5. Fund Chairperson's Report

I have the pleasure of presenting the Annual Report and Financial Statements for Kirinyaga County Executive Mortgage Scheme Fund for the period ended 30th June, 2024. These annual financial reports have been prepared in accordance with the Generally Accepted Accounting Principles (GAAPs), the International Accounting Standards (IAS), the International Public Sector Accounting Standards (IPSAS) accrual basis, and Section 116 of the Public Finance Management Act, 2012.

Kirinyaga County Executive Mortgage Scheme Fund was established in line with Section 116 of Public Finance Management Act, 2012 with the approval of the County Assembly of Kirinyaga through the Kirinyaga County Staff Mortgage Scheme Fund Regulations, 2016.

The County endeavoured to abide by the Public Finance Management procedures and regulations, which included; Procurement and Disposals Act, Public Finance Management Act, 2012 among others to ensure optimal utilisation of the County Resources and achieve value for money as enshrined in the Constitution of Kenya 2010.

Currently the Fund has a mortgage loans portfolio of Kshs 223,526,162 and we are working towards achieving our objective through covering as many members of staff as possible. However, to cover all the Staff Members and Management we are endeavouring to allocate additional seed capital to the Fund in future.

Jacqueline Njogu
C.E.C.M- Finance and Economic Planning & Head of County Treasury

6. Report of The Fund Administrator

Kirinyaga County Executive mortgage fund was established to provide a loan scheme for the purchase, development, renovation or repair of residential property to members of staff. The fund caters for county executive officers who are either on permanent employment or on contract. The fund operates as a revolving fund.

The County Government of Kirinyaga entered into an agreement with Fortune Sacco Society Limited to administer the Fund on our behalf. The Fund Administration Committee keeps a closer supervision of the Sacco and has to approve any amount being disbursed for adequate checks. All the loans being disbursed are secured and an insurance cover is there to cushion the County just in-case of any eventuality. To further safeguard the funds, the properties are always charged and jointly registered between the County Government of Kirinyaga and the beneficiary.

In the Financial ended 2023/2024, the fund disbursed mortgage worth Kshs 48,840,212 to staff members thereby increasing home ownership and supporting affordable Housing Pillar of the Governments Bottom-Up Economic Model. The Fund continues to operate within approved guidelines for the mortgage scheme fund, however the fund had the following challenges;

- Inconsistent cash flow occasioned by the delayed disbursements of funds to County Governments from the National Treasury contributed to poor implementation of work plans thus affecting objectives achievement.
- The demand for the mortgage is always high compared to the available resources. This leads to a prolonged application process where the applicants have to wait for long periods before disbursements are made. Disbursement is done subject to availability of funds.

James Muguku Kimaru
Fund Administrator

Kirinyaga County Executive Staff Mortgage Scheme Fund
Annual Report and Financial Statements for the year ended June 30, 2024

7. Statement of Performance Against the County Fund’s Predetermined Objectives

Section 164 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each quarter, the Accounting Officer when preparing financial statements of each County Government Entity Government entities in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the county government entity’s performance against predetermined objectives.

The key objectives of the Kirinyaga County Executive Staff Mortgage Scheme Fund are to:

- I. Provide a loan scheme for the purchase, development, renovation or repair of residential property by members of the Scheme;
- II. Provide a loan scheme for the refinancing of an existing mortgage facility
- III. Provide a loan scheme for the purchase of a parcel of land for residential development

Progress on attainment of the fund's objectives

For purposes of implementing and cascading the above fund objectives to specific sectors, all the objectives were made specific, measurable, achievable, realistic and time-bound (SMART) and converted into fund outcomes. Attendant indicators were identified for reasons of tracking progress and performance measurement.

Below we provide the progress on attaining the stated objectives:

Program	Objective	Outcome	Indicator	Performance
Kirinyaga County Executive Staff Mortgage Scheme Fund	To provide loan facility for purchase and development of residential houses	Decent housing for Kirinyaga County staff	The number of staff advanced loan facility for property (land) purchase and personal residential house development	In the FY2023-2024 twenty-three (23) staff members were advanced loan facility for property(land) purchase and personal residential house development

8. Corporate Governance Statement

Kirinyaga County Executive Staff Mortgage Scheme Fund is established pursuant to section 116 of the Public Finance Management Act, 2012. The Approved County Executive Staff Mortgage Scheme Fund Regulations of 2016 by the County Assembly establishes the Executive Staff Mortgage Advisory Committee. The committee consists of the following members;

- a) The county Executive Committee Member of finance who shall be the chairperson
- b) The county executive committee member for Lands
- c) The Chief Officer Finance
- d) The County Secretary or his nominee
- e) County Executive Member for Health
- f) Fund Administrator

The Advisory Committee shall be supported by a secretariat consisting of

- a) Director Administration
- b) County Attorney
- c) Two County Treasury nominee nominated by the County Head of Treasury

The meetings of the committee shall be convened by the chairperson or in absence of chairperson, by a member designated by the chairperson and shall be convened at such times as may be necessary. The officer administering the fund in accordance with PFM Act 2012 shall;

- a) Supervise and control the administration of the fund
- b) Utilize the interest accruing there to defray operating expense and may impose any reasonable restrictions or other requirements
- c) Keep book of accounts and other records

9. Management Discussion and Analysis

It has been nine (9) financial years since the introduction of the Kirinyaga County Mortgage Scheme Fund. The fund currently has a mortgage portfolio amounting to Kshs 223,526,162 which is a good progress compared to the limited available resources mainly received through the annual budgetary allocation and salaries recoveries. Though the Fund may enter into a viable financing and development partnership with a legal entity for the purpose of achieving the objectives of the Fund, the fund has never exercised this power to borrow.

The Fund continues to operate within approved guidelines for the Mortgage Scheme Fund, we are keen on loan repayment time frames. The guidelines adopted requires, among other matters, the Management to obtain a valuation of all properties that are taken as security, and thereafter register a charge for any property financed under the Fund to effectively secure the loans.

To enhance the performance of the Fund, the Management appointed Fortune Sacco Society Limited as the Financial Institution to Administer the Fund for the period reported. The Functions of the Financial Institution are;

- (a) operate individual accounts for each borrower, and provide details of recoveries of the loan;
- (b) charge security on properties acquired through loans from the Fund and act as a custodian of such charges;
- (c) transfer funds for newly approved loans to borrowers after the necessary documentation is provided;
- (d) pay all outgoings and issue demand notices to defaulting borrowers through the officer administering the Fund;
- (e) upon repayment of the loan, interest and other expenses which may be outstanding, discharge the charge and release the security documents to the borrower;
- (f) and perform such other duties as may be assigned from time to time.

The Fund has been achieving its objectives over the Seven financial years since its establishment even with the limited resources available to operate.

10. Environmental and Sustainability Reporting

Executive county Mortgage fund exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on PFM Act pillars: putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a brief highlight of our achievements in each pillar

1. Sustainability strategy and profile -

The top management especially the accounting officer should make reference to sustainable efforts, broad trends in political and macroeconomic affecting sustainability priorities, reference to international best practices and key achievements and failure.

2. Environmental performance

Outline clearly, environmental policy guiding the organisation, provide evidence of the policy. Outline successes, shortcomings, efforts to manage biodiversity, waste management policy and efforts to reduce environmental impact of the organisation's products.

3. Employee welfare

Give account of the policies guiding the hiring process and whether they take into account the gender ratio, whether they take in stakeholder engagements and how often they are improved. Explain efforts made in improving skills and managing careers, appraisal and reward systems. The organisation should also disclose their policy on safety and compliance with Occupational Safety and Health Act of 2007, (OSHA).

4. Market place practices-

The organisation should outline its efforts to:

a) Responsible competition practice.

Explain how the organisation ensures responsible competition practices with issues like anti-corruption, responsible political involvement, fair competition and respect for competitors

b) Responsible Supply chain and supplier relations- explain how the organisation maintains good business practices, treats its own suppliers responsibly by honouring contracts and respecting payment practices.

c) Responsible marketing and advertisement-outline efforts to maintain ethical marketing practices

d) Product stewardship- outline efforts to safeguard consumer rights and interests

5. Corporate Social Responsibility / Community Engagements

Give evidence of community engagement including charitable giving (cash & material), Community Social Investment and any other forms of community

Kirinyaga County Executive Staff Mortgage Scheme Fund
Annual Report and Financial Statements for the year ended June 30, 2024

11. Report of The Trustees/ Fund Administration Committee

The Trustees submit their report together with the audited financial statements for the period ended June 30, 2024 which show the state of the Fund affairs.

Principal activities

The principal activities of the Fund are *found on page iii*

Results

The results of the Fund for the period ended June 30, 2024 are set out on page xi

Trustees

The members of the Board of Trustees who served during the year are shown on page iv

Auditors

The Auditor General is responsible for the statutory audit of the Fund in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015.

By Order of the Board

.....
Chair of the Fund Administration Committee

Date: 19/12/2024

Kirinyaga County Executive Staff Mortgage Scheme Fund
Annual Report and Financial Statements for the year ended June 30, 2024

12. Statement of Management's Responsibilities

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a County Public Fund established by the Kirinyaga County Executive Staff Mortgage Scheme Fund Regulations, 2016 shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the County Public Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2024. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Fund; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Fund; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Administrator of the County Public Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and the Kirinyaga County Executive Staff Mortgage Scheme Fund Regulations, 2016. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2024, and of the Fund's financial position as at that date. The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Administrator of the County Public Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements. OR

Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Fund's financial statements were approved by the Board on 19/12/ 2024 and signed on its behalf by:

.....

Fund Administrator
James Muguku Kimaru

REPORT OF THE AUDITOR-GENERAL ON KIRINYAGA COUNTY EXECUTIVE STAFF MORTGAGE SCHEME FUND FOR THE YEAR ENDED 30 JUNE, 2024

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources, and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Kirinyaga County Executive Staff Mortgage Scheme Fund set out on pages 1 to 39, which comprise of the statement of

Report of the Auditor-General on Kirinyaga County Executive Staff Mortgage Scheme Fund for the year ended 30 June, 2024

financial position as at 30 June, 2024 and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Kirinyaga County Executive Staff Mortgage Scheme Fund as at 30 June, 2024 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and the Kirinyaga County Public Finance Management (Executive Staff Mortgage Scheme Fund) Regulations, 2016.

Basis for Qualified Opinion

Defaulted Long Outstanding Receivables

The statement of financial position reflects long term receivables from exchange transactions of Kshs.223,526,162 as disclosed in Note 13 of the financial statements. However, the amount includes Kshs.2,697,380 relating to long outstanding defaulted loan some dating back from year 2017 that has not been recovered to date. In addition, no provision for bad and doubtful debts was made in the financial statements. Further, no evidence was provided on recovery measures instituted by Fund Management to recover the outstanding defaulted loans contrary to Regulation 18(1-4) of the Kirinyaga County Public Finance Management (Executive Staff Mortgage Scheme Fund) Regulations, 2016.

In the circumstances, the accuracy and recoverability of the long-term receivables totaling Kshs.2,697,380 could not be confirmed. In addition, Management was in breach of the law.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the matters described in the Basis for Qualified Opinion, I have determined that there are no other key audit matters to communicate in my report.

Other Matter

Unresolved Prior Year Matters

In the audit report of the previous year, several issues were raised under the Report on Financial Statements, Report on Lawfulness and Effectiveness in use of Public Resources, and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, Management had not resolved the issues as at 30 June, 2024.

In the circumstances, the audit issues remained unresolved.

Other Information

Conclusion

The Management is responsible for the Other Information set out on page to iii to xvi which comprise of Key Entity Information and Management, Chairman's Statement Report of the Fund Administrator, Statement of Performance against Predetermined Objectives, Corporate Governance Statement, Management Discussion and Analysis, Environmental and Sustainability Reporting, Report of the Fund Committee and Report of the Fund Committee Responsibilities.

The Other Information does not include the financial statements and my audit report thereon.

Basis for Conclusion

In connection with my audit on Fund's financial statements, my responsibility is to read the Other Information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this Other Information and I am required to report that fact.

Based on the audit procedures performed and the matters described in my Basis for Qualified Opinion, I confirm that Other Information is not materially inconsistent with the financial statements

My Opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effects of the matter described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

Failure to Remit Fringe Benefit Tax

An audit of the records maintained for the Kirinyaga Executive Staff Mortgage Scheme Fund revealed that members of staff were advanced Mortgage Loan at a rate of 4% per annum which is lower than the market interest rate in accordance with Regulation 11 of

the Kirinyaga County Public Finance Management (County Executive Staff Mortgage Scheme Fund) Regulations, 2016. The Fund Administrator however did not remit fringe benefit tax on the mortgage benefit enjoyed by the members of staff during the year under review. This is contrary to Section 12B of the Income Tax Act, CAP 470 which provides that loan provided at an interest lower than the market interest rates shall attract fringe benefit tax.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and Fund Administration Committee

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

The Fund Administration Committee are responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards for Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with IFPP will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7 (1) (a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

FCPA Nancy Gathungu, CBS

19. Notes to the Financial Statements

Significant Accounting Policies

1. General Information

Kirinyaga County Executive Staff Mortgage Scheme Fund is established by and derives its authority and accountability from the Kirinyaga County Public Finance Management (Executive Mortgage Scheme Fund) Regulations, 2016. The entity is wholly owned by the County Government of Kirinyaga and is domiciled in Kenya. The entity's principal activity is;

- I. Provide a loan scheme for the purchase, development, renovation or repair of residential property by members of the Scheme;
- II. Provide a loan scheme for the refinancing of an existing mortgage facility
- III. Provide a loan scheme for the purchase of a parcel of land for residential development A loan scheme for members of the scheme

2. Statement of compliance and basis of preparation

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented. The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

3. Adoption of new and revised standards

(i) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2024

There were no new and amended standards issued in the financial year.

(ii) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2024.

Standard	Effective date and impact:
IPSAS 43	<i>Applicable 1st January 2025</i> The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cashflows of an Entity.

**Kirinyaga County Executive Staff Mortgage Scheme Fund
Annual Report and Financial Statements for the year ended June 30, 2024**

	<p>The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities. <i>State the expected impact of the standard to the Entity if relevant</i></p>
<p>IPSAS 44: Non- Current Assets Held for Sale and Discontinued Operations</p>	<p><i>Applicable 1st January 2025</i> The Standard requires, Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such assets to cease and: Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance. <i>State the expected impact of the standard to the Entity if relevant</i></p>
<p>IPSAS 45- Property Plant and Equipment</p>	<p><i>Applicable 1st January 2025</i> The standard supersedes IPSAS 17 on Property, Plant and Equipment. IPSAS 45 has additional guidance/ new guidance for heritage assets, infrastructure assets and measurement. Heritage assets were previously excluded from the scope of IPSAS 17 in IPSAS 45, heritage assets that satisfy the definition of PPE shall be recognised as assets if they meet the criteria in the standard. IPSAS 45 has an additional application guidance for infrastructure assets, implementation guidance and illustrative examples. The standard has clarified existing principles e.g valuation of land over or under the infrastructure assets, under- maintenance of assets and distinguishing significant parts of infrastructure assets. <i>State the expected impact of the standard to the Entity if relevant</i></p>
<p>IPSAS 46 Measurement</p>	<p><i>Applicable, 1st January 2025</i> The objective of this standard was to improve measurement guidance across IPSAS by:</p> <ul style="list-style-type: none"> i. Providing further detailed guidance on the implementation of commonly used measurement bases and the circumstances under which they should be used. ii. Clarifying transaction costs guidance to enhance consistency across IPSAS; iii. Amending where appropriate guidance across IPSAS related to measurement at recognition, subsequent measurement and measurement related disclosures. <p>The standard also introduces a public sector specific measurement bases called the current operational value. <i>State the expected impact of the standard to the Entity if relevant</i></p>
<p>IPSAS 47- Revenue</p>	<p><i>Applicable 1st January 2026</i> This standard supersedes IPSAS 9- Revenue from exchange transactions, IPSAS 11 Construction contracts and IPSAS 23 Revenue from non- exchange transactions. This standard brings all the guidance of accounting for revenue under one standard. The objective of the standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flow arising from revenue transactions. <i>State the expected impact of the standard to the Entity if relevant</i></p>
<p>IPSAS 48- Transfer Expenses</p>	<p><i>Applicable 1st January 2026</i> The objective of the standard is to establish the principles that a transfer provider shall apply to report useful information to users of financial statements about the</p>

Kirinyaga County Executive Staff Mortgage Scheme Fund
Annual Report and Financial Statements for the year ended June 30, 2024

	<p>nature, amount, timing and uncertainty of expenses and cash flow arising from transfer expense transactions. This is a new standard for public sector entities geared to provide guidance to entities that provide transfers on accounting for such transfers.</p> <p><i>State the expected impact of the standard to the Entity if relevant</i></p>
<p>IPSAS 49- Retirement Benefit Plans</p>	<p><i>Applicable 1st January 2026</i></p> <p>The objective is to prescribe the accounting and reporting requirements for the public sector retirement benefit plans which provide retirement to public sector employees and other eligible participants. The standard sets the financial statements that should be presented by a retirement benefit plan.</p> <p><i>State the expected impact of the standard to the Entity if relevant</i></p>

(i) Early adoption of standards

The Entity did not early – adopt any new or amended standards in the financial year or *the entity adopted the following standards early (state the standards, reason for early adoption and impact on entity’s financial statements.)*

1. Summary of Significant Accounting Policies

a) Revenue recognition

i. Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

ii. Revenue from exchange transactions

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

Dividends

Dividends or similar distributions must be recognized when the shareholder's or the Entity's right to receive payments is established.

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b) Budget information

The original budget for FY 2023/2024 was approved by the County Assembly on 2nd May 2023. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget. Accordingly, the Fund recorded additional appropriations of Ksh 31,300,000 on the FY 2023/2024 budget following the governing body's approval.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

Summary of Significant Accounting Policies (Continued)

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section 18 of these financial statements.

c) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

a) Intangible Assets

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred.

The useful life of the intangible assets is assessed as either finite or indefinite.

b) Investment property

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property. Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. *Subsequent to initial recognition, investment properties are measured using the cost model and are depreciated over an xx-year period or investment property is measured at fair value with gains and losses recognised through surplus or deficit.(entity to amend appropriately)* Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition.

Summary of Significant Accounting Policies (Continued)

c) Financial instruments

IPSAS 41 addresses the classification, measurement and de-recognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets. *The entity does not have any hedge relationships and therefore the new hedge accounting rules have no impact on the Company's financial statements. (amend as appropriate).* A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. At initial recognition, the entity measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through surplus or deficit, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

Financial assets

Classification of financial assets

The entity classifies its financial assets as subsequently measured at amortised cost, fair value through net assets/ equity or fair value through surplus and deficit on the basis of both the entity's management model for financial assets and the contractual cash flow characteristics of the financial asset. A financial asset is measured at amortized cost when the financial asset is held within a management model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. A financial asset is measured at fair value through net assets/ equity if it is held within the management model whose objective is achieved by both collecting contractual cashflows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. A financial asset shall be measured at fair value through surplus or deficit unless it is measured at amortized cost or fair value through net assets/ equity unless an entity has made irrevocable election at initial recognition for particular investments in equity instruments.

Subsequent measurement

Based on the business model and the cash flow characteristics, the entity classifies its financial assets into amortized cost or fair value categories for financial instruments. Movements in fair value are presented in either surplus or deficit or through net assets/ equity subject to certain criteria being met.

Summary of Significant Accounting Policies (Continued)

Amortized cost

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest, and that are not designated at fair value through surplus or deficit, are measured at amortized cost. A gain or loss on an instrument that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through net assets/ equity

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through net assets/ equity. Movements in the carrying amount are taken through net assets, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in surplus/deficit. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through surplus or deficit

Financial assets that do not meet the criteria for amortized cost or fair value through net assets/ equity are measured at fair value through surplus or deficit. A business model where the entity manages financial assets with the objective of realizing cash flows through solely the sale of the assets would result in a fair value through surplus or deficit model.

Trade and other receivables

Trade and other receivables are recognized at fair values less allowances for any uncollectible amounts. Trade and other receivables are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year end.

Impairment

The entity assesses, on a forward-looking basis, the expected credit loss ('ECL') associated with its financial assets carried at amortized cost and fair value through net assets/equity. The entity recognizes a loss allowance for such losses at each reporting date. Critical estimates and significant judgments made by management in determining the expected credit loss (ECL) are set out in *Note xx*.

Summary of Significant Accounting Policies (Continued)

Financial liabilities

Classification

The entity classifies its liabilities as subsequently measured at amortized cost except for financial liabilities measured through profit or loss.

d) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost. Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution. Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

e) Provisions

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

f) Social Benefits

Social benefits are cash transfers provided to i) specific individuals and / or households that meet the eligibility criteria, ii) mitigate the effects of social risks and iii) Address the need of society as a whole. The entity recognises a social benefit as an expense for the social benefit scheme at the same time that it recognises a liability. The liability for the social benefit scheme is measured at the best estimate of the cost (the social benefit payments) that the entity will incur in fulfilling the present obligations represented by the liability.

Summary of Significant Accounting Policies (Continued)

g) Contingent liabilities

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

Contingent assets

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

h) Nature and purpose of reserves

The Entity creates and maintains reserves in terms of specific requirements. *Entity to state the reserves maintained and appropriate policies adopted.*

i) Changes in accounting policies and estimates

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

j) Employee benefits – Retirement benefit plans

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

Summary of Significant Accounting Policies (Continued)

k) Foreign currency transactions

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

l) Borrowing costs

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

m) Related parties

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the CEO and senior managers.

n) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

o) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

Summary of Significant Accounting Policies (Continued)

5. Significant judgments and sources of estimation uncertainty

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

State all judgements, estimates and assumptions made e.g.

a) Estimates and assumptions –

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140.

b) Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

c) Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note xxx.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

(Include provisions applicable for your organisation e.g provision for bad debts, provisions of obsolete stocks and how management estimates these provisions)

Notes To The Financial Statements (Continued)

28. Financial risk management

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

a) Credit risk

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments. Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the entity's management based on prior experience and their assessment of the current economic environment. The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

Description	Total amount Kshs	Fully performing Kshs	Past due Kshs	Impaired Kshs
At 30 June 2022				
Receivables From Exchange Transactions	-	-	-	-
Receivables From Non-Exchange Transactions	-	-	-	-
Bank Balances	-	-	-	-
Total	-	-	-	-
At 30 June 2021				
Receivables From Exchange Transactions	-	-	-	-
Receivables From Non-Exchange Transactions	-	-	-	-
Bank Balances	-	-	-	-
Total	-	-	-	-

(NB: The totals column should tie to the individual elements of credit risk disclosed in the entity's statement of financial position)

Notes To The Financial Statements (Continued)

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the entity has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has significant concentration of credit risk on amounts due from -

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

b) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

Description	Less than 1 month	Between 1-3 months	Over 5 months	Total

Total	-	-	-	-

Notes To The Financial Statements (Continued)

c) Market risk

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

i. Foreign currency risk

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

The carrying amount of the entity's foreign currency-denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Description		Other currencies	Total
	Kshs	Kshs	Kshs
At 30 June (Current FY)			
Financial Assets	-	-	-
Investments	-	-	-
Cash	-	-	-
Debtors/ Receivables			
Liabilities			
Trade And Other Payables	-	-	-
Borrowings	-	-	-
Net Foreign Currency Asset/(Liability)	-	-	-

The Fund manages foreign exchange risk from future commercial transactions and recognised assets and liabilities by projecting for expected sales proceeds and matching the same with expected payments.

Notes To The Financial Statements (Continued)

Foreign currency sensitivity analysis

The following table demonstrates the effect on the Fund's statement of financial performance on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

Description	Change in currency rate	Effect on surplus/ deficit	Effect on equity
	Kshs	Kshs	Kshs
(Current FY)			
Euro	10%	-	-
USD	10%	-	-
(Comparative FY)			
Euro	10%	-	-
USD	10%	-	-

ii. Interest rate risk

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The entity's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

Management of interest rate risk

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

Sensitivity analysis

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year. Using the end of the year figures, the sensitivity analysis indicates the impact on the statement of comprehensive income if current floating interest rates increase/decrease by one percentage point as a decrease/increase of Kshs - (2022: Kshs -). A rate increase/decrease of 5% would result in a decrease/increase in profit before tax of Kshs - (2021 - Kshs -).

Notes To The Financial Statements (Continued)

d) Capital risk management.

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The entity capital structure comprises of the following funds:

20. Annexes

Annex I: Progress on Follow Up Of Prior Year Auditor's Recommendations

The following is the summary of issues raised by the external auditor, and management comments that were provided to the auditor.

Reference No. on the external audit Report	Issue/ Observations from Auditor	Management comments	Status (Resolved/ Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
Kirinyaga CE/2022/2023/(18)	Long outstanding mortgage receivables	The County instituted the loan recovery measures in the FY 2023/2024. The defaulters were issued with demand notices and statutory notices. They have also been listed in the CRB. Currently we are waiting for the 90-day statutory notice period to lapse and the next step is auctioning of the charged properties to recover the loan balance due. However, due to the above measures some of the defaulters have cleared their loans while others are servicing their loans	Partially resolved	30 th June, 2025
Kirinyaga CE/2022/2023/(18)	Loans issued at collateral market values	The CECM- Finance & Economic Planning wrote to the Fund Administrator instructing that all Mortgages are issued at Mortgage Value (80% of market value) as the maximum value of collateral.	Resolved	N/A

*Kirinyaga County Executive Staff Mortgage Scheme Fund
Annual Report and Financial Statements For the year ended 30th June 2024*

Reference No. on the external audit Report	Issue/Observations from Auditor	Management comments	Status (Resolved/Not Resolved)	Timeframe: (Put a date when you expect the issue to be resolved)
Kirinyaga CE/2022/2023/(18)	Inaccuracies in the financial statements	The errors have been identified and corrected in the Financial Statements for the year ended 30 th June, 2024.	Resolved	N/A
Kirinyaga CE/2022/2023/(18)	Failure to remit fringe benefit tax	The fringe benefits up to the year ended 30 th June 2023 have been remitted	Partially resolved	June 2025

Guidance Notes:

- (i) Use the same reference numbers as contained in the external audit report.
- (ii) Obtain the “Issue/Observation” and “management comments”, required above, from final external audit report that is signed by Management.
- (iii) Before approving the report, discuss the timeframe with the appointed Focal Point persons within your Fund responsible for implementation of each issue.
- (iv) Indicate the status of “Resolved” or “Not Resolved” by the date of submitting this report to National Treasury.
