(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

II. FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

INTRODUCTION

Kigumo Constituency is an electoral Constituency in Kenya. It is one of the seven districts of Muranga County. It was previously one of the three constituencies in the former Maragua District, Central province. The Constituency was established for the 1963 elections. Population density is influenced by land productivity and water availability with Agriculture as the main economic activity, farmers plant tea and coffee as well as maize they also do dairy farming where milk is sold in various market centres.

The NG-CDF Kigumo has always dedicated time to ensure prudent management of resources received from the NG-CDF Board within the five wards of the Constituency. Since inception the committee has completed several development projects that are geared towards infrastructural development, wealth creation and fight against poverty within the constituency

During the financial year 2018/19 Kigumo NG-CDF was able to utilise 64.6% of the allocated resources. At the closure of the financial year the constituency had unutilised funds amounting to Ksh 67,456,499 and a further Ksh 7,080,000 not yet received from the Board out of the Budget allocation, the implementation has been satisfactory despite a few challenges.

KEY ACHIEVEMENTS

During the Financial year 2018/19 Kigumo Ng-CDF was able to put new facilities like classrooms and laboratories, we have renovated a number of classrooms and this has helped to create a conducive environment for learners, security has also improved to a great extent by renovation of houses for the Administration police officers.

NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF)
KIGUMO CONSTITUENCY
Reports and Financial Statements
For the year ended June 30, 2019

Sampled complete projects in use.

EMERGING ISSUES

Like any other Constituency, Kigumo has also faced some emerging issues some relating to increase in bursary uptake, we attribute this to hard economic times parents are facing and also increase in school's fees. Reduced allocation of Funds has also impacted negatively on our overall performance, the Board has also introduced performance contracting which will help in improved performance of the NG-CDFC to a great extend

IMPLEMENTATION CHALLENGES

Political influence from the local leaders to some extent has become a challenge in the allocation of resources within the constituency such influence could affect the fair distribution of resources, Project Management Committees, procurement process still poses a great challenge to the committee. We shall continuously endeavour to train and Build PMC's capacity in order to appreciate the laws and regulations governing management of public funds.

APPRECIATION

Let me recognise the CDF BOARD, KNEAO, The Area Member of parliament, all district Heads, CDFC Members and all other stake holders who have stood with us all along. Finally, I would like to appreciate the contribution and individual dedication of our members of staff towards our success.

III. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-KIGUMO Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-KIGUMO Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *entity's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2019, and of the entity's financial position as at that date. The Accounting Officer in charge of the NGCDF-KIGUMO Constituency further confirms the completeness of the accounting records maintained for the *entity*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

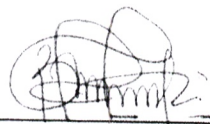

The Accounting Officer in charge of the NGCDF-KIGUMO Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - KIGUMO CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Kigumo Constituency set out on pages 8 to 49, which comprise the statement of assets and liabilities as at 30 June, 2019, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation - recurrent and development for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Kigumo Constituency as at 30 June, 2019 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and National Government Constituencies Development Fund Act, 2015.

Basis for Qualified Opinion

1. Erroneous Net Liabilities

The statement of assets and liabilities reflects total financial assets of Kshs.60,376,499 and Nil liabilities as at 30 June, 2019. However, contrary to the reporting guidelines issued by the Public Sector Accounting Standards Board, the statement reflects erroneously net liabilities of Kshs.60,376,499 instead of net financial position of the same amount.

Consequently, the state of assets and liabilities contravenes the prescribed format of preparation and presentation of the statement.

2. Other Grants and Transfers

2.1 Variances in Bursary to Needy Students

Disclosed under Note 7 to the financial statements is other grants and transfers payments of Kshs.37,750,611 which includes Kshs.9,834,500 and Kshs.18,635,250 for bursary-secondary schools and bursary-tertiary institutions, respectively. However, the list of beneficiaries presented for audit reflected bursary disbursements of Kshs.13,708,500 compared to the total recorded amount of Kshs.28,469,750, resulting to unexplained difference of Kshs.14,761,250.

Further, the bursary disbursements were not supported with acknowledgement letters or receipts from the schools and institutions to confirm receipt of the bursaries. In addition, some of the beneficiaries were issued with several bursary awards thus denying bursary, other needy applicants.

Consequently, the validity and accuracy of the other grants and transfers of Kshs.37,750,611 could not be confirmed.

2.2 Unsupported Education Day Expenditure

Disclosed under Note 7 to the financial statements is other grants and transfers payments of Kshs.37,750,611 which includes expenditure of Kshs.6,600,000 on emergency projects, out of which an amount of Kshs.862,250 was incurred in respect of Kigumo Education day held on 15 March, 2019.

The expenditure was based on a budget to cater for sitting arrangement, meals, subsistence allowance, publicity, trophies/certificates and entertainment during the function. However, relevant expenditure returns were not provided for audit review. Further, the expenditure appears unrelated to the ordinary activities of the CDF.

As a result, the regularity and validity of the expenditure of Kshs.6,600,000 incurred on emergency projects could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of National Government Constituencies Development Fund - Kigumo Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budgetary Control and Performance

The summary statement of appropriation - recurrent and development reflects final receipts budget and actual on comparable basis of Kshs.190,632,447 and Kshs.183,552,447 respectively resulting to an under-funding of Kshs.7,080,000 or 4% of the budget. Similarly, the Fund spent Kshs.123,175,948 against an approved budget of Kshs.190,632,447 resulting to an under-expenditure of Kshs.67,456,499 or 35% of the budget. The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the residents of Kigumo Constituency.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Transfers to Other Government Units

1.1 Transfers to Primary Schools

Disclosed under Note 6 to the financial statements is transfers to other government units of Kshs.61,417,027 which include expenditure of Kshs.32,917,027 in respect of transfers to primary schools, out of which disbursements totalling Kshs.9,017,027 were for eight (8) projects during the year ended 30 June, 2019.

Physical verification of the projects revealed poor workmanship in construction and renovation of classrooms as indicated in the table below:

	Project's Name	Amount Disbursed (Kshs.)	Activity	Remarks
1.	Kairitu primary school	1,000,000	Construction of 1 no. classroom	The classroom not in use, visible cracks on the wall and floor and the drainage works not done hence waterlogging.
2.	Njogu-ini primary school	1,017,027	Construction of 2 classrooms	Poor painting works, roof leaking, visible cracks on the floor, wall and verandah.

	Project's Name	Amount Disbursed (Kshs.)	Activity	Remarks
3.	Muiria primary school	500,000	Renovation of 6 Classroom, floor, metal doors, verandah, paint, roofing, windows, window panes, doors wall, plastering, flooring, fascia board and bag washing	Incomplete patches on the floor, poor fascia board, painting and leaking roof.
4.	Kiugu primary school	1,000,000	construction of 2 no block of toilets of 6 cubicles to completion	One of the toilets blocks had a huge gapping/visible cracks on the walls.
5.	Gakuyu primary school	1,000,000	Construction of 1 no. classroom	The walls and the floor had cracks, the verandah part of the slab had cracks and painting was poorly done.
6.	Kinyona primary school	600,000	Construction of 1.no blocks of toilet of 6 cubicles for boys	Visible cracks on the walls and verandah.
7.	Kiahiti primary school	2,900,000	Completion of admin block and of 2.no classrooms	visible cracks noted on the floor and walls, a sign of poor workmanship.
8.	Irigiro primary school	1,000,000	Construction of 2 no block of toilets of 6 cubicles to completion	Visible cracks and gapping on the walls
	Total	9,017,027		

As a result, value for money of the expenditure of Kshs.9,017,027 incurred on the projects during the year ended 30 June, 2019 could not be confirmed.

1.2 Poor Workmanship in Completion of Laboratory at Mugumo-ini Secondary School

Disclosed under Note 6 to the financial statements is transfer to other government entities of Kshs.61,417,027 which includes Kshs.28,500,000 in respect of transfer to secondary schools, out of which an amount of Kshs.1,000,000 was disbursed to Mugumo-ini secondary school for completion of science laboratory phase 2 and installation of fittings.

However, procurement records including tender opening, evaluation and award minutes were not presented for audit review. Further, physical inspection of the project revealed that the walls and the floor had visible cracks, and poorly done black board.

As a result, the value for money of the expenditure of Kshs.1,000,000 incurred on the laboratory project during the year ended 30 June, 2019 could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the Management aware of the intention to terminate the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the

activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1) (a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-KIGUMO Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2018, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

SIGNIFICANT ACCOUNTING POLICIES

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2018 for the period 1st July 2018 to 30th June 2019 as required by Law. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2019.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

A review of a sample of bursary application forms revealed that there was no evidence that the forms were evaluated. In addition, there was no record in the minutes of the criteria used to vet, identify and categorize needy students. The criteria used to allocate bursary to applicants is therefore appears unclear.</p>	<ul style="list-style-type: none"> • <i>An advertisement is made to local churches and other public places including barazas for the whole of the constituency to collect and dully fill the bursary application form from the NG-CDF office with a two week timeline to return the dully filled and stamped form.</i> • <i>The bursary committee then evaluates the dully filled forms examining whether an applicant is a resident, has attached fee structure or balance fee from the institution,</i>

	<p>Environment Project The environment project was allocated kshs.1, 535,913 during financial year 2017/2018. The project activity involved purchase and planting of 409 seedlings in 9 selected schools at a cost of Kshs.102, 394.20 for each school. The funds were transferred to a project Management Committee vide payment voucher number 89 dated 20th June 2018. The transfer was supported by NG-CDFC minutes dated 23rd May 2018 authorizing the disbursement to the Project Management Committee Account.</p>	<p>Response <i>The Kigumo NG-CDF committee is in a process of devising measures to ensure that the trees planted is taken care of to ensure sustainability of the project. The tree seedlings in question were planted during the month of December which in most cases we anticipate some short rains during this time however, during the financial year under review the short rains did not appear and most of the school do not have piped water to ensure watering of the trees. Therefore the management has resolved to change the tree planting</i></p>	Fund account manager	Not-resolved	30/9/2019

	<p>Delayed Project – Gacathi-ini Primary School Gacatha-ini Primary School was allocated Kshs.1, 000,000 during financial year 2017/2018 for construction of 2 no. classrooms as per the project code list provided for audit. The kshs.1, 000, 000 allocated was disbursed to the project vide cheque number 6328 dated 20th June 2018. A physical verification exercise conducted on 27th February 2019 revealed the project was just starting over seven months since the funds were disbursed. No proper explanation was provided for the delay in</p>	<p><i>Response</i></p> <p><i>At the time of audit the project had just started due to the fact that in this particular school the space where the two no. classrooms were to be built had an old structure that the school needed to demolish owing to the limited space for the growth of the school. The school management therefore differed on whether to demolish or change the activity to have a story classroom instead of construction of 2 no. classrooms. These disagreements delayed the implementation of the project but after further consultations were made,</i></p>	Fund account manager	<i>resolved</i>
