the stature of the late Senator Mutula Kilonzo. In spite of the expenditure being irregular the County Assembly has attempted to justify it in its report.

- 9.4. **THAT** the issue is not whether the expenditure was honourable or not but whether it complied with the Public Finance Management Act and provisions of Article 201 of the Constitution on prudent use of public finance.
- 9.5. **THAT** the expenditure was not provided for in the budget for the Transitional Period of January, 2013 to 30th June 2013.

11. IRREGULAR PAYMENTS OF ALLOWANCES TO MEMBERS OF THE COUNTY ASSEMBLY:

- 11.1. **THAT** the Governor of Machakos further made irregular payments or incurred expenditure without following provisions of the law by making a payment of Kshs 4,000,000.00.
- 11.2. **THAT** the expenditure was ostensibly made as a token of appreciation to members of the Machakos County Assembly for voting in the current Speaker of the Assembly.
- 11.3. **THAT** each County Assembly member got Kshs 100,000.00.
- 11.4. **THAT** the Assembly Members signed for the money as an advance salary, yet the documents given to the Auditor General to explain the same purported it to be allowances for an induction course at the rate of Kshs 10,000.00 per day for 10 days. This is irregular and fraudulent.
- 11.5. **THAT** the payment was irregular both at payment point and at the point of accounting and threatens the principle of separation of powers which is provided for under the principles of devolved or County Government.
- 11.6. **THAT** the expenditure is also in breach of the principles of public finance captured under Articles 201 of the Constitution.

- 12.3. **THAT** the Auditor General noted in its report that there were no invitation letters attached, no invitations to bid, quotations and no visas to support the fact that the trip actually took place or how the service was procured.
- 12.4. **THAT** the expenditure is in breach of the PPD Act and the provisions of Article 227 of the Constitution and other laws.
- 12.5. **THAT** the alleged trip, if it took place also suggests that Executive and the Assembly joint trips are part of the systemic erosion of the principle of separation of powers.
- 12.6. **THAT** the County Assembly in its Special Report of March, 2015 by PAIC seems to be a response on a trip to Dubai whereas the Kenya Audit report of 12th February, 2014 was a query on a trip to South Africa, which still remains unexplained.
- 12.7. **THAT** the PAIC also avoids in its recommendations and observations to take a position on the breach of the PPD Act and other laws.
- 12.8. **THAT** further, the clerk of the County Assembly who was by then under interdiction was part of the delegation and trip that went for the alleged trip to South Africa at tax payers money.

- 13.7. THAT the expenditure is in breach of the PPD Act and the provisions of Article 227 of the Constitution and other laws.
- 13.8. THAT the PAIC of the Machakos County Assembly confirms there was single sourcing but curiously excuses the anomaly by stating that the provider was the only one who could provide the service on a short notice.

Musau and Nyamu & Nyamu Advocates was done by the Executive.
- 14.6. THAT the Governor of Machakos by making irregular payments of Kshs 4,000,000.00, that is to say Kshs 100,000.00 to each member of the County Assembly as a token of appreciation for voting in the current Speaker, crossed the line on the principle of separation of powers.
- 14.7. THAT the Governor was not only setting in place a chain of events that would render the Assembly ineffective but also a co-perpetrator in the acts and omissions relating to misuse of public finances and abuse of office.
- 14.8. THAT the Petitioners advance as a case in point, the audit report namely "Special Audit Report on the County Government of Machakos and the five local authorities during the transition period" dated 12th February, 2014.
