- (c) the suitability of the nominee for the appointment proposed having regard to whether the nominee's abilities, experience and qualities meet the needs of the body to which nomination is made.

3.2 Memoranda from the public in respect of the Nominee

22. Pursuant to section 6(9) of the Public Appointments (Parliamentary Approval) Act, 2011 which provides that *"any person may, prior to the approval hearing, and by written statement on oath, provide the Clerk with evidence contesting the suitability of a candidate to hold office to which the candidate has been nominated"* the Clerk of the National Assembly placed an advert in the print media on Wednesday 12th February, 2020 (*Annexure II*) inviting the public to submit memoranda by way of written statements on oath (**affidavit**) on the suitability of the candidate.

23. By close of business on Tuesday 18th February, 2020 at 5.00 pm the Committee had received Affidavits by Mr. Mwangi Abdi Omari and by Mr. Rashid Ibrahim Omar contesting the suitability of the nominee for appointment to the position Principal Secretary, State Department of Physical Planning.

3.3 Analysis of the Memoranda received from the public

24. The Committee considered the memoranda submitted by the public as follows-

a. The Affidavit by Mr. Mwangi Abdi Omari

25. The deponent, Mr. Mwangi Abdi Omari averred as follows in the affidavit for consideration by the Committee-

- (1) That he is a resident of Korogocho ward of Ruaraka Sub-County in Nairobi.
- (2) That he has known the nominee from when he was Director, Urban Development.

- (3) That the Korogocho Slum Upgrading commenced in the year 2008 and ended in June 2018 and was illegally extended to date while the residents still live in shacks as clear proof of failure.
- (4) That the nominee and the resident committee formed a cabal that opposed the upgrading programme No. 1 by UN Habitat causing it to exit the programme in February, 2015.
- (5) That the resident committee operates under a registered community-based organization and their objective is to further the welfare of their members at the expense of other residents who are non-members.
- (6) That there is a failure of duty by the nominee to operate with the committee that is occasioning injustice.
- (7) That the Nairobi County confirmed that they are not involved in the program and the Survey of Kenya denies any knowledge of the program apart from issuing waiver on the checking fees.
- (8) That the nominee and the Resident Committee hatched a plan to dupe the residents by continuing beyond their expiry date of June 2018 with a new program No.2 having pushed UN Habitat out and reintroduced upgrading program 2 that aimed at issuing residents with title deeds to be used as collateral to build houses and yet the residents were not consulted.
- (9) That the second program died at inception as no banks would lend to slum dwellers and the program was geared towards selling the plots to middle class non-residents for selfish gain.
- (10) That the nominee and the resident committee collected Kshs 2000 from all structure owners totalling to millions while the purpose of the funds was surrounded by vague explanations as being charges for beacon certificates fees, survey fees, clearance fees by Ministry of Lands.
- (11) That it is only in 2020 when the nominee confessed that the funds were for the Resident Committee allowances for identifying neighbours as structure owners and during 2008 to 2019 financial auditing the funds were intentionally ignored.
- (12) That despite the project being funded by the Ministry and board donors it was shocking that the nominee could still go back to the residents and ask them for funds for allowances for surveyors.
- (13) That the survey fees had been waived according to the director of surveys letter dated 29/10/2019 and hence there is no reason that existed for collection of funds from poor residents.

- (14) That the nominee colluded with Dr. Silas Muketha trading as Geodev Limited that copied an already existing drawing work, survey work was done by Alice Agencies an unregistered surveyor and Geodev stamped it to be paid Kshs, 2, 829, 400 illegally and some plots were sold while still on paper.
- (15) That the nominee intentionally refused to respond to all letters from residents portraying negligence of his duties.
- (16) That the nominee prefers working with the resident committee which has never held elections as it fulfils his pecuniary interest.
- (17) That the nominee never conducted public participation to address the concerns of residents.
- (18) That the nominee conduct for the period 2008 to 2019 was a testament of incompetence, ineptitude and corrupt public officers who has meted injustice against poor slum dwellers and could not deliver a programme that was meant to alleviate poverty.
- (19) That the nominee conduct contravenes Article 10 of the Constitution on leadership and integrity and if the Committee approves him it will have promoted incompetence and corruption.

b. The Affidavit by Mr. Rashid Ibrahim Omar

- 26. The Committee observed that the affidavit by the deponent, Mr. Rashid Ibrahim Omar had similar facts and supporting evidence as the Affidavit by Mr. Mwangi Abdi Omari and hence the two were jointly considered.
- 27. The Committee observed that the two affidavits by the deponents were written statements on oath as required by the dictates of section 6(9) of the Act and hence were admissible for consideration by the Committee.
- 28. Further, the deponents raised issues on the suitability of the nominee in terms of his abilities and personal integrity of the candidate which in accordance with section 6(7) and 7 of the Act are some of the issues that an approval hearing should consider.
- 29. In view of the foregoing and pursuant to sections 6(7) and 7 of the Act, the Committee agreed to raise the issues with the nominee during the approval hearing including on issues of whether he was a beneficiary of the said Kshs 2,000 paid by the residents, whether he was aware of the complaints made to the Ombudsman relating to the Korogocho Slum Upgrading project and what

was his exact role in the project among other issues in seeking to make its determination on the suitability of the nominee

MIN. NO. NA/DCS/LANDS/2020/011: PRELIMINARIES

The meeting was called to order at nineteen minutes past ten o'clock and prayers were said.

The agenda of the meeting was adopted as outlined in the notice of meeting after it was proposed and seconded by Hon. Samuel Gachobe, MP and Hon. Owen Baya, MP respectively.

MIN. NO. NA/DCS/LANDS/2020/012: BRIEFING BY THE PARLIAMENTARY BUDGET OFFICE ON THE 2020/2021 BUDGET POLICY STATEMENT

The Parliamentary Budget Office briefed the Committee on the 2020/2021 Budget Policy Statement and the following were noted in respect of the Ministry of Lands & Physical Planning and the National Land Commission; the brief highlighted the following issues;

- i) The Ministry of Lands and Physical Planning's policies prioritized the issuance of title deeds, digitization and construction of registries while the National Land Commission policies would spearhead development of guidelines for the implementation of a new policy of leasing idle arable for purposes of food and nutrition security.
- ii) Although the Ministry targets to digitize more registries compared to its targets of FY 2018/2019, the attendant resources are less meaning that the target may not be fully achieved.
- iii) The Ministry's budget of 2020/2021 has been reduced by 5% compared to the current FY 2019/2020 while the National Land Commission has an increase of 7% budgetary allocation compared to the current Financial Year of 2019/2020.
- iv) The Ministry missed its target of digitizing 18 land registries by only digitizing 7 registries in MTEF 2016/2017 – 2018/2019. The variance was due to litigation challenges on E-conveyance.
- v) The 2020 Budget Policy Statement and the medium term indicates the construction of 18 land registries starting with the financial year 2020/21 and the medium term.
- vi) The implementation of National Land Information Management has been hindered by bureaucracies between the ICT Ministry and the implementing agency. There is a need for a clear policy direction on the way forward as service delivery is affected by non-achievement of targets.

Committee resolutions

The Committee resolved to

- a) Undertake an assessment of the Digitization of Land Registries project to determine if the project had value for money. The assessment would include benchmarking visits to Rwanda and Turkey to learn best practices on the same and also consider requesting the Auditor General to undertake a special system audit of the project;
- b) Seek an explanation of the Cabinet Secretary, Ministry of Lands and Physical Planning on
 - i. The cash revenue collection by the ministry noting the manual revenue collection system was prone to leakages; and
 - ii. Whether the Ministry had a policy on the resettlement of squatters noting the exercise was not well coordinated and settlements schemes were concentrated in a few areas.

MIN. NO. NA/DCS/LANDS/2020/013: PRE-VETTING OF THE NOMINEE FOR APPOINTMENT TO THE POSITION OF PRINCIPAL SECRETARY, STATE DEPARTMENT OF PHYSICAL PLANNING

- I. The Committee was taken through sample guiding questions in the vetting of the nominee for appointment to the position of Principal Secretary, State Department of Physical Planning.
- II. The Committee noted that the questions were adequate to gauge the suitability of the nominee for appointment to the position of Principal Secretary, State Department of Physical Planning.
- III. The members were reminded that they were free to ask supplementary questions should the need arise.

MIN. NO. NA/DCS/LANDS/2020/014: ANY OTHER BUSINESS (A.O.B)

Zimbabwe orders 21 Ugandans deported

Court rules that scores trying to enter South Africa illegally be sent back home

BY KITSEPILE NYATHI
NATION Correspondent
HARARE, Tuesday

A Zimbabwean court has ordered the deportation of 21 Ugandans for entering the southern African country illegally.

The immigrants, who included a five-year-old who was in the company of her mother, were arrested on February 8 while travelling to Bulawayo, Zimbabwe's second largest city.

A similar offence

Prosecutors said the immigrants evaded immigration officials when they entered Zimbabwe through the Victoria Falls border post from Zambia.

Bulawayo magistrate Tinash Chishaya sentenced 20 of them to serve three months in prison before suspending the sentence for five years on condition that they do not commit a similar offence within the same period.

In brief

ARRIVALS AND DEPARTURES

Zimbabwe is a country with a long history of cross-border mobility that has also witnessed a significant brain drain, thanks to Robert Mugabe's tyranny. The country has also witnessed increased internal and border migration resulting in an upsurge in irregular migration and human smuggling, requiring a comprehensive migration policy to deal with.

The magistrate also ordered the deportation of the Ugandan nationals.

Zimbabwe regularly depots illegal immigrants from countries such as Ethiopia, Eritrea, Burundi, the Democratic Republic of Congo and Malawi, who take advantage of the country's porous borders to sneak into South Africa.

The country is also home to 10,000 refugees, mainly from Mozambique and the Great

Lakes region where they escape conflicts, but a significant number are economic immigrants who use Zimbabwe for transit.

The immigrants either use illegal entry points along the country's vast borders, or bribe immigration officials and police officers as they travel across to neighbouring South Africa.

Zimbabweans also cross the border into South Africa in their numbers every day, escaping the harsh economic environment and political persecution.

Were defrauded

The Zimbabwe Lawyers for Human Rights (ZLHR) had pleaded with court not to hand the Ugandans custodial sentences. ZLHR's representative of the Ugandans Jabulani Mhlanga and Ngobani Sithole, said the accused had adhered to the legal requirements, but were defrauded by a person who was trying to get them to South Africa through Zimbabwe.

Mr Sithole said that the Ugandans were first offenders, and they had used up almost all the resources in their possession, having been on the road for the past 10 days.

KENYA CLIMATE SMART AGRICULTURE PROJECT

REQUEST FOR EXPRESSION OF INTEREST

(CONSULTANCY SERVICES - FIRMS SELECTION)

Country: KENYA
 Name of Project: Kenya Climate Smart Agriculture Project
 Credit No.: P157495-KE
 Assignment Title: CONSULTANCY SERVICES FOR APPRAISING & RE-DESIGNING ISIOLOEXPORT ABATTOIR AND FEEDLOT SYSTEM
 Reference No.: KE - ISIOLO COUNTY 155460-CS-QCBS

The Government of Kenya has received financing from the World Bank toward the cost of the Kenya Climate Smart Agriculture Project, and intends to apply part of the proceeds for consulting services.

Livestock production is the backbone of Isiolo county economy. It provides food security, income, social backing and wealth to the livestock keepers. The production is mainly under extensive system (pastoralism), and on natural pastures and fodder. Approximately 80 per cent of the county's inhabitants derive their livelihoods from livestock enterprise, and close to 70 per cent of the rural labour force is employed in the livestock sub-sector (CIDP 2018-2022). Historically, pastoralists have had less access to National and international market and hence less opportunity to increase the value of their produce. In this context, the county Government of Isiolo will work with Kenya Climate-Smart Agriculture project (KCSAP) which has the objective to increase agricultural productivity and build resilience to climate change risks in the targeted smallholder farming and pastoral communities in Kenya, and in the event of an eligible Crisis or Emergency, to provide immediate and effective response. This objective is in line with County Government of Isiolo agenda to improve market access and value addition of livestock and livestock products.

The consulting services ("the Services") include redesigning the facility, upgrading it to international standards & identifying/ specifying the equipment and supervising the installation of the same. The services will also cover redesign of existing feedlot facility to modern standards. The aim is to increase livestock productivity and quality of meat along the value chain to meet the international standards for export market and Halal standards.

The County Government of Isiolo now invites both National & International eligible consulting firms ("Consultants") to indicate their interest in providing the Services. Interested Consultants should provide information demonstrating that they have the required qualifications and relevant experience to perform the Services.

The short listing criteria are:

- Duly registered firm with valid tax compliance certificate or similar certification in the Country of origin;
- Have undertaken at least three (3) assignment of similar nature in design of abattoir facilities;
- Have undertaken one assignment of similar nature in design of abattoir equipments;
- Have undertaken one assignment of similar nature in design of feedlots; and
- Demonstrable experience in waste management systems including biofiltration.

Key Experts will not be evaluated at the shortlisting stage.

The attention of interested Consultants is drawn to paragraph 1.9 of the World Bank's *Guidelines: Selection and Employment of Consultants [under IBRD Loans and IDA Credits & Grants] by World Bank Borrowers*, January 2011 Revised July 2014 ("Consultant Guidelines"), setting forth the World Bank's policy on conflict of interest. In addition, please refer to the following specific information on conflict of interest related to this assignment: 1.9 (a - d) of *Consultant Guidelines*.

Consultants may submit their ROI as an individual firm or in association in the form of a joint venture or sub consultancy. All the members of the joint venture shall be jointly and severally liable for the entire assignment. However, the experience of sub-consultant will not be considered while short-listing. A Consultant will be selected in accordance with the **Quality Cost Based Selection** method set out in the Consultant Guidelines.

Further information can be obtained at the address below during office hours 0900 to 1700 hours. Expressions of interest must be delivered in a written form to the address below (in person, or by mail, or by e-mail) by **Wednesday 4th March, 2020 at 1100 hours.**

C: EXPERIENCE

NO.	Activity
1	Between January 1982 and October 1983, I served as a teacher at Nyansabakwa High School in Kisii District. As a teacher, I served as a Form Two Class Master and Library Master. At that time, two library assistants who were unmotivated were manning the library and hence the library was in shambles. We worked together and within a short time, the library system drastically improved.
2	In 1986 after my Bachelors Degree in Land Economics, I worked in the Ministry of Lands and Settlement as a Valuer in charge of one valuation assistant and a typist. We worked as a team and were able to produce several valuation reports in good time.
3	In 1988, I was employed as a Housing Officer II in the Department of Housing of the then Ministry of Lands and Housing. This was after completing a Masters Programme in Housing Administration in the University of Nairobi. As a Housing Officer II, I was deployed in the Estates division where I was the assistant in charge of the Division which had five officers and one secretary. As a team, we handled the following duties:- • Allocation of Government houses • Assessment of housing needs • Revision of Kenya's Housing Policy • Preparation of Kenya's Housing Development Programme to the year 2000 • Planning, development and management of Government Housing Schemes in Nairobi, Kericho, Kapsabet, Kabarnet and Makueni • Housing Surveys Analysis of the housing market and conditions The portfolio of the estates division called for commitment, dedication and professional pragmatism.

4	In 1990, I worked in the Housing Department as an assistant head of the Monitoring and Evaluation Division. The division had five officers. The job entailed the monitoring and evaluation of each division's performance and the performance of the housing sector in general. The evaluation exercise was the basis for planning, policy formulation and programme initiation.
5	For five years (1990-1994), I was the Department's training officer. My main duties were identifying relevant courses for officers and recommending the same for consideration.
6	In 1991, I served in the Human Settlements Division as an assistant Head in charge. The Division had ten (10) officers, one messenger and one secretarial staff. This was a fairly challenging position which gave me a lot of exposure in the following areas:- (a) World Habitat Day Celebrations The celebrations are held every first Monday of October of each year. The celebrations revolve around a theme, which must be translated to fit local situations. My involvement included defining tasks, identifying personnel, training personnel, supervising personnel, acquiring relevant equipment and stationary, chairing sessions, presenting papers and preparing briefs for the Director for onward transmission to the Permanent Secretary. Most of the themes focused on urbanization challenges and the intention was to seek solutions. (b) Global Shelter Strategy to the year 2000 Under this programme, my involvement was in terms of making follow ups of United Nations resolutions meant to steer nations towards shelter for all. This called for several forums for stakeholders in the shelter sector. In most cases, I had to assemble stakeholders in seminars, workshops and conference settings. Apart from presenting papers, my other key role was coordination of all resources including personnel. (c) Country Preparations for the United Nations Commission on Human Settlements.

The Commission is held after every two years and during the sittings, countries make presentations on tangible progress on various resolutions of past Commissions. My role under this programme was basically to report on financial matters in the shelter sector together with on-going projects and programmes. The report was a consolidation of reports from various actors that I had to regularly liaise with.

(d) Global City Data Programme

It was discovered that urban information was hardly available in a form that could be meaningful to users. To seal this gap, the Government requested UN Habitat to assist in data capture and storage in eight pilot towns in Kenya under what was then a Global City Data Programme. Under this programme, I was a government link person. My role was to select working teams, train them, supervise their work and co-ordinate preparation of reports. The major outcome of this programme was the selection of appropriate housing indicators for Kenya.

(e) Country Preparations for the Habitat II Conference

Member states of the United Nations assembled in Istanbul, Turkey in June 1996 to review past human settlement trends and to chart the way forward. At the country level, I was the co-ordinator of the Best Practices Initiative which had representatives from all sorts of organizations cutting across the public sector, the private sector, the community based organizations and Non-Government organizations. I was a member of the secretariat at the core of the preparatory process and a member of the National Steering Committee.

During the preparatory process, I worked with well over three hundred actors. At the final stage, I was in charge of a ten (10) member Best Practices team in Istanbul, Turkey representing Kenya for four weeks. The focus was how to make life better for humanity in both rural and urban areas.

(f) National Development Plan

I often participated in the drafting of the Housing chapter of Kenya's National Development Plans.

(g) Settlement Upgrading Programme

	Under this programme, I worked with teams, which interacted with slum and informal housing dwellers to obtain information which was duly analyzed and utilized in implementing viable settlement projects. (h) Housing Policy For a long time, Kenya was operating within a housing policy framework which had been crafted by a team commissioned by the United Nations in the 1960s. It was discovered that the policy was outdated and was not in tune with the existing environment. A decision was therefore made to craft a new one. I was one of the task members for the preparation of a revised Housing policy for Kenya. (i) Housing Indicators Programme I was the Government core officer in localizing the UNCHS (Habitat) sponsored housing indicators programme. The indicators were tested in various towns including Nairobi and desirable outcomes were noted for use in housing and urban sector interventions.
7	Between July, 1988 and August, 1996, I was in charge of budgetary affairs in the Housing Department as follows:- • Preparation of the Public Investment Programme • Preparation of the Programme Review and Forward Budget. • Preparation of Draft and Revised Estimates based on identified priorities. • Preparation of departmental financial statements based on considered analysis. I was assisted by three officers on the budgetary matters which involved fighting for the department's survival in terms of meeting recurrent and development targets.
8	As from August, 1996 to October 1999, I served in the Office of the Public Trustee as a Deputy Property Manager. My duties in this capacity were basically advisory services on Property Management for all types of properties under the administration of the Public Trustee. (a) Rent collection.

	(b) Co-ordination of housing repairs, renovations and general maintenance. (c) Insurance initiatives for all properties. (d) Settlement of all outgoings. (e) Maintaining of Property Registers. (f) Property Inspections. (g) Preparation of Valuation Reports. (h) Supervising Public Trustee field offices on property issues. (i) House allocations. (j) Supervising contractors and Agents. (k) Assistant in-charge of the seven members of staff. (l) Analysis of the housing market. (m) Preparation of specifications for maintenance and repair works. These duties exposed me to several groups whose interests required tactful attention.
9	As from 1 st November, 1999 to December 2004, I was serving as the Property Manager in the Public Trustee. My duties basically were as outlined in (8) above in addition to general administrative chores including staff management.
10	From December 2004 to June 2007, I was working as an Assistant Director of Urban Development in the Ministry of Local Government. My duties in this capacity included land administration in local authorities, upgrading of informal settlements, Housing development, urban planning, environmental management, capacity building in local authorities and advising on the management of the urbanization process.
11	From June 2007 to 28 th April 2008, I was performing the duties of Senior Assistant Director of Urban Development in the ministry of Local Government. In that capacity, I was among other things deputizing the Director of Urban Development. At all times when the director was away, I was left in charge of the department besides deputizing him in all situations such as chairing meetings, managing staff and representing him in many forums where urban development inputs were required. In this position, I prepared several papers and circulars for use by all local authorities. In addition, I worked as the technical officer to the accounting officer on several aspects of urban development including the management of informal settlements leading to the preparation of a sessional paper on the subject. In recognition of my role in this field, I

	was appointed Coordinator of the Korogocho Slum Upgrading Programme. Further, in this position, I was mandated to prepare speeches for the Minister, the Permanent Secretary and the Director on various topics in the urban sector. I was also mandated to chair a Departmental taskforce whose sole responsibility was to restructure the department and to prepare a scheme of service for the officers. This exercise was successfully done and submitted to the accounting officer for further processing. Among other inputs to the restructuring exercise, I prepared a paper on the current and future functions of the Department of Urban Development. In this position I was also appointed to represent the department in the training committee which resulted in a fair distribution of training slots for staff in the department. I was also appointed by the accounting officer to serve in a taskforce to review the Local Government Act so that it is in tune with current realities.
12	From 28th April 2008 to December 10th 2009, I served in an acting capacity as the Director of Urban Development. My duties were as follows: • Advising the permanent Secretary on all urban development issues • Managing and motivating staff • Formation of integrated professional teams in the department • Restructuring the department • Reviving stalled projects • Fast tracking sluggish projects • Preparation of various cabinet memoranda. • Mainstreaming mapping and physical planning in urban development • Championing the formulation of an Urban Development Policy for Kenya • Building synergies with sister departments in other ministries through focused consultative meetings.
13	From 11th December 2009 to 6th October 2015, I served the country as the Director of Urban Development. As Director of urban development, my duties were as follows: • National urban development Policy • Integrated strategic urban development planning

	• Slum upgrading • Enhancing disaster preparedness and response in cities, municipalities and towns • Construction/rehabilitation of social infrastructure in various counties • Construction of Non-motorized transport facilities in various counties including construction of markets • Solid waste management • Construction of storm water drainage facilities in various counties • Installation of floodlights in various counties • Capacity building and technical support to counties on urban development • Advisory services on urban development.
14	From 7th October 2015 to date, I have been serving the country as Secretary for Urban and Metropolitan Development. As Secretary, Urban and Metropolitan Development, my duties include the following: • Guiding urban and metropolitan development through formulation and review of policies and legislation • Coordination of urban and metropolitan planning • Technical support to counties on urban and metropolitan governance. • Support to counties in provision of critical physical infrastructure such as storm water drainage, non-motorized transport and access roads • Support to counties in provision of basic urban social infrastructure such as markets, schools, stadia and social halls • Enhancing connectivity across counties • Urban safety and security through provision of lighting facilities and equipment • General administration and • Advisory services on urban and metropolitan development.

- 1) THAT I am a Kenyan citizen and holder of National Identification Card Number 2113986.
- 2) THAT I am resident of Korogocho ward of Ruaraka Sub-county of Nairobi County for the last forty-two years from 1979 to 2020. That I am a leader and represent thousands of residents in Korogocho Slums.
- 3) THAT I read Standard Newspaper dated 12th February 2020, at page 21 that portrayed a notice by National Assembly titled "Submission of Memorandum" on nomination of Cabinet Secretaries and Principal Secretaries made by President Uhuru Kenyatta.
- 4) THAT I therein saw Nominee Number 6 one "Enosh Momanyi Onyango" caught our attention as residents of Korogocho slums to which effect we submit this affidavit in opposition to his nomination to position.
- 5) THAT I am privy to ample information on Korogocho Slum Upgrading Program, that these information is inclusive and not limited to both persons and organizations who are key players and made contribution to the program. The persons are: Kennedy Nyasenda (Program Manager), Enosh M. Onyango (Secretary Urban Planning and Metropolitan Department) and all Resident Committee. The organizations are: UNHABITAT, Nairobi City Council, Survey of Kenya and Provincial administration /Sub County Commissioner-Kasarani.
- 6) THAT I was present in all meetings that concerned this program
- 7) THAT I know the person we are complaining against one Enosh M. Onyango very well from when he was Director Urban Development and currently Secretary, Urban Planning and Metropolitan Department nominated to be approved as Principle Secretary.

- 8) THAT the Korogocho Slum Upgrading commenced in the year 2008 and ended in June 2018 and was illegally extended to this day while we still live in shacks, a clear proof of the failure.
- 9) THAT Enosh and resident committee formed a cabal that opposed Upgrading Program No.1 by UNHABITAT causing UNHABITAT to exit the program in February 2015. This happened without consultation of residents.
- 10) THAT Resident Committee operates under a registered community based organization (CBO), and their object is to further welfare of their members at the expense of other residents who are non-members to this CBO. This is conflict of interest to slum upgrading program, which should be to the benefit of all residents. It's a monstrous failure of duty for Enosh Momanyi Onyango to deem to operate with a registered CBO that is occasioning injustice to other residents. See annexure at page 5 Showing CBO serial number 26397
- 11) THAT Nairobi City Council confirmed they are not involved in the program as shown by their letter dated 20th July 2017 and consequently Survey of Kenya denied any knowledge of this program apart from issuing waiver on the checking fees dated 29th October 2019. See annexure at page no.6 and 7.
- 12) THAT Mr. Enosh and Resident Committee hatched a plan to dupe the residents by continuing beyond their expiry date of June 2018 with a new program No.2 having pushed UNHABITAT out they reintroduce upgrading program No.2 that aimed at issuing residents with title deeds to be used as collateral to build houses. Residents were not consulted. See annexure of the plan at page no. 8 & 9.
- 13) THAT I know this program Number 2 died at inception as there are no banks or lenders who will lend to slum dwellers with an income of Kshs 3,000 monthly considering it riskier and 100% default on repayment. This Program No.2 was premeditated to ensure selling of plots to middle class non-residents for selfish gain.
- 14) THAT Mr. Enosh and resident committee collected Kshs 2,000 from all structure owners that totaled to millions while the purpose of this funds were obscured from the residents, and surrounded by vague explanations as being charges for beacon certificate fees, survey fees, clearance fees by Ministry of Lands. It's only this year January 2020 that Mr. Enosh confessed that the funds were for his cabal (resident committee) allowances for identifying their immediate neighbors as structure owners. And that during this period 2008 to

2019 Financial Auditing were intentionally ignored. See receipts of this collection at page 10, 11, 12, 13, 14, 15 and 16.

- 15) THAT it is shocking that a ministry funded project which had on board donors could still go back to poor residents and ask them for funds for allowances for surveyors. See letter dated 22nd January 2020 at paragraph 5 where Mr. Enosh gives the reason for collection of KES 2,000. See annexure at page 17.
- 16) The Survey fees had been waived according to Director of Surveys letter dated 29th October 2019 so the question then is what was this collection of funds from poor residents that were being done under the hawk eye of Mr. Enosh See annexure at page 7.
- 17) THAT Mr. Enosh and resident committee colluded with Dr. Silas M Muketha trading as Geodev (K) Limited a planning and survey firm that copied an already existing drawing work. Planning done by Henry M. Mwau and Prof Johnston M. Kiamba signed on 3rd March 2014 while survey work was done by Alice agencies (who happened to be unregistered surveyor). Geodev only stamped it to be paid Kshs. 2,829,400 illegally and that some this plots were sold while still on paper. See copy of Map No. 10. Attached at page 18 and 33.
- 18) THAT Mr. Enosh intentionally refused to respond to all sensitive letters from residents portraying negligence of his duties and all cries by residents for transparency and accountability fall on deaf ears. Copies of letters attached at page 19, 20,21,22 and 23.
- 19) THAT we have had to prompt the Ombudsman through our letter dated 3rd March 2017, who vide letters dated 9th April 2018 and 26th June 2018 to take action on this officer who had failed to engage residents on queries regarding the slum upgrading program. See attachment at page 24, 25 and 26.
- 20) THAT for a period that was slightly above a decade 2008-2019 there were no elections of resident committee as he prefers to work with the persons (resident committee) that are his cabal and will fulfill his pecuniary interest.
- 21) THAT Mr. Enosh never conducted public participation to address confusion, fears and concerns of residents on his tactful displacement.
- 22) THAT Mr Enosh conducts for the period of between 2008-2019 was a testament of incompetence, ineptitude and a corrupt public officer who has meted injustice against poor slum dwellers and couldn't deliver a program that was meant to alleviate poverty.

- 23) THAT Mr. Enosh denied us our rights to decent housing as enshrined in our 2010 Constitution Article 43(6) that states every person has the right to accessible and adequate housing and a reasonable standard of sanitation. That his conduct also contravenes Article 10 on national values and principle of governance and Chapter 6 of the Constitution on leadership and Integrity both of which expect high standard from appointed persons to be public officers.
- 24) THAT incase this parliamentary committee on approval hearing accepts nomination of this person it would have promoted incompetence of another slums in Nairobi and corruption and tactful displacement of slum dwellers that will easily trigger bloodshed.
- 25) THAT I have attached a bundle of documents and fully contextualize all the above averments.
- 26) THAT I further attach a bundle of documents attached herein that support this claim paginated from page 27 to 32 that fully contextualize this averments.
- 27) THAT what is deponed to herein is true to the best of my knowledge information and belief.

- 3) THAT I read Standard Newspaper dated 12th February 2020, at page 21 that portrayed a notice by National Assembly titled "Submission of Memorandum" on nomination of Cabinet Secretaries and Principal Secretaries made by President Uhuru Kenyatta.
- 4) THAT I therein saw Nominee Number 6 one "Enosh Momanyi Onyango" caught our attention as residents of Korogocho slums to which effect we submit this affidavit in opposition to his nomination to position.
- 5) THAT I am privy to ample information on Korogocho Slum Upgrading Program, that these information is inclusive and not limited to both persons and organizations who are key players and made contribution to the program. The persons are: Kennedy Nyasenda (Program Manager), Enosh M. Onyango (Secretary Urban Planning and Metropolitan Department) and all Resident Committee. The organizations are: UNHABITAT, Nairobi City Council, Survey of Kenya and Provincial administration /Sub County Commissioner-Kasarani.
- 6) THAT I was present in all meetings that concerned this program
- 7) THAT I know the person we are complaining against one Enosh M. Onyango very well from when he was Director Urban Development and currently Secretary, Urban Planning and Metropolitan Department nominated to be approved as Principle Secretary.

- 8) THAT the Korogocho Slum Upgrading commenced in the year 2008 and ended in June 2018 and was illegally extended to this day while we still live in shacks, a clear proof of the failure.
- 9) THAT Enosh and resident committee formed a cabal that opposed Upgrading Program No.1 by UNHABITAT causing UNHABITAT to exit the program in February 2015. This happened without consultation of residents.
- 10) THAT Resident Committee operates under a registered community based organization (CBO), and their object is to further welfare of their members at the expense of other residents who are non-members to this CBO. This is conflict of interest to slum upgrading program, which should be to the benefit of all residents. It's a monstrous failure of duty for Enosh Momanyi Onyango to deem to operate with a registered CBO that is occasioning injustice to other residents. See annexure at page 5 Showing CBO serial number 26397
- 11) THAT Nairobi City Council confirmed they are not involved in the program as shown by their letter dated 20th July 2017 and consequently Survey of Kenya denied any knowledge of this program apart from issuing waiver on the checking fees dated 29th October 2019. See annexure at page no.6 and 7.
- 12) THAT Mr. Enosh and Resident Committee hatched a plan to dupe the residents by continuing beyond their expiry date of June 2018 with a new program No.2 having pushed UNHABITAT out they reintroduce upgrading program No.2 that aimed at issuing residents with title deeds to be used as collateral to build houses. Residents were not consulted. See annexure of the plan at page no. 8 & 9.
- 13) THAT I know this program Number 2 died at inception as there are no banks or lenders who will lend to slum dwellers with an income of Kshs 3,000 monthly considering it riskier and 100% default on repayment. This Program No.2 was premeditated to ensure selling of plots to middle class non-residents for selfish gain.
- 14) THAT Mr. Enosh and resident committee collected Kshs 2,000 from all structure owners that totaled to millions while the purpose of this funds were obscured from the residents, and surrounded by vague explanations as being charges for beacon certificate fees, survey fees, clearance fees by Ministry of Lands. It's only this year January 2020 that Mr, Enosh confessed that the funds were for his cabal (resident committee) allowances for identifying their immediate neighbors as structure owners. And that during this period 2008 to

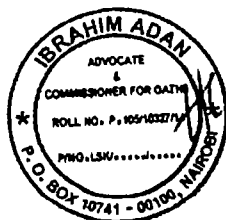

2019 Financial Auditing were intentionally ignored. See receipts of this collection at page 10, 11, 12, 13, 14, 15 and 16.

- 15) THAT it is shocking that a ministry funded project which had on board donors could still go back to poor residents and ask them for funds for allowances for surveyors. See letter dated 22nd January 2020 at paragraph 5 where Mr. Enosh gives the reason for collection of KES 2,000. See annexure at page 17.
- 16) The Survey fees had been waived according to Director of Surveys letter dated 29th October 2019 so the question then is what was this collection of funds from poor residents that were being done under the hawk eye of Mr. Enosh See annexure at page 7.
- 17) THAT Mr. Enosh and resident committee colluded with Dr. Silas M Muketha trading as Geodev (K) Limited a planning and survey firm that copied an already existing drawing work. Planning done by Henry M. Mwau and Prof Johnston M. Kiamba signed on 3rd March 2014 while survey work was done by Alice agencies (who happened to be unregistered surveyor). Geodev only stamped it to be paid Kshs. 2,829,400 illegally and that some this plots were sold while still on paper. See copy of Map No. 10. Attached at page 18 and 33.
- 18) THAT Mr. Enosh intentionally refused to respond to all sensitive letters from residents portraying negligence of his duties and all cries by residents for transparency and accountability fall on deaf ears. Copies of letters attached at page 19, 20, 21, 22 and 23.
- 19) THAT we have had to prompt the Ombudsman through our letter dated 3rd March 2017, who vide letters dated 9th April 2018 and 26th June 2018 to take action on this officer who had failed to engage residents on queries regarding the slum upgrading program. See attachment at page 24, 25 and 26.
- 20) THAT for a period that was slightly above a decade 2008-2019 there were no elections of resident committee as he prefers to work with the persons (resident committee) that are his cabal and will fulfill his pecuniary interest.
- 21) THAT Mr. Enosh never conducted public participation to address confusion, fears and concerns of residents on his tactful displacement.
- 22) THAT Mr Enosh conducts for the period of between 2008-2019 was a testament of incompetence, ineptitude and a corrupt public officer who has meted injustice against poor slum dwellers and couldn't deliver a program that was meant to alleviate poverty.

- 23) THAT Mr. Enosh denied us our rights to decent housing as enshrined in our 2010 Constitution Article 43(6) that states every person has the right to accessible and adequate housing and a reasonable standard of sanitation. That his conduct also contravenes Article 10 on national values and principle of governance and Chapter 6 of the Constitution on leadership and Integrity both of which expect high standard from appointed persons to be public officers.
- 24) THAT incase this parliamentary committee on approval hearing accepts nomination of this person it would have promoted incompetence of another slums in Nairobi and corruption and tactful displacement of slum dwellers that will easily trigger bloodshed.
- 25) THAT I have attached a bundle of documents and fully contextualize all the above averments.
- 26) THAT I further attach a bundle of documents attached herein that support this claim paginated from page 27 to 32 that fully contextualize this averments.
- 27) THAT what is deponed to herein is true to the best of my knowledge information and belief.

COMPLAINTS IN THE SLUM UPGRADE PROJECT

Please refer to your letters Ref:CAJ/M.LAN/022/1034/14-ec of 11th/12/2014, CAJ/M.LAN/022/1034/14sc OF 23RD March, 2015 and unreferenced letter by Abdi dated 10th December, 2017 regarding complaints against the approved development plan No.10 whose reference number is 42/20/2013/01 – copy attached.

The Nairobi City County was not involved in either planning, approving or execution of this development plan.

We therefore cannot:-

1. Consent to the accusation that "the former Nairobi City Council gave each family small parcels of land of 33ft by 33ft without title deeds" – indicated as bullet 2 in your letter. Indeed, Mr. Abdi Omari has indicated in his unreferenced letter dated 10th April, 2017 that "the elected elders are in charge of bringing together with their private Surveyor" - last sentence paragraph one.

- ii. Investigate the Government officials who are carrying out duty under the instructions of their seniors at their respective Ministries. Indeed the development plan has been approved by the Ministry's Director of Physical Planning and endorse by the Minister himself.

However, we have noted all the correspondences relating to the matter - i.e.

- Letter from the office of the Ombudsman.
- Complaint letter from Abdi Omari.
- Response letter from the Ministry of Lands and Physical Planning.
- Registration Certificate No 26397 from "Korogocho Residents Committee from slum upgrading."

RE: CONFLICT BETWEEN THE KOROGOCHO STRUCTURE OWNERS AND THE
RESIDENTIAL COMMITTEE (R.C) C.B.O, LAND'S HOUSING AND URBAN
DEVELOPMENT.

1. WE WOULD LIKE TO BRING TO YOUR ATTENTION AND SEVERAL ISSUES CURRENTLY TAKING PLACE ON THE GROUND (KOGOGOCHO) WITHOUT YOUR CONSENT.
2. IN KOROGOCHO WE HAVE SEVERAL C.B.O'S, BUT ONE OF THEM NAMED THE RESIDENTIAL COMMITTEE (R.C) WHICH WE THE KOROGOCHO COMMUNITY ELECTED, HAS WILLINGLY TO THEMSELVES BUT UNWILLINGLY TO THE COMMUNITY MEMBERS REMAINED IN OFFICE FOR LAST EIGHT YEARS, HAVING BEEN ELECTED TO THE OFFICE FIRST IN 2008.
3. THERE IS ONE MR. E.M ONYANGO AN EMPLOYEE IN YOUR MINISTRY WHO MISGUIDED THE MINISTRY OF LANDS, HOUSING AND URBAN DEVELOPMENT BY ISSUING IT WITH DOCUMENTS TO THE EFFECT THAT ELECTIONS WERE HELD BY THE COMMUNITY AND THE SAME RESIDENTIAL COMMITTEE OFFICE BEARERS WERE RE ELECTED, WHEREAS NOTHING OF THE SORT TOOK PLACE, WE KINDLY ASK HIM THROUGH YOUR MINISTRY FOR CLARIFICATION ON WHEN WERE THE ELECTION WERE HELD, THE VENUE OF THE ELECTION AND WHO THE PRESIDING OFFICER/OFFICERS WERE.
4. IT SHOULD HAVE BEEN WITNESSED BY THE ADMINISTRATION THE D.O. THE AREA SENIOR CHIEF OF KOROGOCHO WHO HAPPENED TO BE SYMPATHIZERS OF THE RESIDENTIAL COMMITTEE/ (R.C).
5. AM SAYING THIS BECAUSE THE RESIDENTIAL COMMITTEE IS CURRENTLY VERY BUSY ON THE GROUND, SOLICITY KSH 2000 FROM EVERY STRUCTURE OWNER, CLAIMING IT TO BE THE CLEARANCE FEE WHICH WILL BE PRESENTED TO THE CABINET SECRETARY MINISTRY OF LANDS, HOUSING AND URBAN DEVELOPMENT TO CATER FOR SERVICES RENDERED BY THE SURVEYOR ON THE GROUND.
6. WE HAVE A PRIVATE SURVEYOR WHO IS CURRENTLY VERY BUSY ON THE GROUND SUB DIVIDING THE GOVERNMENT LAND IN QUESTION. THE RESIDENTIAL COMMITTEE PROMISED THE STRUCTURED OWNERS PLOTS MEASURING 33 x 33 FT FOR 4 - 5 FAMILIES, WHILE WE HAVE PLOTS MEASURING 40 BY 60 FT WHERE PRIVATE DEVELOPERS HAVE BUILT PERMANENT STONE BUILDINGS INDIVIDUALLY.
7. FOR INSTANCE IN THE CASE OF MR. DAVID MUTHAMA HIS PREVIOUS STRUCTURE NUMBER READS 606 BUT THE CURRENT PLOT NUMBER READS 355. THIS LEAVES WE THE COMMUNITY MEMBERS WONDERING WHICH OF THE TWO WILL GUIDE THE GOVERNMENT THROUGH THE LAND MINISTRY IN THE ISSUEANCE OF BOTH THE BEACONS AND THE TITLE DEEDS.

8. A MEETING WAS HELD ON THE 20TH JANUARY 2016 WHICH THE COMMUNITY MEMBERS STRONGLY BELIEVE WAS STAGED MANAGED BY THE RESIDENTIAL COMMITTEE (R.C) WHEREBY ONE MR. ZABLON MABEA MOGAKA WHO CLAIMED TO BE REPRESENTING THE CABINET SECRETARY MINISTRY OF LANDS, HOUSING AND URBAN DEVELOPMENT ISSUED NAMES AND PLOT NUMBERS OF STRUCTURES OWNERS TO THE CHAIRMAN OF THE RESIDENTIAL COMMITTEE MR. PETER KINYANJUI. MR. ZABLON MABEA REFUSED TO ANSWER ANY QUESTIONS FROM THE COMMUNITY MEMBERS, AND INSTEAD BECAME ARROGANT IN HIS SPEECH TO THE EXTENT OF INSULTING THE COMMUNITY MEMBERS BY CALLING THEM SHEEP (KONDOO NYINYI). AFTER ONLY 20 MIN OF THE MEETING, HE HURRIEDLY EXCUSED HIMSELF CLAIMING HE WAS TO ATTEND ANOTHER MEETING WITH HIS EXCELLENCY PRESIDENT OF THE REPUBLIC OF KENYA AND THE CABINET SECRETARY OF THE MINISTRY OF LANDS, HOUSING AND URBAN DEVELOPMENT.
9. WE HAVE BEEN TO SEVERAL RELEVANT GOVERNMENT OFFICES REGARDING THIS MATTER WITHOUT ANY POSITIVE RESPONSE TO THAT EFFECT, NAMELY THE MINISTRY OF LANDS, HOUSING AND URBAN DEVELOPMENT, THE NATIONAL LANDS COMMISSION, COUNTY COMMISSIONS OFFICE, INSPECTOR GENERALS OFFICE, CID HEAD QUARTERS, THE ANTI CORRUPTION, REGARDLESS OF ALL THIS EFFORT, THE RESIDENTIAL COMMITTEE HAS ALREADY DEMOLISHED SEVERAL STRUCTURES AND NOT PROVIDING THE SAME RESIDENCE WITH ALTERNATIVE LAND, WHICH FORCED US TO MOVE TO COURT WHERE WE FIND THE CASE CIVIL SUIT NUMBER 346 OF 2016 IN THE SUPREME COURT OF MILIMANI.
10. THE PROPOSED PLAN REFERENCE NUMBER 42/20/2013/01 USED BY THE R.C OVERALL CHAIRMAN MR. PETER KINYANJUI THROUGH DUBIOUS MEANS.
11. ACCORDING TO THE KENYAN LAW I BELIEVE THAT IT'S VERY WRONG FOR ANY GROUP OR ANY ONE TO CONTINUE WITH ANY EXERCISE OR INTERFERENCE IN A LAND CURRENTLY ON DISPUTE, SINCE THIS SHOULD BE TREATED AS A CONTEMPT OF COURT BY ALL MEANS.
12. WE THE COMMUNITY MEMBERS HUMBLY AND KINDLY REQUEST YOU SIR, TO CONVEY A PUBLIC OFFICIAL MEETING IN KOROGOCHO FOR PROPER AND TRANSPARENT CLARIFICATION FROM YOUR MINISTRY, SO AS TO STOP OR HALT THIS COMMUNITY BASED ORGANISATION (C.B.O) RESIDENTIAL COMMITTEE FROM CAUSING BLOODSHED AMONGST PEACE LOVING AND LAW ABIDING KENYAN CITIZENS.

KOROGOCHO SLUM UPGRADING PROGRAMME - COMPLAINTS

This is in response to the allegations contained in your letter dated 16th December 2019 regarding the above programme.

As you are aware, the Korogocho Slum Upgrading Programme began in 2008 and the process of improving the living standards of the residents has been ongoing since. Over 10 years, the process has been guided by a concept paper agreed upon between the Government of Kenya through the then Ministry of Local Government and the Government of Italy.

The Department of Urban Development where the programme is domiciled has continuously executed it through a consultative process involving all relevant stakeholders including Department of Physical Planning, Department of Lands, the then Nairobi City Council and the National Treasury. Indeed the programme has throughout its life embraced public participation and practised an open door policy where members walk into the programme offices at Cianda House 7th Floor for any information.

The stated activities upon which you have raised issues were undertaken as part of the land tenure security process in line with the Constitution of Kenya 2010 and relevant sections of the Land Act 2012 and the Physical Planning Act Cap 286 of 1996. Thus, planning process was overseen by the Department of Physical Planning in 2013 through to 2014 resulting in plan No. 10 Ref. 42/20/2013/01. This was followed by the survey process, which was outsourced to Geodev (K) Limited, a planning and survey firm with Dr. Silas M. Muketha as the Licensed Surveyor.

Commencement of the survey exercise was preceded by a public *baraza* held in January 2016 at Korogocho Chiefs Camp presided over by the Director Administration Urban and Metropolitan Development. In attendance were representatives of the Department of Lands, the then Deputy County Commissioner Mr. James Kamau, the then Assistant County

Commissioner Mr. Charles Baldi Mabonga and the Area Chief Mr. Nyabuti Omache. In fact, it can be confirmed that you indeed attended a number of these barazas.

Regarding the alleged Ksh. 2,000/= (Kenya Shillings Two Thousand only), this was a proposal by the Residents Committee (RC) and not the Ministry programme officials. According to the RC, the funds required of the beneficiaries was to facilitate their allowances in the field intensive, yearlong process as such funds were not provided for in the programme. Furthermore, payment of the monies was voluntary and whenever payments were done, receipts were issued.

On the waiver, this was an initiative driven by the Ministry/Programme following a request by the Residents Committee triggered by an invoice from the Director Survey to the Consulting Surveyor. Since such monies had not been anticipated nor provided for by the programme, the waiver would offload the burden from the community. Therefore, the Principal Secretary Housing and Urban Development requested his counterpart from Lands with the advice of the Programme Management. A positive response granting the waiver was thereafter received.

Kindly take note that this office will consistently continue to provide as much information as has always happened in your previous visits. However, towards satisfaction of the interest of all parties, you are required as the representative of Korogocho residents, that you furnish this office with a list of all the residents you represent. This will enable the programme compare the same with the currently available list. The list should reach the Programme Manager, Korogocho Slum Upgrading Programme not later than **31st January 2020** failure to which the programme will proceed with the next step of the programme. The list should include the full names, ID number, Contacts, Village and signatures of the residents to facilitate authentication of the same.

Your cooperation in this regard will be highly appreciated.

Attention

REF: POLITE NOTICE

We are writing to highlight negative issues happening with the support of the area government administration in the ongoing upgrading of the Korogocho slums. Am saying this because the residential committee is currently very busy on the ground soliciting ksh.2000 for every structure owner claiming to be clearance fee which will be presented to the cabinet secretary, ministry of lands housing and urban development to cater for the services rendered by the survey on the ground.

On 22nd February, we reported this serious matter to the cabinet secretary and he received our letter also to the (P.S) permanent secretary lands and investigation took place back February to March 15, C.S finally went through this particular letter and he gave it to P.S of lands, so between P.S and C.S secretary. On 23rd of March our letter disappeared from there onwards we still followed the disappearance of this specific letter.

We made some follow-up until April 15th 2016, from there onwards on April 20th we went back to C.S office and found the letter was ready for us (Community) from that point, we never got our feedback up to now of which its eleven months so the beaconing and subdivision plus the collection of money still going on, 2,000 per structure owner. So we as community eagerly awaiting the three officials from the department of housing and urban namely Kennedy Omondi Nyasenda, E.M Onyango and Zablon Mabeya Mogaka, so we as community we humbly request from the C.S office the feedback of our letter that is so serious, the delayment of this particular letter would cause bloodshed like that of Kihia Mwiri and Mboi Kamiti affairs.

We are reminding you as per the attached copies.

Thank you very much still waiting for the feedback.

RE: CONFLICT BETWEEN KOROGOCHO RESIDENTS AND PHYSICAL PLANNING DIRECTOR ON DEVELOPMENT PLANNING

We Korogocho resident's community humbly want to know why the physical planning director has planned Korogocho land without our knowledge. The plan was planned by Henry M. Mwau, signed by prof. Johnstone M. Kiamba and certified by director of physical planning department.

Recently, One Ms Alliance surveyors privately submitted a job being represented by the attached subdivision scheme. The scheme does not represent our interests wholly as Korogocho residents and therefore wish to stop and do away with the same until pressing issues are addressed because it will cause blood shedding and loss of properties. Korogocho is a government land and w the community were brought here early 1970's by the president then Mzee Jomo Kenyatta and we are wondering how the planning was done without the knowledge of the Ministry of Land, Housing and Urban Development under Prof. Jacob Kaimenyi and both former and current Nairobi County Government denied any planning, approving and execution of this development.

We as Korogocho residents are worried because the director of physical planning did the planning with a certificate from self help group registration no.26397 /project and to us (residents) the planning is a private project.

The residents humbly request your consideration into the matter because its causing sleepless nights, fearing, loss of personal properties and shedding of blood.

2ND DECEMBER 2019

DEAR SIR

RE; REMOVAL OF RESIDENTS COMMITTEE FROM OFFICE, FOR SAFETY OF THE RESIDENTS OF KOROGOCHO.

We would like to draw your immediate attention to the ongoing illegal activities within the Korogocho ward Nairobi county. These activities are being carried out by Korogocho people for slum upgrading CBO, which started out as a self-help group and was formerly known as the residents committee, the group is headed by Mr. Peter Kinyanjui, who is no longer a resident of the ward with the support of the local administration consisting of the Deputy county commissioner Ruaraka, area chief and sub chief.

This group has been spreading terror through various means and giving the people of Korogocho sleepless night, this matter has been reported to the local administration severally and no action has been taken as we write this letter, the administration has been proven to be partisan, prejudice and only furthers the interest of this outlaws, in fact it looks like the administration is at the mercy of this thugs and not the other way round and cannot guarantee the peace, security and stability of the residents.

The RC has been using several methods to spread terror and fear, this includes;

- I. **Extortion** and collection of money, recently they have been collecting ksh 2000 from every structure owner, resulting into millions of shillings, claiming that it will be used by the Ministry of lands to process title deeds, which the ministry is strongly against and denies, saying this is a criminal offence and the Government doesn't share cost with the citizen in providing services, and this matter should be reported immediately.
- II. Use of **threats** and **intimidation** to those who are against their practices.
- III. **Gagging** of community activists.
- IV. Use of **propaganda** to create fear and animosity among the residents, "sisi ndio macho ya serikali hapa."
- V. Asking the residents to **demolish** and move their structures, which the residents are against and can, and will lead to severe bloodshed and destabilize the whole area. On 18/07/2019 there was a serious commotion and violence at one of their baraza, which the chief was also a participant and if not for the Police officers to arrive on time, things would have gone out of hand.
- VI. **Impersonation**, the CBO has been forging residents' signatures on several documents, most of this resident are old and illiterate, and can't understand the do's and don'ts when it comes to legal terms.
- VII. **Selling and allocating** plots to non-residents, without the knowledge of the residents, making millions for themselves, leaving the residents and non-residents in conundrum which will results to violence very soon, if no action is taken.

MINISTRY OF TRANSPORT, INFRASTRUCTURE, HOUSING AND URBAN DEVELOPMENT

PERMANENT SECRETARY

P.O BOX 52692-00200

NAIROBI, KENYA

22ND OCTOBER 2019

DEAR PS CHARLES MWAURA HINGA

REF; SURVEY FEE WAIVER.

We would like to draw your attention to the ongoing illegal activities that is being carried out in Korogocho slums in the name of Ministry of Lands and physical planning and Ministry of Transport, Infrastructure, Housing and Urban development. This is being carried out by a CBO which used to be a self-help group and has over the years undermined the voice of the locals, holding them hostage and enforcing their ideas on the people of Korogocho, purporting to be slum upgrading project.

I would also like to draw your attention to current collection of Copy of National Identification card, KRA pin certificate, 2 passport photos, copy of beacon certificate that was illegally placed without stakeholders knowledge and participation, continuous collection of the Ksh 2000 from every structure owner, which has amounted into millions of shillings, attached is a recent carried out Baraza that clearly indicates that this documents are required by the Ministry of Land in conjunction with Ministry of Transport and Housing, in order to process residents title deeds, is your office aware of this injustice or did it issue such directives. we would also like your office to explain whether it's the one that issued a directive that Korogocho land to be divided into mere 33ft by 33ft without the knowledge of the residents and the use of private surveyor for this purpose, this is in contradiction of the constitution right of public participation and may lead to bloodshed, loss of properties and may escalate the current fears which may result into conflict. The so called residential committee has given the locals 60 days to move or their structures be demolished, that 60 days' moratorium is ending on 10th November 2019.

We would also like to bring to your attention of a meeting that took place at the Residential committee office in chief's camp Korogocho, where the members of this committee in conjunction with the Program manager Mr. Kennedy Omondi Nyasenda discussed on how they are going to collect Kshs 2,829,400 (from the pocket of the locals) to pay one Dr. Silas.M. Muggedha a licensed surveyor who will validate the work done by Alice agencies surveyors, a firm which is not registered but carried out the surveying activities, and to also help them acquire the PDP documents. We wrote to Dr. Silas Muggedha concerning this allegation (Letter dated 3/3/2019, which is also attached) but we have not received response from his office as we write this letter. We raised the same issue with the current Secretary urban and metropolitan development Mr. Enos Momanyi Onyango but we are yet to receive a complete response from his office, also on the issue of his office collaborating with the said CBO and not in the interest of the residents of Korogocho. Mr Enos Momanyi headed the subdivision of Korogocho through a private surveyor and was part and parcel of the team (through Project manager Kennedy Nyasenda Omondi) that demanded for the ksh 2,829,400 to legitimize the process.

We would also like to know whether your office issued a waiver of the survey fee or whether it was involved in the process, that allowed the sub division of the Korogocho land at the expense of the slum dwellers. The

waiver was specifically demanded by Mr. Enos Momanyi Onyango when the project was under his office, he did so not on behalf of the residents of Korogocho or for their interest, but for his personal benefits and on the behest of his cronies.

Finally, we would like to appreciate the Government efforts to try and improve the lives of the slum dwellers, and we welcome any Government project as long as the residents are involved and are part of the project. The people of Korogocho have faith in GoK and believe whatever is currently happening will be resolved by your office and if possible call for the arrest of Korogocho resident for slum upgrading CBO members and Project manager Kennedy Omondi Nyasenda for; Impersonation, collecting money in false pretense, and misusing a public office. These entities have dragged the good name of the Ministry through the mud at their own benefit.

Thank you for your consideration and we are looking forward to hearing from you. Attached are some of the documents that sheds light on the matter.

Yours Sincerely

The Residents of Korogocho

Mr. Mwangi Abdi Omar (on behalf of Korogocho residents)

RE: COMPLIANT REGARDING SUBDIVISION OF LAND IN KOROGOCHO

We the Korogocho community residents are being intimidated by the government, we have gone to several government offices including ombudsman and our issue has not been resolved. This might cause blood shed among the community if the matter isn't resolved. We are surprised that we were brought here by the 1st Kenyan government and we have stayed here more than 47 years of age. The houses that we are staying in since then are to be divided in 33ft by 33ft among five to seven family. To our surprise, we elected 48 village elders and 2009 they registered under CBO. They were given certificate no.26397 Self Help Group. After they were given the certificate, they did not inform as the community about the whereabouts of the land hence being held by them. The land has been sold to investors who are building permanent houses and putting our houses beacons that are not numbered. If asked they say the government is responsible indeed its them who are in charge of the beaconing together with their private surveyor.

We have visited even the lands ministry to minister Jacob Kaimenyi but the urban development ministry was transferred to Cs James Macharia, transport and infrastructure. We indeed met Hon. Jacob Kaimenyi and he gave us feedback on the conclusion. In his letter, he told Cs Macharia to take action. Up to now Cs Macharia has not taken any action.

We humbly ask you to help us investigate five government officials for the bad work they are doing in Korogcho which might cause bloodshed. These officials are from urban department and housing namely;

1. Kenneth Nyasenda Omondi – Programme Manager
2. I.M. Onyamgo – Secretary Metropolitan
3. Zabron Mabeya Mogaka – Director of Administration, Chinda House
4. D.C. Kasarani – James Kamau
5. Senior Chief Nyambuto

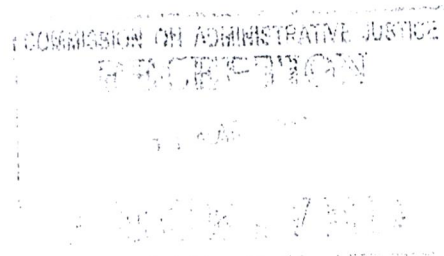

Please help us and we have attached copies of the various visited offices.

On behalf of the community

Yours Faithfully

Abdi Omari

REPUBLIC OF KENYA

IN THE MATTER OF OATHS AND STATUTORY DECLARATION ACT, CAP 15 OF THE LAWS OF KENYA

AND

IN THE MATTER OF NOMINATION OF ENOSH MOMANYI ONYANGO AS PRINCIPAL SECRETARY IN THE
MINISTRY OF PHYSICAL PLANNING

AND

IN THE MATTER OF VETTING OF ENOSH MOMANYI ONYANGO BY THE NATIONAL ASSEMBLY

AFFIDAVIT IN RESPONSE TO THE OBJECTIONS RAISED BY MWANGI A. OMARI AND RASHID I. OMAR

I, ENOSH MOMANYI ONYANGO of National Identity Card No. 0412567 and Post Office Box Number 34477-00100, Nairobi, within the Republic of Kenya do hereby solemnly make oath and state as follows:

1. THAT I am an adult of sound mind and thus capable to swear this Affidavit.
2. THAT I have read the objections raised by Mwangi A. Omari and Rashid I. Omar in the respective affidavits deponed on 17th February 2020 and wish to respond to the same as follows:
3. THAT even though the affidavits are sworn by individuals with different names, it is apparent from the contents therein which are similar word for word and the fact that the national identity number is the same for both individuals that that the two affidavits have been deponed by one and the same person.
4. THAT the said Mwangi A. Omari has caused the making and swearing of the second affidavit by a fictitious person (Rashid I. Omar) so as to mislead the National Assembly as well as to sensationalize the unsubstantiated allegations against me to appear as if there are several people who are against my nomination and appointment as Principal Secretary in the Ministry of Physical Planning.
5. THAT the allegations concern the Korogocho Slum Upgrading Programme (KSUP) where I am the Programme Coordinator.
6. THAT a brief background of the programme is that KSUP is implemented by the Government of Kenya through the Department of Urban Development which was then under the then Ministry of Local Government. The programme is financed through a 10 - year debt for development arrangement between Governments of Kenya and that of Italy that begun in the FY 2008/09. (Annexed hereto and marked EMO1 is the concept paper for the programme).

7. **THAT** the scope of the project in Korogocho involves activities singled out in key thematic areas which form a holistic and sustainable integrated strategy. These key thematic areas are the **physical**, which include, land, housing and infrastructure, **Social** which include, health, education, recreation, the aged, disabled, security and safety, **economic** which involves employment and income generation, **institutional** which involve capacity building of partners involved, and finally **environment** which looks at solid waste disposal, and liquid waste.
8. **THAT** the long-term goal of the programme is to improve the quality of the living environment of the people and enhance their socio-economic welfare through participatory planning and management of the upgrading process in line with the Millennium Development Goals.
9. **THAT** the objectives of KSUP are:
- To have a detailed appreciation of Korogocho.
 - To prepare an Advisory Physical Plan for Korogocho.
 - To build capacity of various actors/Institutions.
 - To prepare a Sustainable Integrated Plan for upgrading Korogocho.
 - To provide collective security of tenure to the residents of Korogocho.
 - To implement concrete improvement to assure visible impact.
10. **THAT** KSUP is implemented through a of a number of stakeholders with varying roles in line with the programme objectives:
- The Ministry of Finance/Treasury, (Disburser of programme funds)
 - the then Nairobi City Council (Objective 6)
 - Ministry of Land Department of Land (Objective 5)
 - Ministry of Land, Department of Physical Planning (Objective 2 and 4)
 - UN Habitat (Objectives 1,2,3,4)
11. **THAT** I confirm that I am aware of the existence of the 48 member Residents Committee (RC), which is a special purpose vehicle (SPV) established to collaborate with the KSUP stakeholders as representatives of the community interests. I am personally not a member of the RC as alleged by the objectors in their affidavits.
12. **THAT** Korogocho Slum Upgrading Programme was my first interaction with the Korogocho slums and I am not privy to any previous independent programme by the UN Habitat. UN HABITAT's role in KSUP was clearly outlined in the programme concept paper as one of the implementing agencies performing other roles including providing and sharing experience, best practices, and

tools for community participation and service delivery, capacity building and empowerment of local actors to ensure capacity for sustainable implementation of the programme in liaison with the Ministry of Housing, technical assistance on selected areas among others. In KSUP, the UN HABITAT were actively involved in delivery of Objective 2 and 4, Korogocho Physical Development Plan Ref No. 42/20/2013/01 signed by the Minister of Lands on 14th March 2013.

13. **THAT** KSUP being government financed was not ready to operate with an amorphous group in Korogocho. In this regard, the RC was formed in 2008 through a democratic process across all the eight villages in Korogocho during an election held on the 4th August 2008. The process was overseen by the then provincial administration headed by the then Deputy County Commissioner of Kasarani, Mr. Evans Mutari. The programme has continuously engaged the Local Chiefs and Assistant County Commissioners for Kariobangi North.
14. **THAT** each village elected 6 members comprised of a village elder (1), representatives of the structure owners (2), women (1), Youth (1) and Tenants (1). The area Chief and the Councilor/MCA are ex officio members in the RC.

15. **THAT** each Village elected a chairperson as follows:

No.	Village	Chairperson	Contact
	Korogocho A	Joseph Gathu Kanjuki	0723499651
	Korogocho B	Nancy Wangari	0722380593
	Grogon A	Peter Kinyanjui	0723825159
	Grogon B	Matheka	0721622750
	Gitathuru	Hussein Racho	0720267971
	Highridge	Ali Okello Apiyo	0726687452
	Kisumu Ndogo	John Adie Okello	0714788915
	Nyayo	Bernard Odera Mbuya	0708371657/0722856301

16. **THAT** as stated hereinabove, the RC is a special purpose vehicle (SPV) represents the interests of the different sections of the community in the programme. The RC is headed by the Executive Residents Committee (ERC) Chaired by Mr. Peter Kinyanjui with Mr. John Okello as the Secretary and Ms. Nancy Wangari as the Treasurer. All the Korogocho settlement residents were in effect represented in the RC through the elected representatives. However, participation in any of the slum upgrading activities is/was on voluntary basis.

17. THAT Nairobi City County mentioned was the lead agency in charge of infrastructure development through retired Engineer Mwangi Chiera (0722787972). The County was involved through the planning process by Eng. Chiera and Planner Antony Waweru (currently the Chief Officer for Lands and Physical Planning, Kirinyaga County Tel. 0721865465).
18. THAT the Survey of Kenya was instrumental in implementation of the Korogocho Physical Development Plan during the survey process. Survey of Kenya was represented by Mr. Paul Ndungu, an Assistant Director in the Department of Survey (Tel. 07228244050). It is Mr. Ndungu who guided and facilitated the waiver of the mentioned Survey fee (this poses the question: how could the PS Lands waive Ksh. 2.8 million for something they were not aware of?)
19. THAT I am not aware of the said Programme Number 1 by the UN Habitat other than the said agency being stakeholders in KSUP. In fact, issuance of title deeds mentioned in the objector affidavits is currently ongoing in the State Department for Lands in line with objective 5 of the programme.
20. THAT other than providing land tenure security to residents, whatever the individuals choose to do with their plots was outside the ambits of the programme as this would now be deemed private property. I am therefore not privy to the alleged sales of the parcels of land to private individuals/outsideers.
21. THAT in regard to the collection of Kshs 2,000.00 from the residents, I have no personal knowledge on the same as I was not involved in receiving and/or utilization of the said monies. The information I received from RC which was the entity collecting the said monies was that it was a decision agreed by the residents as contribution to pay the daily allowances for the residents who volunteered to take an active role in the survey e.g moving around with the surveyor and his team for the 2-year survey period. It is therefore apparent that the collection and utilization of the Kshs 2,000.00 was a community affair that can only be confirmed by the Resident Committee.
22. THAT apart of the expenses incurred by the RC office, all the other expenses were incurred by KSUP/Government of Kenya. The consultancy fees paid to Geodev Kenya Limited did not include facilitation of community members engaged in the exercise as full time guides through the settlement during the survey process. The RC played a key role in sensitizing the residents on the survey activity which enhanced cooperation by residents and smooth implementation. This

may explain the RC decision to collect the Kshs 2,000.00 donation from residents. In fact, the receipts attached in the objector's affidavits are issued by RC.

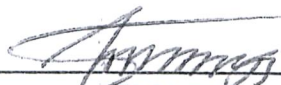

23. **THAT** the survey fee charged by the Survey of Kenya before release of the final Registry Index Maps (RIMs) is often waived for slum upgrading projects. As stated above, I am not aware of any moneys collected in the pretext of being payment of survey fees as alleged in the objectors' affidavits.
24. **THAT** it is a requirement that survey exercises are often led by a Licensed Surveyor in line with the requisite regulations. Therefore, Geodev Kenya Limited, who had been contracted as surveyors sub contracted Dr. Muketha as the firm's Licensed Surveyor to forward all its works to Survey of Kenya. The sum of Ksh. 2,829,400 was the amount required by the Department of Survey for final release of the final survey plans as the same had not been factored in the consultancy fee. It is this amount that the Principal Secretary, Housing and Urban Development requested to be waived vide letter to his counterpart in the Lands Ministry, and which request was allowed.
25. **THAT** the programme has throughout its life practiced and embraced community engagement through community barazas and an open-door policy where any party can visit the offices located in Cianda House in case of any queries. In fact, members of the community including Mr. Mwangi A. Omari, have on several occasions been invited to our offices in the event of any grievances. To the best of my knowledge, despite having been invited to the offices on a number of occasions for meetings in respect to KSUP, he failed, refused and/or declined to honor the same opting to instead author the unsubstantiated claims.
26. **THAT** I acknowledge receipt of the Ombudsman letter by the Programme Manager to which responses were made vide letter dated 26th June 2018. No further communication from the Ombudsman's office have been received after we responded substantively through a letter dated 8th August 2018 in which we provided the Ombudsman with the programme briefs.
27. **THAT** as stated herein above, the RC was a special purpose vehicle for purposes of implementing the KSUP and thus it was intended an integral part of the programme to its conclusion. It was envisaged that changing the management/ office bearers of RC every now and then would have affected the smooth flow of the programme. However, once the programme ends, the community is free to maintain the RC and conduct elections if they so wish.

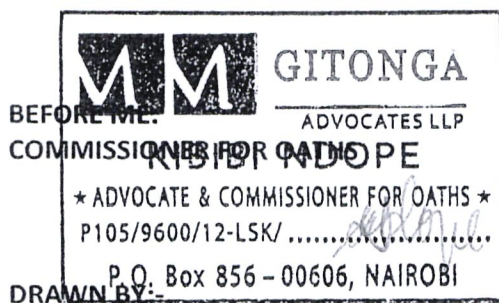

28. **THAT** in regard to public participation, several public participation forums led by senior government officials and attended by representatives of key institutions have been held at the Korogocho Chief's camp before any major activity is conducted. The RC further conducts village level public fora (barazas) to further ensure any important information relating to the programme reaches the grassroots. A case in point is the baraza held on the 26th of January 2016 to launch the survey exercise. The meeting was led by the Director, Administration - Urban and Metropolitan Development, Mr. Mabeya Mogaka. It can be confirmed that Mr. Mwangi Abdi, one of the objectors herein was in attendance.
29. **THAT** the allegations raised in the affidavits by Mwangi A. Omari and Rashid I. Omar are unfounded, malicious, vexatious and scandalous. They are solely aimed at tarnishing my reputation and professional character as a diligent, hardworking and dedicated public servant and which reputation I have built over many years in public service.
30. **THAT** what is deponed to hereinabove is true to the best of my knowledge save as to matters deponed to on belief, grounds whereupon have been given and matters deponed to on information, the sources whereof have been disclosed.

1.0 INTRODUCTION

THE KOROGOCHO UPGRADING PROGRAMME IS A JOINT INITIATIVE OF THE GOVERNMENT OF KENYA WITH FUNDING SUPPORT THROUGH A DEBT FOR DEVELOPMENT SWAP ENTERED INTO BY THE GOVERNMENT OF ITALY AND THE GOVERNMENT OF KENYA. THE INITIATIVE SEEKS TO UPGRADE KOROGOCHO SLUM IN ORDER TO IMPROVE THE LIVING AND WORKING CONDITIONS OF RESIDENTS. THIS WILL BE ACHIEVED THROUGH COORDINATED SUPPORT TO THE COMMUNITY TO PROVIDE THE RESIDENTS OF KOROGOCHO WITH SECURITY OF TENURE THROUGH AN APPROPRIATE LAND TENURE SYSTEM AND TO PREPARE AND IMPLEMENT IMPROVEMENTS OF THE PHYSICAL, ECONOMIC AND SOCIAL LIVING CONDITIONS OF THE KOROGOCHO COMMUNITIES. THE IMPLEMENTATION OF IMPROVEMENTS AND PROVISION OF SERVICES WILL BE THROUGH A CONSULTATIVE PROCESS INVOLVING THE COMMUNITY, COMMUNITY BASED ORGANIZATIONS (CBOs) AND FAITH BASED ORGANIZATIONS (FBOs). ESSENTIALLY IT WILL COMBINE TECHNICAL ASSISTANCE, COMMUNITY MOBILIZATION AND ORGANIZATION AS WELL AS CAPITAL INVESTMENT AND ENSURE PARTNERSHIPS BETWEEN THE COMMUNITY, THE GOVERNMENT AND THE PRIVATE SECTOR. THE LONG-TERM GOAL OF THE PROGRAMME IS TO IMPROVE THE LIVES OF SLUM-DWELLERS IN LINE WITH THE MILLENNIUM DEVELOPMENT GOALS. THE FIRST TWO YEAR INTERVENTION WILL ESTABLISH THE PROCESS, BUILDING BLOCKS AND ABOVE ALL BUILD CAPACITY OF THE COMMUNITY AND STAKEHOLDERS TO SUSTAINABLY IMPROVE THE OVERALL CONDITIONS OF THOSE LIVING AND WORKING IN KOROGOCHO AND DEMONSTRATE AN APPROACH WHICH CAN BE REPLICATED IN OTHER SLUMS IN THE CITY AND ELSEWHERE.

THE MAJOR OUTPUT OF THE PROGRAMME WILL BE A SUSTAINABLE INTEGRATED UPGRADING PLAN, PREPARED IN A CONSULTATIVE MANNER. THE PLAN WILL DEFINE THE PRIORITIES AND IMPLEMENTATION STRATEGY, INCLUDING FUNDING MECHANISMS AND WILL INSTITUTIONALIZE THE CONSULTATIVE PROCESS. THE CAPACITY OF THE VARIOUS INSTITUTIONS OPERATING IN KOROGOCHO FROM COMMUNITY LEVEL TO NATIONAL LEVEL INSTITUTIONS WILL BE ENHANCED TO ENSURE FULL PARTICIPATION AND CONTRIBUTION BY ALL INVOLVED. THE INITIATIVE WILL IMPLEMENT CONCRETE AND IMMEDIATE IMPROVEMENTS (TO ASSURE VISIBLE IMPACT) OF PHYSICAL, ECONOMIC AND SOCIAL CONDITIONS IN KOROGOCHO. A SIGNIFICANT AND IMPORTANT FEATURE OF THE PROJECT WILL BE THE CAPITAL ASSISTANCE VENTURE THAT WILL PRODUCE TANGIBLE RESULTS AND ACT AS A CATALYST TO THE COMMUNITY'S AND PARTNERS' PERCEPTION AND SUPPORT FOR THE INITIATIVE.

THE PROGRAMME WILL BE IMPLEMENTED OVER A TWO YEAR PERIOD AT A COST OF ABOUT KSHS. 210.00 MILLION.

2.0 BACKGROUND

THE KOROGOCHO SLUM IS THE FOURTH LARGEST INFORMAL SETTLEMENT IN NAIROBI, AFTER KIBERA, MATHARE VALLEY, AND MUKURU KWA NJENGA. IT IS LOCATED IN THE KASARANI DIVISION, IN EASTERN NAIROBI, APPROXIMATELY 11 KILOMETERS FROM THE CENTRAL BUSINESS DISTRICT. IT IS ESTIMATED TO HOUSE BETWEEN 100,000 AND 120,000 PEOPLE ON 1.5 SQUARE KILOMETERS OF LAND OWNED BY THE GOVERNMENT OF KENYA. IT BORDERS THE LARGEST DUMPING SITE IN NAIROBI - THE DANDORA DUMPING SITE - POSING ENVIRONMENTAL HEALTH AND SECURITY RISK FOR THE RESIDENTS AND SURROUNDING SETTLEMENTS.

CONDITIONS IN KOROGOCHO ARE TYPICAL OF SLUM SETTLEMENTS IN NAIROBI. THE TOTAL NUMBER OF HOUSEHOLDS HAS BEEN ENUMERATED AT 18,537, WITH THE LARGEST OF THE SEVEN VILLAGES CONSISTING OF 3,481 HOUSEHOLDS. LIKE ANY OF THE OTHER SLUM SETTLEMENTS IN NAIROBI, IT HAS A LARGE POOR POPULATION WITH NO ACCESS TO MINIMUM SERVICES, LIVING LARGELY IN STRUCTURES MADE OUT OF TEMPORARY AND RECYCLED BUILDING MATERIALS - OR MADE OUT OF TIMBER, MUD WALLING, AND ROOFING MADE UP OF SUBSTANDARD MATERIALS SUCH AS SACKS, CARTON PAPER AND POLYTHENE. THERE IS NO PROPER SANITATION AND WASTE MANAGEMENT. WATER RETICULATION IS LIMITED AND THE ROAD NETWORK IS INADEQUATE.

IT IS BELIEVED THAT MOST OF THE STRUCTURE OWNERS IN KOROGOCHO HAVE PAID A FEE FOR PERMISSION TO OCCUPY THE LAND. AS IN OTHER SLUM SETTLEMENTS, THERE IS A STRUGGLE BETWEEN STRUCTURE OWNERS AND TENANTS OVER LAND AND TENURE RIGHTS. THE TENANTS HAVE NO TENURE SECURITY AS THE STRUCTURE OWNERS ENJOY THE RIGHT TO EVICT FOR NON-PAYMENT OF RENTS OR ANY OTHER REASON. WHILE THERE ARE TWO CITY COUNCIL SCHOOLS, WITH OVER

4000 CHILDREN, MANY CHILDREN IN KOROGOCHO DO NOT HAVE ACCESS TO PRIMARY EDUCATION. OPEN SPACES IN KOROGOCHO, LIKE IN OTHER INFORMAL SETTLEMENTS, ARE FEW THUS LIMITING RECREATION AND OTHER FORMS OF LEISURE OPPORTUNITIES FOR YOUNG PEOPLE.

POOR HYGIENE PREVALENT IN THE SLUM HAS RESULTED TO THE RAPID SPREAD OF CHOLERA, MALARIA, TYPHOID, DYSENTERY, AND WATER AND AIR BORNE DISEASES. SEXUALLY TRANSMITTED DISEASES AND HIV/AIDS ARE ALSO WIDE SPREAD. IN ADDITION, INCREASING VIOLENCE AND CRIME IN KOROGOCHO, WHICH ARE OFTEN MET ONLY WITH A REPRESSIVE RESPONSE, CREATE INSECURITY, REINFORCING SOCIAL AND ETHNIC TENSIONS, AND UNDERMINE SOCIAL COHESION IN THE SLUM.

UNEMPLOYMENT RATES ARE HIGH IN KOROGOCHO; A MAJORITY OF THE UNEMPLOYED ARE YOUTH WHO LACK THE NECESSARY SKILLS AND EDUCATION FOR FORMAL EMPLOYMENT. AS IN OTHER SLUM SETTLEMENTS, MANY ARE EMPLOYED AS CASUAL WORKERS IN THE FORMAL SECTOR INDUSTRIES IN BABADOGO AND RUARAKA AREA, IN CONSTRUCTION ESPECIALLY IN THE PRODUCTION OF BUILDING MATERIALS INCLUDING STONE CUTTING. THE REST OF THE POPULATION IS EMPLOYED IN THE INFORMAL BUSINESSES, WITH MOST WOMEN OPERATING ROAD-SIDE BUSINESS UNITS OFFERING GOODS AT CHEAPER RATES. MEN ON THE OTHER HAND, PREFER MORE MANUAL BASED INCOME GENERATING ACTIVITIES SUCH AS CARPENTRY, WELDING, AND CONSTRUCTION.

KOROGOCHO HAS A HISTORY OF PRESENCE OF ESTABLISHED FAITH BASED ORGANIZATIONS (FBO) AND ENJOYS GOOD RELATIONS BETWEEN THE TWO MAJOR FAITHS – THE CHRISTIANS AND MUSLIMS AND MANY OTHER CHURCHES UNDER THE UMBRELLA OF THE KOROGOCHO SPIRITUAL LEADERS ASSOCIATION (KOSLA). "PEOPLE UNITED FOR NEW KOROGOCHO" IS A COALITION OF COMMUNITY BASED ORGANIZATIONS (CBOs) WHICH PROJECTS UNDER THE LEADERSHIP OF THE ST. JOHNS CATHOLIC CHURCH INVOLVED IN A VARIETY OF COMMUNITY PROJECTS IN KOROGOCHO. AT THE HEART OF THIS COALITION IS ATTITUDINAL CHANGE – A FOCUS ON A NEW KOROGOCHO, OFFERING NEW RAYS OF HOPE AND DETERMINATION TO IMPROVED QUALITY OF LIFE FOR RESIDENTS IN THE FORESEEABLE FUTURE. IT IS BELIEVED THAT THERE ARE OTHER AUTHENTIC ORGANIZATIONS WHICH CAN CONTRIBUTE TO THE IMPROVEMENT OF LIVING CONDITIONS IN KOROGOCHO. THE ORGANIZATIONS OUTSIDE KOROGOCHO HAVE ALSO PLAYED AN ACTIVE ROLE, SPECIFICALLY AT INTERNATIONAL LEVEL THE VIVA NAIROBI VIVA, A CAMPAIGN LED BY THE CIVIL SOCIETY AND MISSIONARIES AND AT THE COUNTRY LEVEL, KUTOKA NETWORKS, AND A NETWORK OF CATHOLIC PARISHES WORKING IN SLUMS. BOTH THESE ORGANIZATIONS LOBBIED FOR THE DEBT CAMPAIGN THREE YEARS AGO AND NOW HAVE TRANSFORMED THEMSELVES INTO SUPPORT ORGANIZATIONS.
