1. PROJECT INFORMATION AND OVERALL PERFORMANCE

1.1 Name and registered office

Name: The project's official name is Rice based Market Oriented Agriculture Promotion Project (RiceMAPP)

Objective: The key objective of the project is the market-oriented approach established in Mwea Irrigation scheme is disseminated and adopted in other irrigation schemes

Address: The project headquarters offices are at MIAD centre, KANDONG'U, Kirinyaga County, Kenya.

The address of its registered office is: P.O. BOX 477-10303, WANG'URU

The project has no offices/branches elsewhere

Contacts: The following are the project contacts

Telephone: (254) 711847464
E-mail: ricemapp@gmail.com
Website: www.go.ke

1.2 Project Information

Project Start Date:	The project start date is 01/02/2012
Project End Date:	The project end date is 01/03/2017
Project Manager:	The project manager is Mr. Wilson A.Oyange
Project Sponsor:	The project sponsors are the Government of Kenya which contributed 31% and the Government of Japan (JICA) which contributed 69%

1.3 Project Overview

Line Ministry/State Department of the project	The project is under the supervision of the Ministry of Agriculture, Livestock & Fisheries, State Department of Agriculture.
Project number	1161001009
Strategic goals of the project	The strategic goals of the project are as follows: (i) The market-oriented approach established in Mwea Irrigation

Rice MAPP Project
Reports and Financial Statements
For the financial year ended June 30, 2019

	Scheme is disseminated and adopted in other irrigation schemes
Achievement of strategic goals	The project management aims to achieve the goals through the following means: (i) Trainings of farmers & stake holders (ii) Conduct Demonstrations (iii) Facilitating stakeholders
Other important background information of the project	The project is AIA donor funded together with the counterpart funds. Phase I of the project was successfully concluded in March, 2017. Phase II is expected to start in February 2019.
Current situation that the project was formed to intervene	The project was formed to intervene in the following areas: i. To analyse the current situation of farm management, the existing market system, and propose the profitable rice-based & market oriented farming systems ii. Analyse the current situation & issues on water management and IWUA, develop counter measures for rational water management & formulate water Management Guidelines consistent with rice based farming systems iii. Conduct verifications and demonstrations on improved rice cultivation & sequential crops cultivation methods, iv. Propose and demonstrate appropriate mechanization systems in MIS v. Analyse the current situation of Extension system, Design an Extension plan and conduct workshops & trainings on different aspects of rice-based market oriented farming systems. vi. Conduct workshop/conferences for introducing experiences of rise-based and market oriented farming systems vii. Conduct survey on Agricultural profit of farmers
Project duration	Phase I-1st February, 2012- 1 st March ,2017- Phase II expected to commence in February 2019

1.4 Bankers

The following are the bankers for the current year:

- (i) District Treasury, Mwea West
- (ii) Equity Bank Ac. No 11013013111401

1.5 Auditors

The project is audited by the Office of the Auditor General, Anniversary Towers, Nairobi.

1.6 Roles and Responsibilities

The project management is based at Mwea Irrigation Scheme and is responsible for the day to day running of the project headed by the Project Manager and assisted by a team of technical officers called the counterparts and supported by administrative staff. The project also had a team of long term experts led by a project advisor and various short term experts called in wherever necessary. The core counterpart staffs are as listed below;

Names & Contact details	Title designation	Key qualification	Responsibilities
Wilson A. Oyange 0711748464 woyange@yahoo.com	Project Manager (wef March,2017) Counterpart, Extension & Farmers Organization	Bsc-Agriculture, Msc (Agronomy) -Rice research & cultivation techniques (Japan)	Coordinating day to day activities of the project. -Design extension plan, conduct trainings & carry out demonstrations on farming systems
Daniel M Mwithia 0721952871	Counterpart, Crop management	Bsc.- Agriculture -Rice research & cultivation techniques (Japan)	Responsible for development and upscaling of alternative methods of rice cultivation & sequential crops
Silas A Owino 0720286520 owinosila@gmail.com	Monitoring & Evaluation	Bsc-Agriculture	Overall tracking of project progress, collation of data & reporting
Ibrahim Muriuki Joseph ibrahimjoseph@uno.ke	Agribusiness development& Marketing	Bsc-Agriculture	Support farmers on marketing issues &develop market information system
Juma A. Mohamed 0722494191 jjomadhar@gmail.com	Irrigation & Water management	Bsc-Agriculture & Diploma in Irrigation & Water	Responsible for irrigation & Water management issues
Peter K Kinuthia pkkinuthia@gmail.com	Mechanization Assistant	Diploma in Agriculture Engineering	Conduct trials on mechanization & develop mechanization systems in MIS
Charity W. Njagi	Administrative Assistant	Diploma in Purchasing & Supplies Management	Clerical duties
Antony Munene Njoka	Driver	Defensive driving	Driving

Rice MAPP Project
Reports and Financial Statements
For the financial year ended June 30, 2019

1.7 Funding summary

The Project was for duration of five (5) years from February 2012 to March 2017 with an approved budget of US\$ 1,854,368 equivalents to Kshs.191,050,000 as highlighted in the table below:

Below is the funding summary:

Source of funds	Donor Commitment-		Amount received to date – (30.06.2018)		Undrawn balance to date (30.06. 2018)	
	Donor currency USD	KShs	Donor currency USD	KShs	Donor currency USD	KShs
	(A)	(A')	(B)	(B')	(A)-(B)	(A')-(B')
(i) Grant						
JICA	1,128,155	116,200,000	1,271,650	130,980,000	(143,495)	(14,780,000)
Insert name of donor	0	0	0	0	0	0
(ii) Loan						
Insert name of development partner	0	0	0	0	0	0
Insert name of development partner	0	0	0	0	0	0
(iii) Counterpart funds						
Government of Kenya	726,214	74,800,000	575,922	60,070,000	150,292	14,730,000
Total	1,854,369	191,000,000	1,847,572	191,050,000	6,797	(50,000)

1.8 Summary of Overall Project Performance:

Budget performance against actual amounts for current year and for cumulative to-date,

- During the year under review, the project received no funds and incurred no expenditure representing 0 % utilization.

Physical progress based on outputs, outcomes and impacts since project commencement:

- There was a project lag at the beginning necessitating a review of the Project Design Matrix (PDM) during mid-term evaluation.

Comment on value-for-money achievements:

- Funds allocated was way below the budget necessitating adjustments on targets

Implementation challenges:

	Challenges	Recommendation/Way Forward
1.	Delayed donor resumption	Conducive atmosphere for donor operation
2.	Delay and reduced G.o.K disbursement of funds	G.o.K to enhance funds disbursement
3.	Challenges in the new constitutional dispensation leading to implementation hiccups	The project management and all the stakeholders to acquaint themselves with the relevant applicable legal framework address the challenges noted and work harmoniously for the common good of the project.
4	Differential financial procedures between the donor and GOK	Necessary guidance required. Harmonised financial reporting to be agreed up on before the onset of each project.

1.9 Summary of Project Compliance:

Compliance level so far rated at more than 95%. All activities were carried out within the laws of the Republic of Kenya and that all regulations and procedures were followed. The donor resumed in April 2019 under a different Project (Capacity Development Project for Enhancement of Rice Production in Irrigation Schemes in Kenya - CaDPERP) , just near the end of the 2018/2019 Financial year. During the 2018/2019 Financial Year, GoK did not provide any funding.

2. STATEMENT OF PROJECT MANAGEMENT RESPONSIBILITIES

The *Principal Secretary* for the Ministry of Agriculture, Livestock & Fisheries, State department of Agriculture and the *Project Manager* for **Rice MAP project** are responsible for the preparation and presentation of the Project's financial statements, which give a true and fair view of the state of affairs of the Project for and as at the end of the financial year (period) ended on June 30, 2018. This responsibility includes: (i) maintaining adequate financial management arrangement and ensuring that these continue to be effective throughout the reporting period; (ii) maintaining proper accounting records, which disclose with reasonable accuracy at any time the financial position of the Project; (iii) designing, implementing and maintaining internal controls relevant to the preparation and fair presentation of the financial statement, and ensuring that they are free from material misstatements, whether due to error or fraud; (iv) safeguarding the assets of the Project; (v) selecting and applying appropriate accounting policies; and (vi) making accounting estimates that are reasonable in the circumstances.

The *Principal Secretary* for the Ministry of Agriculture, Livestock & Fisheries, State department of Agriculture and the *Project Manager* for **Rice MAP project** accept responsibility for the Project's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards.

The *Principal Secretary* for the Ministry of Agriculture, Livestock & Fisheries, State department of Agriculture and the *Project Manager* for **Rice MAP project** are of the opinion that the Project's financial statements give a true and fair view of the state of Project's transactions during the financial year/period ended June 30, 2019, and of the Project's financial position as at that date. The *Principal Secretary* for Agriculture, Livestock & Fisheries, State department of Agriculture and the *Project Manager* for **Rice MAP project** further confirm the completeness of the accounting records maintained for the Project, which have been relied upon in the preparation of the Project financial statements as well as the adequacy of the systems of internal financial control.

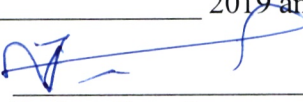

The *Principal Secretary* for the Ministry of Agriculture, Livestock & Fisheries, State department of Agriculture and the *Project Manager* for **Rice MAP project** confirm that the Project has complied fully with applicable Government Regulations and the terms of external financing covenants, and that Project funds received during the financial year/period under audit were used for the eligible purposes for which they were intended and were properly accounted for.

Approval of the Project financial statements

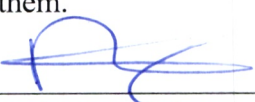

The Project financial statements were approved by the *Principal Secretary* for the Ministry of Agriculture, Livestock & Fisheries, State department of Agriculture and the *Project Manager* for **Rice MAP project** on _____ 2019 and signed by them.

NAIROBI

REPORT OF THE AUDITOR-GENERAL ON RICE BASED MARKET ORIENTED AGRICULTURAL PROMOTION PROJECT FOR THE YEAR ENDED 30 JUNE, 2019 – STATE DEPARTMENT FOR CROP DEVELOPMENT AND AGRICULTURAL RESEARCH

REPORT ON THE FINANCIAL STATEMENTS

Opinion

I have audited the accompanying financial statements of Rice Based Market Oriented Agriculture Promotion Project set out on pages 1 to 25, which comprise the statement of financial assets and liabilities as at 30 June, 2019, and the statement of receipts and payments, statement of cash flows and statement of comparative budget and actual amounts for the year then ended, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Rice Based Market Oriented Agriculture Promotion Project as at 30 June, 2019, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Agreement on Technical Cooperation between the Government of Japan and the Government of the Republic of Kenya dated 29 April, 2004 and the Record of Discussion agreed upon between the Government of the Republic Kenya (GOK) and Japan International Cooperation Agency (JICA) dated 19 October, 2011 and the Public Finance Management Act, 2012.

Basis for Opinion

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Rice Based Market Oriented Agriculture Promotion Project Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter

Project Closure

During the year under review the Project remained inactive and the only transactions were related to bank charges. The Project ceased operations in the year 2016/2017 but it had not been wound up as required in the financing agreement. The bank account was, however, closed after year end, on 3 October, 2020 and the remaining balance in the account of Kshs.344 was surrendered to the State Department for Crop Development and Agricultural Research.

A new Project, Capacity Development Project for Enhancement of Rice Production in Irrigation Schemes (CaDPERP) was being implemented in Kirinyaga, and Kisumu as an upscale of the previous project. The above notwithstanding, the Management continues to maintain the bank account with only Kshs.364 and to prepare and present the financial statements for audit solely based on the cumulative balances, with no current operations. The statements of financial assets as at 30 June, 2019 equally reflects nil balances.

My opinion is however not modified based on the effects of the above matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matter

Lack of Supporting Documents

As reported in the previous year, the statement of receipts and payments reflects cumulative receipts totalling Kshs.191,050,000 which constitutes direct payments by Japan International Cooperation Agency (JICA) of Kshs.130,980,000 and transfers from Government entities of Kshs.60,070,000. The statement also reflects total cumulative expenditure to date of Kshs.191,049,861.

However, over the years and as had been reported in the previous year, the Project Management did not provide for audit review, the following key information and documentation as requested:

- a) Supporting schedules and analyses showing the constitution of the cumulative expenditure to date;
- b) Approved project budget for the period and the entire project's life;
- c) The original and revised (if any) project proposal;
- d) Analysis and support documentation of all GOK funds disbursed and JICA funds donated and utilized for the entire project;

- e) Transfers (disbursements) from the Government entities and JICA clearly showing the date(s) disbursed and received;
- f) Relevant exchange conversion rates for the funds which were received in foreign currency.

Consequently, it has not been possible to confirm the completeness, accuracy and validity of the figures reflected in the statement of receipts and payments for the year ended 30 June, 2019.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, I confirm that, nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether processes and systems of internal control, risk management and governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal control as Management determines is

necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the Projects' ability to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the Project or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Project's financial reporting process, reviewing the effectiveness of how the entity monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in

accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the Project's policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of the Management's use of the applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of Rice Based Market Oriented Agriculture Promotion Project to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Project to cease sustaining its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Project to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with the Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence, and where applicable, related safeguards.

Nancy Gathungu
AUDITOR-GENERAL

Nairobi

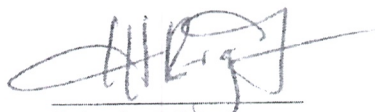

05 January, 2021

8. NOTES TO THE FINANCIAL STATEMENTS

The principal accounting policies adopted in the preparation of these financial statements are set out below:

8.1. Basis of Preparation

8.1.1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with Cash-basis IPSAS financial reporting under the cash basis of Accounting, as prescribed by the PSASB and set out in the accounting policy note below. This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprests and salary advances and b) payables that include deposits and retentions.

The financial statements comply with and conform to the form of presentation prescribed by the PSASB.

The accounting policies adopted have been consistently applied to all the years presented.

8.1.2. Reporting entity

The financial statements are for the RiceMAP Project under the National Government of Kenya. The financial statements encompass the reporting entity as specified in the relevant legislation PFM Act 2012 .

8.1.3. Reporting currency

The financial statements are presented in Kenya Shillings (KShs), which is the functional and reporting currency of the Project and all values are rounded to the nearest Kenya Shilling.

8.2. Significant Accounting Policies

a) Recognition of receipts

The Project recognises all receipts from the various sources when the event occurs and the related cash has actually been received by the Government.

• Transfers from the Exchequer

Transfer from Exchequer is be recognized in the books of accounts when cash is received. Cash is considered as received when payment instruction is issued to the bank and notified to the receiving entity.

• External Assistance

External assistance is received through grants and loans from multilateral and bilateral development partners.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

Donations and grants

Grants and donations shall be recognized in the books of accounts when cash is received. Cash is considered as received when a payment advice is received by the recipient entity or by the beneficiary. In case of grant/donation in kind, such grants are recorded upon receipt of the grant item and upon determination of the value. The date of the transaction is the value date indicated on the payment advice.

Proceeds from borrowing

Borrowing includes Treasury bill, treasury bonds, corporate bonds, sovereign bonds and external loans acquired by the Project or any other debt the Project may take on will be treated on cash basis and recognized as a receipt during the year they were received.

Undrawn external assistance

These are loans and grants at reporting date as specified in a binding agreement and relate to funding for the Project currently under development where conditions have been satisfied or their ongoing satisfaction is highly likely and the project is anticipated to continue to completion. An analysis of the Project's undrawn external assistance is shown in the funding summary

• **Other receipts**

These include Appropriation-in-Aid and relates to receipts such as proceeds from disposal of assets and sale of tender documents. These are recognised in the financial statements the time associated cash is received.

b) Recognition of payments

The Project recognises all payments when the event occurs and the related cash has actually been paid out by the Project.

• **Compensation of employees**

Salaries and Wages, Allowances, Statutory Contribution for employees are recognized in the period when the compensation is paid.

• **Use of goods and services**

Goods and services are recognized as payments in the period when the goods/services are consumed and paid for. If not paid for during the period where goods/services are consumed, they shall be disclosed as pending bills.

• **Interest on borrowing**

Borrowing costs that include interest are recognized as payment in the period in which they incurred and paid for.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

- **Repayment of borrowing (principal amount)**

The repayment of principal amount of borrowing is recognized as payment in the period in which the repayment is made. The stock of debt is disclosed as an annexure to the consolidated financial statements.

- **Acquisition of fixed assets**

The payment on acquisition of property plant and equipment items is not capitalized. The cost of acquisition and proceeds from disposal of these items are treated as payments and receipts items respectively. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration and the fair value of the asset can be reliably established, a contra transaction is recorded as receipt and as a payment.

A fixed asset register is maintained by each public entity and a summary provided for purposes of consolidation. This summary is disclosed as an annexure to the consolidated financial statements.

c) In-kind donations

In-kind contributions are donations that are made to the Project in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the Project includes such value in the statement of receipts and payments both as receipts and as payments in equal and opposite amounts; otherwise, the contribution is not recorded.

d) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at the Central Bank of Kenya and at various commercial banks at the end of the financial year. For the purposes of these financial statements, cash and cash equivalents also include short term cash imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year.

Restriction on cash

Restricted cash represents amounts that are limited/restricted from being used to settle a liability for at least twelve months after the reporting period. This cash is limited for direct use as required by stipulation. Amounts maintained in deposit bank accounts are restricted for use in refunding third part deposits

SIGNIFICANT ACCOUNTING POLICIES (Continued)

e) Accounts receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year is treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as payments when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

f) Pending bills

Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years. As pending bills do not involve the payment of cash in the reporting period, they recorded as 'memorandum' or 'off-balance' items to provide a sense of the overall net cash position of the Project at the end of the year. When the pending bills are finally settled, such payments are included in the statement of receipts and payments in the year in which the payments are made.

g) Budget

The budget is developed on a comparable accounting basis (cash basis), the same accounts classification basis (except for accounts receivable - outstanding imprest and clearance accounts and accounts payable - deposits, which are accounted for on an accrual basis), and for the same period as the financial statements. The Project's budget was approved as required by Law and National Treasury Regulations, as well as by the participating development partners, as detailed in the Government of Kenya Budget Printed Estimates for the year. The Development Projects are budgeted for under the MDAs but receive budgeted funds as transfers and account for them separately. These transfers are recognized as inter-entity transfers and are eliminated upon consolidation.

A high-level assessment of the Project's actual performance against the comparable budget for the financial year/period under review has been included in an annex to these financial statements.

h) Third party payments

Included in the receipts and payments, are payments made on its behalf by to third parties in form of loans and grants. These payments do not constitute cash receipts and payments and are disclosed in the payment to third parties' column in the statement of receipts and payments. During the year, no grant disbursements were received in form of direct payments from third parties.

SIGNIFICANT ACCOUNTING POLICIES (Continued)

i) Exchange rate differences

The accounting records are maintained in the functional currency of the primary economic environment in which the Project operates, Kenya Shillings. Transactions in foreign currencies during the year/period are converted into the functional currency using the exchange rates prevailing at the dates of the transactions. Any foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statements of receipts and payments.

j) Comparative figures

Where necessary comparative figures for the previous financial year/period have been amended or reconfigured to conform to the required changes in financial statement presentation.

k) Subsequent events

There have been no events subsequent to the financial year/period end with a significant impact on the financial statements for the year ended June 30, 2019.

l) Errors

Material prior period errors shall be corrected retrospectively in the first set of financial statements authorized for issue after their discovery by: i. Restating the comparative amounts for prior period(s) presented in which the error occurred; or ii. If the error occurred before the earliest prior period presented, restating the opening balances of assets, liabilities and net assets/equity for the earliest prior period presented.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

8.3. RECEIPTS FROM GOVERNMENT OF KENYA
