I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) (hereafter referred to as the Fund) formerly Constituencies Development Fund (CDF), is a fund established in 2003 through an Act of Parliament, the Constituencies Development Fund Act, 2003. The Act was later reviewed through the enactment of the CDF (Amendment) Act 2007, and repealed through CDF Act, 2013. The latter was subsequently succeeded by the current NG-CDF Act, 2015. At cabinet level, NG-CDF is represented by the Cabinet Secretary for Devolution, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

**NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) –
UGUNJA CONSTITUENCY
REPORTS AND FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2019**

Mission

To provide leadership and policy direction for effective and efficient management of the Fund

Core Values

1. **Patriotism** – we uphold the national pride of all Kenyans through our work
2. **Participation of the people** – We involve citizens in making decisions about programmes we fund
3. **Timeliness** – we adhere to prompt delivery of service
4. **Good governance** – we uphold high standards of transparency, accountability, equity, inclusiveness and integrity in the service of the people
5. **Sustainable development** – we promote development activities that meet the needs of the present without compromising the ability of future generations to meet their own needs.

(b) Key Management

The NGCDF UGUNJA Constituency day-to-day management is under the following key organs:

- i. National Government Constituencies Development Fund Board (NGCDFB)
- ii. National Government Constituency Development Fund Committee (NGCDFC)

(c) Fiduciary Management

The key management personnel who held office during the financial year ended 30th June 2019 and who had direct fiduciary responsibility were:

No.	Designation	Name
1.	A.I.E holder	Boaz O. Odeyo
2.	Sub-County Accountant	Luka Anyinyo
3.	Chairman NGCDFC	Benard Omollo Were
4.	Member NGCDFC	Beatrice A. Olaka

(d) Fiduciary Oversight Arrangements

The Audit and Risk Management Committee (ARMC) of NGCDF Board provide overall fiduciary oversight on the activities of NGCDF-UGUNJA Constituency. The reports and recommendation of ARMC when adopted by the NGCDF Board are forwarded to the Constituency Committee for action. Any matters that require policy guidance are forwarded by the Board to the Cabinet Secretary and National Assembly Select Committee.

UGUNJA CONSTITUENCY
REPORTS AND FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2019**

Simenya Secondary School Twin Laboratory.

Ugunja Deputy County Commissioner's Offices.

On the challenges within the financial year there was a lot of expectation from the public on which types of the projects to be financed by the NG-CDF as some of the projects which had a lot of impact to the community are not covered within NG-CDF Act 2015 and subsequent NG-CDF Act regulations 2016, therefore there is need for thorough public awareness on national Government functions funded by the NG-CDF which the constituency has now embarked on.

**NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) –
UGUNJA CONSTITUENCY
REPORTS AND FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2019**

III. STATEMENT OF ENTITY MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

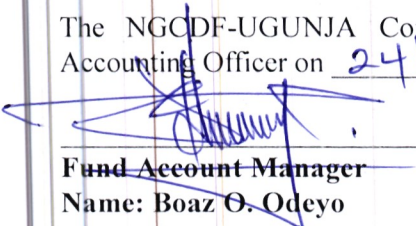

The Accounting Officer in charge of the NGCDF-UGUNJA Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2019. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the NGCDF-UGUNJA Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *entity's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2019, and of the entity's financial position as at that date. The Accounting Officer charge of the NGCDF-UGUNJA Constituency further confirms the completeness of the accounting records maintained for the *entity*, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF-UGUNJA Constituency confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF-UGUNJA Constituency financial statements were approved and signed by the Accounting Officer on 24/8/2020.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - UGUNJA CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - Ugunja Constituency set out on pages 10 to 55, which comprise the statement of financial assets and liabilities as at 30 June, 2019 and the statement of receipts and payments, statement of cash flows and summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - Ugunja Constituency as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Government Constituencies Development Fund Act, 2015 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Understated Cash and Cash Equivalents

The statement of assets and liabilities reflects cash and cash equivalents balance of Kshs.47,953,305 in respect of bank balance as at 30 June, 2019 as disclosed in Note 10A to the financial statements. Audit procedures performed on the bank reconciliation statement for the month of June, 2019 reflected unrepresented cheques totalling to Kshs.2,542,599.45 out of which cheques amounting to Kshs.1,800,871.45 were stale and had not been reversed in cashbook thereby understating the cash and cash equivalent balance. The bank reconciliation statement also reflected bank charges

Report of the Auditor-General on National Government Constituencies Development Fund - Ugunja Constituency for the year ended 30 June, 2019

amounting to Kshs.9,980 and not recorded in the cashbook and included as expenditure for the year ended 30 June, 2019.

This is contrary to Section 90(3) of the Public Finance Management (National Government) Regulations, 2015 which provides that Accounting Officers shall ensure any discrepancies noted during bank reconciliation exercise, are investigated immediately and appropriate action taken including updating the relevant cash books.

Consequently, the accuracy and validity of the cash and cash equivalents balance of Kshs.47,953,305 as at 30 June, 2019 could not be confirmed.

2. Incorrect Summary Statement of Appropriation

The summary statement of appropriation recurrent and development combined reflects approved budget of Kshs.128,466,427 and expenditure of Kshs.71,705,122 for the year ended 30 June, 2019 to result to under-expenditure of Kshs.56,761,305. Although the totals are correct, the other payments adjustment of Kshs.4,677,027 has not been reflected under the final budget column and the budget utilisation difference column.

Consequently, the accuracy of the summary statement of appropriation recurrent and development combined for the year ended 30 June, 2019 could not be combined.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - Ugunja Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Budgetary Control and Performance

The statement of comparative budget and actual amounts reflects final receipts budget and actual on comparable basis of Kshs.128,466,427 and Kshs.119,658,427 respectively resulting to an under-funding of Kshs.8,808,000 or 7% of the budget. Similarly, the Fund spent Kshs.71,705,122 against an approved budget of Kshs.128,466,427 resulting to an under-expenditure of Kshs.56,761,305 or 44% of the budget. The underfunding and

underperformance affected the planned activities and may have impacted negatively on service delivery to the residents of Ugunja Constituency.

REPORT ON COMPLIANCE WITH LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Poor Workmanship on Renovation of CDF Office in Ugunja

Disclosed under note 8 is acquisition of assets figure of Kshs.5,281,654 which includes refurbishment of buildings figure of Kshs.2,500,000. . The expenditure of Kshs.2,500,000 is in respect of payment to a local contractor for renovation of Ugunja NGCDF Offices. Audit verification of the project in June, 2020 reflected that the renovation was complete and the building was in use. However, there were leakages in some sections of the ceiling, the paint had started peeling off and some sections of the gutters were missing and required to be fixed. This is an indication of poor workmanship and use of poor-quality materials.

This is contrary to section 43(d) of Public Finance Management Regulation 2015, which stipulate that an accounting officer shall manage, control and ensure that policies are carried out efficiently and wastage of public funds is eliminated and section 25,(1) of the National Government Constituencies Development Fund Act (NG-CDF), 2015 requires that any funding under this Act shall be for a complete project or a defined phase of a project and may include the acquisition of land and buildings.

Consequently, the Management is in breach of the law and the residents of Ugunja Constituency may not have obtained value for money on the renovations.

2. Unapproved Variation for Land Scaping and Car Park Works

The acquisition of assets figure of Kshs.5,281,654 includes construction of carpark and land scaping expenditure of Kshs.2,781,654 as disclosed in Note 8 to the financial statements. The amount was paid to a local company in relation to construction of carpark and land scaping at NG-CDF offices in Ugunja constituency compound. However, the clerk of works' unnumbered certificate of practical completion reflected that the certified works by the contractor amounted to Kshs.3,120,870.67 which was in excess of the contract sum of Kshs.2,781,373.47 by Kshs.339,497.20. There was no authority and approval for the variation.

Although the variation of Kshs.339,497.20 had not been paid, it is in contravention of section 43(d) of Public Finance Management (National Government) Regulation 2015, which stipulates that an accounting officer shall manage control and ensure that policies are carried out efficiently and wastage of public funds is eliminated.

Consequently, the Management breached the law and there may be possible loss of Kshs.339,497.20 through unauthorised payment.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public money is applied in an effective manner.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance review is planned and performed to express a conclusion with limited assurance as to whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution. The nature, timing and extent of the compliance work is limited compared to that designed to express an opinion with reasonable assurance on the financial statements.

Further, in planning and performing the audit of the financial statements and review of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not

reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

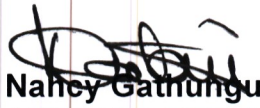

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

(a) [For the revenue items, indicate whether they form part of the AIA by inserting the "AIA" alongside the revenue category.]

(b) [Provide below a commentary on significant underutilization (below 90% of utilization) and any overutilization (above 100%)]

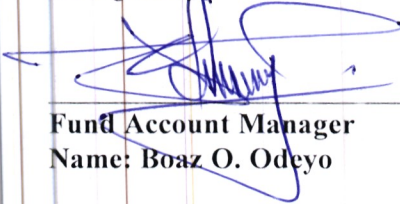

- i. Use of goods and services utilization was below 90% because the last funding was received almost at the end of the financial year and therefore utilization will be done in the financial year 2018/2020
- ii. Transfers to other government units utilization was below 90% because the last funding was received almost at the end of the financial year and therefore utilization will be done in the financial year 2019/2020
- iii. Other grants and transfers utilization was below 90% because the last funding was received almost at the end of the financial year and therefore utilization will be done in the financial year 2019/2020

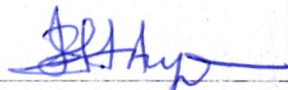

**NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) --
UGUNJA CONSTITUENCY
REPORTS AND FINANCIAL STATEMENTS FOR THE YEAR ENDED JUNE 30, 2019**

- iv. *The overall budget performance utilization was below 90% since funding from the NG-CDF Board was not received in time resulting into underutilization of budget performance*

(Explain whether the changes between the original and final budget are as a result of reallocations within the budget or other causes as per IPSAS 1.9.23.) The actual on a comparable basis in the Summary Statement of Appropriation: Recurrent and Development Combined should agree to the amounts reported in the Statement of Receipts and Payments.

Reports and Financial Statements

For the year ended June 30, 2019

IX. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF-UGUNJA Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Government.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the Entity for all the years presented.

a) Recognition of Receipts

The Entity recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Entity.

Tax Receipts

Tax receipts are recognized in the books of accounts when cash is received. Cash is considered as received when notification of tax remittance is received. (Check if this policy is applicable to entity)

Transfers from the Exchequer

Transfers from the exchequer are recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

SIGNIFICANT ACCOUNTING POLICIES

External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

Grants and loans shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary.

In case of grant/loan in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice. A similar recognition criteria is applied for loans received in the form of a direct payment.

During the year ended 30th June 2019, there were no instances of non-compliance with terms and conditions which have resulted in cancellation of external assistance loans.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognized in the financial statements the time associated cash is received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the Entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

**NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) –
UGUNJA CONSTITUENCY
Reports and Financial Statements
For the year ended June 30, 2019**

SIGNIFICANT ACCOUNTING POLICIES

5. In-kind contributions

In-kind contributions are donations that are made to the Entity in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Entity includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and Agencies. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Entity at the end of the year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015.

**NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND (NGCDF) –
UGUNJA CONSTITUENCY
Reports and Financial Statements
For the year ended June 30, 2019**

SIGNIFICANT ACCOUNTING POLICIES

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest and deposits, which are accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on June 2018 for the period 1st July 2018 to 30th June 2019 as required by Law and there was one supplementary adjustment to the original budget during the year. Included in the adjustments are the unutilized funds.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2019.

14. Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

Related party relationships are a normal feature of commerce. Specific information with regards to related party transactions is included in the disclosure notes.

	<p>variation order by Kshs.2,200,000 resulting to a total contract amount of Kshs.11,131,756. A request for quotation was used and six (6) firms bids for the tender and quoted as follows; However, the following unsatisfactory issues were observed;</p> <p>a. The expenditure of Kshs.11,131,756 was beyond the maximum allowable for request for quotations under class C of the threshold matrix and therefore open tender should have been appropriate for</p>	<p>advertised in the local dailies. The project management committee is not tax withholding agents and therefore they could not make deduction being the implementers of the project. The project management committee retained some funds which were later paid after the lapse of six months from the date of the last certificate of payment and We also would want to vouch that value for money was achieved and the payments were not irregular.</p>
