12. STATEMENT OF SCHOOL MANAGEMENT RESPONSIBILITY

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, each National Government School shall prepare financial statements in respect of that school. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board of Kenya from time to time.

Schedule 4 (Section 23) of the Education Act, 2013 requires the Board of Management of a public institution of basic education to be keep all proper books and records of accounts of the income, expenditure and assets of the institution.

The Board of Management of Ikanga Boys Sec sch accepts responsibility for the school's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS)

The Board of Management is of the opinion that the school's financial statements give a true and fair view of the state of the school's transactions during the financial year ended 30th June, 2021, and of the school's financial position as at that date.

REPORT OF THE AUDITOR-GENERAL ON IKANGA BOYS SECONDARY SCHOOL FOR THE SIX (6) MONTHS' PERIOD ENDED 30 JUNE, 2021 - KITUI COUNTY

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on the Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Ikanga Boys Secondary School - Kitui County set out on pages 1 to 18, which comprise of the statement of financial assets and financial liabilities as at 30 June, 2021, statement of receipts and payments, statement of cash flows and statement of budgeted versus actual amounts for the period

then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Ikanga Boys Secondary School - Kitui County as at 30 June, 2021 and of its financial performance and its cash flows for the period then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the Basic Education Act, 2013.

Basis for Qualified Opinion

Long Outstanding Receivables

The statement of financial assets and liabilities reflects receivables balance of Kshs.11,423,939 as disclosed in Note 11 to the financial statements. Included in the amount is a balance of Kshs.6,584,339 being long outstanding debt for over two (2) years. However, the balance was not supported by records indicating students' personal information.

In the circumstances, accuracy, completeness and full recovery of the receivables balance of Kshs.11,423,939 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Ikanga Boys Secondary School Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of Matter

Budgetary Control and Performance

The statement of budget and actual amounts reflects final revenue budget and actual on comparable basis of Kshs.9,309,000 and Kshs.6,152,689 respectively, resulting to an under-collection of Kshs.3,156,311 or 35% of the approved budget. Similarly, the School spent Kshs.7,190,474 against a budgeted balance of Kshs.9,247,000 resulting to under-utilization of Kshs.2,056,526 or 22%. In addition, the receipts and expenditure budgets were not balanced.

The under-collection and under-expenditure affected the planned activities and may have impacted negatively on the School's activities.

My opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the period under review.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution and based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Lawfulness in Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Late Submission of Financial Statements for Audit

During the period under review, Management submitted the financial statements to the Auditor-General on 29 September, 2023 instead of the statutory deadline of 30 September 2021. This was contrary to the Ministry of Education circular Ref.MOE/DSAS/FIN/17/1/17 dated 19 August, 2021 which stated that the school's financial statements should be ready by 30 September, 2021 in compliance with Section 81 of the Public Finance Management Act, 2012 on preparation of the financial statements.

In the circumstances, Management was in breach of the law.

2. Failure to Update Fixed Assets Register

Annex 2 to the financial statements reflects summary of fixed assets register balance with blank total balances. The assets included land, buildings, motor vehicles, equipment, tools and text books with Nil values. Further, land ownership and valuation documents were not provided for audit.

In the circumstances, the ownership and safe custody of the fixed assets could not be confirmed.

The audit was conducted in accordance with the ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015 and based on the audit procedures performed except for the matter described in the Basis for Conclusion on the Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

Capitation Grants for Operation

The statement of receipts and payments reflects an amount of Kshs.3,816,879 being capitation grants for operations and Kshs.525,103 as capitation for tuition. Note 2 to the financial statement reflects an amount of Kshs.3,816,879 in respect of repairs and maintenance of Kshs.1,499,750 and other overheads of Kshs.2,317,129 being amounts disbursed by the Ministry of Education for the number students registered in NEMIS. However, review of the physical students' class register revealed that the total number of students who benefited from NEMIS capitation grants were less than the actual numbers of students admitted in School resulting to an under-funding of Kshs.82,426.

In the circumstances, the effectiveness of controls in place to reconcile the NEMIS numbers with the physical registers could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and those Charged with Governance

The Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the School's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the School or to cease its operations.

The Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the School's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them, and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal controls in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal controls that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal controls components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may

occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.
- Conclude on the appropriateness of Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the School to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the School to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

FCPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

Commentary on significant underutilization (below 90% of utilization) and overutilization above 100%

The overutilization was due rise of commodities in the market price due to covid 19 affection.

10. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and applicable government legislations and regulations. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprest, salary advances and other receivables and b) payables that include deposits and retentions and payables from operations.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the *school* and all values are rounded to the nearest Kenya Shilling (Kshs). The accounting policies adopted have been consistently applied to all the years presented.

2. Recognition of receipts and payments

The *school* recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the *school*. In addition, the *school* recognises all expenses when the event occurs and the related cash has actually been paid out by the *school*.

3. In-kind contributions

In-kind contributions are donations that are made to the *school* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *school* includes such value in the statement of receipts and payments both as a receipt and as a payment in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various financial institutions at the end of the financial year.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as expenditure when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

6. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and agencies. Other liabilities including pending bills are disclosed in the financial statements. Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years

7. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the school fixed asset register a summary of which is provided as a memorandum to these financial statements.

8. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The *school's* budget was approved by the School Board of Management. A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

9. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

10. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2021.
