-roofing works on Government owned houses that are still roofed with Asbestos in Nyeri Town Constituency and also in other parts of the country.
3. The Ministry of Health should conduct an assessment on all residents who have been exposed to Asbestos to determine the extent to which their health has been affected.

## **b) Consideration and adoption of the Report on the petition by residents of Busia County regarding decongestion of Busia and Malaba towns**

The Committee considered and adopted the report on the petition by residents of Busia County regarding decongestion of Busia and Malaba towns. The adoption of the report was proposed and seconded by the Hon. Simon Nyaundi Ogari, M.P and the Hon. (Arch.) David Kiaraho, MP respectively with the following observations and recommendations:-

### **Observations**

The Committee made the following observations, that:-

1. Both Busia and Malaba Towns are heavily congested by transit trailers that crisscross the border;
2. Decongestion of both towns was multifaceted; it required expansion of the roads leading to the border posts to dual-carriage ways; construction of by-passes; opening up of additional border posts; and fully operationalizing the OSBP at the two border towns so as to speed up clearance and reduce congestion;
3. The OSBP system was already operational at Busia town, albeit being faced with various systemic challenges. These include unsynchronized operations by the multiple agencies involved in the system and strained infrastructure;
4. At Malaba, the facility for OSBP system was under construction. The Kenyan section was nearly complete while the Uganda section would be completed in about four months from the time the Committee visited the town;
5. Both the county government of Busia and relevant agencies of the national government did not have requisite funds for carrying out expansion of the roads and construction of by-passes;

#### **COMMITTEE'S RECOMMENDATIONS**

In response to the prayers by the petitioners, the Committee recommends as follows:-

1. The Ministry of Transport and Infrastructure, in conjunction with the County Government of Busia, identifies viable routes for construction of by-passes around Busia and Malaba Towns, and fast-tracks acquisition of land for construction of the by-passes and trailer parks so as to ease congestion in the two towns;
2. The national government, through the Ministries of East African Affairs engages the government of the Republic of Uganda to explore possibilities for opening new Border Posts, possibly at Mulwanda, Lwakhakha, Kapesuru and Buteba, so as to spread the clearance of transit goods across the multiple Customs Offices thereby reducing congestion at the existing two Posts of Busia and Malaba;
3. The Ministry of Transport, Infrastructure, Housing and Urban Development, in conjunction with the County Government of Busia should identify an alternative bus station and fast-track the relocation of the bus terminal from the entry point to Busia border post as a measure to ease congestion at the border point.
4. Considering the strategic importance that Busia and Malaba Border Points hold in regional economy, the Commission on Revenue Allocation (CRA) should consider making provisions for *special allocation* of funds to Busia County Government to

undertake major infrastructure expansion projects in Busia and Malaba towns so as to ease congestion and make the two border points competitive in the region.

**(c) Consideration and adoption of the report on petition by the residents of Kakamega County regarding delayed rehabilitation of Kakamega Airstrip;**

The Committee considered and adopted the report on the petition by the residents of Kakamega County regarding the delayed rehabilitation of Kakamega Airstrip. The adoption of the report was proposed and seconded by the Hon. Barchilei Kipruto, MP and the Hon. K.K. Stephen Kinyanjui Mburu, M.P respectively with the following observations and recommendations:-

**Observations**

The Committee made the following observations, that:-

1. Operations at the Kakamega Airstrip were terminated due to runway surface failure. However, the airstrip has immense economic viability due to its strategic location to serve travelers and business people from the county, neighbouring counties and Uganda. Investing in its expansion was therefore worthwhile since flights to the route reportedly had sufficient passengers and cargo prior to termination;
2. Compensation for some families as promised during acquisition of land to pave the way for establishment of the airstrip in 1981 had not been effected to date, raising feelings of historical injustice among residents.
3. The current acreage of the airstrip's land was too small and prohibitive to present and future expansion to accommodate an extended runway and modern facilities requisite for large domestic carriers as demand for air transport to the destination increases.
4. In recognition of the economic importance of the airstrip, the Kakamega County Government identified land around the airstrip with a view to increase the total acreage to 56 acres. The government was liaising with the National Land Commission to negotiate and formulate an agreeable compensation framework for owners of the land earmarked for acquisition.
5. The county government had made budgetary provisions in the 2016/2017 FY to cater for compensation for land and property. It was also in the process of acquiring 113 acres of land in Likuyani Sub-County for resettlement of families whose land would be acquired for the project. However, the process of acquiring the said land was not yet complete.
6. The residents within the area of the proposed expansion of the airstrip were willing to relinquish their land subject to reasonable compensation for their land and developments thereto. However, fears that the injustices of 1981, viz in commensurate compensation,

delayed payments or failure to be compensated, may be replicated in the proposed acquisition of land for the airstrip's expansion.

7. The county government had taken care of environmental safety considerations and commenced the process of acquiring 15 acres of land at Mung'ang'a for setting up a waste treatment plants outside a radius of 13km from an airport/airstrip in accordance with ICAO requirements.
8. The rehabilitated runway was uneven and dilapidated to the extent that deep depressions had developed, mainly along the path used by rear wheels of the aircraft during taxing, take-off and landing. This cast doubts to the quality of works done by the contractor who undertook the resurfacing of the runway.
9. The actual runway PCN value for the runway rehabilitated in 2011 was rated as 7 but was reported as 10 by the Aeronautical Information Publication. However, the source of information and motive behind the grave misreporting by AIP was unclear.
10. Survey and designs for the new runway and facilities were done by the KAA and KCAA. However, it was unknown when construction would commence since it was established that the national government had not factored the Kshs. 500 million estimated for the project in its 2016/2017FY.

### **Recommendations**

In response to the prayers by the petitioners, the Committee recommends as follows:-

1. On the first prayer with regard to investigations into the quality of the resurfacing works done on the Airstrip's pavements in 2011 with a view to ascertain whether the reported pavement failures was occasioned by poor workmanship by the contractor; the Committee recommends that: The KAA/KCAA officers responsible for the alleged misreporting of the runway's PCN as 10 instead of 7 by AIP, be held personally liable for the damages caused on the newly rehabilitated but barely used runway, since by misrepresenting facts, aircrafts with ACN above the pavement's surface strength of PCN 7 were allowed to operate on the weak airstrip.
2. On the second prayer with regard to the rehabilitation and extension of the airstrip's pavements to International Civil Aviation Organization (ICAO) standards by the ministry the Committee recommends that the Ministry through Kenya Airports Authority should immediately allocate sufficient funds for extension of the runway and construction of suitable facilities for the envisioned modern airstrip in the 2017/2018 Financial year
3. The Ministry of Lands and NLC intervenes to:
  - i. Establish claims of historical injustices arising from non-compensation for land Acquired in 1981 and causes completion of all pending compensation claims; and

- ii. Support Kakamega county government by fast tracking the process of acquisition of land, resettlement and compensation of families whose land is earmarked for acquisition for expansion of the airstrip

**(d) Consideration and adoption of the report on petition by the residents of South Imenti Constituency regarding the status of Nkubu-Mikimbune road,**

The Committee considered and adopted the report on the petition by the residents of South Imenti Constituency regarding the status of Nkubu-Mikimbune road. The adoption of the report was proposed and seconded by the Hon. Aduma Owuor, M.P. and the Hon. Ahmed Abbas Ibrahim, M.P respectively with the following observations and recommendations:-

**Observations**

The Committee made the following observations, that:-

1. The Nkubu-Mikimbune road had received some funding from KeRRA to the tune of Ksh. 10 million and therefore the Authority should endeavor to get additional finding for the completion of the road.
2. During the classification exercise done by the Ministry of Transport, Infrastructure, Housing and Urban Development, a number of errors were made on various roads across the country. This saw some roads, including the Nkubu-Mikimbune road, being erroneously classified as County Roads yet they fall under the National Government.

**Recommendations**

In response to the prayers by the petitioners, the Committee recommends that:-

The Ministry of Transport, Infrastructure, Housing and Urban Development should allocate adequate funds from the Emergency Kitty which is under the Cabinet Secretary to ensure completion of the Nkubu-Mikimbune road.

**(e) Consideration and adoption of the report on petition by the residents of Kathiani Constituency regarding non-completion of the Mumbuni-Kathiani road.**

The Committee considered and adopted the report on the petition by the residents of Kathiani Constituency regarding non-completion of the Mumbuni-Kathiani road. The adoption of the report was proposed and seconded by the Hon. Johnson Manya Naicca, M.P. and the Hon. Joseph Lomwa, M.P respectively with the following observations and recommendations:-

## **Observations**

The Committee made the following observations, that:-

1. The project road is 22km long and lies in Kathiani Sub- County of Machakos County. The road starts at Mumbuni, some 3km North of Machakos town on the Machakos – Kangundo road (C99). It takes a generally North Easterly course as road E484 up to Kathiani where it changes to a southerly direction and ends at Thwake river.
2. The contract for the project was awarded to Nyoro Construction Company Ltd at a contract sum of Kshs.637,194,171.20.
3. The initial contract period was 24 months and the expected completion date was supposed to be 22nd October, 2013; before an additional extension of time (EOT) of 16 months. Work done now stands at 78.63% against 146.25% time elapsed;
4. The access road to Mbee Market and secondary school was added to the initial contract. Initial estimates for these works were issued to the contractor for his concurrence after which the contractor was issued with instructions to commence works.

## **Recommendations**

**In response to the prayers by the petitioners, the Committee recommends that:-**

The Ministry of Transport, Infrastructure, Housing and Urban Development should fast track and complete the Mumbuni-Kathiani Road by April 2017.
