I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) formerly Constituencies Development Fund (CDF), is established under the NG-CDF Act 2015 as amended in 2016. The Act is a successor to the Constituencies Development Fund (CDF) Act of 2003 which initiated the Fund and its subsequent amendments/reviews of 2007 and 2013. At cabinet level, NG-CDF is represented by the Cabinet Secretary for the Treasury, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

II. NG-CDFC CHAIRMAN'S REPORT

Augustine Loribo, Chairman
NGCDFC Tiaty Constituency

I am pleased to present the financial statements for Tiaty Constituency for the financial year ended 30th June 2021. Tiaty Constituency is one of the six Constituencies in the larger Baringo County. Tiaty is generally vast characterized by a rough mountainous terrain, harsh semi-arid climatic conditions, remoteness and poor road infrastructure. The people of Tiaty are predominantly pastoralists in which their livelihoods depend on livestock.

BUDGET PERFORMANCE

The Constituencies Development Fund Act 2015 requires that at least 2.5% of the National Government share of Ordinary Revenue be allocated to the Board as a statutory obligation. During FY 2020/2021 Tiaty NGCDF was allocated a total of Kshs. 137,088,879. The Constituency received Ksh 92,000,000 by end of the financial year out of a budget of Ksh 137,088,879. The Fund disbursed all the funds received from the Board during the year except for Kshs. 47,757,713 which are still in our KCB account as at 30th June, 2021.

The Fund has strived to achieve its core mandates by ensuring timely and efficient disbursement of funds to all the project management committees.

The Compensation of Employees utilization stands at 77%, use of Goods and Services at 73%, Transfers to other Government Units at 51%, Other grants and transfers at 63% and Acquisition of Assets at 27% because only Ksh. 92,000,000.00 was received by end of the financial year.

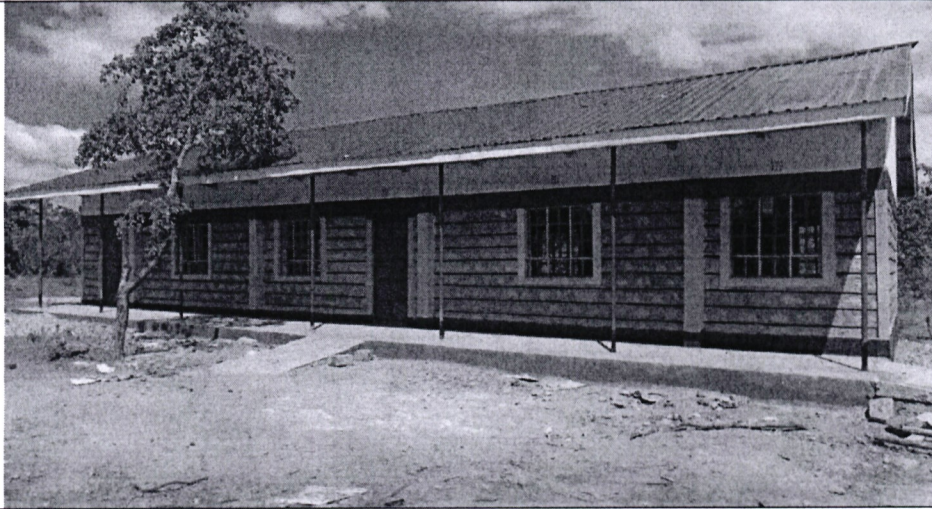

The remaining balance of Ksh. 45,088,879 was disbursed after the closure of financial year 2020/2021.

KEY ACHIEVEMENTS DURING 2020/2021 FY

Tiaty CDFC has intensified monitoring and Evaluation of projects for prudent management of the Fund. Intense monitoring and evaluation has in effect reduced the time taken to complete our projects. For instance, Loruk Chief Office Project whose completion time and quality improved greatly with our regular monitoring and evaluation.

KEY IMPLIMENTATION CHALLENGES.

Due to the rough mountainous terrain, harsh semi-arid climatic conditions, remoteness and poor road infrastructure our efforts to undertake and intensify regular monitoring and evaluation is greatly hampered. Instead every NGCDFC member representing wards across the constituency is encouraged to keep close contact with the ongoing projects and accordingly shares his or her findings during NGCDFC meetings for action by the committee.

Thank you.

III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key development objectives of Tiaty Constituency 2018-2022 plan are to:

- a) Strengthen security, tranquillity and promote cohesive coexistence amongst the communities to create an enabling environment for development.
- b) Promote access to quality and affordable education.
- c) Promote quality and affordable health care.
- d) Improve productivity to attain food security and human dignity.
- e) Deliver a world class infrastructure development for economic growth.
- f) Promote access to safe and affordable water for commercial domestic and livestock consumption
- g) Promote protection conservation and efficient exploitation of environment and natural resources.
- h) Mainstream youth and gender issues in development.

Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

Tiaty NG-CDF exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely, Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. Sustainability strategy and profile -

To ensure sustainability of Tiaty NG CDF, the committee funds the following key sectors with the following sustainable priorities.

- a. **Education and Training:** Tiaty NG-CDF focus on human capital for constituency development is entrenched in its strategy to support needy and bright students from each ward of the constituency. The intention is to empower the constituents such that in years to come, the beneficiaries at secondary school levels would have transitioned to Tertiary institutions while those at tertiary level would have transitioned to the job market as employees or employers thereby contributing positively to the economic growth of the constituency. This strategy takes care of both marginalised groups including girls and people living with disabilities.
- b. **Security Sector Support:** Among its key pillars; NGCDF has security as a priority area with intention to provide better working environment for the security providers within the constituency as well a secure constituency. The strategy is to have a long-term collaborative working approach that enhances community engagement in security activities. This is aimed at eliminating crime and vices in the long run by providing a better working environment for the law enforcement agencies while collaborating with community in trust on matters of security.
- c. **Environment:** The Constituency acknowledges that all its operation has an impact on environment. Cognizant of the Sustainable development goals, the NG-CDF has allocated part of its budget on environment conservation through activities such as tree planting, water conservation, sensitization forums for agro-forestry as well as best practices to reduce soil erosion.
- d. **Sports:** The NG-CDF has taken sports as a key pillar of cohesion and integration. To sustain this pillar, the strategy taken is that of developing skills through sports with intention of identifying, nurturing talent and encouraging physical fitness among the constituents.

To attain this level of sustainability, we acknowledge challenges currently arising from the effects of Covid- 19 that have adversely affected the sporting activities and thereby limiting the potential benefits envisaged in using sports as development strategy within the constituency. On macro levels FY 20/21 has been a challenging year with limited funding towards these activities which may hamper the success of priority strategies undertaken.

2. Environmental performance

As we engage on protection of environment particularly in our arid and semi-arid areas of Tiaty as guided by the NGCDF Board we have successfully build gabions to arrest soil and river bank degradation. Tree planting has been faced with challenges as most trees planted are affected by irregular weather patterns

3. Employee welfare

We invest in providing the best working environment for our employees. Tiaty constituency recruitment is guided by Employment Act, NGCDF Act and other regulations as issued from time to time. In line with the law and regulations, the Constituency offers equal opportunity to all while adhering to the one third gender rule and special groups. We also Recognize and appreciate of our employees for exemplary performance. The reward and sanctions system is based on performance

appraisal. The constituency promotes a healthy lifestyle and provides all employees with health insurance cover through a reliable insurance Scheme. Employees are encouraged and supported to continually build on their skills and knowledge. Tiary constituency invests in capacity building programs for employees. These include courses on technical competencies relevant to each employee and continuous sensitization on cross cutting issues.

The committee has a policy on safety in compliance with Occupational Safety and Health Act of 2007, (OSHA) and has ensured the work environment is conducive for everybody in terms of movement and accessibility within the office. The Constituency has also put in place disaster mitigating measures including fire extinguishers and accessible escape routes in case of emergency.

4. Market place practices-

Tiary NGCDF Constituency is committed to fair and ethical market practises.

The Procurement of goods and services is done through a transparent and competitive bidding process that allows equal opportunities to all participants. We support local vendors drawn from the constituency for purposes of uplifting them economically. Our ethical market practises ensure the fund get value for money on all goods and services procured.

We are also committed to healthy relations with our suppliers which is enhanced through organized sensitization forums that relate to the procurement legal framework and ethical subject matters. We are dedicated to honouring all contracts and settling payments promptly.

NGCDF has put in efforts to ensure:

- a) Responsible competition practice by encouraging fair competition and zero tolerance to corruption
- b) Good business practice including cordial Supply chain and supplier relations by honouring contracts and respecting payment practices.
- c) Responsible marketing and advertisement
- d) Product stewardship by safeguarding consumer rights and interests

5. Community Engagements-

Tiary NGCDF has endeavoured to sustain community engagement through CSR as well as appreciating our existence through engaging local contractors and suppliers when necessary. We have also engaged the community through sports and community projects.

Public Participation in Project Identification and Implementation and Monitoring

The NG-CDFC deliberated on project proposals from all the wards in the constituency and considered the most beneficial to the constituency, considering the national development plans and policies and the constituency strategic development plan. The identified list of priority projects, both immediate and long term, was submitted to the NG CDF Board in accordance with the Act.

Public participation is the process that directly engages the concerned stakeholders in decision-making and gives full consideration to public input in making that decision.

The NG CDFC during bursary programme, engaged the community through the community leaders to identify the needy students to be awarded with the bursary.

Public Awareness

This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community-based needs assessments and public awareness campaigns and holding community meetings.

Tiary NG-CDF have continually practiced public participation and public awareness during project identification and proposal collections in all the wards in the constituency.

V. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the NGCDF-Tiaty Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-Tiaty Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *constituency's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2021, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF- Tiaty Constituency further confirms the completeness of the accounting records maintained for the constituency, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF Tiaty Constituency confirms that the constituency has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the *constituency's* financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF- Tiaty Constituency financial statements were approved and signed by the Accounting Officer on 17/09/2021.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - TIATY CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Tiaty Constituency set out on pages 14 to 69, which comprise of the statement of assets and liabilities as at 30 June, 2021 and the statement of receipts and payments, statement of cash flows and summary statement

of appropriation for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of National Government Constituencies Development Fund - Tiaty Constituency as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with the International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015.

Basis for Qualified Opinion

1. Cash and Cash Equivalents

The statement of assets and liabilities reflects bank balances (as per the cashbook) under Note 10A to the financial statements of Kshs.47,757,713. However, review of bank reconciliation statement as at 30 June, 2021 indicated payments in cash book not in bank statement (un-presented cheques) amounting to Kshs.6,286,234 out of which Kshs.90,000 related to stale cheques which had not been reversed in the cash book as at 30 June, 2021.

In the circumstances, the accuracy and completeness of the reported cash and cash equivalents balance of Kshs.47,757,713 as at 30 June, 2021 could not be confirmed.

2. Project Management Committee (PMC) Bank Balances

Annex 5 to the financial statements reflects Kshs.10,572,188 (2019/2020 - Kshs.14,597,577) in respect of PMC bank balances. However, funds amounting to Kshs.13,950,000 were transferred to the various PMCs bank accounts during the year whose closing balances were not disclosed in Annex 5. Further, the certificates of bank balances were not provided to confirm the closing balances as at 30 June, 2021.

In the circumstances, the accuracy and completeness of Kshs.10,572,188 in respect of PMC Bank Balance as at 30 June, 2021 could not be confirmed.

3. Unsupported Other Grants and Transfers

3.1 Sports Projects

Included in the other grants and transfers balance of Kshs.52,100,854 reflected in Note 7 to the financial statements is sports projects expenditure amount of Kshs.2,100,000. However, expenditure of Kshs.1,160,000 was not supported by documents such as, approved minutes by the Board, motor vehicle work tickets, certificates of participation to participants and photos to prove that the sports tournament took place.

3.2 Emergency Projects

Included under grants and other payments balance of Kshs.52,100,854 is an amount of Kshs.9,700,000 on emergency projects. Out of the expenditure, an amount of Kshs.7,100,000 was not supported with documents such as tenders, quotations, bills of quantities and certificates.

In the circumstances, the propriety, occurrence and completeness of expenditure of Kshs.1,160,000 for sports projects and Kshs.7,100,000 for emergency projects could not be confirmed.

4. Unsupported Transfer to Other Government Entities

4.1 Primary Schools Projects

The statement of receipts and payments and Note 6 to the financial statements reflects transfers to other Government entities balance of Kshs.57,136,570 which also includes an amount of Kshs.28,500,000 relating to transfers to Primary Schools. However, project files, procurement documents as tender opening minutes, evaluation minutes, bills of quantities, contract agreements and photos showing physical status of the project were not provided for review.

4.2 Secondary Schools Project

The statement of receipts and payments under Note 6 to the financial statements reflects an amount of Kshs.28,636,570 which includes Kshs.2,500,000 made to Kapunyany Secondary school for proposed construction of girl's dormitory block. The contract agreement between the contractor and the school was signed on 4 May, 2020. However, minutes for tender evaluation, tender award notification letter, valuation and completion of work certificates were not provided for review.

In the circumstances, the validity, accuracy and propriety of payments totalling Kshs.28,500,000 to primary schools and of Kshs.2,500,000 for works to a secondary school for the year ended 30 June, 2021 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Tiaty Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Other Matter

Budgetary Controls and Performance

The summary statement of appropriation reflects a final receipts budget for the year under review totalling Kshs.214,274,235 against total actual receipts of Kshs.169,185,356 resulting to budget under funding amounting to Kshs.45,088,879 or 27% of the budget. Similarly, the Fund expended a total of Kshs.122,281,756 against the approved budget of Kshs.214,274,236 resulting to budget under expenditure amounting to Kshs.91,992,480 or 43% of the budget.

The underfunding and under expenditure affected the planned activities and impacted negatively on service delivery to the citizens of the Tiaty Constituency.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Security Projects

Included in the security projects' balance of Kshs.2,975,000 in Note 7 to the financial statements is an expenditure of Kshs.380,000 incurred for the Kapedo East Chief's Office. However, the contract agreement signed on 18 October, 2020 was not supported with approvals for payments and valuation certificates.

In the circumstances, the regularity and lawfulness of the payments for the year ended 30 June, 2021 could not be determined.

2. Routine Maintenance (Vehicles and Other Transport Equipment)

The statement of receipts and payments under Note 5 to the financial statements reflects use of goods and services balance of Kshs.7,727,790 which in turn includes Kshs.1,090,077 on routine maintenance of vehicles and other transport equipment. However, out of this expenditure an amount of Kshs.601,188 was not supported by request for quotation and service orders.

In the circumstances, the validity and propriety of the payment of Kshs.601,188 on routine maintenance for the year ended 30 June, 2021 could not be confirmed.

3. Management of Bursary Funds

The statement of receipts and payments at Note 7 to the financial statements reflects other grants and other payments of Kshs.52,100,854. The amount includes Kshs.23,777,716 and Kshs.11,448,138 transferred to Secondary and Tertiary Institutions respectively. However, the following anomalies were noted:

i) Unaccounted for Bursary

A list of beneficiaries in support of the financial statement amounts revealed a total amount of Kshs.35,358,854 which differed with the reported amount of Kshs.35,225,854 resulting to an unexplained variance of Kshs.133,000.

ii) Non-Adherence to the Bursary Allocation Policy

Section 3 of the Tiaty Bursary Policy states that bursary shall be granted by the bursary committee and allocated as follows; 48% to day and boarding secondary schools, 50% to Tertiary and Colleges/University, 1% to special needs and 1% allocated to staff career development. However, an analysis of the amount of Kshs.35,358,854 issued during the year revealed that special needs category and staff were deprived of their scholarship benefits.

In the circumstances, Management was in breach of the bursary guidelines.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are complying, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund's to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

XI. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits (gratuity and retentions).

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-Tiaty Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the entity for all the years presented.

a) Recognition of Receipts

The entity recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the Entity.

Transfers from the National Government Constituency Development Fund (NG-CDF)

Transfers from the NG-CDF to the constituency are recognized when cash is received in the Constituency account.

Proceeds from Sale of Assets

Proceeds from disposal of assets are recognized as and when cash is received in the constituency account.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from sale of tender documents, rent receipts, interest earned on bank balances, hire of Plant/Equipment/Facilities, Unutilized funds from PMCs among others.

Unutilized Funds from PMCs.

All unutilized funds of the Project Management Committee (PMC) are returned to the constituency account. Unutilized funds from PMCs are recognised as other receipts upon return to the constituency account.

External Assistance

External assistance refers to grants and loans received from local, multilateral and bilateral development partners. In the year under review there was no external assistance received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each constituency and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

5. In-kind contributions

In-kind contributions are donations that are made to the constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the constituency includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents.

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, Deposits (gratuity and retentions) held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Gratuity earned on monthly is held on behalf of the employee and later paid at the end of the contract period. This is an enhancement to the cash accounting policy adopted by National Government Constituencies Development Fund as prescribed by PSASB. Other liabilities including pending bills are disclosed in the financial statements.

**Tiary Constituency
National Government Constituencies Development Fund (NGCDF)
Reports and Financial Statements for The Year Ended June 30, 2021**

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the entity at the end of the financial year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest which is accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on 01 June 2020 for the period 1st July 2020 to 30th June 2021 as required by law. Included in the adjustments are Cash book opening balance, AIA generated during the year and constituency allocations not yet disbursed at the beginning of the financial year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2021.

14. Errors

Material prior period errors are corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa.

PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor and subsequent progress made on the resolution of the issues. The management of NGCDF Tiaty had not received the audit certificate of the 2019/20 financial year by the time of preparing this financial report. However, the progress on follow up of auditor recommendations is based on the draft report issued.

4.1 Unsupported Bursary to Secondary Schools	Included in the amount is bursary to secondary schools of Kshs. 19,560,361. However, the schedule supporting the amount did not disclose the names and admission numbers of the beneficiary students for whom the bursary was paid. Consequently, the accuracy and validity of the balance of Kshs. 19,560,361 in bursary to secondary schools for the year ended 30 June, 2020 could not be confirmed.	See attached Schedule of Secondary School Bursary.	Resolved	30/06/2021
4.2 Unsupported Bursary to Tertiary Institutions	Other grants and transfers includes bursary to tertiary institutions of Kshs. 7,543,000. However, the schedule supporting the amount did not disclose names and admission numbers of the beneficiary students for whom bursary was paid. Consequently, the accuracy and validity of the balance of Kshs. 7,543,000 in bursary to tertiary institutions for the year ended 30 June, 2020 could not be confirmed.	See attached Schedule of Tertiary Institutions Bursary.	Resolved	30/06/2021
5.0 Unsupported Expenditure on Transfers to Secondary	The statement of receipts and payments for the financial year ended 30 June, 2020 reflects expenditure of Kshs. 74,180,000 in respect of transfers to other government units as detailed under note 6 of the	See Table 5.0 attached. However, evidence for payment for the service or receipt of the lockers were not provided as shown below: Consequently, the accuracy and occurrence of the expenditure of Kshs. 5,507,970 from the emergency reserve for the year ended 30 June, 2020 could not be confirmed.			
6.0 Bank Balance	The statement of assets and liabilities as at 30 June, 2020 reflects bank balance of Kshs. 7,117,632 and as disclosed under note 10A to the financial statements. However, the certificate of bank balance as at that date has not been provided for audit verification. Further, the bank reconciliation statement as at that date reflects payments in the cashbook not in bank statements of Kshs. 8,145,380 which includes two stale cheques amounting to Kshs. 3,650. No reason has been given for failure to reverse the cheques in the cashbook. Consequently, the accuracy and validity of the bank balance of Kshs. 7,117,632 as at 30 June, 2020 could not be confirmed.	As at end of financial year when the rest of stale cheques were being reversed the two stale cheques amounting to Kshs. 3,650 were erroneously omitted. The cheques were later reversed on 31/07/2020 and cash book updated accordingly. See bank reconciliation statement as at 31/07/2020.		
7.0 Prior Year Adjustment	The statement of assets and liabilities as at 30 June, 2020 reflects prior year adjustments of Kshs. 1,380,997 as detailed under note 14 to the financial statements.	The prior year adjustment relates to the unpresented cheques that were reversed and cash book updated.	Resolved	30/06/2021

	<p>However, the nature of the adjustment has not been explained. Further, the balance should be reflected in the comparative figures not current year column in accordance with clause 48 of IFSAS 3 which states a prior period error shall be corrected by retrospective restatement except to the extent that it is impracticable to determine either the period specific effects or the cumulative effect of the error.</p> <p>Consequently, the prior year adjustments of Kshs. 1,380,997 as at 30 June, 2020 is not fairly stated.</p>			
<p>8.0 Inaccurate Project Management Committee Bank Balances</p>	<p>Annex 2 to the financial statements reflects Project Management Committee (PMC) bank balances of Kshs. 14,597,576 as at 30 June, 2020. The amount represents balances of bank statements of 19 schools. However, the bank statements of the schools reflect a total of Kshs. 23,257,918, leading to a variance of Kshs. 8,660,342 which has not been reconciled or explained.</p> <p>Consequently, the accuracy and completeness of the PMC bank balances of Kshs. 14,597,576 as at 30 June, 2020 could not be confirmed.</p>	<p>The management of Tiati NGCDF undertakes to carry out reconciliation of the PMC balances.</p> <p>The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). 2.1 Project Implementation Status	<p>The project status report indicated that a total of Kshs. 137,367,724 was allocated for 81 projects during the financial year ended 30 June, 2020. Scrutiny of the project implementation status report revealed as follows:</p> <p>From the above analysis, no project had been completed due to security challenges in the constituency and 44 projects had not been started due to delayed disbursement of funds from the National Government Constituency Development Fund Board. Consequently, the delay in implementation of projects may impact negatively on delivery of goods and services to the residents of Tiaty Constituency.</p>	The management of Tiaty NGCDF undertakes to follow up the implementation of the projects to completion.
