For the financial year ended June 30, 2018

1. PROJECT INFORMATION AND OVERALL PERFORMANCE

1.1 Name and registered office

Name: The project's official name is Regional Pastoral Livelihoods Resilience Project,

Objective: The key objective of the project is provision of resilience to pastoral communities through alternative livelihoods,

Address: The project headquarters offices are Nairobi (city), Nairobi County, Kenya.

The address of its registered office is:

P.O. Box 34188 – 00100, Nairobi

The project also has offices/branches as follows:

- Baringo
- Garissa
- Isiolo
- Kajiado
- Laikipia
- Lamu
- Mandera
- Marsabit
- Narok
- Samburu
- Tana River
- Turkana
- Wajir
- West pokot

Contacts: The following are the project contacts

Telephone: (254) **2099167:(254) 20**

E-mail: pslivestock@kenya.go.ke ; ptl.resilience@gmail.com

Website: www.kilimo.go.ke

1.2 Project Information

Project Start Date:	The project start date is 15 – 12 - 14
Project End Date:	The project end date is 15 – 12 - 19
Project Manager:	The project manager is Mr James Kibet Tendwa
Project Sponsor:	The project sponsor is The World Bank and GOK

Regional Pastoral Livelihoods Resilience Project
Reports and Financial Statements
For the financial year ended June 30, 2018

1.3 Project Overview

Line Ministry/State Department of the project	The project is under the supervision of the Ministry of Agriculture and Irrigation/ State department of Livestock.
Project number	P129408
Strategic goals of the project	To contribute to ending drought emergencies in the horn of Africa
Achievement of strategic goals	The project management aims to achieve the goals through the following means: (i) Reduce the percentage death rate of livestock (cattle, camel, goat & sheep) kept by pastoral and agro-pastoral households targeted by the Project (ii) Increase the number of animals (cattle, goat and sheep) traded in selected Project markets (iii) Increase the value of animals (cattle, goat and sheep) traded in selected Project markets (iv) Reduce the time lapse between early warning information and response reduced (v) Increase the number of direct project beneficiaries (number) of which (percentage) female
Other important background information of the project	The Project is being implemented in Kenya, Uganda and Ethiopia under the coordination of IGAD. The Kenya RPLRP has the national Project coordinating unit at the Project headquarters and 14 county Project coordination units in the 14 Project counties. The Project will achieve its objectives by facilitating relevant line ministries and state departments to implement Project activities
Current situation that the project was formed to intervene	The Project was formed to intervene in the following 5 areas: (i) Component one - natural resources management (ii) Component two -market access and trade (iii) Component three - livelihood support (iv) Component four - pastoral risk management (v) Component five – Project management and institutional support
Project duration	The project started on 15 th December 2014 and is expected to run until 15 th December 2019

2. STATEMENT OF PROJECT MANAGEMENT RESPONSIBILITIES

The *Principal Secretary* for the Ministry of Agriculture and Irrigation and the *Project Coordinator* for Regional Pastoral Livelihood Resilience project are responsible for the preparation and presentation of the Project's financial statements, which give a true and fair view of the state of affairs of the Project for and as at the end of the financial year (period) ended on June 30, 2018. This responsibility includes: (i) maintaining adequate financial management arrangement and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Project; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statement, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Project; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

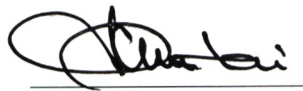

The *Principal Secretary* for the Ministry of Agriculture and Irrigation and the Project Coordinator for Regional Pastoral Livelihood Resilience project accept responsibility for the Project's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards.

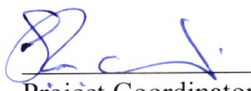

The *Principal Secretary* for the Ministry of Agriculture and Irrigation and the Project Coordinator for Regional Pastoral Livelihood Resilience project are of the opinion that the Project's financial statements give a true and fair view of the state of Project's transactions during the financial year/period ended June 30, 2018, and of the Project's financial position as at that date. The *Principal Secretary* for ministry of Agriculture and Irrigation and the Project Coordinator for Regional Pastoral Livelihood Resilience project further confirm the completeness of the accounting records maintained for the Project, which have been relied upon in the preparation of the Project financial statements as well as the adequacy of the systems of internal financial control.

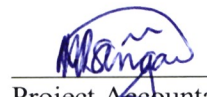

The *Principal Secretary* for the Ministry of Agriculture and Irrigation and the Project Coordinator for Regional Pastoral Livelihood Resilience project confirm that the Project has complied fully with applicable Government Regulations and the terms of external financing covenants, and that Project funds received during the financial year/period under audit were used for the eligible purposes for which they were intended and were properly accounted for.

Approval of the Project financial statements

The Project financial statements were approved by the *Principal Secretary* for the Ministry Agriculture and Irrigation and the Project Coordinator for Regional Pastoral Livelihood Resilience project on 10/12/ 2018 and signed by them.

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON REGIONAL PASTORAL LIVELIHOODS RESILIENCE PROJECT (IDA CREDIT NO.53880-KE) FOR THE YEAR ENDED 30 JUNE 2018 – MINISTRY OF AGRICULTURE, LIVESTOCK, FISHERIES & IRRIGATION

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of Regional Pastoral Livelihoods Resilience Project set out on pages 1 to 34, which comprise the statement of financial assets as at 30 June 2018, and the statement of receipts and payments, statement of cash flows and statement of comparative budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015 and Schedule 2 Section II B of the Financing Agreement No.5388-KE dated 19 May 2014 between the International Development Association (IDA) and the Republic of Kenya. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Regional Pastoral Livelihoods Resilience Project as at 30 June 2018 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Financing Agreement and the Public Finance Management Act 2012.

In addition, the special account statement presents fairly, transaction for the year, and the closing balance has been reconciled with the books of account.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of in accordance with ISSAI 30 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Report of the Auditor-General on the Financial Statements of Regional Pastoral Livelihoods Resilience Project (IDA Credit No.53880-KE) for the year ended 30 June 2018 – Ministry of Agriculture, Livestock, Fisheries & Irrigation

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to communicate in my report.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1) (a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 1315 and ISSAI 1330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as management determines is

necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control.

In preparing the financial statements, management is responsible for assessing the Project's ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the management intends to cease operations, or have no realistic alternative but to do so. Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective manner.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1) (a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of noncompliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

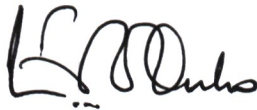

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Project's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Project to cease sustaining its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Report of the Auditor-General on the Financial Statements of Regional Pastoral Livelihoods Resilience Project (IDA Credit No.53880-KE) for the year ended 30 June 2018 – Ministry of Agriculture, Livestock, Fisheries & Irrigation

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Project to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

FCPA Edward R. O. Ouko, CBS
AUDITOR-GENERAL

8. NOTES TO THE FINANCIAL STATEMENTS

The principal accounting policies adopted in the preparation of these financial statements are set out below:

8.1. Basis of Preparation

8.1.1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

The accounting policies adopted have been consistently applied to all the years presented.

8.1.2. Reporting entity

The financial statements are for the Project Regional Pastoral Livelihood Resilience project under National Government of Kenya. The financial statements encompass the reporting entity as specified in the relevant legislation PFM Act 2012 .

8.1.3. Reporting currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Project and all values are rounded to the nearest Kenya Shilling.

8.2. Significant Accounting Policies

a) Recognition of receipts

The Project recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Government.

• Transfers from the Exchequer

Transfer from Exchequer is be recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

• External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donations and grants

Grants and donations shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary. In case of grant/donation in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice.

Proceeds from borrowing

Borrowing includes Treasury bill, treasury bonds, corporate bonds, sovereign bonds and external loans acquired by the Project or any other debt the Project may take on will be treated on cash basis and recognized as a receipt during the year they were received.

Undrawn external assistance

These are loans and grants at reporting date as specified in a binding agreement and relate to funding for the Project currently under development where conditions have been satisfied or their ongoing satisfaction is highly likely and the project is anticipated to continue to completion. An analysis of the Project's undrawn external assistance is shown in the funding summary

• **Other receipts**

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognised in the financial statements the time associated cash is received.

b) Recognition of payments

The Project recognises all payments when the event occurs and the related cash has actually been paid out by the Project.

• **Compensation of employees**

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

• **Use of goods and services**

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. If not paid for during the period where goods/services are consumed, they shall be disclosed as pending bills.

• **Interest on borrowing**

Borrowing costs that include interest are recognized as payment in the period in which they incurred and paid for.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

• **Repayment of borrowing (principal amount)**

The repayment of principal amount of borrowing is recognized as payment in the period in which the repayment is made. The stock of debt is disclosed as an annexure to the consolidated financial statements.

• **Acquisition of fixed assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

c) In-kind donations

In-kind contributions are donations that are made to the Project in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Project includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

d) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

Restriction on cash

Restricted cash represents amounts that are limited/restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation. Amounts maintained in deposit bank accounts are restricted for use in refunding third part deposits

ds Resilience Project

ents

une 30, 2018

NG POLICIES (Continued)

Of these financial statements, imprests and advances to authorised public or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

f) Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Project at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

g) Budget

The budget is developed on a comparable accounting basis (cash basis), the same accounts classification basis (except for accounts receivable - outstanding imprest and clearance accounts and accounts payable - deposits, which are accounted for on an accrual basis), and for the same period as the financial statements. The Project's budget was approved as required by Law and National Treasury Regulations, as well as by the participating development partners, as detailed in the Government of Kenya Budget Printed Estimates for the year. The Development Projects are budgeted for under the MDAs but receive budgeted funds as transfers and account for them separately. These transfers are recognised as inter-entity transfers and are eliminated upon consolidation.

A high-level assessment of the Project's actual performance against the comparable budget for the financial year/period under review has been included in an annex to these financial statements.

h) Third party payments

Included in the receipts and payments, are payments made on its behalf by to third parties in form of loans and grants. These payments do not constitute cash receipts and payments and are disclosed in the payment to third parties column in the statement of receipts and payments.

During the year Kshs nil being loan disbursements were received in form of direct payments from third parties.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Exchange rate differences

The accounting records are maintained in the functional currency of the primary economic environment in which the Project operates, Kenya Shillings. Transactions in foreign currencies during the year/period are converted into the functional currency using the exchange rates prevailing at the dates of the transactions. Any foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statements of receipts and payments.

j) Comparative figures

Where necessary comparative figures for the previous financial year/period have been amended or reconfigured to conform to the required changes in financial statement presentation.

k) Subsequent events

There have been no events subsequent to the financial year/period end with a significant impact on the financial statements for the year ended June 30, 2018.

l) Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. Restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

8.16. PRIOR YEAR ADJUSTMENT

	2017/18	2016/17
	KShs	KShs
Bank accounts	- 61,082,131	-
Cash in hand	-	-
Cash equivalents (short-term deposits)	-	-
Receivables - Outstanding Imprests	-	-
	-	-
Total	<u>-61,082,131</u>	<u>=</u>

The amount is due to the balances in designated account that was included as part of the receipt in the financial statements of previous years. This presentation has since changed after consultations, noting that at this stage, the funds are not project receipts. Therefore the recognition of receipts is only for the funds received in the project operating (Ksh.) account at the central bank of Kenya, while the balances in the special account (USD) is only highlighted as a disclosure in the financial statements since we do not have a direct control over the account.

-PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor. We have nominated focal persons to resolve the various issues as shown below with the associated time frame within which we expect the issues to be resolved.

Regional Pastoral Livelihoods Resilience Project
Reports and Financial Statements
For the financial year ended June 30, 2018

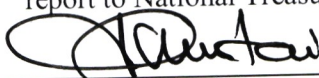

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Focal Point person to resolve the issue (Name and designation)	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
1	Cash and Cash Equivalents	The cashbook copy, bank reconciliation statement, bank statement and board of survey report were availed.	Matayo Wangalwa – Senior Accountant	Resolved	N/A
1	Cash and Cash Equivalents	The difference of Kshs. 39200 was an error that arose due to posting of wrong total under note 8.13A. However the figure of Kshs. 63,768,674 shown in the financial statement is the correct figure from recasting the composition of note 8.1A.	Matayo Wangalwa – Senior Accountant	Resolved	N/A
2	Account receivables	The schedules and composition of the outstanding imprest of Kshs. 273,105 were availed.	Matayo Wangalwa – Senior Accountant	Resolved	N/A
3	Misallocation of expenditure	An expenditure of Kshs. 19938517 incurred on insurance of motor vehicles was erroneously included in the value of motor vehicles. However this corrected in the revised financial statement	Matayo Wangalwa – Senior Accountant	Resolved	N/A
4.1	Transfer to other government entities	Copies of the no objection letter from the donor and request by the permanent secretary the national treasury were provided.	Matayo Wangalwa – Senior Accountant	Resolved	N/A
4.2	Purchase of goods and services	The schedules for the listed items expenditure were provided	Matayo Wangalwa – Senior Accountant	Resolved	N/A
5	Receipts from development partner	The amount of US \$529300 was released to the shilling account earlier than US \$1,764,900 by the	Matayo Wangalwa – Senior	Resolved	N/A

		national treasury. The letter was transferred to the shilling account very late in the end of the previous financial year (2015/2016). Part of the funds here therefore was used to pay for the previous financial years expenditure that caused the difference	Accountant		

Guidance Notes:

- (i) Use the same reference numbers as contained in the external audit report;
- (ii) Obtain the "Issue/Observation" and "management comments", required above, from final external audit report that is signed by Management;
- (iii) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your entity responsible for implementation of each issue;
- (iv) Indicate the status of "Resolved" or "Not Resolved" by the date of submitting this report to National Treasury.
