As you are aware, on the morning of Tuesday, 26th April, 2016, the Former First Lady, Her Excellency Mrs. Lucy Kibaki, passed away while undergoing treatment at Bupa Cromwell Hospital in London.

The late Former First Lady was born in 1940, and died at the age of 76 years. She was a teacher by profession, and left teaching in 1962 to support and take care of her family.

H.E. will be fondly remembered for her commitment to family values, her devotion to helping the less fortunate in society, particularly those affected by HIV/AIDS, and for her immense contribution to the development of this country through the various initiatives which she was passionate about.
