Key Achievements of the National Gender and Equality Commission in the FY 2018/19

The Commission accomplished the following during FY 2018/19:

1. The Commission monitored state compliance with four (4) international treaties with and convention. These include Convention on the Rights of Persons with Disabilities (CRPD), 11th UN Open Working Group Session on Ageing, the 12th Session on the UN Convention on the Rights of Persons with Disabilities and the Universal Periodic Review.
2. NGECE held (44) stakeholder coordination forums to ensure a coordinated approach towards addressing issues of Special Interest Groups (SIGs). The stakeholders were drawn from both state and non-state actors. The coordination meetings provided a platform where issues affecting SIGs were deliberated upon.
3. Six (06) Equality and Inclusion Technical Working Groups (ETWGs) were established in Nyandarua, Nyamira, Malindi, Kitui, Tana River and Mandera Counties. These ETWGs are meant to inculcate a culture of respect for the principles of equality and freedom from discrimination in the respective areas.
4. Four (04) consultative meetings were held with members of Parliament and other stakeholders to lobby and enlist their support for The Constitution of Kenya Amendment Bill No. 4 of 2018 (Duale 2) on the 2/3 gender.
5. One hundred and eight (108) performance compliance reports from Ministries, Departments and Agencies were received, analyzed and certificates issued. The Commission issued 48 advisories in cases of non-compliance. The reports were

based on three key parameters namely 2/3 gender principle, 5% for Persons with Disabilities and representation for youth in employment.

6. A consultation forum was held with teachers from Kiambu, Nairobi, Machakos and Kajiado Counties to promote gender equality and inclusion in schools.
7. A Model Legislative and Policy Framework on Sexual and Gender Based Violence (SGBV) was formulated, published, launched and disseminated. This policy document was disseminated in Mandera, Nakuru, Bomet, Kirinyaga and Kitui counties. The model provides guidance on formulation of policies and enactment of laws. It also provides a coordination mechanism to County governments on critical issues on SGBV. The dissemination forums targeted County Executive, County Assembly and County Gender Technical Working Groups.
8. One hundred and fifty two (152) advisories were issued to public institutions and agencies on violations of the principles of equality and inclusion based on received complaints. The institutions and agencies included; Office of the President, the National Treasury, the National Assembly, the Senate, Public Service Commission, Governors in the 47 Counties, all the 47 County Assemblies and all the 47 County Assembly Service Boards. Others included the National Assembly's Constitutional Implementation Oversight Committee (CIOC), Justice and Legal Affairs Committee of the National Assembly, Senate Committee on Justice, Legal Affairs and Human Rights and the public.
9. Launching the *Legislative handbook: principles of equality and non-discrimination*. The handbook guides legislators on the understanding of principles of gender equality and inclusion. It contains information on international and regional standards, constitutional and legal framework on gender equality and inclusion. The launch was attended by representatives from the National Assembly, Senate, National and County Governments.
10. Regional offices monitored the inclusion of special interest groups in the public participation processes of the 2019/2020 budget hearing processes.
11. Commemoration of various National and International days and events such as the International Day of the Girl Child, International Day of the Older Persons, and International Day of Persons with Disability.
12. Reviewed 35 bills and policies at national and county government levels; public participation bill of 2018, division of revenue bill 2018, persons with disabilities bill (ongoing) and office of the County Attorney bill (ongoing)
13. Involvement in thirteen (13) public interest litigation cases meant to enhance respect for human rights, access to justice, equality and inclusion for special interest groups in social economic development agenda. The cases include:
 - a) In petition 313 of 2015, NGEK was joined in the case as an Interested Party. The case was seeking constitutional interpretation on whether the term "gender" as contained in the Constitution of Kenya, 2010 connotes the conventional binary male or female genders or includes a '3rd gender' and whether not more than two-thirds gender discourse should include a 3rd gender with a distinct quota in the National Assembly and the Senate. (Doc. 6)

*National Gender and Equality Commission Reports and Financial Statements
For the year ended June 30, 2019*

- b) In petition 12 of 2016, NGEC filed the case against the National Assembly for passing the Statute Law (Miscellaneous Amendment) Act, 2015 which deleted section 14 (b) of the National police Service Act (No. 11A of 2011), a key provision containing the Constitutional framework for mainstreaming gender equality in the National Police Service especially at top leadership as required by Article 27(6) and (8) of the constitution which the Commission challenges
- c) In petitions No. 605 and 606 of 2014, NGEC was joined in the two cases as *amicus curiae* (friend of the court). The case concerned an issue of forced and coerced sterilization of women living with HIV and AIDS and violation of constitutional rights especially sexual reproductive health rights
- d) In Petition 266 of 2015, NGEC was joined in the case as a friend of the court. The Ministry of Health through the Director of Medical Services to withdraw the Standards and Guidelines for reducing morbidity and Mortality from Unsafe Abortion in Kenya largely addressing the issue of unsafe abortions as a main cause despite the Constitution permitting abortion if in the opinion of a trained health professional, there is need for emergency treatment, or the life or health of the pregnant woman is in danger.
- e) In Judicial Review No. 11 of 2017, NGEC was joined in the case as Interested Party. The case concerned the appointment of members to the National Climate Change Council to represent the civil society by the Parliament. The proposed members of the Council did not meet the two-thirds gender principle as required by section 7 of the Climate Change Act, No. 11 of 2016 informing our joining the case.
- f) In Petition 226 of 2015, NGEC sued the Cabinet Secretary, Ministry of Labour and East African Community Affairs & another acting ultra vires and its failure to implement the Social Assistance Act 2013 and it acting ultra vires in contravention with Article 43 of the Constitution of Kenya 2010
- g) In Petition 409 of 2017, NGEC sued the IEBC challenging 2017 elections party nomination lists.
- h) In Kisumu Petition No. 23 of 2018, NGEC was joined in the case as an Interested Party. The case concerns unlawful detention of minor with mental disability by Holy Ghost church to receive spiritual healing where he and other children have been chained. It is premised on torture, cruel treatment, denial of right to health and degrading and inhuman treatment.
- i) Nakuru Petition No. 1 of 2019, NGEC sued the County Assembly of Nakuru challenging the de-whipping of female nominated MCAs from committees and leadership of the same. It also challenged the constitutionality of the SRC circular on mileage allowance for nominated MCAs.
- j) Nyeri Petition No. 1 of 2017, NGEC was joined in the case as Interested Party. The case is challenging the recruitment exercise of chief officers in Marsabit County where PWDs were not considered despite applying and being qualified

Emerging Issues

- a) High demand for social safety programs due to increased vulnerability of women, youth, and older members of the society, PWD and nomadic communities.
- b) Increased violation of principles of equality and inclusion in both private and public sphere with high incidence reported among children, older members of the society, minorities and Persons With Disabilities.
- c) Need for coordinated response to vulnerability of special interest groups on the following: Disasters, erratic climate changes, large natural resource mining, energy and infrastructure projects that displace population.

Challenges

The following challenges weighed heavily on the Commission's effort to effectively deliver on its strategic interventions:

- i. **Budgetary constraints:** Inadequate funding coupled with budget cuts which resulted in inability to effectively discharge its mandate
- ii. **Low staff establishment:** Under staffing of professional/technical levels and high technical staff turnover hampered effective service delivery. The Commission will initiate negotiation for recruitment of more staff.
- iii. Inability to fully operate County offices due to limited resources.

REPORT OF THE AUDITOR-GENERAL ON NATIONAL GENDER AND EQUALITY COMMISSION FOR THE YEAR ENDED 30 JUNE, 2019

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of the National Gender and Equality Commission set out on pages 26 to 39, which comprise the statement of financial assets and liabilities as at 30 June, 2019, and the statement of receipts and payments, statement of cash flows, and summary statements of appropriation – recurrent, development and combined for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the National Gender and Equality Commission as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the National Gender and Equality Commission Act, 2011 and the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of National Gender and Equality Commission in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There are no key audit matters to communicate in my report.

Other Matter

Pending Bills

As disclosed under Notes 13 to the financial statements, the Commission had pending bills totalling Kshs.2,882,138 as at 30 June, 2019 that were not settled during the year 2018/2019 but were instead carried forward to 2019/2020. Failure to settle bills during the year in which they relate to adversely affects the provisions of the subsequent year to which they have to be charged.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal control, risk management and governance were maintained in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash

Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Commission's ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Commission or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective manner.

Those charged with governance are responsible for overseeing the financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective manner, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Commission's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Commission to cease sustaining its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Commission to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.
