4. Statement of School Management Responsibility

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, each National Government School shall prepare financial statements in respect of that school. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board (PSASB) of Kenya from time to time.

Schedule 4 (Section 23) of the Education Act, 2013 requires the Board of Management of a public institution of basic education to keep all proper books and records of accounts of the income, expenditure, and assets of the institution.

The Board of Management of *Christ the king high school* accepts responsibility for the school's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS).

The Board of Management is of the opinion that the school's financial statements give a true and fair view of the state of the school's transactions during the financial year ended 30th June, 2024, and of the school's financial position as at that date.

REPORT OF THE AUDITOR-GENERAL ON CHRIST THE KING HIGH SCHOOL CHEPTERIT FOR THE YEAR ENDED 30 JUNE, 2024 – NANDI COUNTY

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources, and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Christ the King High School Chepterit- Nandi County set out on pages 1 to 23, which comprise of the statement of assets and liabilities as at 30 June, 2024 and the statement of receipts and payments,

Report of the Auditor-General on Christ the King High School Chepterit for the year ended 30 June, 2024 - Nandi County

statement of cash flows, statement of budgeted versus actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Christ the King High School Chepterit as at 30 June, 2024 and of its financial performance and its cash flows for the year ended 30 June, 2024, in accordance with International Public Sector Accounting Standards Cash Basis and comply with the Basic Education Act, 2013 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Inaccuracies of the Financial Statements

Review of the financial statements submitted for audit revealed the following inaccuracies;

- (i) The statement of receipts and payments reflects school fund income-parents contribution amount of Kshs.3,121,249 while the statement of cash flows reflects reflect an amount of Kshs.2,154,316 resulting in unreconciled variance of Kshs.966,933.
- (ii) The statement of receipts and payments reflects infrastructure payments amount of Kshs.45,162 while the statement of cash flows reflects reflect an amount of Kshs.594,212 resulting in unreconciled variance of Kshs.549,050.
- (iii) The statement of receipts and payments reflects boarding school fund payments amount of Kshs.3,290,136 while the statement of cash flows reflect an amount of Kshs.2,653,653 resulting in unreconciled variance of Kshs.636,483.
- (iv) The statement of budgeted versus actual amounts presented lack important significant information including actual on comparative figures.
- (v) The statement of assets and liabilities reflect accounts payable balance of Kshs.2,691,928 as disclosed in Note 14 to the financial statements. The balance include trade creditors balance of Kshs.1,725,175. However, annex 1 on Analysis of pending bills reflect a balance of Kshs.10,795 resulting in unreconciled variance of Kshs.1,714,380.

In the circumstances, the completeness and accuracy of balances reflected in the financial statements could not be confirmed.

2. Unsupported Accounts Receivables Balance

The statement of assets and liabilities reflects accounts receivables balance of Kshs.10,702,577 as disclosed in Note 13 to the financial statements. The balance is in respect of school fees arrears. However, the balance was not supported with a ledger

and a detailed schedule of analysis. Further, the balance include fees in arrears of Kshs.9,524,947 that had been outstanding for more than one (1) year. The policy on the impairment of long outstanding fees arrears were not provided for audit, casting doubt on recoverability of the accounts receivables balance.

In the circumstances, the accuracy and completeness of accounts receivable balance of Kshs.10,702,577 could not be confirmed.

3. Unsupported School Fund Income-Parents Contribution

The statement of receipts and payments reflects school fund income-parents contribution amount of Kshs.3,121,249 as disclosed in Note 3 to the financial statements. However, the amounts were not supported by a ledger and a detailed schedule of analysis

In the circumstances, the accuracy and completeness of school fund income and of Kshs.3,121,249 could not be confirmed.

4. Unsupported Payments

The statement of receipts and payment reflects payment for operations amount of Kshs.1,827,916 as disclosed in Note 7 to the financial statements. However, examination of payment vouchers amounting to Kshs.702,340 revealed that the payments were not supported with documents such as requisitions, local purchase orders, delivery notes, inspection reports, goods received notes, certificate of payments.

In the circumstances, the regularity, accuracy and completeness of the operations and infrastructure amount of Kshs.1,827,916 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Christ the King High School Chepterit Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matter

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the effect of the matters described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

Other Information

The Management is responsible for the Other Information set out on page 2 to 16 which comprise of Key School Information and Management, Summary report of performance of the school, Statement of School Management Responsibility. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the School's financial statements, my responsibility is to read the Other Information and in doing so, consider whether the Other Information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Failure to Transfer of Infrastructure Funds from Operations Bank Account

The statement of receipts and payments reflects operations grants amount of Ksh.2,355,552 as disclosed in Note 2 to the financial statements from the Ministry of Education credited in the operations bank account. Included in the amount is Ksh.765,600 in respect of infrastructure grants which were to be transferred to infrastructure bank account for maintenance and improvement of the school's facilities. However, this amount was not transferred. This was contrary to The Ministry of Education Circular Ref. No: MOE.HQS/3/13/3 dated 16 June, 2021 which directed that infrastructure grants as well as maintenance and improvement funds should be transferred to the school infrastructure account fifteen (15) days upon receipt of the funds in the operations account.

In the circumstances, Management was in breach of the Ministry of Education Circular.

2. Late Submission of Financial Statements

During the year under review, Management submitted the financial statements to the Auditor-General on 09 March, 2026 instead of the statutory deadline of 30 September 2024. This was contrary to the Ministry of Education Circular Ref.MOE/DSAS/FIN/17/1/17 dated 19 August, 2021 which stated that the school's financial statements should be ready by 30 September, 2021 or The National Treasury Circular No 21/2016 of Compliance with Quarterly Reporting as outlined in the PFM Act, 2012 on preparation of the financial statements.

In the circumstances, Management was in breach of the law.

3. Failure to Prepare a School Improvement Plan

During the period under review, the School did not have an approved School Improvement Plan, contrary to Section 2.2 of the Ministry of Education Operation Manual for Utilization of Learner Capitation Grant and Other School Funds, which requires schools to identify in every three-year school improvement planning cycle, one priority area in each of the four key areas which include curriculum implementation, foundational literacy and numeracy outcomes, an enabling environment for learning and parental involvement and community engagement for implementation.

In the circumstances, Management was in breach of the law.

4. Lack of a Procurement Plan

The statement of receipts and payments reflects amounts of Kshs.6,207,416 and Kshs.5,569,062 in respect of total receipts and payments respectively. However, during the year Management did not prepare an annual procurement plan as part of the annual budget preparation process. This was contrary to Regulation 40 of the Public Procurement and Asset Disposal Regulations, 2020 which states that 'a procuring entity prepare a procurement plan for each financial year as part of the annual budget preparation process'.

Further, review of the School's procurement processes revealed that the school did not have an established procurement function managed by qualified procurement professional as required under Section 47(2) of the Public Procurement and Asset Disposal Act, 2015 and Regulation 33 of the Public Procurement and Asset Disposal Regulations, 2020. Procurement activities were undertaken by individuals lacking the requisite qualifications.

In addition, management failed to maintain complete procurement records, including tender documents, tender advertisements, bid evaluation reports, correspondences with supplier, contract documents, payment certificates and contract performance monitoring reports. This was contrary to Section 68 of the Public Procurement and Asset Disposal Act, 2015 and limits audit trail and transparency.

In the circumstances, value for money on payments of Kshs.5,569,062 could not be confirmed.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

1. Weaknesses in Management of Assets

Review of assets records revealed that the assets register maintained by the School was not updated as it lacked critical details such as value of asset, date of acquisition, additions and disposals during the year. Further, a number of assets at the school were also not tagged.

In the circumstances, the existence of effective measures for the management of assets could not be confirmed.

2. Weaknesses in Governance of the School

Review of the Audit Committee minutes revealed that during the year under review, the Committee convened only once as per the disclosures in the financial statement, contrary to Regulation 179(1) of the Public Finance Management (National Government) Regulations, 2015 which requires that an audit committee shall meet at least once every three months. Further, the meeting minutes were not availed for audit verification.

In the circumstances, the effectiveness of the Board to provide oversight and governance could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk Management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

The Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards Cash Basis and for maintaining effective internal controls as the Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, the Management is responsible for assessing the School's ability to continue as a going concern, disclosing, as applicable, matters related

to going concern and using the going concern basis of accounting unless the Management is aware of the intention to cease operations.

The Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, the Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing School's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards of Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

10. Significant Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and applicable government legislations and regulations. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

This cash basis of accounting has been supplemented with accounting for; a) receivables that include school fees from parents, imprest, salary advances and other receivables and b) payables that include deposits and retentions and payables from operations.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the *school*, and all values are rounded to the nearest Kenya Shilling (Kshs). The accounting policies adopted have been consistently applied to all the years presented.

2. Recognition of receipts and payments

The *school* recognises all receipts from various sources when the event occurs, and the related cash has been received by the *school*. In addition, the *school* recognises all expenses when the event occurs, and the related cash has been paid out by the *school*. Income arising from school fees is recognised when the event occurs whether cash is received or not. Expenditure arising from operations is recognised when the event occurs irrespective of receipt of cash.

3. In-kind contributions

In-kind contributions are donations that are made to the *school* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment, or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *school* includes such value in the statement of receipts and payments both as a receipt and as a payment in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call, and highly liquid investments with an original maturity of three months or less, which

are readily convertible to known amounts of cash and are subject to an insignificant risk of changes in value. Bank account balances include amounts held at various financial institutions at the end of the financial year.

5. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. Accounts receivables also include school fees billed to parents for services rendered but not paid. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

6. Accounts Payable

For the purposes of these financial statements, deposits, and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending the fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Payables also include expenditures incurred for the purchase of goods, works and services that have been rendered and not settled. This is an enhancement to the cash accounting policy adopted for public secondary schools. Other liabilities are disclosed in the financial statements.

7. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the school fixed asset register a summary of which is provided as a memorandum to these financial statements.

8. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The *school's* budget was approved by the School Board of Management. A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

9. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

10. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2024.
