### **REPORT OF THE CONTROLLER AND AUDITOR GENERAL ON THE ABSTRACTS OF ACCOUNTS OF THE MUNICIPAL COUNCIL OF NAKURU FOR THE YEAR ENDED 30 JUNE 2005**

---

The attached Abstracts of Accounts for the Municipal Council of Nakuru for the year ended 30 June 2005 have been audited under my direction in accordance with the provisions of Section 23 of the Public Audit Act, 2003.

#### **1.0 Respective Responsibilities of the Council and the Controller and Auditor General**

The Council is responsible for the preparation of Abstracts of Accounts which give a true and fair view of the Council's state of affairs and its operating results. My responsibility is to express an independent opinion on the financial statements based on the audit.

#### **2.0 Basis of Opinion**

The audit was conducted in accordance with the International Standards on Auditing. Those Standards require that the audit be planned and performed with a view to obtaining reasonable assurance that the financial statements are free from material misstatement. An audit includes an examination, on a test basis, of evidence supporting the amounts and disclosures in the financial statements. It also includes an assessment of the accounting policies used and significant estimates made by the Council as well as evaluation of the overall financial statements' presentation. I believe the audit provides a reasonable basis for my opinion.

#### **3.0 Qualification Points**

##### **3.1 Non Submission, Opening Balances, Format and Accuracy of the Accounts**

- (i) The Council has not submitted auditable Accounts for fifteen (15) years from 1988/1989 to 2001/2002 and 2003/2004 as required by Section 229 (1) of the Local Government Act, Cap 265. The Council therefore continues to be in breach of the law. In the

absence of auditable Accounts for the fifteen (15) years from 1988/1989 to 2001/2002 and 2003/2004, the origin and accuracy of the opening balances for the 2004/2005 as at July 2004 could not be confirmed.

- (ii) The 2004/2005 Abstracts of Accounts were prepared using the Simplified Accounting Systems (SAS) format which had not been approved and gazetted by the Minister for Local Government as required by Section 229 (2) of the Act. The Council was therefore in breach of the law.
- (iii) The 2004/2005 Accounts did not balance by an unexplained amount of Kshs.281,856,376.00 included in the Balance Sheet Creditors' figure of Kshs.529,098,296.40. Further, the Accounts did not include a Cash Flow Statement, GRF and LATF Balance Sheets and approved estimates. The Balance Sheet figures are not cross-referenced to the Notes to the Accounts. In addition, although numerous errors were noted and adjustments recommended, amended Accounts have not been submitted to date. The Consolidated Revenue Account for the year ended 30 June, 2005 at page 3 of the Accounts reflects a surplus of Kshs.10,676,223.00 while individual departmental revenue accounts' surplus totalled Kshs.8,272,770.00. The difference of Kshs.2,403,453.00 was not explained.

In view of the above issues, the accuracy of the 2004/2005 Accounts could not be confirmed.

### **3.2 Fixed Assets**

The Fixed Assets balances increased from Kshs.2,254,339,517.00 as at 30 June 2003 to Kshs.2,282,747,512.00 as at 30 June 2005. However, the Council did not maintain a Fixed Assets Register (FAR), capital ledger and assets' movement schedules. Ownership documents for land and some motor vehicles were not made available for audit review. The Fixed Assets balance did not also include the value of plant and motor vehicles of Kshs.5,915,374.00 purchased through LATF and Local Authority Road Maintenance.

The Balance Sheet Fixed Assets balance erroneously included an amount of Kshs.88,388,842.00 in respect of Other Long Term Capital Outlays being expenditure incurred on the rehabilitation of public roads which are under the jurisdiction of Central Government. Furthermore, although the assets of the Council's Water Fund Department were taken over by Nakuru Water and Sewerage Company (NAWASCO) which was created in 2004 as a wholly owned company of the Council, no Lease Agreement between the Council and the Water Company was produced for audit

review. Further, no disclosure was made in the Accounts on such take over. Additionally, revenue accruing to the Council from the Company could not be ascertained.

In view of the foregoing, it was not possible to confirm the existence, security, location, ownership and accuracy of the Fixed Assets figure of Kshs.2,282,747,512.00 reflected in the Balance Sheet as at 30 June 2005.

### **3.3 Debtors**

The Debtors balances increased from Kshs.196,550,301.00 as at 30 June 2003 to Kshs.546,863,726.00 as at 30 June 2005. However, the working schedules provided for audit had a balance of Kshs.564,661,216.00 resulting in an unexplained amount of Kshs.17,797,490.00. Further, the Council did not maintain proper records including debtors' ledger, registers for property rates and rents, contribution in lieu of rates (CILOR), single business permits, third urban products, road charges, amount owed by the Government of Kenya and other statutory institutions. The staff advances register was also poorly maintained and most of the staff who had taken advance salaries were omitted from the supporting schedules.

No imprests register was made available for audit review. However, an audit inspection carried out in June 2005 indicated that imprests of Kshs.4,984,457.00 were owed by staff and councillors as at that date. The Council did not produce evidence of how these imprests were cleared from the records but they were excluded from the Debtors' schedules as at 30 June, 2005. Furthermore, no provision for bad and doubtful debts was made in the Accounts.

In view of the above issues, the accuracy and recoverability of the Debtors, advances and imprests amounts as at 30 June 2005 could not be confirmed.

### **3.4 Deferred Charges and Income**

Included in the Balance Sheet Current Assets are balances referred to as Deferred Charges and Deferred Income of Kshs.409,680.00 and Kshs.251,695,879.00 respectively totalling Kshs.252,105,559.00. However, these amounts remained the same as in 2002/2003 financial year. Further, there were no notes, analyses or explanations to show what they represented. In the circumstances, the accuracy and existence of the Deferred Charges and Income as at 30 June 2005 could not be confirmed.

### **3.5 Cash, Bank and Overdraft Balances**

The net Cash, Bank and Overdraft balances increased from Kshs.25,969,194.00 as at 30 June 2003 to Kshs.67,664,115.00 as at 30 June 2005. However, no board of survey report confirming the cash in hand amount of Kshs.1,894,947.00, unanalysed I Owe Yous (IOUs) of Kshs.62,406.00, the main cash book, monthly bank reconciliation statements and bank balances confirmation certificates were made available for audit review. Authority to operate bank overdrafts whose balance was Kshs.8,122,875.00 (2003 – Kshs.2,783,794.00) as at 30 June 2005 was also not made available for audit review. Under the circumstances, it was not possible to ascertain the accuracy and legality of the Cash, Bank and Overdraft balances as at 30 June 2005.

### **3.6 Stock**

The Stock balance remained the same as in 2002/2003 at Kshs.1,298,588.00 as at 30 June 2005. However, review of the ledger cards revealed existence of stocks worth Ksh.3,000,301.00 in respect of general stores and accountable documents which were not disclosed in the Accounts. Further, notes to the accounts in respect of policy on stock was not provided. In addition, no physical stock taking certificates were made available to support the stock balance. In the circumstances, the accuracy of the stock figure of Kshs.1,298,588.00 as at 30 June, 2005 could not be confirmed.

### **3.7 Creditors**

The Balance Sheet Creditors balance stood at Kshs.529,098,296.40 as at 30 June 2005. However, schedules provided revealed a figure of Kshs.515,895,866.00, resulting in an unexplained difference of Kshs.13,202,430.40. Furthermore, creditors paid through LATF Debt Resolution during the year totalling Kshs.3,362,064.00 were not included in the Accounts. Further, the Council failed to remit statutory deductions to various organisations and as a result, it was penalized a nugatory expenditure of Kshs.3,615,000.00 which was also not disclosed in the Accounts. In the circumstances, the accuracy of Creditors balance of Kshs.529,098,296.40 as at 30 June 2005 could not be confirmed.

### 3.8 Long Term Loan

The Long Term Loan balance stood at Kshs.104,281,268.00 as at 30 June 2005. However, details of this loan which was a brought forward figure were not provided. Further, the Council did not maintain loans register or supporting schedules showing its breakdown. In addition, information gathered from the Council records on debt position indicated that the Council had a loan balance with the National Housing Corporation (NHC) of Kshs.115,827,845.00 as at March 2005. It was not clear whether the Balance Sheet Long Term Loan balance related to the loan with the National Housing Corporation (NHC). Available information indicated that the Council was also servicing two (2) other loans of Kshs.ten (10) million and fifteen (15) million respectively from two commercial banks. The balance of these two (2) loans was Kshs.15,915,069.00 as at 30 June 2005. However, the amount was not disclosed in the Accounts as at 30 June, 2005.

In view of the above issues, the accuracy of the Long Term Loan balance could not be confirmed.

### 3.9 Renewal Funds

Section 219 (1) of the Local Government Act, Cap 265 requires the Council to create adequate Renewals Funds to provide for the entire or partial replacement of some or all of its assets, which, owing to depreciation or other cause, will require at some future date to be replaced. During the year, however, the Council did not make any provision for depreciation in the Accounts. Further, it did not set aside any renewals funds as required. The Council was therefore in breach of the law. It was not also clear how the Council intends to finance the replacement of its fixed assets, in future, in the absence of renewals funds.

### 3.10 Revenue and Expenditure Accounts

During the year under review, the Council did not maintain daily and monthly abstracts of receipts and payments, cash books and expenditure ledgers as required. Further, expenditure amounting of Kshs.30,406,284.00, captured under Environment Department did not have supporting documents. In addition, cancelled cheques for amounts totalling Kshs.1,852,949.00 had been included as payments and posted to

the Abstracts of Accounts. In addition, expenditure items on Local Authority Road Maintenance (LARM) Account showed a difference of Kshs.1,309,527.00 between the supporting documents total of Kshs.11,121,034.00 and the amount of Kshs.12,430,562.00 posted in the Abstracts of Accounts. In view of the above issues, the accuracy of the Revenue and Expenditure Accounts for the year ended 30 June, 2005 could not be confirmed.

### **3.11 Budget and Budgetary Control**

During the year under review, the Council exceeded its expenditure budget by Kshs.50,299,534.75 or 28.26% of the approved estimates of Kshs.177,880,152.00 without Ministerial approval. The Council was therefore in breach of the law.

### **3.12 Non Response to Draft Report**

The Draft Report which the Controller and Auditor General intended to issue on the 2004/2005 abstracts of accounts was submitted to the Council for comments on 30 May 2007. However, no comments have been received to the letter to date.

## **4.0 Opinion**

Because of the significance of the matters discussed in the preceding paragraphs 3.1 to 3.12, I am unable to express an opinion on the abstracts of accounts as required by Section 24(2) of the Public Audit Act, 2003 that: all the information and explanations required for the purpose of the audit were received; the Accounts have been properly maintained; the abstracts of accounts present a true and fair view of the financial position of the Council as at 30 June, 2005; and the Accounts comply with the Local Government Act, Cap 265.

**MUNICIPAL TREASURER'S REPORT**  
**FOR YEAR ENDED 30TH JUNE 2005.**

**INTRODUCTION.**

I have the pleasure of presenting the abstract accounts for Municipal Council of Nakuru for the year ended 30<sup>th</sup> June and are prepared on Simplified Accounting Systems (SAS) for Local Authorities being developed by the Ministry of Local Authorities under the Kenya local Government Reform Programme.

**BALANCE SHEET**

The balance sheet for the authority is set out on page 2. Unlike other financial statements where receipts and expenditure are based on convention method the balance sheet is based on a converted receipts and expenditure basis by the introduction of debtors and Creditors outstanding.

The balance sheet highlights delaying debtors and delayed creditors. Delaying debtors shows debts, settlement of which is uncertain due to the culture of non-settlement or much delayed settlement. This figure is reversed out of the balance sheet according to the concept of prudence.

**ACKNOWLEDGEMENT**

In order to meet the requirements of the Ministry of Local Government, we need to engage services of an external consultant. In this regard, I would like to register my sincere gratitude to:
