CHAIRPERSON'S FOREWORD

The County Governments Additional Allocations (No. 2) Bill, 2025 (Senate Bills No. 8 of 2025) was published vide a Kenya Gazette Supplement No. 89 of 18th June, 2025. The Bill was read a First Time in the Senate at its sitting held on Friday, 27th June, 2025. The Senate passed the Bill with amendments on Wednesday, 23rd July, 2025. Consequently, the Bill was referred to the National Assembly for concurrence in line with Article 110(4) of the Constitution and standing order 161 of the Senate Standing Orders. The National Assembly considered the Bill on Tuesday, 30th September, 2025 and passed it with amendments.

The Bill seeks to make provisions for transferring conditional and unconditional allocations from the national government's share of revenue, from development partners to the county governments and transfers relating to statutory allocations to counties.

The Bill, as approved by the Senate, proposed total additional allocations (conditional and unconditional) of Ksh.93.53 billion to county governments for FY 2025/26.

The National Assembly considered the Bill and proposed the following amendments-

- a) The total allocation on grants for construction of county headquarters to the five counties was reduced by Ksh.5 million from Ksh.454 million to Ksh.449 million;
- b) In regard to County Aggregation of Industrial Parks (CAIPs) there was reallocation of funds to counties that have made significant progress in the implementation of the projects, as opposed to a situation where some counties were being prioritized, but were yet to commence the projects;
- c) Deletion of Third Schedule that made provision of allocations from the Road Maintenance levy Fund amounting to Ksh.23.64 billion;
- d) Revision of allocation for Kenya Devolution Support Programme II (KDSP II) - (IDA-World Bank) to align allocations under level 1 and level 2, where level 1 grant was revised from Ksh.1.76 billion to Ksh.3.43 billion to cater for FY 2024/25 carry overs while level two grant was revised down by a similar amount from Ksh.13 billion to Ksh.11.3 billion; and
- e) Revision of the allocation for Kenya Informal Settlement Improvement Project (KISIP) funded by both World Bank (IDA) and French Development Agency (AFD).

These amendments involved reducing the allocation from the World Bank (IDA) from Ksh.800 million to Ksh.167.5 million while increasing the allocation from AFD from Ksh.1.0 billion to Ksh.2.5 billion.

Consequently, the Bill as approved by the National Assembly, proposes to allocate total additional allocations (conditional and unconditional) of Ksh.70.666 billion for FY 2025/26 to county governments.

Upon receipt of the message from the Speaker of the National Assembly regarding the passage of the Bill and proposed amendments, the Speaker of the Senate referred the amendments to the Standing Committee on Finance and Budget for consideration and subsequent tabling of the report in the Senate.

Committee Deliberations and Observations

The Committee considered the decision of the National Assembly on the County Governments Additional Allocations (No. 2) Bill, 2025 (Senate Bills No. 8 of 2025) and made the following observations-

- a) the amendments relating to the CAIPS programme intend to prioritize allocation of funds to counties that have begun implementation of projects in order to ensure completion of initiated projects and full transfer of the National Government level contribution of Ksh.250 million.
- b) the amendment relating to proceeds of loans and grants from development partners entails realigning allocations under level 1 and level 2 for the Kenya Devolution Support Programme II (KDSP II) from IDA (World Bank); secondly, to realign allocation for the Kenya Informal Settlement Improvement Project (KISIP) from IDA (World Bank) and AFD.
- c) in *National Assembly vs Issa Elanyi Chamao & 14 Others Civil Appeal No. E427 of 2025* (consolidated with *Kenya Roads Board vs Issa Elanyi Chamao & 15 Others* (civil application no. NAI E366 of 2025)) the Court of Appeal issued a stay of execution of the judgement in High Court Constitutional Petition No. E423 of 2025 which, *inter alia*, included a declaration that the unilateral removal of county

governments as beneficiaries of the RMLF in financial years 2024/2025 and 2025/26 were unconstitutional. As such, the Committee observed that the question of the entitlement of counties to the RMLF remains contentious and a matter of active litigation.

Committee Recommendation

Having considered the National Assembly amendments to the Bill, the Committee recommends that the Senate approves the County Governments Additional Allocations (No. 2) Bill, 2025 (Senate Bills No. 8 of 2025) as amended by the National Assembly.

Acknowledgement

I appreciate the Members of the Finance and Budget Committee for their commitment and dedication which enabled the Committee to fulfil its mandate in consideration of the National Assembly amendments to the County Governments Additional Allocations (No. 2) Bill, 2025 (Senate Bills No. 8 of 2025).

I would also like to extend my gratitude to the offices of the Speaker and the Clerk of the Senate for the support accorded to the Committee during this important assignment.

**THE COUNTY GOVERNMENTS ADDITIONAL ALLOCATIONS (NO. 2) BILL,
2025 (SENATE BILLS NO. 8 OF 2025)**

I. INTRODUCTION

1. The County Governments Additional Allocation Bill is prepared according to Article 190(1) and 202(2) of the Constitution. Article 202(2) provides that county governments may be given additional allocations from the national government's share of revenue, either conditionally or unconditionally. Further, Article 190(1) requires Parliament to ensure county governments are adequately supported to perform their functions through legislation.
2. A draft County Governments Additional Allocation Bill for a respective financial year is prepared and submitted alongside the Budget Policy Statement (BPS) to Parliament by the National Treasury, as required by section 191 of the Public Finance Management Act (Cap. 412A). The Act provides that a Bill making allocations under Article 202(2) of the Constitution must specify any other allocations to the counties from the National Government's share of revenue and any conditions attached to those allocations.
3. Sections 191A to 191E of the PFM Act provide for the preparation and signing of intergovernmental agreements between the National Treasury and the respective county governments. These sections further provide for approval of the agreements by the respective county assemblies and public participation on the same. The law requires that the signed agreements be submitted to the Senate and the Controller of Budget. The National Treasury is also required to publish and publicize them.
4. The County Governments Additional Allocations (No.2) Bill, Senate Bills No. 8 of 2025 was published on 18th June, 2025 and introduced in the Senate on 27th June, 2025. The Senate considered the Bill and passed it with amendments on 23rd July 2025. The Bill was thereafter referred to the National Assembly for consideration in accordance with the provisions of Article 110(4) of the Constitution.
5. The Bill was introduced in the National Assembly on 31st July 2025 for consideration. The National Assembly considered and passed the Bill, with amendments, on Tuesday, 30th September 2025. Thereafter, the Bill was referred back to the Senate for reconsideration as per Article 112(1)(b) of the Constitution.

II. THE CONTENTS OF THE BILL AS PASSED BY THE SENATE

6. The Bill as passed by the Senate proposed to allocate a total of Ksh.93.53 billion as additional resources to counties comprising: Ksh.2.95 billion from court fines and 20% share of mineral royalties (*First Schedule*); Ksh.10.04 billion from the National Government's Share of Revenue (*Second Schedule*); Ksh.23.63 billion from the Road Maintenance Levy Fund (RMLF) (*Third Schedule*); and Ksh.56.91 billion from proceeds of loans and grants from development partners (*Fourth Schedule*).

Unconditional additional allocation (First Schedule)

7. In FY 2025/26, unconditional additional allocations include—

- i) **Court fines-** amounting to Ksh.11.5 million. This allocation emanates from the imposition of fines where county legislation has been contravened. The amount accounts for court fines collected in ten counties in FY 2023/24.
- ii) **County share of mineral royalties** comprising a total allocation of Ksh.2.93 billion. This amount represents the 20 per cent share of mineral royalties collected in thirty-two (32) counties from 2016 to 2022. These are statutory entitlements to counties under section 183(5) of the Mining Act (Cap. 306).

Conditional additional allocations from the national government's share of revenue-Second Schedule

8. These are additional allocations financed by the national government from its annual share of revenue. These funds are earmarked for a specific government programme and have conditions attached to them some of which counties are required to meet before receiving the funds. With respect to FY 2025/26, the conditional additional allocations apply to the following programmes—

- a) **Settlement of Phase II Doctor's Salary Arrears-** of Ksh.1.759 billion shared across all the 47 counties as per the number of doctors. The allocation is intended to settle salary arrears owed to doctors as per the Return-to-Work Formula agreement between the National Government and the Kenya Medical Practitioners, Pharmacists and Dentists Union (KMPDU).

- b) **Community Health Promoters (CHPs) Programme-** of Ksh.3.23 billion shared among the forty-seven (47) counties as per the number of CHPs per county. The amount is intended to supplement the county government's allocation towards the payment of a monthly stipend to CHPs. The total number of CHPs in the country is estimated to be 107,831, and they assist in providing adequate and quality health care services to citizens under the Universal Health Coverage (UHC).
- c) **Construction of County Headquarters-** an allocation of Ksh.454 million to support the construction of county administration offices in five counties that did not have adequate facilities to accommodate the new county administration at the onset of devolution. The five counties are: Isiolo-Ksh.60 million, Lamu-Ksh.121 million, Tana River-Ksh.121 million, Tharaka Nithi-Ksh.31 million and Nyandarua-Ksh.121 million. The sharing of the funds is per the status of the project implementation.
- d) **County Aggregation and Industrial Parks (CAIPs) Programme-**with a total allocation of Ksh.4.5 billion to eighteen (18) counties in FY 2025/26 to apply towards the construction of County Aggregation and Industrial Parks (CAIPs) The funds were to be shared equally with each beneficiary county receiving Ksh.250 million. A beneficiary county is expected to provide counterpart funding of a similar amount. The beneficiary counties were Baringo, Elgeyo Marakwet, Kajiado, Kakamega, Kericho, Kilifi, Kisii, Kitui, Laikipia, Mandera, Narok, Nyandarua, Nyeri, Taita Taveta, Tana River, Tharaka Nithi, Vihiga and Wajir.
- e) **0.5 % Housing Levy Fund -amounting to Ksh.93.4 million** to be applied towards the county rural and urban affordable housing committees pursuant to section 11(4)(c) of the Affordable Housing Act No. 2 of 2024. The law requires the Affordable Housing Board to allocate out of the Affordable Housing Fund not less than point five percent (0.5%) of the monies to the county committees for their administration expenses. The amount is shared equally among the 47 counties, with each county receiving Ksh.1.99 million. The money will be used

to cover the recurrent expenses of the respective County Rural and Urban Affordable Housing Committee.

Road Maintenance Levy Fund (RMLF)-Third schedule

9. The Third Schedule provided for the allocation of Ksh.23.64 billion from the Road Maintenance Levy Fund to counties consisting of: Ksh.10.522 billion for FY 2024/25 and Ksh.13.12 billion for FY 2025/26. The sharing criteria of the funds per county is calculated based on weights of different factors: Length of Road, Climate/Rainfall, Rural Access Index (RAI), soil type distribution and an Equal Share. These factors are summed up to give an allocation index for each county.

Conditional additional allocations from loans and grants from development partners -Fourth Schedule.

10. The Fourth Schedule to the Bill provides for allocations from proceeds of loans and grants from development partners amounting to Ksh.56.91 billion. These allocations are shared across the forty-seven (47) counties under seventeen (17) different programmes and projects. The projects are as follows—

III. CONSIDERATION OF THE BILL BY NATIONAL ASSEMBLY

11. The National Assembly considered the Bill and passed it with amendments. The following is a summary of the amendments–

a) Deletion of the Second Schedule and replacing with a new Schedule

The proposed new Second Schedule is intended to effect the following amendments–

- i. An amendment to the allocation for the construction of county headquarters. This was based on the need to align the actual transfers to be made to the counties for the construction works as contained in the Budget for FY

2025/26. The total allocation to the five counties was reduced by Ksh.5 million from Ksh.454 million to Ksh.449 million. The proposed allocations are as follows-

b) Deletion of the Third Schedule and Clause 6(2)

This amendment entailed deletion of clause 6(2) and the Third Schedule which provided for allocations to the counties from the Road Maintenance Levy Fund amounting to **Ksh.23.64 billion**.

c) Deletion of the Fourth Schedule and replacing it with a new Schedule. This amendment was aimed at effecting the following changes in two projects-

- i. **Kenya Devolution Support Programme II (KDSP II) -the Donor (IDA-World Bank)**-The amendments entail realigning allocations under level 1 and level 2 of the grants, where the level 1 grant was revised from Ksh.1.76 billion to Ksh.3.43 billion to cater for FY 2024/25 carry overs. Consequently, the level two grant was revised down by a similar amount from Ksh.13 billion to Ksh.11.3 billion to cater for the changes.
- ii. **Kenya Informal Settlement Improvement Project (KISIP)**-The amendment involved reducing the allocation from the World Bank (IDA) from Ksh.800,000,000 to Ksh.167,500,000 while increasing the allocation from AFD from Ksh.1,000,000,000 to Ksh.2,500,000,000.

IV.COMMITTEE OBSERVATIONS

12. Having considered the amendments from the National Assembly on the Bill, the Committee made the following observations. That-

- a) the amendments relating to the CAIPS programme intend to prioritize allocation of funds to counties that have begun implementation of projects in order to ensure completion of initiated projects and full transfer of the National Government level contribution of Ksh.250 million.
- b) the amendment relating to proceeds of loans and grants from development partners entails realigning allocations under level 1 and level 2 for the Kenya Devolution Support Programme II (KDSP II) from IDA (World Bank); secondly, to realign allocation for the Kenya Informal Settlement Improvement Project (KISIP) from IDA (World Bank) and AFD.
- c) in National Assembly vs Issa Elanyi Chamao & 14 Others Civil Appeal No. E427 of 2025 (consolidated with Kenya Roads Board vs Issa Elanyi Chamao & 15 Others (civil application no. NAI E366 of 2025)) the Court of Appeal issued a stay of execution of the judgement in High Court Constitutional Petition No. E423 of 2025 which, *inter alia*, included a declaration that the unilateral removal of county governments as beneficiaries of the RMLF in financial years 2024/2025 and 2025/26 were unconstitutional. As such, the Committee observed that the question of the entitlement of counties to the RMLF remains contentious and a matter of active litigation.

V. RECOMMENDATION

13. In light of the foregoing, the Committee recommends that the Senate approves the County Governments Additional Allocations (No. 2) Bill, 2025 (Senate Bills No. 8 of 2025) as amended by the National Assembly.

ALLOCATION (NO. 2) BILL, 2025 (SENATE
BILLS NO. 8 OF 2025)**

The meeting considered the National Assembly amendments as follows-

- a) The Senate considered the County Government Additional Allocation, (No.2) Bill, 2025 passed it with amendments. The National Assembly considered the County Governments Additional Allocation (No.2) Bill, 2025 (Senate Bill No.8 of 2025) referred from the Senate, and passed it with amendments. The Assembly amended the Bill by-
 - b) deleting the Second Schedule and replacing with a new Schedule by-
 - i. Amending the column containing allocation for the Construction of the County Headquarters. This was based on the need to align the actual transfers to be made to the counties for the construction works as contained in the Budget for FY 2025/26. The total allocation to the five counties was reduced by Ksh.5 million from Ksh.454 million to Ksh.449 million.
 - ii. Amending the column containing the allocations on County Aggregation of Industrial Parks (CAIPs). The amendment entailed allocating funds to counties that have made significant progress in the implementation of the Projects, as opposed to a situation where some counties were being prioritized, but have not started the project. The reallocation was informed by the report by the State Department of Industry, which indicated that some counties that were being prioritized had not started the projects, while others had outstanding balances from the previous financial year 2024/25 and did not require the full allocation of Ksh.250 million as contained in the Bill.
 - c) deleting the Third Schedule that provided for allocations from the Road Maintenance levy Fund amounting to Ksh.23.64 billion.
 - d) Amending clause 6(2) that makes reference to Road Maintenance Levy Fund.
 - e) Deleting the Fourth Schedule and replacing with a new Schedule (Donor-funded projects)-This amendment was aimed at effecting changes in two projects as requested by the donors.
 - i. Kenya Devolution Support Programme II (KDSP II) -the Donor (IDA-World Bank)-The amendments entail realigning allocations under level 1 and level 2 of

the grants; Where the level 1 grant was revised from Ksh.1.76 billion to Ksh.3.43 billion to cater for FY 2024/25 carry overs. Consequently, the level two grant is revised down by a similar amount from Ksh.13 billion to Ksh.11.3 billion to cater for the changes.

- ii. Kenya Informal Settlement Improvement Project (KISIP)-These amendments involve reducing the funds to be sent to the counties under the World Bank (IDA) from Ksh.800,000,000 to Ksh.167,500,000 while increasing the allocation of AFD Funds from Ksh.1,000,000,000 to Ksh.2,500,000,000.
