IPSAS	International Public Sector Accounting Standards
PSASB	Public Sector Accounting Standards Board
FY	Financial Year
FDSE	Free Day Secondary Education

ACK. KAAWA MIXED DAY SECONDARY SCHOOL

Annual Report and Financial Statements for the year ended 30th June, 2022

2. Key School Information and Management

(a) Background Information

The school is situated in Kenya and its operations are governed under the Basic Education Act, 2013. It is located in Tharaka Nithi County, Igambang'ombe Sub-County.

The school was registered on 12/7/2021 under registration Number 13S00300809 and is currently categorized as County public school operated by the government.

The school is a mixed day and had 282 numbers of students as at 30th June, 2022. It had 2 streams and 16 teachers of which 4 teachers are employed by the School Board of Management.

(b) School Board of Management – Board Members

The school Board of Management established under Section 55 of the Basic Education Act, 2013; is composed of the following members;

N/A	Name of Board Member	Designation	Date of Appointment
1.	Javason Kiambo	Chairman	2022
2.	Esther N. Wanjohi	Secretary - Principal	2022
3.	Charles Mugendi	Vice Chair	2022
4.	Caroline Karimi	CEB Rep	2022
5.	Zakayo Miriti	Member	2022
6.	Janis Kagendo	Member	2022
7.	Rev. Stephen Nyaga	P A Chair	2022
8.	Godfrey Muthomi	Teacher Staff	2022
9.	Rev. Joyce Kirimi	Sponsor	2022
10.	Michael Mucheri	Member	2022
11.	Patrick Mbaka Mbiuki	Member	2022
12.	Kaai Kiogora Martin	Community	2022
13.	Octavius Nyaga	Special Needs	2022

ACK. KAAWA MIXED DAY SECONDARY SCHOOL

Annual Report and Financial Statements for the year ended 30th June, 2022

The functions of the School Board of Management are;

- ✓ Ensure and assure the provision of proper and adequate facilities for the school.
- ✓ Determine cases of pupils' discipline and make reports to the CEB.
- ✓ Promote quality education for all pupils in accordance with the standards set under the Basic Education Act, 2013.
- ✓ Promote the best interests of the school and ensure its development.
- ✓ Manage the school's affairs in accordance with the rules and regulations governing occupational safety and health.
- ✓ Administer and manage the resources of the school.
- ✓ Advise the County Education Board on the staffing needs of the school.
- ✓ Receive, collect and account for any funds accruing to the institution in accordance with Article 226 (1) (a) of the Constitution of Kenya, section 81 of the Public management act, 2021 and the fourth schedule paragraph 21 and 23 of the Basic Education Act, 2013.
- ✓ Prepare comprehensive termly report on all areas of its mandate and submit the report to CEB.

(c) Committees of the Board

4. Statement of School Management Responsibility

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, each National Government School shall prepare financial statements in respect of that school. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting standards Board (PSASB) of Kenya from time to time.

Schedule 4 (Section 23) of the Education Act, 2013 requires the Board of Management of a public institution of basic education to keep all proper books and records of accounts of the income, expenditure and assets of the institution.

The Board of Management of ACK. Kaanwa Mixed Day & Boarding secondary school accepts responsibility for the school's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS).

The Board of Management is of the opinion that the school's financial statements give a true and fair view of the state of the school's transactions during the financial year ended 30th June, 2022 and of the school's financial position as at that date.

REPORT OF THE AUDITOR-GENERAL ON ACK KANWA MIXED DAY SECONDARY SCHOOL FOR THE YEAR ENDED 30 JUNE, 2022 - THARAKA NITHI COUNTY

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources, and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012, and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of ACK Kaanwa Mixed Day Secondary School set out on pages 1 to 14, which comprise of the statement of assets

*Report of the Auditor-General on ACK Kaanwa Mixed Day Secondary School for the year ended 30 June, 2022 -
Tharaka Nithi County*

and liabilities as at 30 June, 2022, and the statement of receipts and payments, statement of cash flows and statement of budgeted versus actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of ACK Kaanwa Mixed Day Secondary School as at 30 June, 2022, and of its financial performance and cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the Basic Education Act, 2013.

Basis for Qualified Opinion

1. Inaccuracies in the Financial Statements

During the audit, differences were noted between figures in the financial statements and supporting ledgers as detailed below;

Component	Statement of Receipts and Payment Amounts (Kshs.)	Ledger (Kshs.)	Variance (Kshs.)
School Fund Income – Parents Contributions	17,462,262	3,049,801	14,412,461
Payments for Tuition	1,619,072	636,383	982,689
Payments for Operations	4,986,294	2,913,838	2,072,456
Boarding & School Fund Payments	20,864,055	2,953,720	17,910,335

In the circumstances, the accuracy and completeness of the above balances included in these financial statements could not be confirmed.

2. Long Outstanding Accounts Receivables

The statement of assets and liabilities reflects accounts receivables balance of Kshs.6,290,994 as disclosed in Note 11 to the financial statements. Included in the balance are fee arrears balance of Kshs.3,814,100 which have been outstanding for more than three (3) years. However, there was no policy on the impairment of long outstanding arrears casting doubt on the fair statement of the receivables balance.

In the circumstances, the accuracy, completeness and full recoverability of the receivables balance of Kshs.3,814,100 could not be confirmed.

3. Failure to prepare Statement of Budgeted versus Actual Amounts

In the year under review, Management did not prepare the statement of Budgeted versus actual amount as required by the Public Sector Accounting Standards Board reporting requirements.

In the circumstances, the financial statements are incomplete and budgeted receipts and actual receipts and budgeted expenditures and actual expenditure could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the ACK Kaanwa Mixed Day Secondary School Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the effect of the matters described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

Other Information

Management is responsible for the Other Information set out on page iv to xviii which comprise of the Key School's Information and Management, and Summary Report of Performance and the Statement of Schools Management Responsibilities. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the School's financial statements, my responsibility is to read the Other Information and in doing so, consider whether the Other Information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this Other Information and I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Irregular Transfer of Funds to Kenya Secondary Schools Heads Association

The statement of receipts and payments reflects boarding and school fund payments amount of Kshs.20,864,055 as disclosed in Note 7 to the financial statements. Included in the expenditure is Kshs.665,500 transferred to Kenya Secondary School Heads Association (KESSHA). However, KESSHA is a welfare organization that draws its membership from School Principals only. The organization is not defined in Government Funding system and there is no assurance that it has implemented effective, efficient, and transparent financial management and internal control systems to manage the funds transferred by schools.

In the circumstances, value for money for Kshs.665,500 transferred to KESSHA could not be confirmed.

2. Irregular Use of Revenue at Source

The statement of receipts and payments reflects total income amount of Kshs.24,059,122. However, review of the cashbook indicates that the school collected school fees in cash amounting to Kshs.2,521,979 and utilized the funds directly at source instead of banking the collections before spending. This was contrary to Regulation 64(4) of the Public Finance Management (National Government) Regulations, 2015 which requires all collected shall be paid into the designated account of the national government, and shall not be used by any public officer in any manner between the time of receipts and payments into the bank except as provided by law.

In the circumstances, Management was in breach of the law.

3. Late Submission of Financial Statements for Audit

During the year under review, Management submitted the financial statements to the Auditor-General on 26 February, 2026, three and half years late, instead of the statutory deadline of 30 September, 2022 for the 2021/2022 financial year. This was contrary to the Ministry of Education Circular Ref.MOE/DSAS/FIN/17/1/17 dated 19 August, 2021, which stated that the school's financial statements should have been ready by 30 September, 2022 in compliance with Section 81 of the Public Finance Management Act, 2012 on preparation of the financial statements.

In the circumstances, Management was in breach of the law.

4. Non-Compliance with the Public Sector Accounting Standards Board Reporting Requirements

The financial statements presented for audit did not include all information provided in the format prescribed and published by the Public Sector Accounting Standards Board (PSASB) as follows;

- i) The financial statements did not include the annex on Management action on prior year audit matters.

Numbering of pages was not done.

- ii) The statement of assets and liabilities and statement of receipts and payments did not indicate the accounting date i.e as at 30 June, 2022 and for the year ended 30 June, 2022 respectively.
- iii) The financial statements were not signed by the Chair of the Board of Management, the Principal and the Bursar as required.

In the circumstances, Management did not comply with the PSASB guidelines and lack of relevant information may affect users' reliance on the financial statements for decision making.

5. Lack of Procurement Plan

The statement of receipts and payments reflects total expenditure amounts of Kshs.27,469,422. However, during the year, Management did not prepare an annual procurement plan as part of the annual budget preparation process. This was contrary to Regulation 40 of the Public Procurement and Asset Disposal Regulations, 2020 which states that 'a procuring entity prepare a procurement plan for each financial year as part of the annual budget preparation process'.

In the circumstances, Management was in breach of the law.

6. Unapproved Use of Direct Procurements

The school entered into an agreement with a contractor for implementation of a construction project without subjecting the works to a competitive procurement process. No tender was floated and Management did not provide evidence to demonstrate that an alternative procurement method was justified, approved, and documented as required by law. In addition, payments amounting to Kshs.511,737 and Kshs.313,585 respectively were made through cash to the contractor for the construction of staff toilet and classroom. This was contrary Section 44(2)(c) of the Public Procurement and Asset Disposal Act, 2015 which requires the accounting officer to ensure that the procurement process is conducted in accordance with the Act and that appropriate systems and procedures are established to ensure proper management of procurement and asset disposal.

In the circumstances, Management was in breach of the law.

7. Lack of School Improvement Plan (SIP)

The Board of Management did not develop a School Improvement Plan to be used to measure the school's improvement activities, keep the school in focus in achieving the school target, prioritization of School needs, ensuring prudent utilization of resources and to improve accountability. This was contrary to Section 2.2.1 of the operational manual for utilization of learner capitation, Grant and Other School funds which requires a school to develop improvement plan which is a road map for changes that a school needs to improve the school environment and learning outcomes.

In the circumstances, the absence of a School Improvement Plan is contrary to Ministry of Education requirements and indicates weak strategic planning.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

1. Lack of Internal Audit Function and Audit Committee

During the year under review, the school had not constituted an audit committee and an internal audit unit as required by Regulation 166 (1) and (2) of the Public Finance Management (National Government), 2015 which states that, the internal audit unit of a National Government entity to assess effectiveness of the school through an internal performance appraisal commenting on its effectiveness in the annual report to The National Treasury.

In the circumstances, the school did not benefit from the oversight role and advice from the audit committee.

2. Lack of a Fixed Assets Register

Management did not include the summary fixed assets register in the financial statements as required. Further, several assets at the school such as equipment's, furniture and fittings were not tagged.

In the circumstances, the existence of an effective measures in the management of assets could not be confirmed.

3. Lack of Segregation of Duties

Audit review of the School's operational and financial management structure revealed significant weaknesses in internal controls, particularly in relation to segregation of duties. The School has not employed a bursar or accountant to oversee financial management functions. Instead, the School Secretary undertakes all book keeping and accounting responsibilities which include preparation of payment vouchers, collection of school fees and other revenues, receipting, banking of collections, maintenance of accounting records, and participation in financial reporting processes.

In the circumstances, the lack of segregation of duties weakens internal controls and increases the risk of error and misappropriations.

4. Lack of Policy Documents

During the year under review, it was noted that Management had not developed several policy documents such as a risk management policy, strategic plan, and no formal risk assessments were done during the financial year audited.

In the circumstances, the absence of a strategic plan, risk management policy and formal risk assessments leads to poor planning, weakens internal controls and increases exposure to operational and fraud risks.

5. Lack of a Financial Information Processing System

During the year under review, the School's financial information was processed manually hence primary books of account were not adequately maintained. For instance, the School did not maintain a proper general ledger and the ledgers were generated as an analysis of the cashbook.

In the circumstances, the manual processing of financial information and lack of proper books of account may have resulted in errors and incomplete records.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk Management and overall were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the School's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements

comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the School's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards of Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7 (1) (a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

FCPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

18 May, 2026

ACK. KAAWA MIXED DAY SECONDARY SCHOOL

Annual Report and Financial Statements for the year ended 30th June, 2022

10. Significant Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below.

1. Statement of Compliance and Basis of Preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and applicable government legislations and regulations. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

This cash basis of accounting has been supplemented with accounting for; (a) receivable that include school fees from parents, imprest, salary and advances and other receivables and (b) payables that include deposits and retentions and payables from operations.

The financial statements are presented in Kenya a shilling, which is the functional and reporting currency of the school, and all values are rounded to the nearest Kenya shillings (Kshs). The accounting policies adopted have been consistently applied to all the years presented.

2. Recognition of Receipts and Payments

The school recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the school. In addition, the school recognises all expenses when the event occurs, and the related cash has actually been paid out by the school. Income arising from school fees is recognised when the event occurs whether cash is received or not. Expenditure arising from operations is recognised when the event occurs irrespective of receipt of cash.

3. In-kind Contributions

In-kind contributions are donations that are made to the school in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personal services. Where the financial value received for in-kind contributions can be reliably determined, the school includes such value in the statement of receipts and payments both as a receipt and as a payment in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various financial institutions at the end of the financial year.

ACK. KAAKWA MIXED DAY SECONDARY SCHOOL

Annual Report and Financial Statements for the year ended 30th June, 2022

5. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. Accounts receivables also include school fees billed to parents for services rendered but not paid. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

7. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. Payables also include expenditure incurred for the purchase of goods, works and services that has been rendered and not settled. This is an enhancement to the cash accounting policy adopted for public secondary schools. Other liabilities are disclosed in the financial statements.

8. Non-Current Assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognised as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the school fixed asset register a summary of which is provided as a memorandum to these financial statements.

9. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The school's budget was approved by the School Board of Management. A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

10. Comparative Figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

11. Subsequent Events

There have been no events subsequent to the financial year and with a significant impact on the financial statements for the year ended 30th June, 2022.
