

MATRIX TO THE DRAFT CIVIL AVIATION (CERTIFICATION OF ANSPs) REGULATIONS 2022

	Regulation No.	Regulation Title	Stakeholder Comments	Comments of the CAA	Final draft of the regulation	Remarks if any
1.	4	Requirements for the provision of air navigation services	Amend the reference to a person in regulation 4.....	Not incorporated	4 A person shall not provide air navigation service unless they hold an Air Navigation Service Providers' (ANSP) certificate issued by the Authority	Use of the term "person" refers to an individual or any legal entity.
2.	23	Establishment of the ANSP Security Programme	Change of the term Air Navigation Services Provider (ANSP) to CNS Provider in the five sets of CNS Regulations conflicting with the Civil Aviation (Security) Regulations	Incorporated	23. The air navigation services provider shall — (a) establish and implement appropriate security provisions to meet the requirements of the Civil Aviation (Security) Regulations. (b) develop and implement measures to protect air navigation facilities, personnel and any other infrastructure meant for air safety; (c) develop and implement measures in order to protect information and communication technology systems used for civil aviation purposes from interference that may jeopardize the safety of civil aviation activities.	The Civil Aviation (Certification of ANSPs) regulations have been reviewed and a new regulation introduced to address the issue of ANSP security programme
