CHAIRPERSON'S FOREWORD

This report contains proceedings of the Departmental Committee on Communication, Information and Innovation during the approval hearings of Prof. Edward Waswa Kisiang'ani, nominee for appointment as Principal Secretary, State Department for Broadcasting and Telecommunication and Eng. John Kipchumba Tanui, MBS, nominee for appointment as Principal Secretary, State Department for ICT and Digital Economy as requested by H.E. the President and communicated to the House by the Speaker on Thursday, 3rd November 2022.

Pursuant to Article 155(3)(b) of the Constitution, Section 5 of the PAPAA and Standing Order 45(1), H.E. the President notified the National Assembly of the nomination of fifty-one (51) Principal Secretaries to various State Departments vide a letter dated 2nd November 2022. The Hon. Speaker vide a communication made on Thursday, 3rd November 2022 conveyed to the House the Message from H.E. the President and subsequently referred names of the nominees, curricula vitae, and the report of the Public Service Commission on their recruitment to Departmental Committees for approval hearings. While referring the matter to the Committees, the Speaker directed that the Committees undertake the vetting exercise within twenty-eight (28) days pursuant to Section 8 of the Public Appointments Parliamentary Approval Act (No. 33 of 2011). The Speaker further directed the Clerk of the National Assembly to notify the nominees and the general public by placing adverts in two newspapers of nationwide circulation and the Parliamentary Website of the time and place of holding the approval hearings by Friday, 4th November 2022.

In compliance with Article 118 (b) of the Constitution and section 6 (4) of the Public Appointments (Parliamentary Approval) Act (No. 33 of 2011), the Clerk of the National Assembly placed an advertisement in the print media on Friday, 4th November 2022 informing the public of the nomination, date, time and place of the approval hearing. He also invited the public to submit memoranda by way of written statements on oath (*affidavit*) on the suitability of the nominees in conformity with section 6 (9) of the Public Appointments (Parliamentary Approval) Act (No. 33 of 2011). The memoranda were to be received on or before Friday, 11th November 2022 at 5.00 p.m. (East African Time). At the close of the submission deadline, the Committee had not received any memorandum for or against the nominee's suitability.

The Clerk of the National Assembly also wrote to Kenya Revenue Authority (KRA), Ethics and Anti-Corruption Commission (EACC), Directorate of Criminal Investigations (DCI), Higher Education Loans Board (HELB) and Office of the Registrar of Political Parties (ORPP) seeking references and background checks relating to the suitability of the nominee.

The Nominees were set to appear before the Committee on Friday, 18th November 2022 for the approval hearing, but the same was suspended via a communication from the Speaker dated 6th November, 2022 following a Constitutional Petition No. E186 of 2022 (*Dr. Magare Gikenyi versus the President of the Republic of Kenya and 55 others*) and in Constitutional Petition No. E192 of 2022 (*Law Society of Kenya v National Assembly & 4 Others*) where conservatory orders temporarily staying the vetting process pending inter-parte hearings were granted.

The Court on Tuesday, 29th November 2022 dismissed the consolidated petitions for being pre-maturely before the court and upheld the arguments by the respondent in the preliminary objection that there was need for the petitioners to exhaust all statutory mechanisms and that the doctrine of separation of powers should have been considered. Consequently, the Hon. Speaker in a communication dated Tuesday, 29th November 2022 directed all Departmental

Committees to revert to the vetting process from Wednesday 30th November, 2022 and conclude the process as soon as possible.

The nominees appeared before the Committee on Wednesday, 30th November 2022 for approval hearings. The Committee examined their suitability based on the criteria set out in Section 7 of the Public Appointments (Parliamentary Approval) Act (No. 33 of 2011). In addition, the Committee examined their academic credentials, relevant experience, knowledge of sector issues and on leadership and integrity. The Committee paid due regard to the procedure used to arrive at the nominees; any constitutional or statutory requirements relating to the office in question and suitability of the nominees for the appointment proposed having regard to whether the nominees' abilities, experience and qualities meet the needs of the State Departments.

Committee Recommendation

The Committee having held approval hearings of the nominees regarding their suitability, observed that due process was followed on the recruitment process as provided for under Article 155(3) (b) of the Constitution and the Public Appointments (Parliamentary Approval Act) (No. 33 of 2011). The Committee therefore recommends that the National Assembly **APPROVES** the nomination and subsequent appointment by H.E. the President of Prof. Edward Kisiang'ani to the position of Principal Secretary State Department for Broadcasting and Telecommunication and Eng. John Kipchumba Tanui, MBS to the position of Principal Secretary State Department for ICT and Digital Economy.

In addition, the Committee thanks the nominees for their cooperation during the vetting process. Finally, the Committee appreciates KRA, EACC, DCI, HELB and ORPP for providing references and background checks relating to the suitability of the nominees.

I acknowledge and appreciate Members of the Committee for their patience, sacrifice and commitment which enabled the Committee to complete the task within the required timelines.

On behalf of the Departmental Committee on Communication, Information and Innovation and pursuant to Article 155(3)(b) of the Constitution and Section 8 of the Public Appointments (Parliamentary Approval) Act (No. 33 of 2011) and provisions of Standing Orders 45(4) and 199(6), it is my pleasant duty to present the Report of the Committee on the approval hearings of Prof. Edward Kisiang'ani, nominee for appointment as Principal Secretary for the State Department of Broadcasting and Telecommunication and Eng. 3.1.8 Other issues under consideration

To examine suitability or otherwise of the nominee, the Committee posed questions to the nominee in the following thematic areas:

56. On the establishment of a National Addressing System Framework that has been stuck at the policy draft stage

Prof. Kisiang'ani responded that urgent reforms are required in the Postal Communication of Kenya (PCK) to enable it restructure in embracing the digital world and contribute to activities such as e-commerce, e-trade, and e-government. He noted that the PCK can transform into a leader in shipping by leveraging on its infrastructure spread across the country. He moreover noted that there is urgent need to improve the financial base of the corporation and deal with the pending debt issues. The nominee also stated that he will champion the use of technology to streamline services. However, the candidate did not appreciate the workings of the National Addressing System.

57. On how to deal with the issue of dominance within the telecom industry to protect consumers

Prof. Kisiang'ani underscored the importance of the Kenya Competition Act in providing the Competition Authority of Kenya (CAK) with the mandate to protecting consumers and businesses with a view of promoting fairness. He noted that the law should be followed, and no competitor should be exempt from any competition laws even if they are dominant. He as well mentioned that the government should explore ways of encouraging and supporting the less dominant players.

58. On his view on regulation of telecommunication operators so mobile telephone services are regulated by Communication Authority of Kenya while money-related services are regulated by Central Bank of Kenya

Prof. Kisiang'ani responded that the risk of concentration is not good. He emphasised that we need a legislation to split the entities to spread the risk. Additionally, he expressed that caution needs to be taken see whether the best direction would be to have the split entities in the same mother company or different ones. He suggested that splitting to different entities would open more job opportunities and improve the quality of service.

59. On the development of local content

Prof. Kisiang'ani expressed that it is important to build and nurture talent. The ministry should set up a local content policy that increases the amount of local content consumed. He then affirmed that he will endeavour to raise local content consumed locally to 70% within 3 years of assumption of office.

60. To address the proliferation of fake news and inaccurate information through digital media.

Prof. Kisiang'ani intimated that there is need for government departments and agencies to have designated officers tasked with disseminating information in real time since lack of accurate information results to spread of fake news.

In some instances, the delay in relaying information to the public, especially by concerned entities leads to misinformation. In his view, the full implementation of the Computer Misuse and Cybercrimes Act will deter the dissemination of information.

61. On business turn-around Strategy on Kenya Broadcasting Corporation (KBC)

Prof. Kisiang'ani took cognizance of the fact that KBC is commercially moribund and faces cash flow problems manifested by existence of pending remittances of statutory deductions, delays in pension payments among others. He submitted that he shall institute an audit on human resource management, asset utilization and commercial viability to inform policy and administrative course of action to initiate for execution. He underscored the need for budgetary allocations as an immediate intervention to cater for structural changes and modernization of the KBC equipment's and processes.

He acknowledged the leadership challenges within the National Broadcaster and committed to overseeing the needed administrative remedies.

62. On Strategy to utilize USF in addressing connectivity disparity

Prof. Kisiang'ani acknowledged that the intended affirmative purpose of the fund in making available networks in underserved and unserved regions has been dismally achieved. He submitted that the poor performance of the fund is largely on account of the involvement of the Telcom operators in the decision making on the spatial distribution of their respective networks, a matter he committed to tackle when appointed. He pointed out that this has made commercial considerations get more prominence at the expense of geographical equity in distribution of the networks. To address this, he expounded on the need to incentivize Telcom operators to avail networks in marginalized regions.

63. On media regulation amidst proliferation of local media stations

Prof. Kisiang'ani acknowledged the need for the respective regulatory authorities and bodies such as Communication Authority of Kenya and Media Council of Kenya to improve their capacity to address the existing problems of contravention of relevant media laws. He demonstrated how during high political seasons media rules and regulations are flawed with impunity. He indicated that there is need to strictly enforce the media laws and to enhance training of the media practitioners. Through his stewardship, he committed to collaborate with various relevant stakeholders to fill in the gaps in laws by formulating and fast-tracking processes of enactment of new legislations.

64. On the need to institute strong and effective monitoring and evaluation of public sector advertising

Prof. Kisiang'ani admitted that there is need for the Government Advertising Agency (GAA) to reconsider its advertising strategy on account of dynamics in the consumption

of print media. He decried the lack of credible media rating agencies leading to misreporting, inaccurate and unreliable ratings data.

He noted that there is lack of a robust monitoring of actual circulation data a matter that makes it difficult to justify the value for money on public expenditure for advertising by the state agencies. He stated that if appointed, he would initiate an audit of circulation of the print media publications to inform such public expenditure. He committed to address the disparity in distribution of advertising business that currently tends to favor large media houses. He also committed that when appointed he shall collaborate with relevant stakeholders to formulate a policy on public advertising.

MIN. NO. NA./CII/2022/020: ADOPTION OF THE REPORT ON THE APPROVAL HEARINGS OF PROF. EDWARD KISIANG'ANI AND ENG. JOHN KIPCHUMBA TANUI, MBS, NOMINEES FOR APPOINTMENT AS PRINCIPAL SECRETARIES FOR STATE DEPARTMENT BROADCASTING & TELECOMMUNICATIONS AND STATE DEPARTMENT FOR ICT & DIGITAL ECONOMY

After lengthy deliberations, the Report was adopted having been proposed by Hon. Geoffrey Wandeto, MP and seconded by Hon. Kakuta Maimai Hamisi, MP.

The Committee unanimously agreed on the following observations and recommendations:

Observations

The Committee made the following general observations on the nominees:

- i. Both nominees are Kenyans and are not citizens of any other country. They therefore meet the requirements of Article 78 of the Constitution;
- ii. The Public Service Commission submitted the report of the recruitment of principal secretaries to the National Assembly hence the Committee was able to ascertain that the interview process was competitive and that the nominees were in the shortlist as required by Article 155(3) of the Constitution;

- iii. The nominees were cleared by KRA on tax compliance, HELB on the payment of their education loans, EACC on integrity, DCI on their criminal status and ORPP on membership to political parties; and
- iv. The Clerk of the National Assembly invited members of the public to submit memoranda on the nominees pursuant to section 6(9) of the Public Appointments (Parliamentary Approval) Act, 2011. The Committee did not receive any memoranda in support or contesting the suitability of any of the nominees.

Prof. Edward Kisiang'ani

The Committee observed that:

- i. Prof. Kisiang'ani holds a Bachelor of Arts degree in Education from the University of Nairobi and therefore meets the requirements of Section 47(2) (ii) of the Public Service Commission Act, 2017;

Currently, he working as a Senior Lecturer since 2010. He therefore has been in leadership positions for more than five (5) years as required by section 47(2) (iii) of the Public Service Act, 2017;
- iii. The Committee noted that Prof. Kisiang'ani responses regarding the dominance within the telecom subsector had more leaning toward industry player benefits as opposed to consumer protection.
- iv. Further, the Committee noted that Prof. Kisiang'ani responses did not propose a workable model to address the issue on regulation of telecommunication operators so that mobile telephone services are regulated by Communication Authority of Kenya while money-related services are regulated by Central Bank of Kenya
- v. In addition, the Committee noted that Prof. Kisiang'ani responses did not propose sufficient strategies towards achieving the 70% local content in three years.
- vi. The Committee noted that the nominee did not demonstrate full understanding of the mandate of the State Department. In instances where there were gaps, the nominee assured the Committee that if appointed he will quickly upskill and sharpen his understanding of the tasks at hand.
- vii. According to the information and records presented to the Committee, Prof. Kisiang'ani had never been implicated in any issues that may lead to lack of integrity on his part and therefore meets the requirements of Chapter Six of the Constitution.

Eng. John Kipchumba Tanui, MBS

The Committee observed that:

- i. Eng. Tanui holds a Bachelor of Technology in Electrical and Communications Engineering from Moi University and therefore meets the requirements of Section 47(2) (ii) of the Public Service Commission Act, 2017;
- ii. He began his career as a Trainee Engineer in 1998 and therefore has professional experience of at least twenty-four (24) years. Currently he is working as the CEO of Konza Technopolis Development Authority since 2015. iii. The nominee, during the approval hearing demonstrated that he had good understanding of the plans and policies of the State Department for ICT and Digital Economy and those of the Ministry of Information, Communications and Digital Economy and how they fit into the government's policies as required by Section 47(2) (v) of the Public Service Commission Act, 2017;

iv. According to the information and records presented to the Committee, Eng. Tanui had never been implicated in any issues that may lead to lack of integrity on his part and therefore meets the requirements of Chapter Six of the Constitution.

Recommendation

Pursuant to Article 155(3)(b) of the Constitution and Section 8(2) of the Public Appointments (Parliamentary Approval) Act (No. 33 of 2011), the Committee recommends that the National Assembly:

- i. **APPROVES** the nomination of Prof. Edward Kisiang'ani for the position of Principal Secretary State Department for Broadcasting and Telecommunication

Kungoma

22 SEP 2022

Date: 16th September, 2022

The Secretary/CEO,
Public Service Commission,
Commission House,
P.O. Box 30095 – 00100
NAIROBI.

Dear Sir/Madam,

**RE: APPLICATIONS TO THE POSITIONS OF PRINCIPAL SECRETARY IN THE
PUBLIC SERVICE**

Reference is hereby made to the Gazette Notice No. 10536 which appeared in the Special Issue of the Kenya Gazette (Vol.CXXIV-No.180) dated 7th September 2022, concerning the above subject.

I am writing to submit my application for the position of Principal Secretary in the Public Service. I am a 61-year old Kenyan citizen with many years of experience in public service. Between 1984 and 1987, I served as a tutor with the Teachers' Service Commission (TSC) at the Musoriot Teachers College in Nandi County.

Later in 1987, I joined the Jomo Kenyatta Foundation Publishers as an editor of school books (under the 8-4-4 programme) until late 1989 when I joined Kenyatta University, both as a post graduate student and a Graduate Assistant, under the Staff Training Scheme. In 2000, while working on my Ph.D programme at Kenyatta University, I won the prestigious Fulbright Summer Scholarship to undertake research on American Law and History in the United States of America.

During the past 33 years I have worked at Kenyatta University, I have also had opportunity to publish and, as well, mentor and train many students. Moreover, I am a regular media commentator, writer and political strategist.

Besides, I have served in various managerial positions at the institution. For example, between 2006 and 2013, I was the Director of Alumni Programs. For 5 years, between 2016 and 2021, I also served as Chairman of the Department of History, Archaeology and Political Studies. As a university manager, I was immensely privileged to undergo the appropriate training in performance contracting, ISO Management Systems and public procurement frameworks. Furthermore, I have served on many Senate sub-committees at the University.

I hold three degrees. I have an earned Doctor of Philosophy degree in political economy and history, an earned Master's degree in political history and an earned Bachelor's degree in Education. Furthermore I am a senior researcher and Lecturer at Kenyatta University.

Given the fact that I have spent most of my working life in government institutions, my undertaking of the functions and organization of government is above average. As evidenced from the attached vetting documents from the relevant government institutions, I have no integrity shortcomings. Consequently, I qualify to hold public office under Chapter 10 of our national constitution. I still wish to serve our beautiful country.

Meanwhile, I am attaching my Curriculum Vitae together with relevant testimonials and certificates for your perusal and subsequent consideration. As I look forward to your positive consideration of my application, let me thank you in advance.

Yours faithfully,

Edward N. Waswa Kisiang'ani (Ph.D)

Prof Edward Kisiangani

By email

Dear Prof Kisiangani,

I have a great pleasure to invite you to a round table discussion on a proposed civil society campaign on UN Security Council (UNSC) reform on **Monday the 16 February at 09:00** at the Institute for Security Studies (ISS), Braeside Gardens off Muthangari Road, Lavington, Nairobi (Tel. +254 72 860 7642).

Reclaim the Council is proposed as a global civil society initiative to advocate for countries to be elected to represent regions on the UN Security Council (UNSC) on a proportional basis and to do away with the system of permanent members and veto-rights. Our consultations in Nairobi will be the first of a series of global exploratory meetings on this issue.

It is not possible to reform the UNSC without an amendment to the UN Charter. Member states have proven themselves unable to grasp this nettle. We aim to galvanize organized civil society globally to help achieve this goal by 2018. We recognize the limited role that civil society has in a process traditionally the sole preserve of states. But we believe that the increases in global turbulence in recent years provides ample justification for a citizens voices and concerns to play a much more direct role in the process of global governance reform.

I attach the draft concept note to this letter and invite you to take part of the round table discussions. I'm sure there will be many divergent views on this matter, but I am particularly interested in receiving your analysis and advice as well as to explore the support of your organization in taking this forward. Where possible we would appreciate it if the heads of organizations invited can attend.

Kindly send your RSVP for the attention of Mr Peter Alingo, Head of Office, ISS Nairobi on palingo@issafrica.org.

I look forward to your response at your earliest convenience.

Kind regards,

Dr Jakkie Cilliers
Executive Director

Speaking at the unveiling of the list, Dr. Mutunga urged professionals to uphold integrity in their undertakings.

"For persons in business, the case of the Enron Corporation is too well known. What tends to be forgotten is that the main problem was not the profitability of the business as such, but the lack of integrity among the decision-makers within it. In other words, it was the failure and/or refusal by the professionals within the organisation to do what they should have been doing." - Dr. Mutunga

On February 23rd 2016, Eng. John Tanui, Chief Executive Officer Konza Technopolis delivered the lecture **"The Role of Universities in Building Kenya's Innovation Ecosystem"** providing an engaging view of the topic for attendees from across the University. He noted that Universities can contribute towards innovation in several ways via new firm spin offs, technology licensing, technology and service commercialization and university technology transfer to either established or new companies. In his lecture, he urged industry and academia to work together to come up with innovative solutions.

University of Nairobi Vice Chancellor, Prof. Peter Mbithi said the University has positioned itself in the innovation ecosystem contributing towards national innovation capacity via the commercialization of university research. He noted that innovations will not just happen rather effort must be put to identify gaps within the ecosystem.

The keynote presentation was followed by a panel discussion on the role of universities in building an innovation ecosystem. The panelists tackled pertinent issues on matters innovation. Among the issues that arose include financing, patenting and marketing. Prof. Bitange Ndemo, Associate Professor, School of Business, Dr. Tonny Omwansa, C4DLab (<http://www.c4dlab.ac.ke>) and Mr. Joe Ogutu, Strategy and Innovation Director, Safaricom, were the day's panelists.

The forum is the first of a series of innovation lectures planned in collaboration with UoN partners ahead of this year's Nairobi Innovation Week. (<http://www.innovationweek.co.ke/>)
