WERU TECHNICAL TRAINING INSTITUTE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

CHAIRMAN'S STATEMENT

Weru Technical Training Institute is well placed to provide adequate and relevant knowledge and skills to the trainees which will enable them to contribute towards the attainment of our country vision 2030 strategic objectives and supporting the drive in realising the objectives of the National Government Big Four agenda. In furtherance of our mandate therefore, we have committed ourselves to consistently and regularly review, improve and consolidate academic programs in several ways that will ensure their competitiveness in terms of quality and relevance. The sources of funding to the technical at the end of this period i.e. 30th June 2021, was internally generated revenue {Appropriations-rendering of services and student's capitation and other incomes . Included in the A-I-A is the expected capitation of KSh 15000 per student from the national Treasury for four quarters and NYS students translating to a proportionate amount cited below to cover up to the period. The college realized an aggregate income of KSh 25,715,655 in revenue during the period ended 30th June 2021. The recurrent expenditure totalled KSh 22,880,457. The college closed the year with a deficit of Kshs. 2,835,198

The college requires a lot of support from the National Government and other stakeholders in terms of funding, material support and other contributions.

We shall continue to appeal for such support for several years to come. On behalf of the college, I take this opportunity to thank the national government for its support. I also appreciate the management team all staff and our students for their cooperation during this period. I wish to register my gratitude to them all.

I look forward to their continued support in the new financial year and the subsequent periods ahead.

BOG Chairman:

WERU TECHNICAL TRAINING INSTITUTE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021
REPORT OF THE PRINCIPAL

Dear Stake holders,

Weru Technical Training Institute has continued to position itself as the leading technical training institution in the region. In line with the Institute growth aspirations, the strategic plan (2019-2023) was reviewed in the year ending June 2019. The strategic plan was reviewed on the basis of the vision 2030 and other strategic priorities of the government as outlined in the constitution of Kenya 2010. Our commitment to service delivery, efficiency and leadership.

The Institute's core values of uprightness and honesty, transparency and accountability, integrity, respect for change, prudent environmental management, professionalism, respect for cultural diversity, provision of equal opportunities for all and respect for humanity have played a great role in realizing the Institute's dream of impacting skills for self-reliance.

The college planned for and embarked on infrastructure development in order to increase access to technical education. This included improvement of other facilities aimed at accommodating the increasing students enrolment.

Key Projects.

During the year, Weru Technical Training Institute partnered with the National Youth Service to impact skills of self-reliance to 176 recruits from NYS. . In addition to overseeing construction, implementation and accountability of funds, the Institute lead by the Board of Governors joint efforts in building capacity in mentees personnel, employing participatory development and collaborative principles to enhance capability and institutional knowledge transfer as part of a wider change management process.

Operational and Financial Performance.

The Institute continues to deliver on its key mandate to providing quality training in technical, vocational and entrepreneurship skills for sustainable development. This financial year recorded a surplus of Kshs.2,835,198 which was an improvement compared to last financial year which recorded a deficit of Kshs 1,796,836

Compliance with Statutory Requirements.

During the period under review, the Institute complied with all its statutory obligations including compliance with Public Procurement Regulations, remittance of PAYE, NHIF and NSSF within the stipulated deadlines. The Institute does not foresee any potential for contingent liabilities arising from non-compliance with statutory obligations.

Major Risks and Challenges Facing the Institution.

Weru Technical Training Institute continues to face pressure on existing resources due to inadequate learning infrastructure exacerbated by the increasing student enrolment. The teachers and non-teaching staff to student ratio remains low. Budgetary constraints have contributed to stalled projects.

**WERU TECHNICAL TRAINING INSTITUTE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021**

REPORT OF THE PRINCIPAL (continued)

Future Outlook.

We are looking forward to harness the ISO 9001:2005 certification and strategic plan (2019 - 2023) to guide the Institute's future developments, improve service delivery and achieve set goals and objectives. We also anticipate an increase in student enrolment, attain adequate staffing levels and improve learning infrastructure. Our ultimate objective is to acquire polytechnic status.

Conclusion.

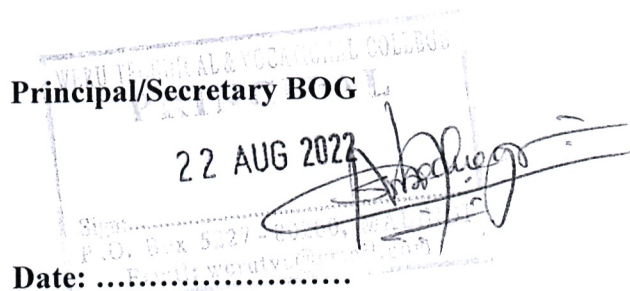

During the year under review, the Institute has introduced several new initiatives and measures to make its services more efficient and accessible. I take this opportunity to thank our stakeholders for their continued support and partnership in the realization of our mandate.

I commend the Board, Management and staff for their tireless efforts and commitment to the attainment of Weru Technical Training Institute set targets. I am truly honoured to serve alongside you as we endeavour to redefine the role played by Weru Technical Training Institute and drive the Institute towards the realization of its strategic goals and objectives.

On behalf of Board, Management, Staff and Students, I would like to appreciate the support accorded to Weru Technical Training Institute by the GOK through The National Treasury & the Ministry of Education, State Department for Vocational and Technical Training. We look forward to your continued support.

Mr. ABEDNEGO MULU

MANAGEMENT DISCUSSION AND ANALYSIS

Weru Technical Training Institute has continued to position itself as the leading technical training institution in the region. In line with the Institute growth aspirations, the strategic plan (2019-2023) was reviewed in the year ending June 2019. The strategic plan was reviewed on the basis of the vision 2030 and other strategic priorities of the government as outlined in the constitution of Kenya 2010. Our commitment to service delivery, efficiency and leadership.

The Institute's core values of uprightness and honesty, transparency and accountability, integrity, respect for change, prudent environmental management, professionalism, respect for cultural diversity, provision of equal opportunities for all and respect for humanity have played a great role in realizing the Institute's dream of impacting skills for self-reliance.

The college planned for and embarked on infrastructure development in order to increase access to technical education. This included improvement of other facilities aimed at accommodating the increasing students enrolment.

During the year, Weru Technical Training Institute partnered with the National Youth Service to impact skills of self-reliance to 176 recruits from NYS. In addition to overseeing construction, implementation and accountability of funds, the Institute lead by the Board of Governors joint efforts in building capacity in mentees personnel, employing participatory development and collaborative principles to enhance capability and institutional knowledge transfer as part of a wider change management process.

During the period under review, the Institute complied with all its statutory obligations including compliance with Public Procurement Regulations, remittance of PAYE, NHIF, NSSF and HELB within the stipulated deadlines. The Institute does not foresee any potential for contingent liabilities arising from non-compliance with statutory obligations.

Weru Technical Training Institute continues to face pressure on existing resources due to inadequate learning infrastructure exacerbated by the increasing student enrolment. The teachers and non-teaching staff to student ratio remains low. Budgetary constraints have contributed to stalled projects.

We are looking forward to harness the ISO 9001:2005 certification and strategic plan (2019 - 2023) to guide the Institute's future developments, improve service delivery and achieve set goals and objectives. We also anticipate an increase in student enrolment, attain adequate staffing levels and improve learning infrastructure. Our ultimate objective is to acquire polytechnic status.

During the year under review, the Institute has introduced several new initiatives and measures to make its services more efficient and accessible. I take this opportunity to thank our stakeholders for their continued support and partnership in the realization of our mandate.

CORPORATE SOCIAL RESPONSIBILITY STATEMENT/SUSTAINABILITY

In line with its mission and values, Weru Technical Training Institute is sensitive to the impact of our activities on our students, employees, partners and other stakeholders, as well as on the community and its environment.

The College is committed to the maintenance of principled standards, respect and accountability across all its activities; this include and not limited to the following;

- Treating employees with fairness and respect, support staff development through allowing its staff to attend trainings and workshops, volunteering in community and county, and national government activities
- The student council has a budget on community day where students visit children home around Malindi and in the Coast region, they also participate in cleaning and tree planting in Malindi town during environmental days.
- Our students mostly reside in Weru and other areas around Lango Baya town these has boasted local Investor who have rental houses and cafeteria respectively.

The College shall continue to collaborate with all stakeholders on issues that benefit the development of the country, growth of industries as well as giving back to the society .Weru Technical Training Institute therefore shall continue to play its crucial role towards attainment of vision 2030 and the "Big Four Agenda" as spelt out clearly in the Government priorities areas under the social ,political and economic pillars.

WERU TECHNICAL TRAINING INSTITUTE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

STATEMENT OF BOARD OF GOVERNORS RESPONSIBILITIES

Section 81 of the Public Finance Management Act, 2012, and section 29 of schedule 2 of the Technical and Vocational Education and Training Act, 2013 require the board of governors to prepare financial statements in respect of Weru Technical Training Institute, which give a true and fair view of the state of affairs of the Weru Technical Training Institute at the end of the financial year/period and the operating results of the Weru Technical Training Institute for that year/period. Board of governors are also required to ensure that the Weru Technical Training Institute keeps proper accounting records which disclose with reasonable accuracy the financial position of the college. The Board of governors are also responsible for safeguarding the assets of the Weru Technical Training Institute.

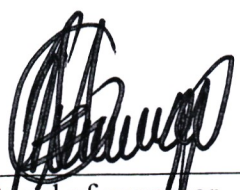

The Board of governors are responsible for the preparation and presentation of the Weru Technical Training Institute financial statements, which give a true and fair view of the state of affairs of the Weru Technical Training Institute for and as at the end of the financial year (period) ended on June 30, 2021. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the entity; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Weru Technical Training Institute; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Board of governors accept responsibility for the Weru Technical Training Institute financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012. The Board of governors are of the opinion that the Weru Technical Training Institute financial statements give a true and fair view of the state of Weru Technical Training Institute transactions during the financial year ended June 30, 2021, and of the Weru Technical Training Institute financial position as at June 30, 2021. The Board of Governors further confirm the completeness of the accounting records maintained for the Weru Technical Training Institute which have been relied upon in the preparation of the Weru Technical Training Institute financial statements as well as the adequacy of the systems of internal financial control.

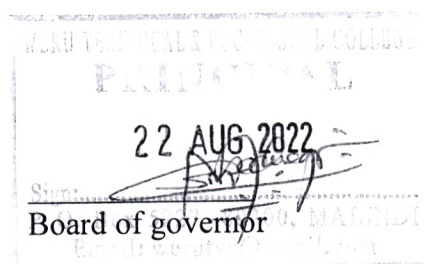

Nothing has come to the attention of the Board of Governors to indicate that the Weru Technical Training Institute will not remain a going concern for at least the next twelve months from the date of this statement.

Approval of the financial statements

The Weru Technical Training Institute financial statements were amended 22 of July 2022 . and signed on its behalf by:

NAIROBI

REPORT OF THE AUDITOR-GENERAL ON WERU TECHNICAL TRAINING INSTITUTE FOR THE YEAR ENDED 30 JUNE, 2021

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has Institute checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment, and the internal controls developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations, and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Weru Technical Training Institute set out on pages 1 to 29, which comprise of the statement of financial position

as at 30 June, 2021, statement of financial performance, statement of changes in net assets, statement of cash flows and the statement of comparison of budget and actual amounts for the year then ended and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the Weru Technical Training Institute as at 30 June, 2021, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Technical and Vocational Education and Training Act, 2013 and Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Inaccuracies in the Financial Statements

The statement of comparison of budget and actual amounts reflects total final expenditure budget of Kshs.35,974,380 while the re-casted amount is Kshs.31,668,441, resulting to an unexplained and unreconciled variance of Kshs.4,305,939.

In addition, the statement of financial performance reflects other income amount of Kshs.1,844,530 in the comparative year while the audited amount was Kshs.2,236,670 for the year 2019/2020, resulting to an unexplained and unreconciled variance of Kshs.392,140.

In the circumstances, the accuracy and completeness of the financial statements could not be confirmed.

2. Unsupported Trade and Other Payables from Exchange Transactions

The statement of financial position reflects trade and other payables from exchange transactions balance of Kshs.5,518,654 and as disclosed in Note 18 to the financial statements which includes a balance of Kshs.4,859,854 owed to Kenya Coast National Polytechnic. However, records maintained by the mentoring institution - Kenya Coast National Polytechnic and disclosed in the Polytechnic's financial statements reflected a balance of Kshs.2,231,535, resulting in an unexplained and unreconciled variance of Kshs.2,628,318.

In the circumstances, the accuracy and completeness of the trade and other payables from exchange transactions balance of Kshs.5,518,654 could not be confirmed.

3. Unsupported Property, Plant and Equipment Balance

The statement of financial position reflects property, plant and equipment balance of Kshs.59,269,099 and as disclosed in Note 17 to the financial statements. Included in the

balance are buildings with net book value of Kshs.53,757,844. However, no records to support the value of buildings or a handing over report of the assets from Kenya National Coast Polytechnic (the mentoring Institution) were provided for audit.

Further, the balance excludes undetermined value of land whose title documents were not provided for audit. In addition, the land is occupied by Early Childhood Development and Education classrooms built by the County Government of Kilifi.

In the circumstances, the accuracy, completeness and ownership of the property, plant and equipment balance of Kshs.59,269,099 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Weru Technical Training Institute Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

1. Budgetary Control and Performance

The statement of comparison of budget and actual amounts reflects a final revenue budget of Kshs.35,974,380 against actual revenue of Kshs.25,715,655, resulting in under collection of Kshs.10,258,725 or 28% of the budget. Similarly, the statement reflects a final expenditure budget of Kshs.35,974,380 against an actual expenditure of Kshs.22,880,457, resulting in an overall under expenditure of Kshs.13,093,923 or 36% of the budget.

The under collection of revenue and under expenditure affected the planned activities and might have impacted negatively on service delivery to the public.

2. Unresolved Prior Year Matters

Various prior year audit issues remained unresolved by the end of the year. However, Management has not provided reasons for the delay in resolving the prior year audit issues. Further, the unresolved prior year issues are not disclosed under the progress on follow-up of auditor's recommendations section of the financial statements as required by the Public Sector Accounting Standards Board.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Institute's ability to sustain services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Institute or cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Institute's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to overall governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may

occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Institute's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Institute to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Institute to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and

other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

CPA Nancy Gathungu, CBS
AUDITOR-GENERAL

Nairobi

Deficit for the period							2,835,198			

Budget notes

N/b: The casting error for final budget- total expenditure is due to the PPE depreciation of the property (fence) which was not in the budget.

1. *Performance difference is due to the decrease in capitation grants received in the year of under review i.e. budgeted 600 students but only we received capitation for 257 students for only four quarters.*
2. *performance difference is due to decrease in the rendering of services from NG-CDF bursaries and county bursaries during the year*
3. *performance difference is due to the covid-19 pandemic which results to the closed of the college for two terms which lead to low collections of funds.*

WERU TECHNICAL TRAINING INSTITUTE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

IX. NOTES TO THE FINANCIAL STATEMENTS

1. GENERAL INFORMATION

Weru Technical Training Institute is established by and derives its authority and accountability from TVET Act No 29 of 2013. The entity is wholly owned by the Government of Kenya and is domiciled in Kenya. The entity's principal activity is provision of technical and business training.

2. STATEMENT OF COMPLIANCE AND BASIS OF PREPARATION

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the *entity's* accounting policies. The areas involving a higher degree of judgment or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of the *entity*.

The financial statements have been prepared in accordance with the PFM Act, the TVET Act, and International Public Sector Accounting Standards (IPSAS). The accounting policies adopted have been consistently applied to all the years presented.

3. ADOPTION OF NEW AND REVISED STANDARDS

i. Relevant new standards and amendments to published standards effective for the year ended 30 June 2021

Standard	Impact
IPSAS40: Public Sector Combinations	Applicable: 1st January 2019 The standard covers public sector combinations arising from exchange transactions in which case they are treated similarly with IFRS 3 (applicable to acquisitions only). Business combinations and combinations arising from non-exchange transactions are covered purely under Public Sector combinations as amalgamations.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

3 ADOPTION OF NEW AND REVISED STANDARDS (Continued)

ii. New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2021

Standard	Effective date and impact:
<p>IPSAS 41: Financial Instruments</p>	<p>Applicable: 1st January 2022: The objective of IPSAS 41 is to establish principles for the financial reporting of financial assets and liabilities that will present relevant and useful information to users of financial statements for their assessment of the amounts, timing and uncertainty of an entity's future cashflows. IPSAS 41 provides users of financial statements with more useful information than IPSAS 29, by:</p> <ul style="list-style-type: none"> • Applying a single classification and measurement model for financial assets that considers the characteristics of the asset's cash flows and the objective for which the asset is held; • Applying a single forward-looking expected credit loss model that is applicable to all financial instruments subject to impairment testing; and • Applying an improved hedge accounting model that broadens the hedging arrangements in scope of the guidance. The model develops a strong link between an entity's risk management strategies and the accounting treatment for instruments held as part of the risk management strategy.
<p>IPSAS 42: Social Benefits</p>	<p>Applicable: 1st January 2022 The objective of this Standard is to improve the relevance, faithful representativeness and comparability of the information that a reporting entity provides in its financial statements about social benefits. The information provided should help users of the financial statements and general purpose financial reports assess:</p> <ol style="list-style-type: none"> (a) The nature of such social benefits provided by the entity; (b) The key features of the operation of those social benefit schemes; and (c) The impact of such social benefits provided on the entity's financial performance, financial position and cash flows.

WERU TECHNICAL TRAINING INSTITUTE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

Standard	Effective date and impact:
Amendments to Other IPSAS resulting from IPSAS 41, Financial Instruments	<p>Applicable: 1st January 2022:</p> <ul style="list-style-type: none"> a) Amendments to IPSAS 5, to update the guidance related to the components of borrowing costs which were inadvertently omitted when IPSAS 41 was issued. b) Amendments to IPSAS 30, regarding illustrative examples on hedging and credit risk which were inadvertently omitted when IPSAS 41 was issued. c) Amendments to IPSAS 30, to update the guidance for accounting for financial guarantee contracts which were inadvertently omitted when IPSAS 41 was issued. d) Amendments to IPSAS 33, to update the guidance on classifying financial instruments on initial adoption of accrual basis IPSAS which were inadvertently omitted when IPSAS 41 was issued.
Other Improvements to IPSAS	<p>Applicable: 1st January 2021:</p> <ul style="list-style-type: none"> a) Amendments to IPSAS 13, to include the appropriate references to IPSAS on impairment, in place of the current references to other international and/or national accounting frameworks b) IPSAS 13, Leases and IPSAS 17, Property, Plant, and Equipment. Amendments to remove transitional provisions which should have been deleted when IPSAS 33, First Time Adoption of Accrual Basis International Public Sector Accounting Standards (IPSASs) was approved c) IPSAS 21, Impairment of Non-Cash-Generating Assets and IPSAS 26, Impairment of Cash Generating Assets. Amendments to ensure consistency of impairment guidance to account for revalued assets in the scope of IPSAS 17, Property, Plant, and Equipment and IPSAS 31, Intangible Assets. d) IPSAS 33, First-time Adoption of Accrual Basis International Public Sector Accounting Standards (IPSASs).Amendments to the implementation guidance on deemed cost in IPSAS 33 to make it consistent with the core principles in the Standard.

iii. Early adoption of standards

The entity did not early – adopt any new or amended standards in year 2021.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a) Revenue recognition

i) Revenue from non-exchange transactions

Transfers from other government entities

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably. Recurrent grants are recognized in the statement of comprehensive income. Development/capital grants are recognized in the statement of financial position and realised in the statement of comprehensive income over the useful life of the assets that has been acquired using such funds

ii) Revenue from exchange transactions

Rendering of services

The entity recognizes revenue from rendering of services by reference to the stage of completion when the outcome of the transaction can be estimated reliably. The stage of completion is measured by reference to labour hours incurred to date as a percentage of total estimated labour hours.

Where the contract outcome cannot be measured reliably, revenue is recognized only to the extent that the expenses incurred are recoverable.

Sale of goods

Revenue from the sale of goods is recognized when the significant risks and rewards of ownership have been transferred to the buyer, usually on delivery of the goods and when the amount of revenue can be measured reliably and it is probable that the economic benefits or service potential associated with the transaction will flow to the entity.

Interest income

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

Dividends

Dividends or similar distributions must be recognized when the shareholder's or the entity's right to receive payments is established.

WERU TECHNICAL TRAINING INSTITUTE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

a) Revenue recognition (Continued)

ii) Revenue from exchange transactions (continued)

Rental income

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

b) Budget information

The original budget for FY 2020/2021 was approved by the board of governor on *2020*. Subsequent revisions or additional appropriations were not made to the approved budget.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section xxx of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c) Taxes (continued)

Sales tax/ Value Added Tax

Expenses and assets are recognized net of the amount of sales tax, except:

- When the sales tax incurred on a purchase of assets or services is not recoverable from the taxation authority, in which case, the sales tax is recognized as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the statement of financial position.

c) Property, plant and equipment

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value. Depreciation on property, plant and equipment is recognised in the income statements on a straight –line basis. The annual rates in use are:

CATEGORY	RATE (P.a)
Land and Building	2.5%
Motor Vehicles	25%
Furniture and Fitting	12.5%
Computer	25%
Plant and Equipments	2.5%

d) Financial instruments

Financial assets

Initial recognition and measurement

Financial assets within the scope of IPSAS 29 Financial Instruments: Recognition and Measurement are classified as financial assets at fair value through surplus or deficit, loans and receivables, held-to-maturity investments or available-for-sale financial assets, as appropriate. The Entity determines the classification of its financial assets at initial recognition.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. Losses arising from impairment are recognized in the surplus or deficit.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

a) Financial instruments (continued)

Held-to-maturity

Non-derivative financial assets with fixed or determinable payments and fixed maturities are classified as held to maturity when the Entity has the positive intention and ability to hold it to maturity. After initial measurement, held-to-maturity investments are measured at amortized cost using the effective interest method, less impairment. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate. The losses arising from impairment are recognized in surplus or deficit.

Impairment of financial assets

The Entity assesses at each reporting date whether there is objective evidence that a financial asset or an entity of financial assets is impaired. A financial asset or entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events that has occurred after the initial recognition of the asset (an incurred 'loss event') and that loss event has an impact on the estimated future cash flows of the financial asset or the entity of financial assets that can be reliably estimated. Evidence of impairment may include the following indicator.

- The debtors or entity of debtors are experiencing significant financial difficulty
- Default or delinquency in interest or principal payments
- The probability that debtors will enter bankruptcy or other financial reorganization
- Observable data indicates a measurable decrease in estimated future cash flows (e.g. changes in arrears or economic conditions that correlate with defaults)

**WERU TECHNICAL TRAINING INSTITUTE.
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021**

Financial liabilities

Initial recognition and measurement

Financial liabilities within the scope of IPSAS 29 are classified as financial liabilities at fair value through surplus or deficit or loans and borrowings, as appropriate. The Entity determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings, plus directly attributable transaction costs.

Loans and borrowing

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortized cost using the effective interest method. Gains and losses are recognized in surplus or deficit when the liabilities are derecognized as well as through the effective interest method amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the effective interest rate.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

i) Inventories

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Inventories (Continued)

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost.

Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution.

Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

j) Provisions

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain.

The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

Contingent liabilities

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

Contingent assets

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

WERU TECHNICAL TRAINING INSTITUTE.
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

NOTES TO THE FINANCIAL STATEMENTS (Continued)

4 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

k) Nature and purpose of reserves

The Entity creates and maintains reserves in terms of specific requirements.

l) Related parties

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the CEO/principal and senior managers.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imp rests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

m) Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

n) Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2021

NOTES TO THE FINANCIAL STATEMENTS (Continued)

5 SIGNIFICANT JUDGMENTS AND SOURCES OF ESTIMATION UNCERTAINTY

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140

Useful lives and residual values

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

Provisions

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note xxx.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date, and are discounted to present value where the effect is material.

23. FINANCIAL RISK MANAGEMENT

The entity's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The company's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The company does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The entity's financial risk management objectives and policies are detailed below:

(i) Credit risk

The entity has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments.

Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the company's management based on prior experience and their assessment of the current economic environment.

The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

	Total amount Kshs	Fully performing Kshs	Past due Kshs	Impaired Kshs
At 30 June 2021				
Receivables from exchange transactions			-	-
Receivables from non-exchange transactions		-	-	-
Bank balances			-	-
Total			-	-

WERU TECHNICAL TRAINING INSTITUTE
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

23. FINANCIAL RISK MANAGEMENT (Continued)

(i) Credit risk (continued)

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the company has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The entity has significant concentration of credit risk on amounts due from xxxx

The board of directors sets the company's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

(ii) Liquidity risk management

Ultimate responsibility for liquidity risk management rests with the entity's directors, who have built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the company under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

	Less than 1 month	Between 1-3 months	Over 5 months	Total
	Kshs	Kshs	Kshs	Kshs
At 30 June 2021				
Trade payables	-	-		
Current portion of borrowings	-	-		
Student caution money	-	-		
Total	-	-		

23. FINANCIAL RISK MANAGEMENT (Continued)

(iii) Market risk

WERU TECHNICAL TRAINING INSTITUTE.
ANNUAL REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

24. RELATED PARTY BALANCES

Nature of related party relationships

Entities and other parties related to the entity include those parties who have ability to exercise control or exercise significant influence over its operating and financial decisions. Related parties include management personnel, their associates and close family members.

Government of Kenya

The Government of Kenya is the principal shareholder of the *entity*, holding 100% of the *entity's* equity interest. The Government of Kenya has provided full guarantees to all long-term lenders of the entity, both domestic and external. Other related parties include:

- i) The National Government;
- ii) The Parent Ministry
- iii) Key management;
- iv) Board of directors;
