4.5 A person is qualified to be appointed a member of the Parliamentary Service Commission under Article 127(2)(d) of the Constitution and sections 8 and 9 of the Parliamentary Service Act, 2019 if:

(i) the person is not a Member of Parliament;

(vi) their appointment reflects the national values and principles set out in Article 10 of the Constitution; and
(vii) their appointment represents the regional and ethnic diversity of the people of Kenya.

4.6 Pursuant to the provisions of section 9(2) and the First Schedule of the Act, on Wednesday, 2nd September, 2026, the Parliamentary Service Commission met to consider the applications received and to shortlist the applicants for interviews. In so doing, the Commission observed that –

(a) it was necessary to comply with the law in terms of the minimum requirements for appointment and accordingly no candidate could be recommended for shortlisting who does not meet any of the requirements set out in the law; and

(b) the Parliamentary Service Act, 2019 requires that appointments to the Commission should represent the regional and ethnic diversities of the people of Kenya and therefore, there was need to ensure that the candidates shortlisted represent ethnic and regional diversity as well as giving consideration to candidates who are from minority communities and persons living with disability.

MPs pass public participation Bill, years later

> "Every single thing in the country, people will run to the courts to get orders to stop anything on the basis of public participation."

> **Owen Baya,** Deputy Leader of Majority Party

IRENE GITHINJI, NAIROBI

The National Assembly has passed the Public Participation Bill (National Assembly Bill No. 44 of 2025) which seeks to put in place a framework for the conduct of public participation.

If assented to, it will set out how the public participation process will be conducted going forward, with the mandate going to various public entities to avoid over-legislation.

The Bill, which was considered by National Assembly's Departmental Committee on Justice and Legal Affairs (JLAC) also proposes principles

diciary, Attorney-General, in the case of the Office of the Director of Public Prosecutions (ODPP) it will be DPP and for State Department it will be the relevant Principal Secretary.

For a Constitutional Commission or an Independent Office, the Secretary or the Chief Executive Officer

Deputy Leader of Majority Owen Baya said the country has, for many years, yearned for a public participation Bill, with issues on public participation left to be deliberated and adjudicated by courts most times.

According to Baya, many good projects and initiatives have gone under because of lack of public participation.

"We have lost quite a lot as a country from 2010. Parliament never gave a law since the Constitution was enacted. Therefore, there was arbitrary abuse of the issues of public participation. Any small thing, if you disagree with anything, people will just rush to court to get orders to stop anything on the basis of public participation," Baya said.

Kenya Representative, East African Legislative Assembly: *December 2017 - December 2022*

ODM nominee to the East African Legislative Assembly. Elected by both Senate and National Assembly to represent Kenya in the East African Legislative Assembly (EALA) as part of the nine (9) Hon. Members of the East African Community (EAC) institution.

Activities of EALA-Kenya Chapter:
As a member of EALA, I worked with other Hon. Members of Kenya Chapter as a team to:

- Championed Kenya's interests, opportunities, and concerns as per The EAC Treaty, EAC laws, EAC Protocols, EAC Policies and other EAC administrative measures.
- Represent Kenya in EAC
- Oversight EAC Institutions

Committees:
- Agriculture, Tourism and Natural Resources Committee.
- Legal and Rules Committee and,
- General-Purpose Committee.

Contributions in East Africa Legislative Assembly:
The following were my specific contributions during my tenure as EALA member:

- As a member of the Agriculture, Tourism and Natural Resources (ATNRs) committee, I was instrumental in the enactment of the Lake Victoria Basin Commission (LVBC) Bill into law. *LVBC was created under a protocol which limited its mandate and powers and needed a law to ensure its independence to enhance performance.*
- During membership of the Agriculture, Tourism and Natural Resources (ATNR) committee, I supported a select committee mission to engage Kenya small scale farmers to listen to their concerns, challenges, and role of EALA in addressing some of the regional issues. This mission also briefed the participating farmers on EAC laws, protocols and cross border movements and trade
- Jointly with the other Kenya EALA members undertook a series of awareness raising sessions to civilians, women traders, youth border towns and targeted forums on EAC Treaty in general.
- I was nominated to represent EALA in the SADC parliamentary forum plenary in Angola. I was the team leader and gave the keynote address on behalf of the Rt. Hon. Speaker of the Assembly sharing the role of a regional assembly and legislative achievements.
- I moved a question to the Council Ministers of EAC to give status reports on why EAC Gender Equality and Development Bill, 2016. This

intervention triggered some actions in the assembly for the Council to take more proactive measures in ensuring the enactment of the bill.

- Jointly with Hon. Kenyan colleagues, we raised concerns in Namanga OSBP on why there were long delays in clearing trucks on the Kenya side. This prompted the officers to put some measures to fast-track clearance of trucks and address other delays at the border.
- I represented the Rt. Hon. Speaker of EALA and delivered his speech to the County Assemblies Forum on the Handing over ceremony in Nairobi. The speech singled out the crucial role of County Assemblies and its forum in advancing the legislative, representation and oversight on devolved government.
- I moved a motion to enhance measures to prevent and stop Illicit Financial Flows (IFFs) in EAC Partner states which was adopted by the assembly.
- Leading the motion to implement recommendations to the EAI Bill to prevent and stop Illicit Financial Flows and other related corruption acts.
- I was nominated by Kenya EALA women MPs to represent the Kenya chapter to EALA Women Parliamentary caucus in the Executive Committee.
- I was invited by the African Forum and Network on Debt and Development to a conference on: **Curbing IFFs from Africa: Tackling IFFS from Africa: Rethinking the African Approach,** in Lusaka, Zambia.
- I moved a motion for recognition of EALA Parliamentary Caucus in the Rules Of Procedure of the Assembly with special focus on the EALA Women Caucus. This motion was supported and adopted by majority Hon. Members.

Other Achievements

- On many occasions, I jointly intervened in situations where Kenyan traders were experiencing long delays in borders and unfair treatment by officials at the One Stop Border Posts (OSBP). As Kenyan EALA members we highlighted in the assembly border challenges and concerns citizens were experiencing that were affecting businesses at OSBPs. These interventions generated positive steps and reduced certain challenges for the traders.
- The motion I pushed on the Illicit Financial Flows (IFFs) in the assembly generated a lot of interest and discussions on the impact of Illicit Financial Flows (IFFs) which affects EAC social, economic and loss of a huge number of financial resources at the domestic levels. The motion clearly brought out how multinational extractives and mining companies illegally transfer money through tax evasion, mis-invoicing, abusive transfer pricing, smuggling and corruption. This IFFs affects Partner in delivering its constitutional mandate on social services, health, education and contributes to increased public debts. The assembly overwhelmingly adopted the motion, and its

recommendations particularly instructed the mover to work on a EAC bill to prevent and stop Illicit Financial flows and other related corruption acts. I am currently finalizing the EAC bill on IFFs.

QUESTIONS AND STATEMENTS

STATEMENTS

The Speaker (Hon. Kingi): Can we have Statements pursuant to Standing Order No.53(1). We will start with Sen. Chimera.

ALLOCATION OF LAND AT MBUGUNI SETTLEMENT SCHEME

Sen. Chimera: Thank you, Mr. Speaker, Sir. I rise pursuant to Standing Order No.53(1) to seek a Statement from the Standing Committee on Land, Environment and Natural Resources on a matter of county-wide concern regarding the administration and allocation of parcels of land within the Mbuguni Settlement Scheme in Mteza Village, Tsimba Golini Ward, Matuga Sub-County, Kwale County.

Mr. Speaker, Sir, the Mbuguni Settlement Scheme faces serious disputes and local objections arising from double allocation of parcels of land, discrepancies in acreage and allotment letters that do not correspond with the land occupied or claimed by residents. These administrative irregularities have disenfranchised legitimate owners and fuelled persistent land disputes.

In the Statement, the Committee should address the following-

(1) The status of the initial survey and allocation of parcels within the scheme, including survey records, allocation registers and the criteria used to identify and select beneficiaries.

(2) The number and causes of double allocations and allotment letters inconsistent with actual occupation, together with corrective measures being undertaken.

(3) The nature and extent of discrepancies between the acreage and survey records or allotment letters and the physical land occupied by residents on the ground.

(4) The measures taken by relevant Government agencies to verify rightful beneficiaries, resolve disputes and establish accessible redress mechanisms for affected residents without disenfranchisement.

Dear Sir/Madam,

RE: REFERENCE CHECK FOR COMMISSIONER FATUMA IBRAHIM ALI

I am pleased to provide this reference in support of Commissioner Fatuma Ibrahim Ali, whom I have known professionally and personally for more than thirty (30) years. During this period, I have had the opportunity to work closely with her in both the public service and human rights sector, and I have observed first-hand her professional competence, integrity, commitment to public service, leadership qualities, and dedication to the wellbeing of communities.

Commissioner Fatuma and I began our professional careers as young graduates in the Ministry of Agriculture and Rural Development, where we both served as Agricultural Extension Officers. In this capacity, we worked directly with small-scale and peasant farmers, providing agricultural extension services, technical advice, and support aimed at improving livelihoods and strengthening household food security. This early experience gave us both a strong understanding of the challenges facing ordinary Kenyan citizens, particularly those living in rural and underserved communities.

We subsequently served in the Ministry for slightly over fourteen (14) years before pursuing further studies and professional development. Our professional paths later converged again at the Kenya National Commission on Human Rights (KNCHR), where Fatuma served as a Commissioner while I served in the Secretariat as a Principal Human Rights Officer and Regional Coordinator. This provided me with another opportunity to observe her leadership and commitment to human rights, good governance, equality, justice, and the protection of the rights and dignity of citizens.

One of the significant areas in which we worked together was the constitutional reform and constitution-making process that culminated in the promulgation of the Constitution of Kenya, 2010. We participated in civic education programmes across the country ahead of the constitutional referendum, travelling extensively to engage and educate members of the public on the proposed Constitution, including Chapter Four on the Bill of Rights, and to help citizens understand their constitutional rights, responsibilities, and entitlements. Fatuma demonstrated exceptional commitment during this period and consistently placed the interests of citizens and communities at the centre of her work.

Dedicated to alleviating poverty and suffering of the world's poorest people

We envisage a caring world where communities are empowered, social obligations are fulfilled and people respond as one to the suffering of others

Fatuma's leadership and public service have also extended beyond the borders of Kenya. She served as a member of the East African Legislative Assembly (EALA), where she represented regional interests and contributed to legislative and policy discussions at the East African Community level. This regional experience further demonstrates her ability to engage with issues affecting people across East Africa and to serve communities beyond the national level.

Integrity and Ethical Leadership

Throughout the many years that I have known and worked with Fatuma, she has consistently demonstrated integrity, honesty, accountability, professionalism, and respect for public institutions. She is a person of principle who takes her responsibilities seriously and conducts herself with dignity and fairness.

In my experience, Fatuma has demonstrated the values and standards of ethical leadership and public service envisaged under Chapter Six of the Constitution of Kenya, particularly with regard to integrity, accountability, responsibility, and service to the public. She has earned the respect of colleagues and communities through her conduct, commitment, and consistent focus on the public interest.

Experience and Leadership

Commissioner Fatuma brings to the position a rare combination of extensive public-sector experience, technical knowledge, political and community leadership, and practical understanding of the challenges facing Kenyan citizens. Her experience spans agriculture and rural development, human rights, civic education, public leadership, regional legislative engagement, community development, and governance.

She also served as the first Woman Representative for Wajir County following the introduction of devolved governance in Kenya, providing her with valuable experience in political leadership, representation, policy engagement, and working directly with constituents and communities. Her service in the East African Legislative Assembly further broadened her leadership experience by enabling her to contribute to regional legislative affairs and serve the interests of people beyond Kenya's borders.

Fatuma is also action-oriented, results-focused, and exceptionally capable in programme development and implementation. She has the ability to translate ideas and policy objectives into practical initiatives and has demonstrated strong organisational and leadership skills throughout her career.

Commitment to Public and Community Service

What distinguishes Fatuma most strongly is her deep and longstanding commitment to public service and the welfare of communities, particularly vulnerable and marginalised groups. She has consistently demonstrated a willingness to go beyond the minimum requirements of her responsibilities to support citizens and communities in need.

Her commitment to community wellbeing extends beyond her formal professional responsibilities. She has supported numerous community initiatives, including those targeting women, young people, persons with disabilities, and other vulnerable and disadvantaged members of society. Her philanthropic and community-oriented efforts reflect a genuine concern for the welfare and dignity of others.

Having known Fatuma for more than three decades and having worked alongside her in different professional capacities, I consider her to be a person of strong character, extensive experience, integrity, commitment, and demonstrated leadership. Her understanding of public service, human rights, governance, community development, regional affairs, and the needs of ordinary citizens would enable her to make a meaningful contribution to the work of the Parliamentary Service Commission.

I therefore have no hesitation in recommending Commissioner Fatuma Ibrahim Ali for the position. I am confident that her experience, integrity, institutional knowledge, commitment to public service, regional perspective, and demonstrated ability to deliver results would be valuable to the Commission.

I would be pleased to provide any further information or clarification regarding this reference should it be required.

Yours sincerely,

Hassan Abdi Abdille

Attn: The Chairperson, Standing Committee on Justice, Legal Affairs and Human Rights

Dear Chairperson,

Re: RECOMMENDATION FOR Hon.FATUMA IBRAHIM ALI -AS MEMBER OF THE PARLIAMENTRARY SERVICE COMMISSION, ARTICLE 127(2)(D)

I write in strong support of Hon. Fatuma Ibrahim Ali's nomination to the Parliamentary Service Commission. We served together for the full five-year term of the Fourth East African Legislative Assembly (EALA), where she represented Kenya, and we were both members of the Legal, Rules and Privileges Committee. I am now serving in the Fifth Assembly, and we have kept in touch since. We regularly discuss how the Community is faring and I still seek her advice on legislative work I am involved in. My recommendation is based on that long and continuing working relationship.

Parliamentary experience. Before joining EALA, Hon. Fatuma was a Member of the Parliament of Kenya, so she had served in both a national and a regional legislature. At EALA she worked across a wide range of committees. Besides the Legal Committee, she served on the General-Purpose Committee, which handles the Community Budget and social sector matters, the Committee on Communication, Trade and Investment; and the Committee on Agriculture, Tourism and Natural Resources. Her work on the General-Purpose Committee gave her direct experience in examining budgets and holding the administration to account for how resources are used. She understands how Parliament is run, what Members and Staff need to do their work, and how public funds should be managed. These ae the core responsibilities of the Parliamentary Service Commission.

Legal knowledge and sound judgment. In the Legal Committee she was among the best prepared Members. She knew the law, the EAC Treaty, the rules of procedure and matters of parliamentary privilege well, and she studied the Bills and reports before us carefully. Colleagues from all the Partner Stats valued her analysis and participation on the floor of the house. The Commission deals with governance , administration, staff welfare and the use of public resources, and these call for the careful well-informed judgment which she has and was able to demonstrate it brilliantly throughout our term

Human Rights and women's leadership. Before entering Parliament, Hon. Fatuma was a respected human rights Commissioner with the Kenya Human Rights Commission. Her human rights commitment carried on into her legislative work. At EALA she was an active member of the executive of the EALA Women Caucus, where she championed gender equality and made sure women's voices were part of the discourse that shaped the Assembly's work. The Commission is responsible for a large parliamentary workforce and must uphold values in Chapter Six and Article 10 of the Constitution. Her record on fairness, inclusion and accountability would serve it well.

Articulate and principled. Hon. Fatuma is a clear and persuasive speaker. What stood out most to me was her ability to defend a principled position firmly while remaining respectful of colleagues who disagreed. She did not avoid difficult questions, but she engaged in a way that built agreement rather than division. A Commission that brings together different interest in both House needs exactly this mix of independence and collegiality.

Suitability for the position. Article 127(2)(d) requires a person experienced in public affairs who is not a Member of Parliament. Hon. Fatuma meets this fully. She has served in two parliaments, understands parliamentary budgets and administration, and has a long record in human rights and women's leadership. As a former Member now outside Parliament, she knows the institution from within and can serve it with independence .

I am confident that Hon. Fatuma Ibrahim Ali will serve the Commission, Parliament and the people of Kenya with integrity and dedication, and I recommend her without reservation. I am happy to provide any further information the Committee may require.

Yours faithfully

Hon. Gai Deng
Member, East African Legislative Assembly (5th Assembly)

MEMORANDUM IN SUPPORT OF THE SUITABILITY OF HON. FATUMA IBRAHIM ALI FOR APPOINTMENT AS MEMBER OF THE PARLIAMENTARY SERVICE COMMISSION UNDER ARTICLE 127(2)(d) OF THE CONSTITUTION

TO:
The Clerk of the Senate
Parliament of Kenya
NAIROBI

Dear Sir,

RE: MEMORANDUM IN SUPPORT OF THE SUITABILITY OF HON. FATUMA IBRAHIM ALI

I respectfully submit this memorandum in support of the suitability of Hon. Fatuma Ibrahim Ali for approval of appointment as Member of the Parliamentary Service Commission under Article 127(2)(d) of the Constitution.

My submission is informed by a long-standing professional relationship with Hon. Fatuma and the opportunity to observe her leadership, judgement, policy engagement and approach to matters of public interest over an extended period.

During her tenure as Wajir County Woman Representative from 2012 to 2017, I served as Director, Strategy and Research at the Commission on Administrative Justice (Office of the Ombudsman). In that capacity, I was involved in policy engagements with other constitutional commissions under the Article 59 framework, including the Kenya National Commission on Human Rights and the National Gender and Equality Commission, addressing issues of marginalisation of women and minorities, constitutional protections for marginalised communities and access to information.

Hon. Fatuma participated in these engagements as a representative of the National Assembly. I observed in her clarity of thought, ability to listen, level-headedness and maturity of judgement, as well as a strong appreciation of constitutional governance and the concerns of marginalised and minority communities. She engaged differing perspectives constructively and brought substance and sobriety to complex policy discussions.

Her previous service as a Commissioner of the Kenya National Commission on Human Rights further strengthened her experience in human rights and constitutional governance. Her continued interest in the work of constitutional institutions and the practical implementation of the Bill of Rights has remained evident in our subsequent professional engagements.

Since joining the Kenya Vision 2030 Delivery Secretariat in 2022, where I currently serve as Director in the Economic and Macro Pillar, my professional interaction with Hon. Fatuma has continued around broader questions of national development. Our engagements have included Kenya's development priorities, national flagship projects, MTP IV and, more recently, the BETA agenda, and matters arising from the NADCO process, and the ongoing national conversation on Kenya's development framework beyond Vision 2030.

These engagements have demonstrated to me her genuine interest in understanding national policy and development issues beyond her immediate constituency or region. She brings to these discussions the perspective of someone deeply conscious of the concerns of marginalised communities, while equally appreciating their place within the wider national governance and development agenda.

Across these different engagements, I have consistently found Hon. Fatuma to be thoughtful, sober, well informed and measured. She listens carefully, considers different perspectives and approaches public issues with maturity and without unnecessary rhetoric. Her experience across human rights, constitutional governance, parliamentary affairs, public policy and national development gives her a broad perspective on public institutions and public leadership.

On the basis of my personal professional knowledge and experience, I respectfully submit that Hon. Fatuma Ibrahim Ali possesses the experience in public affairs, institutional understanding, maturity of judgement and breadth of perspective that merit consideration for appointment under Article 127(2)(d) of the Constitution.

I accordingly submit this memorandum for consideration by the Senate and the relevant Committee in the assessment of her suitability for appointment to the Parliamentary Service Commission.

3. STATEMENT / GROUNDS OF REPRESENTATION

*I, **WAMBUI WAMUCII KIMTHI** of ID No: 49505412 and a resident of **NYERI COUNTY** do hereby submit this written representation on oath regarding the suitability of the nominee named above.*

A. In Support of the Nominee:

1. I am well-acquainted with the professional background, character, and track record of the nominee, **HON Fatuma Ibrahim Ali** having known her now for over 23 years.

CamScanner

2. I have followed her career over the years and I can say with absolute conviction that the nominee possesses exemplary experience in public affairs, integrity, and educational qualifications as required by the Constitution and relevant statutes.

3. I have worked with her closely over the years including eight years when both of us served as Commissioners at the Kenya National Commission on Human Rights (KNCHR)- (2003-2012)

   During this time, her strategic and pragmatic approach to addressing the human rights challenges of our country became evident as she handled complaints and redress representations from the public with admirable dextrexity.

   As the Commissioner overseeing this most important Program of the Commission then, both her leadership, management and administrative prowess became evident to the rest of us.

4. Hon Fatuma, became an elected official, as the Woman Representative of Wajir County in 2013. I was in awe of her ability to smoothly navigate the cultural environment that she competed in, her understanding of the diverse needs of her electorate, commitment to making a positive difference and skillfulmobilization – all invaluable skills for the assignment she is being vetted for. Thereafter, her navigation of the labyrinth of power and intrigue that the National Assembly is, was yet another feather to her cap. Since then, I have watched Hon Fatuma wade through extremely competitive political spaces with ease, commitement and has kept the eyes on the prize – constant pursuit of being part of building strong institutions and processes, a more equitable and functional country that suppports the most vulnerable.

5. The Parliamentary Service Commission in my view would be well served by the person of Hon Fatuma's profile and accomplishments. Therefore, I strongly support the confirmation and approval of the nominee for appointment to the Commission.

I humbly pray that the Senate, through its relevant Standing Committee:

1. Takes cognizance my represetations and proceed to approve the nomination of Hon Fatuma Ibrahim Ali in the best interest of public accountability and constitutional integrity.

Dear sir/madam.

I am writing to express my strong support for the nomination of Fatuma Ibrahim to the Parliamentary Service Commission.

As a Kenyan citizen and resident of Wajir County, I have had the opportunity to observe Fatuma's leadership and commitment to public service. Her tenure as an elected Women Representative from 2013 to 2017 demonstrated her commitment to serving the people and addressing the needs and concerns of her constituents.

Throughout her time in public office and as a citizen, Fatuma has demonstrated integrity, professionalism, diligence, and respect for the Constitution and the rule of law. She has consistently shown herself to be accessible, responsive, and willing to listen to the views and concerns of the people she represents. Her ability to engage with constituents from diverse backgrounds and remain accessible to them reflects a genuine commitment to inclusive and accountable leadership.

Fatuma's experience as an elected representative, combined with her understanding of public institutions and the responsibilities of public service, provides her with valuable experience relevant to the work of the Parliamentary Service Commission. I believe that her leadership qualities, integrity, and commitment to serving the public would enable her to make a meaningful contribution to the Commission.

I therefore respectfully submit this statement in support of Fatuma's nomination. 27. **Potential Conflicts of Interest**:
    (a) Identity the family members or other persons, parties, categories of litigation or financial arrangements that are likely to present potential conflicts-of-interest when you first assume the position to which you have been nominated. Explain how you would address any such conflict if it were to rise.

To identify and address any potential conflicts of interest, my approach would be preventive, transparent, and documented, putting the public interest first in line with the Conflict of Interest Act. I would regularly review my interests against the Commission's responsibilities to spot actual, potential, or perceived conflicts early. Whenever an issue arises, I would immediately disclose it to the Chairperson and Secretary, seek formal guidance or an EACC advisory opinion if there is any uncertainty, and ensure the details are logged in the official register.

When a conflict does materialize, I would actively apply the remaining steps of the mitigation framework by distancing myself from specific matters involving related parties, delegating tasks to alternative personnel to ensure objective handling, and disassociating entirely by recusing myself from affected discussions, decisions, and votes. Rather than relying on disclosure alone to clear complex situations, I am prepared to relinquish incompatible interests, ensure withdrawals are recorded in the minutes, and submit all required declarations on time. Throughout this process, my priority would be safeguarding the Commission's institutional independence and maintaining public trust.

(b) *Explain how you will resolve any potential conflict of interest, including the procedure you will follow in determining these areas of concern.*

To determine and resolve potential conflicts, I would regularly review my personal interests against the Commission's responsibilities to spot concerns early and ensure they are formally logged and disclosed. Recognizing that appointment to the Parliamentary Service Commission carries a strict responsibility to exercise independent judgment and place the public interest above personal considerations, I would take all necessary steps to prevent any overlap from affecting the Commission's work including formal recusal where required. I would also make it clear to family members and associates from the outset that my appointment does not confer preferential access to contracts, or other opportunities.

28. **Pro-Bono/Charity Work/Donations to charity**: (*Describe what you have done by way of pro bono or charity work, listing specific instances, the amount contributed and the amount of time devoted to each*).

- **N.E.P Girls Alumni Projects.**

- **Contribution to Ramadan packages.**
- **Mentorship and Coaching.**
- **Community Engagement.**

29. **Have you ever been charged in a court or law in the last three years?** If so, specify the nature of the charge, where the matter is ongoing, the present status of the matter, or where the matter is concluded, the judgment of the court, or otherwise, how the case was concluded.

NO

30. Have you ever been adversely mentioned in an investigatory report of Parliament or any other Commission of inquiry in the last three years?

NO

31. Have you any objection to the making of enquiries with your present employer/referees in the course of consideration of your nomination?

NO
