**I. Key Entity Information and Management**

**(a) Background information**

Construction and equipping of Technical Training Institutions in the country is a government initiative aimed to increase access and equity in Technical and Vocational training. The Government of Kenya (GoK) started the initiative in February 2019. The projects are fully funded by GoK in partnership with NGCDF providing seed capital of Kshs 10 million, land, water, and electricity. The Construction is undertaken in phase: the phase of 60; the phase of 70 and the phase of 30.

Lafey Technical and Vocational College was established for institutions under phases of 30, 60, and 70 on February 2019 under the mentorship of Mandera technical Training Institute and the project is now 100% complete. The institute is located Lafey in Lafey Sub County.

**(b) Principal Activities**

The principal activity of Mandera Technical Training Institute is to make sure the Lafey TVC is complete and operational anytime.

**Key Management**

Mandera Technical Training Institute day-to-day management is under Mentor Institution of Lafey TVC has the following key organs:

- The Board of Governors
- The Principal
- The fiduciary Management which comprises: The Principal, The Deputy Principal and the Finance Officer.

**(c) Fiduciary Management**

The key management personnel who held office during the financial year ended 30th June 2022 and who had direct fiduciary responsibility were:

No.	Designation	Name
1.	Principal	<b>Mr. Jabir Ahmed Abdirahman</b>
2	Deputy principal	<b>Mr. Bosire Vincent Maroro</b>
3	Head of Finance	<b>Mr. Abdiaziz Hussein Hassan</b>

#### **IV. Chairman's Statement**

It is our responsibility to provide the required leadership in designing suitable plans and strategies that will contribute to high and sustainable socio-economic development. It is our undertaking to ensure that Lafey TVC project work is done according to BQ and will be complete within the time line of the extension and will deliver the desired goals.

It is also our undertaking that we will perform our responsibilities diligently and to the best of our abilities to support the achievement of the agreed performance targets.

Our challenge therefore is to identify the needs of our communities and infuse training in technologies and concepts that are practical in line with industry demands.

The college is contractors take long time to complete the work.

The successful implementation of the plan requires devoted collaboration all key stakeholders including the various level Government. The plan is therefore, contain the strategies for the increased collaboration between the stakeholders in the sector in terms of the resource mobilization, funding and governance.

The Lafey TVC Plan essentially presents its Corporate Strategy. It provides a sufficient framework within which Annual Work Plans will be developed. In this regard, it has been aligned to the Ministerial Strategic Plan, Medium Term Plans within Kenya Vision 2030 paradigm etc. the purpose of this Plan is therefore: -

- (i) To present key milestones in the Institution's TVET programs
- (ii) To present the institute's ideology on the TVET's Strategic options identified and modalities for the national respective agenda as a foundation for Vision 2030.
- (iii) To avail a tool for engagement and negotiation between the Governments, key Stakeholders and Collaborators regarding the financing of TVET.
- (iv) To provide a basis for resource targeting.
- (v) To provide a basis for programme implementation and performance evaluation.

  
**MR. ABDI ADAN ABDILLE**  
**for CHAIRMAN, BOARD OF GOVERNORS**

#### **V. Report of the Principal**

In the global arena, Science, Technology and Innovation (ST&I) is the driver for rapid world's economic prosperity, social development and provision of tools and solutions to address global challenges. For this reason, the government through the Ministry of Education has strengthened the focus of Science, Technology and Innovation and Technical Education Policies as underlying the country's National Development efforts.

The Government's National Development Agenda is clearly outlined in various key policy documents including the Economic Recovery Strategy for Wealth and Employment Creation (ERSWEC) 2003-2007 and the National Development Plan 2002-2008. The government also recognizes that its Development Agenda can be accelerated if there is renewed focus on the integration of ST&I in all the Social-Economic sectors as outlined in the Kenya Vision 2030. The government has therefore embraced Science, Technology and Innovation and Technical Education (TE) as one of its top priorities.

The State Department of Vocational and Technical Training in the Ministry of Education has been mandated to spearhead the integration of S.T & I. and T.E and Higher Education in National Development. It has prepared its Strategic Plan as a comprehensive statement on how it plans to pursue its mandate for the next five years. In line with the government and the Ministry's Development Agenda, MTTI as one of the TVET institutions charged with the mandate of training middle level technical manpower, presents this Strategic Plan as its Road Map to guide its Development Agenda for the next five years.

The Strategic Plan reviews the Vision and Mission that will encompass all those involved in its execution. It also reviews the analysis of the Internal and External environment using Strengths, Weaknesses, Opportunities and Threats (SWOT) and Political, Economic, Social, Technological, Environmental and Legal (PESTEL) analysis. Subsequently, it identifies key stakeholders and their roles, outlines the Strategic issues and objectives and identifies the strategies to address them. The reviewed Plan prioritizes activities to be implemented under the strategies, and provides an Implementation Plan, a Monitoring and Evaluation system and a projection of the

Resource requirements.

  
**MR. JABIR AHMED ABDIRAHMAN**  
**PRINCIPAL**

**VI. Report of the Board of Governors**

The Board members submit their report together with the financial statements for the year ended June 30, 2022 which show the state of the *Lafey TVC* affairs.

**Principal activities**

The principal activities of the entity are to provide quality technical Education

**Results**

The results of the entity for the year ended June 30 are set out on page 57 There was no report to that effect.

**Board of Governors**

The members of the Board who served during the year are shown on page vi. During the year no director retired/ resigned and no was appointed.

**Auditors**

The Auditor General is responsible for the statutory audit of the *Lafey Technical and vocational college* in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015.

By Order of the Board

.....  
**Secretary of the Board**  
**Nairobi**  
**Date:**

**VII. Statement of Board of Governors Responsibilities**

Section 81 of the Public Finance Management Act, 2012 and *Act, 2013* require the Board members to prepare financial statements in respect of that *Lafey Technical and Vocational College*, which give a true and fair view of the state of affairs of the *Lafey Technical and Vocational College* at the end of the financial year/period and the operating results of the *Lafey Technical and Vocational College* for that year/period. The Council members are also required to ensure that the Mandera TTI keeps proper accounting records which disclose with reasonable accuracy the financial position of the *Lafey Technical and Vocational College*. The council members are also responsible for safeguarding the assets of the *Lafey Technical and Vocational College*

The Board members are responsible for the preparation and presentation of the *Lafey Technical and Vocational College* financial statements, which give a true and fair view of the state of affairs of the *Lafey Technical and Vocational College* for and as at the end of the financial year (period) ended on June 30, 2022. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period, (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity, (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud, (iv) safeguarding the assets of the *Lafey Technical and Vocational College* (v) selecting and applying appropriate accounting policies, and (vi) making accounting estimates that are reasonable in the circumstances.

The Council members accept responsibility for the *Lafey Technical and Vocational College* financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012. The council members are of the opinion that the *Lafey Technical and Vocational College* financial statements give a true and fair view of the state of *College* transactions during the financial year ended June 30, 2022, and of the *Lafey Technical and Vocational College* financial position as at that date. The Council members further confirm the completeness of the accounting records maintained for the *entity*, which have been relied upon in the preparation of the *Lafey Technical and Vocational College* financial statements as well as the adequacy of the systems of internal financial control.

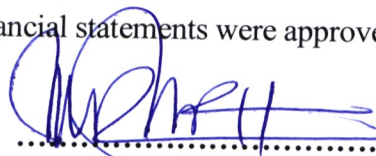

Nothing has come to the attention of the Council members to indicate that the *Lafey Technical and Vocational College* will not remain a going concern for at least the next twelve months from the date of this statement.

**Approval of the financial statements**

The *Lafey Technical and Vocational College* financial statements were approved by the Board 27<sup>th</sup> February 2023 and signed on its behalf by:

.....

**Name: ABDI ADAN ABDILLE**  
*for* **Chairperson of the Board**

.....

## **REPORT OF THE AUDITOR-GENERAL ON LAFEY TECHNICAL AND VOCATIONAL COLLEGE FOR THE YEAR ENDED 30 JUNE, 2022**

---

### **PREAMBLE**

I draw your attention to the contents of my report, which is in three parts: -

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Adverse Opinion**

I have audited the accompanying financial statements of Lafey Technical and Vocational College set out on pages 1 to 21, which comprise of the statement of financial position as at 30 June, 2022, and the statement of financial performance, statement of changes in net assets, statement of cash flows and the statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the

Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, because of significance of the matters discussed in the Basis for Adverse Opinion section of my report, the financial statements do not present fairly, the financial position of the Lafey Technical Training Institute as at 30 June, 2022, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards(Accrual Basis) and do not comply with the Public Finance Management Act, 2012 and the Technical and Vocational Education and Training Act, 2013.

## **Basis for Adverse Opinion**

### **1. Non-Submission of Financial Statements**

Review of the College's strategic plan and other organizational establishment records revealed that College was established and started full operations in the financial year 2019/2020. However, Management did not submit financial statements for the financial years 2019/2020 and 2020/2021 to the Auditor-General for audit. This was contrary to Section 47(1) of the Public Audit Act, 2015 which provides that the financial statements required under the Constitution, the Public Finance Management Act, 2012 and any other legislation, shall be submitted to the Auditor-General within three months after the end of the fiscal year to which the accounts relate.

In the circumstances, the accuracy, completeness and validity of opening balances disclosed in the financial statements and notes to the financial statements for the year ended 30 June, 2022 could not be confirmed.

### **2. Non-Compliance with Public Sector Accounting Standards Board Reporting Template**

Review of the financial statements revealed that the Management did not comply with the Public Sector Accounting Standards Board Reporting Template (Revised 2022) for Technical and Vocational Education and Training (TIVETs) prescribed by the Accounting Standards Board. The financial statements includes several errors of deviations from the required reporting template which may make it difficult for users to understand the financial statements.

In the circumstances, the financial statements have not been presented in the format recommended by the Public Sector Accounting Standards Board.

### **3. Undisclosed Trade and Other Payables from Exchange Transactions**

The statement of financial performance reflects use of goods and services expenditure of Kshs.19,507,989. As disclosed in Note 7 to the financial statements, the expenditure includes an amount of Kshs.19,505,272 in respect of construction of Lafey Technical and Vocational College at a contract sum of Kshs.53,601,927. The completion status stood 100% as at 30 June, 2022 as disclosed in appendix 11 to the financial statements. Review of the payment vouchers and other supporting documents revealed that cumulative payment of Kshs.44,397,968 had been made to the contractor as at 30 June, 2022 leaving

outstanding balance of Kshs.9,203,959. However, the outstanding amount has not disclosed in the financial statements.

In the circumstances, accuracy and completeness of the financial statements could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Lafey Technical and Vocational College Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my adverse opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report on in the year under review.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, because of the significance of the matters discussed in the Basis for Adverse Opinion and the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources sections of my report, I confirm that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

#### **1. Late Submission of the Financial Statements**

The College's financial statements for the financial year 2021/2022 were submitted to the Auditor General on 8 March, 2023, five (5) months after the official deadline of submission of 30 September, 2022. This was contrary to Section 47 (1) of the of the Public Audit Act, 2015 which states that the financial statements required under the Constitution, the Public Finance Management Act, 2012 and any other legislation, shall be submitted to the Auditor-General within three months after the end of the fiscal year to which the accounts relate.

In the circumstances, the College was in breach of the law.

#### **2. Failure to Prepare Estimates of Income and Expenditure**

The College did not prepare estimates of income and expenditure and submit the same to the National Treasury in the manner and format issued by the Cabinet Secretary for Finance. This was contrary to provisions of Section 68(2)(h) of the Public Finance Management Act, 2012 which states that, in the performance of a function under Subsection(1), an accounting officer shall prepare estimates of expenditure and revenues of the entity in conformity with the strategic plan.

In the circumstances, Management was in breach of the law.

### **3. Construction of Buildings**

During the year under audit, the college incurred an expenditure of Kshs.19,504,272 in construction of proposed Lafey Technical and Vocational College. The total contract sum awarded was Kshs.53,601,927. However, the original bid document of the winning bidder was not provided for audit.

In addition, review of the bills of quantities (BQs) revealed omission of septic tank costing Kshs.4,431,470. However, the amendment to the contract to address the omission was not approved in writing as required by Section 139(1)(a) of the Public Procurement and Asset Disposal Act, 2015.

Further, the source of the extra funding of Kshs.4,431,470 could not be confirmed.

In the circumstances, the regularity of the expenditure amounting to Kshs.19,504,272 could not be confirmed.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, because of the significance of the matters discussed in the Basis for Adverse Opinion section of my report, based on the audit procedures performed, I confirm that internal controls, risk management and governance were not effective.

### **Basis for Conclusion**

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements which are free from material

misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the College's ability to continue to sustain services, disclosing, as applicable, matters related to the sustainability of services and using the applicable basis of accounting unless Management is aware of the intention terminate the College or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the College's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

### **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report which includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in

accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal controls which might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal controls components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts which would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence which is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions which may cast significant doubt on the College's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the College to cease to continue to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner which achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the College to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls which are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters which may reasonably be thought to bear on my independence and where applicable, related safeguards.

**LAFEY TECHNICAL AND VOCATIONAL COLLEGE**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

**XIII. Notes to the Financial Statements**

**1. General Information**

*Lafey Technical and Vocational College* is established by and derives its authority and accountability from PFM Act. The entity is wholly owned by the Government of Kenya and is domiciled in Kenya. The entity's principal activity is providing technical education.

**2. Statement of Compliance and Basis of Preparation**

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the *Lafey Technical and Vocational College* accounting policies. The areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Note xx.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the *Lafey Technical and Vocational College*.

The financial statements have been prepared in accordance with the PFM Act, the State Corporations Act, the TVET Act, and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

**Notes to the Financial Statements (Continued)**

**3. Adoption of New and Revised Standards**

**i. Relevant new standards and amendments to published standards effective for the year ended 30 June 2022.**

IPSASB deferred the application date of standards from 1st January 2022 owing to covid 19. This was done to provide entities with time to effectively apply the standards. The deferral was set for 1st January 2023.

**ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2022.**

Standard	Effective date and impact:
<p><b>IPSAS 41:</b> Financial Instruments</p>	<p><b>Applicable: 1<sup>st</sup> January 2023:</b></p> <p>The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an Entity’s future cash flows.</p> <p>IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"> <li>• Applying a single classification and measurement model for financial assets that considers the characteristics of the asset’s cash flows and the objective for which the asset is held;</li> <li>• Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and</li> <li>• Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an Entity’s risk management strategies and the accounting treatment for instruments held as part of the risk management strategy.</li> </ul>

**LAFEY TECHNICAL AND VOCATIONAL COLLEGE**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

Standard	Effective date and impact:
	<p><b>Significance to the financial statements</b>                      The standard had no impact in preparation of financial statements</p>
<p><b>IPSAS 42:</b>                      Social Benefits</p>	<p><b>Applicable: 1<sup>st</sup> January 2023</b></p> <p>The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting Entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general-purpose financial reports assess:</p> <p>(a) The nature of such social benefits provided by the Entity;                      (b) The key features of the operation of those social benefit schemes; and                      (c) The impact of such social benefits provided on the Entity's financial performance, financial position and cash flows.</p> <p><b>Significance to the financial statements</b>                      The standard had no impact in preparation of financial statements</p>
<p>Amendments to Other IPSAS resulting from IPSAS 41, Financial Instruments</p>	<p><b>Applicable: 1st January 2023:</b></p> <p>a) Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued.</p> <p>b) Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued.</p> <p>c) Amendments to IPSAS 30, to update the guidance for accounting for financial guarantee contracts which were inadvertently omitted when IPSAS 41 was issued.</p> <p>Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued.</p> <p><b>Significance to the financial statements</b>                      The standard had no impact in preparation of financial statements</p>

**LAFEY TECHNICAL AND VOCATIONAL COLLEGE**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

Standard	Effective date and impact:
Other improvements to IPSAS	<p><b>Applicable 1<sup>st</sup> January 2023</b></p> <ul style="list-style-type: none"> <li>• <i>IPSAS 22 Disclosure of Financial Information about the General Government Sector.</i></li> </ul> <p>Amendments to refer to the latest System of National Accounts (SNA 2008).</p> <ul style="list-style-type: none"> <li>• <i>IPSAS 39: Employee Benefits</i></li> </ul> <p>Now deletes the term composite social security benefits as it is no longer defined in IPSAS.</p> <ul style="list-style-type: none"> <li>• <b>IPSAS 29: Financial instruments: Recognition and Measurement</b></li> </ul> <p>Standard no longer included in the 2021 IPSAS handbook as it is now superseded by IPSAS 41 which is applicable from 1<sup>st</sup> January 2023.</p> <p><b>Significance to the financial statements</b>  The standard had no impact in preparation of financial statements</p>
IPSAS 43	<p><b>Applicable 1<sup>st</sup> January 2025</b></p> <p>The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cashflows of an Entity.</p> <p>The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities.</p> <p><b>Significance to the financial statements</b>  The standard had no impact in preparation of financial statements</p>
IPSAS 44: Non- Current Assets Held for Sale and Discontinued Operations	<p><b>Applicable 1<sup>st</sup> January 2025</b></p> <p>The Standard requires,</p> <p>Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and:</p> <p>Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of</p>

**4. Summary of Significant Accounting Policies**

**a) Revenue recognition**

**i) Revenue from non-exchange transactions**

**Transfers from other government entities**

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably. Recurrent grants are recognized in the statement of comprehensive income. Development/capital grants are recognized in the statement of financial position and realised in the statement of comprehensive income over the useful life of the assets that has been acquired using such funds

**ii) Revenue from exchange transactions**

**Rendering of services**

The entity recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably. The stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours.

Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

**Sale of goods**

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably, and it is probable that the economic benefits or service potential associated with the transaction will flow to the entity.

**Interest income**

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

**Dividends**

**LAFEY TECHNICAL AND VOCATIONAL COLLEGE**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

Dividends or similar distributions must be recognized when the shareholder's or the entity's right to receive payments is established.

**4. Summary of Significant Accounting Policies (Continued)**

**a) Revenue recognition (Continued)**

**ii) Revenue from exchange transactions (continued)**

**Rental income**

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

**b) Budget information**

The original budget for FY 2021/2022 was not approved by the Board this was due to expiry of the mandate of the Board of Governors on September 2022 and the delay from the ministry in appointing the new board. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section xxx of these financial statements.

**c) Taxes**

***Current income tax***

*Lafey Technical and Vocational College* is exempted from income tax under Income Tax Act cap 470 Section 13(1), Part I of the First schedule (10)

***Sales tax/ Value Added Tax***

Expenses and assets are recognized net of the amount of sales tax, except:

- When the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the sales tax is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable.

**LAFEY TECHNICAL AND VOCATIONAL COLLEGE**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

➤ When receivables and payables are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

**d) Investment property**

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property.

Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. Subsequent to initial recognition, investment properties are measured using the cost model and are depreciated over a period of ~~xxx~~ years.

Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of derecognition.

Transfers are made to or from investment property only when there is a change in use.

**e) Property, plant and equipment**

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

**Notes to the Financial Statements (Continued)**

**4 Summary of Significant Accounting Policies (Continued)**

**f) Leases**

Finance leases are leases that transfer substantially the entire risks and benefits incidental to ownership of the leased item to the Entity. Assets held under a finance lease are capitalized at the commencement of the lease at the fair value of the leased property or, if lower, at the present value of the future minimum lease payments. The Entity also recognizes the associated lease liability at the inception of the lease. The liability recognized is measured as the present value of the future minimum lease payments at initial recognition.

Subsequent to initial recognition, lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognized as finance costs in surplus or deficit.

An asset held under a finance lease is depreciated over the useful life of the asset. However, if there is no reasonable certainty that the Entity will obtain ownership of the asset by the end of the lease term, the asset is depreciated over the shorter of the estimated useful life of the asset and the lease term.

Operating leases are leases that do not transfer substantially all the risks and benefits incidental to ownership of the leased item to the Entity. Operating lease payments are recognized as an operating expense in surplus or deficit on a straight-line basis over the lease term.

**g) Intangible assets**

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite

**h) Research and development costs**

The Entity expenses research costs as incurred. Development costs on an individual project are recognized as intangible assets when the Entity can demonstrate:

- The technical feasibility of completing the asset so that the asset will be available for use or sale
- Its intention to complete and its ability to use or sell the asset
- How the asset will generate future economic benefits or service potential
- The availability of resources to complete the asset
- The ability to measure reliably the expenditure during development.

Following initial recognition of an asset, the asset is carried at cost less any accumulated amortization and accumulated impairment losses. Amortization of the asset begins when development is complete, and the asset is available for use. It is amortized over the period of expected future benefit.

During the period of development, the asset is tested for impairment annually with any impairment losses recognized immediately in surplus or deficit.

**Notes to the Financial Statements (Continued)**

**4 Summary of Significant Accounting Policies (Continued)**

**i) Financial instruments**

*Financial assets*

*Initial recognition and measurement*

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Entity determines the classification of its financial assets at initial recognition.

*Loans and receivables*

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

*Held-to-maturity*

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Entity has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

*Impairment of financial assets*

The Entity assesses at each reporting date whether there is objective evidence that a financial asset or an entity of financial assets is impaired. A financial asset or an entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the entity of financial assets that can be reliably estimated. Evidence of impairment may include the following indicators:

**LAFEY TECHNICAL AND VOCATIONAL COLLEGE**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

**Notes to the Financial Statements (Continued)**

**4 Summary of Significant Accounting Policies (Continued)**

**i) Financial instruments (Continued)**

***Financial assets (Continued)***

***Impairment of financial assets (Continued)***

- The debtors or an entity of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

***Financial liabilities***

***Initial recognition and measurement***

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

***Loans and borrowing***

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

**j) Inventories**

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

**Notes to the Financial Statements (Continued)**

**4 Summary of Significant Accounting Policies (Continued)**

**Inventories (Continued)**

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

**k) Provisions**

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

***Contingent liabilities***

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

***Contingent assets***

The Entity does not recognize a contingent asset but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

**Notes to the Financial Statements (Continued)**

**4 Summary of Significant Accounting Policies (Continued)**

**l) Nature and purpose of reserves**

The Lafey Technical and Vocational College creates and maintains reserves in terms of specific requirements. (*Entity to state the reserves maintained and appropriate policies adopted*).

**m) Changes in accounting policies and estimates**

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

**n) Employee benefits**

**Retirement benefit plans**

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

**o) Foreign currency transactions**

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

**p) Borrowing costs**

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment.

Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

**Notes to the Financial Statements (Continued)**

**4 Summary of Significant Accounting Policies (Continued)**

**q) Related parties**

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the Principal and senior managers.

**r) Service concession arrangements**

The Entity analyses all aspects of service concession arrangements that it enters into in determining the appropriate accounting treatment and disclosure requirements. In particular, where a private party contributes an asset to the arrangement, the Entity recognizes that asset when, and only when, it controls or regulates the services. The operator must provide together with the asset, to whom it must provide them, and at what price. In the case of assets other than 'whole-of-life' assets, it controls, through ownership, beneficial entitlement or otherwise – any significant residual interest in the asset at the end of the arrangement. Any assets so recognized are measured at their fair value. To the extent that an asset has been recognized, the Entity also recognizes a corresponding liability, adjusted by a cash consideration paid or received.

**s) Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

**t) Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**u) Subsequent events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2022.

**LAFEY TECHNICAL AND VOCATIONAL COLLEGE**  
**Annual Report and Financial Statements for the year ended 30th June 2022**

**Notes to the Financial Statements (Continued)**

**5. Significant Judgments and Sources of Estimation Uncertainty**

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

**Estimates and assumptions**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140

**Useful lives and residual values**

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

**Provisions**

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note xxx.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.
