Dear Sir,

RE: RESOLUTIONS OF THE ASSEMBLY

The County Assembly of Nyeri is the Legislative Arm of the County Government of Nyeri established under Article 176 of the Constitution of Kenya 2010.

During the morning sitting of Friday 2nd September, 2016, the County Assembly considered the motion for the removal of Hon. James Nderitu Gachagua from the office of the County Governor of Nyeri.

The Motion was passed on the same day and the Assembly resolved as follows;

That Hon. James Nderitu Gachagua be removed from office of the County Governor of Nyeri, pursuant to Article 181(1)(a), (b), (c) of the Constitution of Kenya, 2010, Section 33 of the County Governments Act 2012 and Standing Order 60 of the County Assembly of Nyeri Standing Orders on the following grounds:-

A. Gross violation of the Constitution of Kenya 2010, The County Governments Act 2012, the Public Finance Management Act 2012 and the Public Procurement and Disposal Act 2005

- 1. The Governor, being the Chief Executive of the County, failed to account or make proper disclosure of Kshs. 352, 976, 913/=contrary to Article 201(a) of the Constitution of Kenya 2010 and Section 104(1)(i) of the Public Finance Management Act, 2012.**

According to the Annual Budget Implementation Status Report for the financial year 2015/2016, a sum of Kshs. 1, 161, 269,008 was utilized under the development expenditure. However, the projects expenditure in the same report amount to Kshs. 808, 292, 895/= leaving a sum of Kshs. 352, 976, 913 unaccounted for.

Secondly, according to the monthly exchequer release report from the office of the controller of budget dated 11th July, 2016, the total exchequer issues as at 30th June, 2016 amounted to Kshs. 5, 687, 473, 118 against what the County Treasury reported in the Annual Budget Implementation Status Report for the financial year 2015/2016i.e. Kshs. 4, 840, 770, 218 resulting to the undisclosed amount of Kshs. 846, 702, 900/=.

2. Utilizing local revenue at source contrary to Article 207 of the Constitution of Kenya 2010 and Section 109 of the Public Finance Management Act, 2012.

In the County Governments Budget Implementation Review Report (First Quarter fy 2015/2016 from the office of the Controller of Budget, it is reported that Nyeri County utilized the locally collected revenue at source in contravention of the law. The controller of budget during the first quarter of the fy 2015/2016, authorized for withdrawal a sum of kshs. 545,000,000 into the operations account. However, the County spent 615, 143, 048 which is 70,000,000 in excess of what the controller of budget had authorized.

3. Irregular procurement contrary to the Public Procurement and Disposal Act, 2005

- (i) Under the stewardship of the Governor, the County Executive in violation of the Public Procurement and Disposal Act, 2005 issued County Government tenders without due regard to the procurement process and therefore the tender award was not fair, equitable, transparent, competitive and cost effective contrary to Article 227 of the Constitution of Kenya 2010. The Governor later formed a task force to regularize the irregular procurement of various tenders in regard the construction of roads within the County.
- (ii) Process of procuring Karson House Building contravened the Public Procurement and Disposal Act,2005 in that a taskforce was formed which identified the building without using the recommended procurement procedure.

4. Lack of prudence in refurbishment of buildings amounting to 81,384,118.40 in contravention of Article 201(d) of the Constitution of Kenya 2010 and section 104(1)(i) of the Public Finance Management Act, 2012

Contrary to Article 201(d) of the Constitution of Kenya 2010 that requires public money to be used in a prudent and responsible way, the County Executive under the watch of the Governor, spent a sum of Kshs. 29,173,582.4 renovating Karson's house, a building partly rent-

ed by the County Government and a sum of Kshs. 41, 340, 946 to renovate the Governor's office. The total amount spent on renovation and the rent for Karson's house of Kshs. 10, 866,240 would have been sufficient to construct a modern office block for the County Government.

5. Splitting of tenders contrary to Section 30 of the Public Procurement and Disposal Act, 2005

Contrary to Section 30 of the Act which states that no procuring entity may structure procurement as two or more procurements for the purpose of avoiding the use of procurement procedure, the County Executive, under the stewardship of the Governor split the tender for the refurbishment of Karsons Photo House into four:-

- i. Proposed refurbishment of 1st and 2nd floors of Karson Photo House contract of kshs.14, 098,860.40.
- ii. Electrical installation works contract of kshs.6, 583,552.
- iii. Plumbing, drainage and fire protection services contract of kshs.2, 333,800.
- iv. Telecommunications installation works contract of kshs.6, 157,370.

The tender for refurbishment of Governors Office was split into five ;-

- i. Refurbishment and alterations contract of kshs.19,993,220.
- ii. Supply, installation, testing and commissioning of electrical installation works contract of kshs.8,123,880.
- iii. Plumbing, drainage and fire protection services contract of kshs.4,514,837.
- iv. Air conditioning installation kshs.2, 143,466.
- v. Telecommunication installation works contract of kshs.6, 496,530.

6. Lack of prudence in use of public funds contrary to Section 201(d) of the Kenya Constitution and Section 104(1)(i) of the Public Finance Management Act,2012

Under the stewardship of the Governor, a construction of a non-motorized facility – Kamakwa to Nyeri Town along Baden Powell Road, Nyeri Town to Meeting Point Section along Kenyatta Road was undertaken.

The County Government awarded the contract at a cost of kshs.48,744,467.55 against the Engineers estimate of kshs.38,638,342 resulting to a variance of kshs.10,106,125.55. The cost was grossly exaggerated.

7. Failure to establish the County Budget and Economic Forum as stipulated under Section 137 of the Public Finance Management Act, 2012;

The Governor has failed to establish the County Budget and Economic Forum. As a result, there has been poor consultation with the public on matters related to County plans, county fiscal strategy paper, budget review and outlook paper, matters relating to budgeting, the economy and financial management at financial level.

8. Undermining the legislative authority of the County Assembly contrary to Article 185 of the Constitution of Kenya 2010 and delaying the budget making process.

The stalemate in regard to the Nyeri County Budget fy 2016/2017 is as a result of the County Executive failing to carry out the budget process in a timely manner and in accordance with the law as provided for under Section 129(5) of the PFM ACT. The Assembly having passed the Budget Estimates for the fy 2016/2017, the County Executive Committee Member for Finance was to forward an appropriation Bill to the Assembly as soon as the budget estimates were approved in accordance with Section 129(7) of the PFM Act.

The Governor has completely disregarded the Assembly in the budget making process hence the delay in the passing the appropriation Bill.

9. Failure to consider and/or assent to County Bills passed by the County Assembly contrary to Section 30(2)(g) of the County Governments Act 2012

The Governor has completely failed, neglected and/or ignored his mandate of considering and/or assenting to Bills passed by the County Assembly.

A total of 7 Bills, were neither considered nor assented to by the Governor despite having been passed and forwarded to the Governor in accordance with Section 24 of the County Governments Act. The Bills are as follows:-

- (i) The Nyeri County Co-operative Societies Bill, 2015
- (ii) The Nyeri County Tea Cess Bill, 2016
- (iii) The Nyeri County Agricultural Development Fund Bill, 2016
- (iv) The Nyeri County Elimu Fund Bill, 2015
- (v) The Nyeri County Ward Development Fund Bill, 2015
- (vi) The Nyeri County Water and Sewerage Services Bill, 2015
- (vii) The Nyeri County Enterprise Development Fund Bill, 2015

B. FAILURE TO COMPLY WITH LAW

- (i) The County Governor violated Article 41(1) of the Constitution of Kenya 2010 that ensures every person the right to fair labour practices and

Section 19 of the Employment Act by failing to remit and/or delaying the remittance of statutory deductions of County Officers i.e NHIF, NSSF, voluntary pension contributions and political parties remittances.

- (ii) Further, under the stewardship of the Governor, the County Executive contravened Section 109(4)(b) of the Public Finance Management Act by deliberately delaying the release of salaries for the month of July, 2016 for the Members of County Assembly and Staff of the County Assembly.
- (iii) The Governor has failed to define the responsibilities to every member of the County Executive Committee by notice in the gazette contrary to Section 30(2)(i) of the County Governments Act.
- (iv) The Governor established extra sub-counties in Nyeri County in contravention of Section 48(1)(b) of the County Governments Act and without the approval of the Assembly.
- (v) The Governor, in the composition of the County Executive Committee, violated the Constitution and the law by failing to consider the gender parity, representation of the minorities, marginalized, the community and cultural diversity.

C. ABUSE OF OFFICE/ GROSS MISCONDUCT

The Governor has made several irregular appointments in the County as follows:-

- (i) The Governor has appointed a County Secretary in acting position for an indefinite period of time contrary to Section 44 and 64 of the County Governments Act. The County Assembly through a motion resolved that having found the Acting County Secretary Alice Njami Wachira unqualified and unsuitable to hold the said position, that she vacates the office forthwith and competitive sourcing be commenced by the lawful appointing authority immediately. Further that pending competitive sourcing of the County Secretary, a qualified and competent person be appointed to act in the office of County Secretary for a period not exceeding three months. The Governor blatantly ignored the Assembly's resolution and hence the acting County Secretary is still in office, despite the fact that she has not been vetted and approved by the County Assembly.
- (ii) Further, the County Public Service Board has been conducting its function in absence of the Chairperson and Secretary for a very long period of time. The Governor, in violation of Section 58 of the

County Governments Act has purportedly and unlawfully appointed an acting secretary from among the officers of the County Government who has not been vetted and approved by the County Assembly.

- (iii) In addition, the Governor has for a long duration of time operated with perennial acting County Executive Committee Members and acting Chief Officers who have not been vetted by the County Assembly thereby jeopardizing service delivery and accountability in the County.

We forward the resolution, as well as a copy of the Motion and the roll call voting registers for your necessary action.

Yours Sincerely,

Jenard N. Mwiggeh

- iii. Plumbing, drainage and fire protection services contract of kshs.4,514,837.
- iv. Air conditioning installation kshs.2, 143,466.
- v. Telecommunication installation works contract of kshs.6, 496,530.

6. Lack of prudence in use of public funds contrary to Section 201(d) of the Kenya Constitution and Section 104(1)(i) of the Public Finance Management Act,2012

Under the stewardship of the Governor, a construction of a non-motorized facility – Kamakwa to Nyeri Town along Baden Powell Road, Nyeri Town to Meeting Point Section along Kenyatta Road was undertaken.

The County Government awarded the contract at a cost of kshs.48,744,467.55 against the Engineers estimate of kshs.38,638,342 resulting to a variance of kshs.10,106,125.55. The cost was grossly exaggerated.

7. Failure to establish the County Budget and Economic Forum as stipulated under Section 137 of the Public Finance Management Act, 2012;

The Governor has failed to establish the County Budget and Economic Forum. As a result, there has been poor consultation with the public on matters related to County plans, county fiscal strategy paper, budget review and outlook paper, matters relating to budgeting, the economy and financial management at financial level.

8. Undermining the legislative authority of the County Assembly contrary to Article 185 of the Constitution of Kenya 2010 and delaying the budget making process.

The stalemate in regard to the Nyeri County Budget fy 2016/2017 is as a result of the County Executive failing to carry out the budget process in a timely manner and in accordance with the law as provided for under Section 129(5) of the PFM ACT. The Assembly having passed the Budget Estimates for the fy 2016/2017, the County Executive Committee Member for Finance was to forward an appropriation Bill to the Assembly as soon as the budget estimates were approved in accordance with Section 129(7) of the PFM Act.

The Governor has completely disregarded the Assembly in the budget making process hence the delay in the passing the appropriation Bill.

9. Failure to consider and/or assent to County Bills passed by the County Assembly contrary to Section 30(2)(g) of the County Governments Act 2012

The Governor has completely failed, neglected and/or ignored his mandate of considering and/or assenting to Bills passed by the County Assembly.

A total of 7 Bills, were neither considered nor assented to by the Governor despite having been passed and forwarded to the Governor in accordance with Section 24 of the County Governments Act. The Bills are as follows:-

- (i) The Nyeri County Co-operative Societies Bill, 2015
- (ii) The Nyeri County Tea Cess Bill, 2016
- (iii) The Nyeri County Agricultural Development Fund Bill, 2016
- (iv) The Nyeri County Elimu Fund Bill, 2015
- (v) The Nyeri County Ward Development Fund Bill, 2015
- (vi) The Nyeri County Water and Sewerage Services Bill, 2015
- (vii) The Nyeri County Enterprise Development Fund Bill, 2015

B. FAILURE TO COMPLY WITH LAW

- (i) The County Governor violated Article 41(1) of the Constitution of Kenya 2010 that ensures every person the right to fair labour practices and Section 19 of the Employment Act by failing to remit and/or delaying the remittance of statutory deductions of County Officers i.e NHIF, NSSF, voluntary pension contributions and political parties remittances.
- (ii) Further, under the stewardship of the Governor, the County Executive contravened Section 109(4)(b) of the Public Finance Management Act by deliberately delaying the release of salaries for the month of July, 2016 for the Members of County Assembly and Staff of the County Assembly.

- (iii) The Governor has failed to define the responsibilities to every member of the County Executive Committee by notice in the gazette contrary to Section 30(2)(i) of the County Governments Act.
- (iv) The Governor established extra sub-counties in Nyeri County in contravention of Section 48(1)(b) of the County Governments Act and without the approval of the Assembly.
- (v) The Governor, in the composition of the County Executive Committee, violated the Constitution and the law by failing to consider the gender parity, representation of the minorities, marginalized, the community and cultural diversity.

C. ABUSE OF OFFICE/ GROSS MISCONDUCT

The Governor has made several irregular appointments in the County as follows:-

- (i) The Governor has appointed a County Secretary in acting position for an indefinite period of time contrary to Section 44 and 64 of the County Governments Act. The County Assembly through a motion resolved that having found the Acting County Secretary Alice Njamiu Wachira unqualified and unsuitable to hold the said position, that she vacates the office forthwith and competitive sourcing be commenced by the lawful appointing authority immediately. Further that pending competitive sourcing of the County Secretary, a qualified and competent person be appointed to act in the office of County Secretary for a period not exceeding three months.

The Governor blatantly ignored the Assembly's resolution and hence the acting County Secretary is still in office, despite the fact that she has not been vetted and approved by the County Assembly.

- (ii) Further, the County Public Service Board has been conducting its function in absence of the Chairperson and Secretary for a very long period of time. The Governor, in violation of Section 58 of the County Governments Act has purportedly and unlawfully appointed an acting secretary from among the officers of the

County Government who has not been vetted and approved by the County Assembly.

- (iii) In addition, the Governor has for a long duration of time operated with perennial acting County Executive Committee Members and acting Chief Officers who have not been vetted by the County Assembly thereby jeopardizing service delivery and accountability in the County.
