CHAIRPERSON'S STATEMENT

We are pleased to showcase our successes for 2016/2017 in this annual report.

The institute increased its focus on capacity development in education management by improving access to training programs while improving quality. These programs we know drive education quality and have the greatest impact on education service delivery.

KEMI's proven strategy – well executed by a strong management team and 91 employees – contributed to the success of the institute's capacity development program.

Effective corporate governance was and continues to be an important foundation for KEMI's strong performance and is fundamental to our success. Corporate governance provides proper oversight and accountability, strengthens internal and external relationships, and builds trust with our clientele.

I would like to thank the KEMI council and management team for the achievements made in 2016/2017. I am truly privileged to work with this team, which brings commitment and enthusiasm to work – and carries it forward to enrich our clientele.

Thank you, our education managers, for your confidence in us, which helps fuel the momentum towards an ever brighter future for KEMI.

Looking forward, we recognize not only the accomplishments of this institution, but also recognize the immense opportunities that lie ahead. As a Council we reemphasize our commitment towards transforming the education sector through innovative capacity development programs.

As we now direct our attention to 2017/2018, we look forward to the future because we are confident that KEMI will remain focused on delivering strong results.

Prof. Eunice Mutitu
Chairperson
KEMI COUNCIL

DIRECTOR STATEMENT

Much of our work in Kenya Education Management Institute (KEMI) focuses on developing the capacity of education managers to meet the 21st century challenges. As we present our 2015/2016 annual report, it is worth pausing to consider a question fundamental to KEMI'S mission: Why capacity development? At KEMI our capacity development program is about understanding the issues that inhibit education managers from realizing educational goals while enhancing their knowledge and skills that will enable them to achieve measurable and sustainable results.

We have always focused on capacity development which takes place both at individual and constitutional level. At individual level we develop and enhance the managerial knowledge and skills of education managers; while at the institutional level, we concentrate on facilitating educational managers towards developing managerial tools such as policies, strategic plans aimed at modernizing their educational institutions.

It is worth noting that in the previous years, 84% of School heads and Deputies have been taken through the Diploma in Education Management. In regard Fy 2016/2017, the Institute has made great achievements in inducting the newly appointed heads of schools and deputies. Groups that were taken through the Diploma in Education Management include among others; Quality Assurance and Standards Officers, Adult Education Officers and Technical and Vocational Managers. These three groups are due for graduation in December 2017.

We are confident that operational and financial performance will improve further during 2017/2018 enabling us to achieve our set targets for the year.

In conclusion, I am grateful to our staff and participants of our programs for their dedicated efforts and for the way they have embraced our new culture of innovation and excellence. Special gratitude goes to the Ministry of Education (MOE), Teachers Service Commission and Development partners for their continued support.

Mrs. Grace W. Ngaca

BY ORDER OF THE COUNCIL

DIRECTOR

COUNCIL CHAIR

STATEMENT OF COUNCIL'S RESPONSIBILITIES

FOR THE YEAR ENDED 30 JUNE, 2017

The State Corporation's Act requires the Council to prepare financial statements for each year, which give a true and fair view of the state of affairs of the Institute as at the end of the financial year and of its operating results for that year. It also requires the council to ensure the Institute keeps proper accounting records which disclose with reasonable accuracy at any time the financial position of the Institute. They are also responsible for safeguarding the assets of the Institute.

The Council accepts responsibility for the annual financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgments and estimates, in conformity with International Financial Reporting Standards and in the manner required by the State Corporation's Act. The council is of the opinion that the financial statements give a true and fair view of the state of the financial affairs of the institute and of its operating results.

The council further accepts responsibility for the maintenance of accounting records which may be relied upon in the preparation of financial statements, as well as adequate systems of internal financial control.

Nothing has come to the attention of the Council to indicate that the Institute will not remain a going concern for at least the next twelve months from the date of this statement.

OFFICE OF THE AUDITOR-GENERAL

REPORT OF THE AUDITOR-GENERAL ON KENYA EDUCATION MANAGEMENT INSTITUTE FOR THE YEAR ENDED 30TH JUNE 2017

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Kenya Education Management Institute set out on pages 1 to 13, which comprise the statement of financial position as at 30 June 2017, and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparative budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Kenya Education Management Institute as at 30 June 2017, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Standards (Accrual Basis), and comply with the Education Act, Cap 211 of the Laws of Kenya.

In addition, as required by Article 229(6) of the Constitution, except for the matters described in the Basis for Qualified Opinion and Other Matter sections of my report, based on the procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public money has not been applied lawfully and in an effective way.

Basis for Qualified Opinion

1. Property, Plant and Equipment

1.1 Land

As reported in the previous years, the property, plant and equipment balance of Kshs.2,362,858,154 as at 30 June 2017 includes the Institute's parcel of land L.R No.16124 measuring 15.45 hectares at Kayole in Nairobi valued at kshs.2,050,000,000 which according to information availed has been partially encroached by squatters.

Report of the Auditor-General on Financial Statements of Kenya Education Management Institute for the year Ended 30 June 2017

Although the management had contracted a law firm on 18 October 2010 to seek court orders for the eviction of the squatters, the matter had not been resolved as at the date of this report.

Consequently, the value of property, plant and equipment of Kshs.2,362,858,154 is impaired to the extent of the land encroached on by squatters and as result, it has not been possible to ascertain that the property, plant and equipment balance of Kshs.2,362,858,154 is fairly stated as at 30 June 2017.

1.2 Electronics Data Processing (EDP) Equipment

Further and as previously reported, the property, plant and equipment balance of Kshs.2,362,858,154 as at 30 June 2017 includes EDP equipment valued at Kshs.1,384,237 which could not be physically verified. The management has explained that the equipment's were issued to employees of the Ministry of Education who had been seconded to the Institute and the Institute has since written to the Ministry to surcharge the said employees. Re-examination of the matter during the year under review indicated that, although an amount of Kshs.2,419,237 was recovered from the employees ,the Ministry had only remitted Kshs.1,399,800 to the Institute as at the date of this report.

In the circumstances, it is not clear when if at all the outstanding balance of Kshs.1,019,437 will be recovered by the Ministry and remitted to the Institute.

2. Ineligible Administrative Expenses

As similarly reported in 2012/2013, the administrative expenses figure of Kshs.154,318.03 included an amount of Kshs.5,273,360 paid to a consultant in respect of services for mid-term review of Kenya Education Sector Support Programme (KESSP). However, supporting documents attached to the payment indicated that the services were tendered and procured by the Ministry of Education. Further, an audit on Kenya Education Sector Support Programme as at 30 June 2013, revealed that it had no operations during that year. It was therefore not clear how a mid-term review was done on a project that was dormant during that year or why the expenditure of Kshs.5,273,360 was not charged to the Ministry of Education. A review of the matter during the current year indicated that the matter had not yet been resolved as at 30 June, 2017.

In the circumstances the propriety of expenditure totalling Kshs.5,273,360 incurred in year 2012/2013 could not be ascertained to date.

3. Receivables from Exchange Transactions

As disclose in note 10 (i) to the financial statements, the receivables from exchange transactions balance of Kshs.47,606,974 as at 30 June 2017, includes debts totalling Kshs.12,160,788 which have been outstanding for over three (3) years and whose

recoverability is doubtful. The provision for bad and doubtful debts of Kshs.1,472,350 made in these financial statements appears to be inadequate.

In the circumstances, it has not been possible to confirm the full recoverability of receivables from exchange transactions balance of Kshs.47,606,974 as at 30 June, 2017.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of Kenya Education Management Institute in accordance with ISSAI 30 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. Except for the matters described in the Basis for Qualified Opinion and Other Matter section of my report, there were no Key Audit Matters to report in the year under review.

Other Matter

Council of the Institute

Part III of Paragraph 7(1) of the Legal notice No.19 of 1 February 2010 states that there shall be a Council to be known as the Council of the Institute of Kenya Education Management Institute which shall have the responsibility of managing the Institute. Further, Paragraph 12(1) states that the Council shall meet not less than four times each financial year at any time. It was however, noted that the term for the Council expired on 31st July 2016 and only one meeting was held during the year under review. Thereafter, the Institute operated without a Council, to deliberate on the affairs of the Institute contrary to legal notice No.19 of 2010.

Although, the management has explained that a new Council of the Institute was appointed in December 2017, the Institute may not have achieved its mandate during the year under review in the absence of the Council. These matters were addressed in the context of the audit of the financial statements as a whole, and in forming my opinion thereon, and I do not provide a separate opinion on these matters.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Institute's ability in continuing to sustain services, disclosing, as applicable, matters related to sustainability of services and using the going concern basis of accounting unless the management either intends to liquidate the Institute or to cease operations, or have no realistic alternative but to do so.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015. Those charged with governance are responsible for overseeing the institute's financial reporting process.

Auditor-General's Responsibilities for the Audit of the Financial Statements

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution of Kenya. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

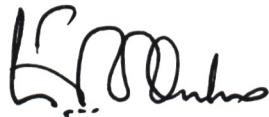

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances and for the purpose of giving an assurance on the effectiveness of the Institute's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Institute's ability to continue as a going concern or to sustain services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such

disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Institute to cease to continue as a going concern or to continue to sustain services.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Institute to an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

XIV. NOTES TO THE FINANCIAL STATEMENTS**FOR THE YEAR ENDED 30 JUNE, 2017****1.1 Statement of compliance and basis of preparation – IPSAS 1**

The financial statements are prepared in compliance with International Public sector accounting standards (IPSAS). The financial statements are presented in functional currency, Kenya Shillings (Kshs), which is the functional and reporting currency of the Institute.

The accounting policies have been consistently applied in all years presented.

The financial statements have been prepared on the basis of historical cost unless stated otherwise.

The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

1.2 Summary of Significant Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below:-

1.2.1 Depreciation

All property, plant and equipment are initially recorded at cost. Depreciation is calculated to write off the cost of asset in equal annual instalments over their estimated useful lives. Annual rates generally in use applied on a reducing balance basis are:

Furniture & Fittings & equipment	12.5%
Motor Vehicles	25.0%
EDP Equipment	33.0%
Plant & Machinery	10.0%
Building	2.5%

1.2.2 Payables

Payables are stated at nominal value.

1.2.3 Receivables

Receivables are stated at the expected realisable value. Provision for Bad and Doubtful Debts has been provided at the rate of 3% of the Annual Receivables.

1.2.4 Cash and cash equivalents

For the purposes of cash flow statement, cash and cash equivalents comprise cash in hand and bank balance.

16 CONTINGENT LIABILITY

Litigation is in process against KEMI relating to unfair dismissal of staff. The Institute continues to accrue Legal fees as the outcome of the case has not been determined.

17 MEMBER OF STAFF

- i. Permanent - 64
- ii. Contract - 25
- iii. Casuals - 2

18 FINANCIAL RISK MANAGEMENT

i. **Market Risk** - KEMI does not own Financial Instruments in Foreign Currency hence it is not exposed to Market Risk

ii. **Price Risk** - KEMI Does not hold any Fiancial Instruments subject to Price Risk

iii. **Credit Risk** - This arises from outstanding receivables. It is the risk that counterparty will default on the contractual obligation, resulting in financial loss. KEMI's credit risk is managed by the Head of Income Generating Projects by ensuring that relevant documentation is obtained before any engagement, to allow follow up on such payments.

iv. **Operational Risk** - This is Risk that can arise from ordinary business activities, in KEMI's case from Trainings. The number of participants in the main Training Programme (ODFL) has been decreasing, with fewer participants enrolling for the same. This Risk is being managed by the Deputy Director Training through introduction of new programmes hence diversification.

PROGRESS ON FOLLOW UP OF AUDITOR RECOMMENDATIONS

The following is the summary of issues raised by the external auditor in their letter and management comments that were provided to the auditor.
