BY

SEN. PETER MOSITET
KAJIADO COUNTY

We, the undersigned,

June, 2015

Citizens of Kenya and Members of Keekonyoikie Community Trust wish to-

DRAW the attention of the Senate to the following:

1. **THAT**, Olmorogi parcel of land P. No. 21400 Ngong/Ngong was gazetted on 5th March, 1957 in Gazette Notice no.3818 under Section 12 of the Application Notice;
2. **THAT**, the parcel of land was set aside by the Veterinary Department for the establishment of a Livestock Veterinary Farm and Training Centre to improve livestock farming among the inhabitants of the area;
3. **THAT**, the land is approximately 1510 acres;
4. **THAT**, over the years, the land has changed purpose from the original and intended purpose;
5. **THAT**, fifty years down the line the land has not been productive and thus the natives have not benefited from it or from the project for which the said parcel of land was intended;
6. **THAT**, the planned and approved use of the said parcel has been changed severally unprocedurally;

THAT

We do hereby confirm that:

- a) Efforts have been made to address the matter with the Ministry of Agriculture, Livestock and Fisheries to no avail.
- b) The issues in respect of which the petition is made are not pending before any court of law, or any other constitutional or legal body.

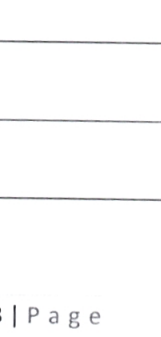

WHEREFORE, your humble petitioners Pray that the Senate intervenes with a view to:-

1. Establishing the status of the said land and having all uncommitted land reverted back to the Keekonyokie Community;
2. Ensuring that any land that was irregularly curved from the initial parcel of land is reverted back to the community;
3. Ensuring that all development on the land from other parties other than the veterinary department stopped;

4. Ensuring that no further allocation and adjudication of the land by the Ministries of Agriculture, Livestock and Fisheries; and Land, Housing and Urban Development is permitted.

Dated this...2.....day of.....June.....2015.
