She holds a Diploma in Purchasing and Supplies management from Kenya Institute of Management Degree in Business Management (Purchasing and Supplies Management Option) - Moi University (Ongoing) Diploma in Communications from Kenya Institute of Mass Communication. Responsible for all procurement process.</p>

IV. REPORT OF THE DIRECTOR

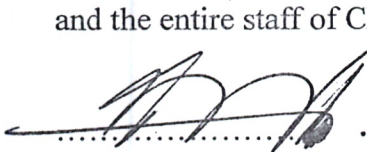

Governments of Kenya and Japan entered a bilateral Technical Cooperation agreement to implement the Strengthening of Mathematics and Science in Secondary Education (SMASSE) as a pilot project in 1998.

The good INSET practices and promising approach of the SMASSE Kenya model have been replicated elsewhere in Africa, making Kenya a beneficiary of JICA's South-South technical cooperation with the Philippines (UP NISMED) and Malaysia (SEAMEO-RECSAM).

In 2004, countries in Western, Eastern, Central and Southern Africa (WECSA) began to benefit from Kenya, through the SMASE-WECSA Association, making Kenya a pivotal country in the South-South and Triangular cooperation. CEMASTEА, established to respond to the expansion in scope, now implements INSET Programmes in Primary and Secondary mathematics and science education for Kenyan personnel, and INSET for SMASE-WECSA member countries.

Guided by our strategic plan, CEMASTEА aspires to implement programmes that will up-skill and up-grade teaching, while responding to development in student- focused strategies, and in line with Vision 2030. Our implementation efforts will benefit from recent developments in ICT, both at the Ministry headquarters and in field offices.

The success of the centre in Financial Year 2015-2016 came from efforts of many individuals and collaborating institutions that I may not possibly single out. I wish to thank the Ministry of Education, for its support to participation throughout the financial year, Development partners and the entire staff of CEMASTEА, for their commitment and team work.

Stephen M. Njoroge

Director

V. CORPORATE GOVERNANCE STATEMENT

Separation of Powers & Duties of the Chairman and Director

The independence of the Board from the Centre corporate management is ensured by the separation of the functions of the Chairman and Director and a clear definition of their responsibilities. This helps the Centre in achieving an appropriate balance of power, increased accountability and improved decision making.

Responsibilities of Directors

The responsibilities of members of the Board are clearly spelt out in the Legal Notice No.96 of 2006.

The Board sets the financial intent of the Centre, its objectives and values. It ensures that procedures and practices are in place to protect the Centre assets and reputation. The Board reviews the strategic direction and adopts business plans proposed by Management, reviews processes for the identification and management of business risks and compliance with key regulatory and legal issues. It reviews succession planning for the management team and endorses senior executive appointments, organisational changes and remuneration issues. It also provides oversight of performance against targets and objectives. The Board also; oversees reporting to stakeholders on the direction, governance and performance of the Centre, as well as processes that need reporting and other disclosure requirement.

Conflict and Declaration of Interest

Board members have a statutory duty to avoid situations in which they have or may have interests that conflict with those of the centre.

Each member of the Board is obligated to fully disclose to the Board of management any real or potential conflict of interest, which comes to his/her attention, whether directly or indirectly.

Board members must declare any conflict of interest they may have, and in certain circumstances, they must abstain from the participating in any discussion or voting on matters in which they have a material personal interest.

VI. BOARD AND OVERSIGHT COMMITTEE(S)

Remuneration of Board of Management

The term of the board of management expired on 31st August 2015, hence the centre has operated without board of management in financial year 2015-2016. The centre wrote to ministry of Education which has not appointed to date, however at the time of expiry, members of board of management were paid sitting allowances in line with the State Corporations Regulations, as follows:

Position	Current Gross Allowance (Kshs)
Chairperson	15,000 per sitting
Chairperson/Committee	10,000 per sitting
Members	10,000 per sitting

VII. CORPORATE SOCIAL RESPONSIBILITY STATEMENT

Corporate social responsibility

Corporate Social Responsibility is highly acceptable in the creation of the centres image in respect of what we give back to the community that matters, hence the communities involved with and by CEMASTEА are considered to be important parties to the institution, and the key reason as to why CEMASTEА exists and will live to be in the generations to come.

The year that ended is considered to be an integral part of the institution activities. What happened then is what will lead us to the incoming year and hence the communities where the institution operated are considered to be important stakeholders in the way the institution conducts its activities.

In the year ended, the CEMASTEА was involved in various Corporate Social Responsibility initiatives that aimed at impacting positively on the lives of the respective parties where it operates.

Thus this year, the key Corporate Social Responsibility activities will focus on healthcare, education and response to distress calls. While we partner with JICA we aim at going to a greater and higher level of giving our best to the community at large.

CEMASTEА is committed to the highest standards of professionalism in its activities and the welfare of the society at large. Thus, the Board came up with a CSR policy that will strengthen its efforts for the common good of the community by building and sustaining strong bonds developed with them so as to achieve the above mentioned objectives. Ahead of us, we look forward to measuring our accomplishments not only in terms of financial performance but also by the impact we have made towards the social-economic well-being in our community. The following the activities were done by the centre in respect of corporate social responsibility;

Education

The Centre continues to support various schools on their efforts to achieve academic excellence through offering training in primary and secondary schools to both their teachers and students so as to increase their capacity in learning. Our teachers go to the various schools and take an ample time training them on how to learn some of the hard things in mathematics and sciences.

There have been some programmes developed to enhance learner understand ability and also the integration of technology in learning. The centre has helped various schools to become INSET centers by offering financial and material support

Health care

Healthcare is a Corporate Social Responsibility activity taken care of in CEMASTEА; hence it has been given its respective priority CEMASTEА has health care services in the housing and catering department. There is a first aid kit that takes the initial first action when people get injured around.

Our diet is set in and arranged in a healthy manner to both our staff, the participants who take training at CEMASTEА and when we go outside to the rest of the communities. During the year, the institution has been treating their participants who fall sick during training at the Karen Hospital. CEMASTEА offers an insurance policy to protect the staff and a part of the community involved in its programmes.

Environment and beautification

The Centre has continued its involvement in the beautification and maintenance of the area within CEMASTEА. The centre is looking forward to enhancing the beauty of other areas for a clear view and landscape.

The centre is sensitive to the conservation of environmentally protected or threatened areas, species and scenic aesthetics. CEMASTEА also aims to achieve the enhancement of the landscape, wherever possible, by means of indigenous plant material reinforcement and has planted a thousand trees to our INSET centres all over Kenya.

Working with local community

The centre works with the local community to enhance the preservation of environment and thus has adopted one of its members from Karengata which is an association that is working hand in hand with CEMASTEА.

Youth support

The institution is involved in finding more youth and getting them to work. There is training services like internship and more youth are employed based on temporal services available. The institution is also creating more work and opportunities which will lead to employment of the youth. The institution also offers career talks and recreational activities especially to students that encourages them on the need to study mathematics, sciences and technology that makes them a beneficiary to the competitive world.

VIII. REPORT OF THE MANAGEMENT

The management submit the annual report and financial statements for the year ended June 30, 2016 which show the state of the CEMASTEAs affairs.

Principal activities

The principal activity of the CEMASTEAs is capacity building for teachers both primary and secondary (INSET) both in Kenya and Africa.

Results

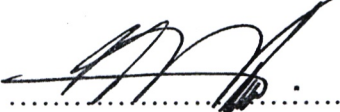

The results of the centre for the year ended June 30, 2016 are set out on page 24 to 28.

Board of Management

The term of the board expired on 31st August 2015 and has not been renewed. The centre wrote to the Ministry of Education requesting new Board of Management which has not been appointed as at 30th June 2016.

Auditors

The Auditor General is responsible for the statutory audit of the CEMASTEAs in accordance with the Public Finance Management (PFM) Act, 2012.

.....

Stephen M. Njoroge

Date.....
28/04/2017

IX. STATEMENT OF BOARD OF MANAGEMENT RESPONSIBILITIES

Public Finance Management Act, 2012 and State Corporations Act, require the Directors to prepare financial statements in respect of CEMASTE A, which give a true and fair view of the state of affairs of CEMASTE A at the end of the financial year and the operating results of CEMASTE A for that year. The Directors are also required to ensure that CEMASTE A keeps proper accounting records which disclose with reasonable accuracy the financial position of CEMASTE A. The Directors are also responsible for safeguarding the assets of the CEMASTE A.

The Directors are responsible for the preparation and presentation of CEMASTE A's financial statements, which give a true and fair view of the state of affairs of the CEMASTE A for and as at the end of the financial year ended on June 30, 2016. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting year; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the CEMASTE A; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the CEMASTE A; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Directors accept responsibility for the CEMASTE A's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act and the State Corporations Act. The Directors are of the opinion that the CEMASTE A's financial statements give a true and fair view of the state of CEMASTE A's transactions during the financial year ended June 30, 2016, and of the CEMASTE A's financial position as at that date. The Directors further confirm the completeness of the accounting records maintained for the CEMASTE A, which have been relied upon in the preparation of the CEMASTE A's financial statements as well as the adequacy of the systems of internal financial control.

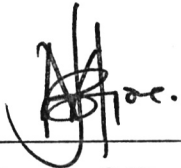

Centre for Mathematics, Science and Technology Education in Africa

The term of the board of management expired on 31st August 2015, hence the centre has operated without board of management in financial year 2015-2016. The centre wrote to ministry of Education which has not appointed to date.

Nothing has come to the attention of the Management to indicate that the CEMASTEAM will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

CEMASTEAM's financial statements were approved by the Management on 26.09.2016 and signed on its behalf by:

Finance Officer

Director

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON CENTRE FOR MATHEMATICS, SCIENCE AND TECHNOLOGY EDUCATION IN AFRICA FOR THE YEAR ENDED 30 JUNE 2016

REPORT ON THE FINANCIAL STATEMENTS

I have audited the accompanying financial statements of Centre for Mathematics, Science and Technology Education in Africa set out on pages 24 to 45, which comprise the statement of financial position as at 30 June 2016, and the statement of comprehensive income, statement of changes in equity, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

Auditor-General's Responsibility

My responsibility is to express an opinion on these financial statements based on the audit and report in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. The audit was conducted in accordance with International Standards of Supreme Audit Institutions. Those standards require compliance with ethical requirements and that the audit be planned and performed to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk

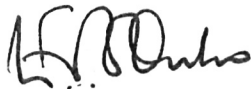

Report of the Auditor-General on the Financial Statements of Centre for Mathematics, Science and Technology Education in Africa for the year ended 30 June 2016

assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Centre internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion the financial statements present fairly, in all material respects, the financial position of Centre for Mathematics, Science and Technology Education in Africa as at 30 June, 2016, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply legal notice number 96 of 15 June 2006, and the Education Act Cap 211.

FCPA Edward R. O. Ouko, CBS
AUDITOR-GENERAL

Surplus for the period	13,685	2,351	(11,332)

See note 5 for explanation of variance

XVI. NOTES TO THE FINANCIAL STATEMENTS

1. Statement of compliance and basis of preparation

CEMASTEА's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the CEMASTEА. The accounting policies have been consistently applied to all the years presented.

First time adoption of International Public Sector Accounting Standards

The entity adopted the *International Public Sector Accounting Standards* for the first time in 2014.

The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the indirect method. The financial statements are prepared on accrual basis.

2. Summary of significant accounting policies

Revenue recognition

Revenue from non-exchange transactions

Transfer from governments

Revenues from non-exchange transactions with government entities are measured at fair value and recognized on obtaining control of the asset if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

To the extent that there is a related condition attached that would give rise to a liability to repay the amount, deferred income is recognized instead of revenue.

3. Revenue from exchange transaction

a) Rendering of services

The CEMASTEА recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably.

Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

b) Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

c) Rental income

Rental income arising from operating leases on investment properties is accounted for over the lease terms and included in revenue.

d) Budget

The annual budget is prepared on the accrual basis that is, all planned costs and income are presented in a single statement to determine the needs of CEMASTEAM. As a result of the adoption of the accrual basis for budgeting purposes, there is no timing or differences that would require reconciliation between the actual comparable amounts and the amounts presented as a separate additional financial statement in the statement of comparison of budget and actual amounts.

e) Property, plant and equipment

The entity has adopted this standard for the first time in 2013-2014.

Most of the assets were donated by JICA to CEMASTEAM. Recording of all assets as per IPSAS 17 has been applied in financial year 2015-2016. The entity has not sold any asset during the financial year 2015-2016

f) Intangible assets

Most of the assets were transferred by JICA to CEMASTEAM. Recording of all assets as per IPSAS 17 has been applied in financial year 2015-2016. The entity has not sold any asset during the financial year 2015-2016

NOTES TO THE FINANCIAL STATEMENTS *(Continued)*

g) Depreciation –The entity has charged deprecation on straight line basis and where applicable apportioned in respect of the year of purchase. Depreciations charge has been applied using the following rates; Buildings 2%, Furniture& Fittings 12.5%, Motor Vehicles 25% , Computer software 20% & Equipment’s 12.5%.

h)Provisions-Provisions are recognized when the CEMASTEAs has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the CEMASTEAs expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

i) Contingent liabilities

The CEMASTEAs does not recognize a contingent liability, but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

j) Contingent assets

CEMASTEAs does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset’s value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

k) Nature and purpose of reserves

CEMASTEА creates and maintains reserves in terms of specific requirements. Revaluation reserve is created to record increase or decrease in value of property. In financial year 2015-2016 land has been recorded as property and no gain or loss was recorded in respect of this assets.

l) Changes in accounting policies and estimates

The CEMASTEА recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

m) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Kenya Commercial Bank of Kenya and Cooperative Banks of Kenya at the end of the financial year

n) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

o) Significant judgments and sources of estimation uncertainty

The preparation of the CEMASTEА's financial statements in conformity with IPSAS requires management to makes judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period.

p) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The CEMASTEА based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the CEMASTEА. Such changes are reflected in the assumptions when they occur.

NOTES TO THE FINANCIAL STATEMENTS *(Continued)*

q) Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the CEMASTEPA
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

r) Provisions

Provisions were raised and management determined an estimate based on the information available

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date, and are discounted to present value where the effect is material

s) Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2016.

t) Related party

The entity regards a related party as a person or entity with the ability to exert control individually or jointly, or to exercise significant influence over the entity and vice versa. Members of key management are regarded as related parties and comprise of the following:

- Director
- Deputy Director
- Coordinator Training and Academic Affairs

NOTES TO THE FINANCIAL STATEMENTS (Continued)

u) Segment reporting

The entity does not have any branches/reporting segments. All the operations of the entity are managed from the registered office. The core business of CEMASTEAM continues to be INSET training both in Kenya and Africa.

v) Bad debt provision

The entity provides 10% for debts over one year and 5% in the preceding year. If there is high probability that the debt is not recoverable it is written off. There were no bad debts in the financial year 2015-2016.

4) Financial Risk Management Disclosure

The centre did not have investments in financial instruments in financial year 2014-2015 and 2015-2016

5) Budget Variances in financial year 2015-2016

During the financial year 2015-2016 Ksh 86 Million was not received as per allocated budget and hence centre did not carry on all training activities as planned in financial year 2015-2016 due reduction in Budget. Ksh 471 Million was received in the third quarter for secondary capitation which was paid to the 47 counties.

6) Related party disclosures

Key management personnel

The Key management personnel receives salaries and other benefits from TSC
