III. Statement Of School Management Responsibility

Section 81 (1) of the Public Finance Management Act, 2012 requires that, at the end of each financial year, each National Government School shall prepare financial statements in respect of that school. Section 81 (3) requires the financial statements so prepared to be in a form that complies with relevant accounting standards as prescribed by the Public Sector Accounting Standards Board (PSASB) of Kenya from time to time.

Schedule 4 (Section 23) of the Education Act, 2013 requires the Board of Management of a public institution of basic education to be keep all proper books and records of accounts of the income, expenditure and assets of the institution.

The Board of Management of *St.Jude Girls secondary School* accepts responsibility for the school's financial statements, which have been prepared on the Cash Basis Method of Financial Reporting, using appropriate accounting policies in accordance with International Public Sector Accounting Standards (IPSAS).

The Board of Management is of the opinion that the school's financial statements give a true and fair view of the state of the school's transactions during the financial year ended 30th June, 2022, and of the school's financial position as at that date.

REPORT OF THE AUDITOR-GENERAL ON ST. JUDE GIRLS SECONDARY SCHOOL FOR THE YEAR ENDED 30 JUNE, 2022 – MAKUENI COUNTY

PREAMBLE

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on the Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, risk management environment and internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report when read together constitute the report of the Auditor-General.

REPORT ON THE FINANCIAL STATEMENTS

Qualified Opinion

I have audited the accompanying financial statements of St. Jude Girls Secondary School - Makueni County set out on pages 1 to 22, which comprise of the statement of financial

assets and financial liabilities as at 30 June, 2021, statement of receipts and payments, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended and summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015. I have obtained all the information and explanations which to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the St. Jude Girls Secondary School - Makueni County as at 30 June, 2022 and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Cash Basis) and comply with the Public Finance Management Act, 2012 and the Basic Education Act, 2013.

Basis of Qualified Opinion

1. Non-Banking of School Fee Receipts

The statement of financial assets and financial liabilities reflects cash and cash equivalents balance of Kshs.3,836,938. Included in the balance is school fees received in cash amounting to Kshs.571,950 which was not banked into the School Fund – Parents' Contribution bank account contrary to Regulation 64(4) of the Public Finance Management (National Government) Regulations, 2015.

In the circumstances, the accuracy and completeness of cash and cash equivalents balance of Kshs.3,836,938 as at 30 June, 2022 could not be confirmed.

2. Inaccuracies in the Financial Statements

Review of the financial statement revealed the following anomalies;

- i. The statement of receipts and payments reflects school fund income-parents' contributions amount of Kshs.20,447,011 which differs from collected amounts of Kshs.20,213,417 comprising of Kshs.17,714,760 as per bank statement and Kshs.2,498,657 arrears resulting in a variance of Kshs.233,594.

Further, the statement reflects school fund income-parents' contributions amount of Kshs.20,447,011 and Kshs.6,767,958 for current and prior year (2020/2021) which differs from Kshs.17,700,345 and Kshs.6,270,613 reflected in the statement of cashflows resulting in a variance of Kshs.2,746,666 and Kshs.497,345. However, the variances were not reconciled.

- ii. The statement of receipts and payments reflects payments for tuition amounts of Kshs.351,076 for prior year (2020/2021) which differs from Kshs.387,776 reflected in the statement of cashflows resulting in a variance of Kshs.36,700.

Further, the statement reflects boarding and school fund payments amounts of Kshs.16,278,452 and Kshs.6,231,665 for current year and prior year (2020/2021) which differs from Kshs.15,789,160 and Kshs.5,857,509 reflected in cashflows statement resulting in variances of Kshs.489,292 and Kshs.374,156. However, the variances were not reconciled.

- iii. The statement of financial assets and financial liabilities reflects accounts receivables balance of Kshs.8,719,008 and Kshs.6,375,572 for current and prior year (2020/2021) resulting in an increase of Kshs.2,343,436. Similarly, the statement reflects accounts payable balance of Kshs.577,792 and Kshs.491,730 for current and prior year (2020/2021) resulting in an increase of Kshs.86,062. The increase in accounts receivables and accounts payables of Kshs.2,343,436 and Kshs.86,062 were not disclosed in the statement of cashflows as an adjustment to net increase in cash and cash equivalents of Kshs.1,524,763.

In the circumstances, the accuracy and completeness of the statement of receipts and payments and statement of cashflow as at 30 June, 2022 could not be confirmed.

3. Unsupported Accounts Receivable

The statement of financial assets and financial liabilities and as disclosed in Note 11 to the financial statements reflects accounts receivable balance of Kshs.8,719,008 which was not supported by schedules.

In the circumstances, the accuracy and completeness of accounts receivables balance of Kshs.8,719,008 as at 30 June, 2022 could not be confirmed.

4. Unsupported Payments

Statement of receipts and payments reflects boarding and school fund payments of Kshs.16,278,452. Included in this amount is expenditure amounts of Kshs.12,980,325 in relations to Boarding Equipment & Stores and Repairs and Maintenance which were not supported with procurement plan/Departmental workplans, market survey reports, advertisements or request for quotations, appointment letters to tender opening and evaluation committees, professional opinions, notification of Award/unsuccessful bidders, contracts or framework agreements, LPOs or LSOs, Inspection and acceptance certificates, Delivery notes/Job cards, S11's and S13's and ETR receipts.

In the circumstances, propriety of expenditure of Kshs.16,278,452 could not be confirmed.

5. Failure to Maintain Cash Book

During the financial under review, there were cash withdrawals totalling Kshs.888,650 which were not supported by payment vouchers or cashbook. Additionally, there was no evidence that the head of accounts conducted spot checks. This is contrary to Public Finance Management Regulations, 2015.

In the circumstances, Management was in breach of law.

6. Lack of Preparation of Imprest Register

The statement of receipts and payments reflects boarding and School fund payments of Kshs.16,278,452. Included in this amount is an expenditure on local transport and travelling of Kshs.684,140 which was not supported by an imprest register.

In the circumstances, the occurrence of imprest amounting to Kshs.684,140 could not be confirmed.

7. Long Outstanding Receivables

The statement of financial assets and financial liabilities reflects accounts receivable balance of Kshs.8,719,008 in relation to fees arrears balance as disclosed in Note 11 to the financial statements. However, included in the balance are receivables amounting to Kshs.4,634,305 which had been outstanding for more than two (2) years.

In the circumstances, the accuracy, completeness and recoverability of the receivables balance of Kshs.8,719,008 as at 30 June, 2022 could not be confirmed.

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAIs). I am independent of the St. Jude Girls Secondary school Management in accordance with ISSAI 130 on the Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

Key Audit Matters

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

Other Matters

Unresolved Prior Years Audit Matters

In the audit of the previous year, several issues were raised under the Report on Lawfulness and Effectiveness in Use of Public Resources and Report on Effectiveness of Internal Controls, Risk Management and Governance. However, Management had not resolved the issues as at 30 June, 2022.

REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

Conclusion

As required by Article 229(6) of the Constitution and based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness

Report of the Auditor-General on St. Jude Girls Secondary School for the year ended 30 June, 2022 – Makueni County

and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

Basis for Conclusion

1. Late Submission of Financial Statements for Audit

During the year under review, Management submitted the financial statements to the Auditor-General on 25 September, 2023 instead of the statutory deadline of 30 September, 2022. This was contrary to the Ministry of Education circular Ref. No:MOE/DSAS/FIN/17/1/17 dated 19 August, 2021 which stated that the School's financial statements should be ready by 30 September, 2021 in compliance with Section 81 of the Public Finance Management Act, 2012 on preparation of the financial statements.

In the circumstances, Management was in breach of the law.

2. Irregular Procurement Process

The statement of receipts and payment reflects total payments amounting to Kshs.22,930,279. Included, in this amount is Kshs.1,216,650 relating to procurement of goods and services which was not supported with procurement plan /departmental work plans, Need assessment -Requisition memo, Acceptance/regrets notifications, contracts, Inspection and acceptance committee minutes, and evaluation report for the list of prequalified suppliers. This is contrary to Public Procurement and Asset Disposal Act, 2015 and Public Procurement and Asset Disposal Act, 2020 in the evaluation process of the tenders and awarding of the contracts.

In the circumstances, Management was in breach of law.

3. Irregular Transfer of Funds to Kenya Secondary Schools Heads Association

The statement of receipts and payments reflects boarding and school fund payments amount of Kshs.16,278,452 as disclosed in Note 7 to the financial statements. Included in the expenditure is an amount of Kshs.582,940 transferred to Kenya Secondary Schools Heads Association (KESSHA). However, KESSHA is a welfare organization that draws its membership from School Principals only. The organization is not defined in Government Funding system and there is no assurance that it has implemented effective, efficient, and transparent financial management and internal control systems to manage the funds transferred by schools.

In the circumstances, value for money transferred to KESSHA amounting to Kshs.582,940 could not be confirmed.

4. Unconfirmed Students Enrolment Data

The statement of receipts and payments reflects capitation grants for tuition, capitation grants for operations and infrastructure grants totalling Kshs.5,968,405. Comparison of

data from National Education Management and information System (NEMIS) with records from the School revealed that during the financial year/period 2021/2022, NEMIS reflected three hundred and twenty seven (327) students while records from the School had three hundred and sixty four (364) students, resulting to an underfunding of the School by Kshs.882,299. This was contrary to the Ministry of Education Circular No:MOE.HQS/3/13/3 dated 16 June, 2021 on implementation of Free Day Secondary Education (FDSE) which requires all learners be registered in NEMIS and the principals to ensure their records are accurate.

In the circumstances, underfunding of the School may have affected service delivery to the students.

5. Textbooks Management

i. Lack of Storage Space

Physical verification revealed that the School did not have adequate storage space for textbook resulting to the School storing the remaining textbooks on the floor exposing them to damages. The Management explained that the School did not have funds to construct shelves.

ii. Poor Record Keeping

The financial statement did not reflect estimated values for stock of textbooks, teachers guide and other instructional materials as at 30 June, 2021. This is contrary to part E of the Orange Book which requires each school to capture data list of the textbooks, teachers' guides and other instructional materials that are already in the School. Management explained that this is caused by inability to establish the stock levels of books.

iii. Lack of Need Assessment and Distribution List

During the audit it was established that there was no evidence of need assessment to form the basis for determining the number and subject of instructional material needed by the School and establishment of an SIMSC committee and SIMSC Minute book Minutes highlighting the needs. Further, examination of text books records maintained by schools and comparison with recorded received from KICD established that there were no KICD distribution lists. In addition, it was established that there was no inventory record for all books and no stock count of the books was done.

In the circumstances, the effectiveness in Management of textbook in the School could not be confirmed.

6. Virement (Reallocation) of Funds

The statement of receipts and payments reflects boarding and school fund payments of Kshs.16,278,452. However, included in the amounts is Kshs.3,686,090 paid to Nthokah Hardware and Vonza Building and Construction Co. Ltd for completion of a two-storey

classroom project from Boarding account without written approval and contract for the project were not provided for audit review. This was contrary to Ministry of Education Circular Ref. No: MOE/G1/9/1/44 dated 9 January, 2008 and MOE.HQS/3/13/3 dated 16 June, 2021 directs that under the Operations Account, schools may seek authority from the CEBs to vire savings or surplus funds from one item to another, when it is absolutely necessary but no virement from the Tuition Account will be allowed.

In the circumstances, the accuracy and regularity of the payment for Kshs.16,278,452 as at 30 June,2022 could not be confirmed.

7. Non-Compliance with the Public Sector Accounting Standards Board Reporting Requirements

The financial statements presented for audit did not include all information provided in the format prescribed and published by the Public Sector Accounting Standards Board (PSASB) since the statement of receipts and payments and statement of financial assets and financial liabilities did not disclose the date the School financial statements were approved.

In the circumstances, Management was in breach of the PSASB guidelines. Further, lack relevant information may affect users' reliance on the financial statements for decision making.

The audit was conducted in accordance with the International Standards for Supreme Audit Institutions (ISSAI) 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements comply, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

REPORT ON THE EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE

Conclusion

As required by Section 7(1)(a) of the Public Audit Act, 2015 and based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that, nothing else has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

Basis for Conclusion

1. Lack of Detailed Fixed Assets Register

Annex 2 to financial statement reflect register summary of fixed assets balance of Kshs.17,139 which include two parcels of land one motor- vehicle. However, the

estimated costs have not been indicated. In addition, the additions and disposals of the assets were not disclosed. This is contrary to Section 143(1) of Public Finance Management (National Government) Regulations, 2015 that prescribes that the Accounting Officer shall be responsible for maintaining a register of assets under his or her control or possession as prescribed by the relevant laws.

In the circumstances, the fixed assets value, ownership and safe custody of the fixed assets could not be confirmed.

2. Lack of a Procurement Function

During the audit it was established that the School had no procurement function contrary to Section 47(1) and (2) of the Public Procurement and Disposal Act, 2015 which states that a procurement function shall be handled by procurement professionals whose qualifications are recognized in Kenya. (2) The head of the procurement function shall among other functions under this Act, be responsible for rendering procurement professional advice to the accounting officer.

In the circumstances, Management was in breach of law.

3. Lack of Procurement Plan

The statement of receipts and payments reflects an amount of Kshs.26,712,416 and Kshs.22,930,279 in respect of total receipts and payments respectively. However, during the year Management did not prepare an annual procurement plan as part of the annual budget preparation process. This was contrary to Regulation 40 of the Public Procurement and Asset Disposal Regulations, 2020 which states that 'a procuring entity prepare a procurement plan for each financial year as part of the annual budget preparation process'.

In the circumstances, Management was in breach of the law.

4. Use of Cash to Procure Goods, Works and Services

During the audit, it was established that the school procured goods using cash totaling Kshs.888,650 to purchase goods and services contrary to the procedure for low value procurement. Further, it was not possible to confirm whether the goods procured were taken on charge. This was contrary to the procedure for low value procurement stipulated by Regulation 92 of the Procurement Regulations, 2020.

In the circumstances, Management was in breach of law.

5. Long Outstanding Payables

The statement of financial assets and financial liabilities and as disclosed in Note 12 to the financial statements reflects payables balance of Kshs.577,792. However, included in the balance are trade payables balance of Kshs.252,562 which had been outstanding for more than one (1) years. This was contrary to Section 53(8) of the Public Procurement

and Asset Disposal Act, 2015 which states that 'an Accounting Officer shall not commence any procurement proceedings until satisfied that sufficient funds to meet the obligations of the resulting contract (s) are reflected in approved budget estimates'.

In the circumstances, Management was in breach of the law.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

Responsibilities of Management and those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Public Sector Accounting Standards (Cash Basis) and for maintaining effective internal controls as Management determines is necessary to enable the preparation of the financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal control, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the School's ability to continue to sustain its services, disclosing, as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to terminate the School or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them, and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the School's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management, and ensuring the adequacy and effectiveness of the control environment.

Auditor-General's Responsibilities for the Audit

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions

of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement and weakness when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal controls would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal controls may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management.

- Conclude on the appropriateness of Management's use of applicable basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the School's ability to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the School to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the School to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

IX. Significant Accounting Policies

The principal accounting policies adopted in the preparation of these financial statements are set out below:

1. Statement of compliance and basis of preparation

The financial statements have been prepared in accordance with and comply with International Public Sector Accounting Standards (IPSAS) with particular emphasis on Cash Basis Financial Reporting under the Cash Basis of Accounting and applicable government legislations and regulations. The financial statements comply with and conform to the form of presentation prescribed by the Public Sector Accounting Standards Board of Kenya.

This cash basis of accounting has been supplemented with accounting for; a) receivables that include imprest, salary advances and other receivables and b) payables that include deposits and retentions and payables from operations.

The financial statements are presented in Kenya Shillings, which is the functional and reporting currency of the *school*, and all values are rounded to the nearest Kenya Shilling (Kshs). The accounting policies adopted have been consistently applied to all the years presented.

2. Recognition of receipts and payments

The *school* recognises all receipts from the various sources when the event occurs, and the related cash has actually been received by the *school*. In addition, the *school* recognises all expenses when the event occurs, and the related cash has actually been paid out by the *school*.

3. In-kind contributions

In-kind contributions are donations that are made to the *school* in the form of actual goods and/or services rather than in money or cash terms. These donations may include vehicles, equipment or personnel services. Where the financial value received for in-kind contributions can be reliably determined, the *school* includes such value in the statement of receipts and payments both as a receipt and as a payment in equal and opposite amounts; otherwise, the contribution is not recorded.

4. Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and cash at bank, short-term deposits on call and highly liquid investments with an original maturity of three months or less, which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value. Bank account balances include amounts held at various financial institutions at the end of the financial year.

Significant Accounting Policies (Continued)

5. Accounts Receivable

For the purposes of these financial statements, imprests and advances to authorised public officers and/or institutions which were not surrendered or accounted for at the end of the financial year are treated as receivables. This is in recognition of the government practice where the imprest payments are recognized as expenditure when fully accounted for by the imprest or AIE holders. This is an enhancement to the cash accounting policy. Other accounts receivables are disclosed in the financial statements.

6. Accounts Payable

For the purposes of these financial statements, deposits and retentions held on behalf of third parties have been recognized as accounts payables. This is in recognition of the government practice of retaining a portion of contracted services and works pending fulfilment of obligations by the contractor and to hold deposits on behalf of third parties. This is an enhancement to the cash accounting policy adopted by National Government Ministries and agencies. Other liabilities including pending bills are disclosed in the financial statements. Pending bills consist of unpaid liabilities at the end of the financial year arising from contracted goods or services during the year or in past years.

7. Non-current assets

Non-current assets are expensed at the time of acquisition while disposal proceeds are recognized as receipts at the time of disposal. However, the acquisitions and disposals are reflected in the school fixed asset register a summary of which is provided as a memorandum to these financial statements.

8. Budget

The budget is developed on the same accounting basis (cash basis), the same accounts classification basis, and for the same period as the financial statements. The *school's* budget was approved by the School Board of Management. A comparison of the actual performance against the comparable budget for the financial year under review has been included in the financial statements.

9. Comparative figures

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

10. Subsequent events

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended 30th June 2022.
