I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

Mission

To provide leadership and policy direction for effective and efficient management of the Fund

II. FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

During the financial year Maara NG-CDF utilised Kshs 80,522,607 out of kshs 160,162,302 available for utilisation representing 50.3% absorption rate. This comprised compensation of employees at 65.9%, use of goods and services 65.1%, transfer to other government units 50.2%, other grants and transfers 46.8% .

The constituency has greatly benefitted from NG-CDF notably in the sectors of Education, sports, environment conservation and security.

During implementation of the projects, the constituency has encountered numerous challenges including: lack of proper planning by project management committees, lengthy and cumbersome procurement procedures as well as the corona virus pandemic.

To address these challenges we recommend that: more funds be set aside for monitoring and evaluation to enable NG-CDFC train project management committees on project planning, the NG-CDF Board ensures the category of NG-CDF for procurement purposes is moved upwards and employment of procurement assistants at NG-CDFC level

III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETERMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key development objectives of NGCDF-MAARA Constituency's 2018-2022 plan are to:

- a) To improve access to quality education
- b) To harness youth talent and empower them
- c) To cater for any unforeseen occurrences in the constituency
- d) To promote environmental sustainability in the constituency
- e) To enhance security in the constituency
- f) To improve tracking of implementation NG-CDF programmes
- g) To promote performance management and smooth running of the NG-CDF office

Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

Constituency Program	Objective	Outcome	Indicator	Performance
Access to quality education	To improve access to quality education	Increased enrolment in primary schools and improved transition to secondary schools and tertiary institutions	- number of usable physical infrastructure build in primary, secondary, and tertiary institutions - number of bursary beneficiaries at all levels	-A total of 6,000 students benefited from bursary - a constituent college of chuka university is nearly complete in Nturiri area of Maara constituency
Youth and Sports	To harness youth talent and empower them	Increase in youth talents in use and number of empowered youths	- number of forums held - number of sports initiatives supported	The forums and sports activities are to be undertaken once funds are availed
Emergency Support	To cater for any unforeseen	-reduced cases of closed	-number of institutions	8 institutions received funding

Security	To enhance security in the constituency	-reduced cases of insecurity -increase in number of offices done	- number of usable physical infrastructure build for security department	Availability of funds delayed the planned activities

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF – MAARA Constituency exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. Sustainability strategy and profile

Maara NGCDF as an organisation endeavours to ensure that its projects and activities are long term oriented and can survive even after the organisation is non existence. We ensure this by promoting quality education, gender equality reduced inequalities and ending poverty.

2. Environmental performance

Maara NG-CDF is committed to adhere to government agencies regulations on the environment and encourage the community to ensure low carbon emissions. This is achieved through public barazas and during PMC trainings.

The constituency is also participating in tree planting and water harvesting activities to increase forest coverage. We ensure partnering with government agencies in all activities related to environment.

3. Employee welfare

The constituency has regularly engaged its employees through staff meetings to ensure they raise their concerns which are then tabled before the NG-CDF committee for deliberations. We have ensured adherence in gender ratio during recruitment as well as adherence to labour laws in our engagements.

To ensure safety of our employees we ensure that they are well equipped with knowledge of what to do in case of any hazards and we are currently providing sanitizers, hand wash and face masks during these times of corona pandemic.

4. Market place practices-

Maara NG-CDF is committed to fair market competition where conflict of interest or political interference is not allowed. Our procurement chain is anchored on the procurement laws and regulations both at the NG-CDF level and the PMC level.

We ensure timely payment of suppliers as well as their participation during tender opening.

5. Community Engagements-

All the projects in MAARA constituency are identified through ward meetings. This has ensured that the community owns the projects we undertake.

Maara NG-CDF has continuously promoted education through construction of learning institutions, renovation of such institutions and award of bursary to needy and poor students from the constituency. We also promote sports by organising sports tournament within the constituency where the winning teams are awarded trophies and all the participating teams are awarded uniforms, balls and nets.

During the financial year a number of learning institutions have been identified to undertake water harvesting activities in their institutions.

V. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-MAARA Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-MAARA Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *entity's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity's financial position as at that date. The Accounting Officer in charge of the NGCDF-MAARA Constituency further confirms the completeness of the accounting records maintained for the *entity*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-MAARA Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF-MAARA Constituency financial statements were approved and signed by the Accounting Officer on 31st August 2020.

REPORT OF THE AUDITOR-GENERAL ON THE NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - MAARA CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of the National Government Constituencies Development Fund - Maara Constituency set out on pages 11 to 53, which comprise the statement of assets and liabilities as at 30 June, 2020, and the statement of receipts and payments, statement of cash flows and summary statement of appropriation: recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund- Maara Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1.0 Project Management Committee (PMC) Bank Balances

Note 6 and 7 to the financial statements reflects Kshs.39,577,027 and Kshs.30,701,500 in respect to transfer to other government entities and other grants and other transfers respectively both totaling to Kshs.70,278,527 which includes Kshs.9,707,506 reflected at Note 17.4 and Annex 5 as project Management Committee (PMC) bank balances being the unspent project funds held by various

institutions. However, the respective cashbooks, bank certificates and bank reconciliation statements were not provided for audit review contrary to Sections 100 and 90(1) of the Public Finance Management (National Government) Regulations, 2015 which stipulates that accounting officers shall keep in all offices concerned with receiving cash or making payments, a cash book showing the receipts and payments and shall ensure that bank accounts' reconciliations are completed for each bank account held by that Accounting Officer, every month.

In the circumstances, the existence and accuracy of the Kshs.9,707,506 as PMC bank balances as at 30 June, 2020 could not be ascertained. In addition, the Fund management is in breach of the law.

2.0 Bursaries

Note 7 to the financial statements for the year under review reflects Kshs.30,701,500 in respect to other grants and other transfers which includes Kshs.17,133,000, Kshs.9,480,000 and Kshs.108,500 in respect of bursaries to secondary schools, tertiary institutions and special schools respectively all totaling to Kshs.26,721,500. However, only bursaries totaling Kshs.5,844,500 (22%) were acknowledged by the respective beneficiary Institutions through issuance of acknowledgement receipts while bursaries totaling Kshs.20,877,000 (78%) were not acknowledged or accounted for by the recipient institutions.

Further, included in the Kshs.26,721,500 is Kshs.6,290,000 paid to students who were joining form one. However, students admission numbers and sub-location/ ward were not indicated in the bursary disbursement schedule provided for audit review.

In the circumstances, the accuracy, validity, propriety and value for money for the Kshs.26,721,500 expenditure for the year ended 30 June, 2020 could not be confirmed.

3.0 Cash and Cash Equivalents

Note 10A to the financial statements reflects Kshs.10,271,970 in respect to cash and cash equivalents as at 30 June, 2020. However, the respective bank reconciliation statements reflects un-presented cheques totaling to Kshs.39,530,021 which further includes stale cheques totaling to Kshs.6,027,181 which had not been replaced or reversed in the cashbook as at 30 June, 2020 thereby understating the cash and cash equivalents by the same amount.

In addition, the bank reconciliation statement reflects Kshs.1,920 in respect to payments in the bank which have not been entered in the cashbook thereby overstating the cash and cash equivalents by the same amount.

In the circumstances, the validity and accuracy of the cash and cash equivalents balance of Kshs.10,271,970 as at 30 June, 2020 could not be ascertained.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Maara Constituency in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1.0 Budgetary Control and Performance

The statement of comparative budget and actual amounts reflects final receipts budget and actual on comparable basis of Kshs.160,162,302 and Kshs.90,794,577 respectively resulting to an under funding of Kshs.69,367,725 or 57% of the budget.

Similarly, the actual expenditure reflects a balance of Kshs.80,522,607 against an approved budget of Kshs.160,162,302 resulting to an under-expenditure of Kshs.79,639,695 or 50% of the budget. The under funding and under performance affected the planned activities and may have impacted negatively on service delivery to the people of Maara.

2.0 Project Implementation Status

The summary statement of appropriation: development for the year ended 30 June, 2020 reflects Kshs.144,471,568 which was budgeted for implementation of projects. The project implementation status report made available for audit review shows that one hundred and forty-eight (148) projects worth Kshs.144,471,568 were budgeted to be implemented during the year under review. However, no project had been completed while sixty (60) projects worth Kshs.88,293,577 were ongoing and eighty-eight (88) projects worth Kshs.56,177,991 had not started as at 30 June, 2020. The under performance in project implementation affected the planned activities and may have impacted negatively on service delivery to the people of Maara.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness

and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1.0 Transfer to Other Government Entities

1.1. Fencing and Renovation of Classrooms at Nturiri Primary School

Note 6 to the financial statements reflects Kshs.39,577,027 in respect of transfer to other government entities which includes Kshs.17,477,027 in respect of transfers to primary schools which further includes Kshs.1,000,000 transferred to Nturiri Primary School. The funds were for fencing of school compound using concrete post, barbed wire and chain-link and renovations of three (3) classrooms, painting of iron sheets, plastering and fixing the floor. However, the work plan showing how the school intended to utilize the funds was not provided for audit review contrary to Section 15(4) of the National Government Constituencies Development Fund (Regulations), 2016 which stipulates that a project management committee shall prepare the requisite budgets and bills of quantities, assisted by relevant government officers and work plans showing how it intends to utilize the funds given to it for implementing the project, which shall be approved by a Constituency Committee before funds are released.

A physical verification carried out in the month of November 2020 revealed that the fence had not been completed and iron sheets were not painted. In addition, the project was not labeled contrary to Section 11 (1)(c) of the National Government Constituencies Development Fund (Regulations), 2016 which stipulates that a constituency committee shall ensure that projects are labelled in accordance with the guidelines issued by the Board.

In the circumstances, the Fund Management was in breach of the law.

1.2. Construction of an Ablution Block and a Septic Tank at Chogoria Complex Primary School

Note 6 of the financial statement reflects Kshs.39,577,027 in respect of transfer to other government entities which includes Kshs.17,477,027 in respect of transfers to primary schools which further includes Kshs.1,000,000 transferred to Chogoria Complex Primary School for the construction of an ablution block with 12 doors and a septic tank. However, work plan showing how the school intended to utilize the funds was not provided for audit review contrary to Section 15(4) of the National Government Constituencies Development Fund (Regulations), 2016 which stipulates that a project management committee shall prepare the requisite budgets and bills of quantities, assisted by relevant government officers and work plans showing how it intends to utilize the funds given to it for implementing the project, which shall be approved by a Constituency Committee before funds are released.

Further, documents showing that the PMC opened a separate bank account for the project were not provided for audit review contrary to Section 29(3) of the National Government Constituencies Developments Fund (Regulations), 2016 which stipulates that a constituency committee shall ensure that the project management committee opens a bank account in an approved bank for each approved project.

A physical verification carried out in the month of November, 2020 revealed that the PMC was constructing a bio-digester instead of a septic tank and a ten (10) door ablution block instead of a twelve (12) door that was approved. Evidence showing approval and justification for the change in scope of the project by the constituency committee was not provided for audit review contrary to Section 6(2) of the National Government Constituencies Development Fund Act, 2015 which stipulates that once funds are allocated for a particular project, they shall remain allocated for that project and may only be re-allocated for any other purpose during the financial year with the approval of the Board.

In the circumstances, the Fund Management was in breach of the law.

2. Emergency Construction of a Toilet at Kaganjo Primary School

Note 7 to the financial statements reflects Kshs.30,701,500 in respect of other grants and other transfers which includes Kshs.3,980,000 in respect to emergency projects which further includes Kshs.200,000 paid to Kaganjo Primary School's for the construction of toilets. However, physical verification carried out in the month of November 2020 revealed that doors to the toilets had not been fitted and the contractor was not on site while the project appears to have stalled. Further, it was observed that pupils and teachers were using the old toilets an indication that the project may not have been an emergency contrary to Section 8(3) of the National Government Constituencies Development Fund Act, 2015 which stipulates that emergency shall be construed to mean an urgent, unforeseen need for expenditure for which it is in the opinion of the committee that it cannot be delayed until the next financial year without harming the public interest of the constituents.

In the circumstances, the Fund Management was in breach of the law.

3. Fixed Assets

Annex 4 to the financial statements reflects a balance of Kshs.4,639,939 in respect to historical cost of the fixed assets as at 30 June, 2020. However, review of the fixed assets register and physical verification of the assets revealed that the assets were not tagged for ease of identification and movement contrary to Section 139 (1)(2) of the Public Finance Management (National Government) Regulations, 2015 which stipulates that the Accounting Officer of a National Government entity shall take full responsibility and ensure that proper control systems exist for assets and that preventative mechanisms are in place to eliminate theft, security threats, losses,

wastage and misuse by ensuring that movement and conditions of assets can be tracked by putting in place processes and procedures both electronic and manual for the effective, efficient, economical and transparent use of the government entity's asset.

In the circumstances, the security, location and condition of the fixed assets as at 30 June, 2020 could not be ascertained. In addition, the Fund Management was in breach of the law

4. Presentation of the Financial Statements

The Fund's financial statements did not include the sub-county accountant's Institute of Certified Public Accountant (ICPAK) membership number contrary to the Public Sector Accounting Standards Board (PSASB) template issued in June, 2020.

In the circumstances, the presentation of the Fund's financial statements for the year under review is not in conformity with the PSASB prescribed format.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines

is necessary to enable the preparation of financial statements that are free from material misstatement, and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management either intends to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the Fund's financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion with limited assurance as to whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of noncompliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements

represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

XIV SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-MAARA Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.
