Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024

4. Board/Fund Chairperson's Report

The Turkana County Covid-19 Emergency Response Fund is established by and derives its authority and accountability from Public Finance Management (Turkana County covid-19 Emergency Response Fund) regulations 2020. The Fund is wholly owned by the County Government of Turkana and is domiciled in Kenya.

The fund's objective is to mobilize resources for emergency response towards containing the spread, effect and impact of covid-19 pandemic within Turkana County.

This Financial Statement is the fourth Set of the Statement since the inception of these Fund, this report covers a period of twelve months (12 months) from 1st July, 2023 to 30th June, 2024. The Fund was started in July 1 of the Financial Year 2020/2021 and the fund has since received cumulative funds amounting to Ksh, 556,676,113 since inception. In the current Financial Year 2023-2024 the fund has no budgetary a location. The fund only now runs on balances coming from refunds earlier borrowed from the fund. The low absorption for the funds in the Financial Year under review is attributed to challenges emanating from transition to a new administration and also by the fact the effects of the pandemic is no longer there even though the president has not declared end of the pandemic as stipulated in the regulations.

Chairperson

5. Report of The Fund Administrator

The Turkana County Covid-19 Emergency Response Fund is established by and derives its authority and accountability from Public Finance Management (Turkana County covid-19 Emergency response Fund) regulations 2020. The Fund is wholly owned by the County Government of Turkana and is domiciled in Kenya.

The fund's objective is to mobilize resources for emergency response towards containing the spread, effect and impact of covid-19 pandemic within Turkana County.

This Financial Statement is the Fourth Set of the Statement since the inception of these Fund, this report covers a period of twelve months (12 months) from 1st July, 2023 to 30th June, 2024. The Fund was started in July 1 of the Financial Year 2020/2021 and the fund has since received cumulative funds amounting to Ksh, 556,676,113 since inception. In the current Financial Year 2023-2024 the fund had no budgetary allocation. The Total expenditure for the fund in the Financial Year 2023-2024 was Kshs. 30,084,190 coming from refunds of early borrowed funds. This low absorption for the funds in the Financial Year under review is attributed to challenges emanating from transition to a new administration and end of the Covid-19 pandemic effects. Covid-19 has not yet been declared to have ended by the president as per its regulations.

6. Statement of Performance Against the County Fund’s Predetermined Objectives

Introduction

Section 164 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting Officer when preparing financial statements of each County Government entity Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the county government entity’s performance against predetermined objectives.

The key development objectives of the Turkana. County Covid-19 emergency response fund allocation for FY 2023-2024 as per approved plan are

- a) Support programmes and initiatives towards cushioning and provision of emergency relief to the most vulnerable, older and poor persons in urban informal settlements and rural poor nomadic pastoralists communities.
- b) To fund the purchase of essential supplies for public hospital and other related institutions, health professionals and other frontline workers, as need arise

Progress on attainment of Strategic development objectives

Below we provide the progress on attaining the stated objectives:

Program	Objective	Outcome	Indicator	Performance
Relief distribution	To respond to the Covid-19 crisis and to cushion affected population from the adverse effects of Covid-19 pandemic.	Food Distributed to targeted population Attained	Improved nutrition of the targeted population	In FY 21/22 we made sure all the hunger-stricken areas during these covid times have gotten the relief food supply as per the plan.
Water trucking and distribution of wash items	Improved access to water since hygiene is	Increased management and	Most of the public areas have continuous water	Most of the areas mapped for either hand wash

7. Corporate Governance Statement

The Turkana County Covid-19 Emergency Response Fund is established by and derives its authority and accountability from Public Finance Management (Turkana County covid-19 Emergency response Fund) regulations 2020. The Fund is wholly owned by the County Government of Turkana and is domiciled in Kenya.

Committee meeting

The Covid-19 board meetings shall be convened by the chairperson or in the absence of the chairperson, by a member designated by the chairperson and shall be convened at such times as maybe necessary for the discharge of the committee's functions. The quorum for meetings of the committee shall be chairperson and any other four members.

Under the Turkana County Covid-19 emergency response Fund regulation the Governor reserves the right to appoint and replace any member of the board for reasons of either incompetence or gross misconduct just to mention, there exists no service charter for these Fund since it's for responding to the covid-19 issues only.

During the period of the Fund, the fund administrator with secretariat of the fund had the chance to train on the Board member of the processes involved on the utilization of the Fund and controls placed before every payment is made.

There has been no Conflict-of-interest matters that rose at any point during the management of these fund.

The board members of these Fund are entitled to a sitting allowance during every meeting and transport reimbursement for those who have travel from far places these covers their remuneration under the Salary and Remuneration Commission.

8. Management Discussion and Analysis

The Turkana County Covid-19 Emergency Response Fund is established by and derives its authority and accountability from Public Finance Management (Turkana County covid-19 Emergency response Fund) regulations 2020. The Fund is wholly owned by the County Government of Turkana and is domiciled in Kenya

The fund's objective is to mobilize resources for emergency response towards containing the spread, effect and impact of covid-19 pandemic within Turkana County.

With the low effects of the Covid-19 pandemic this is therefore reason to no activities to the fund and no other resources been allocated either.

Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024

9. Environmental and Sustainability Reporting

The Turkana County Covid-19 Emergency Response Fund is established by and derives its authority and accountability from Public Finance Management Act (Turkana County covid-19 Emergency response Fund) regulations 2020. The Fund is wholly owned by the County Government of Turkana and is domiciled in Kenya.

These Fund having almost no going concern since its existence is only based on the current state of the pandemic and can come to end once the president declares the end of the Covid - 19 pandemic hence there has been no CSR that has been carried by the fund since its initiation.

11. Statement of Management’s Responsibilities

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of Turkana County Covid-19 Emergency Response Fund established by Turkana County Covid-19 Emergency Response Fund regulations 2020 shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator Turkana County Covid-19 Emergency Response Fund is responsible for the preparation and presentation of the Fund’s financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2024. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the fund; (iii) Designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) Safeguarding the assets of the fund; (v) Selecting and applying appropriate accounting policies; and (vi) Making accounting estimates that are reasonable in the circumstances.

The Administrator Turkana County Covid-19 Emergency Response Fund accepts responsibility for the Fund’s financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and Turkana County covid-19 emergency response fund regulation ,2020. The Administrator of the Fund is of the opinion that the Fund’s financial statements give a true and fair view of the state of Fund’s transactions during the financial year ended June 30, 2024, and of the Fund’s financial position as at that date.

Approval of the financial statements

The Fund’s financial statements were approved by the Board on 18/Nov 2024 and signed on its behalf by:

.....

Administrator of the County Public Fund

REPORT OF THE AUDITOR-GENERAL ON TURKANA COUNTY COVID-19 EMERGENCY RESPONSE FUND FOR THE YEAR ENDED 30 JUNE, 2024

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An Unmodified Opinion is issued when the Auditor-General concludes that the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Unmodified Opinion indicates the books of accounts and underlying records agree with the financial statements and that no material misstatements were found. The financial statements present fairly, in all material respects the operations of the entity. An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, is effective in the use of resources, or that its internal control, risk management and governance systems are properly designed and working effectively in the financial year under review.

The Report on the Financial Statements should be read together with the report on the Lawfulness and Effectiveness in the Use of Public Resources, and the report on the Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report aim to address the Auditor-General's statutory roles and responsibilities as provided by Article 229 of the Constitution, the Public Finance

Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of Turkana County Covid-19 Emergency Response Fund set out on pages 1 to 41, which comprise of the statement of financial position as at 30 June, 2024 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of Turkana County Covid-19 Emergency Response Fund as at 30 June, 2024 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management (Turkana County Covid-19 Emergency Response Fund) Regulations, 2020 and the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards for Supreme Audit Institutions (ISSAIs). I am independent of the Turkana County Covid-19 Emergency Response Fund Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter

Relevance of the Fund

As previously reported, the Fund was established through the Public Finance Management (Turkana County Covid-19 Emergency Response Fund) Regulations, 2020 to mobilize resources for emergency response towards containing the spread, effect and impact of Covid-19 Pandemic within Turkana County. However, the pandemic has since subsided and funds allocated to the Fund are largely unutilized as shown in the statement of financial performance where no funds were received in the year under review and an expenditure of Kshs.21,427,472 was incurred resulting in a deficit of Kshs.21,427,472. The unutilized funds of Kshs.108,296,248 described in the statement of financial position as current portion of long-term receivables from exchange transactions as disclosed in Note 13 to the financial statements, were then borrowed by the County Executive and are yet to be refunded.

In the circumstances, the mandate of the Fund has lapsed and therefore not relevant to the operations of the County Government of Turkana.

My opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Unresolved Prior Year Matters

The audit report for the year ended 30 June, 2023 highlighted issues under the report on lawfulness and effectiveness in use of public resources. Although Management has indicated in the report on progress made in follow up of auditor's recommendations that the matters were resolved immediately while others were unresolved, the actual status of the matters will be confirmed after they are discussed by the legislature.

Other Information

The Management is responsible for the other information set out on page iv to xviii which comprise of Key Entity Information and Management, The Board of Trustees, Management Team, Chairman's Statement, Report of the Fund Administrator, Corporate Governance Statement, Management Discussion and Analysis, Environmental and Sustainability Reporting, Report of the Trustees, Statement of Trustees Responsibilities, Statement of Performance Against Predetermined Objectives. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the Fund's financial statements, my responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I

confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Irregular Borrowing

The statement of financial position reflects current portion of long-term receivables from exchange transactions balance of Kshs.108,296,248 as disclosed in Note 13 to the financial statements. The balance is an outstanding short-term loan lent out to the County Executive of Turkana . However, there was no evidence of County Assembly and Board of Trustees' approval of the lending. This was contrary to Section 142(1) of the Public Finance Management Act, 2012 which requires County Government entities to seek the authority of the County Assembly to borrow cash on short term basis for cash management purposes only. Further there was no evidence that the lent amount was repaid within one (1) year as required by Section 142(3) of the Public Finance Management Act, 2012 which stipulates that a County Government entity that has any such borrowing shall ensure that the money borrowed is repaid within a year from the date it is borrowed.

In the circumstances, Management was in breach of the law.

2. Construction of Lokwii Water Project

As previously reported, the statement of financial position reflects property, plant and equipment balance of Kshs.5,884,762 as disclosed in Note 17 to the financial statements. The amount was incurred for the construction of a water supply project at Lokwii. The contract was signed on 21 January, 2022 with a contract period of four (4) months. However, physical inspection on November, 2024 noted that the project was incomplete and abandoned while the contractor was not on site. Further, the original contract and contract extension documents were not provided for audit.

In the circumstances, the value for money on the expenditure of Kshs.5,884,762 incurred on the abandoned water supply project could not be confirmed.

The audit was conducted in accordance with ISSAIs 3000 and 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAIs 2315 and 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk Management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and the Board of Trustees

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

The Board of Trustees is responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards for Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48

of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

FCPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024

18. Notes to the Financial Statements

1. General Information

The Turkana County Covid-19 Emergency Response Fund is established by and derives its authority and accountability from Public Finance Management (Turkana County covid-19 Emergency response Fund) regulations 2020. The Fund is wholly owned by the County Government of Turkana and is domiciled in Kenya.

The fund's objective is to mobilize resources for emergency response towards containing the spread, effect and impact of covid-19 pandemic within Turkana County

2. Statement of compliance and basis of preparation

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented. The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

3. Adoption of new and revised standards

Standard	Effective date and impact
IPSAS 41: Financial Instruments	<p>Applicable: 1st January 2023</p> <p>The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an Entity's future cash flows.</p> <p>IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none">• Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held;

Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024

Standard	Effective date and impact
	<ul style="list-style-type: none"> • Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and • Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an Entity’s risk management strategies and the accounting treatment for instruments held as part of the risk management strategy.
<p>IPSAS 42: Social Benefits</p>	<p>Applicable: 1st January 2023</p> <p>The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting Entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general-purpose financial reports assess:</p> <ul style="list-style-type: none"> (a) The nature of such social benefits provided by the Entity; (b) The key features of the operation of those social benefit schemes; and (c) The impact of such social benefits provided on the Entity’s financial performance, financial position and cash flows.
<p>Amendments to Other IPSAS resulting from IPSAS 41, Financial Instruments</p>	<p>Applicable: 1st January 2023</p> <ul style="list-style-type: none"> a) Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued. b) Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued. c) Amendments to IPSAS 30, to update the guidance for accounting for financial guarantee contracts which were inadvertently omitted when IPSAS 41 was issued.

**Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024**

Standard	Effective date and impact
	Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued.
Other improvements to IPSAS	<p><i>Applicable 1st January 2023</i></p> <ul style="list-style-type: none"> • <i>IPSAS 22 Disclosure of Financial Information about the General Government Sector.</i> <p>Amendments to refer to the latest System of National Accounts (SNA 2008).</p> <ul style="list-style-type: none"> • <i>IPSAS 39: Employee Benefits</i> <p>Now deletes the term composite social security benefits as it is no longer defined in IPSAS.</p> <ul style="list-style-type: none"> • IPSAS 29: Financial instruments: Recognition and Measurement <p>Standard no longer included in the 2021 IPSAS handbook as it is now superseded by IPSAS 41 which is applicable from 1st January 2023.</p>

(i) *New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2023.*

Standard	Effective date and impact:
IPSAS 43	<p><i>Applicable 1st January 2025</i></p> <p>The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cash flows of an Entity.</p> <p>The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities.</p>

**Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024**

Standard	Effective date and impact:
IPSAS 44: Non-Current Assets Held for Sale and Discontinued Operations	<p><i>Applicable 1st January 2025</i></p> <p>The Standard requires, Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and:</p> <p>Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance.</p>

(ii) Early adoption of standards

The Entity did not early – adopt any new or amended standards in the financial year 2023/ 2024

1. Significant Accounting Policies

a) Revenue recognition

i. Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

ii. Revenue from exchange transactions

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

Dividends

Dividends or similar distributions must be recognized when the shareholder's or the Entity's right to receive payments is established.

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b) Budget information

The original budget for FY 2023 was approved by the County Assembly on 15th June 2022. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

Summary of Significant Accounting Policies (Continued)

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section 1 of these financial statements.

c) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

d) Intangible Assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred.

The useful life of the intangible assets is assessed as either finite or indefinite.

e) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property. Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. *Subsequent to initial recognition, investment properties are measured using the cost model and are depreciated over an xx-year period or investment property is measured at fair value with gains and losses recognised through surplus or deficit.(entity to amend appropriately)* Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition.

Summary of Significant Accounting Policies (Continued)

f) Financial instruments

IPSAS 41 addresses the classification, measurement and de-recognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets. *The entity does not have any hedge relationships and therefore the new hedge accounting rules have no impact on the Company's financial statements. (amend as appropriate).* A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. At initial recognition, the entity measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through surplus or deficit, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

Financial assets

Classification of financial assets

The entity classifies its financial assets as subsequently measured at amortised cost, fair value through net assets/ equity or fair value through surplus and deficit on the basis of both the entity's management model for financial assets and the contractual cash flow characteristics of the financial asset. A financial asset is measured at amortized cost when the financial asset is held within a management model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. A financial asset is measured at fair value through net assets/ equity if it is held within the management model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. A financial asset shall be measured at fair value through surplus or deficit unless it is measured at amortized cost or fair value through net assets/ equity unless an entity has made irrevocable election at initial recognition for particular investments in equity instruments.

Subsequent measurement

Based on the business model and the cash flow characteristics, the entity classifies its financial assets into amortized cost or fair value categories for financial instruments. Movements in fair value are presented in either surplus or deficit or through net assets/ equity subject to certain criteria being met.

Summary of Significant Accounting Policies (Continued)

Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest, and that are not designated at fair value through surplus or deficit, are measured at amortized cost. A gain or loss on an instrument that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through net assets/ equity

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through net assets/ equity. Movements in the carrying amount are taken through net assets, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in surplus/deficit. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through surplus or deficit

Financial assets that do not meet the criteria for amortized cost or fair value through net assets/ equity are measured at fair value through surplus or deficit. A business model where the entity manages financial assets with the objective of realizing cash flows through solely the sale of the assets would result in a fair value through surplus or deficit model.

Trade and other receivables

Trade and other receivables are recognized at fair values less allowances for any uncollectible amounts. Trade and other receivables are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year end.

Impairment

The entity assesses, on a forward-looking basis, the expected credit loss ('ECL') associated with its financial assets carried at amortized cost and fair value through net assets/equity. The entity recognizes a loss allowance for such losses at each reporting date. Critical estimates and significant judgments made by management in determining the expected credit loss (ECL) are set out in *Note* .

Significant Accounting Policies (Continued)

Financial liabilities

Classification

The entity classifies its liabilities as subsequently measured at amortized cost except for financial liabilities measured through profit or loss.

g) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost. Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution. Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

h) Provisions

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

i) Social Benefits

Social benefits are cash transfers provided to i) specific individuals and / or households that meet the eligibility criteria, ii) mitigate the effects of social risks and iii) Address the need of society as a whole. The entity recognises a social benefit as an expense for the social benefit scheme at the same time that it recognises a liability. The liability for the social benefit scheme is measured at the best estimate of the cost (the social benefit payments) that the entity will incur in fulfilling the present obligations represented by the liability.

Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024

Summary of Significant Accounting Policies (Continued)

j) Contingent liabilities

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

Contingent assets

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

k) Nature and purpose of reserves

The Entity creates and maintains reserves in terms of specific requirements. *Entity to state the reserves maintained and appropriate policies adopted.*

l) Changes in accounting policies and estimates

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

m) Employee benefits – Retirement benefit plans

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

Summary of Significant Accounting Policies (Continued)

n) Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

o) Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

p) Related parties

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the CEO and senior managers.

q) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

r) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

Summary of Significant Accounting Policies (Continued)

5. Significant judgments and sources of estimation uncertainty

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

State all judgements, estimates and assumptions made e.g.

a) Estimates and assumptions –

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140.

b) Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

c) Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note .

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

Notes To The Financial Statements (Continued)

28. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments. Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the entity's management based on prior experience and their assessment of the current economic environment. The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

Description	Total amount Kshs	Fully performing Kshs	Past due Kshs	Impaired Kshs
At 30 June 2022				
Receivables From Exchange Transactions	-	-	-	-
Receivables From Non-Exchange Transactions	-	-	-	-

Bank Balances	-	-	-	-
Total	-	-	-	-

Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024

Notes To The Financial Statements (Continued)

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the entity has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has significant concentration of credit risk on amounts due from

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

b) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024

Notes To The Financial Statements (Continued)

c) Market risk

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

i. Foreign currency risk

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

The carrying amount of the entity's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Turkana County Covid-19 Emergency Response Fund
Annual Report and Financial Statements for the year ended June 30, 2024

Notes To The Financial Statements (Continued)

Foreign currency sensitivity analysis

The following table demonstrates the effect on the Fund's statement of financial performance on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

Description	Change in currency rate	Effect on surplus/ deficit	Effect on equity
	Kshs	Kshs	Kshs
(Current FY)			
Euro	10%	-	-
USD	10%	-	-
(Comparative FY)		-	-
Euro	10%	-	-
USD	10%	-	-

ii. Interest rate risk

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The entity's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

Sensitivity analysis

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year. Using the end of the year figures, the sensitivity analysis indicates the impact on the statement of comprehensive income if current floating interest rates increase/decrease by one percentage point as a decrease/increase of Kshs (2022: Kshs). A rate increase/decrease of 5% would result in a decrease/increase in profit before tax of Kshs. (2021 – Kshs).

19. Annexes

Annex I: Progress on Follow Up of Prior Year Auditor's Recommendations

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor.

Reference No. on the external audit Report	Issue / Observations from Auditor	Management comments	Status: (Resolved / Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
16.11.2023	<p>1. Irregular Internal Borrowing</p> <p>The statement of financial position reflects current portion of long-term receivables from non-exchange transactions balance of Kshs.99,779,648 as at 30 June, 2023 being outstanding short term loans lent out to the Turkana County Executive as shown in note 13 to the financial statements. However, there was no evidence of County Assembly and Board of Trustees' approval of the lending contrary to section 142(1) of the Public Finance Management Act, 2012 which requires County Government entities to seek the authority of the County Assembly to borrow cash on short term basis for cash management purposes only. There was also no evidence that the lent amounts were repaid promptly as</p>	All borrowings owed to the fund to be repaid through a supplementary budget	To be resolved	January 2025.

	<p>required by section 142(3) which stipulates that a county government entity that has any such borrowing shall ensure that the money borrowed is repaid within a year from the date on which it was borrowed.</p>			
16.11.2023	<p>Expenditure on Construction of Lokwii Water project</p> <p>The statement of financial position reflects property, plant and equipment amount of Kshs.5,884,,762 which was incurred in respect of a water project. Review of documents provided in support of the balance revealed that the amount was paid to a contractor on 12 August, 2022 vide Cheque No. 00153 and Payment Voucher No. 006 as payment for Certificate No. 1 of Tender No. TCG/F&P/148/202 1-2022 upon 60% completion of the construction of Lokwii Water Supply in Lokori/Kachodin ward in Turkana East Sub-County. However, the</p>	<p>The project is no longer under the fund since the fund had no going concern to manage a long term water project instead to be managed by the water ministry</p>	Resolved

	<p>following anomalies were noted:</p> <ul style="list-style-type: none"> i. The contract was signed on 21 January, 2022 and the expected date commencement of works was immediately after signing the contract whereupon the contract should have expired 4 (four) months after signing. No contract extension was provided for audit and the contractor was not on site as at November, 2023. Therefore, the project was long overdue and abandoned. ii. The expenditure
