**5. Fund Chairperson's Report**

It is my pleasure to present, on behalf of the Taita Taveta County Education Fund Board annual report and financial statements for the period ended 30<sup>th</sup> June 2024. The financial statements present the financial performance of the fund over the financial year.

The Taita Taveta Education Fund was established with the aim of:

- I. Cushioning households from impact of poverty by increasing access, retention and completion rates in primary, secondary and tertiary learning institutions.
- II. Enabling our children an opportunity to pursue further education especially the bright and needy.

**Sustainability**

The Taita Taveta Education Fund and its stakeholders are increasingly emphasizing on the need to ensure sustainability through resource mobilization and financing by the County Government with an objective of ensuring that the fund's going concern is secured.

**Board and management Changes**

During the financial year under review no changes were made in the management team.

**Review of Fund's performance**

**Income**

In the period ended 30<sup>th</sup> June 2024, the Taita Taveta Education Fund had projected revenue of Kshs 268,000,000 from the Exchequer releases which was later reduced to 236,000,000 in the County supplementary budget. The total amount received in the FY was ksh160,683,332.

**Expenditures**

The total expenditure during the period amounted to KShs.158,611,562 representing an absorption rate of 68%

**Future outlook of the Fund**

The fund focus is looking to build a sustainable fund with a motivated workforce and structures that enhance efficiency and effectiveness in the service delivery. The fund looks forward to sustainable loans portfolio, continued support from the county government and support from development partners to the realization of its mandate.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

---

**Appreciation**

I take this opportunity to express my sincere gratitude and appreciation to the county government, development partners, stakeholders, management staff and fellow Board Members for their continued support which made us achieve these results.

I look forward to your continued support in the year 2024/2025

**Name:** David Mombo

**Signature:** 

**Date:** 15<sup>th</sup> November 2024

Chairperson of the Fund

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

---

**6. Report of The Fund Administrator**

The Taita Taveta County Education Fund Board was established by Taita Taveta County Education Fund Board Act, 2013 to provide for the management of an education fund to be used for granting loans, bursaries and scholarships to assist resident students of Taita Taveta County to obtain post primary and higher education.

During the financial year engagements were made with stakeholders in a view to developing good relations and enriching beneficiaries with both academic and life skills. The fund endeavours to promote an inclusive approach towards quality basic education. I am pleased to note that more than 20,000 students benefited from the fund in the FY 2023/2024.

The original budget for financial year 2023/2024 was approved by the County Assembly in June 2023 totalling to Kshs. 268,000,000. Subsequent supplementary was made reducing it to kshs.236,000,000. In the financial year under review the fund managed to disburse a total amount of Ksh.130, 533,449. to bursaries and Ksh.24,012,431 to scholarship.

Since the inception of the fund a total number of 671 have students have benefited from scholarship programme, over 50,000 students have received bursaries while over 2,000 students have benefited from Higher Education Loans. This has greatly improved literacy levels in the County Government of Taita Taveta.

Over the years there has been an increase in the budgeted amounts in each programme therefore providing adequate financing to the fund to achieve its objectives economically, efficiently and effectively.

Late fee payment for scholarship beneficiaries has been attributed to late disbursement of funds to the Education Fund. This has also impacted negatively the timely disbursement of bursaries. The Education Fund has also faced the challenge of not realising its full budget hindering maximum delivery of its objectives.

The Education Fund is guided and complies with all legislative and regulatory requirements to ensuring that effective systems are in place to help mitigate risks. The County Government of Taita Taveta has in place an Internal Audit team that provides oversight to the Education Fund.

The fund looks forward to realising its full budget and continued support from the county government and its stakeholders in the next financial year which has a budget estimate of 243M.

**7. Statement of Performance against the County Fund’s Predetermined Objectives**

**Introduction**

Section 164 (2) (f) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the accounting officer when preparing financial statements of each County Government entity in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board includes a statement of the county government entity’s performance against predetermined objectives.

The key development objectives of the Fund as per the County Integrated Development Plan (CIDP) for 2023 to 2027 are to;

- a) Increase access to funding
- b) Promote higher education
- c) Ensure inclusive and equitable quality education

**Progress on attainment of Strategic development objectives**

Below we provide the progress on attaining the stated objectives:

<b>Program</b>	<b>Objective</b>	<b>Outcome</b>	<b>Indicator</b>	<b>Performance</b>
Education scholarship,	Ensure inclusivity and equitability	Increased allocation for scholarship,	No. Of students supported  Scholarship report	<b>In FY 23/24 the fund was able to disburse scholarship amounting to Ksh.24,012,431</b>

However, they are paid a sitting allowance for board meetings at the rate of Kshs 15,000 for the Chairperson, Kshs 12,000 for the Vice Chairperson and the other members Kshs 10,000. per meeting. County employees are paid at the rate of Kshs 4,000 per meeting which is as per the Salaries & Remuneration Commission circular SRC/ADM/CIR/1/13(122).

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**9. Management Discussion and Analysis**

**Operational and Financial performance**

The Taita Taveta Education Fund Board major source of funding is the County government since its inception.

The Fund has two sub programmes which are:

- i) Bursaries and Scholarship with a key output to increase access to education.
- ii) Mentorship with key output to promote quality education and training.

Below is the Financial Information since its inception

<b>YEAR</b>	<b>BUDGETED</b>	<b>EXCHEQUER ISSUE</b>
FY 2013/14	50,000,000	50,000,000
FY 2014/15	50,000,000	52,421,741
FY 2015/16	93,600,000	86,142,658

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

---

The management prepares and presents its financial statements in accordance with IPSAS and submits the same to the Auditor General. It also ensures that financial transactions and information reflected in the financial statement comply with the relevant legislative and regulatory requirements.

The major risk facing the Education Fund particularly the revolving fund is the netting of loanees for repayment. To mitigate this, the Education Fund has collaborated with HELB to ensure effectiveness in repayment of loans.

It is important to note that adequate financing for the fund can be achieved through increased allocation from the County and funding from donors.

The fund has a phone number where residents of the County can enquire on issues of the fund. In line with that we have been engaging HELB to build capacity by training the ward administrators on how residents can benefit from the County loans and HELB products.

Any County that intends to make a breakthrough in industrialization and technological development must begin by ensuring that it has a critical mass of well qualified personnel

## **10. Environmental and Sustainability Reporting**

The Taita Taveta County Education Fund Board exists to transform lives. This is our purpose; the driving force behind everything we do. It's what guides us to deliver our strategy, which is founded on 3 pillars: putting the customer/Citizen first, delivering relevant goods and services, and improving operational excellence. Below is a brief highlight of our achievements in each pillar

### **1. Sustainability strategy and profile -**

The Taita Taveta County Education Fund Board has continued to structure its programs towards empowerment of Taita and Taveta residents and therefore has conducted basic assessment of available options for feasible financing tools that would ensure the fund of its long term sustainability.

### **2. Environmental performance**

To promote sustainable land use and environmental conservation the Taita Taveta County Education Fund Board undertook various capacity building and provision of materials geared towards environmental protection and sustainable land use. The fund has developed a culture of minimising wasted of paper by ensuring printing is done on both sides and use of soft copy documents as opposed to hard copy.

### **3. Employee welfare**

The Taita Taveta County Education Fund Board revamped its efforts in improving the welfare of its employees as a key ingredient to employee through motivation and satisfactory work performance.

### **4. Market place practices-**

The fund is guided by an Act and Regulations in which there has been constituted Ward Bursary Committees which oversee the process and fairness in awarding of the funds to successful applicants. The Members of County Assembly are the patrons of the Ward Bursary Committees and therefor they oversee the day to day activities of the committees.

The management ensures that it releases communication to the public on the requirements and procedures for application of either bursaries, scholarships or loans. Confidentiality of information provided by the applicants is upheld. By sponsoring students the fund promotes equity and fairness as well as right to education to student in Taita Taveta County.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

---

**5. Community Engagements**

The Taita Taveta County Education Fund Board together with various Departments and in collaboration with other stakeholders has been engaging in various community initiatives that have helped improved people's living standards. Several public participation exercises were conducted to collect views and contributions from the residents on issues such as proposed projects, progress reports, budgets, etc having a bearing on service delivery. In the past FY the fund staff in collaboration with Taita Taveta Child Support CBO participated in supporting the boy child and gave out dustbins to various market places in Taita Sub County.

The staff also participated in the planting of trees in the Library and Vocational Training Centre in the sub county to enhance environmental sustainability.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

---

**11. Report of The Trustees**

The Trustees submit their report together with the audited financial statements for the year ended June 30, 2024 which show the state of the Fund affairs.

**Principal activities**

The principal activity/mission/ mandate of the Fund is to Provide quality basic education, promote and coordinate accessible quality life-long education for the county's sustainable development

**Results**

The results of the Fund for the year ended 30<sup>th</sup> June 2024 are set out on page 1 to 5

**Trustees**

The members of the Board of Trustees who served during the period are shown on page (vi-viii).

**Auditors**

The Auditor General is responsible for the statutory audit of the Fund in accordance with Article 229 of the Constitution of Kenya and the Public Audit Act 2015.

By Order of the Board

**Chair of the Board/Fund Administration Committee**

**Date: 15.11.2024**

## **12. Statement of Management's Responsibilities**

Section 167 of the Public Finance Management Act, 2012 requires that, at the end of each financial year, the Administrator of a County Public Fund established by the Taita Taveta Fund Board Act 2013 shall prepare financial statements for the Fund in accordance with the standards and formats prescribed by the Public Sector Accounting Standards Board.

The Administrator of the County Public Fund is responsible for the preparation and presentation of the Fund's financial statements, which give a true and fair view of the state of affairs of the Fund for and as at the end of the financial year ended on June 30, 2024. This responsibility includes: (i) maintaining adequate financial management arrangements and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Fund; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statements, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Fund; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The Administrator of the County Public Fund accepts responsibility for the Fund's financial statements, which have been prepared using appropriate accounting policies supported by reasonable and prudent judgements and estimates, in conformity with International Public Sector Accounting Standards (IPSAS), and in the manner required by the PFM Act, 2012 and the Taita Taveta Fund Board Act 2013. The Administrator of the Fund is of the opinion that the Fund's financial statements give a true and fair view of the state of Fund's transactions during the financial year ended June 30, 2024, and of the Fund's financial position as at that date. The Administrator further confirm the completeness of the accounting records maintained for the Fund, which have been relied upon in the preparation of the Fund's financial statements as well as the adequacy of the systems of internal financial control.

In preparing the financial statements, the Administrator of the County Public Fund has assessed the Fund's ability to continue as a going concern and disclosed, as applicable, matters relating to the use of going concern basis of preparation of the financial statements. Nothing has come to the attention of the Administrator to indicate that the Fund will not remain a going concern for at least the next twelve months from the date of this statement.

### **Approval of the financial statements**

The Fund's financial statements were approved by the Board on 15.11. 2024 and signed on its behalf by:

**Administrator of the Taita Taveta Education Fund**

## REPORT OF THE AUDITOR-GENERAL ON TAITA TAVETA COUNTY EDUCATION FUND BOARD FOR THE YEAR ENDED 30 JUNE, 2024

---

### PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on the Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources, and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

### REPORT ON THE FINANCIAL STATEMENTS

#### Qualified Opinion

I have audited the accompanying financial statements of Taita Taveta County Education Fund Board set out on pages 1 to 27, which comprise the statement of financial position as at 30 June, 2024, and the statement of financial performance, statement of changes in net assets, statement of cash flows and statement of comparison of budget and actual

amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Taita Taveta County Education Fund Board as at 30 June, 2024 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and Taita Taveta Education Board Fund Act, 2013.

### **Basis for Qualified Opinion**

#### **Unsupported Scholarships**

The statement of financial performance and Note 2 to the financial statements reflects use of goods and services of Kshs.155,535,022. The amount includes Kshs.24,012,431 in respect of scholarships to students in secondary schools. However, the payments were not supported by acknowledgement receipts from the respective institutions.

In the circumstances, the accuracy and completeness of Kshs.24,012,431 in respect of scholarships to students in secondary schools could not be confirmed.

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs). I am independent of the Taita Taveta County Education Fund Board Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

### **Emphasis of Matter**

#### **Budgetary Control and Performance**

The statement of comparison of budget and actual amounts reflects revenue final budget and actual amounts on comparable basis of Kshs.236,000,000 and Kshs.160,683,332 respectively, resulting in under-realization of Kshs.75,316,668, or 32% of the budget. Similarly, the Fund expended Kshs.158,611,562 against actual receipts of Kshs.236,000,000 resulting to under-utilization of Kshs.77,388,438, or 33% of the budget.

The underfunding and under expenditure may have impacted negatively on the Funds Activities.

## **Key Audit Matters**

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. There were no key audit matters to communicate in my report.

## **Other Matter**

### **Unresolved Prior Year Audit Issues**

In the audit report of the previous year, several issues were raised under the Report on Financial Statements and Report on Lawfulness and Effectiveness in Use of Public Resources. However, although Management has indicated that the issues have been resolved, no evidence was provided to support that status.

## **Other Information**

Management is responsible for the other information set out on page iii to xxii which comprise of Key Entity Information and Management, Fund Chairperson's Report, Report of the Fund Administrator, Statement of Performance Against the Predetermined Objectives, Corporate Governance Statement, Management Discussion and Analysis, Environmental and Sustainability Reporting, Report of the Trustees and Statement of Management's Responsibilities. The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the Taita Taveta County Education Fund Board financial statements, my responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information and I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

## **REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES**

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effects of matter described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

## **Basis for Conclusion**

### **Unsupported Bursary Award**

The statement of financial performance and Note 2 to the financial statements reflects use of goods and services of Kshs.155,535,022 which includes Kshs.24,012,431 in respect of scholarships to students in secondary schools. However, the criteria used in identifying the beneficiaries was not provided and there were no reports of the ward committees visiting the residences of the applicants as stipulated by Regulation 18 of the Education Fund Board Regulations, 2018 providing that the Committee shall verify all the information provided by the applicant, and shall, visit the residence of an applicant, seek further information to support the application; or invite the applicant parent or guardian to appear in person before.

Further, the Fund Board's minutes indicated that the committees scored the students for marks to select the beneficiaries. However, the score sheets, register and report showing all the applicants, both successful and unsuccessful, was not provided for audit.

In the circumstances, the Management was in breach of the law.

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAI) 4000. The Standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

### **Basis for Conclusion**

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs) 2315 and 2330. The Standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **Responsibilities of Management and Board of Trustees**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations..

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them, and that public resources are applied in an effective way.

The Board of Trustees is responsible for overseeing the Fund's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management and ensuring the adequacy and effectiveness of the control environment.

## **Auditor-General's Responsibilities for the Audit**

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the INTOSAI Framework of Professional Pronouncements (IFPP). The Framework requires that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with IFPP will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

**Budget notes**

1. The total budgeted amount after supplementary budget was 236M whereas the fund received an amount of 160M bringing it to utilization of 68%. The underutilization was as a result of cash flow challenges.
2. The changes between original and final budget were due to supplementary budgets

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**19. Notes to the Financial Statements**

**Significant Accounting Policies**

**1. General Information**

The Taita Taveta Education Fund entity is established by and derives its authority and accountability from Taita Taveta Education Fund Board Act on 2013. The fund is wholly owned by the County Government of Taita Taveta and is domiciled in Kenya. The entity's principal activity is to facilitate quality basic education, promote and coordinate accessible quality life-long education for the county's sustainable development.

**2. Statement of compliance and basis of preparation**

The Fund's financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS). The financial statements are presented in Kenya shillings, which is the functional and reporting currency of the Fund. The accounting policies have been consistently applied to all the years presented. The financial statements have been prepared on the basis of historical cost, unless stated otherwise. The cash flow statement is prepared using the direct method. The financial statements are prepared on accrual basis.

**3. Adoption of new and revised standards**

*(i) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2024*

There were no new and amended standards issued in the financial year.

*(ii) New and amended standards and interpretations in issue but not yet effective in the year ended 30 June 2024.*

<b>Standard</b>	<b>Effective date and impact:</b>
IPSAS 43	<i>Applicable 1<sup>st</sup> January 2025</i> The standard sets out the principles for the recognition, measurement, presentation, and disclosure of leases. The objective is to ensure that lessees and lessors provide relevant information in a manner that faithfully represents those transactions. This information gives a basis for users of financial statements to assess the effect that leases have on the financial position, financial performance and cashflows of an Entity. The new standard requires entities to recognise, measure and present information on right of use assets and lease liabilities.
IPSAS 44: Non- Current Assets Held for Sale and	<i>Applicable 1<sup>st</sup> January 2025</i> The Standard requires, Assets that meet the criteria to be classified as held for sale to be measured at the lower of carrying amount and fair value less costs to sell and the depreciation of such

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

Discontinued Operations	assets to cease and: Assets that meet the criteria to be classified as held for sale to be presented separately in the statement of financial position and the results of discontinued operations to be presented separately in the statement of financial performance.
IPSAS 45- Property Plant and Equipment	<b><i>Applicable 1<sup>st</sup> January 2025</i></b> The standard supersedes IPSAS 17 on Property, Plant and Equipment. IPSAS 45 has additional guidance/ new guidance for heritage assets, infrastructure assets and measurement. Heritage assets were previously excluded from the scope of IPSAS 17 in IPSAS 45, heritage assets that satisfy the definition of PPE shall be recognised as assets if they meet the criteria in the standard. IPSAS 45 has an additional application guidance for infrastructure assets, implementation guidance and illustrative examples. The standard has clarified existing principles e.g valuation of land over or under the infrastructure assets, under- maintenance of assets and distinguishing significant parts of infrastructure assets.
IPSAS 46 Measurement	<b><i>Applicable 1<sup>st</sup> January 2025</i></b> The objective of this standard was to improve measurement guidance across IPSAS by: <ul style="list-style-type: none"> <li>i. Providing further detailed guidance on the implementation of commonly used measurement bases and the circumstances under which they should be used.</li> <li>ii. Clarifying transaction costs guidance to enhance consistency across IPSAS;</li> <li>iii. Amending where appropriate guidance across IPSAS related to measurement at recognition, subsequent measurement and measurement related disclosures.</li> </ul> The standard also introduces a public sector specific measurement bases called the current operational value.
IPSAS 47- Revenue	<b><i>Applicable 1<sup>st</sup> January 2026</i></b> This standard supersedes IPSAS 9- Revenue from exchange transactions, IPSAS 11 Construction contracts and IPSAS 23 Revenue from non- exchange transactions. This standard brings all the guidance of accounting for revenue under one standard. The objective of the standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flow arising from revenue transactions.
IPSAS 48- Transfer Expenses	<b><i>Applicable 1<sup>st</sup> January 2026</i></b> The objective of the standard is to establish the principles that a transfer provider shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of expenses and cash flow arising from transfer expense transactions. This is a new standard for public sector entities geared to provide guidance to entities that provide transfers on accounting for such transfers.
IPSAS 49- Retirement	<b><i>Applicable 1<sup>st</sup> January 2026</i></b> The objective is to prescribe the accounting and reporting requirements for the public

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

Benefit Plans	sector retirement benefit plans which provide retirement to public sector employees and other eligible participants. The standard sets the financial statements that should be presented by a retirement benefit plan.
---------------	--

**(i) Early adoption of standards**

The Taita Taveta County Education Fund Board did not early – adopt any new or amended standards in the financial year 2023/2024.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**3. Summary of Significant Accounting Policies**

**a) Revenue recognition**

**i. Revenue from non-exchange transactions**

**Transfers from other government entities**

Revenues from non-exchange transactions with other government entities are measured at fair value and recognized on obtaining control of the asset (cash, goods, services and property) if the transfer is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

**ii. Revenue from exchange transactions**

**Interest income**

Interest income is accrued using the effective yield method. The effective yield discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount. The method applies this yield to the principal outstanding to determine interest income each period.

**Dividends**

Dividends or similar distributions must be recognized when the shareholder's or the Entity's right to receive payments is established.

**Rental income**

Rental income arising from operating leases on investment properties is accounted for on a straight-line basis over the lease terms and included in revenue.

**b) Budget information**

The original budget for FY 2023-2024 was approved by the County Assembly on June. Subsequent revisions or additional appropriations were made to the approved budget in accordance with specific approvals from the appropriate authorities. The additional appropriations are added to the original budget by the entity upon receiving the respective approvals in order to conclude the final budget.

The entity's budget is prepared on a different basis to the actual income and expenditure disclosed in the financial statements. The financial statements are prepared on accrual basis using a classification based on the nature of expenses in the statement of financial performance, whereas the budget is prepared on a cash basis. The amounts in the financial statements were recast from the accrual basis to the cash basis and reclassified by presentation to be on the same basis as the approved budget. A comparison of budget and actual amounts, prepared on a comparable basis to the approved budget, is then presented in the statement of comparison of budget and actual amounts.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Summary of Significant Accounting Policies (Continued)**

In addition to the Basis difference, adjustments to amounts in the financial statements are also made for differences in the formats and classification schemes adopted for the presentation of the financial statements and the approved budget.

A statement to reconcile the actual amounts on a comparable basis included in the statement of comparison of budget and actual amounts and the actuals as per the statement of financial performance has been presented under section 18 of these financial statements.

**c) Property, plant and equipment**

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the entity recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

**a) Intangible Assets**

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred.

The useful life of the intangible assets is assessed as either finite or indefinite.

**b) Investment property**

Investment properties are measured initially at cost, including transaction costs. The carrying amount includes the replacement cost of components of an existing investment property at the time that cost is incurred if the recognition criteria are met and excludes the costs of day-to-day maintenance of an investment property. Investment property acquired through a non-exchange transaction is measured at its fair value at the date of acquisition. Investment properties are derecognized either when they have been disposed of or when the investment property is permanently withdrawn from use and no future economic benefit or service potential is expected from its disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognized in the surplus or deficit in the period of de-recognition.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Summary of Significant Accounting Policies (Continued)**

**c) Financial instruments**

IPSAS 41 addresses the classification, measurement and de-recognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. At initial recognition, the entity measures a financial asset or financial liability at its fair value plus or minus, in the case of a financial asset or financial liability not at fair value through surplus or deficit, transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability.

**Financial assets**

**Classification of financial assets**

The entity classifies its financial assets as subsequently measured at amortised cost, fair value through net assets/ equity or fair value through surplus and deficit on the basis of both the entity's management model for financial assets and the contractual cash flow characteristics of the financial asset. A financial asset is measured at amortized cost when the financial asset is held within a management model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding. A financial asset is measured at fair value through net assets/ equity if it is held within the management model whose objective is achieved by both collecting contractual cashflows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. A financial asset shall be measured at fair value through surplus or deficit unless it is measured at amortized cost or fair value through net assets/ equity unless an entity has made irrevocable election at initial recognition for particular investments in equity instruments.

**Subsequent measurement**

Based on the business model and the cash flow characteristics, the entity classifies its financial assets into amortized cost or fair value categories for financial instruments. Movements in fair value are presented in either surplus or deficit or through net assets/ equity subject to certain criteria being met.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Summary of Significant Accounting Policies (Continued)**

**Amortized cost**

Financial assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest, and that are not designated at fair value through surplus or deficit, are measured at amortized cost. A gain or loss on an instrument that is subsequently measured at amortized cost and is not part of a hedging relationship is recognized in profit or loss when the asset is de-recognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

**Fair value through net assets/ equity**

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through net assets/ equity. Movements in the carrying amount are taken through net assets, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognized in surplus/deficit. Interest income from these financial assets is included in finance income using the effective interest rate method.

**Fair value through surplus or deficit**

Financial assets that do not meet the criteria for amortized cost or fair value through net assets/ equity are measured at fair value through surplus or deficit. A business model where the entity manages financial assets with the objective of realizing cash flows through solely the sale of the assets would result in a fair value through surplus or deficit model.

**Trade and other receivables**

Trade and other receivables are recognized at fair values less allowances for any uncollectible amounts. Trade and other receivables are assessed for impairment on a continuing basis. An estimate is made of doubtful receivables based on a review of all outstanding amounts at the year end.

**Impairment**

The entity assesses, on a forward-looking basis, the expected credit loss ('ECL') associated with its financial assets carried at amortized cost and fair value through net assets/equity. The entity recognizes a loss allowance for such losses at each reporting date

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Summary of Significant Accounting Policies (Continued)**

**Financial liabilities**

**Classification**

The entity classifies its liabilities as subsequently measured at amortized cost except for financial liabilities measured through profit or loss.

**d) Inventories**

Inventory is measured at cost upon initial recognition. To the extent that inventory was received through non-exchange transactions (for no cost or for a nominal cost), the cost of the inventory is its fair value at the date of acquisition.

Costs incurred in bringing each product to its present location and conditions are accounted for, as follows:

- Raw materials: purchase cost using the weighted average cost method
- Finished goods and work in progress: cost of direct materials and labour and a proportion of manufacturing overheads based on the normal operating capacity, but excluding borrowing costs

After initial recognition, inventory is measured at the lower of cost and net realizable value. However, to the extent that a class of inventory is distributed or deployed at no charge or for a nominal charge, that class of inventory is measured at the lower of cost and current replacement cost. Net realizable value is the estimated selling price in the ordinary course of operations, less the estimated costs of completion and the estimated costs necessary to make the sale, exchange, or distribution. Inventories are recognized as an expense when deployed for utilization or consumption in the ordinary course of operations of the Entity.

**e) Provisions**

Provisions are recognized when the Entity has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits or service potential will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Where the Entity expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of financial performance net of any reimbursement.

**f) Social Benefits**

Social benefits are cash transfers provided to i) specific individuals and / or households that meet the eligibility criteria, ii) mitigate the effects of social risks and iii) Address the need of society as a whole. The entity recognises a social benefit as an expense for the social benefit scheme at the same time that it recognises a liability. The liability for the social benefit scheme is measured at the best estimate of the cost (the social benefit payments) that the entity will incur in fulfilling the present obligations represented by the liability.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Summary of Significant Accounting Policies (Continued)**

**g) Contingent liabilities**

The Entity does not recognize a contingent liability but discloses details of any contingencies in the notes to the financial statements, unless the possibility of an outflow of resources embodying economic benefits or service potential is remote.

**Contingent assets**

The Entity does not recognize a contingent asset, but discloses details of a possible asset whose existence is contingent on the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Entity in the notes to the financial statements. Contingent assets are assessed continually to ensure that developments are appropriately reflected in the financial statements. If it has become virtually certain that an inflow of economic benefits or service potential will arise and the asset's value can be measured reliably, the asset and the related revenue are recognized in the financial statements of the period in which the change occurs.

**h) Nature and purpose of reserves**

The Entity creates and maintains reserves in terms of specific requirements.

**i) Changes in accounting policies and estimates**

The Entity recognizes the effects of changes in accounting policy retrospectively. The effects of changes in accounting policy are applied prospectively if retrospective application is impractical.

**j) Employee benefits – Retirement benefit plans**

The Entity provides retirement benefits for its employees and directors. Defined contribution plans are post-employment benefit plans under which an entity pays fixed contributions into a separate entity (a fund) and will have no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits relating to employee service in the current and prior periods. The contributions to fund obligations for the payment of retirement benefits are charged against income in the year in which they become payable.

Defined benefit plans are post-employment benefit plans other than defined-contribution plans. The defined benefit funds are actuarially valued tri-annually on the projected unit credit method basis. Deficits identified are recovered through lump sum payments or increased future contributions on proportional basis to all participating employers. The contributions and lump sum payments reduce the post-employment benefit obligation.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Summary of Significant Accounting Policies (Continued)**

**k) Foreign currency transactions**

Transactions in foreign currencies are initially accounted for at the ruling rate of exchange on the date of the transaction. Trade creditors or debtors denominated in foreign currency are reported at the statement of financial position reporting date by applying the exchange rate on that date. Exchange differences arising from the settlement of creditors, or from the reporting of creditors at rates different from those at which they were initially recorded during the period, are recognized as income or expenses in the period in which they arise.

**l) Borrowing costs**

Borrowing costs are capitalized against qualifying assets as part of property, plant and equipment. Such borrowing costs are capitalized over the period during which the asset is being acquired or constructed and borrowings have been incurred. Capitalization ceases when construction of the asset is complete. Further borrowing costs are charged to the statement of financial performance.

**m) Related parties**

The Entity regards a related party as a person or an entity with the ability to exert control individually or jointly, or to exercise significant influence over the Entity, or vice versa. Members of key management are regarded as related parties and comprise the directors, the CEO and senior managers.

**n) Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

**o) Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Summary of Significant Accounting Policies (Continued)**

**5. Significant judgments and sources of estimation uncertainty**

The preparation of the Entity's financial statements in conformity with IPSAS requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities, at the end of the reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in future periods.

State all judgements, estimates and assumptions made e.g.

**a) Estimates and assumptions –**

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Entity based its assumptions and estimates on parameters available when the consolidated financial statements were prepared. However, existing circumstances and assumptions about future developments may change due to market changes or circumstances arising beyond the control of the Entity. Such changes are reflected in the assumptions when they occur. IPSAS 1.140.

**b) Useful lives and residual values**

The useful lives and residual values of assets are assessed using the following indicators to inform potential future use and value from disposal:

- The condition of the asset based on the assessment of experts employed by the Entity
- The nature of the asset, its susceptibility and adaptability to changes in technology and processes
- The nature of the processes in which the asset is deployed
- Availability of funding to replace the asset
- Changes in the market in relation to the asset

**c) Provisions**

Provisions were raised and management determined an estimate based on the information available. Additional disclosure of these estimates of provisions is included in Note xxx.

Provisions are measured at the management's best estimate of the expenditure required to settle the obligation at the reporting date and are discounted to present value where the effect is material.

**8. Related party balances**

**a) Nature of related party relationships**

Entities and other parties related to the Fund include those parties who have ability to exercise control or exercise significant influence over its operating and financial decisions. Related parties include management personnel, their associates and close family members. The fund/scheme is related to the following entities:

- a) The County Government;
- b) The Parent County Government Ministry;
- c) Key management;
- d) Board of Trustees; etc.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Notes To The Financial Statements (Continued)**

**9. Financial risk management**

The Fund's activities expose it to a variety of financial risks including credit and liquidity risks and effects of changes in foreign currency. The Fund's overall risk management programme focuses on unpredictability of changes in the business environment and seeks to minimise the potential adverse effect of such risks on its performance by setting acceptable levels of risk. The Fund does not hedge any risks and has in place policies to ensure that credit is only extended to customers with an established credit history.

The Fund's financial risk management objectives and policies are detailed below:

**a) Credit risk**

The Fund has exposure to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when due. Credit risk arises from cash and cash equivalents, and deposits with banks, as well as trade and other receivables and available-for-sale financial investments. Management assesses the credit quality of each customer, taking into account its financial position, past experience and other factors. Individual risk limits are set based on internal or external assessment in accordance with limits set by the directors. The amounts presented in the statement of financial position are net of allowances for doubtful receivables, estimated by the entity's management based on prior experience and their assessment of the current economic environment. The carrying amount of financial assets recorded in the financial statements representing the entity's maximum exposure to credit risk without taking account of the value of any collateral obtained is made up as follows:

<b>Description</b>	<b>Total amount Kshs</b>	<b>Fully performing Kshs</b>	<b>Past due Kshs</b>	<b>Impaired Kshs</b>
<b>At 30 June 2023</b>				
Receivables From Exchange Transactions	-	-	-	-

Bank Balances	-	-	-	-
<b>Total</b>	-	-	-	-

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Notes To The Financial Statements (Continued)**

The customers under the fully performing category are paying their debts as they continue trading. The credit risk associated with these receivables is minimal and the allowance for uncollectible amounts that the entity has recognised in the financial statements is considered adequate to cover any potentially irrecoverable amounts.

The board of trustees sets the Fund's credit policies and objectives and lays down parameters within which the various aspects of credit risk management are operated.

**b) Liquidity risk management**

Ultimate responsibility for liquidity risk management rests with the Fund Administrator, who has built an appropriate liquidity risk management framework for the management of the entity's short, medium and long-term funding and liquidity management requirements. The entity manages liquidity risk through continuous monitoring of forecasts and actual cash flows.

The table below represents cash flows payable by the Fund under non-derivative financial liabilities by their remaining contractual maturities at the reporting date. The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances, as the impact of discounting is not significant.

Description	Less than 1 month	Between 1-3 months	Over 5 months	Total

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Notes To The Financial Statements (Continued)**

**c) Market risk**

The board has put in place an internal audit function to assist it in assessing the risk faced by the entity on an ongoing basis, evaluate and test the design and effectiveness of its internal accounting and operational controls.

Market risk is the risk arising from changes in market prices, such as interest rate, equity prices and foreign exchange rates which will affect the entity's income or the value of its holding of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return. Overall responsibility for managing market risk rests with the Audit and Risk Management Committee.

The Fund's Finance Department is responsible for the development of detailed risk management policies (subject to review and approval by Audit and Risk Management Committee) and for the day-to-day implementation of those policies.

There has been no change to the entity's exposure to market risks or the manner in which it manages and measures the risk.

**i. Foreign currency risk**

The entity has transactional currency exposures. Such exposure arises through purchases of goods and services that are done in currencies other than the local currency. Invoices denominated in foreign currencies are paid after 30 days from the date of the invoice and conversion at the time of payment is done using the prevailing exchange rate.

The carrying amount of the entity's foreign currency-denominated monetary assets and monetary liabilities at the end of the reporting period are as follows:

Description		Other currencies	Total

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Notes To The Financial Statements (Continued)**

**Foreign currency sensitivity analysis**

The following table demonstrates the effect on the Fund's statement of financial performance on applying the sensitivity for a reasonable possible change in the exchange rate of the three main transaction currencies, with all other variables held constant. The reverse would also occur if the Kenya Shilling appreciated with all other variables held constant.

Description	Change in currency rate	Effect on surplus/ deficit	Effect on equity
	Kshs	Kshs	Kshs
<b>2024</b>			
Euro	10%	-	-
USD	10%	-	-
<b>2023</b>			
Euro	10%	-	-
USD	10%	-	-

**ii. Interest rate risk**

Interest rate risk is the risk that the entity's financial condition may be adversely affected as a result of changes in interest rate levels. The entity's interest rate risk arises from bank deposits. This exposes the Fund to cash flow interest rate risk. The interest rate risk exposure arises mainly from interest rate movements on the Fund's deposits.

***Management of interest rate risk***

To manage the interest rate risk, management has endeavoured to bank with institutions that offer favourable interest rates.

***Sensitivity analysis***

The Fund analyses its interest rate exposure on a dynamic basis by conducting a sensitivity analysis. This involves determining the impact on profit or loss of defined rate shifts. The sensitivity analysis for interest rate risk assumes that all other variables, in particular foreign exchange rates, remain constant. The analysis has been performed on the same basis as the prior year.

**Taita Taveta County Education Fund Board**  
**Annual Report and Financial Statements for the year ended June 30, 2024**

**Notes To The Financial Statements (Continued)**

**d) Capital risk management.**

The objective of the Fund's capital risk management is to safeguard the Fund's ability to continue as a going concern. The entity capital structure comprises of the following funds:

**10. Events after the reporting period**

There were no material adjusting and non- adjusting events after the reporting period.

**11. Ultimate and Holding Entity**

**12.** The Taita Taveta Education Fund Board is a County Public Fund established by Taita Taveta Education Fund Board Act 2013. It's ultimate parent is the County Government of Taita Taveta

**13. Currency**

The financial statements are presented in Kenya Shillings (Kshs).
