**5. Chairman's Statement**

I am delighted to present the financial report for **FORUM FOR THE RESTORATION OF DEMOCRACY-KENYA (FORD-KENYA)** for the year ended 30 June 2022. I would like to congratulate the members of **FORUM FOR THE RESTORATION OF DEMOCRACY-KENYA (FORD-KENYA)** without whom it would not have been possible for us to achieve the results for the year under view.

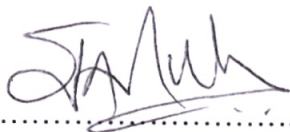

As the Chairman, I appreciate the support accorded to me by my fellow party officials and I thank them for their invaluable advice and support. I would also like to thank the Government and the Registrar of Political Parties for their support.

Key activities during the Financial Year under review included the General Elections held in August 2022. Expenses relating to Campaigns were captured and expenses in this financial year.

The biggest challenge we still face as a party is lack of enough funds to run our operations. The Registrar of Political Parties should allocate enough resources from the Political Parties Fund (PF) to enable Political Parties manage their affairs better.

Going forward, we have embarked on very aggressive membership recruitment drive to increase our numbers across the Country. Our aim is to make in roads in areas where we do not have a presence, as we maintain a strong grip on our strongholds. Currently, FORD-KENYA is compliant in 35 Counties across the Country.

Thank you. `

## **6. Report of the Chief Executive Officer**

As aforementioned, we are delighted to present the financial report for **FORUM FOR THE RESTORATION OF DEMOCRACY-KENYA (FORD-KENYA)** for the year ended 30 June 2022.

Collective responsibility from the National Delegates Conference, National Executive Council (NEC) and the Management Committee made it possible for us to achieve the results posted for the Financial Year under review. We also want to take this opportunity to thank the Government of Kenya, specifically the Registrar of Political Parties for their invaluable support in ensuring that Political Parties operate in a level playing field that guarantees fairness for all electorates.

The Financial Year under review was a unique one, preparation for the August General Elections was within the year.

Our party experienced a big increase in both Revenue and Expenditure because most of the activities for the August 2022 General Elections were planned and expensed in the Financial Year 2021/2022. Below are some of the highlights:

### **REVENUE**

- The party received Ksh.6,378,299 from the Coalition Partner (Orange Democratic Movement) based on the existing Coalition arrangements.
- The Party registered an increase in Revenue generated from Elected Members (National Assembly and County Assembly).
- There was also an increase in Nomination Fees from party members who participated in the General Elections.

### **EXPENDITURE**

- There was tremendous increase in expenses relating to Party Advocacy and Administrative Expenses due to the heightened Campaign activities.

As a party, the biggest challenge we still face is lack of enough funds to run our operations

**9. Management Discussions and Analysis**

As a party, our ambition is to establish a Country where its citizens enjoy Social, Economic and Democratic rights as envisioned in our Vision and Mission.

Our party was established by Kenyans whose vision was to change the entrenched socio-economic inequalities, bad governance, corruption, negative ethnicity and to tackle the growing poverty and marginalization of communities and disadvantaged groups. We intend to guard these virtues jealously in order to create a just society.

One aspect we want to focus on is ensure that our activities as a Political Party impact positively on the livelihoods of Kenyans. Social responsibility if well managed can be used to improve living standards in our communities.

Our intention is:

- i. Initiate and be involved in projects that will alleviate poverty within our communities and tackle real challenges that affect our citizens
- ii. Build networks with Local partners, international partners and other Political Parties in order to improve our reputation among our stake holders.
- iii. Initiate and participate actively in programs that promote Civic Education in order to equip our members and citizens at large with important aspects that affect their daily livelihoods.

Thank you.

## **REPORT OF THE AUDITOR-GENERAL ON FORUM FOR THE RESTORATION OF DEMOCRACY- KENYA FOR THE YEAR ENDED 30 JUNE, 2023**

---

### **PREAMBLE**

I draw your attention to the contents of my report which is in three parts:

- A. Report on the Financial Statements that considers whether the financial statements are fairly presented in accordance with the applicable financial reporting framework, accounting standards and the relevant laws and regulations that have a direct effect on the financial statements.
- B. Report on Lawfulness and Effectiveness in Use of Public Resources which considers compliance with applicable laws, regulations, policies, gazette notices, circulars, guidelines and manuals and whether public resources are applied in a prudent, efficient, economic, transparent and accountable manner to ensure Government achieves value for money and that such funds are applied for the intended purpose.
- C. Report on Effectiveness of Internal Controls, Risk Management and Governance which considers how the entity has instituted checks and balances to guide internal operations. This responds to the effectiveness of the governance structure, the risk management environment and the internal controls, developed and implemented by those charged with governance for orderly, efficient and effective operations of the entity.

An unmodified opinion does not necessarily mean that an entity has complied with all relevant laws and regulations and that its internal controls, risk management and governance systems are properly designed and were working effectively in the financial year under review.

The three parts of the report are aimed at addressing the statutory roles and responsibilities of the Auditor-General as provided by Article 229 of the Constitution, the Public Finance Management Act, 2012 and the Public Audit Act, 2015. The three parts of the report, when read together constitute the report of the Auditor-General.

### **REPORT ON THE FINANCIAL STATEMENTS**

#### **Qualified Opinion**

I have audited the accompanying financial statements of the Forum for the Restoration of Democracy - Kenya set out on pages 1 to 14, which comprise of the statement of financial position as at 30 June, 2023 and the statement of financial performance, statement of

changes in net assets, statement of cash flows and statement of comparison of budget and actual amounts for the year then ended 30 June, 2023, and a summary of significant accounting policies and other explanatory information in accordance with the provisions of Article 229 of the Constitution of Kenya and Section 35 of the Public Audit Act, 2015.

I have obtained all the information and explanations which, to the best of my knowledge and belief, were necessary for the purpose of the audit.

In my opinion, except for the effect of the matters described in the Basis for Qualified Opinion section of my report, the financial statements present fairly, in all material respects, the financial position of the Forum for the Restoration of Democracy - Kenya as at 30 June, 2023, and of its financial performance and its cash flows for the year then ended, in accordance with International Public Sector Accounting Standards (Accrual Basis) and comply with the Public Finance Management Act, 2012 and Political Parties Act 2011.

### **Basis for Qualified Opinion**

#### **1. Unsupported Expenditure on Party Advocacy**

The statement of financial performance reflects administrative expenses of Kshs.3,016,172, as disclosed in Note 6 to the financial statements. However, the supporting schedules provided for the audit reflected an amount of Kshs.3,304,757, resulting to an unreconciled variance of Kshs.288,585.

In the circumstances, the accuracy and completeness of the administrative expenses of Kshs.3,016,172 could not be confirmed.

#### **2. Unconfirmed Administrative Expenses**

The statement of financial performance reflects party advocacy expenses of Kshs.1,040,700 as disclosed in Note 11 to the financial statements. However, the supporting schedule for the expenditure was not provided for audit.

In the circumstances, the accuracy and completeness of the party advocacy expenses of Kshs.1,040,700 could not be confirmed.

#### **3. Unsupported Public Rallies and Campaigns Expenditure**

The statement of financial performance reflects public rallies and campaign expenses of Kshs.1,500,000 as disclosed in Notes 11 to the financial statements. The amount includes expenditure on campaign materials totalling Kshs.550,000. However, the procurement documents, receipts, stores and issuance processes to support the payments were not provided for audit. Further, expenditure amounting to Kshs.580,000 incurred on public rallies was not supported by invoices or schedules of payments.

In the circumstances, the propriety and completeness of the expenditure incurred on public rallies and campaigns totalling Kshs.1,130,000 could not be confirmed.

#### **4. Unsupported Procurement of Goods and Services**

The statement of financial performance reflects administrative expenses of Kshs.3,016,172, public rallies and campaigns of Kshs.1,500,000 and party advocacy of Kshs.1,040,700 all totalling Kshs.5,556,872 as disclosed in Notes 6 and 11 to the financial statements. However, the expenditures were not supported by an approved procurement plan. Further, the administrative expenses include security service expenses of Kshs.556,800, which was not supported by bid documents for the services rendered.

In the circumstances, the propriety and completeness of the expenditure on procurement of goods and services totalling 5,556,872 could not be confirmed.

The audit was conducted in accordance with the International Standards of Supreme Audit Institutions (ISSAIs). I am independent of the Forum for the Restoration of Democracy - Kenya Management in accordance with ISSAI 130 on Code of Ethics. I have fulfilled other ethical responsibilities in accordance with the ISSAI and in accordance with other ethical requirements applicable to performing audits of financial statements in Kenya. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified opinion.

#### **Emphasis of Matter**

##### **Budgetary Control and Performance**

The statement of comparison of budget and actual amounts reflects final receipts budget and actual amounts on a comparable basis of Kshs.20,021,734 and Kshs.17,831,734 respectively, resulting in an under-funding of Kshs.2,190,000 or 11% of the budget. Similarly, the Party expended an amount of Kshs.7,156,345 against an approved budget of Kshs.20,021,734, resulting in an under-expenditure of Kshs.12,865,389 or 64% of the budget.

The under-funding and under-expenditure imply that the Party may not have met its objectives and activities hence impacting on Party membership.

My opinion is not modified in respect of this matter.

#### **Key Audit Matters**

Key audit matters are those matters that, in my professional judgment, are of most significance in the audit of the financial statements. There were no key audit matters to report in the year under review.

#### **Other Matter**

##### **Unresolved Prior Year Matters**

In the audit report of the previous year, several issues were raised under the Report on Financial statements, Report on Lawfulness in Use of Public Resources and Report on Effectiveness of Internal controls, Risk Management and Governance. However, the

Management has not resolved all the issues or given any explanation for failure to adhere to the provisions of the Public Sector Accounting Standards Board template.

## REPORT ON LAWFULNESS AND EFFECTIVENESS IN USE OF PUBLIC RESOURCES

### **Conclusion**

As required by Article 229(6) of the Constitution, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Lawfulness and Effectiveness in Use of Public Resources section of my report, I confirm that, nothing else has come to my attention to cause me to believe that public resources have not been applied lawfully and in an effective way.

### **Basis for Conclusion**

#### **1. Late Submission of the Financial Statements**

The financial statements for the year ended 30 June, 2023 were submitted for audit on 01 November, 2023 contrary to Section 68(2)(k) of the Public Finance Management Act, 2012 which requires Accounting Officer to prepare and submit the annual financial statements for each financial year to the Auditor-General within three months after the end of the financial year for audit.

In the circumstances, the Party Management was in breach of the law.

#### **2. Failure to Submit Bank Reconciliation Statements**

The statement of financial position and as disclosed in Note 12 to the financial statements reflects cash and cash equivalents balance of Kshs.12,001,428. However, the Management did not submit the monthly bank reconciliation statements for the bank account held for the year under review to The National Treasury as required by Regulation 90(1) of the Public Finance Management (National Government) Regulations, 2015.

In the circumstances, the Party Management was in breach of the law.

#### **3. Non-Compliance with Law on Statutory Deductions**

The statement of financial performance reflects employee costs of Kshs.1,574,580 as disclosed in Note 7 to the financial statements. Review of six months payroll from January to June, 2023 revealed that the statutory dues were not deducted from the employees' monthly pay and remitted to the respective statutory bodies as required by Regulation 23(2)(a) of the Public Finance Management (National Government) Regulation, 2015. The law requires the Accounting Officers to comply with any tax, levy, duty, pension, commitments and audit commitments as may be provided for by legislation.

In the circumstances, the Party Management was in breach of the law.

#### **4. Non-Compliance with Law on Ethnic Composition**

As reported in the previous year, review of personnel records revealed that the Party had only four (4) staff as at 30 June, 2023 and all of whom were from one ethnic community. This is contrary to Section 7(1)and(2) of the National Cohesion and Integration Act, 2008 which requires all public establishments to seek to represent the diversity of the people of Kenya in the employment of staff and prohibits public establishment from having more than one-third of its staff from the same ethnic community.

In the circumstances, the Party Management was in breach of the law.

#### **5. Non-Compliance with Law on Establishment of Party Offices**

During the year under review, the party had only established offices in four (4) Counties, at its headquarters and three (3) branch offices. This was contrary to Section 7(f)(iii) of the Political Parties Act, 2011 which requires a political party to be fully registered if it has submitted to the Registrar, the locations and addresses of its branch offices in more than half of the Counties.

In the circumstances, the Party Management was in breach of the law.

The audit was conducted in accordance with ISSAI 4000. The standard requires that I comply with ethical requirements and plan and perform the audit to obtain assurance about whether the activities, financial transactions and information reflected in the financial statements are in compliance, in all material respects, with the authorities that govern them. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

### **REPORT ON EFFECTIVENESS OF INTERNAL CONTROLS, RISK MANAGEMENT AND GOVERNANCE**

#### **Conclusion**

As required by Section 7(1)(a) of the Public Audit Act, 2015, based on the audit procedures performed, except for the matters described in the Basis for Conclusion on Effectiveness of Internal Controls, Risk Management and Governance section of my report, I confirm that nothing has come to my attention to cause me to believe that internal controls, risk management and governance were not effective.

#### **Basis for Conclusion**

##### **1. Lack of Risk Management Policy, Disaster Recovery Plan and Strategic Plan**

During the financial year under review, the Party did not have a risk management policy to perform formal risk assessments on all key financial risk areas such as cash, revenue and expenditure. Further, the Party did not have a disaster recovery plan/business continuity plan to recover crucial information in the event of a disaster. In addition, the Party did not provide a strategic plan to support the budget proposal for the period under review.

In the circumstances, the effectiveness of the Party Management to respond to risks and protect the organization from losses could not be confirmed.

## **2. Lack of Approved Human Resource Instruments**

The statement of financial performance and as disclosed in Note 7 to the financial statements reflects employee costs amounting to Kshs.1,574,580. However, the Management did not provide an approved human resource policy, procedures manual, scheme of service and salary structure. In the absence of the above, it is not clear how the vacancies were identified and filled.

In addition, there were no records to confirm if the party had engaged a qualified human resource manager as per the Human Resource Management Professional Act No.52 of 2012.

In the circumstances, the existence of effective human resources mechanisms could not be confirmed.

## **3. Failure to Establish an Internal Audit Function**

During the year under review, the Party did not have an internal audit function. This was contrary to Section 73(1) of the Public Finance Management Act, 2012 which requires every National Government entity maintain internal auditing arrangements to strengthen internal control mechanisms that could have an impact on achievement of the entity's objectives.

In the circumstances, the effectiveness of the Party's internal controls and governance structures on financial and non-financial performance management systems could not be confirmed.

## **4. Internal Control Weaknesses Over Assets Management**

Note 14 to financial statements reflects property, plant and equipment balance of Kshs.668,880. However, the assets were not tagged with unique identifiers as guided by Part IV(i) C, Section 77(7) of The National Treasury Guidelines on Asset and Liability Management in the Public Sector of 2020 which requires that all assets purchased to be identified/ tagged upon receipt from suppliers and, before they are issued out to user departments. Further, the valuation method applied to the assets was not disclosed.

In the circumstances, the Party risks losing the assets in the absence of valuation, proper recording and tracking system.

The audit was conducted in accordance with ISSAI 2315 and ISSAI 2330. The standards require that I plan and perform the audit to obtain assurance about whether effective processes and systems of internal controls, risk management and overall governance were operating effectively, in all material respects. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my conclusion.

## **Responsibilities of Management and those Charged with Governance**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Public Sector Accounting Standards (Accrual Basis) and for maintaining effective internal control as Management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error and for its assessment of the effectiveness of internal controls, risk management and overall governance.

In preparing the financial statements, Management is responsible for assessing the party's ability to continue to sustain its services, disclosing as applicable, matters related to sustainability of services and using the applicable basis of accounting unless Management is aware of the intention to dissolve the Party or to cease operations.

Management is also responsible for the submission of the financial statements to the Auditor-General in accordance with the provisions of Section 47 of the Public Audit Act, 2015.

In addition to the responsibility for the preparation and presentation of the financial statements described above, Management is also responsible for ensuring that the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities which govern them and that public resources are applied in an effective way.

Those charged with governance are responsible for overseeing the Party's financial reporting process, reviewing the effectiveness of how Management monitors compliance with relevant legislative and regulatory requirements, ensuring that effective processes and systems are in place to address key roles and responsibilities in relation to governance and risk management and ensuring the adequacy and effectiveness of the control environment.

## **Auditor-General's Responsibilities for the Audit**

The audit objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion in accordance with the provisions of Section 48 of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution of Kenya. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

In addition to the audit of the financial statements, a compliance audit is planned and performed to express a conclusion about whether, in all material respects, the activities, financial transactions and information reflected in the financial statements are in compliance with the authorities that govern them and that public resources are applied in

an effective way, in accordance with the provisions of Article 229(6) of the Constitution and submit the audit report in compliance with Article 229(7) of the Constitution.

Further, in planning and performing the audit of the financial statements and audit of compliance, I consider internal control in order to give an assurance on the effectiveness of internal controls, risk management and overall governance processes and systems in accordance with the provisions of Section 7(1)(a) of the Public Audit Act, 2015 and submit the audit report in compliance with Article 229(7) of the Constitution. My consideration of the internal control would not necessarily disclose all matters in the internal control that might be material weaknesses under the ISSAIs. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions.

Because of its inherent limitations, internal control may not prevent or detect misstatements and instances of non-compliance. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies and procedures may deteriorate.

As part of an audit conducted in accordance with ISSAIs, I exercise professional judgement and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of Management's use of the applicable basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Party's ability to continue to sustain its services. If I conclude that a material uncertainty exists, I am required to draw attention in the auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my audit report. However, future events or conditions may cause the Party to cease to sustain its services.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information and business activities of the Party to express an opinion on the financial statements.
- Perform such other procedures as I consider necessary in the circumstances.

I communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that are identified during the audit.

I also provide Management with a statement that I have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on my independence and where applicable, related safeguards.

## **18. Notes to the Financial Statements**

### **1. General Information**

FORUM FOR THE RESTORATION OF DEMOCRACY-KENYA (FORD-KENYA) is established by and derives its authority and accountability from the Political Parties Act. The principal activity/mission of the FORD-KENYA is to promote a united social democratic party that seeks to develop a fundamentally united Kenya through the ideals and principles of democracy that promotes equality, justice, peace, freedom and equitable distribution of resources.

### **2. Statement of Compliance and Basis of Preparation**

The financial statements have been prepared on a historical cost basis except for the measurement at re-valued amounts of certain items of property, plant and equipment, marketable securities and financial instruments at fair value, impaired assets at their estimated recoverable amounts and actuarially determined liabilities at their present value. The preparation of financial statements in conformity with International Public Sector Accounting Standards (IPSAS) allows the use of estimates and assumptions. It also requires management to exercise judgement in the process of applying the party's accounting policies. The areas involving a higher degree of judgement or complexity, or where assumptions and estimates are significant to the financial statements, are disclosed in Note 5 of these financial statements.

The financial statements have been prepared and presented in Kenya Shillings, which is the functional and reporting currency of FORD-KENYA. The financial statements have been prepared in accordance with Public Finance Management Act, 2012 and International Public Sector Accounting Standards (IPSAS1). The accounting policies adopted have been consistently applied to all the years presented.

### **3. Property, plant and equipment**

All property, plant and equipment are stated at cost less accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items. When significant parts of property, plant and equipment are required to be replaced at intervals, the party recognizes such parts as individual assets with specific useful lives and depreciates them accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All

other repair and maintenance costs are recognized in surplus or deficit as incurred. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially measured at its fair value.

**4. Summary of Significant Accounting Policies**

**a) Revenue Recognition**

FORUM FOR THE RESTORATION OF DEMOCRACY-KENYA depends on monthly contributions from its elected members at the County Assembly, National Assembly, Nomination Fees and Life Membership Fees. The party also received funds from a Coalition Partner as during the year under review.

- Amount of ksh.1,205,000 paid for Life Membership fees by party members who took part in party primaries. Payment for Life Membership is a mandatory requirement.

**b) Intangible assets**

Intangible assets acquired separately are initially recognized at cost. The cost of intangible assets acquired in a non-exchange transaction is their fair value at the date of the exchange. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangible assets, excluding capitalized development costs, are not capitalized and expenditure is reflected in surplus or deficit in the period in which the expenditure is incurred. The useful life of the intangible assets is assessed as either finite or indefinite. Intangible assets with an indefinite useful life are assessed for impairment at each reporting date.

**c) Financial instruments**

IPSAS 41 addresses the classification, measurement and de-recognition of financial assets and financial liabilities, introduces new rules for hedge accounting and a new impairment model for financial assets. The party does not have any hedge relationships and therefore the new hedge accounting rules have no impact on the Party's financial statements.

**d) Cash and cash equivalents**

Cash and cash equivalents comprise of cash at bank. Bank account balances include amounts held at the Cooperative Bank of Kenya at the end of the financial year.

**e) Comparative figures**

Where necessary comparative figures for the previous financial year have been amended or reconfigured to conform to the required changes in presentation.

**f) Subsequent events**

There have been no events subsequent to the financial year end with a significant impact on the financial statements for the year ended June 30, 2022.
