2.0 CONSIDERATION OF THE STATUTE LAW (MISCELLANEOUS AMENDMENTS) (NO. 2) BILL, 2023

2.1 Background Information

The Statute Law (Miscellaneous Amendments) (No. 2) Bill, 2023 seeks to among other Statutes, amend the Universities Act, 2012 (No. 42 of 2012)

2.2 Summary of the Bill

The Bill seeks to amend the Universities Act, 2012, to provide for the declaration of technical universities under section 25(1) of the Act in respect of public institutions that are or were national polytechnics. It also proposes to amend section 56(1) to provide that the Placement Board shall be responsible for placing all students, rather than only government-sponsored students, in universities and colleges.

2.3 Proposed amendment to Section 25 of the Universities Act, 2012 (No. 42 of 2012)

Delete subsection (2) and substitute therefore the following new subsection-

- (2) A declaration made under this section shall only apply to a public institution-
 - (a) that is or previously was a National Polytechnic within the meaning of the Technical and Vocational Education and Training Act, 2023; or
 - (b) that has the requisite physical facilities and human resource capacity that are appropriate for a technical university.

2.4 Proposed amendment to Section 56(1)(a)

Delete the words “government sponsored”.

3.0 PUBLIC PARTICIPATION IN THE REVIEW OF THE BILL

Article 118 (1) (b) of the Constitution of Kenya provides as follows: -

“Parliament shall facilitate public participation and involvement in the legislative and other business of Parliament and its Committees”

Standing Order 127(3) provides as follows-

“The Departmental Committee to which a Bill is committed shall facilitate public participation on the Bill through an appropriate mechanism, including-inviting submission of memoranda; holding public hearings; consulting relevant stakeholders in a sector; and

consulting experts on technical subject. (3A) The Departmental Committee shall take into account the views and recommendations of the public in its report to the House. ”

In line with the Constitution and Standing Orders, the National Assembly placed advertisements in the local daily newspapers on 22nd November, 2023 and invited the public to submit memoranda on the proposed amendments in the Bill as per annexure 2 of the report.

The Committee received written submissions on the proposed amendments to the Universities Act, 2012, (No. 42 of 2012) from the Ministry of Education.

The Ministry of Education

a. Commission for University Education (CUE)

In their written submissions on section 25, the Commission stated the following:

Section 25(1) on the declaration of Technical Universities, provides that “the President may, on the recommendation of the Cabinet Secretary , declare an institution to be a technical university subject to such conditions , standards and guidelines as may be specified by the Commission”.

Under section 25(2), the Act provides that “where a declaration under this section is made with respect to a public institution, it shall only apply where such institution is a National Polytechnic within the meaning of the Technical and Vocational Education and Training Act, 2013”.

Under Technical and Vocational Education and Training Act, 2013 a National Polytechnic is an institution which shall offer up to higher Diploma level and such an institution shall be established by the Cabinet Secretary by Order published in the Gazzette.

At the time of awarding charter to Technical University of Mombasa (30th January 2013) and Technical University of Kenya (17th January, 2013), Technical University of Mombasa was a constituent College of Jomo Kenyatta University of Agriculture and Technology (JKUAT) and Technical University of Kenya was a constituent college of University of Nairobi respectively.

The implications of these provisions is that both universities were chartered under section 19 of the Act instead of section 25.

Commission’s position

The Commission proposal is that section 25(2) of the Act be amended to read:

“Where a declaration under this section is made with respect to a public institution, it shall only apply where such institution is a or was a National Polytechnic within the meaning of the Technical and Vocational Education and Training Act, 2013.

Recommendation

Retain the current provisions of section 25(1) and amend section 25(2) by inserting the words “or was a” appearing before the words “is a” in the Universities Act, No. 42 of 2012.

b. Kenya Universities and Colleges Central Placement Service (KUCCPS)

- i. In their written submissions on **section 55**, KUCCPS stated the following:

The composition is silent on the Secretary to the Placement Service as the Secretary to the Board as provided for in the Mwongozo Code of Governance for State Corporations.

Recommendation

Propose to reduce Board membership to comply with Mwongozo Code of Governance for State Corporations.

Justification

This will ensure compliance with Mwongozo Code of Governance for State Corporations which provides that the Board membership shall be a maximum of 9 members

- ii. In their written submissions on section 56(1), KUCCPS stated the following:

The core function of the Placement Service has been linked with that of funding of students.

Justification

There is need to de-link placement and funding.

4.0 COMMITTEE OBSERVATIONS

The Committee while considering the Bill made the following key observations:

a) Section 25:

- i. This declaration should only apply to public National Polytechnics.

b) Section 56(1):

- i. The is need to separate funding and placement of students;

5.0 COMMITTEE RECOMMENDATIONS

Having considered the Bill and the views by different stakeholders, the Committee recommends that:

- (a) the Bill be passed with amendments by deleting the proposed amendments in section 25(2) of the Universities Act, 2012.

COMMISSION FOR UNIVERSITY EDUCATION COMMENTS ON PROPOSED AMENDMENTS IN THE STATUTE LAW (MISCELLANEOUS AMENDMENTS) (NO. 2) BILL, 2023 BY THE DEPARTMENTAL COMMITTEE ON EDUCATION.

Background

Section 25(1) on declaration of Technical Universities, provides that “The President may, on the recommendation of the Cabinet Secretary, declare an institution to be a technical university subject to such conditions, standards and guidelines as may be specified by the Commission”.

Under section 25(2), the Act provides that “Where a declaration under this section is made with respect to a public institution, it shall only apply where such institution is a National Polytechnic within the meaning of the Technical and Vocational Education and Training Act, 2013”

Under Technical and Vocational Education and Training Act, 2013 a National Polytechnic is an Institutions which shall offer up to higher Diploma level and such an Institution shall be established by the Cabinet secretary by Order published in the Gazette.

At the time of awarding charter to Technical University of Mombasa (30th January 2013) and Technical University of Kenya, (17th January, 2013), Technical University of Mombasa was a constituent College of Jomo Kenyatta University of Agriculture and Technology (JKUAT) and Technical University of Kenya was constituent college of University of Nairobi respectively.

The implication of these provisions is that both universities were chartered under section 19 of the Act instead of section 25.

Commission’s position

The Commission proposal is that section 25(2) of the Act be amended to read “Where a declaration under this section is made with respect to a public institution, it shall only apply where such institution is a or was a National Polytechnic within the meaning of the Technical and Vocational Education and Training Act, 2013”

Recommendations:

Retain the current provisions of section 25(1) and amend section 25(2) by inserting the words “or was a” appearing before the words “is a” the Universities Act, No. 42 of 2012.
