1. Acronyms and Glossary of Terms

Provide a list of all applicable acronyms and glossary of terms e.g.

BOM	Board of Management
CEB	County Education Board
IPSAS	International Public Sector Accounting Standards
KCSE	Kenya Certificate of Secondary Education
PFM	Public Finance Management
PSASB	Public Sector Accounting Standards Board
FY	Financial Year
FDSE	Free Day Secondary Education

2. Key School Information and Management

(a) Back ground information

The school is domiciled in Kenya and its operations are governed under the Basic Education Act, 2013. It is located in WAJIR County, WAJIR WEST Sub-County

The school was registered in MARCH/2006 under registration number GP/A3629/2006 and is currently categorized as a COUNTY public school established, owned or operated by the Government.

The school is a boarding school and had 573 number of students as at 30th June 2024. It has 3 streams and 12 TSC Teachers while 8 Teachers are employed by the School Board of Management.

(b) School Board of Management-Board Members

The School Board of Management established under Section 55 of the Basic Education Act 2013; is composed of the following members:

Ref:	Name of Board Member	Designation	Date of appointment
1	FARAH ABDI SAMAN	CHAIRMAN	1 ST NOVEMBER 2022
2	OSMAN MUMIN HUSSEIN	SECRETARY - PRINCIPAL	1 ST NOVEMBER 2022
3	HABIBA ABDIRAHMAN	MEMBER	1 ST NOVEMBER 2022
4	ABDI BILLOW MOHAMED	MEMBER	1 ST NOVEMBER 2022
5	RUKIA ABDULLAHI	MEMBER	1 ST NOVEMBER 2022
6	HALIMA ABDULLAHI	MEMBER	1 ST NOVEMBER 2022
7	ABEY NUNOW	MEMBER	1 ST NOVEMBER 2022
8	FARAH ABDI SAMAN	MEMBER – REP CEB	1 ST NOVEMBER 2022
9	ABDIHAKIM HUSSEIN	MEMBER REP TEACHERS	1 ST NOVEMBER 2022
10	SAADIA YUSUF SHEIKH	3 MEMBERS - SPONSOR	1 ST NOVEMBER 2022
11	ABEY MOHAMED	MEMBER - COMMUNITY	1 ST NOVEMBER 2022
12	MEYMUNA GAIYE	MEMBER SPECIAL NEEDS	1 ST NOVEMBER 2022
13	ZUHURA DAUD	REP STUDENTS	1 ST NOVEMBER 2022

Key School Information and Management (Continued)

The function of the School Board of Management includes:

- Promote the best interests of the school and ensure its development.
- Promote quality education for all pupils in accordance with the standards set under the Basic Education Act, 2013
- Ensure and assure the provision of proper and adequate facilities for the school
- Manage the School's affairs in accordance with the rules and regulations governing occupational safety and health.
- Advise the County Education Board on the staffing needs of the school.
- Determine cases of pupil's discipline and make reports to the CEB
- Prepare comprehensive termly report on all areas of its mandate and submit the report to CEB
- Administer and manage the resources of the school
- Receive, collect and account for any funds accruing to the institution in accordance with Article 226 (1) (a) of the Constitution of Kenya, Section 81 of the Public Finance Management Act, 2012 and the Fourth Schedule para 21 and 23 of the Basic Education Act, 2013.

(c) Committees of the Board

4. Statement of School Management Responsibility

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, each National Government School shall prepare financial statements in respect of that school. Section 81(3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board (PSASB) of Kenya from time to time.

Schedule 4 (Section 23) of the Education Act, 2013 requires the Board of Management of a public institution of basic education to keep all proper books and records of accounts of the income, expenditure and assets of the institution.

The Board of Management of HON KHALIF GIRLS' SECONDARY SCHOOL accepts responsibility for the school's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS).

The Board of Management is of the opinion that the school's financial statements give a true and fair view of the state of the school's transactions during the financial year ended 30th June, 2024, and of the school's financial position as at that date.

REPORT OF THE AUDITOR-GENERAL ON HON. KHALIF GIRLS SECONDARY SCHOOL FOR THE YEAR ENDED 30 JUNE, 2024 – WAJIR COUNTY

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements;
- B. Report on Lawfulness and Effectiveness in the Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure the Government achieves value for money and that such funds are applied for the intended purpose; and,
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

A Qualified Opinion is issued when the Auditor-General concludes that, except for material misstatements noted, the financial statements are fairly presented in accordance with the applicable financial reporting framework. The Report on Financial Statements should be read together with the Report on Lawfulness and Effectiveness in the Use of Public Resources and the Report on Effectiveness of Internal Controls, Risk Management and Governance.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of Hon. Khalif Girls Secondary School set out on pages 1 to 21, which comprise of the statement of assets and liabilities as at 30 June, 2024, and the statement of receipts and payments, statement of cash flows and statement of budgeted versus actual amounts, for the year then ended and a summary of significant accounting policies and other explanatory

information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of Hon. Khalif Girls Secondary School as at 30 June, 2024 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards Cash Basis and comply with the Basic Education Act, 2013 and the Public Finance Management Act, 2012.

Basis for Qualified Opinion

1. Unsupported School Fund Income - Parents Contributions

The statement of receipts and payments reflects school fund income - parents contributions amounting to Kshs.11,680,000 as disclosed in Note 3 to the financial statements. However, the amount was not supported by a detailed schedule and supporting ledger records, fees register and student billing records. Further, the School uses the Students and Academic Management Information System (SAMIS) to record fees collection but the system generated ledger reports, student billing statements and related transaction listings were not provided for audit review.

In the circumstances, the accuracy and completeness of school fund income - parents contributions amounting to Kshs.11,680,000 could not be confirmed.

2. Inaccuracies in the Statement of Budgeted Versus Actual Amounts

The statement of cash flows reflects total actual receipts and payments of Kshs.20,964,928 and Kshs.20,315,328 respectively. However, the statement of budgeted versus actual amounts reflects total actual receipts and payments of Kshs.15,507,177 and Kshs.20,211,178 respectively, resulting in variances of Kshs.5,457,751 and Kshs.104,150 in receipts and payments respectively.

In the circumstances, the accuracy of the amounts reflected in the statement of budgeted versus actual amounts could not be confirmed.

3. Unsupported Accounts Receivables Balance

The statement of assets and liabilities reflects accounts receivable balance of Kshs.6,611,949 in respect of fees arrears as disclosed in Note 11 to the financial statements. Included in the balance is accounts receivables balance of Kshs.1,394,385 which had been outstanding for more than one (1) year. However, the balance was not supported by detailed schedule, detailed aging analysis and policy on the impairment of long outstanding fees arrears.

In the circumstances, the accuracy, completeness and recoverability of accounts receivable balance of Kshs.6,611,949 could not be confirmed.

4. Unsupported Accounts Payables Balance

The statement of assets and liabilities reflects accounts payables balance of Kshs.202,850 as disclosed in Note 12 to the financial statements. However, the balance includes Kshs.129,350 and Kshs.33,650 in respect of Kenya Power and Lighting Company and Wajir Water and Sewerage Company Limited respectively which were not supported by invoices or supplier statements.

In the circumstances, the accuracy and completeness of accounts payable balance of Kshs.202,850 could not be confirmed.

The audit was conducted in accordance with International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Hon Khalif Girls Secondary School Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Emphasis of Matter

Budgetary Control and Performance

The statement of budgeted versus actual amounts reflects final receipts budget and actual on a comparable basis of Kshs.21,820,500 and Kshs.15,507,177 respectively, resulting in an under-funding of Kshs.6,313,323 or 29% of the budget. However, the School spent an amount of Kshs.20,211,178 against actual receipts of Kshs.15,507,177 resulting in an over-utilization of Kshs.4,704,001 or 30% of actual receipts.

The under-funding affected the planned activities and may have impacted negatively on the operations of the School while spending on unrealized funds contributed to accumulation of payables.

My opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in my professional judgement, are of most significance in the audit of the financial statements. Except for the effect of the matters described in the Basis for Qualified Opinion section, I have determined that there are no other key audit matters to communicate in my report.

Other Information

The Management is responsible for the Other Information set out on page iii to xii which comprise of Key School Information and Management, Summary Report of Performance of the School and Statement of School Management Responsibility, The Other Information does not include the financial statements and my audit report thereon.

In connection with my audit on the School's financial statements, my responsibility is to read the Other Information and in doing so, consider whether the Other Information is materially inconsistent with the financial statements or my knowledge obtained in the audit or otherwise appears to be materially misstated. If based on the work I have performed, I conclude that there is a material misstatement of this Other Information, I am required to report that fact. I have nothing to report in this regard.

My opinion on the financial statements does not cover the Other Information and accordingly, I do not express an audit opinion or any form of assurance conclusion thereon.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN THE USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in the Use of Public Resources section of my report, I confirm that nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Late Submission of Financial Statements

The financial statements for the year ended 30 June, 2024 were submitted to the Auditor-General on 1 September, 2025 instead of the statutory deadline of 30 September, 2024. This was contrary to Section 81 of Public Finance Management Act, 2012 which requires financial statements to be submitted to the Auditor-General within three (3) months after the end of each financial year.

In the circumstances, Management was in breach of the law.

2. Late Transfer of Infrastructure Funds from Operations Bank Account

The statement of receipts and payments reflects capitation grants for operations amounting to Kshs.7,504,613 as disclosed in Note 2 to the financial statements. Included in the amount is Kshs.1,817,200 in respect of infrastructure grants which were to be transferred to infrastructure bank account for maintenance and improvement of the School's facilities. However, an amount of Kshs.1,798,500 was transferred over 15 days upon receipt. This was contrary to the Ministry of Education Circular Ref. No: MOE.HQS/3/13/5 2024 which directed that infrastructure grants as well as maintenance and improvement funds should be transferred to the school infrastructure account fifteen (15) days upon receipt of the funds in the operations account.

In the circumstances, Management was in breach of the guidelines.

3. Irregular Transfer of Funds to Kenya Secondary Schools Heads Association

The statement of receipts and payments reflects payments for operations amounting to Kshs.7,376,408 as disclosed in Note 6 to the financial statements. Included in the expenditure is an amount of Kshs.20,000 transferred to Kenya Secondary School Heads Association (KESSHA). However, KESSHA is a welfare organization that draws its membership from school Principals only. The organization is not defined in Government funding system and there is no assurance that it has implemented effective, efficient, and transparent financial management and internal control systems to manage the funds transferred by schools.

In the circumstances, value for money transferred to KESSHA amounting to Kshs.20,000 could not be confirmed.

4. Lack of a Functional Procurement Unit

The School did not have an established procurement function managed by qualified procurement professional as required under Section 47(2) of the Public Procurement and Asset Disposal Act, 2015 and Regulation 33 of the Public Procurement and Asset Disposal Regulations, 2020. Procurement activities were undertaken by individuals lacking the requisite qualifications.

In the circumstances, Management was in breach of the law.

5. Failure to Prepare School Improvement Plan

During the year under review, the School did not have an approved School Improvement Plan. This was contrary to Section 2.2 of the Ministry of Education Operation Manual for Utilization of Learner Capitation Grant and Other School Funds, which requires schools to identify in every three-year school improvement planning cycle, one priority area in each of the four key areas which include curriculum implementation, foundational literacy and numeracy outcomes, an enabling environment for learning and parental involvement and community engagement for implementation.

In the circumstances, Management was in breach of the guidelines.

6. Non-Compliance with the Law on Ethnic Diversity in Employment

Review of the payroll revealed that the School had twenty-one (21) employees. However, all the employees, were from the dominant ethnic community. This was contrary to Section 7(1) and (2) of the National Cohesion and Integration Act, 2008 which states that all public establishments shall seek to represent the diversity of the people of Kenya in the employment of staff and no public establishment should have more than one third of its staff from the same ethnic group.

In the circumstances, Management was in breach of the law.

7. Under Funding of Capitation Grants

The statement of receipts and payments reflects capitation grants for tuition and operations amount of Kshs.1,540,128 and Kshs.7,504,613 respectively as disclosed in Notes 1 and Note 2 to the financial statements. During the year under review, the approved capitation rate per student was Kshs.22,244 which, based on recorded student enrollment, should have translated to total capitation funding of Kshs.14,436,356. However, the School received a total of Kshs.9,044,741 while Kshs.227,150 was retained by the Ministry for Strengthening of Mathematics and Sciences in Secondary Schools (SMASSE) and other co-curricular activities resulting in an under-funding of Kshs.5,164,465.

In the circumstances, the School was underfunded contrary to the Government Policy on Free Day Secondary Education which may have impacted negatively on the planned learning outcomes.

The audit was conducted in accordance with ISSAI 3000 and ISSAI 4000. The standards require that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the effect of the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

1. Lack of Internal Audit Unit and Audit Committee

During the year under review, the School did not have an Internal Audit Unit and an Audit Committee. This was contrary to Section 73(1)(a) of the Public Finance Management Act, 2012, which provides that every National Government entity shall ensure that it has appropriate arrangements in place for conducting internal audit according to the guidelines of the Accounting Standards Board. Further, Regulation 174(1) of the Public Finance Management (National Government) Regulations, 2015, requires each National Government entity to establish an Audit Committee.

In the circumstances, existence of an effective oversight mechanism could not be confirmed.

2. Lack of Risk Management Policy

During the financial year under review, the Management did not establish or implement a Risk Management Policy to identify, assess, and mitigate potential risks. This lack of a formal policy may have exposed the school to unforeseen challenges, vulnerabilities, and inefficiencies in addressing operational, financial, and compliance-related risks. A comprehensive risk management framework would have been critical in safeguarding the School's assets and ensuring long-term sustainability.

In the circumstances, the effectiveness of risk management systems at the School could not be confirmed.

3. Weaknesses in Students and Academic Management Information System Controls

The school uses Students and Academic Management Information System (SAMIS) to record and monitor boarding fee collections. However, there is no documented IT policy outlining procedures for user access management, password controls, system administration, data backup, or periodic review of system audit trails. User roles and access levels were not formally documented, and there was no evidence of periodic review of user rights. Further, no documented evidence was provided to confirm that regular independent reconciliations are performed between amounts recorded in SAMIS, cash received, and bank deposits. There was also no evidence of supervisory review and approval of system-generated reports used for financial reporting. Further, the School did not have an IT strategic steering committee. In addition, there were no fire suppression systems to mitigate loss in case of a fire outbreak.

In the circumstances, the effectiveness of internal controls in respect of SAMIS at the School could not be confirmed.

4. Weaknesses in Management of Assets

Annex 2 to the financial statements reflects summary of fixed assets register balance of Kshs.51,687,250 which includes land with a balance of Kshs.8,000,000. However, land ownership documents were not provided for audit. In addition, the fixed asset register maintained was not updated and did not include details of the assets and their values. Further, assets were not tagged for easy of identification.

In the circumstances, the existence of effective internal controls in management of assets could not be confirmed.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk Management and overall governance were operating effectively in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of the Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards

(Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and governance.

In preparing the financial statements, Management is responsible for assessing the School's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management is aware of the intention to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements comply with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the School's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

My responsibility is to conduct an audit of the financial statements in accordance with Article 229(4) of the Constitution, Section 35 of the Public Audit Act, 2015 and the International Standards of Supreme Audit Institutions (ISSAIs). The standards require that, in conducting the audit, I obtain reasonable assurance about whether the financial statements as a whole are free from material misstatements, whether due to fraud or error and to issue an auditor's report that includes my opinion in accordance with Section 48 of the Public Audit Act, 2015. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In conducting the audit, Article 229(6) of the Constitution also requires that I express a conclusion on whether or not in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way. In addition, I consider the entity's control environment in order to give an assurance on the effectiveness of internal controls, risk management and governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015.

Further, I am required to submit the audit report in accordance with Article 229(7) of the Constitution.

Detailed description of my responsibilities for the audit is located at the Office of the Auditor-General's website at: <https://www.oagkenya.go.ke/auditor-generals-responsibilities-for-audit/>. This description forms part of my auditor's report.

FCPA Nancy Gathungu, CBS
AUDITOR-GENERAL

10. Significant Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and applicable government legislations and regulations. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprest, salary advances and other receivables and payables that include deposits and retentions and payables from operations.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the Hon Khalif Girls Secondary School, and all values are rounded to the nearest Kenya Shilling (Kshs). The accounting policies adopted have been consistently applied to all the years presented.

2. Recognition of receipts and payments

The Hon. Khalif Girls Secondary School recognizes all receipts from the various sources when the event occurs, and the related cash has actually been received by the school. In addition, the school recognizes all expenses when the event occurs, and the related cash has actually been paid out by the school.

3. In-kind contributions

In-kind contributions are donations that are made to the Hon. Khalif Girls Secondary School in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services where the financial value received for in-kind contributions can be reliably determined, the Hon. Khalif Girls Secondary School includes such value in the statement of receipts and payments both as a receipt and as a payment in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various financial institutions at the end of the financial year.

Significant Accounting Policies (Continued)

5. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorized public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as expenditure when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

6. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining apportion of contracted services and works pending fulfillment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and agencies. Other liabilities including pending bills are disclosed in the financial statements. Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years.

7. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the school fixed asset register a summary of which is provided as a memorandum to these financial statements.

8. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The Hon Khalif Girls Secondary School budget was approved by the School Board of Management. Comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

9. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

10. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2024.
