2. Forward by the CECM – Finance and Economic Planning

It is my pleasure to present the Machakos County Government Financial Statements for the year ended 30th June 2022, which are in line with the Public Finance Management (PFM) Act, 2012 and the IPSAS cash basis of accounting. The Act requires final accounts to be prepared, published, publicized and submitted to the County Assembly, Office of the Auditor General, the National Treasury, the Controller of Budget and Commission for Revenue Allocation within a period of three months after the end of each Financial Year (i.e (30th September).

Attached are the Financial Statements which have been prepared in line with the requirements of the PFM Act 2012, which present a true and fair view of state of affairs of the County Government of Machakos for the year ended June 30th, 2022.

County Governments' Financing

In accordance with Article 202 of the Constitution of Kenya, the revenue raised nationally shall be shared equitably among the National Government and the County Governments. The County Governments equitable share of revenue raised nationally is determined every year through the County Allocation of Revenue Act. The revenue sharing formula is developed by the Commission on Revenue Allocation and approved by Parliament in accordance with Article 217 of the Constitution of Kenya, 2010.

Moreover, the County Government of Machakos also finances its operations through Own Source Revenue (OSR) and has endeavoured to enhance the existing revenue sources as well as exploring new revenue sources. The county is keen on improving its revenue collection through enhanced enforcement, strict supervision and revenue automation.

A. Financial Performance

i. Revenue

The County Government of Machakos had projected revenues of Kshs.13,089,716,880.00 comprising of: Kshs. 1,682,894,197.00 from Own source Revenue; Kshs. 9,162,304,232.00 from Exchequer releases; Ksh.1,015,817,860 being Returned CRF Issues and Kshs.1,288,700,590 from Proceeds from domestic and foreign grants.

Below is an illustration on a pie chart of the projected revenue for the County Government of Machakos for the period ended 30th June, 2022.

iii. Accounts receivables

The County Government of Machakos has put in place proper imprest management system which ensures that imprests are properly recorded, examined for compliance and accuracy as well as timely surrender and accounted for in the right manner.

iv. Pending bills

The total pending bills as at the period ended on 30th June, 2022 was Kshs.3,097,201,216.00 . Our focus as a county is to settle the bills as soon as possible. In every budget cycle, we ensure that parts of the allocations are towards settlement of the old outstanding pending bills.

v. Fixed Assets

The County Government of Machakos has made significant investments in fixed assets since its inception in 2013 in addition to what we inherited from the Defunct Local Authority. We have increased from Kshs. 13,711,418,924 in financial year 2020/21 to Kshs. 14,699,333,764 in 2021/2022.

B. Operational performance

The County's operations are structured in terms of departments which are headed by the County Executive Committee Members. For seamless service delivery, all departments have to work in unison and synergy. In the table below, we summarize the key activities carried out by each department during the year.

Department	Key Activities
Health and Emergency Services	• Kangundo ICU Unit construction complete • CT Scan machine installed at Machakos Level 5 Hospital
Agriculture, Food Security and Cooperative Development	• Ploughed 493 acres under free tractor programme • Vaccinated 79,661 Livestock • 275 Women and 263 youth trained on co-operatives and business opportunities
Education, Skills Training and Social Welfare	• 485 vulnerable elderly persons supported with blankets and foodstuffs • Held 86 GBV Sensitization and training sessions • Issued bursaries to 28,420 students
Water, irrigation, Environment and Natural Resources	• 6 boreholes drilled to completion • 28 boreholes successfully repaired • Constructed 8 Earth Dams
Public Service , Quality Management and ICT	• Training & development of staff • 2 Staff medical schemes in operation
Energy, Lands, Housing and Urban Development	• Markets were installed with floodlights • Construction of Kathemboni Road to Bitumen Standards • Construction of roads, parking and NMT facilities along Mlolongo's old Mombasa road in Mavoko municipality
Transport, Roads and	• 1,275km graded within the County.

Public Works.	• Routine maintenance of roads- Mua, Kola & Kiima Kimwe and construction of drifts • Routine Maintenance of Kasuongove – Mikuyuni road and construction of gabions

Despite notable achievements, we have experienced some challenges during the year. These include:

i. IFMIS downtimes delaying payments/operations.
ii. Delays in Exchequer disbursements leading to delays in projects implementation and payments.
iii. General climate change leading to prolonged drought periods, unreliable and erratic rainfall and increase in temperatures.
iv. Others include high rates of inflation, which have greatly influenced the ever rising cost of living. This has led to increased cost of programmes/projects against the planned cost hence causing delay in implementation.

Conclusion

The performance in Financial Year 2021/2022 was good. Great progress was made and momentum has been created to enable the County Government continue on a trajectory into prosperity. We have identified gaps and areas to improve on the subsequent years.

I take this opportunity to appreciate H.E the Governor for his support. I also would want to thank my colleagues, the County Executive Committee Members in charge of other departments who have worked hand in hand to ensure that the County Government of Machakos achieves its mission.

I thank all staff in the entire county for their continued commitment and dedication through hard work in delivering services to the people of Machakos County.

3. Statement of Performance against County Pre- Determined Objectives

Introduction

Section 164 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting officer shall prepare Financial Statements of each County Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board which includes a statement of the county government entity's performance against predetermined objectives.

Strategic Development Objectives

The County's 2018-2022 County Integrated Development Plan (CIDP) has identified 7 key strategic development objectives. Broadly, these objectives have been identified through a participatory process that reviewed the development priorities of the Governor's Manifesto, the National Government's "Big Four", Nairobi Intergrated Urban Development Master Plan (NIUPLAN), Sustainable Development Goals (SDGs) and the Medium Term Plan (MTP III).

The strategic objectives are a synthesised product of the afore-mentioned planning frameworks that amalgamate the thematic focus and development aspirations in these policy frameworks.

The key development objectives of the Machakos County's 2018-2022 CIDP are:

1. Food Security and Improved Nutrition
2. Infrastructure Improvement and Expansion
3. Accessible and Quality Healthcare
4. Education and Youth Development
5. Social Protection for Vulnerable Groups
6. Water and Environmental Conservation
7. Conducive Business and Investment Environment

4. Environmental and Sustainability Reporting

Machakos County Government exists to transform lives. This is our purpose; the driving force behind everything we do.Our vision is to be a globally competitive competitive hub that ensures optimal utilization of resources, social and economic sustainability for the prosperity of all and wealth creation. It is what guides us to deliver our strategy, which is founded on three pillars: putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a brief highlight of our achievements in each pillar:

4.1 Sustainability Strategy and Profile

Machakos County Government through its mission statement aims to provide effective leadership and a condusive envitonment for social.economic, cultural and political development through policy formulation and policy results. It aims to realise a democratic political system founded on issue-based politics, respect to the rule of law and protection of the rights and freedoms of every individual in the society. We advocate for speedy quality development and efficient service delivery espousing principles of good governance by advocating for integrity, transparency, accountability, devolution of power and sustainability in implementation of all development programmes and projects.

4.2 Environmental Performance

The purpose of the Machakos County environment & natural resources policy draft is meant to address the growing environmental challenges and mitigation of the climate change. This will protect the environment for the current and future generations and progressively strive to meet the realization of the right to healthy and clean environment.
The key interventions that the county will focus on are:

- Increasing forest cover
- Control of air, land and water pollution
- Control of noise pollution
- Management and conservation of the environment
- Law enforcement
- Control and management of sand harvesting

The overriding policy goal is to entrench the rights to clean and healthy environment which is sustainable and renewable.The policy goal is to provide better quality life for current generations without compromising the quality of life for the future generation through sustainable management of environment and natural resources.The environment and natural resources policy focuses on the following objectives:

- To provide integrated framework for environmental planning and management of County environment and natural resources.
- To strengthen legal and institutional framework for coordination and management of the environment and natural resources .
- To ensure sustainable management of natural resources such as forests, sand, stones, water, wildlife for economic growth and improved livelihoods .
- To promote innovative environmental management and technologies that are sustainable and climate smart.

- To promote proper environmental monitoring , audit and compliance mechanisms.
- To promote co-operation, collaboration, synergy and partnerships among all environmental stakeholders.

4.3 Employee Welfare

The County Government of Machakos always puts into consideration all the relevant laws, policies and guidelines during its recruitment process. These include; the Constitution of Kenya (2010), the Employment Act (2007), County Government Acts(2012) and the County Public Service Human Resource Manual (2016). The Constitution of Kenya (2010), Article 27 (8) provides that affirmative action should be factored where the state is required to take legislative and other measures to ensure that no more than two-thirds of the members of elective or appointive bodies are of the same gender. This has been cascaded to the County Governments recruitment processes. The County Government Act (2012) also underscores the principle of gender equality in County Government hiring process. We are happy to report that Machakos County has complied by having a ratio of 60% women and 40% men in the public service.

To manage employees' skills and management career development, the County Government of Machakos has employed several strategies which range from training, promotions, and performance management. The County Government of Machakos has put in place measures that foster employee's skills through local and international training opportunities. Every year the Government of Machakos County sends its employees to foreign universities for both short term and long term training based on training needs/gaps in the various departments. Machakos County Government has also utilized Kenya School of Government to train its employees various courses in management. The County government has rolled out a structured performance management process where the employees are requirement to sign performance contracts and appraisals in order to ensure that they are aware of their department's goals and objectives and evaluation done as stipulated in the draft performance management policy. Promotions are done regularly to motivate and help the employees in their career advancement. The County Government has adhered to the guidelines as provided in the Occupational Safety and Health Act (2007).

4.4 Market Place Practices

The County Government of Machakos has operationalized e-procurement through Integrated Financial Management Information System (IFMIS) to enhance transparency and accountability in procurement process from procurement planning, requisition, sourcing, and payment. e-procurement ensures that public procurement of goods and services is done fairly, equitably, transparently, competitively and in a cost effective manner. IFMIS e-procurement module is linked to an item master which has indicative prices for all commonly used items to ensure that there are no price inflations by procuring entities, thus enhancing value for money.

Further e-procurement has inbuilt approvals at all levels of the procurement process to enhance checks, controls and accountability.

Apart from increasing efficiency in service delivery due to competition, transparency and lower transaction costs, e-procurement system is designed to enable the government increase and monitor government procurement opportunities to the preference groups, including women, youth and differently abled persons.

4.5 Community Engagements

The County Government of Machakos conducted citizen engagement through public participation in Annual Development Plan (ADP), Finance Bill, County Budget Review Outlook Paper (CBROP) and County Fiscal Strategy Paper (CFSP).

5. Statement of Management Responsibilities

Sections 163,164 and 165 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the County Treasury shall prepare financial statements of each County Government entity, receiver of receipts and consolidated financial statements for all County Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The County Executive Committee Member (CECM) for Finance of the County Government is responsible for the preparation and presentation of the County Government's Financial Statements, which give a true and fair view of the state of affairs of the County Government for and as at the end of the financial year ended on June 30, 2022. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the County Government; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the County Government; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The CECM for Finance accepts responsibility for the County Government's Financial Statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS). The CECM for Finance is of the opinion that the County Government's financial statements give a true and fair view of the state of the County Government's transactions during the financial year ended June 30, 2022, and of its financial position as at that date. The CECM - Member for Finance further confirms the completeness of the accounting records maintained for the County Government which have been relied upon in the preparation of the its Financial Statements as well as the adequacy of the systems of internal financial control.

The CECM for Finance confirms that the County Government has complied fully with applicable Government Regulations and the terms of external financing covenants (where applicable), and that the County Government's funds received during the year under audit were used for the eligible purposes for which they were intended and were properly accounted for. Further the CECM for Finance confirms that the County Government's Financial Statements have been prepared in a form that complies with relevant accounting standards prescribed by the Public Sector Accounting Standards Board of Kenya (PSASB).

Approval of the financial statements

The County Government's Financial Statements were approved and signed by the CECM for Finance and Economic Planning on 28/12/ 2022.

P.O. Box 30084-00100
NAIROBI

REPORT OF THE AUDITOR-GENERAL ON COUNTY EXECUTIVE OF MACHAKOS FOR THE YEAR ENDED 30 JUNE, 2022

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.

B. Report on Lawfulness and Effectiveness in use of public resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.

C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of County Executive of Machakos set out on pages 1 to 62, which comprise of the statement of assets and liabilities as at 30 June, 2022, statement of receipts and payments, statement of cash flows and the summary statement of appropriation - recurrent and development combined for the year then ended, and a summary of significant accounting policies and other explanatory

information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the County Executive of Machakos as at 30 June, 2022, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis), the Public Finance Management Act, 2012, and the County Governments Act, 2012

Basis for Qualified Opinion

1. Legal Expenditure Incurred Irregularly

The statement of receipts and payments reflects use of goods and services amount of Kshs.1,496,724,958 which includes other operating expenses of Kshs.161,042,008 as disclosed in Note 5 to the financial statements. The expenditure on other operating expenses includes legal fees payments amounting to Kshs.31,530,139. Further, review of County law office records revealed that legal expenses totalling to Kshs.607,769,485 were included in the pending accounts payables as at 30 June, 2022. The County had legal department and continued to irregularly source for external legal services. In addition, the County Government incurred nugatory expenses on interest and suit cost amounting to Kshs.172,369,177 due to non-settlement of pending bills.

The County's Department of Health and Emergency Services also irregularly paid interests, damages and legal costs amounting to Kshs.23,448,317 without a budgetary provision for legal costs.

In the circumstances, the validity of the legal expenses totalling to Kshs.607,769,485 could not be confirmed. In addition, the County risks losing huge resources on settlement of legal suits and interests on unpaid bills.

2. Inaccuracies in the Financial Statements

Review and comparison of the financial statements and IFMIS trial balance revealed variances in various items listed in the table below:

Item	Financial Statements Balance Kshs.	IFMIS Trial Balance Balance Kshs.	Variance Kshs.
Exchequer Releases	9,580,793,835	8,429,319,897	1,151,473,938

Fund Balances Brought Forward	1,026,659,268	51,357,510,978	(50,330,851,710)

The Management has not reconciled the variances or provided notes for the adjustments of the trial balance amounts and balances.

In the circumstances, the accuracy and completeness of the financial statements amounts and balances could not be confirmed.

3. Un-confirmed Assets Balance

Annex 5 to the financial statements reflects summary of the fixed assets balance of Kshs.14,699,333,764. The balance however, excludes value of assets inherited from defunct local authorities. The County Government did not have title deeds for land and motor vehicle logbooks for the inherited assets.

Further, the department of Kenya Urban Support Programme purchased various transport and waste management equipment valued at Kshs.26,228,730 but whose logbooks were also not provided for audit review including; two (2) Agricultural Tractors 4*4 - 80HP for Mavoko Municipality and Kangundo - Tala Municipality, wheeled backhoe loader medium duty new CAT model 426F3 for Kangundo - Tala Municipality and Large Tipper (Dump truck) Sino Truck Howo zz325m for Mavoko Municipality from Simba Corporation Ltd, Mantrack Kenya Ltd and Prescott Engineering Solutions valued at Kshs.6,000,000, Kshs.11,412,730 and Kshs.8,816,000 respectively.

In the circumstances, the accuracy and completeness of the fixed assets balance of Kshs.14,699,333,764 could not be confirmed.

4. Misstatement of Receipts and Expenditure Amounts

The statement of assets and liabilities reflects bank balance of Kshs.513,555,509 being the balance as at 31 July, 2022. Review of bank reconciliation statements and cashbooks revealed that receipts and payments for July, 2022 of Kshs.908,635,489 and Kshs.2,283,355,741 respectively related to the subsequent financial year. The financial statements were therefore not drawn as at 30 June, 2022.

In the circumstances, the financial statements are misstated by the amount irregularly included and relating to the subsequent period.

5. Inaccuracies in the Bank Balances

The statement of assets and liabilities reflects bank balance of Kshs.513,555,509. Included in the balance is the County Revenue Fund account balance of Kshs.169,182,423. The cashbook and the bank certificate for fund however, reflects a balance of Kshs.169,317,265 resulting to an unexplained and unreconciled variance of Kshs.134,842. Further, the balance includes SBM bank account balance of Kshs.10,643,135 which is not available for use by the County since the Bank is under statutory receivership.

In the circumstances, the accuracy and completeness of the bank balance of Kshs.513,555,509 could not be confirmed.

6. Failure to Transfer Revenue to County Revenue Fund

The statement of receipts and payments reflects other receipts amounting to Kshs.1,118,461,753. The amount excludes Machakos Internal Revenue account amount of Kshs.20,608,766, being revenue deposited in the account during the year under review. The amount was however not transferred to County Revenue Fund at the end of the financial year contrary to Section 81 (2) of the Public Finance Management (County Government) Regulations, 2015.

In the circumstances, the accuracy of the other receipts amount of Kshs.1,118,461,753 could not be ascertained.

7. Unaccounted for Own Generated Revenue

Review of records maintained by the lands department revealed total revenue from property approvals for Machakos and Mavoko sub-counties of Kshs.11,845,740 and Kshs.107,640,680 respectively all totaling to Kshs.119,486,420. The revenue system however, reported revenue of Kshs.14,217,576 and Kshs.163,108,945 respectively for the two sub-counties all totaling to Kshs.177,326,521, resulting in unaccounted for revenue of Kshs.57,840,101.

In the circumstances, the accuracy and completeness of the County Government receipts from building of Kshs.119,486,420 could not be ascertained.

8. Misclassification of Expenditure

The statement receipts and payments reflect transfers to other government units amount of Kshs.1,853,561,282. The amount includes other current transfers, grants and subsidies and other capital grants and transfers–recurrent amounts of Kshs.121,847,814 and Kshs.131,734,695 respectively as disclosed in Note 7 to the financial statements. Review of schedules provided in support of the expenditure revealed that payments totalling Kshs.16,593,784 were irregularly charged to other current transfers, grants and subsidies instead of use of goods and services item. Further, payments totaling Kshs.115,296,666 and Kshs.1,953,000 were irregularly charged to other capital grants and transfers–recurrent instead of compensation of employees and non-pharms items respectively. Included in in Note 7 to the financial statements also is other capital grants and transfers-development amount of Kshs.261,009,547 which includes an expenditure of Kshs.16,238,797 which was not in the approved budget.

In addition, the statement receipts and payments reflect use of goods and services amount of Kshs.1,496,724,958 which includes utilities, supplies and services of Kshs.56,113,967 as disclosed in Note 5 to the financial statements. The Department of Water paid electricity bills totalling to Kshs.7,650,000 being electricity subsidies to various Water Companies and the Department of Health and Emergency Services made payments totalling to Kshs.3,000,000 to Total Kenya Limited for fuel supply. However, these were wrongly charged to utilities, supplies and services and contractual employees' costs instead of other current transfers, grants and subsidies and use of goods and services respectively.

In the circumstances, the accuracy and completeness of the other current transfers, grants and subsidies and other capital grants, utilities, supplies and services and transfers–recurrent amount of Kshs.121,847,814, Kshs.56,113,967 and Kshs.131,734,695 respectively could not be confirmed.

9. Unsupported Prior Year Adjustments

The statement of assets and liabilities reflects prior year adjustment balance of Kshs.1,015,816,133, which relates to correction of errors in the various bank accounts as disclosed in Note 18 to the financial statements. The details of the errors corrected were however, not provided for audit review.

In circumstances, the validity and accuracy of the adjustment amount of Kshs.1,015,816,133 could not be confirmed.

11. Unreconciled Outstanding Land Rates Balances

Review of land rates IFMIS records for Machakos Sub-county revealed outstanding land rates balance of Kshs.1,036,931,216 being an increase of Kshs.287,980,834 from the

previous year balance of Kshs.748,950,382. Further, review of land rates records for Mavoko Sub-county revealed outstanding land rates balance of Kshs.26,327,156,095 as at 30 June, 2022 being an increase of Kshs.16,124,523,966 from the previous year balance of Kshs.10,202,632,129. The revenue system revealed that only Kshs.36,947,350 and Kshs.5,450,814 was invoiced during the year for Machakos and Mavoko Sub-counties respectively, thus there is unexplained increase in land rates of Kshs.251,033,484 and Kshs.16,119,073,152 for Machakos and Mavoko sub counties respectively.

In the circumstances, the accuracy and completeness of the land rates balance of Kshs.1,036,931,216 reflected in the financial statements could not be confirmed.

12. Unaccounted for Land Rates Revenue

Review of land rates records for Machakos revealed that an outstanding balance for 10 plots of Kshs.4,001,798 as at 30 June, 2021 was written off during the year under review leaving a Nil balance. The write off was however not supported by payments made or any authorized waiver.

In addition, the Mavoko Sub-county had 56,996 land rate accounts out of which 2,841 land rates accounts had the outstanding balances irregularly reduced by Kshs.70,372,124 during the year under review. The reduction was not supported by payments made or authorized waivers.

In the circumstances, the regularity of the write off and reduction of land rates totalling to 4,001,798 and Kshs.70,372,124 for Machakos and Mavoko could not be confirmed.

13. Failure to Disclose Imprests Balance

The statement of assets and liabilities as disclosed in Note 15 to the financial statements reflects a Nil balance in respect of outstanding imprests and advances . Review of the imprest register and payment details however, revealed that the Department of Finance and Office of the Governor had un-surrendered and unaccounted for imprests amounting to Kshs.67,994,086 and Kshs.50,432,466 respectively totalling to Kshs.118,426,551. The imprests have been outstanding for a long time contrary to Section 91(3) of the Public Finance Management (County Government) Regulations, 2015 which requires the amount due to be accounted for or be surrendered within seven working days after returning to duty station.

In the circumstances, the accuracy of the Nil balance for outstanding imprests and advances as reflected in the financial statements could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Machakos County Executive Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe

that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1. Budgetary Control and Performance

1.1. Shortfall in Receipts

The statement of comparison of budget and actual amounts reflects final budget and actual receipts on comparable basis of Kshs.13,089,716,879 and Kshs.10,699,255,588 respectively resulting to an under-funding of Kshs.2,390,461,291 or (18%) of the budget. Similarly, the County expended Kshs.10,329,895,989 against an approved budget of Kshs.13,089,716,879 resulting to an under-expenditure of Kshs.2,759,820,890 (or 21%) of the budget.

The County's own generated revenue declined by Kshs.177,902,915 from the previous years' collection of Kshs.1,296,364,668 to Kshs.1,118,461,753.

The underfunding, underperformance and reduced own generated revenue affected the planned activities and may have impacted negatively on service delivery to the public.

1.2. Under-Funding of Development Vote

The statement of receipts and payments reflects total expenditure of Kshs.10,329,895,989 which includes development expenditure of Kshs.1,616,098,773 representing 16% of the total expenditure. The development vote therefore received funding which is less than 30% threshold prescribed by Section 15 (2) (a) of the Public Finance Management Act, 2012.

In the circumstances, development vote was under-funded and some projects were not implemented resulting to limited implementation of capital projects for development.

2. Unresolved Prior Year Matters

In the audit report of the previous year, several paragraphs were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, the Management has not resolved the issues nor given any explanation for failure to adhere to the provisions of the Public Sector Accounting Standards Board templates and The National Treasury's Circular.

3. Failure to Settle Pending Bills

According to Note 1,2 and 3 under other important disclosures, the County had pending bills totalling Kshs.3,097,209,015 (Kshs.2,790,830,660 in 2021) as at 30 June, 2022. Management has not explained why the bills were not settled during the year when they occurred. The County is at risk of incurring significant interest costs and penalties with their continued delay in payment.

Further, the pending bills amount of Kshs.3,097,209,015, includes legal fees and other related costs amount of Kshs.1,148,765,727 (or 37%) of the total bills for several on-going court cases but the Management did not provide details for the same and why the legal fees are high.

Failure to settle bills during the year in which they relate to distorts the financial statements and adversely affects the budgetary provisions for the subsequent year as they form a first charge.

In the circumstances, the high legal bills negatively affected budget for delivery of other services.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Non-Compliance with the Law on Fiscal Responsibility

The statement of comparison of budget and actual amounts reflects compensation of employees' budget amount of Kshs.5,905,795,352 which is 45% County Executive total receipts budget of Kshs.13,089,716,879. Further, the statement reflects actual expenditure on compensation of employees of Kshs.5,903,699,792 which is 55% of County Executive total receipts of Kshs.10,699,255,588. The expenditure on compensation of employees exceeded the threshold of 35 % prescribed by the Section 107 (2) (c) of the Public Finance Management Act, 2012 and Section 25(1) (b) of the Public Finance Management (County Government) Regulations, 2015.

In the circumstances, Management was in breach of the law.

2. Non-Compliance with Human Resource Regulations

2.1. Probation Terms of Service

Review of the Integrated Personnel Payroll Database (IPPD) records revealed that, the County Government had a total of 6,399 employees as at 30 June, 2022 out of which sixty-nine (69) were serving on probation terms. It was however noted that the employees had worked for periods ranging from twenty-one (21) months to thirty-four (34) months contrary to the provisions of Part II Section B of the Human Resource Policies and Procedures Manual for the Public Service, 2016 on appointment of staff on probation and pensionable terms

In the circumstances, Management was in bleach of the law.

2.2. Non-Compliance with Law on Ethnic Composition

Review of IPPD records revealed that the County Executive had a total of 6,399 employees out of which 5,393 or 84% were from the local dominant community. In addition, the County Government recruited thirteen (13) employees during the year under review and all were from the local dominant ethnic community implying that the Management is not making enough effort to bridge the existing ethnicity gap. This was in contravention to Section 65(1)(e) of the County Government Act, 2012, which provides that at least thirty percent of the vacant posts at entry level should be filled by candidates who are not from the dominant ethnic community in the County.

In the circumstances, Management was in breach of the law.

2.3. Failure to Meet Recruitment Thresholds for Persons with Disabilities

During the year under review, County Government of Machakos recruited a total of thirteen (13) employees. There was however, no person living with disability recruited during the exercise. This is contrary to the provisions of Section B.23 (2) of the Human Resource Policies and Procedures Manual for the Public Service, 2016 that sets a threshold of 5% of positions to be filled by persons with disabilities.

In the circumstance, Management was in breach of the law.

3. Failure to Remit Statutory Deductions

Annex 3 to the financial statements on pending staff payables reflects CPF Financial Services, Lap Fund and National Health Insurance Fund balances of Kshs.258,731,462, Kshs.12,007,458 and Kshs.22,990,280 respectively all totalling to Kshs.293,729,198 and not remitted to the respective organizations.

In the circumstances, the County Government breached the law on remittances of statutory and pension deductions and is exposed to penalties and interests for non-compliance.

4. Failure to Fund Dispensaries (Level 3s') and Health Centers (Level 2s')

The County Government had 164 gazetted level 3 and level 2 Health facilities which provided primary public health care services at the lowest level to the residents of the County. The main sources of funding to these facilities included user fee foregone, donations from DANIDA and remittances from County Treasury. Review of records revealed that these facilities did not receive funding from County Treasury during the financial year under review.

In the circumstances, the failure to fund the facilities compromises quality of health care services provided and impacts negatively on the service delivery to the local community.

5. Hire of Horticultural Crops Directorate Office Block

The County Government signed a lease agreement with Horticultural Crops Directorate on 5 July, 2013 for office space for the Governor. The rent payable was Kshs.100,000 per month with 10% annual increase. The outstanding balance as at May, 2022 was Kshs.27,222,648. The Governor's Office was constructed in the year 2020 and is currently in use. The Management has not explained the continued occupation of the premise which is now the Deputy Governor's office and delayed payments of the rents.

In the circumstances, the regularity of the expenditure of Kshs.27,222,648 on rent could not be confirmed.

6. Irregular Procurement of Projects

6.1. Upgrading of Matuu Equity Lane Road

The tender no. GMC/KRB/025/2019-2020 for the project was advertised on the County website and three bids were received and subjected to preliminary, technical and financial evaluation. The tender was awarded to the lowest bidder at a contract sum of Kshs.2,739,485. The tender was however, cancelled and three new bidders were subsequently evaluated for the tender. There was however, no evidence of re-advertisement of the tender. The contract was subsequently awarded at a contract sum of Kshs.8,125,551.

6.2. Upgrading of Matuu Equity Lane Road-Installation of Paving Block and Kerbs

The tender No. 824662/2020-2021 for the project was advertised on the County website and three bids were received and evaluated. The tender was awarded at a contract sum

of Kshs.9,750,915 to a firm that did not attain the minimum technical evaluation threshold of seventy percent (70%).

6.3. Routine Maintenance Mbusyani Kawethei Road Contract

The tender number GMC/TR&PW/RFQ/002/2021-2022 for the project was advertised and three bids were received and subjected to preliminary, technical and financial evaluation. The technical evaluation report did not indicate the scores for two bidders but the tender was awarded to a contractor at a contract sum of Kshs.4,607,056.

6.4. Irregular Use of Framework Contracting

The Department of Water entered into framework agreements with various suppliers and contractors for the supply of goods, works and services and incurred expenditure totalling to Kshs.60,635,708. The criteria to have a minimum of seven (7) alternative suppliers or contractors for framework agreements was not met and the head of procurement unit advised on the non –compliance as per the professional opinion. The Accounting Officer however, approved the award of framework agreements as recommended by the evaluation committee.

6.5. Irregular Expenditure on Design of the Proposed Machakos Airport

The County awarded a tender for the provision of consultancy services for design of the proposed Machakos Airport on 14 December, 2020 at a contract sum of Kshs.26,727,576. The construction of airport is however, not a devolved function as it falls under Civil Aviation and Space Travel, which are National Government functions. The implementing department of Transport, Roads, Public Works and Housing lacks public officers competent with matters on aviation. The management did not provide any evidence of agreement between the County and either the National Government or its Agencies.

6.6. Design for the Proposed 16KM Machakos-Kyumvi Dual Carriage

The County Government advertised and awarded a tender for provision of consultancy services for the 16 Km Proposed Machakos-Kyumvi Dual Carriage at a contract sum of Kshs.25,167,920. The construction of dual carriage from Mombasa Road (Kyumvi) to Machakos Town is however not a devolved function. The road falls under National Trunk Roads which is a National Government function. The County did not have an approved Memorandum of Understanding as provided for in Article 187 of the Constitution of Kenya to undertake the project.

In a letter Ref: KeNHA/04.A/GEN.DESGN/VOL.6(049) from Director General KeNHA dated 16 March, 2021, the director indicated that the County should address the issue of MOU between itself and the National Government before undertaking the project.

6.7. Irregular Payment for Incomplete Projects

i) The County entered into a contract for upgrading Local Authority Finance and Operational Management System (LAIFOM) at a cost of Kshs.8,000,000 and a monthly support fee of 1.5% of total collections and Kshs.5,000 per month for cloud data hosting. The contract was signed on 6 May, 2020 and the project was to be rolled out by July, 2020. The supplier had been paid Kshs.5,777,697 (or 72%) of the contract price. The upgraded system was found to be in operation but several irregularities were noted in its implementation.

a) The scope of the LAIFOMS upgrade entailed conversion of the system to the County Integrated Finance and Operational Management System (CIFOM) for all the seven sub-counties. Out of the seven sub counties, only Machakos and Mavoko sub counties have been connected to the system.

b) The module for building plan processing was to be developed and rolled out but the module is inactive in the two sub-counties where the system is in use.

c) The use of SMS broadcast feature, a mass SMS campaign engine, in the CIFOM that will provide alerts to citizens for bills and payment status has not been activated in the system.

d) The receipt books management System is not operational and has no backup in the event of system failure, or if the vendor terminates its operation.

e) The quarry fee, the highest revenue stream, has not been integrated in the system (CIFOM).

ii) The County through the Department of Finance and Economic Planning contracted a firm for supply, installation, commissioning and training on monitoring and evaluation system at a contract sum of Kshs.11,530,602 on 21 August, 2020. The project was to be completed by 20 May, 2021. The system was to strengthen and make improvements in project monitoring and evaluation in order to realize timely and accurate project data across the County. The system is web-based and responsive to all devices including a mobile application supporting all mobile operating systems. The system is however not operational despite the department having paid Kshs.8,564,449.

iii) The County through the Department of Finance and Economic Planning contracted for provision of bulk SMS services at Kshs.1,456,300. The service was to operationalize and enhance efficiency of the County payment platforms of County Paybill 1616160, USSD code *377# and Machapay platform and enable sending bulky SMSs. The tender was awarded on 1 December, 2021 and was to be completed by 13 December, 2021. A review of the project during the month of August, 2022 disclosed that the system is however not in use and the USSD code is not active. Further, professional opinion was not signed by the head of procurement contrary to Section 84(1) of the Public Procurement and Asset Disposal Act, 2015.

In the circumstances, Management was in breach of the laws as highlighted above. Further, the County Government has not realized the benefits envisioned on procurement of the above seven (7) contracts and value for money on the contracts awarded irregularly could not be confirmed.

7. Stalled Projects

7.1. Designing and Building of Mavoko Stadium

The County through the Department of Tourism and Sports entered into a contract for designing and building of Mavoko stadium at a contract sum of Kshs.49,906,656 in the financial year 2018/2019. The stadium was to be completed in three years by 2020/2021. The contractor failed to complete the project and the contract was terminated. An amount of Kshs.4,873,680 (or 10%) of the contract sum was certified as at the time of the contract termination on 27 August, 2019.

A new contract no. GMC/MTYSC/01/2019-2020 was signed for the completion of the stadium at a sum of Kshs.44,717,696. Available records indicate that an amount of Kshs.8,781,147.80 (20%) of a contract sum was certified as at 21 April, 2021 but not paid. The contractor had since issued notice of termination of contract dated 11 March, 2022. Management has not provided documentary evidence to demonstrate any further action to complete the project.

7.2. Designing and Building of Masii Stadium

The County through the Department of Tourism and Sports entered into a contract for Designing and building of Masii Stadium at a contract sum of Kshs.49,045,478 in the financial year 2018/2019. The initial contract period was three years.

The contractor failed to complete the project and the contract was terminated. An amount of Kshs.4,705,280 (or 10%) of the contract sum was certified as works done.

The Management has not provided documentary evidence to demonstrate any further action taken to complete the project.

7.3. Designing and Building of Kinyui Stadium

The County through the Department of Tourism and Sports entered into a contract for the designing and building of Kinyui Stadium at a contract price of Kshs.49,906,656 in the financial year 2018/2019. The initial contract period was three years which has since expired. The completion level was at 74% as at July, 2022 but the contractor had abandoned the site. The Management has not provided documentary evidence to demonstrate any further action to complete the project.

7.4. Designing and Building of Ikombe Stadium

The County through the Department of Tourism and Sports entered into a contract for the designing and building of Ikombe Stadium at a contract price of Kshs.49,740,000 in the

financial year 2018/2019. The initial contract period was three years which has since expired. The completion level was at 78% in July, 2022. A site visits on 2 August, 2022 revealed that the contractor was still on site despite lapse of contract period and there is no evidence of contract extension.

7.5. Construction of Mumbuni Earth Dam

The Department of Water and Irrigation entered into a entered into a contract for the proposed Construction of Mumbuni Earth Dam in Ikalaasa, Kibauni Ward on 24 September, 2018 with completion date of 30 September, 2019. The contract price was Kshs.75,156,480 and the contractor had been paid Kshs.68,414,880 for certified works representing 91% completion level. The contractor however failed to complete the project and the same was re-awarded at an amount of Kshs.5,072,460 through tender number GMC/WIECC&NR/03/2021-2022. The contractor later declined the offer vide a letter dated 30 March, 2022 citing outstanding pending bills on previous works. The project has remained incomplete despite the County incurring an expenditure of Kshs.68,414,880.

7.6. Construction of 11 Storey Thin and Tall Building

The project was awarded to a contractor in March 2018 at a contract sum of Kshs.394,999,999 and was to be completed in 58 weeks. A site visits in October, 2022 revealed that the project was constructed up to the 7th floor and contractor abandoned the site with the level of completion estimated at 52% as per project progress status report. The contractor had been paid a total of Kshs.176,375,021. The Management has not indicated the efforts being made to complete the project.

7.7. Proposed Construction of Commercial (Mixed Use) Development Centre

The contract was awarded to a contractor at a contract sum of Kshs.55,495,944 on 1 March, 2018. The project commenced on 4 May, 2018 and was to be completed by 30 September, 2018. A site visit in October, 2022 revealed that the project was still at the foundation level and no activities had been undertaken since 2019 when the last certificate was issued. Further, review of payment records indicated that (10%) advance payment of Kshs.5,549,594 was paid on 19 April, 2018 and IPC No.1 of Kshs.2,975,379 was paid on 21 November, 2018. Further, another payment of Kshs.2,398,931 for Certificate No.2 was made on 10 April, 2019 making total payments of Kshs.10,923,904.

7.8. Construction of Community Recreation Centre

The project was for construction of passage/walkways, public toilets and restaurant. The contract was awarded on 1 March, 2018 at a contract sum of Kshs.55,435,741. The project commenced on 4 May, 2018 and was due for completion on 30 September, 2018. A site visit in October, 2022 revealed that the project was at the foundation stage and the contractor had abandoned the project with level of completion estimated at 15%. Further, review of payment records revealed that, the contractor was paid advance amount of

Kshs.5,543,574 (or 10%) and an additional amount of Kshs.3,582,385 for value of work done as per certificate Number 1 paid on 17 February, 2020.

7.9. Construction of Public Area Facility

The contract comprised of construction of a swimming pool, a public beach, amphitheatre, changing and washrooms and was awarded at a contract sum of Kshs.37,585,666 in March, 2018. The project was to be completed in 26 weeks from the commencement date. The contract period was extended to 11 March, 2020 and then to 30 September, 2021 after the contractor made another extension request which had not been approved. Physical verification of the project in October, 2022 revealed that the contractor had abandoned the site and the level of completion as per project progress status report was 70%.

7.10. Construction of Staff Houses in Matuu Sub-County

The contract was awarded on 27 June, 2019 at a contract sum of Kshs.12,545,783 and the contract period was 26 weeks. The contractor submitted the first payment request vide IPC No.1 of Kshs.7,521,202 on 16 December, 2019. It was however, noted that the contract period had lapsed but the level of completion as per project progress status report was 60% and there was no evidence of extension of contract period.

7.11. Construction of Executive Washrooms at Matuu County Office

The contract was awarded on 27 June, 2019 at a contract price of Kshs.2,877,150. The project was to be completed in 26 weeks. Physical verification of the project carried out in October, 2022 revealed that the contractor had abandoned the site and project completion level was at 40% as per the project status report. There was no evidence provided on the contract period extension.

7.12. Construction of 12 Storey Thin and Tall Building

The contract was awarded in 2018 at a contact sum of Kshs.399,999,999 and was to be completed in 58 weeks. Site visit in October, 2022 revealed that the project was terminated at foundation level for non-performance. The estimated completion stage is 10%. The contractor had been paid a total amount of Kshs.80,551,782 being advance payment of Kshs.39,144,144 and IPC No 1 amount of Kshs.41,407,638.

In the circumstances, the County Government has not obtained value for money for the amount spent on all the abandoned projects and the residents of Machakos County have not enjoyed the envisioned benefits due to failure to complete the project. The funds could also be lost for payments made for undelivered projects.

9. Failure to Prepare and Submit Account for Receiver of Revenue

The statement receipts and payments reflect other receipts amount of Kshs.1,118,461,753, being County own generated revenue for the period under review.

The Management did not prepare and submit accounts for the revenue contrary to the requirement of section 165 of Public Finance Management Act, 2012, which requires receiver of revenue to prepare and submit revenue accounts for audit. The revenue collected may not be appropriately accounted for and revenue could be misappropriated.

In the circumstances, Management was also in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and overall governance were not effective.

Basis for Conclusion

1. Lack of Risk Management Policy and Strategy

The County Management had not put in place risk management policy, strategies, and risk register to mitigate against risk. It was, therefore, not clear how the management manages risk exposures. This is in contravention of Regulation 158 (1)(a) and (b) of the Public Finance Management (County Governments) Regulations, 2015 which requires the Accounting Officer to ensure that the County Government entity develops risk management strategies, which include fraud prevention mechanism; and the county government entity develops a system of risk management and internal control that builds robust business operations.

2. Operation of Multiple Revenue Bank Accounts and MPESA Paybills

Review of the revenue records and systems revealed that the county operated seventeen (17) revenue bank accounts and two hundred and eleven (211) MPESA paybills. The paybills include nine (9) which are inactive and it is not clear how the revenue through these paybills was collected. The Management did not explain the essence of operating multiple bank accounts and Mpesa paybills.

The inactive Mpesa paybills are indicated below:

No.	Mpesa Paybill No.	Name	Status
1	38417	Mugoya Quarry Cess	Inactive
2	538421	Lukenya Quarry Cess	Inactive
3	538865	Kathama Barrier	Inactive
4	704457	Public Health Mavoko	Inactive
5	704458	Public Health Machakos	Inactive
6	704459	Public Health Kangundo	Inactive
7	704461	Public Health Matungulu	Inactive
8	704462	Public Health Kathiani	Inactive
9	704463	Public Health Mwala	Inactive

In the circumstances, the Management may not be able to reconcile all the revenue due and account for the same and hence controls over total revenue collections could not be Confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the County Executive's ability to continue sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the County Government or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the County monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the County policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.

- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the County ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the County to cease to sustain its services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the County to express an opinion on the financial statements.

- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

14. Significant Accounting Policies

The key accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of accounting, as prescribed by the PSASB and set out in the accounting policy notes below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The receivables and payables are disclosed in the Statement of Assets and Liabilities.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the County Executive all values are rounded to the nearest Kenya Shilling. The accounting policies adopted have been consistently applied to all the years presented.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

2. Reporting entity

The financial statements are for the Machakos County Executive. The financial statements encompass the reporting entity as specified under section 164 of the PFM Act 2012.

3. Recognition of receipts and payments

a) Recognition of receipts

The County Executive recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the Executive.

Significant Accounting Policies (Continued)

i) Transfers from the County Revenue Fund (CRF)

Transfer from CRF is recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and a notification received by the entity.

ii) Proceeds from sale of assets

Proceeds from the sale of assets are recognised in the statement of receipts and payments when the related monies from the sale are received by the entity.

b) Recognition of payments

The County Executive recognises all expenses when the event occurs, and the related cash has been paid out.

i) Compensation of employees

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

ii) Use of goods and services

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. Such expenses, if not paid during the period where goods/services are consumed, shall be disclosed as pending bills.

iii) Interest on borrowing

Borrowing costs that include interest are recognized as payment in the period in which they incurred and paid for.

Significant Accounting Policies (Continued)

iv) Repayment of borrowing (principal amount)

The repayment of principal amount of borrowing is recognized as payment in the period in which the repayment is made. The stock of debt is disclosed as an annexure to the County consolidated financial statements.

v) Acquisition of fixed assets

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment. A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

4. In-kind contributions

In-kind contributions are donations that are made to the County Executive in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the County Executive includes such value in the statement of receipts and payments both as receipts and as an expense in equal and opposite amounts; otherwise, the contribution is not recorded.

5. Third Party Payments

This relates to payments done directly to supplier on behalf of the county Executive s such as; national government may fund the operation of health or education program; a donor may pay directly for construction of a given market etc. Details of payments by third parties on behalf of the County Executive are detailed in the notes to this financial statement.

Significant Accounting Policies (Continued)

6. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year.

a) Restriction on cash

Restricted cash represents amounts that are limited /restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation. Amounts maintained in deposit bank accounts are restricted for use in refunding third party deposits. As at 30th June 2022, this amounted to KShs 133,552,775 compared to KShs 146,792,047 in prior period as indicated on note 16.

(There were no other restrictions on cash during the year)

7. Imprests and Advances

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

8. Third Party Deposits and Retention

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted and prescribed by the Public Sector Accounting Standards Board. Other liabilities including pending bills are disclosed in the financial statements.

Significant Accounting Policies (Continued)

9. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the County Executive's fixed asset register a summary of which is provided as a memorandum to these financial statements.

10. Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they are recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the County Executive at the end of the year.Pending bills form a first charge to the subsequent year budget and when they are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

11. Contingent Liabilities

Section 185 (2) (i) of the PFM Act requires the County Government to report on the payments made, or losses incurred, by the County Government to meet contingent liabilities as a result of loans during the financial year, including payments made in respect of loan write-offs or waiver of interest on loans

A contingent liability is:

a) A possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity; or

b) A present obligation that arises from past events but is not recognised because:

   i) It is not probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation; or

   ii) The amount of the obligation cannot be measured with sufficient reliability.

Some of contingent liabilities may arise from: litigation in progress, guarantees, indemnities, Letters of comfort/ support, insurance, Public Private Partnerships. The County Executive does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements unless the possibility of an outflow of resources embodying economic benefits

or service potential is remote. Annex 8 of this financial statement is a register of the contingent liabilities in the year.

12. Contingent Assets

The County Executive does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the County Executive in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

13. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The County Executive's budget was approved as required by Law and as detailed in the County Revenue Allocation Act. The original budget was approved by the Machakos County Assembly on 30th June 2021 for the period 1st July 2021 to 30 June 2022 as required by law. There were two supplementary budgets passed in the year. A high-level assessment of the Machakos County Executive's actual performance against the comparable budget for the financial year under review has been included in an annex to these financial statements.

14. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

15. Subsequent events

Events subsequent to submission of the financial year end financial statements to the National Treasury and other stakeholders with a significant impact on the financial statements may be adjusted with the concurrence of National Treasury.

Significant Accounting Policies (Continued)

16. Prior Period Adjustment

During the year, there were no errors relating to Prior Year Period.

17. Related Party Transactions

Related party means parties are related if one party has the ability to:

a) Control the other party or

b) Exercise significant influence over the other party in making financial and operational decisions, or if the related party entity and another entity are subject to common control.

Relates party transaction is a transfer of resources of obligations between related parties regardless of whether a price is charged.

16. Progress on Follow Up on Prior Year Auditor's Recommendations

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor.

Reference No. on the external audit Report	Issue/ Observation from the Auditor	Management Comment	Status: *(Resolved / Not Resolved)*	Timeframe: *(Put a date when you expect the issue to be resolved)*
1.	**Variances between Financial Statements and IFMIS Ledger Balances** The variances have not been explained by management and as a result, the accuracy and completeness of the financial statements for the year ended 30 June 2020 have not been confirmed.	At the time of audit there was a variation between IFMIS data and Internet Banking platform data due to amendments of various IFMIS modules affecting generation of reports. Nevertheless, we have identified the reconciling items (transactions) and explained the variances	Awaiting feedback from Senate	31st October 2022
2.	**Unaccounted for Construction Materials and Vehicle Spare Parts** Requisition notes, S13 and S11 from the user departments to the stores were not provided for audit.	Requisitions and Stores Ledgers for the materials and spare parts supplied have been provided for audit review.	Awaiting feedback from Senate	31st October 2022
3	**Undisclosed Assets Inherited from Defunct Local Authorities** Fixed assets inherited from defunct local authorities in the County had not been disclosed in the financial statements.	The County Executive maintains an inventory of assets inherited from the defunct Local Authorities. The Financial Statements are prepared under	Awaiting feedback from Senate	31st October 2022

		Modified IPSAS Cash Basis in line with the requirements and templates from the Public Sector Accounting Standards Board (PSASB). The reporting standards do not require the current carrying values of assets. Asset inventory is required to be an annexure to the Financial Statements.		
4	**Budget Control and Performance** Failure to collect the budgeted receipts and the under expenditure, meant that the County Executive did not carry out some of its planned operations and projects during the year under review. This in turn hampered delivery of services promised to the residents of Machakos County.	The shortfall in the budgeted receipts was occasioned by various factors including non-disbursement of June 2020 Exchequer of Kshs. 666,865,500 and non- disbursement or part disbursement of various grants by the National Treasury amounting to Kshs.616, 869,595.	Awaiting feedback from Senate	31st October 2022
5.	**Pending Bills** Note7.10 to the financial statements reflect under other important disclosures-sub-item 1	The County Government has continued to pay pending bills. To date, the amount	Awaiting feedback from the Senate	31st October 2022

	pending accounts payable totaling ksh.2,268,493,640 as at 30 June 2020 as detailed in annex 2 to the financial statement. However, examination of the expenditure schedules revealed that some of the pending bills have been outstanding for long period, some as far back as 2013/2014 financial year.	settled from the above balance is Ksh.901,355,664. Pending bills settlement remain a priority for the County Government and we will endeavor to clear the same subject to cash flow availability		
6	**Unresolved Prior Year Matters**	As per follow up on prior year auditors recommendations of FY 2018/2019	Awaiting feedback from the Senate	31st October 2022
7.	**Stalled Construction of Masii and Mavoko Stadiums** Both stadiums had stalled and the contractors abandoned the site. The contractor was thereafter on 14 May, 2020 paid Kshs.4,705,280 and Kshs.4,873,680 for work done under the respective contracts. Thus no value for money had been obtained on expenditure totalling Kshs.9,578,960 incurred under the contract.	Masii and Mavoko stadium – It was confirmed that no amount has been paid towards this projects. These projects have been re-advertised and awarded to other contractors to complete the project.	Awaiting feedback from the Senate	31st October 2022
8.	**Kenya Urban Support Program (KUSP)** **(i)Delayed Completion**	The project is 95% complete. The	Awaiting feedback from the	31st October 2022

Some of the bays extended onto the Tala-Kangundo Road and as a result, risked the safety of road users.	contractor has been granted up to 31/12/22 to hand over the project fully complete as per the contract failure to which the contract shall be terminated and re-advertised. Corrective action was taken and all the erected structures have been removed. The municipality has engaged the contractor to demarcate the parking slots to be horizontal instead of the current vertical parking slots.	Senate

	(iv) Idle Fire Station The facility had not been connected to the electric power supply system and had not been put to use thus no utility had been realized from the expenditure	Payment for the connection was made in November 2020 and the utility company installed the transformer and meters.		
9.	**Construction of Governor's Lodge** No investment appraisal document was provided for audit to indicate that construction of the County Lodge deserved priority over other projects that may directly benefit livelihoods of the County's residents.	The main aim of the County Governments is to devolve resources and various functions to its local residents. The offices in Matuu were meant to serve residents in far flung areas of the County.	Awaiting feedback from the Senate	31st October 2022
10.	**Procurement of Works and Services** **(i)Failure to Carry Out Technical Evaluation** The Department of Health and Emergency Services awarded contracts for three renovation projects without having carried out technical evaluations on the submitted bids. **(ii)Procurement of Cleaning Services** The annual bill amounting to Kshs.30,000,000 for cleaning services of	The renovations were in line with the conditions given by the Ministry of Health. The Department of Health used quotations to establish the cost of cleaning services.	Awaiting feedback from the Senate	31st October 2022

	Machakos Level 5 Hospital was above the legal threshold amounting to Kshs.3,000,000 for use of Request for Quotations **(iii)Provision of Laundry Services** The contract was procured through the Request for Quotation method of procurement instead of Open Tender.	The contract was extended since it was not prudent to introduce another supplier during the Covid-19 season. The Department of Health used quotations to establish the cost of laundry services since the works were done in-house.		
11.	**Delayed Remittance of Statutory Deductions** Remittances of statutory deduction for the months of March, April and May, 2020 sampled in the audit indicated frequent delays.	The County experienced delays in exchequer disbursements from the National Treasury. The amounts have since been paid.	Awaiting feedback from the Senate	31st October 2022
12.	**Non-Adherence to Requirements on Vocational Training Grants** The County Executive failed to match the amount remitted to the County by the National Government as prescribed in Section 6.C. of the Grants Matching Conditions issued by The National Treasury.	The initial regulations that apply to the funds in question did not have the matching fund requirement.	Awaiting feedback from the Senate	31st October 2022

	(ii)Failure to Observe the One-Third Basic Salary Rule Management breached the law by allowing excessive deductions and thereby put the Officers at the risk of pecuniary embarrassment.	Internal control measures in the department have been put in place to avoid occurrence of the same.		
	(iii)Irregular Terms of Employment 478 employees were on probation despite having served for periods ranging from nine months to thirty-three years	The officers have since been updated to permanent and pensionable terms in the IPPD system.		
	(iv)Lack of Ethnic Diversity At least 30% of the vacant posts were not filled by candidates who are not from the dominant ethnic community in the County.	There is a continuous process to meet the 30% requirement whenever there is recruitment in the County.		
	(v)Failure to Meet Recruitment Thresholds for Persons with Disabilities	There is a continuous process to meet the 5% threshhold

14.	**Lack of Information Communication Technology Policy and Strategic Plan**	At the moment, there is an existing ICT Policy approved by the Cabinet in September 2021.	Awaiting feedback from the Senate	31st October 2022
15	**Lack of Independent Internal Audit Function** Officers posted to the Unit also undertook operational activities that included approval of payments.	Internal Audit function performs only post-audit and is no longer involved in payment process.	Awaiting feedback from the Senate	31st October 2022
16	**Receipts of Revenue through Personal Cheques** Services offered by the County Government were paid for through personal cheques contrary to PFM regulations.	The County is continually sensitizing the public and liasing with commercial banks to ensure no personal cheques are deposited in the revenue accounts.
