5. The Fund Chairperson's Report

During the year under review, the fund did not witness any change in the composition of its board and management team. Despite financial constraints, the fund was able to utilize the available resources at its disposal to meet its objectives. Total revenue was Kshs 30,154,400, in addition, balance brought forward Kshs 3,963,069 and Cheques Reversed Kshs 1,328,000 (previous year Kshs. 42,000,000) while total expenses were Kshs 18,392,090 (previous year expenses Kshs. 53,155,790). For a fruitful impact, the fund should be allocated more funds.

The Physical progress based on outputs, outcomes and impacts since establishment of Baringo County Bursary and Scholarship Fund is that there has been increase in fund beneficiaries due to

Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023

continuous budget allocation. The value-for-money has been achieved since the needy bright students who were supported through the fund had been increasing while most of them have completed their courses.

The implementation challenges of strategic objectives for the Baringo County Bursary and Scholarship Fund may include the time taken being too long due to the procedure followed till the approval of the real achievement of the desired list of beneficiaries and its future outlook is encouraging as the budget allocation for the coming year of Kshs 42,000,000.00 will enable the Fund to undertake its mandate in line with the fund's strategic plan.

Some of the key risk management strategies include frequent changes of the management team members as well as delay in funds disbursement by the County Treasury and improper record keeping.

Signed: 

Tom Tubei

Fund Administrator / Secretary

**Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023**

7. Statement of Performance Against the County Fund's Predetermined Objectives

Section 164 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Accounting Officer when preparing financial statements of each County Government Fund Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the county government fund's performance against predetermined objectives.

The key development objectives of the Baringo County Bursary and Scholarship Fund 2022-2023 plan are to:

- a) Ensure timely and efficient disbursement of funds to the identified needy students;
- b) Ensure the compilation of proper records, returns and reports from the wards;
- c) Receive and address complaints and disputes and take any appropriate action in consultation with the ward bursary committee;
- d) Approve the funding of needy students in accordance with the relevant policy and send funds to the respective institution's accounts of the approved beneficiaries;
- e) Oversee the policy framework and matters that may arise in relation to the fund;
- f) Make reports, other than the statutory report, to appraise the County Assembly on various matters relating to the Fund and seek various approvals as required by the Act.

**Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023**

8. Corporate Governance Statement

The Fund Administration Committee meetings held were three and the attendance to those meetings by members was satisfactory,

The succession plan of the fund is that when a member resigns or retires or removed a new member shall be appointed or replaced on such terms and conditions as may be specified in the instrument of appointment, An appointed of a board member shall hold office for a period of five years or until new members of the board are appointed and Administration Committee members are removed from office by the Governor on recommendation of the Board if the member has been absent from three consecutive meetings of the Board without its permission and is convicted of a criminal offence that amounts to a felony under the laws of Kenya, or is incapacitated by prolonged physical or mental illness for a period exceeding six months; or is otherwise unable or unfit to discharge his or her duties

The roles and functions of the Administration Committee member, the executive committee Member for Education chairs the meetings, the County Chief Officer in charge of Finance is financial advisor, the County Chief Officer Education is the Secretary and Fund administrator, the four members appointed by the Governor represent the interest of the public, the County Director of Education (MoE) as member to support proper implementation Education policies, the KESSHA chairman to present the interest of Secondary School head teachers and Director – Vocational Youth Training to assist in ascertaining the needy tertiary students. The induction and training, Administration Committee members and member's performance is not usually done due to insufficient management resources,

To address conflict of interest the board members are advised to avoid any specific interest during bursary awards, but if there is any it is stated that in case there is such incident then it should be declared early enough so that relevant member may not attend the meeting or may be exempted during the Bursary or Scholarship award process., The members of the board are not entitled for remuneration, but the allocation of 3% of the Fund, administrative expenses is used to pay sitting allowances and transport reimbursement during the meetings held.

The members are guided by Chapter Six of the constitution so as to work while observing the integrity issues on allocating bursary and scholarship funds. All beneficiaries shall be vetted through a transparent, equitable and fair process that is Community-based in order to ensure that prospective benefits of the fund are available to a widespread cross-section of needy students.

The Fund core mandate is to provide financial assistance to needy but bright students and scholarship to vocational trainees from Baringo County, therefore there is no project or investment decision implemented or ongoing,

The Fund is prepared in accordance with Public Finance Management Act, 2012 and Baringo County Bursary and Scholarship Fund Regulations, 2018.

There are no major risks facing the Fund since all beneficiaries are vetted fairly with transparency, also, material areas in statutory and other financial obligations are not applicable.

10. Environmental and Sustainability Reporting

Baringo County Bursary and Scholarship Fund exists to transform lives by providing financial assistance to needy but bright students and vocational trainees. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on Basic and Tertiary education pillars: putting the beneficiaries first, delivering equitable access to skills and opportunities for the Youth, and improving operational excellence. Below is a brief highlight of our achievements in each pillar.

1. Sustainability strategy for Basic Education

The top management especially the accounting officer made reference to sustainable efforts, broad trends in bursary and scholarship assistance affecting sustainability of studies, in reference to the best practices for fair and equitable educational opportunities.

2. Sustainability strategy for Tertiary Education

The fund provides evidence of the policy that guides the scholarship programme to the trainees in vocational training centres or technical institutions for the sake of sustainable livelihood thereafter.

3. Employee welfare

The Fund set aside 3% of the total budget allocation to cater for the Administration Expenses during board, Management and ward meeting allowances and transport reimbursements.

4. Market place practices

The Fund tries its best give notices for applicants to take opportunity at equal chance through proper communication

a) Responsible competition practice.

All applicants are vetted through a transparent, democratic, equitable and fair process that is community-based in order to ensure that prospective benefits of the Fund are available to widespread cross-section of needy students in the entire Baringo County.

b) Responsible Supply chain and supplier relations

The Fund ensures that every student wishing to be considered for bursary or scholarship shall make an application to respective ward committee by filling a prescribed application form.

**Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023**

c) Responsible marketing and advertisement

The Fund ensures that every applicant gets the prescribed form at convenient point that is at ward level and at low costs.

d) Product stewardship

The Fund enables applicants to deposit their forms at ward level

5. Community Engagements

The fund engages the Community in ward and board committees. Respective ward committee members compost of ward administrator as secretary, one youth, two women and two men appointed by Executive Committee Member of Education, a person with disability, a religious person and a chief in the ward. In the board there are four community members appointed by the Governor.

**Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023**

11. Report of The Fund Administration Committee

The Trustees submit their report together with the audited financial statements for the year ended June 30, 2023 which show the state of the Fund affairs.

Principal activities

The principal activities of the Fund are; -

1. Make provision for the granting of bursaries and scholarships
2. The enhancement of equitable access to skills and opportunities for the youth of Baringo County
3. Assisting students and trainees from needy and disadvantaged backgrounds to obtain education
4. Helping students to continue in education and training where financial barriers are evident
5. Providing mentorship program for beneficiaries of the fund; and
6. Ensuring that students are retained in school after enrolment thus equalizing educational opportunities through bursary and scholarship subsidies among children from poor households.

Results

Annual Report and Financial Statements for the year ended June 30, 2023**

12. Statement of Management's Responsibilities

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a Baringo County Bursary and Scholarship Fund established by the Public Finance Management Act 2012 and Baringo County Bursary and Scholarship Fund Regulations 2018, shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the Baringo County Bursary and Scholarship Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2023. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Fund; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Fund; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Administrator of the Baringo County Bursary and Scholarship Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and Baringo County Bursary and Scholarship Fund Regulations 2018. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2023, and of the Fund's financial position as at that date. The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Administrator of the Baringo County Bursary and Scholarship Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements. Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Fund's financial statements were approved by the Board on _____, 2023 and signed on its behalf by:

REPORT OF THE AUDITOR-GENERAL ON BARINGO COUNTY BURSARY AND SCHOLARSHIP FUND OR THE YEAR ENDED 30 JUNE, 2023

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on the Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Baringo County Bursary and Scholarship Fund set out on pages 1 to 39, which comprise of the statement of financial

position as at 30 June, 2023 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Baringo County Education Bursary and Scholarship Fund as at 30 June, 2023 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management (Baringo County Education Bursary and Scholarship Fund) Regulations, 2018 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Inaccuracies in the Financial Statements

1.1. Misclassification of Bursary Cheques Written Back

The statement of financial performance and the statement of cash flows for the period reflects adjustments during the year of reversed cheques of Kshs.1,328,000 which relates to bursary cheques written back but classified as other gains as disclosed in Note 11 to the financial statements. It was noted that this was a misclassification because written back cheques do not amount to other gains but should have been reversed into the account they were previously charged to. Further, the reversed cheques were not recorded in the cashbook casting doubt on the double entry for the reversal.

In the circumstances, the accuracy and classification of the adjustments during the year of reversed cheques of Kshs.1,328,000 could not be confirmed.

1.2. Incomplete Disclosure of Net Cash Flows from Operating Activities

The statement of cash flows reflects net cash flows from operating activities of Kshs.11,762,310 as reflected in Note 26 to the financial statements. However, Note 26 to the financial statements does not provide details of the make up the net cash flows from operating activities.

In the circumstances, the accuracy and completeness of the net cash flows from operating activities of Kshs.11,762,310 could not be confirmed.

2. Unsupported Amount for Use of Goods and Services

The statement of financial performance reflects use of goods and services of Kshs.18,392,090 as disclosed in Note 7 to the financial statements. The amount includes an expenditure of Kshs.1,302,000 which was incurred on emergency bursary and

scholarship needs which was not supported by application forms, vetting reports and justification for emergency needs.

In the circumstance, the accuracy, validity and propriety of emergency bursary and scholarship needs of Kshs.1,302,000 could not be confirmed.

3. Inaccuracies in Cash and Cash Equivalents

The statement of financial position reflects cash and cash equivalents balance of Ksh.17,053,379 as disclosed in Note 13 to the financial statements. However, the balance differs with the cash book balance of Kshs.16,684,379 resulting to an unexplained and unreconciled variance of Kshs.369,000. Further, review of the bank reconciliation statement for the month of June, 2023 revealed payments in cashbook but not yet recorded in bank statement amounting to Kshs.1,228,600 which includes stale cheque amounting to Kshs.537,000 which had not been written back into the cash book.

In the circumstances, the accuracy and completeness of cash and cash equivalents balance of Ksh.17,053,379 could not be confirmed.

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs). I am independent of the Baringo County Bursary and Scholarship Fund Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Unresolved Prior year Matters

In the audit report of the previous year, several paragraphs were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in Use of Public Resources. However, Management has not resolved the issues or given any explanation for the failure to adhere to the provisions of the Public Sector Accounting Standards Board template.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution and based on the audit procedures performed, except for the matter described in the Basis for Conclusion on Lawfulness and

Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Unbalanced Budget

The statement of comparison of budget and actual amounts reflects total final revenue and expenditure budgets of Kshs.30,154,400 and Kshs.18,392,090 respectively resulting in budget imbalance Kshs.13,090,310. This is contrary to Regulation 31 (c) of the Public Finance Management (County Governments) Regulations, 2015 which states that budget revenue and expenditure appropriations should be balanced.

In the circumstances, Management was in breach of the law.

Basis for Conclusion

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAI) 4000. The Standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015 and based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs) 2315 and 2330. The Standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and those Charged with Governance

The Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal controls as the Management determines is necessary to enable the preparation of financial statements that are free

from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, the Management is responsible for assessing the Fund's ability to continue to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Fund or to cease operations.

The Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, the Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with overall governance are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in

accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal controls that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Fund to cease to sustain services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

| Expenses | | | | | | |
| Employee Costs | - | - | - | - | - | - |
| Use of goods and services | 2,200,000 | - | 2,200,000 | 541,090 | 1,658,910 | 25% |
| Disbursements to Beneficiaries | 41,800,000 | - | 41,800,000 | 17,851,000 | 23,949,000 | 43% |
| Total Expenditure | 44,000,000 | - | 44,000,000 | 18,392,090 | 25,607,910 | 42% |
| Surplus For the Period | - | - | - | 13,090,310 | (11,762,310) | - |
| Capital expenditure | - | - | - | - | - | - |

Budget notes

1. An explanation of changes between original and final budget indicates that the difference was due to the delay of allocation disbursement as at the year ended 30th June, 2023 by Ksh 13,845,600 (32%) (IPSAS 24.29)

Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023

19. Notes to the Financial Statements

1. General Information

The Baringo County Bursary and Scholarship Fund is established by and derives its authority and accountability from Baringo County Bursary and Scholarship Fund Regulations 2018. The Fund is wholly owned by the County Government of Baringo and is domiciled in Kenya.

The overall objective of the Fund is to provide financial assistance to needy but bright students and vocational trainees from Baringo County.

The Fund's principal activity is to provide financial assistance to needy but bright students and vocational trainees from Baringo County.

The Baringo County Bursary and Scholarship Fund's principal activity is;

1. Make provision for the granting of bursaries and scholarships
2. The enhancement of equitable access to skills and opportunities for the youth of Baringo County
3. Assisting students and trainees from needy and disadvantaged backgrounds to obtain education
4. Helping students to continue in education and training where financial barriers are evident
5. Providing mentorship program for beneficiaries of the fund; and
6. Ensuring that students are retained in school after enrolment thus equalizing educational opportunities through bursary and scholarship subsidies among children from poor households.

2. Statement of compliance and basis of preparation

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented. The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

3. Adoption of new and revised standards

- (i) New and amended standards and interpretations in issue but not yet effective in the year ended 30th June, 2023

(iii) Early adoption of standards

The Fund did not early – adopt any new or amended standards in the financial year

Significant Accounting Policies

a) Revenue recognition

i. Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the fund and can be measured reliably.

ii. Revenue from exchange transactions

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net

Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023

carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

Dividends

Dividends or similar distributions must be recognized when the shareholder's or the Fund's right to receive payments is established.

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b) Budget information

The original budget for FY 2022/2023 was approved by the County Assembly on 25th May, 2022. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the fund upon receiving the respective approvals in order to conclude the final budget. Accordingly, the Fund recorded additional appropriations of Ksh 2,000,000 on the FY 2022/2023 budget following the governing body's approval.

The fund's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

Summary of Significant Accounting Policies (Continued)

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section 18 of these financial statements.

c) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the fund recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

d) Intangible Assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred.

The useful life of the intangible assets is assessed as either finite or indefinite.

e) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property. Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition.

Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023

Summary of Significant Accounting Policies (Continued)

f) Financial instruments

IPSAS 41 addresses the classification, measurement and de-recognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets. The fund does not have any hedge relationships and therefore the new hedge accounting rules have no impact on the Company's financial statements. A financial instrument is any contract that gives rise to a financial asset of one fund and a financial liability or equity instrument of another fund. At initial recognition, the fund measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through surplus or deficit, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

Financial assets

Classification of financial assets

The fund classifies its financial assets as subsequently measured at amortised cost, fair value through net assets/ equity or fair value through surplus and deficit on the basis of both the fund's management model for financial assets and the contractual cash flow characteristics of the financial asset. A financial asset is measured at amortized cost when the financial asset is held within a management model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. A financial asset is measured at fair value through net assets/ equity if it is held within the management model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. A financial asset shall be measured at fair value through surplus or deficit unless it is measured at amortized cost or fair value through net assets/ equity unless an fund has made irrevocable election at initial recognition for particular investments in equity instruments.

Subsequent measurement

Based on the business model and the cash flow characteristics, the fund classifies its financial assets into amortized cost or fair value categories for financial instruments. Movements in fair value are presented in either surplus or deficit or through net assets/ equity subject to certain criteria being met.

Summary of Significant Accounting Policies (Continued)

Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest, and that are not designated at fair value through surplus or deficit, are measured at amortized cost. A gain or loss on an instrument that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through net assets/ equity

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through net assets/ equity. Movements in the carrying amount are taken through net assets, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in surplus/deficit. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through surplus or deficit

Financial assets that do not meet the criteria for amortized cost or fair value through net assets/ equity are measured at fair value through surplus or deficit. A business model where the fund manages financial assets with the objective of realizing cash flows through solely the sale of the assets would result in a fair value through surplus or deficit model.

Trade and other receivables

Trade and other receivables are recognized at fair values less allowances for any uncollectible amounts. Trade and other receivables are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year end.

Impairment

The fund assesses, on a forward-looking basis, the expected credit loss ('ECL') associated with its financial assets carried at amortized cost and fair value through net assets/equity. The fund recognizes a loss allowance for such losses at each reporting date. Critical estimates and significant judgments made by management in determining the expected credit loss (ECL) are set out in *Note xx*.

Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023

Significant Accounting Policies (Continued)

Financial liabilities

Classification

The fund classifies its liabilities as subsequently measured at amortized cost except for financial liabilities measured through profit or loss.

g) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost. Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution. Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Fund.

h) Provisions

Provisions are recognized when the Fund has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Fund expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

i) Social Benefits

Social benefits are cash transfers provided to i) specific individuals and / or households that meet the eligibility criteria, ii) mitigate the effects of social risks and iii) Address the need of society as a whole. The fund recognises a social benefit as an expense for the social benefit scheme at the same time that it recognises a liability. The liability for the social benefit scheme is measured at the best estimate of the cost (the social benefit payments) that the fund will incur in fulfilling the present obligations represented by the liability.

Summary of Significant Accounting Policies (Continued)

j) Contingent liabilities

The Fund does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

Contingent assets

The Fund does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Fund in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

k) Nature and purpose of reserves

The Fund creates and maintains no reserves in the fund.

l) Changes in accounting policies and estimates

The Fund recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

m) Employee benefits – Retirement benefit plans

The Fund provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an fund pays fixed contributions into a separate fund (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023

Summary of Significant Accounting Policies (Continued)

n) Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

o) Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

p) Related parties

The Fund regards a related party as a person or an fund with the ability to exert control individually or jointly, or to exercise significant influence over the Fund, or vice versa. Members of key management are regarded as related parties and comprise the directors, the CEO and senior managers.

q) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

r) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

Summary of Significant Accounting Policies (Continued)

5. Significant judgments and sources of estimation uncertainty

The preparation of the Fund's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

State all judgements, estimates and assumptions made e.g.

a) Estimates and assumptions –

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Fund based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Fund. Such changes are reflected in the assumptions when they occur. IPSAS 1.140.

b) Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Fund
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

c) Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note xxx.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

29. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments. Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the fund's management based on prior experience and their assessment of the current economic environment. The carrying amount of financial assets recorded in the financial statements representing the fund's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

| Description | Total amount Kshs | Fully performing Kshs | Past due Kshs | Impaired Kshs |
|--|------------------------------|----------------------------------|--------------------------|--------------------------|
| At 30 June 2022 | | | | |
| Receivables From Exchange Transactions | - | - | - | - |
| Receivables From Non-Exchange Transactions | - | - | - | - |
| Bank Balances | - | - | - | - |
| Total | - | - | - | - |
| At 30 June 2021 | | | | |

| Receivables From Non-Exchange Transactions | - | - | - | - |
| Bank Balances | - | - | - | - |
| Total | - | - | - | - |

Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023

Notes To The Financial Statements (Continued)

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the fund has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The fund has significant concentration of credit risk on amounts due from xxx

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

b) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the fund's short, medium and long-term funding and liquidity management requirements. The fund manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

| Description | Less than 1 month | Between 1-3 months | Over 5 months | Total |

**Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023**

Notes To The Financial Statements (Continued)

c) Market risk

The board has put in place an internal audit function to assist it in assessing the risk faced by the fund on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the fund's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the fund's exposure to market risks or the manner in which it manages and measures the risk.

i. Foreign currency risk

The fund has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

The carrying amount of the fund's foreign currency denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

| Description | | Other currencies | Total |
|---|------|------------------|-------|
| | Kshs | Kshs | Kshs |
| At 30 June, 2023 | | | |

Baringo County Education Bursary and Scholarship Fund
Annual Report and Financial Statements for the year ended June 30, 2023

Notes To The Financial Statements (Continued)

Foreign currency sensitivity analysis

The following table demonstrates the effect on the Fund's statement of financial performance on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

| Description | Change in currency rate | Effect on surplus/ deficit | Effect on equity |
|------------------|----------------------------|-------------------------------|---------------------|
| | Kshs | Kshs | Kshs |
| 2022/2023 | | | |
| Euro | 10% | - | - |
| USD | 10% | - | - |
| 2021/2022 | | | |
| Euro | 10% | - | - |
| USD | 10% | - | - |

ii. Interest rate risk

Interest rate risk is the risk that the fund's financial condition may be adversely affected as a result of changes in interest rate levels. The fund's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

Sensitivity analysis

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year. Using the end of the year figures, the sensitivity analysis indicates the impact on the statement of comprehensive income if current floating interest rates increase/decrease by one percentage point as a decrease/increase of Kshs Nil (2022: Kshs Nil). A rate increase/decrease of 5% would result in a decrease/increase in profit before tax of Kshs Nil (2021 – Kshs Nil).

Annual Report and Financial Statements for the year ended June 30, 2023

Notes To The Financial Statements (Continued)

d) Capital risk management.

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The fund capital structure comprises of the following funds:

| Description | 2022/2023 | 2021/2022 |
|---|-----------|-----------|
| | Kshs | Kshs |
