I. KEY CONSTITUENCY INFORMATION AND MANAGEMENT

(a) Background information

The National Government Constituencies Development Fund (NG-CDF) formerly Constituencies Development Fund (CDF), is established under the NG-CDF Act 2015 as amended in 2016. The Act is a successor to the Constituencies Development Fund (CDF) Act of 2003 which initiated the Fund and its subsequent amendments/reviews of 2007 and 2013. At cabinet level, NG-CDF is represented by the Cabinet Secretary for the Treasury, who is responsible for the general policy and strategic direction of the Fund.

Mandate

The mandate of the Fund as derived from sec (3) of NG-CDF Act, 2015 is to:

- a) Recognize the constituency as a platform for identification, performance and implementation of national government functions;
- b) Facilitate the performance and implementation of national government functions in all parts of the Republic pursuant to Article 6(3) of the Constitution;
- c) Provide for the participation of the people in the determination and implementation of identified national government development projects at the constituency level pursuant to Article 10(2)(a) of the Constitution;
- d) Promote the national values of human dignity, equity, social justice, inclusiveness, equality, human rights, non-discrimination and protection of the marginalized pursuant to Article 10 (2) (b) of the Constitution;
- e) Provide for the sustainable development of all parts of the Republic pursuant to Article 10 (2) (d) of the Constitution;
- f) Provide a legislative and policy framework pursuant to Article 21 (2) of the Constitution for the progressive realization of the economic and social rights guaranteed under Article 43 of the Constitution;
- g) Provide mechanisms for the National Assembly to deliberate on and resolve issues of concern to the people as provided for under Article 95 (2) of the Constitution;
- h) provide for a public finance system that promotes an equitable society and in particular expenditure that promotes equitable development of the country by making special provisions for marginalized groups and areas pursuant to Article 201 (b) (iii) of the Constitution;
- i) Authorize withdrawal of money from the Consolidated Fund as provided ' under Article 206 (2) (c) of the Constitution;
- j) Provide mechanisms for the National Assembly to facilitate the involvement of the people in the identification and implementation of projects for funding by the national government at the constituency level; and
- k) Provide for mechanisms for supplementing infrastructure development at the constituency level in matters falling within the functions of the national government at that level in accordance with the Constitution

Vision

Equitable Socio-economic development countrywide

Mission

To provide leadership and policy direction for effective and efficient management of the Fund

**North Horr Constituency
National Government Constituencies Development Fund (NGCDF)
Reports and Financial Statements for The Year Ended June 30, 2021**

Core Values

1. **Patriotism** – we uphold the national pride of all Kenyans through our work
2. **Participation of the people**- We involve citizens in making decisions about programmes we fund
3. **Timeliness** – we adhere to prompt delivery of service
4. **Good governance** – we uphold high standards of transparency, accountability, equity, inclusiveness and integrity in the service of the people
5. **Sustainable development** – we promote development activities that meet the needs of the present without compromising the ability of future generations to meet their own needs.

Functions of NG-CDF Committee

The Functions of the NG-CDF Committee is as outlined in section 11 of The National Government Constituencies Development Fund Regulations, 2016.

(b) Key Management

The North Horr Constituency NGCDF day-to-day management is under the following key organs:

- i. National Government Constituencies Development Fund Board (NGCDFB)
- ii. National Government Constituency Development Fund Committee (NGCDFC)

(c) Fiduciary Management

The key management personnel who held office during the financial year ended 30th June 2021 and who had direct fiduciary responsibility were:

No	Designation	Name
1.	A.I.E holder	SALIM HASSAN HUSSEIN
2.	Sub-County Accountant	SIMON KARANJA
3.	Chairman NGCDFC	IBRAE HOSEA UMURO
4.	Member NGCDFC	DENGE BONAYA ROBA

(d) Fiduciary Oversight Arrangements

The Audit and Risk Management Committee (ARMC) of NGCDF Board provide overall fiduciary oversight on the activities of North Horr Constituency NGCDF. The reports and recommendation of ARMC when adopted by the NGCDF Board are forwarded to the Constituency Committee for action. Any matters that require policy guidance are forwarded by the Board to the Cabinet Secretary and National Assembly Select Committee.

II. NG-CDF CHAIRMAN'S REPORT

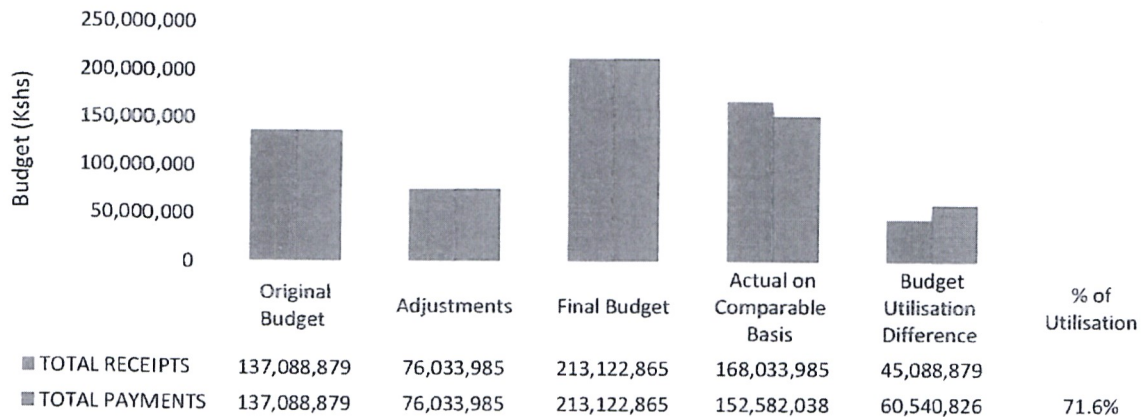

Through the Initiative of the GOK, North Horr stands as one of the constituencies that had tremendous achievement in the implementation of public projects geared towards social-economic development of the region.

Since its inception, NG-CDF has stood with us as a unique government programme that had uplifted the living standards of our people. Through NG-CDF we have had uncountable number of classrooms started in North Horr, Eight Secondary Schools initiated and thousands of students sponsored in Secondary Schools, Colleges and Universities. In Support of the Presidents Big 4 Agenda, North Horr NG-CDF has supported students undertaking Medical and Teaching Courses. NG-CDF had helped this constituency realised some dreams which have been delayed or would not have been

possible to achieve in North Horr Constituency.

During the Fiscal year 2019/2020, North Horr NG-CDF had a final budget Kshs 213,122,865 out of which Kshs. 168,033,985 was received. The Constituency was able to utilise Kshs 152,582,038 of these funds (72%). The reports also indicate the funds haven't been utilised 100% as Ksh. 45,088,879 of total allocation for financial year 2020/2021 is yet to be received as at 30th June, 2021.

NORTH HARR NG-CDF FY: 2020/2021 EXPENDITURE

NG-CDF was able to implement various development projects in the constituency which have added value to the services and development programmes essential for the achievement of social-economic progress in the society. In Line with Government Vision to realise economic growth in the regions, it has spurred vibrant life among local communities. Among the successful public projects implemented through NG-CDF include:

- Kalacha Girls High School; The Girls School was financed from scratch and now has almost all structures completed. The School has an enrolment of over 120 pupils and is currently having the first lot admitted in Form Four. More infrastructure is being implemented with additional funds for construction of dormitory.

- Chalbi High School-Formely Hon Dr Godana Memrial School has seen a major facelift and infrastructure improvement which includes classroom and dormitory constructions. The School has a population of over 500 pupils who are benefiting from NG-CDF Bursary Scholarships.

NG-CDF is making critical investments in public projects and the demands for NG-CDF projects is rising day by day. North Horr NG-CDF has paid over Khs 36 Million in Bursary during the Financial year which was still inadequate.

Figure 1 North Horr Boys Secondary School - Construction of 4 classrooms to completion

***North Horr Constituency
National Government Constituencies Development Fund (NGCDF)
Reports and Financial Statements for The Year Ended June 30, 2021***

Despite its minimal annual allocation, NG-CDF had tried to balance the needs of the community and prioritized development activities at location and ward levels. Every two years North Horr NG-CDFC conduct a public forum where members of the public gather to give their priority projects. Based on the priorities raised funds are allocated to implement various projects.

However Much NG-CDFC tries to balance the needs, still more challenges abound. These includes increased needs due to awareness creations, minimal funding, competition over the scarce funds by various projects and communities, political influences from competitors and limited functions. Since NG-CDF is a National Government Fund, it is only allowed by Law to finance National Government functions.

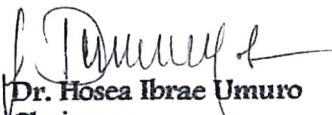

Through proper planning, NG-CDF North Horr is able to balance the needs of the projects and ensure key and priority projects that have maximum impact on the community are financed.

As North Horr NG-CDFC Chairman I wish to give the following recommendations to the Government and other stakeholders to help NG-CDF realise its development dreams:

- That at least the NG-CDF funding be raised from the current 2.5% of the revenue to a higher percentage to ensure increased funding to support development projects at the grassroots. NG-CDF has since inception done wonderful grassroots development programmes.
- That NG-CDF be allowed to fund projects that falls outside the national government functions to ensure an all inclusive development projects that covers all sectors.

That NG-CDF be given an opportunity to partner with Donors and other development partners such as World Bank and International Donor Agencies to promote development projects in the communities.

Signature

Dr. Hosea Ibrae Umuro
Chairman
North Horr NG-CDFC

III. STATEMENT OF PERFORMANCE AGAINST CONSTITUENCY'S PREDETRMINED OBJECTIVES

Introduction

Section 81 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer when preparing financial statements of each National Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the national government entity's performance against predetermined objectives.

The key development objectives of *North Horr Constituency 2018-2022* plan are to:

1. To improve access to education and training for Primary, Secondary and Tertiary institutions in North Horr Constituency
2. To improve the learning environment
3. To improve performance in national examination
4. To improve the working conditions of security personnel
5. To promote environmental conservation
6. To promote youth initiatives to build and nurture their talents and skills in sports
7. To improve access to ICT infrastructure

Progress on attainment of Strategic development objectives

For purposes of implementing and cascading the above development objectives to specific sectors, all the development objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into development outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement: Below we provide the progress on attaining the stated objectives:

Constituency Program	Objective	Outcome	Indicator	Performance
Education	To improve access to education and training	<ul style="list-style-type: none"> • Increased transition from primary to secondary schools • Increased transition from secondary school to technical and vocational skills • Increase the number of youth with technical and vocational skills • Increase the employability of skilled youths 	Increase provision of bursaries to students in primary and secondary schools, Technical, Industrial, Vocational and Entrepreneurship Training Institutions, and Universities	<p>Number of form one enrollment increased from 1,200 to 2,000</p> <p>Number of Bursary fund beneficiaries increased from 3,000 to 4,000</p>

North Horr Constituency
National Government Constituencies Development Fund (NGCDF)
Reports and Financial Statements for The Year Ended June 30, 2021

	To improve the learning environment	Improved performance in primary, secondary and technical and vocational training institutions	To provide infrastructure in Primary and Secondary schools, Special Education Schools and TVET Institutions. To equip schools with learning materials and equipment	Number of classrooms increased by 15
--	-------------------------------------	---	--	--------------------------------------

Program	Objective	Outcome	Indicator	Performance
Environment	To promote environmental conservation	Increase in knowledge, skills and passion for sustainable environment	Adopting environmental friendly practices promotional talks on increasing forest cover and environmental conservation	Number of trees planted increased from 5 to 15
Security	To improve the working conditions of security personnel	Reduction in crime rate Secure business environment	Improving security infrastructure	Secure business environment Number of security personnel staff quarters increased from 10 to 20
Sports	To promote youth initiatives to build and nurture their talents	Decreased dependency ratio in crime rate Increased number of youth engaged in gainful employment	Sponsor sports tournaments Provide sports equipment (balls and uniforms) to sports teams	Number of youth groups benefitting from the sports programme increased from 50 to 100
Information Communication and Technology (ICT)	To improve access to infrastructure for ease of doing business	Increase in online business uptake by youth	Establish four ICT hubs in the Constituency	Number of ICT centres at the chiefs' offices increased from 0 to 4

IV. CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY REPORTING

North Horr NG-CDF exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on social sector, namely, Education & Training, Security Sector Support, Environment, and Sports. This pillar also makes special provisions for Kenyans with various disabilities and previously marginalized communities.

1. Sustainability strategy and profile -

To ensure sustainability of North Horr NG CDF, the committee funds the following key sectors with the following sustainable priorities.

- a. **Education and Training:** North Horr NG-CDF focus on human capital for constituency development is entrenched in its strategy to support needy and bright students from each ward of the constituency. The intention is to empower the constituents such that in years to come, the beneficiaries at secondary school levels would have transitioned to Tertiary institutions while those at tertiary level would have transitioned to the job market as employees or employers thereby contributing positively to the economic growth of the constituency. This strategy takes care of both marginalised groups including girls and people living with disabilities.
- b. **Security Sector Support:** Among its key pillars; NGCDF has security as a priority area with intention to provide better working environment for the security providers within the constituency as well a secure constituency. The strategy is to have a long-term collaborative working approach that enhances community engagement in security activities. This is aimed at eliminating crime and vices in the long run by providing a better working environment for the law enforcement agencies while collaborating with community in trust on matters of security.
- c. **Environment:** The Constituency acknowledges that all its operation has an impact on environment. Cognizant of the Sustainable development goals, the NG-CDF has allocated part of its budget on environment conservation through activities such as tree planting, water conservation, sensitization forums for agro-forestry as well as best practices to reduce soil erosion.
- d. **Sports:** The NG-CDF has taken sports as a key pillar of cohesion and integration. To sustain this pillar, the strategy taken is that of developing skills through sports with intention of identifying, nurturing talent and encouraging physical fitness among the constituents.

To attain this level of sustainability, we acknowledge challenges currently arising from the effects of Covid- 19 that have adversely affected the sporting activities and thereby limiting the potential benefits envisaged in using sports as development strategy within the constituency. On macro levels FY 20/21 has been a challenging year with limited funding towards these activities which may hamper the success of priority strategies undertaken.

2. Environmental performance

Environment Policy and Action Plan

Protection of the environment in which we live and operate is part of North Horr NG-CDF initiatives

Care for the environment is one of our key responsibilities and an important aspect in the way in which carry out our operations.

3. Employee welfare

We invest in providing the best working environment for our employees. North Horr constituency recruitment is guided by Employment Act, NG-CDF Act and other regulations as issued from time to time. In line with the law and regulations, the Constituency offers equal opportunity to all while adhering to the one third gender rule and special groups. We also Recognize and appreciate of our employees for exemplary performance. The reward and sanctions system is based on performance appraisal.

The constituency promotes a healthy lifestyle and provides all employees with health insurance cover through a reliable insurance Scheme. Employees are encouraged and supported to continually build on their skills and knowledge. North Horr constituency invests in capacity building programs for employees. These include courses on technical competencies relevant to each employee and continuous sensitization on cross cutting issues.

The committee has a policy on safety in compliance with Occupational Safety and Health Act of 2007, (OSHA) and has ensured the work environment is conducive for everybody in terms of movement and accessibility within the office. The Constituency has also put in place disaster mitigating measures including fire extinguishers and accessible escape routes in case of emergency.

4. Market place practices-

North Horr NG-CDF Constituency is committed to fair and ethical market practises. The Procurement of goods and services is done through a transparent and competitive bidding process that allows equal opportunities to all participants. We support local vendors drawn from the constituency for purposes of uplifting them economically. Our ethical market practises ensure the fund get value for money on all goods and services procured.

We are also committed to healthy relations with our suppliers which is enhanced through organized sensitization forums that relate to the procurement legal framework and ethical subject matters. We are dedicated to honouring all contracts and settling payments promptly.

NGCDF has put in efforts to ensure:

- a) Responsible competition practice by encouraging fair competition and zero tolerance to corruption
- b) Good business practice including cordial Supply chain and supplier relations by honouring contracts and respecting payment practices.
- c) Responsible marketing and advertisement
- d) Product stewardship by safeguarding consumer rights and interests

5. Community Engagements-

North Horr NG-CDF has endeavoured to sustain community engagement through CSR as well as appreciating our existence through engaging local contractors and suppliers when necessary. We have also engaged the community through sports and community projects.

Public Participation in Project Identification and Implementation and Monitoring

The NG-CDFC deliberated on project proposals from all the wards in the constituency and considered the most beneficial to the constituency, considering the national development plans and policies and the constituency strategic development plan. The identified list of priority projects, both immediate and long term, was submitted to the NG CDF Board in accordance with the Act.

Public participation is the process that directly engages the concerned stakeholders in decision-making and gives full consideration to public input in making that decision. The NG CDFC during bursary programme, engaged the community through the community leaders to identify the needy students to be awarded with the bursary.

Public Awareness

This includes mechanisms for participation and cooperation with local, regional and national agencies, and for conducting community-based needs assessments and public awareness campaigns and holding community meetings.

North Horr NG-CDF have continually practiced public participation and public awareness during project identification and proposal collections in all the wards in the constituency.

V. STATEMENT OF MANAGEMENT RESPONSIBILITIES

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer for a National Government Entity shall prepare financial statements in respect of that entity. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed the Public Sector Accounting Standards Board of Kenya from time to time.

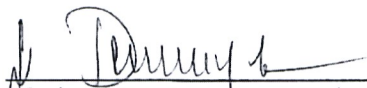

The Accounting Officer in charge of the NGCDF- North Horr Constituency is responsible for the preparation and presentation of the entity's financial statements, which give a true and fair view of the state of affairs of the entity for and as at the end of the financial year (period) ended on June 30, 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the entity; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

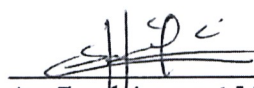

The Accounting Officer in charge of the NGCDF- North Horr Constituency accepts responsibility for the entity's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The Accounting Officer is of the opinion that the *constituency's* financial statements give a true and fair view of the state of entity's transactions during the financial year ended June 30, 2021, and of the entity's financial position as at that date. The Accounting Officer in charge of the NGCDF- North Horr Constituency further confirms the completeness of the accounting records maintained for the constituency, which have been relied upon in the preparation of the entity's financial statements as well as the adequacy of the systems of internal financial control.

The Accounting Officer in charge of the NGCDF North Horr Constituency confirms that the *constituency* has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the entity's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the Accounting Officer confirms that the constituency's financial statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya.

Approval of the financial statements

The NGCDF- North Horr Constituency financial statements were approved and signed by the Accounting Officer on 30th August 2021.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GOVERNMENT CONSTITUENCIES DEVELOPMENT FUND - NORTH HOKURU CONSTITUENCY FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of National Government Constituencies Development Fund - North Horr Constituency set out on pages 15 to 50, which comprise of the statement of assets and liabilities as at 30 June, 2021, and the

*Report of the Auditor-General on National Government Constituencies Development Fund - North Horr Constituency
for the Year Ended 30 June, 2021*

statement of receipts and payments, statement of cash flows and summary statement of appropriation for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the National Government Constituencies Development Fund - North Horr Constituency as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the National Government Constituencies Development Fund Act, 2015.

Basis for Qualified Opinion

1.0 Use of Goods and Services

1.1 Unsupported Fuel Expenditure

The statement of receipts and payments and Note 5 to the financial statements reflects an amount of Kshs.9,981,572 relating to use of goods and services which includes Kshs.912,000 relating to fuel, oil and lubricants. However, supporting documents including user requisitions, detail orders and the evaluation of bids submitted by the bidders were not provided for review contrary to Regulation 104 (1) of the Public Finance Management (National Government) Regulations, 2015 which states that all receipts and payments vouchers of public money shall be properly supported by pre-numbered receipt and payment vouchers and shall be supported by the appropriate authority and documentation.

In the circumstances, the accuracy and value for money on the amount of Kshs.912,000 incurred on fuel expenditure could not be confirmed.

1.2 Irregularities in Payments of Routine Maintenance and Repair of Motor Vehicles

The statement of receipts and payments and Note 5 to the financial statements reflects Kshs.9,981,572 relating to use of goods and services which includes Kshs.1,322,120 relating to routine maintenance of vehicles and other transport equipment, which further includes Kshs.760,120 paid to a firm for servicing of two (2) vehicles. However, the mechanical inspection reports provided were issued between 06 June, 2019 to 15 December, 2019 while the quotations issued to suppliers were dated 06 July, 2021 casting doubts on whether the post inspection reports were issued before the quotations.

Further, delivery notes and invoices supporting the payments were dated between 25 June, 2019 to 5 December, 2019 while the payment was made on 20 August, 2020. However, review of the prior year financial statements revealed there was no such disclosure among the pending payables.

In the circumstances, the accuracy and value for money for the amount of Kshs.760,120 incurred on routine maintenance and repair of motor vehicles could not be confirmed.

2.0 Cash and Cash Equivalents

The statement of assets and liabilities and Note 10A to the financial statements reflects an amount of Kshs.15,451,947 relating to cash and cash equivalents. However, the respective bank reconciliation statement reflects unpresented cheques totalling Kshs.24,394,980 which includes stale cheques totalling Kshs.541,257 which were not replaced or reversed in the cash book.

In the circumstances, the accuracy of the cash and cash equivalents balance of Kshs.15,451,947 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the National Government Constituencies Development Fund - North Horr Constituency Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1.0 Budget and Budgetary Control

During the year, the Fund received a total of Kshs.168,033,985 from the Board against a budget of Kshs.213,122,865 resulting in a shortfall in disbursements by Kshs.45,088,879 representing 21% of the budget. Further, out of the actual receipts of Kshs.168,033,985, the Fund incurred a total expenditure of Kshs.152,582,038 resulting in an under expenditure of Kshs.60,540,826 or 28% of the budget.

The underfunding and under expenditure affected the planned activities and may have impacted negatively on service delivery to the public.

2.0 Unresolved Prior Year Audit Matters

Various prior year audit issues remained unresolved. The unresolved prior year issues were not disclosed in the progress on follow up on auditors' recommendations section of the financial statements as required by the Public Sector Accounting Standards Board.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1.0 Irregularities in Implementation of Security Projects

The statement of receipts and payments and Note 7 to the financial statements reflects an amount of Kshs.60,245,057 relating to other grants and transfers, which includes Kshs.9,500,000 relating to security projects which further includes an amount of Kshs.3,500,000 paid to a firm for opening of Segel-Chira Tone Road. Review of the project documents and physical verification done in March, 2022 revealed that the bill of quantities, inspection and acceptance certificate, engineers cost estimates and work plan for year 2020-2021 by Kenya Rural Roads Authority - Marsabit Regional Office which formed part of the basis of payment provided for removal of mass boulder and machine-based act (site clearance) at a cost of Kshs.425,000. However, there was no indication of mass boulder removal or site clearance taking into consideration that similar works were done in the year 2019-2020 and the road has been in use.

In the circumstances, the value for money for the expenditure of Kshs.425,000 on security projects could not be confirmed.

2.0 Transfers to Other Government Entities

2.1 Contract Agreements Not Provided

Review of records revealed that the Management entered into contract with various contractors for the implementation of Primary Schools projects costing Kshs.20,262,174. However, contract agreement between the contractors and the Management were not provided for audit review contrary to Section 135 (3) of Public Procurement and Asset Disposal Act, 2015 which states that written contract shall be entered into within the period specified in the notification but not before fourteen days have elapsed following the giving of that notification.

In the circumstances, Management was in breach of the law.

2.2 Unsupported Transfer to Secondary Schools

Review of records revealed that the Management paid a total of Kshs.1,000,000 to a firm in procuring of science laboratory equipment for Kalacha Girls Secondary School. However, the firm was not among shortlisted suppliers in the list of prequalified suppliers. Further, the inspection and acceptance certificate confirming the quantities and the condition of the supplied equipment's was not provided for review and the school did not maintain store records indicating how the equipments were received and taken on charge.

In the circumstances, value for money on Kshs.1,000,000 incurred in the procurement of the laboratory equipment could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless the Management is aware of the intentions to terminate the Fund or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how the Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Fund's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Fund to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

(a) The revenue items exclude the AIA for the Year 2020/2021. The Constituency did not realise any AIA

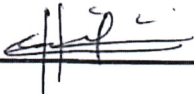

**North Horr Constituency
National Government Constituencies Development Fund (NGCDF)
Reports and Financial Statements for The Year Ended June 30, 2021**

- (b) The adjustments comprise of funds for the Fiscal Year 2019/2020 not received as at 30th June 2020 (Kshs 69,367,724) and the Balance of the funds received but not utilised (Kshs. 6,666,261 Cash Book Balance).
- (c) The Constituency had no over utilization during the year. The total utilization of the Annual budget stood at 56% depicted by less fund disbursement by NG-CDF board as compared to previous year.
- The Compensation of Employees scored a utilization percentage of 77% for the year. This result from a balance brought forward from previous years.
 - Use of goods and services had a utilization of 97% for the year. This is also as a result of balance brought forward and late receipt of funds that did not allow the Committee to disburse all the received funds.
 - Transfer to other Government Entities had a utilization of 79% and this originated from fund yet to be received as at 30th June 2020.
 - Other Grants and Transfers stood at 60% and this resulted from the delay in receipt of funds from the Board.

National Government Constituencies Development Fund (NGCDF)
Reports and Financial Statements for The Year Ended June 30, 2021**

XII. SIGNIFICANT ACCOUNTING POLICIES

The principle accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with Cash-basis International Public Sector Accounting Standards (IPSAS) as prescribed by the Public Sector Accounting Standards Board (PSASB) and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits (gratuity and retentions).

The financial statements comply with and conform to the form of presentation prescribed by the PSASB. The accounting policies adopted have been consistently applied to all the years presented.

2. Reporting Entity

The financial statements are for the NGCDF- North Horr Constituency. The financial statements encompass the reporting entity as specified under section 81 of the PFM Act 2012

3. Reporting Currency

The financial statements are presented in Kenya Shillings (Kshs), which is the functional and reporting currency of the Government and all values are rounded to the nearest Kenya Shilling.

4. Significant Accounting Policies

The accounting policies set out in this section have been consistently applied by the entity for all the years presented.

a) Recognition of Receipts

The entity recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the Entity.

Transfers from the National Government Constituency Development Fund (NG-CDF)

Transfers from the NG-CDF to the constituency are recognized when cash is received in the Constituency account.

Proceeds from Sale of Assets

Proceeds from disposal of assets are recognized as and when cash is received in the constituency account.

Other receipts

These include Appropriation-in-Aid and relates to receipts such as proceeds from sale of tender documents, rent receipts, interest earned on bank balances, hire of Plant/Equipment/Facilities, Unutilized funds from PMCs among others.

Unutilized Funds from PMCs.

All unutilized funds of the Project Management Committee (PMC) are returned to the constituency account. Unutilized funds from PMCs are recognised as other receipts upon return to the constituency account.

External Assistance

External assistance refers to grants and loans received from local, multilateral and bilateral development partners. In the year under review there was no external assistance received.

b) Recognition of payments

The Entity recognises all payments when the event occurs and the related cash has actually been paid out by the entity.

Compensation of Employees

Salaries and wages, allowances, statutory contribution for employees are recognized in the period when the compensation is paid.

Use of Goods and Services

Goods and services are recognized as payments in the period when the goods/services are paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

Acquisition of Fixed Assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each constituency and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the financial statements.

5. In-kind contributions

In-kind contributions are donations that are made to the constituency in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the constituency includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

6. Cash and Cash Equivalents.

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various commercial banks at the end of the financial year.

7. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an

enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Accounts Payable

For the purposes of these financial statements, Deposits (gratuity and retentions) held on behalf of third parties have been recognized on an accrual basis (as accounts payables). This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Gratuity earned on monthly is held on behalf of the employee and later paid at the end of the contract period. This is an enhancement to the cash accounting policy adopted by National Government Constituencies Development Fund as prescribed by PSASB. Other liabilities including pending bills are disclosed in the financial statements.

9. Pending Bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the entity at the end of the financial year. When the pending bills are finally settled, such payments are included in the Statement of Receipts and Payments in the year in which the payments are made.

10. Unutilized Fund

Unutilized funds consist of bank balances in the constituency account and funds not yet disbursed by the Board to the constituency at the end of the financial year. These balances are available for use in the subsequent financial year to fund projects approved in the respective prior financial years consistent with sec 6(2) and sec 7(2) of NGCDF Act, 2015

11. Budget

The budget is developed on a comparable accounting basis (cash basis except for imprest which is accounted for on an accrual basis), the same accounts classification basis, and for the same period as the financial statements. The original budget was approved by Parliament on 11th June 2020 for the period 1st July 2020 to 30th June 2021 as required by law. Included in the adjustments are Cash book opening balance, AIA generated during the year and constituency allocations not yet disbursed at the beginning of the financial year.

A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

12. Comparative Figures

Where necessary, comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

13. Subsequent Events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2021.

14. Errors

Material prior period errors are corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

During the year, errors that have been corrected are disclosed under note 14 explaining the nature and amounts.

15. Related Party Transactions

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa.
