OFFICE OF THE AUDITOR GENERAL

Reports and Financial Statements For the year ended June 30, 2014

I. KEY ENTITY INFORMATION AND MANAGEMENT

(a) Background information

The Office of the Auditor - General was first established as the office of the Controller and Auditor General in 1955. The Public Audit Act, on 9th January 2004, formed Kenya National Audit Office by merging the Office of the Auditor - General (Corporations) and the Office of the Controller and Auditor General.

At cabinet level, the Office of the Auditor - General is represented by the Auditor-General who is responsible for the general policy and strategic direction of the Office.

The Office of Auditor General (OAG) in Kenya is an independent constitutional office and is the country's Supreme Audit Institution (SAI).

The OAG is a constitutional office established under the Laws of Kenya and it draws its mandate from the Constitution of Kenya, 2010. The office is established under Chapter 12, Part 6, and Article 229 of the Constitution of Kenya and is one of the independent offices as established by the Constitution. The OAG is headed by the Auditor-General (AG) who is appointed by the President after approval by the National Assembly. It is not subject to direction or control by any person or authority.

(b) Key Management

The entity's day-to-day management is under the following key organs:

- i. Auditor General,
- ii. Executive Committee (Auditor General and the Deputy Auditors General)

(c) Fiduciary Management

The key management personnel who held office during the financial year ended 30th June 2014 and who had direct fiduciary responsibility were:

Designation	Name
Accounting Officer / Auditor General	Edward R.O. Ouko, CBS
Deputy Auditor General (Corporate Services)	Agnes Mita
Ag. Director Finance	Martha Mbau

(d) Fiduciary Oversight Arrangements

The Kenya National Audit Commission oversees the operations and the activities of the office of the Auditor General.

OFFICE OF THE AUDITOR GENERAL

Reports and Financial Statements For the year ended June 30, 2014

II. FORWARD BY THE AUDITOR GENERAL

During the year 2013/2014 the Office of the Auditor General had a recurrent budget allocation of Kshs. 2.76 Billion and a development budget allocation of 525 million. During the year the office absorbed 81% of recurrent translating to Kshs 2.3 Billion and 100% (525 million) of the development.

During the year the Auditor General as mandated by the Constitution engaged on the expanded mandate of auditing the 47 County Governments as well as the National Government. This called for strengthening of the office, hiring of more staff and acquisition of land on which to put an office block were some of the steps taken.

In order to efficiently and effectively achieve the mandate, more staff, motivation of the existing staff and more office space at the head office and across the county offices remain key challenges.

OFFICE OF THE AUDITOR GENERAL

Reports and Financial Statements
For the year ended June 30, 2014

III. STATEMENT OF THE OFFICE OF THE AUDITOR GENERAL MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act of year 2012 requires that at the end of each financial year, the Accounting Officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya from time to time.

The Accounting Officer in charge of the Office of the Auditor General (OAG) is responsible for the preparation and presentation of the OAG's financial statements, which give a true and fair view of the state of affairs of the OAG at the end of the financial year ended on 30 June 2014. This responsibility includes; maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period, maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the entity, designing, implementing and maintaining internal controls relevant to the entity's preparation and fair presentation of the financial statements and ensuring that they are free from material misstatements, whether due to fraud or error, safeguarding the assets of the entity, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

The Accounting Officer in charge of the OAG accepts responsibility for the entity's financial statements, which have been prepared on the IPSAS cash basis method of financial reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the OAG's financial statements give a true and fair view of the state of entity's transactions during the financial year ended 30 June 2014, and of the entity's financial position as at that date. The Accounting Officer in charge of the OAG further confirms the completeness of the accounting records maintained for the entity, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the OAG confirms that the entity has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable) and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the entity's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the International Public Sector Accounting Standards Board.

Approval of the financial statements

The entity's financial statements were approved and signed by the Accounting Officer on 11 July 2016.

Deputy Auditor General (Corporate Services)

Auditor General of Kenya

OFFICE OF THE AUDITOR GENERAL

Reports and Financial Statements For the year ended June 30, 2014

IV. INDEPENDENT AUDITOR'S REPORT

Parliamentary Service Commission (PSC)
P. O. Box 41842 - 00100
Nairobi – Kenya

Report on the statements of assets and liabilities and the appropriations in aid accounts

We have audited the accompanying financial statements which comprised a statement of assets and liabilities, statement of receipts and payments, statement of cash flows and notes to the financial statements of the OAG in accordance with the terms of reference and the requirements of Article 226 (4) of the Constitution of Kenya 2010 for the period from 1 July 2013 to 30 June 2014. The statement of financial position and the statement of receipts and payments comprised transactions captured into the OAG IFMIS accounting software on cash basis in which expenses are recognized when paid rather than when incurred. Income was accounted for when received rather than when earned.

Respective responsibility of the OAG and the auditors

The statement of assets and liabilities and the statement of receipts and payments are the responsibility of the OAG. The OAG is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (IPSAS) and the requirements of the Constitution of Kenya 2010. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances. Our responsibility is to express an independent opinion on the financial statements based on our audit.

We conducted our audit in accordance with the International Standards on Auditing (ISA's). These standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free of material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

In making those risk assessments, the auditor considers internal controls relevant to the OAG preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of its internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the OAG as well as evaluating the overall presentation of the financial statements.

We believe that our audit provides a reasonable basis for our opinion. We have highlighted our audit findings and recommendations in the management letter issued separately.

Emphasis of matter

Our audit involved a review of transactions for the OAG for the period from 1 July 2013 to 30 June 2014 with the findings detailed in the management letter.

Receivables in the statement of financial position include Kshs. 176,557,917 relating to amounts due from the defunct Local Authorities which are over one year past due against which no provision for impairment has been made. We circularised 40 number accounts receivables out of which 5 number State Corporations replied. The total ledger account balances in the OAG records for the 5 number State Corporations was Kshs. 43,439,804 while the total of the confirmation balances was Kshs.30,737,650 i.e. a difference of Kshs. 12,702,154. The omissions / misstatement of the receivables account balances present doubt on the correctness of the OAG financial statements as at 30 June 2014.

OFFICE OF THE AUDITOR GENERAL

**Reports and Financial Statements
For the year ended June 30, 2014**

Opinion

In our opinion, except for the possible effect of the matters described in the emphasis of matter paragraph, the financial statements give a true and fair view of the state of the financial affairs of the OAG as at 30 June 2014 and of its surplus and cash flows for the period then ended in accordance with the International Public Sector Accounting Standards and comply with the requirements of the Kenyan Public Audit Act 2003, Public Financial Management Act and The Constitution of Kenya 2010. This report is solely intended for the information and use by The Office of The Auditor General (Kenya National Audit Office) and Parliamentary Service Commission.

OFFICE OF THE AUDITOR GENERAL

Reports and Financial Statements For the year ended June 30 2014

X. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The OAG prepared its financial statements for the year ended 30 June 2013 under the IPSAS accruals basis. The National Treasury (TNT) issued a circular reference number AG 4/16/1 Vol. II / (178) dated 21 September 2015 requiring the OAG and all Government of Kenya (GoK) entities and departments to adopt the IPSAS cash basis of accounting to enable comparison and consolidation of the financial statements of these entities funded by the Exchequer.

The financial statements for the year ended 30 June 2014 have been prepared in accordance and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on cash basis Financial Reporting as directed by the Accountant General Office / The National Treasury.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the entity. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements have been prepared on the cash basis following the Government's standard chart of accounts. The cash basis of accounting recognises transactions and events only when cash is received or paid by the entity.

2. Recognition of revenue and expenses

The entity recognises all revenues from the various sources when the event occurs and the related cash has actually been received by the entity. In addition, the entity recognises all expenses when the event occurs and the related cash has actually been paid out by the entity.

3. Cash and cash equivalents

Cash and cash equivalents comprise cash in hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at the Kenya Commercial Bank Limited at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers which were not surrendered or accounted for at the end of the financial year. For the cash flow statement purposes, cash and cash equivalents comprise bank balances held in the Central Bank of Kenya and the Kenya Commercial Bank but excluded imprests and advances.

4. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance sheet' items to provide a sense of the overall net cash position of the entity at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

OFFICE OF THE AUDITOR GENERAL

Reports and Financial Statements For the year ended June 30, 2014

5. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis and for the same period as the financial statements. The entity's budget was approved as required by Law and as detailed in the Government of Kenya Budget Printed Estimates. A high-level assessment of the entity's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

6. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation arising from the movement from the IPSAS modified cash basis to the IPSAS cash basis.

7. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30 June 2014.

8. Purchase of Land

The Office of the Auditor General purchased land initial reference number 9 R 438 / 1 of an initial lease period of 99 years from 1 July 1904 to 1 July 2003 under the previous British Colonial Government. The parcel of land was transferred to National Social Security Fund (NSSF) on 21 August 1995 for Kshs. 225 Million under a lease term of 85 years. The OAG purchased the land from NSSF in year 2013 / 2014 for Kshs. 525 million after the land survey and valuation by Lloyd Masika Limited (independent valuers) on 20 January 2012. The land is currently registered as L.R. No. 209 / 297.

9. Change in accounting policy

The OAG changed from the IPSAS accruals basis of financial reporting in accordance with IPSAS 3 (Accounting Policies, changes in accounting estimates and errors) and in compliance with the directive issued by The Treasury / Accountant General which required all Government entities funded by the Exchequer to adopt the cash basis IPSAS. The presentation format provided by the National Treasury / Accountant General excluded non-current assets including land, current assets and current liabilities from being disclosed on the face of the face of the statement of assets and liabilities. Whereas the accruals basis IPSAS 17 (Property, plant and equipment) prescribe the disclosure of items of property, plant and equipment, current assets and current liabilities on the face of the statement of the statement of assets and liabilities, the cash basis IPSAS does not prescribe that treatment. Consequently, the purchase of non-current assets (including land) have been expensed during the period 1 July 2013 to 30 June 2014.

	Opening Imprests and advances	(16,301,321)	
Total Movement			53,661,560
CLOSING BALANCE			94,261,482

The National Treasury issued a Circular reference number (AG/A/2014/(93) regarding clearance of old unsupported balances in the Financial Statements for the year 2012 / 2013 and prior years. The National Treasury appointed a task force to review the unsupported balances and OAG made submissions to the task force which then approved the write-off of long outstanding balances in the GAV and Recurrent Exchequer Accounts.

9A: BANK ACCOUNTS

Name of Bank, Account No. & currency	Amount in bank account currency	Indicate whether recurrent, Development, deposit e.t.c	Exchange rate (if in foreign currency)	2013 - 2014 (Kshs)	2013 - 2014 (Kshs)
CBK, 100182598. & Kshs	Kshs	Recurrent	-	67,775,718	21,917,031
KCB, Moi Avenue Branch Ac. 1107839173. & Kshs	Kshs	Recurrent	-	719,209	-
Total				68,494,927	21,917,031

9B: CASH IN HAND

	2013 - 2014 Kshs	2012 - 2013 Kshs
Cash in Hand – Held in domestic currency	3,410,716	2,381,570
Cash in Hand – Held in foreign currency	0.00	0.00
Total	3,410,716	2,381,570

OFFICE OF THE AUDITOR GENERAL

Reports and Financial Statements
For the year ended June 30, 2014

Cash in hand should also be analysed as follows:

	2013 – 2014 Kshs	2012 – 2013 Kshs
Head Office	3,410,716	2,381,570
Location 2	0.00	0.00
Location 3	0.00	0.00
Other Locations	0.00	0.00
Total	3,410,716	2,381,570

The cash balance increased from Kshs. 2.3 million to Kshs. 3.4 million because of deliberate planning by the Office of Auditor General based on past experience. Every beginning of the financial year normally comes with prolonged cash constraints due to delay in loading of the budget by the National Treasury and subsequently no Exchequer is normally issued for normal operations sometimes extending up to Mid-August.

On this basis the office requested Treasury in late June 2014 to issue cash to sustain the office during the 5 weeks period of the succeeding financial year.

CASHFLOW ADJUSTMENTS

	2013-2014 (Kshs)	2012-2013 (Kshs)
Exchequer receipt included in 2013/14 but received in bank in July 2014	(50,000,000)	-
Exchequer Recovery included in 2013/14 but executed in the bank in September 2014	(5,291,340)	-
