I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

Mission

To provide leadership and policy direction for effective and efficient management of the Fund

II.FORWARD BY THE CHAIRMAN NGCDF COMMITTEE

Annual Constituency Allocation

I am pleased to present to you reports and financial statements for Ol-Joro-Orok Constituency for the financial year ended 30th June 2020. During the year, the Constituency was allocated a total of Ksh221,508,978.

On receipt of the above allocations, Ol-Joro-Orok National Government Constituencies Development Fund Committee (NGCDFC) pursuant to the provisions of the National Government CDF Act 2015, as amended in 2016, met and allocated funds to various projects with reference to the priorities of the public participation meetings held across the Constituency. It is noteworthy that during the FY 2019/2020, we received Kshs 157,040,875 and these funds were then disbursed to earmarked projects.

Sector Prioritization

During the year, a total of Kshs 221,508,978 was allocated being Compensation of employees at Kshs 4,580,347, Use of goods at Kshs 14,896,131, Transfers to other Government Units which consist of transfers to primary schools, secondary schools and tertiary institutions at Kshs 82,164,939, Other grants and transfers which consists of Bursary, sports, and emergency at Kshs 112,681,465, acquisition of assets of Kshs 4,096,000 and Other Payments of Kshs 3,090,097.

Achievements and Major Undertakings

The continued funding towards the education sector in the Constituency has contributed to increased enrolment in primary and secondary institutions whilst increasing retention and transition rates while equally reducing the burden of education for low income families. Another major project undertaken during the year is the Munga Primary School which is located in Charagita Ward and is 100 per cent complete.

Due to High Need of Education, we constructed a teachers quarter in gatimu mixed day secondary school to transform it to a boarding school as shown in the above diagram in gatimu ward.

Budgetary Appropriations

During the financial year 2019/2020, the overall budget utilization stood at 74 percent based on the funds received. This was achieved due to expeditious disbursement of funds received to earmarked projects by the NGCDF Committee. During the period Kshs 157,040,875 was received against the total allocation of Kshs 221,508,978

Development Planning

The Constituency Development Funds continue to draw interest of beneficiaries and communities alike. This has seen the receipt of many proposals from communities spanning various sectors. To ensure focus and expedite Constituency development, the Committee is reviewing its strategic plan which is a formalized road map that spells out where the Constituency is going over the next five years in project identification, implementation and management taking cognizance of the global Sustainable Development Goals, Kenya Vision 2030 and related County Integrated Development Plans. The NG-CDF Committee is convinced that the strategic plan shall help the Constituency in setting priorities, focusing energy and resources, strengthening operations and ensuring that the Committee, its employees and other stakeholders are working towards a common goal and results.

Challenges

OLJOROOROK CONSTITUENCY

Reports and Financial Statements

For the year ended June 30, 2020

Despite the above impressive performance and plans, the Committee has noted various challenges in project implementation and management during the FY 2019/2020. These encompass, inadequate record keeping by project management committees, failure by some project management committees to comply with the public procurement procedures and regulations as well as delayed submission of the required returns for funds disbursed. Another notable challenge is the limited numbers of technical officers needed to provide the requisite technical advice in project implementation and management. To mitigate the above, the committee during the year 2019/2020 scaled up its capacity building programmes for NG-CDF Committee, Project Management Committees and staff on various aspects of NG-CDF projects management. These programmes contributed to minimizing the challenges and improving overall performance by Project Management Committees. The NG-CDFC plans to continue with the capacity building as well as monitoring and evaluation programmes during the FY 2020/2021.

I wish to sincerely thank the NG-CDF Committee, NG-CDFC staff, Project Management Committees and other stakeholders for the cooperation and support that saw the achievement of the above milestones. Going forward, the Committee envisions even performing better and attaining better assessments in its performance targets for FY 2020/2021.

III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key development objectives of NGCDF- OLJOROOROK Constituency's 2018-2022 plan are to:

- a) To promote quality Education and training
- b) To enhance efficient administration of security
- c) To promote sports and creative.
- d) To promote and preserve environment for future generations
- e) To enhance Social Protection
- f) To Collaborate with KPLC and REA in lighting up the Constituency Centres through the Mulika mwizi masts

Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

Constituency Program	Objective	Outcome	Indicator	Performance
Education	To have all children of school going age attending school	Increased enrolment in primary schools and improved transition to secondary schools and tertiary institutions	- number of usable physical infrastructure build in primary, secondary, and tertiary institutions - number of bursary beneficiaries at all levels	In FY 19/20 we have built and renovated classes and laboratories thus helping a proper flow of learning activates in Primary and Secondary Schools
Security	To curb insecurity	Develop and enhance security organs to enhance service delivery	Number of usable physical infrastructure built in locations, sub-locations and police stations	In FY 19/20 -we have improves security by building Chiefs and Assistant chiefs office where the

					public complains are correctively handled Also we have completed a police station which acts as a room to discipline the caught crooks.
Environment	Improve conservation of environment through natural resources conservation initiatives	Drill boreholes, construct and buy tanks to promote access to clean and safe water Planting of trees in Primary and Secondary schools	Number of boreholes drilled Number of tanks constructed/bought Number of trees planted		In the FY YEAR 2019/20, we have drilled a borehole and constructed tanks in the constituency which enhances livelihood within the constituency. Also, we have planted trees in Primary and Secondary Schools which helps in nature conservation.
Sports	Empower and develop youths	Reduced dependence and spur economic growth through sports	Number of youth groups benefiting from the sports programme		In the FY YEAR 2019/20, we have added the groups benefiting from the sports programme from 48 teams to 56 teams thus being an advantage to th young oljoroorok persons.

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

NGCDF – OLJOROOROK Constituency exists to transform lives. This is our purpose; the driving force behind everything we do. It’s what guides us to deliver our strategy, which is founded on social sector, namely; Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

**NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF)
OLJOROOROK CONSTITUENCY**

**Reports and Financial Statements
For the year ended June 30, 2020**

1. Sustainability strategy and profile -

The Oljoroorok Constituency NG-CDF is endeavoured to work on guidelines that focuses on service delivery and drive to better performance with the involvement of both internal and external stakeholders on matters development. The goals as provided in our strategic plan remains clear for internal and external stakeholders on the objectives for management and a yardstick by which external audiences can judge our progress and achievements against their expectations

2. Environmental performance

Oljoroorok NG-CDF really recommend care and protection of the environment in which we live in and therefore complying with all relevant environmental regulations and also minimising anything that contributes to pollution of land, water and air.

3. Employee welfare

Oljoroorok NGCDF hires employees through the NG CDF Committee who are employed on a three year renewable contract after advertisement, interview and appointment is done. The employees are eligible for employee benefits in line with the statutory requirements. After hiring them, induction and orientation is done within the first three months to help the employees familiarize with the vision, mission and the operations of the office and how their jobs contribute to this. Appraisal then follows through the NG-CDFC resolution after an extra ordinary ability is noted after the annual performance appraisal

Casual employees are hired on daily or weekly basis and are not allowed to work continuously for more than three months and also not eligible for employee benefits. They are paid on a piece rate payment system

All employees (casual and contract employees), has to be maintained in healthy and safe working conditions to ensure there is no personal injury.

4. Market place practices-

The organisation should outline its efforts to:

- a) Responsible competition practice. During Project Implementation, the office transfers funds to the PMCs who are thereafter guided during tendering process to ensure that the locals benefit competitively in the provision of services and materials to the project

Explain how the organisation ensures responsible competition practices with issues like anti-corruption, responsible political involvement, fair competition and respect for competitors

- b) Responsible Supply chain and supplier relations- payments to suppliers are done promptly upon presentation of requisite supporting documents
- c) Responsible marketing and advertisement-Advertisements for tenders are done publicly and no form of discrimination is applied to unfairly lock out interested bidders.
- d) Product stewardship- Service charter and complaints handling policy brochure is one way the Oljoroorok NGCDF came up with in order to safeguard consumer rights and interests. Service charter points out our commitment in ensuring that we provide quality services whereas the complaint handling policy shows our commitment to consistent, fair and confidential complaint handling to resolve complains as quickly as possible.

5. Community Engagements-

1. Public Participation

Public participation engages the concerned stakeholders in decision making and gives full consideration to public input in making decisions. The Oljoroorok NGCDF therefore convenes open public meetings in every ward in the constituency to deliberate on development matters. The NGCDFC afterwards deliberates on project proposals from all wards of the constituency which they consider beneficial to the constituency then submitted to the NGCDF Board for approval.

2. Public Awareness

It includes mechanisms for participation and cooperation with local, regional and national agencies for conducting community based needs assessments and public awareness campaigns and holding community meetings like;

- a) Ensuring transparency during implementation of NGCDF funded projects
- b) Measure the impact of the projects funded by NG-CDF
- c) Increased accountability
- d) Identify control and report any irregularities witnessed during NGCDF project implementation cycle.

3. Covid-19 Mitigation measures

The NGCDF Oljoroorok has currently been printing brochures disseminating information regarding Corona virus protection to the Community.

V. STATEMENT OF CONSTITUENCY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2013 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

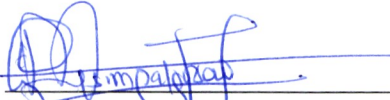

The Accounting Officer in charge of the entity is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year ended on June 30, 2020. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the entity accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the entity financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2020, and of the entity financial position as at that date. The Accounting Officer charge of the entity further confirms the completeness of the accounting records maintained for the entity, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

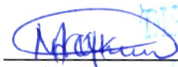

The Accounting Officer in charge of the entity confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants, and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The entity financial statements were approved and signed by the Accounting Officer on **24th February 2021**.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND – OLJOROOROK CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2020

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Oljoroorok Constituency set out on pages 15 to 46 which comprise the statement of assets and liabilities as at 30 June, 2020, and statement of receipts and payments, statement of cash flows and the summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Oljoroorok Constituency as at 30 June, 2020, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015.

Basis for Qualified Opinion

1. Inaccuracies in Financial Statements

Review of financial statements for the year ended 30 June, 2020 presented for audit revealed the following inaccuracies.

- (i) The statement of receipts and payments reflects receipts of Kshs.157,040,875 in respect of transfers from National Government Constituency Development Fund Board whereas summary statement of appropriation: recurrent and development

combined reflects actual amount of Kshs.186,141,354 resulting to unreconciled variance of Kshs.29,100,479.

- (ii) The comparative balance under note 7 on Bursary to tertiary institutions is reflected as Kshs.6,362,000 instead of the audited amount of Kshs.6,702,000 resulting to a variance of Kshs.340,000. Further, total casted amount under Note 7 is indicated as Kshs.59,151,216 while the recasted figure is Kshs.58,811,216 resulting to a variance of Kshs.340,000.
- (iii) Annex 3 on unutilized funds reflects total outstanding balance for 2019/2020 of Kshs.72,730,038 whereas the re-casted figures amount to Kshs.72,635,644 resulting to a variance of Kshs.94,394,
- (iv) Note 17.4 on Project Management Committee bank accounts reflect a balance of Kshs.20,536,910 while Annex 20 on the same reflects Kshs.25,614,450 resulting to a variance of Kshs.5,077,540

Consequently, the accuracy and completeness of the above balances included in the financial statements for the year ended 30 June, 2020 could not be ascertained.

2. Unsupported Bursaries – Secondary Schools and Tertiary Institutions

As disclosed in Note 7 to the financial statements, the statement of receipts and payments for the year ended 30 June, 2020 reflects an amount of Kshs.62,361,954 in respect of grants and other payments out of which Kshs.1,442,735 and Kshs.5,768,500 relates to bursary to secondary schools and tertiary institutions respectively. Audit review of the bursary schedules provided for audit, indicated that six (6) students from secondary schools and one student from a tertiary institution were issued with bursary amounting to Kshs.154,570 and kshs.10,000 which were not supported by student's admission number.

Further, an amount of Kshs.5,317,500 was paid to a private driving school to train seven hundred and seventeen (717) students. However, schedules provided to support the expenditure did not indicate student's national identification number nor were copies of their identification cards provided to confirm whether they had attained at least eighteen (18) years of age required to qualify for the training. In addition, there was no evidence provided to confirm that the students attended the driving training lessons.

In the circumstance, the validity of bursary amounting to Kshs.5,768,500 for the year ended 30 June, 2020 could not be confirmed.

3. Unsupported Rural Electrification project

As disclosed under Note 7 to the financial statements, the statement of receipts and payments reflects payments on other grants and other payments of Kshs.62,361,954 out of which an amount of Kshs.26,863,222 relates to Rural Electrification Authority

(REA) being payment for electrification of various areas within the constituency. However, the payments have not been supported by returns from REA which include survey reports, design, project progress reports, transformers installed and commissioning reports to support number of households that benefitted from the project and the total coverage.

Under the circumstances, the validity of the reported payments of Kshs.26,863,222 to Rural Electrification Authority (REA) for the year ended 30 June, 2020 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund – Oljoroorok Constituency management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budgetary Control and Performance

The summary statement of appropriation: recurrent and development combined reflects final receipts budget and actual receipts on comparable basis of Kshs.221,508,978 and Kshs.186,217,254 respectively resulting to an under-funding of Kshs.35,291,724 or 16% of the budget.

Further, out of the receipts amount of Kshs.186,217,254 only Kshs.148,778,980 was absorbed resulting to an under absorption of Kshs.37,438,274 or 20% of the receipts.

The underfunding and underperformance affected the planned activities and may have impacted negatively on service delivery to the constituents.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Qualified Opinion and Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources

sections of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Errors in Presentation of the Financial Statements

The financial statements for the year ended 30 June, 2020 as presented contain the following errors:

- (i) The statement of constituency management responsibilities at page 13 refers to “entity” instead of NGCDF- Oljoroorok Constituency.
- (ii) The statement of cashflow reflects acquisition of assets under Note 9 while it is under Note 8 in the explanatory notes.

Consequently, the financial statements do not comply with financial reporting framework requirement and guidelines issued by the Public Sector Accounting Standard Board.

2. Irregular Committee Allowances

As disclosed in Note 5 to the financial statements, the statement of receipts and payments reflects use of goods and services of Kshs.8,221,551 which includes Kshs.3,198,600 incurred on committee allowances. Records presented for audit indicated that the District Accountant and Fund Accounts Manager were paid allowances totaling to Kshs.414,800. The Management has not explained how the ex officio members were paid allowances contrary to Section 43 of the National Government Constituencies Development Fund Act, 2015.

Consequently, it has not been possible to confirm the regularity and validity of Kshs.414,800 incurred on committee expenses for the year ended 30 June, 2020.

3. Emergency Projects

As disclosed in note 7 to the financial statements, the statement of receipts and payments for the year ended 30 June, 2020 reflects other grants and other payments of Kshs.62,361,954. This amount includes Kshs.1,931,000 incurred on emergency projects. It was observed that the funds were used in construction of toilets, purchase of lockers, electrification, and construction of classroom in various schools. However, no evidence was provided to prove that they were of emergency in nature and could not be delayed until the following financial year. This is in contravention of Section 8 (3) of the National Government Constituencies Development Fund Act, 2015 which recognizes emergency to mean an urgent, unforeseen need for expenditure for which it is in the opinion of the committee that it cannot be delayed until the next financial year without harming the public interest of the constituents.

4. Non-Closure of Project Management Committee (PMC) Bank Accounts

Annex 5 to the financial statements for the year ended 30 June, 2020 reflects project bank balances totaling Kshs.25,614,450.10 for seventy-three (73) project management committee bank accounts. However, forty-eight (48) projects had their status indicated as completed and in use, yet the related Project Management Committee bank accounts had a total balance of Kshs.1,146,350 as at 30 June, 2020 and the accounts were active contrary to Section 12(8) of the National Government Constituencies Development Fund Act, 2015 which requires all unutilized funds of the Project Management Committee to be returned to the constituency account.

1.0 Unsupported Social Security Expenditure

As disclosed in Note 7 to the financial statements, the statement of receipts and payments reflects payments on other grants and other payments of Kshs.62,456,398 which includes payments of Kshs.12,000,000 to National Health Insurance Fund in respect of medical insurance cover for the needy. However, the payments have not been supported by way of a policy document for identifying the needy beneficiaries, minutes of the Constituency Social Security Programme, Ad hoc committee and memorandum of understanding between NGCDF-Oljoroorok and NHIF contrary to circular from the NG CDF Board dated 18/6/20 Ref.No: NG-CDFB/CEO/BOARDCIRCULARS VOL II (022) on the financing and implementation of the social security projects.

2.0 Projects Implementation Status- Delayed Projects

Review of the Project Implementation Status report as of 30 June, 2020 indicated that thirty-two (32) projects amounting to Kshs.124,004,628 were funded out of which thirty-one (31) projects worth Kshs.122,504,628 or 99% were incomplete.

Further, a physical verification of sampled projects conducted in the month of February, 2021 revealed that fourteen (14) projects amounting to Kshs.54,710,599.60 were either abandoned or lacked necessary documentation relating to their implementation.

No satisfactory explanations have been provided for the noted deficiencies in projects implementation and hence raising doubts on the adequacy and level of monitoring and supervision by the relevant committees.

Consequently, the Fund may have failed to obtain value for money spent on the projects valued at Kshs.122,504,628 for the year ended 30 June, 2020 to the constituents.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that

govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to abolish the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public money is applied in an effective manner.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the management monitors

compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue sustaining its services.
- Evaluate the overall presentation, structure, and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Reports and Financial Statements

For the year ended June 30, 2020

XII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF- OLJOROOROK Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2020, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

OLJOROOROK CONSTITUENCY**

**Reports and Financial Statements
For the year ended June 30, 2020**

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

For the year ended June 30, 2020

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2019 for the period 1st July 2019 to 30th June 2020 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2020.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.
