REPORT OF THE AUDITOR-GENERAL ON RANG'ALA BOYS HIGH SCHOOL FOR THE YEAR ENDED 30 JUNE, 2023 – SIAYA COUNTY

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources, and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Rang'ala Boys High School set out on pages 1 to 22, which comprise of the statement of assets and liabilities as at

30 June, 2023 and the statement of receipts and payments, statement of cash flows and statement of budgeted versus actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Rang'ala Boys High School as at 30 June, 2023 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Basic Education Act, 2013 and Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Inaccuracies in the Comparative Payments

The statement of receipts and payments reflects Kshs.11,656,889 in respect to comparative 2021/2022 financial year payments for operations. However, the corresponding Note 2 to the financial statement reflects an amount of Kshs.11,462,244, resulting in an unexplained variance of Kshs.194,645.

In the circumstances, the accuracy of the financial statements could not be confirmed.

2. Unsupported Cash and Cash Equivalents

The statement of assets and liabilities reflects cash and cash equivalents balance of Kshs.6,115,428 as disclosed in Note 10 and Note 11 to the financial statements. Included in the balance is income generating activities bank account with a balance of Kshs.172,434, which was not supported with bank reconciliation statements.

In the circumstances, the accuracy, completeness and existence of the cash and cash equivalents balance of Kshs.6,115,428 could not be confirmed.

3. Unsupported Accounts Receivables

The statement of assets and liabilities reflects accounts receivable balance of Kshs.28,824,024 as disclosed in Note 13 to the financial statements. However, the supporting schedules, detailed ageing analysis and issued invoices were not provided for audit review.

In the circumstances, the accuracy and completeness of the accounts receivables balance of Kshs.28,824,024 could not be confirmed.

4. Unsupported Accounts Payables

The statement of assets and liabilities reflects accounts payables balance of Kshs.28,824,024 as disclosed in Note 14 to the financial statements. However, the

balance was not supported by requisite documents such as Local Purchase Orders (LPOs), Local Service Orders (LSOs), invoices, inspection and acceptance reports and accounts payable ageing analysis.

In the circumstances, the accuracy and completeness of the account's payables balance of Kshs.28,824,024 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of Rang'ala Boys High School Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the effect of the matters described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

Other Information

Management is responsible for the Other Information set out on page iii to xvi which comprise of Key Entity Information and Management, Summary Report of Performance of the School and the Statement of School Management Responsibilities. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the School's financial statements, my responsibility is to read the Other Information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on

Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Late Submission of Financial Statements for Audit

During the year under review, Management submitted the financial statements for audit on 27 February, 2026 instead of the statutory deadline of 30 September, 2023. This was contrary to Section 81(4) of the Public Finance Management Act, 2012 states that not later than three months after the end of each financial year, the Accounting Officer for an entity shall submit an entity's financial statements to the Auditor-General and a copy of the statement to the Controller of Budget, the National Treasury and the Commission on Revenue Allocation.

In the circumstances, Management was in breach of the law.

2. Long Outstanding Accounts Payables

The statement of assets and liabilities reflects and as disclosed in Note 14 to the financial statements reflects accounts payables balance of Kshs.28,824,024. However, included in the balance are trade payables balance of Kshs.14,241,445 which have been outstanding for more than two (2) years, and this pose a risk of loss of public funds through litigations, interests and penalties. This was contrary to Regulation 42(1)(a) of the Public Finance Management (National Government) Regulations, 2015 which states that service payments shall be a first charge on the Consolidated Fund and the Accounting Officer shall ensure this is done to the extent possible that the government does not default on debt obligations.

In the circumstances, Management was in breach of the law.

3. Unbalanced Budget

The statement of comparison of budget and actual amounts for the year ended 30 June, 2023 reflects Kshs.76,269,665 in respect to the final revenue budget against final expenditure budget of Kshs.71,654,665 resulting in a budget deficit of Kshs.4,611,000. This was contrary to Regulation 33(c) of the Public Finance Management (National Government) Regulations, 2015 which states that unless provided otherwise in the Act, these Regulations or any other guidelines developed in furtherance of the Act or these Regulations, the budget shall be balanced.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in

the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

1. Long Outstanding Accounts Receivables

The statement of assets and liabilities reflects accounts receivable balance of Kshs.28,824,024 in respect of fees arrears as disclosed in Note 13b to the financial statements. However, included in the balance are receivables of Kshs.21,121,624 which have been outstanding for more than two (2) years. However, there was no ageing analysis and policy on the impairment of long outstanding fees arrears casting doubt on full recoverability of the accounts receivables balance.

In the circumstances, the existence of effective mechanisms for debt management could not be confirmed.

2. Lack of Internal Audit Review and Audit Committee

During the year under review, the school had not constituted an Audit Committee and there was no evidence of an Internal Audit Review. This was contrary to section 73(1)(a) of the Public Finance Manager Act, 2012 which requires every national government entity to ensure it has appropriate arrangements is placed for conducting internal audit according to the guidelines of the Accounting Standards Boards. Further, Section 61(2)(d) of the Basic Education Act, 2013 requires the Board of Management to establish an Audit Committee among other Board Committees.

In the circumstances, the existence of an effective oversight mechanisms could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards Cash Basis and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the School's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the School's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards of Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions

and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

10. Significant Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and applicable government legislations and regulations. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

This cash basis of accounting has been supplemented with accounting for; a) receivables that include school fees from parents, imprest, salary advances and other receivables and b) payables that include deposits and retentions and payables from operations.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the *school*, and all values are rounded to the nearest Kenya Shilling (Kshs). The accounting policies adopted have been consistently applied to all the years presented.

2. Recognition of receipts and payments

The *school* recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the *school*. In addition, the *school* recognises all expenses when the event occurs, and the related cash has actually been paid out by the *school*. Income arising from school fees is recognised when the event occurs whether cash is received or not. Expenditure arising from operations is recognised when the event occurs irrespective of receipt of cash.

3. In-kind contributions

In-kind contributions are donations that are made to the *school* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *school* includes such value in the statement of receipts and payments both as a receipt and as a payment in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various financial institutions at the end of the financial year.

5. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. Accounts receivables also include school fees billed to parents for services rendered but not paid. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

RANGALA BOYS HIGH SCHOOL

Annual Report and Financial Statements For the year ended 30th June 2023

6. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Payables also include expenditure incurred for the purchase of goods, works and services that has been rendered and not settled. This is an enhancement to the cash accounting policy adopted for public secondary schools. Other liabilities are disclosed in the financial statements.

7. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the school fixed asset register a summary of which is provided as a memorandum to these financial statements.

8. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The *school's* budget was approved by the School Board of Management. A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

9. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

10. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2023.
