## **KEY ENTITY INFORMATION AND MANAGEMENT**

### **(a) Background information**

The inception and growth of OTTI dates back to 1975 when the local community of ol'lessos had a vision of having a Technical Secondary School. The community pooled together and raised funds by contributions from individual community members. However, the idea of a Technical Secondary School Changed to a Technical Institute through an Act of Parliament. This was realized in 1982 when the Institute admitted its first students. The Institute is registered as a public institution under the Ministry of Education: State Department of Vocational and Technical Training. The Institute is located in good serene learning environment suitable for offering skills and competencies, just along Kapsabet – Nabkoi Road in Nandi County and 1 km from Lessos market.

Ol'Lessos Technical Training Institute is an ISO 2009:2015 certified institution that offers various accredited programmes that are market driven. It is strategically located along Kapsabet – Nabkoi – Nakuru highway hence accessible at all times and from all directions. Its steady growth both in student enrolments and infrastructural facilities is a manifestation that the management is committed in ensuring the institute plays a vital role in the realization of the vision 2030, sustainable development goals (SDG) and in the achievement of the Big four agenda items. The institute has focused its attention in the development of ultra-modern infrastructure and relevant training facilities in the seven departments; the latest being medical laboratory, Electrical and Electronics workshop and the hospitality centre which has state of the art equipment geared towards meeting training standards as demanded by market needs. The management has also planned to continuously supplement government support in equipping workshops and laboratories.

The institute which now has over 3,000 students studying at various levels (Artisan, Craft and Diplomas, Capacity building and other flexible blended courses) has become increasingly the centre of attraction to a large number of KCSE graduates seeking for necessary skills required in the job market. The impact of the institute has been felt within Nandi County and all over the country and the last two years the institute has witnessed tremendous growth which has had a positive socio-economic impact to the surrounding community. It also intends to rollout CBET programmes in all the seven academic departments in accordance with the strength of each department.

Its participation in public exhibitions and research, linkages with other institutions and outreach programmes has ensured its position in technological advancement and innovation. All the departments have also undertaken ICT integrations in training programmes to take advantage of ICT and adopt modern approaches to successful curriculum implementation.

Being an ISO 9001:2015, Ol'Lessos Technical Training Institute intends to be a World class training facility. The future expectations of the community and other strategic stakeholders of TVET are to see the institute become a National polytechnic.

### **(b) Principal Activities**

The principal activity/mission/ mandate of the Ol'lessos Technical Training Institute is a centre of excellence for technical and vocational Education and training and research that promotes creativity, innovation and incubation to meet local and global dynamic socio-economic and environmental challenges.

The Ol'Lessos Technical Training Institute has its mandate from the TVET Act 2013 as follows:

OL'LESSOS TECHNICAL INSTITUTE

**TECHNICAL AND VOCATIONAL EDUCATION TRAINING (TVET)**

ANNUAL REPORT AND FINANCIAL STATEMENTS FOR THE YEAR ENDED 30<sup>TH</sup> JUNE 2018

- To implement and promote TVET policy.
- To collect manage and account for funds obtained from trainee's ministry donors and development partners
- To recruit Remunerate, Discipline, Motivate and retain qualified teaching and non-teaching staff
- To implement the curriculum and supervise examinations on behalf approved examination bodies
- Embrace gender balance and equity in staff recruitment, promotion and student enrolment.
- Expand ICT facilities to enhance our technological capacity to remain relevant.
- Expand academic opportunities for qualified Kenyans to access TVET programs.
- To facilitate trainee's retention and completion of programmes through HELB Loans and Bursaries.
- To promote innovations, research and income generating projects.
- To develop and improve infrastructural facilities and programs
- To spearhead relevant exposure and linkages to both trainees and staff.
- To promote corporate social responsibility. (Under this section you may also include the entity's vision, mission and core objectives)

**I. CHAIRMAN'S STATEMENT**

The BoardGovernors of Ol,lessos Technical Institute during the FY2017/2018 aligned the strategic plan 2019 - 2023 to the Big **FOUR** agenda so as to enable the Institute to contribute towards the attainment of our country's **vision 2030**. In order to give guidance/leadership to the institution, the Board undertook training on **Mwongozo code of governance for State Corporation** and Induction program for all Board members in the Institute The team has developed policies that guide the operations of the institute.

As theBoardGovernorswe were able to be in the forefront in ensuring that financial resources were utilized efficiently and effectively for optimum output. Despite the many challenges brought about by economic constraints, the institute nevertheless continues to discharge its mandate.

Indeed, the BoardGovernorsof Ol,lessos Technical Institute committed to improving infrastructure for effective learning and teaching. To meet the demand of the growing enrolment, the Boardembarked on

various projects: purchase of 62-seater bus, Construction of temporary classrooms, Perimeter wall, Drilling of the borehole, CBET Programme in the institute.

Eng. Absalom Kosgei

Board Chairman

The Ol'lessos Technical Institute

**REPORT OF THE PRINCIPAL**

The institution is well placed to providing adequate and relevant knowledge to its graduates that will enable them to contribute towards the attainment of our country's **vision 2030** and the Big **FOUR** agenda. In furtherance of our mandate therefore, we have committed ourselves to consistently review, improve and consolidate our academic programmes in several ways that will ensure their competitiveness in terms of quality and relevance.

We were able to attain ISO 9001:2015 Certificate during the year. As a , in line with our Vision 2030, our trainees participated in developing innovations which were recognised nationally i.e. making food spices out of indigenous trees, Electric power control system for PWDs, and Solar Driven home lighting among others.

The main source of funding to the institute during this period under review was the student fee with a contribution of **Kshs. 76,542,202** for capitation recurrent expenditure purposes. Internally generated revenue from other vote heads was **Kshs. 15,913,500** and **expected from GOK was kshs 30,153,326**.

The institute closed the year with a surplus. The surplus was attributed to the delay in NYS student fees and student HELB loan.

The Institute desires to enhance its visibility, performance and competitiveness in the Tertiary Education Sector in the face of stiff competition. To do so however, the Institute requires a lot of support from the Government and stake holders. We shall continue to appeal for such support for several years to come.

JOSPHAT K. KIPKEMBOI

Chief Principal

OL'LESSOS TECHNICAL INSTITUTE

## **CORPORATE GOVERNANCE STATEMENT**

Ol'lessos Technical Institute is committed to good corporate governance, which promotes the long-term interests of the Government of Kenya and any other stakeholder, strengthens Board of Governors and management accountability and helps build public trust in the Institute.

The Board of Governors is appointed by the Government of Kenya through the Cabinet Secretary, Ministry of Education, Science and Technology to oversee their interest in the long-term health and the overall success of the business and its financial strength in order to discharge its mandate in training. The Board of Governors serves as the ultimate decision-making body of the institute, except for those matters reserved to or shared with the Government of Kenya. The Board selects and oversees the members of senior management, who are charged with the Board of Governors in conducting the business of the Institute in line with **the Technical, Vocational, Education & Training Act of 2013** and the constitution of the Republic of Kenya.

The Board of Governors has established Corporate Governance Guidelines which provide a framework for the effective governance of the Institute. The guidelines address matters such as the Board of Governors' Vision and mission, overall strategy, members' responsibilities, The Board of Governors committee structure, recommendation of the Chief principal, Over-sighting the performance and evaluation of management. The Board of Governors regularly reviews developments in corporate governance and updates the Corporate Governance Guidelines and other governance materials as it deems necessary and appropriate.

The Institute corporate governance materials, including the Corporate Governance Guidelines, the Institute legal order, the terms of reference for each Board committee, the Institute's Codes of Business Conduct, information about how to report concerns about the institute and the institute's public policy engagement and technological contributions policy.

OL'LESSOS TECHNICAL INSTITUTE

**TECHNICAL AND VOCATIONAL EDUCATION TRAINING (TVET)**

ANNUAL REPORT AND FINANCIAL STATEMENTS FOR THE YEAR ENDED 30<sup>TH</sup> JUNE 2018

**COUNCIL/BOARD OF GOVERNORS**

The members of the Boardwho served during the year are shown on page4. During the year no director retired/ resigned and noappointmentsmade to date.

**Auditors**

The Auditor General is responsible for the statutory audit of the *OL'LESSOS TECHNICAL INSTITUTE* in accordance with Article 229 of the Constitution of Kenyaand the Public Audit Act 2015,no Certified Public Accountants were nominated by the Auditor General to carry out the audit of the *OL'LESSOS TECHNICAL INSTITUTE* for the year/period ended June 30, 2018 in accordance to section 23 of the Public Audit Act, 2015 which empowers the Auditor General to appoint an auditor to audit on his behalf.

By Order of the Board

Corporate Secretary

Nairobi

Date: 30/09/19

**STATEMENT OF BOARD OF GOVERNORS/COUNCIL MEMBERS' RESPONSIBILITIES**

Section 81 of the Public Finance Management Act, 2012 and (*section 14 of the State Corporations Act, and section 29 of schedule 2 of the Technical and Vocational Education and Training Act,2013 - (entities should quote the applicable legislation under which they are regulated)*) require the council members to prepare financial statements in respect of that *OL'LESSOS TECHNICAL INSTITUTE* , which give a true and fair view of the state of affairs of *OL'LESSOS TECHNICAL INSTITUTE* at the end of the financial year/period and the operating results of the *OL'LESSOS TECHNICAL INSTITUTE* for that year/period. The Board membersare also required to ensure that the *OL'LESSOS TECHNICAL INSTITUTE* keeps proper accounting records which disclose with reasonable accuracy the financial position of the *OL'LESSOS TECHNICAL INSTITUTE*. The council membersare also responsible for safeguarding the assets of the *OL'LESSOS TECHNICAL INSTITUTE*.

The council membersare responsible for the preparation and presentation of the *OL'LESSOS TECHNICAL INSTITUTE* financial statements, which give a true and fair view of the state of affairs of the *OL'LESSOS TECHNICAL INSTITUTE* for and as at the end of the financial year (period) ended on June 30, 2018. This

OL'LESSOS TECHNICAL INSTITUTE  
**TECHNICAL AND VOCATIONAL EDUCATION TRAINING (TVET)**  
ANNUAL REPORT AND FINANCIAL STATEMENTS FOR THE YEAR ENDED 30<sup>TH</sup> JUNE 2018

responsibility includes: (i) Maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) Maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the institute; (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) Safeguarding the assets of the *OL'LESSOS TECHNICAL INSTITUTE* ; (v) Selecting and applying appropriate accounting policies; and (vi) Making accounting estimates that are reasonable in the circumstances.

The council members accept responsibility for the *OL'LESSOS TECHNICAL INSTITUTE* financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and (*the State Corporations Act, and the TVET Act*). The Board members are of the opinion that the *OL'LESSOS TECHNICAL INSTITUTE* financial statements give a true and fair view of the state of *OL'LESSOS TECHNICAL INSTITUTE* transactions during the financial year ended June 30, 2018, and of the *OL'LESSOS TECHNICAL INSTITUTE* financial position as at that date. The board members further confirm the completeness of the accounting records maintained for the *OL'LESSOS TECHNICAL INSTITUTE* which have been relied upon in the preparation of the *OL'LESSOS TECHNICAL INSTITUTE* financial statements as well as the adequacy of the systems of internal financial control.

Nothing has come to the attention of the board members to indicate that the *OL'LESSOS TECHNICAL INSTITUTE* will not remain a going concern for at least the next twelve months from the date of this statement.

**Approval of the financial statements**

The *OL'LESSOS TECHNICAL INSTITUTE* financial statements were approved by the Board on 20<sup>TH</sup> DECEMBER 2019 and signed on its behalf by:

Board Chairman

17/12/2019

13

## **REPORT OF THE AUDITOR-GENERAL ON OL'LESSOS TECHNICAL TRAINING INSTITUTE FOR THE YEAR ENDED 30 JUNE, 2018**

---

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Disclaimer of Opinion**

I have audited the accompanying financial statements of Ol'Lessos Technical Training Institute set out on pages 14 to 60, which comprise the statement of financial position as at 30 June, 2018, and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015.

I do not express an opinion on the accompanying financial statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

#### **Basis for Disclaimer of Opinion**

##### **1.0 Presentation of Financial Statements**

The Institute's financial statements for the year ended 30 June 2018 provided for audit reflects the following presentation anomalies contrary to the format prescribed by the Public Sector Accounting Standard Board (PSASB).

- 1.1** The numbering of the financial statements is not consistent. Some pages have numbers appearing at the bottom of the page and others on top of the page.
- 1.2** The pages in the table contents are not aligned to the respective pages in the financial statements.
- 1.3** The financial statements do not have separators between figures.
- 1.4** Financial statements components including use of goods and services, remuneration of directors, depreciation and amortization expense, employee costs, general expenses Inventories, cash and cash equivalent, trade and other payables from exchange transaction, and refundable deposits from customers have not been aligned to the respective Notes.

**1.5** The financial statement for the year 2017/2018 also does not disclose the depreciation method used by the institution.

Consequently, the financial statements are not presented in accordance with International Public Sector Accounting Standards (Accrual Basis) as prescribed by PSASB.

## **2.0 Lack of Supporting Schedules**

The statement of financial performance for the year ended 30 June, 2018 reflects total expenses amount of Kshs.140,132,261. However, no schedules/ledgers were provided to support the expenditure.

Consequently, the accuracy and completeness of the financial statement total expenses figure of Kshs.140,132,261 as at 30 June, 2018 could not be confirmed.

## **3.0 Inaccuracies in the Financial Statements**

### **3.1 Misclassification of Expenses**

The statement of financial performance for the year ended 30 June, 2018 as disclosed in Note 22 to the financial statements reflects general expenses figure of Kshs.109,793,065 which included boarding equipment and stores balance of Kshs.4,530,540 out of which Kshs.1,829,250 was incurred in the acquisition of one hundred and fifty (150) double decker student beds supplied by a company vide cheque numbers 6031 and 6007 which should have been capitalized.

Further, included in the Kshs.109,793,065 is Kshs.30,416,263 on tuition expense which includes salary payments and part time allowances totaling to Kshs.6,570,433 charged to tuition expenses instead of employee costs.

Consequently, the validity accuracy and completeness of the general expenses figure of Kshs.109,793,065 for the year ended 30 June, 2018 could not be confirmed.

### **3.2 Non-Disclosure of Board Expenses**

Note 17 to the financial statements reflects a nil balance on remuneration of directors. However, an examination of expenditure records provided revealed expenditure relating to the Board amounting to Kshs.626,700.

Consequently, the accuracy of the nil balance in respect to remuneration of directors for the year ended 30 June, 2018 could not be confirmed.

## **4.0 Transfers from the National Government**

As disclosed in Note 6 to the financial statements, the statement of financial performance for the period year ended 30 June, 2018 reflects transfers from the National Government figure of Kshs.28,200,000 which includes operational grant amount of Kshs.27,000,000. However, supporting schedules provided for audit reflects a figure of Kshs.27,500,000 resulting in an unreconciled/unexplained variance of Kshs.500,000.

Under the circumstance, the accuracy and completeness of the operational grant figure of Kshs.27,000,000 could not be confirmed.

#### **5.0 Net Surplus for the Year**

The statement of financial performance for the year ended 30 June, 2018 reflects net surplus figure of Kshs.48,603,098. However, the statement of comparison of budget and actual amounts reflects a balance of Kshs.985,865 resulting in a variance of Kshs.47,617,233 which has not been explained or reconciled.

Consequently, the accuracy and completeness of the net surplus figure of Kshs.48,603,098 for the year ended 30 June, 2018 could not be confirmed.

#### **6.0 Statement of Changes in Net Assets**

The statement of changes in net assets for the year ended 30 June, 2018 reflects a nil opening balance under capital/development grants. However, records provided for audit indicate that the institutions accumulated development grants as at 30 June, 2017 was Kshs.42,127,646. In addition, reflected under fair value adjustment reserve for the year was a figure of Kshs.29,185,865 whose details was not provided.

Further, the statement of changes in net assets reflects a closing balance of Kshs.77,321,431 whereas the statement of financial position indicates a figure of Kshs.14,311,468 resulting in unexplained/unreconciled variance of Kshs.63,009,963. The statement also reflects the closing balance as at 30 June, 2019 instead of 30 June, 2018.

Consequently, the validity, accuracy and completeness of the statement of changes in net assets for the year ended 30 June, 2018 could not be confirmed.

#### **7.0 Statement of Cash Flows**

The statement of cash flow for the year ended 30 June, 2018 reflects opening cash and cash equivalents at 01 July, 2017 of Kshs.22,242,630 of which bank certificates, bank reconciliation and cash book were not provided for audit.

Consequently, the accuracy and validity of the statement of cash flows for the year ended 30 June, 2018 could not be confirmed.

#### **8.0 Undisclosed Biological Assets**

An audit verification of the Institutes biological assets revealed that the Institute owns one hundred and seventy-six (176) livestock with an estimated value of Kshs.841,000 as per the asset register. However, a review of the 2017/2018 financial statement revealed that the biological assets were not disclosed contrary to International Public Sector Accounting Standard (IPSAS) 27 paragraph 2(a) which stipulates that an entity that prepares and presents financial statements under the accrual basis of accounting shall apply this standard for the biological assets and paragraph 13 which states that an entity shall recognize a biological asset or agricultural produce when and only when the entity controls the asset as a result of past events; It is probable that future economic benefits or service

potential associated with the asset will flow to the entity; and the fair value or cost of the asset can be measured reliably.

Consequently, the validity, accuracy and completeness of the financial statements for the year ended 30 June, 2018 could not be confirmed.

#### **9.0 Undisclosed Value of Property, Plant and Equipment**

As disclosed in Note 32 to the financial statements, the statement of financial position reflects nil balances for property, plant and equipment (PPE) for the year ended 30 June, 2018. Although the Institute owns various assets including land, motor vehicles, computers, buildings tractors as reflected by an un-updated asset register, the reason for excluding them in the financial statement has not been given or explained.

In the circumstance, the accuracy and completeness of the nil property, plant and equipment figure as at 30 June, 2018 could not be confirmed.

#### **10.0 Intangible Assets**

As disclosed in Note 34 to the financial statements, the statement of financial position as at 30 June, 2018 reflects nil figure for intangible asset. However, the institute operates an Enterprise Resource Planner Operating Software which was supplied by a company in phases at a cost of Kshs.5,538,300.

In the circumstance, the accuracy and completeness of the nil intangible figure as at 30 June, 2018 could not be confirmed.

#### **11.0 Cash and Cash Equivalents**

The statement of financial position as at 30 June, 2018 reflects cash and cash equivalent figure of Kshs.53,241,330. However, Note 27(a) of the financial statements reflects a balance of Kshs.23,114,442 resulting in a variance of Kshs.30,126,88 which has not been explained or reconciled. Further, a scrutiny of the ABN system cash books held by the Institution revealed cash and cash equivalents balance of Kshs.52,897,040 resulting to an unexplained variance of Kshs.344,290. In addition, cash and cash equivalents as presented in Note 27 to the financial statement did not disclose bank account name, bank account number and the balance held in each account as per the cash book. Further, details of other cash equivalents making up the cash book balances such as cheques and money orders could not be confirmed as no board of survey was conducted as at the close of the financial year.

Consequently, validity, accuracy and completeness of the cash and cash equivalent balance of Kshs.53,241,330 as at 30 June, 2018 could not be confirmed.

#### **12.0 Bank Reconciliation Statements**

The statement of financial position as at 30 June, 2018 reflects cash and cash equivalents figure of Kshs.53,241,330. A review of the cash and bank records revealed that no monthly

bank reconciliation statements were prepared for eleven (11) out of 14 (fourteen) bank accounts maintained by the Institution.

Consequently, the accuracy and completeness of the cash and cash equivalents figure of Kshs.53,241,330 as at 30 June, 2018 could not be confirmed.

### **13.0 Unsupported Trade and Other Payables from Exchange Transactions**

As disclosed in Note 35 to the financial statements, the statement of financial position as at 30 June, 2020 reflects trade and other payables from exchange transactions balance of Kshs.4,699,517. However, the schedules and ledgers provided for audit revealed an additional amount of Kshs.2,208,858 owed to a Bank as at 30 June, 2018 being bank loan balance used to procure an Institution's vehicle. The Kshs.2,208,858 was not included in the Kshs.4,699,517 thereby understating the Institute's liabilities. Further, no evidence was provided to show that the loan was approved by the board and sanctioned by the relevant Ministry.

Further the aging analysis and the Institutes policy on long outstanding creditors was not provided for audit review.

Consequently, the accuracy of the Kshs.4,699,517 on trade and other payables from exchange transactions as at 30 June, 2018 could not be confirmed.

### **14.0 Unsupported Refundable Deposits**

As disclosed in Note 36 to the financial statements, the statement of financial position as at 30 June, 2018 reflects refundable deposits from customers/students balance of Kshs.1,632,769, which includes customer deposits of Kshs.933,882 and caution money of Kshs.698,887. However, a schedule provided for audit in support of the balances did not indicate each individual student's name and the respective amount as at 30 June, 2018.

Consequently, the accuracy and completeness of the refundable deposits to customer's/students amount of Kshs.1,632,769 for the year ended 30 June, 2018 could not be confirmed.

### **15.0 Unsupported Revenue from Student Fees**

As disclosed in Note 10 to the financial statements, the statement of financial performance for the year ended 30 June, 2018 reflects rendering of service-fees from student's balance of Kshs.65,020,450. However, the fees from students were not supported by the student fee movement schedule indicating the opening balances, additions/Invoiced amounts, amounts paid and balances as at 30 June, 2018.

Consequently, the accuracy and completeness of revenue from student fees of Kshs.65,020,450 for the year ended 30 June, 2018 could not be confirmed.

### **16.0 Unsupported Receivables from Exchange Transactions**

As disclosed in Note 28 to the financial statements, the statement of financial position reflects receivables from exchange transaction figure of Kshs.19,191,289 which relates to

student debtors. However, the receivables were not supported by aging analysis, the Institutes policy on long outstanding debtors, individual debtor ledgers, the debtor movement schedule indicating the opening balances, additions, amounts paid and balances as at 30 June, 2018.

Consequently, the accuracy, validity and completeness of receivables from exchange transactions amount of Kshs.19,191,289 as at 30 June, 2018 could not be confirmed.

#### **17.0 Unsupported Inventories**

As disclosed in Note 30 to the financial statements, the statement of financial position as at 30 June, 2018 reflects inventories amount of Kshs.1,777,498. However, stock sheets and stock take reports were not provided for audit.

Consequently, the accuracy and validity of the inventories figure of Kshs.1,777,498 as at 30 June, 2018 could not be confirmed.

#### **18.0 Budgetary Control and Performance**

The Institute approved expenditure budget for 2017/2018 amounted to Kshs.111,743,291. During the same period, the fund incurred expenditure of Kshs.140,132,261 or 125% of the approved expenditure budget resulting to overall over utilization of Kshs.28,388,970 or 25%. However, no evidence was provided for audit to confirm that the over utilization was authorized by Board.

#### **19.0 Lack of Independent Internal Audit Function**

An audit review of internal audit function revealed that the Institute does not have an internal auditor in place during the year ended 30 June, 2018 which would be responsible for reviewing the governance mechanisms of entity, conducting risk – based, value for money and systems audits, verifying the existence of assets administered by the Institute and ensuring that there are proper safeguards for their protection, providing assurance that appropriate institutional policies and procedures and good business practices are followed by the Institute and evaluating the adequacy and reliability of information available to management for making decisions with regard to the Institute and its operations contrary to Section 73 of the Public Finance Management Act, 2012.

Consequently, the Management of the Institute breached of the law.

#### **20.0 Failure to Establish an Audit Committee**

The Institute has not established an audit committee contrary to Section 174 and 175 of the Public Finance Management (National Governments) Regulations, 2015 which requires National Government entity to establish Audit Committees in accordance with prescribed regulations to monitor the entity governance process, accountability processes and control systems, offer objective advice on issues concerning risk, control, regulatory requirements and governance of the entity.

Consequently, the Management of the Institute breached of the law.

## **21.0 Board of Governors**

Documents provided for audit revealed that the oversight and the running of the Institution is done by a nine-member Board including the Chief Principal and Ministry representative. However, appointment letters for two Board members were not provided for audit.

Consequently, it was not possible to confirm if the Board is properly constituted.

### **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

#### **Conclusion**

I do not express a conclusion on the lawfulness and effectiveness in the use of public resources as required by Article 229(6) of the Constitution. Because of the significance of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources/ Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for my audit conclusion.

### **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

#### **Conclusion**

I do not express a conclusion on the effectiveness of internal controls, risk management and governance as required by Section 7(1)(a) of the Public Audit Act, 2015. Because of the significance of the matters described in the Basis for Conclusion of Internal Controls, Risk Management and Governance/Disclaimer of Opinion section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for my audit conclusion.

### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the ability to continue as a going concern/sustain services, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to terminate the Institute or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

My responsibility is to conduct an audit of the financial statements in accordance with International Standards of Supreme Audit Institutions (ISSAIs) and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. However, because of the matters described in the Basis for Disclaimer of Opinion section of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

In addition, my responsibility is to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them, and that public resources are applied in an effective way in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution. I also consider internal control, risk management and governance processes and systems in order to give an assurance on the effectiveness of internal controls, risk management and governance in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. However, because of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources, and Internal Controls, Risk Management and Governance sections of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit conclusion.

I am independent of in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya.

  
CPA Nancy Gathungu, CBS

Note:

1. For items that are not common in the financial statements, the entity should include a note on what they relate to – either on the face of the statement of changes in equity/net assets or among the notes to the financial statements.
2. Prior year adjustments should have an elaborate note describing what the amounts relate to. In such instances a restatement of the opening balances needs to be done.

**Budget notes**

1. Provide explanation of differences between actual and budgeted amounts (10% over/ under) IPSAS 24.14
2. Provide an explanation of changes between original and final budget indicating whether the difference is due to reallocations or other causes. (IPSAS 24.29)
3. Where the total of actual on comparable basis does not tie to the statement of financial performance totals due to differences in accounting basis (budget is cash basis, statement of financial performance is accrual) provide a reconciliation.

**IX. NOTES TO THE FINANCIAL STATEMENTS**

**1. GENERAL INFORMATION**

Ol'lessos technical institute is established by and derives its authority and accountability from TVET Act. The entity is wholly owned by the Government of Kenya and is domiciled in Kenya. The entity's principal activity is Technical, Vocational, Education and Training.

**2. STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION**

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the Ol'lessos technical institutes accounting policies. The areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Note -

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of theol'lessos technical institute.

The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act, the TVET Act, and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

**3. ADOPTION OF NEW AND REVISED STANDARDS**

**i. Relevant new standards and amendments to published standards effective for the year ended 30 June 2019**

<b>Standard</b>	<b>Impact</b>
<b>IPSAS 40:</b> Public Sector Combinations	<b>Applicable: 1<sup>st</sup> January 2019</b> The standard covers public sector combinations arising from exchange transactions in which case they are treated similarly with IFRS 3(applicable to acquisitions only). Business combinations and combinations arising from non-exchange transactions are covered purely under Public Sector combinations as amalgamations. <i>(State the impact of the standard to the entity if relevant)</i>

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**3 ADOPTION OF NEW AND REVISED STANDARDS (Continued)**

**ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2019**

<b>Standard</b>	<b>Effective date and impact:</b>
<p><b>IPSAS 41:</b> Financial Instruments-</p>	<p><b>Applicable: 1<sup>st</sup> January 2022:</b>                      The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an entity's future cashflows.                      IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"> <li>• Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held;</li> <li>• Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and</li> <li>• Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an entity's risk management strategies and the accounting treatment for instruments held as part of the risk management strategy.</li> </ul> <p><i>(State the impact of the standard to the entity if relevant)</i></p>
<p><b>IPSAS 42:</b> Social Benefits</p>	<p><b>Applicable: 1<sup>st</sup> January 2022</b>                      The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general purpose financial reports assess:</p> <ol style="list-style-type: none"> <li>(a) The nature of such social benefits provided by the entity;</li> <li>(b) The key features of the operation of those social benefit schemes; and</li> <li>(c) The impact of such social benefits provided on the entity's financial performance, financial position and cash flows.</li> </ol> <p><i>(State the impact of the standard to the entity if relevant)</i></p>

**iii. Early adoption of standards**

The entity did not early – adopt any new or amended standards in year 2018.

**4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**a) Revenue recognition**

**i) Revenue from non-exchange transactions**

**Transfers from other government entities**

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably. Recurrent grants are recognized in the statement of comprehensive income. Development/capital grants are recognized in the statement of financial position and realised in the statement of comprehensive income over the useful life of the assets that has been acquired using such funds

**ii) Revenue from exchange transactions**

**Rendering of services**

The entity recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably. The stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours.

Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

**Sale of goods**

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably and it is probable that the economic benefits or service potential associated with the transaction will flow to the entity.

**Interest income**

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

**Dividends**

Dividends or similar distributions must be recognized when the shareholder's or the entity's right to receive payments is established.

7. Cows, sheeps, poultry

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**f) Leases**

Finance leases are leases that transfer substantially the entire risks and benefits incidental to ownership of the leased item to the Entity. Assets held under a finance lease are capitalized at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the future minimum lease payments. The Entity also recognizes the associated lease liability at the inception of the lease. The liability recognized is measured as the present value of the future minimum lease payments at initial recognition.

Subsequent to initial recognition, lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in surplus or deficit.

An asset held under a finance lease is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Entity will obtain ownership of the asset by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating leases are leases that do not transfer substantially all the risks and benefits incidental to ownership of the leased item to the Entity. Operating lease payments are recognized as an operating expense in surplus or deficit on a straight-line basis over the lease term.

**g) Intangible assets**

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite

**h) Research and development costs**

The Entity expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the Entity can demonstrate:

- The technical feasibility of completing the asset so that the asset will be available for use or sale
- Its intention to complete and its ability to use or sell the asset
- How the asset will generate future economic benefits or service potential
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development.

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete and the asset is available for use. It is amortized over the period of expected future benefit. During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Financial instruments

*Financial assets*

*Initial recognition and measurement*

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Entity determines the classification of its financial assets at initial recognition.

*Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

*Held-to-maturity*

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Entity has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

*Impairment of financial assets*

The Entity assesses at each reporting date whether there is objective evidence that a financial asset or an entity of financial assets is impaired. A financial asset or an entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cashflows of the financial asset or the entity of financial assets that can be reliably estimated. Evidence of impairment may include the following indicators:

**4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**i) Financial instruments (Continued)**

*Financial assets (Continued)*

*Impairment of financial assets (Continued)*

- The debtors or a entity of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

*Financial liabilities*

*Initial recognition and measurement*

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

*Loans and borrowing*

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

**i) Inventories**

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**i) Inventories (Continued)**

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

**j) Provisions**

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

***Contingent liabilities***

The Entity does not recognize a contingent liability, but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

***Contingent assets***

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

The Institute do not operate a defined benefit scheme for all full-time employees. The scheme is based on 0% percentage of salary of an employee at the time of retirement. During the year, AA actuarial valuers were engaged to value the scheme. The liability at the end of the year is as follows:

	2016-2017	2017-2018
	KShs	KShs
Valuation at the beginning of the year		
Changes in valuation during the year		
Valuation at end of the year	0	0
	=====	=====

The company also contributes to the statutory National Social Security Fund (NSSF). This is a defined contribution scheme registered under the National Social Security Act. The company's obligation under the scheme is limited to specific contributions legislated from time to time and is currently at Kshs.400 per employee per month.

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**45 FINANCIAL RISK MANAGEMENT**

The entity's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The company's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The company does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The entity's financial risk management objectives and policies are detailed below:

**(i) Credit risk**

The entity has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the company's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

	<b>Total amount Kshs</b>	<b>Fully performing Kshs</b>	<b>Past due Kshs</b>	<b>Impaired Kshs</b>
<b>At 30 June 2018</b>				
Receivables from exchange transactions	19,191,289	0	0	0
Receivables from non-exchange transactions	0	0	0	0
Bank balances				
<b>Total</b>	<b>19,191,289</b>	<b>0</b>	<b>0</b>	<b>0</b>
<b>At 30 June 2018</b>

*(NB: The totals column should tie to the individual elements of credit risk disclosed in the entity's statement of financial position)*

50

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**45. FINANCIAL RISK MANAGEMENT (Continued)**

**(i) Credit risk (continued)**

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the company has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has significant concentration of credit risk on amounts due from xxxx

The board of directors sets the company's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

**(ii) Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the entity's directors, who have built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the company under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	<b>Less than 1 month</b>	<b>Between 1-3 months</b>	<b>Over 5 months</b>	<b>Total</b>

**REPORT AND FINANCIAL STATEMENTS FOR THE YEAR ENDED 30<sup>TH</sup> JUNE 2018**  
**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**45. FINANCIAL RISK MANAGEMENT (Continued)**

**(iii) Market risk**

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The company's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day to day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

a) Foreign currency risk

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

The carrying amount of the entity's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

	<b>Ksh</b>	<b>Other currencies</b>	<b>Total</b>
	<b>Kshs</b>	<b>Kshs</b>	<b>Kshs</b>
<b>At 30 June 20xx</b>			
Financial assets(investments, cash ,debtors)			
Liabilities			
Trade and other payables			
Borrowings			
Net foreign currency asset/(liability)	<b>0</b>	<b>0</b>	<b>0</b>

The entity manages foreign exchange risk from future commercial transactions and recognised assets and liabilities by projecting for expected sales proceeds and matching the same with expected payments.

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**45. FINANCIAL RISK MANAGEMENT (Continued)**

a) Interest rate risk

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The company's interest rate risk arises from bank deposits. This exposes the company to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the company's deposits.

*Management of interest rate risk*

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**45 FINANCIAL RISK MANAGEMENT (Continued)**

(iii) Market risk (Continued)

b) Interest rate risk(continued)

*Sensitivity analysis*

The entity analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

**iv) Capital Risk Management**

The objective of the entity's capital risk management is to safeguard the Board's ability to continue as a going concern

**NOTES TO THE FINANCIAL STATEMENTS (Continued)**

**46 RELATED PARTY BALANCES**

**Nature of related party relationships**

**APPENDIX 1: PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS**

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)

**Guidance Notes:**

- (i) Use the same reference numbers as contained in the external audit report;
- (ii) Obtain the “Issue/Observation” and “management comments”, required above, from final external audit report that is signed by Management;
- (iii) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your entity responsible for implementation of each issue;
- (iv) Indicate the status of “Resolved” or “Not Resolved” by the date of submitting this report to National Treasury.
