MIN/NO./NA/DC-LANDS/2022/021: PRELIMINARIES

The Chairperson called the meeting to order at twenty eight minutes past ten o'clock. A prayer was said. He welcomed the Members to the meeting and informed that the agenda for the meeting was briefing by the Fiscal Analyst on the proposed Supplementary Estimates No.1 for

FY 2022/2023. The Agenda of the meeting was adopted after having been proposed by Hon. Ali Wario, MP and seconded by Hon. Thuddeus Nzambia, MP.

MIN/NO./NA/DC-LANDS/2022/022: BRIEFING BY THE FISCAL ANALYST ON THE PROPOSED SUPPLEMENTARY ESTIMATES NO.1 OF FY 2022/2023

The Fiscal Analyst from the Parliamentary Budget Office made the following presentation:

The two MDAs under the Committee's purview had received less than 50 percent of the net approved estimates. The Ministry of Lands and Physical Planning registered exchequer releases of 25% while the National Land Commission registered exchequer releases of 27%.

Vote		Approved Net Estimates (Ksh. millions)	Exchequer Issues as at 31st Dec 2022 (Ksh. millions)	Percentage of Exchequer Issues to Net Estimates
Ministry of Lands and Physical Planning	Total	5,928	1,507	25%
	Recurrent	3,306	1096	33%
	Development	2,621	411	16%
National Land Commission	Total	1,558	413	27%
	Recurrent	1,468	413	28%
	Development	90.3	0	0

Ministry of Lands and Physical Planning

In the proposed supplementary No.1, the Ministry's approved estimates have been revised to Ksh. 4.4 billion from Ksh. 5.9 billion. This reflects a decrease of Ksh. 1.6 billion comprising reductions of KSh.322.4 million in the Current expenditure and KSh.1.23 billion in the Capital expenditure. This is on account of rationalization of expenditure and reduction of excess provision for salaries.

Capital projects with reduced allocations under the Ministry may not be completed within set timelines in this regard. This includes all projects carried out by the Ministry, with the exception of the Digitization of Land Registries project.

He further informed the meeting that effects of the reduction of the budget will result in the following:

- I. Processing and registration of title deeds will be reduced from 330,000 to 200,000 with the reduction by Ksh.622million.
- II. Renovation of Land offices has been reduced from 14 to 2 offices after reduction of funds by 17 million.

- III. Survey, Inspection & Maintaining National & International Boundaries, the number of kilometers has been reduced from 50km to 0km, with no allocation.
- IV. On Development of Geo spatial data, reduced from 50 to 5 topographical maps and the allocation has been reduced from by 17million.
- V. Settlement of the Landless the allocation has been reduced from by 210 million hence reduction from 80,000 to 3,000 households.
- VI. Geo-referencing of Land Parcels the allocation by 45 million therefore, purchase of land has been reduced from 70,000 to 10,000 land parcels.
- VII. The National Physical Planning: the physical plans has been reduced from 12 to 2 and the allocation has been reduced by 75million.
- VIII. National Land Value Index, the number of counties covered therefore has reduced from 47 to 6 counties by a reduction of 53 million.
- IX. On the Development of Hydrographic Database the bathy metrics maps and nautical charts have reduced from 5 to 1, and by a reduction of 8million.
- X. Infrastructure Improvement in Kenya Institute of Survey and Mapping the allocation has reduced by 63 million causing of construction of tuition block from 30 to 10.

National Land Commission

In the proposed supplementary No.1, the Commission's approved estimates have been revised to Ksh. 1.47 billion from Ksh. 1.5 billion. This reflects a decrease of Ksh. 90.9 million comprising reductions of Ksh. 0.6 million in the Current expenditure and Ksh.90.3 million in the Capital expenditure.

He explained that the change is on account of rationalization of expenditure and additional funds to cater for settlement of a Court award. The Commission should provide detailed information on the court award that has been designated for payment.as well as the status of additional legal expenses that are pending.

Summary of Salient Issues

The following are salient issues presented to the Committee:

- 1. Decrease in gross Capital Estimates:** The revision in the Ministry's gross capital estimates amount to Ksh. 1,233 million, representing a decrease of 47 percent from the approved gross capital estimates for the FY 2022/23. As result, all ongoing projects under the Ministry's purview with the exception of the Digitization land registries project, will have a reduction in allocated funds from the approved capital estimates. As such, the projects may not be completed within the set timelines.
- 2. Effects of Budget variations on strategic objectives:** The key strategic areas include digitization of land records and processes; National titling programme; Policy, Legal and Institutional reforms and decentralization of Land administration services and processes. With relatively similar annual budget cuts and austerity measures implemented by the

National Treasury, the set timelines for the completion of projects may not be achieved therefore hampering the Ministry's ability to meet its objective.

3. **Pending bills** – As at 30th September, the ministry of lands and physical planning had pending bills amounting to Ksh. 567 million. On the other hand, the National Land Commission had pending bills totaling Ksh. 531 million. No clear provision has been made for the settlement of this legal related pending bills which may occasion incompleteness of programs and projects if treated as first charge as required by the law.
4. **Revenue Collection** - the Ministry had not begun using a digital online platform for all revenue collection transactions by the 30th of May 2022, as agreed during the consideration of the 2021/2022 Budget Estimates. A fully digital revenue collection could seal leakages and improve the achievement of set targets.

MIN/NO./NA/DC-LANDS/2022/023: ADOPTION OF STATUTE LAW MISCELLANEOUS NO.60 OF 2022

The Report on Statute Law Miscellaneous No.60 of 2022 was adopted without any changes having been proposed by Hon. Gideon Ochanda, MP and seconded by Hon. Ali Wario, MP.

MIN/NO.NA/DC-LANDS/2022/024: ANY OTHER BUSINESS

The secretariat was tasked to write to the Ministry on the additional issues that were raised during induction and should be addressed in the upcoming retreat.

MIN/NO.NA/DC-LANDS/2022/025: ADJOURNMENT

There being no other business, the meeting was adjourned at twenty minutes past noon. The next meeting will be held on Thursday 16th February 2023 at 8.00am, venue to be communicated in due course.

THE KLRC COMMENTS ON THE STATUTE LAW (MISCELLANEOUS AMENDMENTS) BILL, 2022

I. INTRODUCTION

This memorandum is issued in furtherance of the Kenya Law Reform Commission's mandate under section 6 of the Kenya Law Reform Commission Act, No, 19 of 2013, to keep under review all the law and recommend its reform to ensure, among others, that the law systematically develops in compliance with the values and principles enshrined in the Constitution and that the law is consistent, harmonized, just, simple, accessible, modern and cost-effective in application.

The Kenya Law Reform Commission (KLRC) is in receipt of a letter from the National Assembly dated 20 December 2022 (ref: NA/DDC/JLAC/2022/010) seeking its comments on the Statute Law (Miscellaneous Amendments) Bill, 2022, National Assembly Bill, No. 60 of 2022. The Bill seeks to "amend various statutes in keeping with the practice of making minor amendments which do not merit the publication of several separate Bills". The National Assembly has sought KLRC's comments on the Bills under the purview of the Departmental Committee on Justice and Legal Affairs.

Against this background and pursuant to the KLRC's mandate, KLRC has undertaken an analysis of the relevant Bills as set out below.

In addition, the proposed amendment contravenes section 38(4) of the Judicial Service Act which requires the report be tabled before the two Houses of Parliament.</p>
				<p>Consider standardizing the provision for all constitutional commissions and independent offices.</p>	<p>This ensures consistency in legislation.</p>
11.	Independent Electoral and Boundaries Commission Act (No. 9 of 2011)	24(1)	<p>Delete the word “three” and substitute therefor the word “six”.</p>	<p>No objection to the proposed amendment.</p>	<p>Three months is too short a period to file the annual report in view of the magnitude of work involved.</p>

No objection to the proposed amendments.	The proposed amendment would align the Act to Article 157 of the Constitution.
		37(6)			
		62(5)	62(6)	(6A) Notwithstanding the provisions of any other law, where a state officer is under investigation for, or has been charged with corruption or economic crime, the Commission may, by an <i>ex parte</i> application in the High Court, seek for an order barring the officer from accessing his or her office or exercising the powers of that office including participating in decision making, voting and supervising staff. (6B) The provisions of subsection (6A) shall apply where the Commission upon preliminary investigations has established grounds to reasonably suspect that the public or state officer is likely to— (a) conceal, alter, destroy, or remove	No objection to the proposed amendment. However, consider including the expression "public officer" in subsection (6A) as has been proposed in subsection (6B).

15.	Sexual Offences Act (No. 3 of 2006)	40	Deleting the expression "Attorney-General" and substituting therefore the expression "Director of Public Prosecutions".	No objection to the proposed amendment.	The proposed amendment would align the Act to Article 157 of the Constitution.
16.	International Crimes Act (No. 16 of 2008)		Deleting the expression "Attorney-General" and substituting therefore the expression "Director of Public Prosecutions".	No objection to the proposed amendment.	The proposed amendment would align the Act to Article 157 of the Constitution.
17.	Leadership and Integrity Act, 2012 (No. 19 of 2012)	12A.	New subsections to mandate the EACC vet all the shortlisted candidates.	Considering the number of requests that the EACC may receive from the various public entities, it would be prudent for the Commission to be mandated to vet only those who are considered for appointment, that is, those who have undergone the interview process.	This would save the EACC time and money.
18.	The Kenya Law Reform Commission Act (No. 19 of 2013)			Although the National Assembly's letter dated 20 December 2022 (ref: NA/DDC/JLAC/2022/010) and the Memorandum to the Public indicates that the Statute Law (Miscellaneous Amendment) Bill, 2022, seeks to amend the Kenya Law Reform Commission	

				Act to provide for clarifications on the attendance of the <i>ex officio</i> members at the Commission meeting, the Bill does not contain any proposed amendments. Further, the Kenya Law Reform Commission Act is erroneously cited as Act, No. 35 of 2013 instead of No. 19 of 2013.	
19.	Bribery Act (No. 47 of 2016)	1.	Delete the expression "Bribery Act" and substitute "Anti-Bribery Act".	No objection to the proposed amendment.	The proposed amendment describes what the Act is about and avoids any misrepresentation.
		5.	Delete the word "who" and substitute therefore the word "if the person offering, promising or giving knows".	The word "who" appears in both subsection (1) and (2), hence there is need for clarity on where the phrase "if the person offering, promising or giving knows" is to be inserted.	This will clarify the provision.

Dear Sir,

RE: THE STATUTE LAW (MISCELLANEOUS AMENDMENTS) BILL (NATIONAL ASSEMBLY BILL NO. 60 OF 2022)

The above subject and your letter dated 21st December, 2022 refers.

The National Land Commission, having perused the proposed amendment, wishes to submit as follows;

The National Land Commission Act No. 12 of 2012

The bill seeks to amend **Section 33 of the National Land Commission Act** to provide a time frame within which the Commission ought to present its annual report.

Section 33 (1) of the **NLC Act** Provides for the annual report and states as follows:

The report of the Commission under Article 254 of the Constitution shall, in respect of the financial year to which it relates, contain-

- a) the financial statements of the Commission;
- b) a description of the activities of the Commission;
- c) information relating to the progress made in the registration of title in land;
- d) recommendations made by the Commission to the county or national governments or to any stage agency or organ and the action taken on such recommendations;
- e) any impediments to the work of the Commission; and

- f) Such other information as the Commission considers appropriate in relation to the functions of the Commission.

The bill proposes to insert the following new subsection immediately after subsection (1).

(1A) The commission shall submit the annual report in subsection (1) to the President and the National Assembly within 6 months after the end of the year to which it relates.

Conclusion

It's the Commission's submission that the amendment is proper and within the law since it only seeks to provide a time line for the presentation of the annual report.

The land Consolidation Act Cap 283 and The Land Adjudication Act Cap 284

The bill seeks to amend **Section 14 (6)(b)** of the **Land Consolidation Act** and **Section 33** of the **Land Adjudication Act** in order to harmonize its provisions with the functions of the Office of the Director of Public Prosecutions as envisaged under **Article 157 of the Constitution of Kenya** which establishes the office of the director of Public Prosecutions.

Section 14 (1) of the Land Consolidation Act states that:

"If a member of a Committee or of an Arbitration Board has any interest, direct or indirect, in the determination by the Committee or the Arbitration Board (as the case may be) of any claim to any right or interest in any land, and is present at a meeting of the Committee or the Arbitration Board at which the determination of that claim is under consideration, he shall, at the meeting, as soon as practicable after the commencement thereof, disclose the fact and shall not take part in the consideration or discussion of, or vote on any question with respect to, the determination of that claim".

Section 14(6) of the Land Consolidation Act states that:

- a) If any person fails to comply with the provisions of subsection (1) of this section, he shall be guilty of an offence and liable to imprisonment for a term not exceeding six months.
- b) **A prosecution for an offence under this section shall not be instituted except with the consent of the Attorney-General.**

Section 33 of the Land Adjudication Act states that-

Any person who:

- a) after receiving a summons issued under this Act, without reasonable excuse neglects or refuses to attend in pursuance of it or to produce any map, plan, instrument or other document which he is required by it to produce; or
- b) without reasonable excuse neglects or refuses to answer upon oath or otherwise, or knowingly gives an untrue answer to, a question lawfully put to him by an officer, committee or board under this Act; or

- c) without reasonable excuse neglects or refuses to demarcate his land, or to assist in the demarcation of his land, or to clear or assist in the clearing of any boundary or other line, when required to do so by a demarcation officer; or
- d) without reasonable excuse, interferes with any demarcated boundary, or defaces, removes, injures or otherwise impairs any feature of a demarcated boundary, or allows any demarcated boundary to fall into disrepair; or
- e) contravenes section 8(1) of this Act,

shall be guilty of an offence and liable to a fine not exceeding three thousand shillings or to imprisonment for a term not exceeding six months, or to both such fine and such imprisonment:

Provided that a prosecution for an offence under paragraph (e) of this section shall not be instituted except with the consent of the Attorney-General.

The bill seeks to substitute the expression "**Attorney-General**" with the expression "**Director of Public Prosecutions**" in both Acts.

The Prosecutorial powers were constitutionally transferred from the office of the Attorney General to the Office of the Director of Public Prosecutions under Article 157 of the Constitution and the Office of the Director of Public Prosecutions Act.

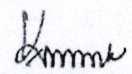

Therefore, it is the Office of the Director of Public Prosecutions that has the powers to institute, take over or continue and discontinue any proceedings of a criminal nature as per **Article 157 (6)** of the Constitution of Kenya and **Section 5** of the Office of the Director of Public Prosecutions Act.

Under the subsidiary legislation **No. 104 of 2011** any prosecutorial powers which were exercisable by the Attorney General were transferred to the Office of the Director of Public Prosecutions.

Conclusion

The bill therefore, is in order and within the Law and Constitutional Limits by proposing the substitution of the expression "**the Attorney General**" with "**Office of the Director of Public Prosecutions**" in both Acts since prosecutorial powers are no longer vested in the Attorney General.

Yours Sincerely,

Kabale Tache
